## 14 Illinois Delegates Bolt Against Stevenson In Favor Of Symington

SPRINGFIELD (UP)—Sen. Stuart Symington (D-Mo) gave Adlai E. Stevenson trouble in Stevenson's native Illinois today. Fourteen Democratic National Convention delegates from downstate Illinois got together Wednesday and gave the former Illinois governor the brush-off.

They also passed up Sen. Estes Kefauver (D-Tenn) but said they found a "strong sentiment" among themselves for Symington as their party's presidential candidate.

DESPITE THEIR pro-Symington feelings, the delegates said they will go to the convention unpledged as to any candidate. Prominent among the delegates were former Sen. Scott W. Lucas and former Gov. John Stettin.

Lucas, a well-known majority leader in the Senate, insisted the hotel meeting was not "anti-Stevenson." But Stettin gave Stevenson the harsh side of his tongue.

He called Stevenson a "Johnny-come-lately who does not represent the whole Democratic Party." He said Stevenson represents only "one wing" of the Democrats—the Americans for Democratic Action.

Lucas added that "where a candidate lives" should not be a basic factor in choosing a presidential candidate. This was taken as an indication that Illinois Democrats shouldn't necessarily back Stevenson just because he is one of them.

## Friend Thinks Bucs Will Stay In Race

PITTSBURGH (UP)—Bobby Friend, Pittsburgh's big righthand pitcher who is leading the majors with a 7-2 record as the result of his brilliant 6-0 shutout over the St. Louis Cardinals Wednesday night says the Pirates "definitely will finish in the first division."

"If our pitching holds up we can go all the way," Friend said. "We've got a great bunch of fellows on the bench who will be able to do the job."

The Pirates now have a 16-13 record and are 1½ games out of first place. Last season on May 24 they had a 11-24 record and were in seventh place 16 games out of first.

FRIEND DIDN'T win his seventh game in 1955 until July 23. He went into Wednesday night's game with only two wins but seemed to have a new confidence in his own arm. He allowed six hits and five runs in the first inning but then he pitched like a champion until the last half of the seventh. Central's big inning was the third when it scored five runs on one hit to take a 5-1 margin.

FRIEND pitched the third hit for the Irish, striking out 11 and walking five. The Irish right-hander also collected two of the 18 hits that put the Irish in the lead.

FRIEND'S SCHEDULE: 18 games, 11 wins, 2 losses, 1 tie, 1 no-decision, 100 innings pitched, 100 strikeouts, 100 hits allowed, 100 runs allowed, 100 earned runs allowed, 100 bases on balls, 100 errors.

## Irish Score 5 In 7th To Win 8-7; Cop W-R-K Title

Rallying for five runs in the last half of the seventh inning, St. Patrick Central won its second straight victory over the Irish in a game that was a battle of attrition.

For five innings it appeared that the Irish would win the game, but in the seventh inning the Irish scored five runs on one hit to take a 5-1 margin.

## Michigan Big Favorite In Big 10 Track Friday

MINNEAPOLIS (UP)—Defending champion Michigan herds its 28-man crew against a field bristling with Olympic prospects Friday in the opening of the Big Ten track meet at the University of Minnesota.

Michigan, packing four 1955 11-ists, is favored to retain its crown but the Olympic-level field is expected to be a close race.

The top contenders include Greg Bell of Indiana in the broad jump, hurdler Joe Savolli Jr. of Michigan State, a strong Olympic contender, and Steve Stevens of Iowa and middle distance man Ted Wheeler of Iowa.

The Big Ten's top sprinter, Jim Hinkle of Northwestern, was withdrawn from the meet because of a pulled thigh muscle. Northwestern Coach Bud Watson said Goddard, co-holder of the world's 400-yard dash record of 1:09.3, was not yet ready to resume competition.

MICHIGAN is looking to Iowa for its toughest challenge.

None of its rivals can match Michigan in depth, however. The Wolverine's have holdover winners in high jumper Mark Booth, half-mile runner Gray, pole vaulter Bob Appleman and Dave Owen in the shot put.

Michigan and Indiana are the leading teams in the relay. Minnesota's Byrd Thompson is the favorite and Don Ward of Indiana is a strong quarter mile choice.

