State Allots \$581,006 To County Schools

Kankakee County schools will receive \$581,006 in state aid during 1956, an increase of about \$26,000 over the previous year.

The state aid, computed on a new formula this year, is based on 1954-55 enrollments. It does not include payments for transportation, lunch programs and special education, which are made separately.

County Supt. Ruel Hall said the payments will be made in 12 equal monthly installments to 21 qualifying districts. Hall receives a check each month from the state and sends each district its proportionate share.

The 1955 Legislature allotted a record-breaking \$5,688,569 for state aid to public schools. Last year, state aid totaled \$75,238,422.

Kankakee County's increase under the new formula, however, is considerably less than the \$106,000 increase of a year ago. Kankakee District 11's aid will increase \$1,458 this year.

THE STATE'S NEW formula gives more aid to poorer districts and less to ones which are wealthier.

Assessed valuation per pupil, as well as the number of pupils enrolled, determines the amount of aid districts with the lower assessed valuations receive more aid to help them educate their pupils.

Here are the amounts of aid to be received by individual Kankakee County districts during 1956:

Momence Unit 1, \$56,376; Herschler Unit 2, \$18,333; R-U-C Unit 3, \$17,775; Momence Unit 5, \$9,921;

GOP Women, Chatsworth Hear SS Man

CHATSORTH (JNS) — Roman Stewarski of the Bloomington social security office was the guest speaker at a meeting of the Republican Women's Club on Friday evening.

The group met in the home of Miss Florence Flesher at 6:30 p.m. for a potluck supper with 40 members and guests present.

Mrs. Conrad Hepp, vice president, presided in the absence of the president, Mrs. Allen Diller. Members voted to join the Republican Women's Federation for the year.

Miss Anna Miller and Mrs. Lorraine Gerbracht, new members, were welcomed into the club.

Assisting Miss Stewarski on the social committee were Mesdames Henry Hornickel, Philip Hornickel and Carl Milsand.

THE LADIES' Missionary Prayer Circle of the Calvary Lutheran Church will meet Wednesday at 7:30 p.m. in the home of Mrs. Milton Mullens.

A deed to property is not enough!

Here's why you should insist on a CHICAGO TITLE GUARANTEE POLICY

But doesn't a deed prove that I own the property? Unfortunately, it does not. As your lawyer will tell you, a deed merely states that such and such person has transferred his rights of ownership to you. It does not show who else may have rights to the property: through a mortgage... a judgment... unpaid taxes. Nor does your deed change these rights in any way.

Worse, some claims may not even show up in the title search—yet they can arise at any time to threaten your rights. That's why you need to insist on a Chicago Title Guarantee Policy. Should anyone question your title as guaranteed, Chicago Title and Trust Company will defend it for you... assume all costs... repay you promptly for any loss. Once you have the policy, there is no cost to keep it in force.

FREE BOOKLET! "Things You Should Know About Buying a Home." Write to address, or call number listed at bottom of page.

WHEN YOU BUY A HOME CONSULT YOUR LAWYER

Do you wonder at the many papers to sign? Your lawyer will explain what each is for. He makes certain that you sign no papers till your rights are protected. He sees to it that you get everything you should—not only the house itself, but any extras you're entitled to have. When you buy property there's one way to be sure: ASK A LAWYER.

Standing, left to right: James Brown, secretary-treasurer; Russell Johnson, president;

William Stanley, second vice president, and Leo DesLaures, first vice president. Seated is H. H. Lesko, vice president of Kankakee operation of Florence Stove Co. The club originated in January, 1955. (Journal photo)

Louis Lustfeldt, 84, Watseka, Dies Rites Wednesday

WATSEKA (JNS) — Louis Lustfeldt, 84, of 305 E. Mulberry St., died at 3:15 p.m. Monday in Iroquois Hospital following an illness of two weeks.

Mr. Lustfeldt was born Aug. 7, 1871 in Buckley, the son of Mr. and Mrs. Louis Lustfeldt. He married the former Minnie Hartke on Dec. 20, 1896 in Buckley. She died on Dec. 16, 1950 in Buckley.

Surviving are sons, Leo, Bradley, and Arnold; daughters, Miss Lydia Lustfeldt, with whom he resided; a brother, Julius, Buckley; six grandchildren and six great grandchildren. His parents, a sister and two brothers preceded him in death.

Mr. Lustfeldt spent most of his life in the Buckley area. He came to Watseka about five years ago. A short program was presented and included a saxophone solo by Virginia Cory, accompanied by Jean Witholt at the piano. The body is in the Kelley Funeral Home, Buckley; where friends may call this evening and until the hour of the service Wednesday in St. John's Lutheran Church, Buckley, at 2 p.m. The Rev. B. F. Prange officiating. Burial will be in the church cemetery.

New York City has over 5,000 miles of streets.

INSIDE JOB!

FRANKFORD, Ky. (UP) — The governor's office says a moonshine still has been found at La France State Reformatory.

Illinois Driver Dies

KENOSHA, Wis. (UP) — Mrs. Roscoe Heath, 50, Zion, Ill., was killed Monday in the collision of her auto with another car on Wis. 52, half a mile south of here.

Chicago Trucker Bound Over For Drunk Driving

Leonard Suda, 36-year-old Chicago truck driver, was bound to Kankakee County Court this morning on a charge of driving while under the influence of liquor.

State Policeman Ralph Mann arrested Suda on Route 54 two miles south of Kankakee Monday night. His bond was set at \$200.

2 Persons Hurt As Autos Collide

Two persons suffered minor head injuries in an accident at Greenwood Ave. and Bourbonnais St. at 8:40 p.m.

Police reported Nina Smith, 38, and Michael Smith, 7, suffered the minor injuries when they were riding in an auto driven by Ronald A. Supp, 17, 1193 1/2 S. Washington Ave. Police said the other car involved in the collision was driven by Alex Cardosi, 17, 709 S. Chicago Ave. The impact knocked the auto driven by Supp over the curb and into a tree. Police said the injured persons did not require treatment at the hospital.

Return Boy, 16, Who Left Plane At Chicago Stop

A 16-year-old boy who left an airliner during a stop at the Chicago airport and started hitchhiking south was returned to Chicago today and put aboard a plane.

Sheriff James W. Latney said the youth, en route from Philadelphia to Denver, left the plane and started hitchhiking.

He was brought to the county jail by a motorist who picked him up.

The youth was lodged at the jail overnight and state police cars relayed him to the airport in Chicago this morning. Ralph Locke starting him on the first leg of his trip.

2 Ceremonies To Mark Scout Week

The most prominent of special ceremonies to celebrate Boy Scout Week, which began Monday and ends Sunday, will be the Court of Recognition scheduled Wednesday at 7:30 p.m. in Kankakee High School auditorium.

The program will recognize all attained the rank of first class, star life or eagle scout in the past year and will be conducted by Robert M. Nichols, Rainbow Council advancement chairman.

Recipients of religious awards will also be recognized. The awards will be made Sunday, especially designated as Boy Scout Sunday as a climax to Boy Scout Week.

