ALMA MATER DR. HARLOW HOPKINS
BENEDICTION DR. RONALD DOOLITTLE

ALMA MATER, OLIVET

Byron M. Carmony

To Alma Mater, Olivet, We lift our voice in praise
For noble standards which we'll hold till ending of our days.
The time we spent within these halls will ne'er forgotten be,
For here we learned to know of truth, and truth will make us free.
My Olivet, Our Olivet! Though life may lead us far apart,
I'll still revere you in my heart.
My Olivet, Our Olivet. I'll love the Christ you gave first part,
And you, old Olivet.

FACULTY MEMBER OF THE YEAR

CHARLOTTE KECK

Charlotte Keck has the wonderful privilege of being able to say that she was born in a log cabin in Arroll, Missouri. As an only child born into a Christian home to parents who were very involved in a small church, Charlotte had the opportunity to interact with evangelists and missionaries who often were guests in the family home. She remembers these times fondly as having made a significant impact on her early spiritual formation. During Charlotte's teen years in western Illinois, she became involved in the Peoria Youth for Christ and, at age 16, received Christ as her Savior.

Following high school, Charlotte attended Grace Bible Institute in Omaha, Nebraska, for one year and then transferred to Goshen College which had one of the few baccalaureate degree nursing programs at that time. While at Goshen, Charlotte was "adopted" by a Nazarene family who happened to live close to the college campus. She began to attend the Church of the Nazarene with them, and there she met Don, whom she later married.

Charlotte Keck has three earned degrees: the Bachelor of Science in Nursing from Goshen College in 1964, the Master of Science in Nursing from Northern Illinois University in 1974 with a specialization in medical-surgical nursing, and a Master of Arts in Education degree from Olivet in 1989. She has worked as a Registered Nurse for the Elkhart County Health Depart-

ment, for Riverside Medical Center in nursing administration, and for the Medical Assistance Program in Wheaton, Illinois.

Before Charlotte joined Olivet's nursing faculty full time in 1974, she had assisted as a clinical instructor for Olivet's very first nursing class. She has taught at each level in the nursing program and has worked with all of its directors.

During a sabbatical leave in 1991, Charlotte developed a keen interest in computer-assisted nursing instruction which, under her leadership, has culminated in some rather major curricular enhancements and opportunities for Olivet nursing students and faculty. She is currently president of Kappa Sigma Chapter of Sigma Theta Tau, the international honor society of nursing. She also holds membership in Nu Beta Chapter of Kappa Delta Pi.

Charlotte Keck believes that working at Olivet is a God-given opportunity for service. For several years she has made a practice of starting to pray for her new students, by name, during the summer prior to having them in fall classes. "It has made a tremendous difference," she noted in a recent faculty report. Olivet Nazarene University's mission is realized to a large degree by such dynamics which take place over four years between students and faculty.

We recognize you at this President's Dinner, Charlotte, for modeling so effectively your teaching ministry among us.

1992

STAFF MEMBER OF THE YEAR

DONALD L. KECK

Donald Keck, the youngest of four children, was born in Bremen, Indiana. No one in his immediate family's history had attended college, but that did not alter Don's desire to go on for more schooling following his graduation from high school in 1958. After doing factory work for a year, he enrolled at the International Business College in Ft. Wayne and completed their program in professional accounting in 1961. Since then, Don has taken additional course work at both Kankakee Community College and Olivet Nazarene University.

Work experience as both an accountant and cost supervisor at Continental Can Corporation prepared Don well for his coming to Olivet in February 1966. Since that time, he has served as financial aid officer, accounting supervisor, bursar, and presently serves as controller. Don has worked through the installation of three different administrative computing systems at Olivet, and can even recall when all financial records and the writing of payroll and payables were performed using the Burroughs Posting Machine.

Don Keck's spiritual history begins with his mother who believed that her children should be in Sunday School and church. When Don was well into his young adult years, a friend invited him to attend a revival meeting at the Milford, Indiana, Church of the Nazarene. That evening, Don accepted Christ as his Savior and Friend in the humble basement church. He also met

Charlotte Shugart who, too, was attending the revival campaign. Don and Charlotte were married in 1963, and they have a married daughter, Michele. Don has been active in his local church having served as Sunday School teacher, church treasurer and organist.

Olivet's Vice President for Finance, Douglas Perry, has observed that, "Don Keck is definitely an 'extra-mile' colleague. He consistently arrives early for work, rarely misses a day, and continues to faithfully execute his varied responsibilities."

Don, in recognizing you this evening, we want both to affirm your gifts and skills and to thank you for 26 years of significant service in Miller Business Center here at Olivet Nazarene University.