Indiana also won the favorite in the conference tennis meet which got going here today.

Leading the defending champion was Barry MacKay, undefeated singles star and a Davis cup prospect. His strongest opposition was expected to come from Al Kuhn of Northwestern, the 1954 singles winner.

## Summerlin Looks For Big Time For After Carter Win

DETROIT (UP)—If the world has a heavyweight champion, the Detroit Journal-Sun says today would be "bring on the champ."

At it is, Summerlin's handlers are believing for "anyone" just anyone who thinks he can whip him.

The 34-year-old Detroit heavyweight used a strong strategy to defeat a unanimous 10-round decision from seventh-ranked Harold Carter. His handlers hope the victory will be a springboard to a crack at the crown left vacant when Rocky Marciano retired.

The nationally-telvised scrap at Detroit's Olympia was a big opportunity for both fighters.

The favored Summerlin, who weighed 184½, was the stronger puncher and built up an early margin to outpoint the victory.

Carter, who took the bout on five days notice and had only 10 rounds of boxing, was surprisingly strong in the late going and kept Summerlin off balance.

## Record Crowd Seen For Stock Car Openers

With a little help from the weatherman, a record opening night crowd is expected at the first stock car races of the season at the Kankakee Fairgrounds Speedway Friday.

The cars will start humming in the time trials at 7:30 p.m. and the first race will come down on the main track at 8:30 o'clock.

With a number of good drivers on hand for the opening night, the Kankakee Fairgrounds Speedway is looking forward to the biggest opening night crowd in the history of the track.

The Speedway officials believe that the new clay base on the track will make it possible for the drivers to shatter all kind of speed records. Probably the first to go will be Kenny Boyer's 128.1 mile an hour time trial mark. The Highland, Ind., driver set the mark last year, driving a 1952 record set by a double play and scoring on an error.

In the seventh, Widom was on hand to start the 1955 season on a fast track, race officials are looking forward to the biggest opening night crowd in the history of the track.

Public Service, which has won three of its first four games, is now 3-1. American-Marietta, which has won two of its first three games, is now 2-1.

The Pirates now have a 16-13 record and are 1½ games out of first place. Last season on May 24 they had a 11-24 record and were in seventh place 16 games out of first.

## PCC Rocks From New Charges Against Trojans

VICTORIA, B.C. (UP)—The Pacific Coast Conference, reeling under blows that threaten to knock the West Coast clear out of the football picture, greeted itself today for an investigation into alleged proselytizing at the University of Southern California.

THE TROJANS, always a powerhouse in PCC football, came under the unwelcome glare of the PCC's investigative spotlight when Los Angeles charged USC athletes had received \$17,235 from a secret fund over a two-year period.

Already two member schools have suffered severe penalties for permitting athletes to accept out-of-pocket payments. USC was hit with a \$10,000 fine and probation, UCLA, which had refused to identify the donors, was hit with a \$5,000 fine and probation.

J. MILLER LEAVY, the attorney and prominent UCLA alumnus, charged Wednesday a booster club which he refused to identify, "by its own records shows that in a two-year period . . . \$17,235 was distributed to USC athletes."

Just about the only surprise in the varsity division were the first place finishers in the high hurdles of Bloom. The district champion had trouble untangling himself from the last three barriers, and finished in a tie for third with Kankakee's Jack Leffingwell. The Trojans won the event just the same, their Bob Thompson breaking the tape.

## DeKalb Coach Sees No Future In Job, Quits.

DE KALB (UP)—A college football coach whose school can't keep pace with the scramble to recruit players said today he has decided to take a high school coaching post.

Coach Bob Kahler said the inability of Northern Illinois State College to obtain talent on a par with its competitors was a major factor in his decision to accept a post at Northeast High School in St. Petersburg, Fla.

"WITH THE scholarships and such they are giving nowadays it really makes it tough on a school like ours," Kahler explained. "We just can't get the players."

Kahler, a native of Grand Island, Neb., who attended a hall back for the University of Nebraska and in 1941-44 for the Green Bay Packers, has coached at DeKalb since 1948 as head coach.

He became head football coach in 1951. His team didn't win a game, losing 8 and tying 1. He said he was tired of the job.