Dr. Anthony Marinaccio, Kankakee school superintendent, will give the charge before boys who have qualified for star scout. Speakers for the eagle scout recognition will be two Junior Chamber of Commerce members who have been recipients of Jaycee Key Man awards, Frank Rosier of Kankakee and James T. Joliet.

An illustrated narration comparing modern scouting to life in the pioneer days of America will be presented.

Parents, friends of scouts and all scouts, numbering an estimated 400 persons, will attend the court of recognition.

The Boy Scouts of America celebration of the 46th anniversary of the founding of the organization will be further accentuated throughout Boy Scout Week and the month of February with banquets sponsored by the various scout organizations in Kankakee District.

Boy Scout theme for the recently adopted four-year program is "Onward for God and My Country."

Marks 25th Year With Drug Firm

John W. Gowdy, fountain manager of the local Walgreen Drug Store, 236 E. Court St., is observing his 25th anniversary with the firm.

He was recently presented with a watch and gold emblem in honor of his 25 years service with Walgreen's. He has managed fountain in five states.

Gowdy said Kankakee is his favorite city and he hopes "to retire near the Kankakee River where I can go fishing for good old central Illinois walleyes."

House Committee Acts On Road Taxes

WASHINGTON (UP)—A House committee today planned prompt action on a bill to hike taxes on motorists and truckers an average 800 million dollars a year for 15 years to pay for new roads.

The measure was introduced Monday by Rep. Hale Boggs (D-La.) and the House Ways and Means Committee scheduled public hearings on the bill's tax features a week from Wednesday. It hopes to wind up the hearings by the following Tuesday.

Boggs today predicted committee approval of the measure without substantial change. Republican House leaders and President Eisenhower have promised to support the bill's tax features a week from Wednesday. It hopes to wind up the hearings by the following Tuesday.

Boy Scouts Give Program For Kiwanis

An explanation of scouting aims and accomplishments was given to Kankakee Kiwanis Club members during their Monday luncheon meeting.

The program was presented by Walter D. Johnson, field executive of the Kankakee Trails Scout District, as a feature of National Boy Scout Week, Feb. 6-12. He explained that the scout movement was founded in the United States 46 years ago.

Talks were given by three Boy Scouts and a scoutmaster, and color slides taken during the 1955 World Scout Jamboree at Niagara Falls, Ont., Canada, were shown.

William Horn from Explorer post 103, St. Patrick's Church, Momence, said that a national program of emphasis on scouting is now starting in the United States. The slogan "Onward for God and Country" is being used to keynote the program.

Present taxes amount to 2 cents a gallon on gasoline and motor fuel and 5 cents a pound on tires. There is no federal tax now on camelbats.

The additional taxes would take effect next July 1 and would run for 15 years to help pay the 30% of a billion-dollar federal share of a proposed 13-year, \$1-billion-dollar highway-building program.

Kankakee Man To Head State Jaycee Committee

Pete Azzarelli, president of the Kankakee Junior Chamber of Commerce, was appointed chairman of a project to establish new Jaycee state headquarters during a three-day weekend session of the Jaycee state board meeting in Quincy, Ill.

The Kankakee delegation to the meeting, Pete Azzarelli, Arthur Tribbey and James LaPorte, introduced a resolution that the organization procure a new state headquarters.

James LaPorte, appointed chairman of the "Get Out The Vote" movement, conducted a forum on voting.

Momence Ordinance Governs Subdivisions

MOMENCE (JNS)—The city council Monday night passed an ordinance calling for the regulation of subdivisions in and around the city.

The new law contains 16 sections governing such things as lots, streets, alleys, walks, tree-planting, utilities, etc.

A vote of five in favor and one against was the council's answer to the ordinance, which had been prepared by the city planning commission, headed by Logan Tuohill.

Approximately 40 persons were on hand at the meeting to hear Fey Orr outline and explain the law, which will go into effect 10 days after publication.

In other action, the council tabled until the next meeting bids on a squad car for the police. The bids were not opened.

The parking ordinance passed by the council went into effect Monday. However, it will not be enforced until the city has placed signs along the streets.

Bradley Gets New Treasurer

Thomas Wood of 289 S. Prairie Ave., Bradley, center, is sworn into office as village treasurer Monday by Mrs. Mabel Picher, clerk. Board President Clarence Lock, right, made the appointment.

Wood has lived in Bradley 10 years, taught and coached junior high school there for three years and is now grade school superintendent at Wicher.

OES of Chebanse To Hold Initiation

CHEBANSE (JNS)—The Chebanse Chapter Order of Eastern Stars met Thursday evening.

Mrs. Clarence Winterroth, worthy matron, conducted the business session with 12 officers present. It was announced there will be initiation at the March meeting.

Refreshments were served by Mr. and Mrs. Frank Brenneisen.

MR. AND MRS. Purley Painter were called to Effingham on Thursday. The former's mother is ill.

Hold 2 For Beating Child, Leaving Her On Unheated Porch 3 Weeks

MONROVIA, Calif. (UP)—A sheet metal worker and his wife are accused of beating his 8-year-old daughter and leaving her locked in the unheated service porch of their home for three weeks.

Police said the child, Victoria Ruth Podger, wore only a ripped and ragged undershirt and a light cotton robe which she was unable to close because the cord had been used to tie her wrists behind her.

The room, 8 feet by 10 feet, they said, contained a small cot on the floor for her bed and a light blanket for her cover. Early morning temperatures in the area have dipped into the high 30's.

Victor R. Podger and his wife, Rose Ann, both 30, Monday were ordered held for preliminary hearing Feb. 17. Mrs. Podger, the girl's stepmother, was charged with two felony counts of corporal injury to a child and the father with one count. Both were jailed in lieu of \$2,500 bond.

CLAD ONLY in a ragged undershirt and an old robe and with her hands tied behind her, Victoria Podger, 8, is shown as police found her on the back porch of her home Monday. The girl had told her teachers and parents of her playmates that her stepmother, Rose Podger, had been beating her with a dog leash, kicking and choking her, but no one believed her. She told police that her stepmother had kept her locked on the back porch for the last three weeks with only a cotton comforter to keep her warm at night. Her parents, Mr. and Mrs. Vincent Podgers were booked by police on suspicion of child beating. (AP Wirephoto)

Jack Jimmink quoted Mrs. Podger as saying they couldn't afford to buy milk for Victoria because they were making payments Mary, 2, were taken to juvenile hall on a 1955 car. She said she did not

Shuman Claims Farm Programs Not Helpful

SPRINGFIELD (U.S. No. 1000)—The American farmer is failing to share the nationwide prosperity primarily because of unwise government programs which he asked for and now can't get rid of," Shuman said Monday night.

Shuman, whose organization claims to be the nation's largest farm group, said he is not condemning either Democratic or Republican administrations "since prices have declined 25 per cent while costs went up 25 per cent in the last five years—during administration of both parties."

In a speech at a Rotary Club Farm Night banquet, Shuman warned farmers not to rely on government support.

