THE DOXOLOGY

DWIGHT JOHNSTON STRICKLER

The son of a Nazarene pastor, Dwight J. Strickler graduated with the Bachelor of Arts degree from Olivet in 1929. The next year he began teaching at his Alma Mater where he served until 1979. He earned his Master of Science degree at Michigan State University in 1940, and did further graduate work at Ohio State University. As Professor of Biological Sciences, his interests in field biology, soil conservation and hydroponics influenced not only his students but also the surrounding community.

He was honored by Olivet with the President's Merit Award in 1954, and by the conferral of the Doctor of Science degree in 1970. He received the Quadrennial Certificate of Merit from the Church of the Nazarene in the General Assembly of 1980. His name appears in *Who's Who in the Midwest* and *American Men of Science*. He is a member of Sigma Xi and the American Scientific Affiliation.

Dr. Strickler is a charter member and has served College Church of the Nazarene in several capacities, including the Church Board and the Building Committee. As one who stayed with the college through the Great Depression, the fire, the move to Bourbonnais and initial accreditation, he can be called "a builder of Olivet." We honor him in this dedication ceremony today.

ALMA MATER, OLIVET

Byron M. Carmony

To Alma Mater, Olivet, We lift our voice in praise
For noble standards which we'll hold 'till ending of our days.
The time we spent within these halls will ne'er forgotten be,
For here we learned to know of truth, and truth will make us free.

My Olivet, Our Olivet! Though life may lead us far apart,
I'll still revere you in my heart.
My Olivet, Our Olivet. I'll love the Christ you gave first part,
And you, old Olivet!

These colors are used for the edging of all hoods, along with the colors of the school. The colors may also be used for the velvet facing and sleeve bars of doctors' gowns, and tassels on bachelors' and masters' caps.

The appropriate color for degrees in Arts and Letters (B.A., M.A.) is *white*; in Commerce, *drab*; in Education, *light blue*; in Engineering, *orange*; in Fine Arts, *pink*; in Humanities, *crimson*; in Law, *purple*; in Library Science, *lemon*; in Medicine, *green*; in Music, *pink*; in Pharmacy, *olive*; in Philosophy (Ph.D.), *dark blue*; in Physical Education, *sage green*; in Science, *golden yellow*; in Theology, *scarlet*.