Kahler said the only win against Northern has offered to athletic director, but he has declined. He said he was tired of the job.

He said it was obvious to him that Northern's foes in the Inter-state Athletic Conference in Michigan and Illinois were out-bidding the DeKalb institution, because they're getting better talent.

## Klu Bares Seriousness Of Injury

NEW YORK (UP)—Ted Kluszewski revealed today his spring training injury, which has been camouflaged as a minor muscle strain, actually was a sciatic condition.

The injury, a pinched nerve running down the back of the thigh, was so serious that for a time big Klu actually thought it might end his diamond career.

Now that the worst is over and the intense pain has subsided to a more bearable, the slugging first baseman of the Cincinnati Reds feels free to talk about it.

"Nobody knows how much trouble it was for me even to walk, or bend, let alone try to play ball," he said. "I tried everything—whirlpools, diathermy, heat treatments, hot and cold packs—nothing helped. The pain at times was almost unbearable. This went on for four weeks. Instead of getting better, it seemed to get worse."

It wasn't until he went to see Dr. George Bennett and he assured me the condition would clear up in time that my fears left me. Until then, I honestly thought this might be it."

## Chicken Best Buy As Pork, Lamb Go Up

BY THE ASSOCIATED PRESS  
Housewives will notice higher prices on a number of meats in most sections of the country this weekend, particularly pork and lamb.

The prices reflect increased wholesale cost to butchers of a week or more ago. Both meats are still below prices of a year ago.

Chicken is the most widely offered special feature of this weekend. A number of retailers have also listed turkeys and smoked hams.

Various cuts of beef are also featured at special prices, but in general beef prices remained unchanged this week.

Vegetable counters have been brightened by the arrival of spring produce from nearby farms. Radishes, spinach and rhubarb are already hitting the market in sufficient quantity to sell in outstanding buys in many sections.

Other good buys are beans, carrots, parsnips and onions.

## Duncan Hines' Adventures In Good Eating

Bread Pudding

Nostalgic remembrances of certain dishes enjoyed in our youth assume a satisfying flavor which we rarely encounter in later years. Some of these delightful old creations are used today by wise men in the world of foods, slightly changed or improved upon by unusual variations. Bread Pudding is just such a dish.

The beautiful Park View Inn at Berkeley Springs, W. V., delights its guests with this old-time favorite, served with a hot "spiked" clear sauce.

Beat 4 whole eggs lightly; add 1 quart of milk, 1/2 cup sugar, a scant 1/2 teaspoon of salt and a level teaspoon of nutmeg. Beat well and add 1/2 cup seedless raisins. Pour into a pan about 6 1/2 inches, which has been well buttered. Break 3 slices of well buttered toast into pieces and put on top of mixture. Place the pan into a larger pan of warm water, and bake in a moderate oven about one hour, or until done. Serve with the following clear sauce.

Bring 1 cup sugar and 2 cups of water to a rolling boil. Add 1 tablespoon cornstarch which has been dissolved in a little cold water. Boil until clear. Remove from fire and add 1 tablespoon butter, 1/2 teaspoon nutmeg and 1/4 cup whisky. Serve hot over bread pudding.

HAT TRICK:  
TRUTH OR CONSEQUENCES, N.M. — District Judge Garret R. Burks grabbed a hat as he left a cafe some time ago. Then he discovered it had a Colorado Springs, Colo., label and took notice of it. He went back to check. His was gone. Some time later he went into the cafe again. His hat was there, plus ink stains. He left the one he found. When he checked again, the stains were complete, and the hat had gone.

## Dessert? Try Luscious Strawberries

Nothing could be sweeter than ripe red strawberries and whipped cream atop hot milk sponge cake. Make the cake when you have time, cover it tightly in plastic see-through wrapping and store it in the refrigerator. When you're ready to bring forth a delightful dessert, add the strawberries and cream.

As soon as you bring your basket of strawberries home from the market, tumble them out into a big container where each berry will have room of its own, and refrigerate. Wash the berries just before using and hull those that are to be sliced. Leave the hulls on some of the loveliest berries for garnishing.