Illinois To Hold 100 County Fairs Throughout 1956

Nine of the scheduled 100 county fairs in Illinois will be held in the Kankakee area this year, according to Sullivan J. Stinson, director of the state Department of Agriculture.

The previous record number of fairs was last year, when 98 were held. Ninety-four fairs were held in 1954 and 97 in 1953.

The fair schedule for the Kankakee area follows:

Kankakee County Fair, Aug. 5-10; Iroquois County Fair, Mill Ford, July 21-Aug. 3; Will County Fair, Peotone, Aug. 24-26; Ford County Fair, Moline, Sept. 5-9; Grundy County Fair, Mazon, Aug. 25-29; Livingston fair at Fairbury, Aug. 21-25; Livingston fair at Odell, Aug. 28-30; Livingston fair at Pontiac, Aug. 7-9; Livingston fair at Fulton, no date set.

Loan Funds Now Available For 1956 Expenses

Farmers in this area may apply for the additional loan funds available for financing 1956 operating expenses, said Vincent J. Stinson, Farmers Home Administration in Morris.

Branches of office serve Kankakee, Will, Grundy, LaSalle, and Kendall counties.

The loans may be used to pay a wide variety of farm operating expenses including the purchase of fertilizer, tractor fuel, livestock feed and seed. The loans will be made only to farmers who are operating units no larger than a family type farm and who are unable to obtain adequate credit from other sources.

Branch said the loans are short term credit designed to help farmers finance one year's operations.

Farm Manager In Washington

Charles H. Stinson, farm manager of the City National Bank, is in Washington this week for a discussion with government officials on national farm problems.

Stinson was one of several Illinois men requested by the Illinois State Chamber of Commerce to present the state chamber's attitudes on a legislative program for agriculture.

Forrest Methodist Church To Be Host At Rally

FOREST (JNS)—The Methodist Church will be host to the Sibbey group at a Missionary Rally on Friday at 7:30 p.m.

The missionary speaker will be Don't Let Carpet Cleaning Floor You

You can clean your wall-to-wall carpeting at home, quickly and easily, with Blue Luster.

A gentle foam cleanser, Blue Luster brushes into the carpet without soiling or matting the pile. The bright, original colors spring out like magic as you apply the foam with a long-handled brush that makes work like play.

Blue Luster leaves no trace, leaves no stain, or a traffic lane, in a jiffy. It works beautifully on upholstered furniture, too. One half gallon of Blue Luster concentrates cleans three 9 x 12 rugs.

Ag Engineer To Talk At County-Wide Meet

A county-wide farm meeting on electrical wiring and watering systems will be held at 1:30 p.m. Thursday at the Farm Bureau hall, announced Lloyd Graham, farm adviser.

Frank Andrews, agricultural engineer from the University of Illinois, will be the guest speaker. Graham said Andrews will also answer questions and make comments on agricultural engineering innovations.

Andrews did a lot of the ground work connected with automatic crop drying. Both of these ideas are in operation on a number of the large farms in the Kankakee area.

Corn and soybean drying is gaining rapid popularity throughout the state. Farmers who dry their corn take less risk when marketing the grain early and need smaller storage units for the shelled grain.

Andrews has also worked with farmers who have converted commercial cribs over to shelled grain storage bins. There are dozens of other labor saving ideas that Andrews knows about first hand.

He added that all county farmers are invited to attend the meeting.

Exline Farmers Find Nitrogen Pays On Oats

The Bouchard brothers, Harry, Roy and Ernest, who farm north of Exline have found, like many other area farmers, that good land management pays off in extra crop yields.

This past year they averaged 96 bushels of oats per acre on a total of 118 acres. The brothers are the first to admit that 1955 was an excellent year—but they said they would have never harvested the yield they did if the plant food wasn't available to the oats.

Their 440 acres has all been tested for plant food deficiencies and corrected. They applied 200 pounds of ammonium sulphate per acre on the oat ground. Roy Bouchard said, "We needed this extra 10 to 15 bushels in acre to pay for the nitrogen, and we figure we got much more than that."

The Bouchards' average oat yield is usually about 63 bushels an acre.

Harry Bouchard said the oats much more than paid for the nitrogen used. And the nitrogen also helped the seedling get a good start.

The Bouchards plant the inexpensive Chilian alfalfa variety and maintain it in the spring as green manure.

They always maintain one-fourth of their acreage in oats every year, and employ a rotation of corn, soybeans and oats. Their corn averages between 75 and 80 bushels an acre and beans about 35 bushels an acre.

The Bouchards are primarily grain farmers although they also maintain a small herd of Hereford cattle.

Staley Resumes Full Production At Soybean Plant

DECATUR (U.S. A. E. Staley Mfg. Co. has resumed full production at its soybean processing plant.

A. E. Staley Jr., the firm's president, said Monday the return to full output came about because of the "current high level of exports of soybean oil."

The firm's output production is 15 per cent on Jan. 3. Other Decatur soybean processing plants have maintained normal production.

PRODUCE

CHICAGO (U.S. Butter: receipts 1,284,392; wholesale buying prices unchanged; 92 score A-1 57.92 A-2 56.75; 88 C 56.25; 88 C 56.25; 88 C 56.25.

There's Fun, Too At Council Meetings

Kankakee's city council meeting was not without its elements of humor despite the fact that the session and the complexity of some of the matters involved Monday evening.

Shortly after taking office in May 1955 Ald. Peter Zinkann (R-5) was left in a tough spot one evening when the council adjourned before he had an opportunity to present the problems of his ward.

Since that time the aldermen have, by something of a "gentlemen's agreement," given Zinkann the privilege of offering the adjournment motion at the close of each meeting.

Monday night Zinkann got even for a few slights of the past.

It was nearing 10 o'clock, the aldermen were tired, they wanted to go home. Zinkann arose and the aldermen lifted.

"Aha, this is the end of the line," he said. "I am moving to adjourn. I addressed Mayor Ed P. Madison."

"Mr. Mayor, I move," he said in dignified tones and drew papers from his pocket. It looked like another speech.

"That we adjourn," said Zinkann, much to the delight of the other aldermen who wasted no time in quelling the council chambers.

Previously City Clerk Patrick J. Cleary had proved himself a good man in an embarrassing situation. This past year they averaged 96 bushels of oats per acre on a total of 118 acres.

The brothers are the first to admit that 1955 was an excellent year—but they said they would have never harvested the yield they did if the plant food wasn't available to the oats.

Their 440 acres has all been tested for plant food deficiencies and corrected. They applied 200 pounds of ammonium sulphate per acre on the oat ground.

TV Adds Rug Wear, Sheldon Women Learn

SHELDON (JNS)—Since the advent of television, the living room rug receives 40 per cent more wear and therefore requires more care, according to E. F. Towers of Kentland in a talk Thursday afternoon at a meeting of the American home department of the Women's Club.

Towers, in his talk on "Rugs," stressed that weight, materials and how the rug fibers are tied into the carpet are important factors.

