"For Christ didn't send me to baptize, but to preach the Gospel; and even my preaching sounds poor, for I do not fill my sermons with profound words and high sounding ideas, for fear of diluting the mighty power there is in the simple message of the cross of Christ. I know very well how foolish it sounds to those who are lost when they hear that Jesus died to save them. But we who are saved recognize this message as the very power of God," (I Cor 1: 17-18).