Another delectable way to serve fresh strawberries is to bake a sponge-cake for a roll from a standard recipe, then use sliced strawberries and whipped cream (sweetened for the filling). When we do this, we like to add a little unflavored gelatin (softened in a little cold water and then dissolved over hot water) to the cream. This way the filling stands up well (after the cake roll is refrigerated) and slices perfectly. Some of the whipped cream may be used for frosting the cake and it can be garnished with whole berries. Shiny green leaves with strawberries nestling on them will make a pretty background for the platter from which you serve the cake.

**SYMPHONY IN FLAVORS**—Sponge cake, strawberries and vanilla whipped cream.

**FRENCH DESSERT**  
The French have a wonderful way of pouring soft custard over fresh strawberries and topping berries for garnishing. Sprinkle sliced berries with 2 tablespoons sugar; spread over cake. Top with vanilla whipped cream. Garnish with whole, uncapped strawberries. Makes 9 servings.

## Memorial Day Parade Planned For Watseka

WATSEKA (JNS)—Plans are being completed for Memorial Day observance and the official opening of Little League baseball, according to the Rev. William S. Abrams, pastor of Friends Church and director of the parade and program.

The parade will be led by Mr. and Mrs. Robert Hulse of Watseka. The line of march will move eastward on Cherry street to Fifth street. Participants will form at the court house at 12:30 p. m. and will move north to Walnut street and west to Forrest Park where the colors will be presented.

The Watseka Community High School Band, under the direction of Richard Kitzman, will lead Mayor Henry Goetz's car, the Omara Saddle Club, county officials' car, a mounted sheriff's posse made up of riders of five

counties, all deputy sheriffs, Kankakee Saddle Club riders, and the baseball teams of the Watseka Little League.

Plans have been made for the American Legion members to meet at the Legion Home at 10:30 a. m. They will march to the Oak Hill Cemetery to conduct rites.

Other organizations, including the scout troops, are expected to participate, according to the Rev. Mr. Abrams. The Sweeney pony wagon and ponies have been included in the parade.

The Watseka police department and State Highway officers will supervise the line of march.

During the opening of the Little League baseball games at 2 p. m., Mayor Goetz will pitch the first ball.

### Friendly Circle Of Reddick Meets

REDDICK (JNS)—The Friendly Circle met in the home of Mrs. Lyle Patchett with Mrs. Richard Grob as assistant hostess.

A large dinner table should have at least four candles in the middle of the table or two at each end.

The dessert service should be ready to bring in to the table from the kitchen or on the buffet right in the dining room. The tray should include dessert silver and finger bowls. A rose petal or green leaf may be put in the finger bowls.

An ordinary sit-down dinner is just a simplified version of a formal dinner. Place mats may be preferred to a dinner cloth.

Buffet type meals are popular now. The idea is to make the table pretty with a lively centerpiece, gleaming casseroles and dishes are added to the loveliness of the table. It is a good table for the young bride because it can sparkle even though her silver and china service is not complete.

The casual table setting is becoming so popular that one china company has created large salt and pepper grinders sets in a variety of patterns to match regular china.

Another type of informal service that is fun and easy is the outdoor barbecue. "Help yourself" is the order of the meal and sometimes guests cook their own hamburger, chicken or steak. A table off to the side is set with salt and pepper mill, salad vegetables.

If more than three forks or knives are required, the additional knife or fork should be laid out at service time as in the case of fruit, cheese.

Bread and butter plates are not used at a formal dinner as a rule. If a wine glass is to be used, it should be placed to the right of the plate.

## BIRD FARM SAUSAGE

THE BUFFET TABLE is tops in entertaining these days. This one sports the newest salt and pepper grinder set in the same pattern as your finest china.

## You Can Set A Table To Suit Type Of Meal

By Vivian Brown  
AP Newsfeatures Writer

The type of meal you plan to serve or the occasion for your luncheon or dinner party determines how you set your table.

A luncheon party is the time to use dainty applied place mats or for less formal luncheons, sturdy straw or plastic simulated linen type mats.

The setting is simple—knife, fork and spoon (if soup is to be served) bread and butter plate and butter knife. Water glasses, salt and pepper shakers and a lovely centerpiece go to the table.