For large family use, the speaker recommended a heavier weight rug with a high pattern, preferably woven of man-made materials. Families with pets should beware of looped pile rugs. Towers said, since the claws of a cat or dog could pull out the fibers.

The importance of good padding beneath rugs was mentioned along with methods of keeping the carpet clean.

"Never use a Vacuum sweeper on a new rug," he said. Wait until the rug is broken in and then use the vacuum.

Francis C. Scully, public relations officer of American Legion, pos. 85 said that at noon today changes in Wagner's plans to fly to Kankakee had been announced.

Present Awards To Cub Pack 100
Twenty-five awards were presented at the last meeting of Cub Pack 100 of St. Patrick's Church.

Scoutmaster Nels Christopherson and Dr. Carl Dunker, assisted by advancement man Joseph M. Quigley, conducted the ceremony.

The business meeting was conducted by Mrs. Gene Milligan, secretary, and Mrs. Frank Shrimphorn, treasurer.

TB Tests To Be Offered In High Schools

Tuberculin tests will be offered to all freshmen and seniors in Kankakee County high schools during the next two months, Dr. Raymond Malott announced today.

Dr. Malott is vice president of the Kankakee County Tuberculosis Association and chairman of the county medical society's TB advisory committee.

Tests were given today at Herscher and Reddick. Other schools which have been scheduled include Grant Park next Monday, Maren and Our Lady Academy Feb. 14 and Kankakee East Junior High School Feb. 28.

The rest of the schools will be added to the schedule within the next two weeks.

The test is given to determine if the student has been infected with tubercle bacillus, the germ that causes TB. It does not reveal whether a person has the disease, but tells those who react positively that they should have a chest X-ray to make certain the germs have done no harm to the lungs.

These tests and free X-rays for positive reactors are a part of the county TB association's case finding program. They are made possible through the annual sale of Christmas seals, the sole support of the associations' work.

Cooperating in the program are the medical society, the Kankakee County Sanatorium Board and the board's nurse, Mrs. Henry Draude. Dr. Malott reported that a recent article in the Journal of the American Medical Association stated "the tuberculin tests have become the master key to the TB problem."

It is estimated that the nylon in a \$1.50 pair of nylon stockings is worth about 10 cents.

Two Fined \$25 For Fighting In Watseka Alley
WATSEKA (JNS) — Two men were fined \$25 each Monday by Police Magistrate Harry Littell for fighting in a public alley.

They are James Haynes, 23, Watseka, and Bert Howe, 24, Watseka. They were arrested by Watseka Police Capt. Fred Hasbargen and Officers Art Henning and Ernie Burdick.

Kenneth Rohr, 20, Watseka, arrested by Police Chief Robert E. Sapp and Capt. Hasbargen, for reckless driving, was fined \$30 and cost by Littell. He was arrested on a complaint signed by John G. Snyder of Hoopston.

Charles Barlund, 19, Donovan, was fined \$15 and costs by Littell for speeding. He was arrested by Sapp and Hasbargen.

Francis B. Webster, 26, Watseka, arrested by Hasbargen and Henning for reckless driving, was fined \$30 and costs.

World Population Over 2.6 Billion
UNITED NATIONS, N.Y. (U.S. A. — The U.N. has boosted its estimate of the world's mid-1954 population by 129 million persons to a record 2,655,000,000.

Main factor in the sharp increase was Red China's report of 582,603,417 population in mid-1952. Previously the U.N. had used the Nationalist China estimate of 463,493,000 people living in mainland China in mid-1949.

Public Sale
As I am quitting farming, I will sell at auction on farm located: 8 1/2 miles south and 1/2 mile east of Herscher, then 40 rods north, 1 1/2 miles south and 1/2 mile east of Herscher, 7 miles east and 1 1/2 miles south of Herscher.

Thursday, Feb. 9th 11 A.M.

Public Sale of Farm Land
THE UNDERSIGNED will offer for sale on the premises, on

SATURDAY, February 18, 1956
At 2 P.M.

240 Acres of Improved Farm Land
located approximately 2 miles North of the Village of Martinton, Martinton Township, Iroquois County, Illinois, and described as follows:

The South 100 acres of the Northeast Quarter and the South Half of the Southeast Quarter and the Northwest Quarter of the Southeast Quarter and the West Half of the Northeast Quarter of the Southeast Quarter, all in Section Five (5), Township Twenty-eight (28) North, Range Twelve (12) West of the Second Principal Meridian, Iroquois County, Illinois, containing two hundred forty (240) acres, more or less.

Being the land formerly owned by Merle Baron, deceased.

TERMS OF SALE: (a) Ten (10%) per cent of the purchase price to be paid on date of sale; balance within sixty (60) days or on delivery of Deed whichever is sooner.

Divorcee Sure Shrine Miracle To Cure Leukemia Victim Son

CHICAGO (UP)—Mrs. Helen Eckman is "more sure than ever" now that a miracle will result from the visit of her 7-year-old son, a leukemia victim, to the shrine of Our Lady of Lourdes in France. Returning from a seven-day, \$600 mile pilgrimage to the famed Roman Catholic shrine, Mrs. Eckman said she was thrilled by the result of a medical examination given the boy here Monday night.

RANDY HAS BEEN having feverish ups-and-downs throughout the trip—attributed Monday night by the physician here as the result of a smallpox vaccination which "took."

The boy's temperature had run as high as 104. It was normal Monday night, the physician said. Mrs. Eckman took this as a good omen—proving, she said, that God at least had not yet pronounced a verdict on the child.

Now the priests have explained to her why Randy is in the light of God—a precious thing, the same as it is to her.

She is content to return to her St. Joseph, Minn., home today, she said, and await the "verdict of Lourdes."

"I'M MORE SURE than ever," she added, "that there will be a miracle."

Mrs. Eckman, 34, is a divorcee. She has two other children. Her trip to Lourdes was financed by contributions of St. Joseph and Benton Harbor, Mich., residents. Randy's illness was diagnosed last May as fatal.

The Eckmans had some trouble getting to Chicago Monday. They were turned away from the airport because the Chicago airport was fogbound, and they came from the Wisconsin city to Chicago by automobile.

Except for her brief comments, Mrs. Eckman secluded herself at the Conrad Hilton Hotel with the boy.

Government Idled By Israeli Strike

JERUSALEM (UP)—Some 8,000 government workers—about a quarter of them high-ranking officials—walked out today in a strike against the government.

Pinhas Roesen, Progressive Party member of the Cabinet, said he will resign unless the strikers get the wage increase they are demanding. He said the Progressive Party will withdraw from the Cabinet unless the government agrees to arbitrate the dispute.

Finance Minister Levi Eshkol said the government cannot grant the strikers' wage demands without starting an inflationary round of pay increases for other workers.

Happy Is The Day When Backache Goes Away . . .

Pinhas Roesen, Progressive Party member of the Cabinet, said he will resign unless the strikers get the wage increase they are demanding. He said the Progressive Party will withdraw from the Cabinet unless the government agrees to arbitrate the dispute.

