## Significance of the Colors of the Academic Regalia

The degree colors are appropriate to the category of the degree, rather than to the scholar's major subject. The appropriate color for degrees in Arts and Letters (B.A., M.A., B.Litt.) is *white*; in Commerce, *drab*; in Education, *light blue*; in Engineering, *orange*; in Fine Arts, *pink*; in Humanities, *crimson*; in Law, *purple*; in Library Science, *lemon*; in Medicine, *green*; in Music, *pink*; in Pharmacy, *olive*; in Philosophy, (Ph.D), *dark blue*; in Physical Education, *sage green*; in Science, *golden yellow*; in Theology, *scarlet*. These colors are used for the edging of all hoods along with the colors of the school. The colors may be used also for the velvet facing and sleeve bars of doctors' gowns, and tassels on bachelors' and masters' caps.

# Alma Mater, Olivet

*Byron M. Carmony*

To Alma Mater, Olivet, We lift our voice in praise  
For noble standards which we'll hold 'till ending of our days.  
The time we spent within these halls will ne'er forgotten be,  
For here we learned to know of truth, and truth will make us free.

My Olivet, Our Olivet. Tho' life may lead us far apart,  
I'll still revere you in my heart.  
My Olivet, Our Olivet. I'll love the Christ you gave first part  
and you old Olivet.