A similar table may be set for Sunday night supper. But most people like a dinner cloth on the Sunday luncheon or dinner table. Many families make the Sunday meal a buffet affair, however, particularly when guests are invited.

For a formal dinner, the table setting calls for a good damask, lace or other pretty dinner cloth. Some people prefer place mats, however, even for formal dinner service.

When setting a formal table 24 inches of space should be reserved for each person at the table. (It's a good idea to make sure you have that much space at your table.)

## Salvation Army Provides Wide Range Of Services

During National Salvation Army Week, May 26-27, National Commander McMillan reaffirms the Army's twin goals of physical regeneration and spiritual rebirth of the nation's unfortunate.

The Salvation Army, in the past 10 years, has provided 100,000 free meals, Commander McMillan noted. But, he added, the organization's emphasis has been on spiritual help to the lowest-income segment of the population whose members have few churches, family or other supporting relationships.

Last year, the Salvation Army conducted indoor religious services attended by 18,657,423 persons. An opportunity for self-help was provided in Men's Social Service Centers to 42,987 men. Cooperating with police and other authorities, the Army last year helped 1,500 lost persons.

Guidance was given to 324,838 individuals who faced domestic and other problems by the Army's Family Service Bureau.

Assistance in catastrophes is provided on a nationwide scale by the Salvation Army, which cooperates with other organizations in disasters, particularly in the operation of its growing fleet of mobile canteens.

Women of the Army's League of Mercy visited more than two million persons in hospitals and homes for the aged and spiritual leadership and recreational opportunities were offered to nearly four million boys and girls in Salvation Army youth centers.

THE TWO GROUPS attempted a merger with the Presbyterian Church in the U.S., a southern denomination, but the latter last year rejected the proposal. The other two then decided to go ahead on their own.

The new denomination would be identified as the United Presbyterian Church in the U.S., with a combined membership of three million. The presbyteries and general assemblies of both branches would have given the plan their approval. The general assemblies of the two churches would be merged at a meeting in Pittsburgh in 1958.

At a pre-assembly rally Wednesday night, Dr. Billy Graham strongly urged that the church take a firm stand on "such vital issues as segregation."

## Presbyterian Assembly Gets Under Way

PHILADELPHIA (U)—The Presbyterian Church in the U.S.A. today began seven days of deliberation on such subjects as union with the United Presbyterian Church, segregation and a \$24,344,000 budget.

The retiring moderator — Dr. Paul S. Wright of Portland, Ore. — laid the stress on the church's growing world scope in a sermon opening the General Assembly's sessions.

Before the general assembly winds up its sessions on Memorial Day, delegates from virtually all of the 41 states will decide whether to approve a "plan of union" with the United Presbyterian Church, a branch confined mostly to Pennsylvania.

The new denomination would be identified as the United Presbyterian Church in the U.S., with a combined membership of three million. The presbyteries and general assemblies of both branches would have given the plan their approval. The general assemblies of the two churches would be merged at a meeting in Pittsburgh in 1958.

At a pre-assembly rally Wednesday night, Dr. Billy Graham strongly urged that the church take a firm stand on "such vital issues as segregation."

Honorable mention was given to the following: Bob Sullivan, first; Richard Weber, second. Seventh grade: Key Zappa, first; Carol Weber and Sandra Sullivan, second. Eighth grade: Lloyd Voyles, first; Roger Sheldon, second.

Judges for the contest were Mrs. Ralph Sodini and Mrs. Lewis Groll. Cash prizes will be given to all winners.

THE AMERICAN Legion Auxiliary will conduct the Poppy Sale in Dwight on Saturday. Mrs. Angie Chiverton is chairman of the committee in charge.

Ingredients: 1/2 cup sifted flour, 1/4 teaspoon baking soda, 1/4 teaspoon salt, 1 egg, 1 cup firmly-packed dark brown sugar, 1 teaspoon vanilla, 3/4 cup coarsely broken walnuts.  
Method: Sift together the flour, baking soda and salt. With rotary beater (hand or electric) beat egg enough to combine yolk and white. Beat in brown sugar gradually, making sure any lumps are blended. Turn into well-greased baking pan (8 by 8 by 2 inches); bake in moderate oven (350 degrees) over just until cake tester inserted in center comes out clean — 15 to 20 minutes. While still warm (but not hot) cut into 24 bars; remove with spatula to cooling rack until cold. Store in tightly covered container.