MUCH ADO ABOUT NOTHING

BIRMINGHAM, Ala. (UP)—Mayor James W. Morgan has proclaimed the week of Feb. 26-March 2 as "National Nothing Week" in Birmingham.

Although "many worthwhile causes" use the medium of the nothing week to draw attention to themselves, the mayor said, his proclamation was inspired by such "ridiculous" things as "National Gold Plated Diaper Pin Week" and "National Pickle War Week."

Illinois Brothers Meet After 10 Years In Italy

NAPLES, Italy. (UP)—Two Illinois brothers, separated for 10 years by different assignments in the U. S. armed forces, met again for the first time Monday in Italy.

T. Sgt. Carl M. Roberts of Mattoon, Ill., was recently transferred from the United States to a fighter-bomber squadron on Sicily. His brother, James N. Roberts, assigned to a Defense Department report on prisoners of war in Korea.

Witnesses said the brothers had recognized each other and made sure of each other's identity before embracing.

Carl has been in the Air Force for 10 years and his brother has been an Army man for 14 years.

Princess Sings Grizzly Tune On TV

LONDON (UP)—Princess Margaret paid her first visit to a television studio Monday night and surprised everybody.

Mrs. Eckman, 34, is a divorcee. She has two other children. Her trip to Lourdes was financed by contributions of St. Joseph and Benton Harbor, Mich., residents. Randy's illness was diagnosed last May as fatal.

The Eckmans had some trouble getting to Chicago Monday. They were turned away from the airport because the Chicago airport was fogbound, and they came from the Wisconsin city to Chicago by automobile.

Wilderness Woman Has Tot In Hospital

DULUTH, Minn. (UP)—Mrs. Arthur Madsen, 34, of Lake Superior, Ont., won a 150-mile race with the stark, over-wilderness trails by snowmobile, snowshoes, dog sled, car and bus and gave birth here Monday to a baby girl.

Mrs. Madsen entered St. Mary's Hospital last Wednesday after a two-day trek over obscure trails from her husband's Canadian summer resort. She and her 7-pound, 10-ounce daughter are doing fine.

Originally, Mrs. Madsen had considered going on to Joliet, Ill., where she knew six doctors who had made fishing trips to their lake.

"Maybe one of them would deliver the baby free in exchange for another fishing trip," she said.

The NEW ARRIVAL makes the couple's fourth child.

The Hardy woman and her 6-year-old son started out from their lodge Jan. 28 by snowmobile—a car powered halibut. They were temporarily stranded when a sled that was to take them to the end of the famous Gunflint Trail was over-loaded and the mother and son had to take to snowshoes.

An Indian guide met the pair with a dog sled. They finally reached a lodge at Seagull Lake. They telephoned for help and a snowplow crew opened the road to Grand Marais, Minn.

The rest was easy. They rode a bus to Duluth.

Fears U. S. Youth Lacks Background To Fight Ideology

TOKYO (UP)—Gen. Lyman L. Lemnitzer, U. S. Far East commander, said Monday that the average American youth lacks the "background" they require to meet and overcome Communist ideology and techniques.

Lemnitzer told a meeting of the Far East Council of the Boy Scouts of America, that he was "deeply" concerned over the comments of a Defense Department report on prisoners of war in Korea.

He said the report reaches the "sore conclusion" that these young men were unable to reply to statements in favor of communism with arguments in favor of their own way of life because they knew little about their own country, its history and its political beliefs.

50th Anniversary Celebrants

Mr. and Mrs. Nick Lombert of Bradley will observe their golden wedding anniversary Sunday starting with an 8:30 a.m. mass at St. Joseph's Church in Bradley. A reception will be held from 2 to 5 p.m. in the Bradley Municipal Building. The couple was wed. Feb. 13, 1906 in St. Anne.

To them were born nine children, six of whom are living. They are: Delbert of Grand Rapids, Mich.; Marvin of Downers Grove, Ill.; Tom Kane, Mrs. Harold Veranda of Kankakee; Ambrose and Mrs. Eugene Patel of Bradley. They also have 22 grandchildren.

Mr. and Mrs. Edward Jones of Aroma Park will be honored at an open house Sunday from 2 to 5 p.m. at the Methodist Church in Marseilles. The occasion is in observance of the couple's 50th wedding anniversary.

The former Phoebe Gublike of Marseilles and Edward Jones, also employed with the National Biscuit Co., Marseilles for 30 years.

Their children are Marshall of 704 S. Elm Ave., Kankakee; Carl and Don of Aroma Park, Ill.; Harold Wiley of Marseilles.

The couple also has 17 grandchildren and two great-grandchildren.

Good Agency Is Vital In Adopting A Baby

(This is the second of three articles on the problems of adoption.)

By DOROTHY V. WHIPPLE, M.D.

AP Newsfeatures

If you are planning to adopt a baby, make your arrangements through a good child-placing agency.

Adoption is a serious business and both the natural parents and the adopting parent need the protection and help of the trained workers of the agency.

It is never wise for the two sets of parents to know each other. A good agency acts like a solid wall between them. The agency works with the natural mother and helps her make her decision as to whether or not to give up her baby. No one forces her. If she decides to

put him up for adoption, the baby is placed in a foster home where he is thoroughly examined and watched. When the agency is as sure as it can be that he is a normal healthy child he is ready for his adoptive parents.

MEANTIME the agency has investigated the parents who want to adopt a baby. A social worker will interview both husband and wife and visit them in their home. Sometimes the agency tries to dissuade a couple from adopting a child if it feels that, for any reason, they might not make good parents.

There are many more people who wish to adopt babies than there are desirable babies to adopt. Therefore it is often a delay in finding the right baby for a particular couple. Sometimes parents become very impatient at the delay imposed by the agency. It is annoying to have to wait, but it is better to put up with this delay than to run the risks of serious trouble later.

Some time after you are on the agency's list, they will tell you of that they have a baby suitable for you. You go to see him and if you like his looks you take him home. Most states require a waiting period before an adoption can be complete. During this time the agency will keep in touch with you to make sure everything is working out satisfactorily.

This period of adjustment is a great protection both to the baby and to you. It is difficult in the early months of life to be sure that they have a baby suitable for you. You go to see him and if you like his looks you take him home. Most states require a waiting period before an adoption can be complete. During this time the agency will keep in touch with you to make sure everything is working out satisfactorily.

\$200,000 Blaze Destroys Buildings At Hoopston

HOPESTON, Ill. (UP)—A four-hour fire destroyed two downtown business establishments Monday night, causing damages estimated unofficially at \$200,000.

Burned were the Sims Motor Sales structure, where the blaze started, and the adjoining Blocker furniture store. Cause of the blaze was undetermined.

Fire equipment from surrounding communities aided in extinguishing the blaze. Several new autos were reportedly burned in the Sims building.

Fears U. S. Youth Lacks Background To Fight Ideology

TOKYO (UP)—Gen. Lyman L. Lemnitzer, U. S. Far East commander, said Monday that the average American youth lacks the "background" they require to meet and overcome Communist ideology and techniques.

