And Can It Be?

Charles Wesley

1. And can it be that I should gain
An int'rest in the Saviour's blood!
Died He for me, who caused his pain?
For me, who Him to death pursued?
Amazing love! How can it be
That Thou, my God, Shouldst die for me?

2. He left his Father's throne above,
So free, so infinite His grace!
Emptied Himself of all but love,
And bled for Adam's helpless race
'Tis mercy all, immense and free
For, O my God, it found out me!

REFRAIN

Amazing love! How can it be
That Thou, my God, shouldst die for me?

3. Long my imprisoned spirit lay,
Fast bound in sin and nature's night.
Thine eyes diffused a quick'ning ray.
I woke; the dungeon flamed
with light,
My chains fell off; my heart was free.
I rose, went forth, and followed
Thee.

SCRIPTURE READING

J. Ottis Sayes
Chairman, Division of Religion and Philosophy

III John 1-8

The elder unto the well beloved Gaius, whom I love in the truth. Beloved I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth. For I rejoiced greatly, when the brethren came and testified of the truth that is in thee, even as thou walkest in the truth. I have no greater joy than to hear that my children walk in truth. Beloved, thou doest faithfully whatever thou doest to the brethren, and to strangers; Which have borne witness of thy charity before the church: whom if they bring forward on their journey after a godly sort, thou shalt do well; Because that for his name's sake they went forth, taking nothing from the Gentiles. We therefore ought to receive such, that we might be fellow helpers to the truth.

ALMA MATER, OLIVET

Byron M. Carmony

To Alma Mater, Olivet, We lift our voice in praise
For noble standards which we'll hold 'till ending of our days.
The time we spent within these halls will ne'er forgotten be,
For here we learned to know of truth, and truth will make us free.

My Olivet, Our Olivet! Though life may lead us far apart,
I'll still revere you in my heart.
My Olivet, Our Olivet. I'll love the Christ you gave first part,
And you, old Olivet!

SIGNIFICANCE OF THE COLORS OF THE ACADEMIC REGALIA

The degree colors of academic hoods are appropriate to the category of the degree, rather than to the scholar's major subject. These colors are used for the edging of all hoods, along with the colors of the school. The colors may also be used for the velvet facing and sleeve bars of doctors' gowns, and tassels on bachelors' and masters' caps.

The appropriate color for degrees in Arts and Letters (B.A., M.A.) is *white*; in Commerce, *drab*; in Education, *light blue*; in Engineering, *orange*; in Fine Arts, *pink*; in Humanities, *crimson*; in Law, *purple*; in Library Science, *lemon*; in Medicine, *green*; in Music, *pink*; in Pharmacy, *olive*; in Philosophy (Ph.D.), *dark blue*; in Physical Education, *sage green*; in Science, *golden yellow*; in Theology, *scarlet*.