## 2 Witnesses Balk In Kidnap Ransom Quiz

ST. LOUIS 24—A federal grand jury's attempt to resume an inquiry into the 23-year-old Greenlee ransom mystery has been stalled pending court rulings on the refusal of two witnesses to testify.

Hearings were set for today for the two witnesses who refused to testify, former St. Louis policeman Elmer Dolan and John F. Kinney, a supervisor for the Ace Cab Co. Dolan recently completed a two-year prison term for lying about handling of the ransom suitcase.

Joseph Costello, ex-convict head of the Ace Cab Co. and a key figure in the inquiry, and Mrs. Costello were upheld in their refusal to answer questions Wednesday.

Dolan's attorney said he would be "waiving his rights" by testifying. "Every member of my family has been questioned and the FBI even questioned his father confessor," the attorney said.

Costello refused to answer questions on the ground he was not under subpoena and his wife, who was subpoenaed, cited her "husband-wife relationship" with Costello.

Dolan and former Police Lt. Louis Shoulters arrested the kidnaper-killer of 6-year-old Bobby Greenlee of Kansas City in October, 1933. Only about half the \$200,000 ransom paid in the case was recovered with their arrest and most of the missing \$100,000 never has been found.

Shoulters also was convicted of perjury and still is in prison.

## Panhellenic Club, Sheldon, Holds Bridge Session

SHeldon (JNS)—Mrs. E. M. Sipe was hostess to the Panhellenic Club at a 3:30 p.m. bridge session on Saturday.

Seven tables of bridge were in play. High prize went to Mrs. J. K. Hamm and second high was won by Mrs. Virgil McElroy of Watata, Mrs. Delon Dean of Rensselaer, Ind., won low.

Hostesses assisting Mrs. Sipe were Mrs. Wilbur Dismore and Miss Gertrude Smith of Sheldon; Mrs. C. E. Jones of Hoopesport; Mrs. Gaylord Adair, Mrs. Edward Sumner and Mrs. Donald Wilcox of Millford.

The next meeting of the group will be sponsored by members from Brook, Ind. The date and place of meeting will be announced.

## Family Fellowship Of Forrest Holds Officer Election

FORREST (JNS)—The Family Fellowship of the Forrest Methodist church held an officer election and potluck supper on Sunday night.

An election of officers was held with Meredith Ricketts elected president, Harrell Horne, vice president, and Mrs. Richard Nussbaum, secretary-treasurer.

During the business meeting, the group voted to give \$200 to the Sunday school board to spend as they choose.

Shoulters also was convicted of perjury and still is in prison.

## Now Forestall Unnecessary Degeneration of Body Processes And Vitality Losses Due to Dietary Insufficiency Of These Six Anti-Degenerative Elements: Protein, Iron, Calcium, Vitamins B<sub>1</sub>, B<sub>2</sub>, Niacin...

## After 40 Help Keep Normal Vitality Up Longer

## With The New Miracle Loaf STAFF SPECIAL DIET BREAD

Gerontology, the science of aging, attributes much needless degeneration of physical and mental vitality after 40 to a deficiency of these six dietary elements:

- (1) protein; (2) iron; (3) calcium; (4) Vitamin B<sub>1</sub>; (5) Vitamin B<sub>2</sub>; (6) niacin.

Failure of the body to secure sufficient amounts of one or all of these six "anti-degenerative" elements can result in serious degeneration in the structure and health of bones, organs, tissues and cells.

Normally, all the elements for good nutrition are supplied in a well-balanced diet. However, too many people, particularly after 40, fail to eat meals of good dietary proportions.

Thus lack of normal mental and physical vitality.

A Bone To People Over 40 Recognition of this common danger to people over 40 has now resulted in the scientific development of a new loaf to take the place of ordinary bread.

**Fugitive Captured**  
James Carter, center, object of a two-day manhunt, is shown after his capture Wednesday in a field near Jamestown, N. Y. Carter was captured by Jamestown policeman Edwin Nyholm, left, and Charles McCloskey Jr., right, Chautauque County sheriff. Carter faces a murder charge in the shooting of his companion in a running gun battle with police Monday.