Lemnitzer told a meeting of the Far East Council of the Boy Scouts of America, that he was "deeply" concerned over the comments of a Defense Department report on prisoners of war in Korea.

He said the report reaches the "sore conclusion" that these young men were unable to reply to statements in favor of communism with arguments in favor of their own way of life because they knew little about their own country, its history and its political beliefs.

Keep In Trim Shape Up With Exercises That Hit The Spots

By IDA JEAN KAIN

The beauty of exercise is that it re-shapes the figure. One exercise-minded girl who reduced 17 pounds with mild exercise, slimmer of 17 inches from the right places. She wrote: "...The most gratifying part of slimming is the fact that you can have it all—beauty and health. If you want a better shape with less weight, back up your diet with stretch-and-swing. If you do not need to lose weight but do need to re-shape your figure, exercise.

The more enjoyable exercise can be made, the better—provided the line of pull is directed through the figure controlling muscles. One reader has asked which records are best suited to rhythm slimmer. For stretching and bending, turn the dial to a slow rhythm, so the movement can be slow and smooth and held. To pull off the girdle, turn the dial to a fast rhythm, so the rhythm can be "suddenly there's a Valley."

Position: Standing with feet wide apart, right arm overhead, palm of left hand on thigh, balletic style.

Movement: Slowly stretch the right arm, pulling the right arm to the middle to elongate the entire waist to wishbone section. Holding the up-pull, bend smoothly sideways to the left, reaching far out with fingertips of right hand. Hold this movement through a few beats of the music. Come back to position, change position of the right arm and bend to the right side, again holding the movement at the end of the stretch-bend.

To reach those flabby muscles that flank the back sides of upper arm, find a faster tempo, on the record of "Well Have These Moments To Remember."

Beaverville, Papineau Home Bureau Unit Has Meeting

The Beaverville and Papineau Home Bureau met Friday at the home of Mrs. Clara Russell with nine members present.

Two guests were Mrs. Al Louie Arnesen of Ansonia, Alaska, and Mrs. Joe Russell.

The major lesson on "Saving Time in Mending" was given by Mrs. Russell. The minor lesson, "Ceylon, Its People, Food and Customs," was presented by Mrs. Louise Herscher and Miss Blanche Arnesen.

The March 2 meeting will be at the home of Mrs. Annette Gereau.

Barbara Louise Neuby Baptized Sunday

Miss Barbara Louise Neuby, six-month-old daughter of Mr. and Mrs. Harold Neuby of 1435 E. Oak St., was baptized Sunday at the First Evangelical United Brethren Church.

The Rev. Earl Bruso was the officiating minister. Sponsors were Mr. and Mrs. Thomas Jerome Neuby, uncle and aunt.

Following the services a family dinner was served at the Harold Neuby home. Among those present were Mr. and Mrs. James Neuby, grandparents, Mrs. Bertha Harris, great-grandmother, Mr. and Mrs. Chester Palmateer, uncle and aunt, and Robert Neuby, uncle.

Mission Circle Has World Day Of Prayer Program

A World Day of Prayer program conducted by Mrs. Martin Johnson was held at the regular meeting of the Trinity Lutheran Mission Circle in the church parlors Thursday.

Scripture reading and prayers were given by various members of the group. The church junior choir sang several selections under the direction of Mrs. Carl Holmgren.

Mrs. Robert Holmgren presided at the business meeting. Guests were Mrs. Peter Fargue and Kenneth Carlson.

Mrs. Bonnie Palm was hostess at the Valentine social which was held following the meeting.

The next meeting will be March 1 at the home of Mrs. Harold Posig.

Train Jumps Track In Kokomo; 13 Hurt

KOKOMO, Ind.—The twin diesel locomotive and four cars of a Chicago-Cincinnati passenger train of the Pennsylvania Railroad jumped the track in southeast Kokomo Monday night, injuring eight passengers and five passengers.

Power to the entire southeast cut off as the locomotive smashed into a transformer. The heavy unit knocked four cars into a steel warehouse building before the first section of the twin locomotive fell onto its side.

Electricity flashing from the broken power lines hampered firemen as they worked to extinguish burning oil oil spilled beside the locomotive.

The accident occurred at the switch at the Lunt Iron and Steel Co.

NONE OF THE four cars tipped over, although one tilted to an angle of 45 degrees.

Engineer E. Krull, Richmond, Ind., and conductor R. S. Bullock, Logansport, Ind., were among those treated for minor cuts and bruises. None of the injured required hospitalization. A railroad official said the train carried about 250 passengers.

At first, it appeared Pennsylvania traffic on the Chicago-Cincinnati line would have to be rerouted over Nickel Plate tracks through Elwood, Ind. However, track repairs were made quickly at the scene of the wreck and the seven cars remaining upright went on to Cincinnati with another engine.

Service was delayed about four hours.

Emergency repairs restored electric power within an hour after the accident.

Happy Hour Canasta Club Has Luncheon

Happy Hour Canasta Club met Friday at the home of Mrs. Archie Thompson of 220 Sibley Ave. for a 1 p.m. luncheon.

Games were played with prizes going to Mrs. Earl Wakeman and Mrs. Lee Zimmerman.

Plans were made for a Valentine party to be held Saturday at the home of Mrs. Robert White of 388 S. Schuyler Ave., Bradley.

The Feb. 17 meeting will be at the home of Mrs. Robert Dumbart of 317 S. Dearborn Ave.

Mrs. Walter Schultz Entertains Friday

Mrs. Walter Schultz of 2040 W. Hickory St. was hostess to the Fridayettes.

Games were played and prizes were awarded to Mrs. Clarence Lippold, Mrs. Homer Dahn and Mrs. Jules LaMont.

Mrs. Edwin Rogers received a special prize.

Mrs. August Peterson and Mrs. Schultz celebrated birthday gifts from their mystery pals.

The March 2 meeting will be at the home of Mrs. John Piggish of 529 S. Third Ave.

Gilman Rotary Club Has Meeting

GILMAN (ONS)—The Rotary Club met Tuesday evening.

Dr. K. G. Talbot had charge of the program and showed a film on soil conservation.

The club has two new members, Kenneth Holz and Robert Salomon.

Mrs. AND MRS. Oliver Redenius and Mr. and Mrs. Buford Mathews returned home after a three-week vacation trip to Florida.

Dwight Philathea Circle Features Prison Official

DWIGHT (JNS)—The Philathea Circle of the Congregational Church met Thursday night, in the home of Mrs. Mary Bunderson.

Mrs. Mimmie Hansen led devotion. Prior to the business meeting, conducted by Mrs. Evelyn Orr, president, Mrs. Bunderson introduced Mrs. Ruth Biedermann, superintendent of the Illinois State Reformatory for Women.

Biedermann spoke on her career as a police woman.

Happy birthday songs were sung for Mrs. Ada Hoberg and Mrs. Hazel Jensen. Twenty-five members were present. Mrs. Theresa Brumback was a guest.

Five dollars was given by the circle to the council for the World Day of Prayer on Friday in the Salem Evangelical United Brethren Church.

Mrs. Bunderson was assisted in serving refreshments by Mrs. Ada Fry, Mrs. Stella Wilkerson, Mrs. Mimmie Hansen, and Mrs. Mable Thompson.

SAUNEMIN FHA Chapter To Hold Valentine Party

SAUNEMIN (JNS)—The Saunemin chapter of the Future Homemakers of America met Wednesday.

Miss Susie Vitthum presided. Plans were made for a Valentine party to be held Feb. 14 in the gymnasium. Guests will be the Odell Public High School FHA chapter.

A committee, of Miss Beverly Walter, chairman, and the Misses Betty Headley and Virginia Allen, was appointed by the president.

Miss Jo Ann Gish and Miss Joan Eggenberger, Kempton, students at the University of Illinois, were guests and talked about the home economic department at the university.

Miss Gail Goodrich was recreation chairman during the social hour.

RELATIVES of Mrs. Stella Conklin received word Friday of her death in Chicago.

She was 71 years old and had been in poor health for some time. Her body is to be cremated.

Plane Down In Jungle Bog; All 7 Alive

SAN JUAN, Puerto Rico (UP)—The U. S. Navy announced today a patrol bomber missing on a rescue mission to Antarctica had been found in Venezuela with all aboard safe and uninjured.

Witness Claims Threats Made By Slain Man

State Nears End
Of Case Against
Monroe Hilliard

State's Attorney Frank Curran is expected to complete his case today against Monroe (Money) Hilliard, 48, on trial in Circuit Court charged with murder.

Hilliard is accused of shooting Cecil Waters, 40, outside the Circle Inn restaurant-tavern in Pembroke Township the morning of Dec. 17. Public Defender Richard Ackman, Hilliard's attorney, indicated that he may be through with his defense by Friday.

Hilliard pleaded innocent to the charge and at a coroner's inquest contended that he shot Waters in self-defense.

While "Slim" Lewis Montgomery, 24, of Hopkins Park testified today that Waters (the slain man) had threatened to take Hilliard and himself and Hilliard on two occasions prior to the shooting.

These threats were made during a card game just previous to the slaying and on another occasion during a card game three or four months previous, Montgomery said. He was called as a court witness at the request of Curran. Ackman is also expected to call him as a witness for the defense.

Montgomery, a railroad employee, testified that on the morning of Dec. 17 Waters told him, "I had a gun I would like to kill both of you."

On the previous occasion, Montgomery contended that Waters had left a card game and had come back with a pistol threatening to kill "me and him (Hilliard) both." When asked if the pistol was loaded Montgomery said, "I didn't stay around to find out."

HENRY THOMPSON, RR 1 St. Anne, a Kankakee County deputy sheriff, testified that Hilliard gave him "no trouble" and surrendered the alleged murder weapon when Thompson arrested him.

Thompson also said that the gun was loaded except for one shot which had been fired.

Dr. Robert Hoffman, Kankakee pathologist, testified as the autopsy he performed on Hilliard.

Record Snow Kills 27 In Southern Italy

ROME (UP)—Rescue columns battle deepening snowdrifts in central and southern Italy today with food and other supplies for scores of isolated communities.

The death toll from eight days of subfreezing weather stood at 27. Elsewhere in Europe the cold wave had moderated somewhat.

But more than 20,000 square miles of "snowy Italy" tonight, including Sicily, was covered with snow as deep as six feet in some mountain communities.

Nine persons were injured when 3,000 shivering rioters marched on the City Hall at Andria demanding more help for the unemployed. The Ministry of Interior ordered aid.

A RESCUE TRAIN covered the 10 miles from Bari to the village of Metrano in more than two hours. A snowplow train, not heard from in two days, was reported blocked by three-foot drifts near Locorotondo, also near Bari.

The snow on Sicily exceeded anything the island inhabitants could recall. It fell all night at Palermo.

In Greece, also at least six persons perished in the heavy snowfall and sub-freezing temperatures. This brought the country's toll in the current cold wave to more than 14.

Continue Search For Missing Craft

ABOARD THE USS ARNEB

U. S. Navy today continued its search for a missing U. S. Navy patrol bomber which disappeared last Friday while flying from Marie Byrd Land to Lilliput Island.

The plane, a Neptune P2V, was last seen flying over the ice-covered waters of the Arctic.

The Arneb, a cargo ship for Deep Freeze, is in contact with the expedition by radio. Rear Adm. George J. Dufek, commander of the Deep Freeze Task Force, is still in Antarctica.

A patrol bomber about 25 miles north of Boca de Urao is in a clearing alongside a river.

Boca de Urao is in the delta area of the Orinoco River, and is south of Boca de La Sierra (Serpent's Mouth), the strait between Trinidad and Venezuela.

THE NEPTUNE, with Lt. Cmdr. John H. Torbert of Carmel Valley, Calif., as the pilot, left Patuxent Naval Station, Md., Tuesday to ship in the search for a small Otter plane missing with seven men in Antarctica since Feb. 3.

Torbert returned from Antarctica only two weeks ago. He was forced to fly by way of Puerto Rico and South America.

The Navy said the Neptune left Ramey Air Base at Aguadilla Tuesday en route to Manaus, Brazil.

Loss of power apparently forced it down in the vicinity of 9.18 degrees north, 62.65 degrees west.

YOUTH HELD AFTER
Accident Kills Man

JOLIET (UP)—Arthur C. Mathison, 61, of Route 3, Lockport, was killed early today in an auto accident five miles north of Lockport.

Police said he was parked on a highway or pulling out of a parking lot when his car was struck by an auto driven by Paul Mroch Jr., 18, of Lemont.

Mroch was charged with driving too fast for conditions.

It was decided to confer with Village Attorney Samuel Shapiro over a possible change in the liquor ordinance making licenses non-transferable.

The board also decided future applicants for a liquor license will have to present a written application to the board and personally appear to have provisions of the ordinance explained.

Guimond was finally granted the license.

Will Try To Keep Balloons Out Of Red Air, U. S. Tells Soviets

WASHINGTON (UP)—The United States today told Moscow that it will try to avoid launching balloons from places where upper air currents might carry them over Soviet territory.

Russia complained that balloons equipped with cameras and radios have been floated by the U. S. armed forces into Soviet airspace, endangering Russian aircraft.

The long U. S. note also pointed out that this government has no responsibility for propaganda balloons launched by private citizens and groups.

PRESIDENT MAY DECIDE BY END OF THE MONTH

NATIONAL AMERICAN Legion Cmdr. J. Addington Wagner's twin engine Aero Commander, with Pilot James Parham, former World War II Navy pilot at the controls, taxis down Route 113 preparing for a very unusual takeoff this morning following the commander's visit to Kankakee. A wet, soggy runway made takeoffs at the Kankakee Airport impractical and at 11:10 a.m., with state

police posted at each end of the highway "runway," the plane took off in half the space allotted. The commander's destination was Indianapolis, Ind. The takeoff was not unprecedented. The field is often in the same condition in wet weather, especially in the early spring, and there has been other such departures—but not many. (Journal photo)

Wagner Cites Stand On Major Issues

J. Addington Wagner, national commander of the American Legion, speaking at a meeting in the Legion Home here Tuesday night, defended the Legion National Executive Committee's "difficult decisions in the face of criticism" and warned, "If we compromise with our principles the American Legion becomes just another social club."