Following the business meeting, a program of youthful talent was presented under the direction of Mrs. Mitchell McEwen and Mrs. Robert Cummins.

Vocal numbers included a trio by Susan and Jean Chamberlain and Shirley Petersen, a trio by Robert and Herb Bachold and Mae Meenen, a number by the youth choir, and a solo by Sharon Horne.

Instrumental numbers were presented by Marlene Merfield, Barbara Ricketts, Mae Meenen, Betty Jo and Linda Lindsey. The program closed with a reading by Ricky Miller and group singing led by Robert Cummins Sr.

## Speaker Hates The Word 'Eggheads' Lead The Way In U. S., PTA Told

SAN FRANCISCO 24—America "is afraid of death of eggheads," said Dr. Frank C. Baxter. "Yet behind all science, all knowledge are eggheads," contended Baxter, University of Southern California professor whose television showmanship won him a 1934 Peabody Award for his discourses on Shakespeare.

"Eggheads" hate the word—say the people who use it. Baxter told a press conference Tuesday night before addressing the National Congress of Parents and Teachers.

"We ARE talking, I assume, of the socially valuable, intelligent people, not the superficial intellectuals," he said.

"We are losing something precious in not knowing how to find our leadership potential." Under present methods of mass education, he said, "some of the waste of human stuff is inexorable."

"It is wrong that the superior student with rich capabilities should be denied the chance to unfold to the limits of his powers."

"It is a sin that the mediocre and the unpotential should set the pace for their betters."

"One wonders whether there should not be some point in public education where those unable, uninterested and unwilling to go further should be shut out into trade schools—even if they have obtained a bare minimum of education) into doing that humble work in the world that must be done by somebody."

"The tragedy is that men are not born equal. There are some who were out of step when the egg was fertilized."

In metropolitan high schools, particularly, he said, there are

small hard cores of trouble makers who hold down the level of all because so much teacher time is consumed in just discipline. "It ISN'T WORTH it, keeping these rascals on," he said. "To try to keep these obnoxious boys on is just a sin. They might well be made to drop out of the school as soon as they are a nuisance to the school and enroll in a trade school with quite a different sort of discipline. "This is undemocratic, of course. "But there is nothing more undemocratic than the way the gods have distributed genes among the population of the world."

CHICAGO (UP)—A 16-year-old boy who pleaded guilty to murdering a cafe proprietor has been sentenced to 30 years in prison.

David Smith Wednesday admitted shooting Carl L. Nordmeyer, 62, in his restaurant March 9 after an argument over a third cup of coffee.

"I'm sorry this ever happened," the youth told Chief Justice Cornelius J. Harrington in Criminal Court.

Smith, who was 15 at the time of the shooting, said he had been drinking and "was irritated."

Because of the boy's age and guilty plea, Mark Jennings, an assistant state attorney, recommended the 30-year term. He was also sentenced to concurrent terms of 1 to 10 years for burglary and 1 year to life for both charges.

Experts recommend tree fertilization at the rate of two pounds of fertilizer for every inch of trunk diameter.

## Most Of Its 'Growing Pains' Whipped

### Streator Spends For Future 'Forward Look'

STREATOR (UP)—Streator's 18,500 inhabitants, looking ahead with stout faith in their community, have demonstrated their confidence by digging deep into their own pockets to assure its progress and give it that "forward look."

Twice within the last three years they have gone to the polls to support bond issues, one for \$1,000,000 which 300 men and women work schools, and the other for \$1,200,000 for a new sewage treatment plant and connecting sewers. Both bond issues mature in 30 years.

OWNERS OF commercial downtown property dug into their wallets to "brighten up" the shopping area. They pooled \$150,000 to replace a 1917 vintage boulevard lighting system.

Private industry has done its part in instilling confidence. The Owens-Illinois Glass Co. manufacturers of glass containers, with a force of more than 2,500 men and women, is in the midst of a three million dollar expansion program. Less than a mile away, the Thatcher Glass Manufacturing Co., producers of a similar line of products, has spent more than a million in the last few years to increase its productive capacity and add to an existing plant of 900 or more men and women.