Cmdr. Wagner told the legionnaires, guests and civic leaders in attendance that the committee did not back off from difficult decisions even when it was well known in advance that public criticism would result. He referred to the legion's stand regarding UNESCO, pensions, federal aid to education and the legion opposition to the Fund for the Republic.

The national commander arrived at the Kankakee Airport Tuesday evening where he was met by Mayor Ed P. Madison and a group of community leaders and members of Kankakee American Legion post 85.

This talk followed a dinner in the Legion Home. State Cmdr. Al Leonard of the Department of Internal Affairs and a group of legion officials were among those who attended the reception.

Cmdr. Wagner gave a word of praise for post 85's national champion senior color guard, which had performed for the commander in Battle Creek, Mich. Before swinging into his speech, which explained top ranking legion activities, he cited the importance of "giving the American Legion a good name," and stressed child welfare and Americanism.

"THE REAL reason the American Legion is such a force for good here in Kankakee and throughout our nation is our program of service to God and country, and the real reason this program is so effective is that it represents our personal ideals and objectives translated by individual action into concrete accomplishment," Cmdr. Wagner said.

He discussed the grants being given universities by the American Legion Child Welfare Foundation and the far reaching results of the program. He stated, "Whatever we do for the benefit of our community or for the strengthening of our beloved nation is never lost, but this type of service expands in ever-widening circles."

Wagner made a plea that all legion posts heed the National Child Welfare Commission's request that a vigorous part be taken in the children's and youth work of their own communities.

But our service programs are not without dressing in Wagner explained. Organize child welfare programs and junior baseball teams to get more members but to perform the maximum service of devotion to our members by the U. S. military reconnaissance balloons had drifted over its territory.

INFORMED SOURCES said the U. S. note will be made public as soon as it has been delivered in Moscow.

Russia complained that balloons equipped with cameras and radios have been floated by the U. S. armed forces into Soviet airspace, endangering Russian aircraft.

The long U. S. note also pointed out that this government has no responsibility for propaganda balloons launched by private citizens and groups.

Red China Tuesday also charged that U. S. "military reconnaissance" balloons had drifted over its territory.

IN REPLY, the United States is understood to have told the Kremlin it will try to avoid launching balloons from places where upper air currents might carry them over Soviet territory.

Must Convince Himself First

WASHINGTON (UP)—President Eisenhower told a news conference today that he thought he would be able to announce his decision on a second term by the end of this month.

Mr. Eisenhower was asked a series of questions about the possible availability of Chief Justice Earl Warren as a Republican presidential candidate.

He said there were many ways Warren could be a candidate and the chief justice would encounter no opposition from Mr. Eisenhower.

MR. EISENHOWER said, however, that he did not think it would be appropriate for him to case he decides not to run again, to ask any other Republican to make the race.

To do so, the President said, would imply that he could win the election for another man.

The President will undergo an extensive physical checkup Feb. 13-14 to determine the extent of his recovery from the heart attack which he suffered Sept. 24.

He said that aside from the actual timing of his decision, he had to convince himself that he could carry on the burdens of the presidency sufficiently.

He explained that if he did not feel he could measure up to the job, then his decision would be obvious.

OTHER NEWS highlights at Mr. Eisenhower's meeting with reporters:

1. The recent riots involving a Negro student at the University of Alabama are deplorable.

2. He conceded that Russia might be ahead of this country in some of the latest scientific developments.

Alabama U. Officials Face Court Action

TUSCALOOSA, Ala. (UP)—The University of Alabama today headed for a showdown in the violent controversy raging around the exclusion of its first Negro student.

University authorities refused to budge from the stand that Autherine Lucy, the student, was barred from classes in a move to prevent further violence that might cause injury to students, faculty and the woman herself.

But Arthur Shores, Miss Lucy's attorney, warned Tuesday that she must be permitted to return to classes or he will ask that the board of trustees be cited for contempt of court for authorizing her exclusion.

IN NEW YORK, Roy Wilkins, executive secretary of the National Association for the Advancement of Colored People, called on Attorney General Herbert Brownell to take criminal action against "any and all persons" who are preventing the woman from attending classes.

Miss Lucy said in a special dispatch prepared for the United Press that she believed the majority of students wanted her to return to classes.

George seeks bribe report in a week

WASHINGTON (UP)—Sen. Walter F. George said today he thinks his special committee can report next week on whether any improper influence was attempted to sway a Senate vote of Sen. Francis Case.

The Georgia Democrat said he hopes two days of hearings—on Friday and Saturday—will be enough to investigate the incident described by Case (R-Sd) during debate on the natural gas bill.

Case was favorably inclined to the bill.

Case voted against the bill after disclosing the incident and in the middle of the day George's committee emerged as victor temporarily at least.

Cut Inequities In Immigration Laws, Ike Urges

Ask Congress To
Ease Admission Of
220,000 To U. S.

WASHINGTON (UP)—President Eisenhower today urged Congress to overhaul the nation's immigration laws to wipe out "inequities" and ease the way for 220,000 foreign-born residents each year.

Eisenhower said he thought this rise of about 65,000 over the present annual quota of 154,877 immigrants is justified by the country's past growth and current economic conditions.

He said too that it would be a recognition of "our responsibility of world leadership."

In a special message, Eisenhower also told the lawmakers there is need to speed up the process of deporting unworthy aliens—persons who have been found to be criminals of the lowest character, trafficking in murder, narcotics and subversion.

He said Atty. Gen. Brownell will submit a proposal in this field later.

The President's message dealt a great extent with recommendations for revision of the 1932 McCarran-Walter Act, which became law over the veto of former President Truman.

BUT IT ALSO made recommendations in these other principal fields:

1. Granting discretion to the attorney general to waive technicalities in special cases where aliens seek entry to the United States.

At present Congress must pass individual bills in such cases and the President is required to act separately on each request.

Eisenhower said granting the attorney general the requested discretion "would substantially eliminate the need for private legislative redress in this area."

Eisenhower said the discretionary powers should be limited to aliens with close relatives in this country, to veterans and to functionalists of religious organizations.

2. Elimination of "unnecessary" restrictions and administrative provisions of our immigration laws.

In that connection one recommendation was for elimination of the requirement that all aliens visiting this country be granted visas.

Eisenhower said that "although in our minds no stigma is attached to fingerprinting it is not a requirement of travel in other countries."

London (UP)—Britain grants self-government within the British Commonwealth today to another in its shrinking list of colonies.

At the same time, powerful law-making powers were moving to the Commonwealth further by inviting the free nations of West Europe and Asia to join as a bulwark against Communism.

Malaya, the world's biggest producer of rubber, was being welcomed from the ranks of Britain's colonies in a ceremony at Lancaster House granting it self-government as of Aug. 21, 1957.
