Bird Park Wildlife A Big Attraction

A never ceasing attraction for Bird Park visitors is the wildlife there—especially those uncaged waterfowl which grace the beauty of the park and quarry.

About six species of wild ducks and geese, including Chinese geese, mallards and pekins, delight park goers no matter whether they are tourists or local people.

The little ones are hatched from eggs gathered on the fringes of the quarry and are kept in an incubator until big enough to fend for themselves.

Although the waters of the pond are calm and peaceful looking, there are a number of large turtles, a young duck's natural enemies, living in the quarry.

The birds stay in the park the year around and are penned in an enclosure at the south end of the quarry when the weather becomes cold enough to freeze the surface of the pond. The measure is to protect them from being frozen fast in the ice.

Bomb Scare Delays Reds on Trip Home

NEW YORK (AP)—Eight home-bound Russian church leaders were delayed four hours by a bomb scare at Idlewild Airfield today off early today after a trip to the Soviet Union.

The Russian churchmen and their passengers left on a KLM jet plane for Amsterdam, Holland, after a search of the plane by the police bomb squad.

The group, including Metropolitan Nikanor of Moscow, were all in the plane when an alarm was sounded. The plane was then searched by the police bomb squad.

Other passengers were led from the plane, and it was taxed to a remote section of the field. Police also examined all baggage and checked the surrounding area.

Nikanor later said the Russians had not been worried.

Before the bomb scare, Nikanor had told newsmen at the airport: "We don't have as wide a range of activities as you do here because we work alongside of the atheists who carry on their anti-religious propaganda, and we have to meet it."

When asked about this apparent reference to Russian Communists, Nikanor said: "I am a Christian and I believe in the freedom of religion."

Metropolitan Nikanor of Moscow, who was in the plane when an alarm was sounded, was then searched by the police bomb squad.

A PAIR OF WHITE-DOWNED ducks maneuver through the waters of the Bird Park quarry. Several varieties of ducks and geese living at the park stay all year and are a constant delight to the park visitor, local or out-of-towners.

the Metropolitan said the "atheists" present a "formidable" obstacle to churches in Russia.

THE RUSSIAN churchmen were invited to the United States by the National Council of Churches, the nation's largest Protestant and Eastern orthodox group. A group of American church leaders visited Russia recently to start the exchange.

Nikanor said he was leaving with "the richest, happiest and varied impressions," and that the Russians' visit laid "the foundation of our friendship" which will be followed by "further contact for further strengthening our brotherly fellowship."

The Russian delegation and the National Council of Churches had said earlier in a joint statement that progress had been made toward mutual understanding but there still are disagreements between the church leaderships of the two countries.

Deffenbaugh Pleads Guilty

Seek Clemency For Youth Who Killed Couple

Attorneys for Lester Lee Deffenbaugh, 15-year-old confessed slayer of Mr. and Mrs. Stanley Jensen, were attempting to prove in Iroquois County Court this afternoon mitigation and aggravation in an attempt to gain leniency in the court's decision of a sentence for the Lacon youth.

"Guilty, your honor," was Deffenbaugh's answer this morning when asked by Circuit Court Judge Roscoe C. South how he wished to plead on the two charges of murder in connection with the May 25 deaths of the Herscher area farm couple.

JUDGE SOUTH then informed the boy, "You may be sent to a penal institution for not less than 14 years." He added that the penalty could possibly be a death sentence.

"It is not likely that will happen," Judge South told the boy.

The Circuit Court judge then queried, "Do you still want to plead guilty?"

The answer was, "Yes, sir."

The judge faced the courtroom which was nearly filled with onlookers and said, "I want you folks to know that I'm not happy about this, but that's the law."

IT WILL BE SOUTH's duty to decide and pronounce sentence upon Deffenbaugh after he hears the defense attorneys' witnesses this afternoon.

The hearing began at 10:17 a.m. and was adjourned at 12:08 p.m. until 1:30 p.m.

Deffenbaugh's mother, Mrs. John Deffenbaugh of Lacon, was alone in a room adjoining the courtroom too distraught to listen or be called to the witness stand during the hearing.

Thomas Femister, juvenile parole agent for the state, was the first witness called by Deffenbaugh's defense attorneys Kenneth A. Smith and Dale W. Markwalder, and last witness before court adjourned at 12:08 p.m.

Femister's appearance upon the stand was preceded by testimony from state witnesses Matthew Glenney and his son Thomas, neighbors of the Jensens, Sheriff Mickey T. Wilcox, Deputy Sheriff Wilbur Damler and the state's attorney David E. Oram.

ALL STATE'S witnesses offered evidence heard previously on May 28, date of the coroner's inquest in the death of Stanley Jensen, 34, and a second inquest in the death of Mrs. Stanley Jensen, 32, on May 31—evidence which showed that Deffenbaugh had verbally confessed the double slaying and had signed a written statement to that effect.

The statement was ready in evidence by State's Attorney Oram when he was sworn in as a witness.

In the statement, Deffenbaugh stated that he had planned to kill Stanley Jensen because "he told me he hated me" and because he "knew the woman and I wanted to knock her down." According to the signed statement, Deffenbaugh said he killed Mrs. Jensen because "he knew she was a slut."

Sawyer-Clinic Suit To Be Redocketed

Attorneys for five members of the Kankakee Clinic have filed notice that on June 25 they will file a motion to redocket their injunction suit against Dr. P. W. Sawyer in Circuit Court here.

The local court originally dismissed the suit for injunction to restrain Dr. Sawyer from practicing medicine within 25 miles of Kankakee for five years from March 31, 1954, the date he withdrew from the clinic.

But the Appellate and Illinois Supreme courts reversed the ruling, and instructed the Circuit Court to issue the injunction under a provision of clinic contract prohibiting withdrawing members from practicing within the 25-mile radius for five years.

Attorneys said the next step in the local court. The plaintiffs can file a decree for injunction when that is done, the attorneys said.

Plaintiffs in the case are Doctors August A. Bauer, George Malin, Robert D. Moore, John R. Robinson and G. F. Dashiell.

Dr. Sawyer, one of the clinic founders, withdrew from the firm March 31, 1954, and opened an office here.

He contended the agreement gave him the option of abiding by the 25-mile restriction or forfeiting a note for \$7,451, representing one-half the amount he otherwise would receive for his interest in the clinic.

Attorneys said the Supreme Court held that the plaintiffs remain obligated to pay Dr. Sawyer the \$7,451, less any damages the clinic has sustained by reason of Dr. Sawyer's continuing to practice here.

They indicated this settlement would be a separate procedure.

The street and highway committee of the Chamber of Commerce voted Thursday "to participate in a public manner in an effort to secure the construction of the Belt Route highway."

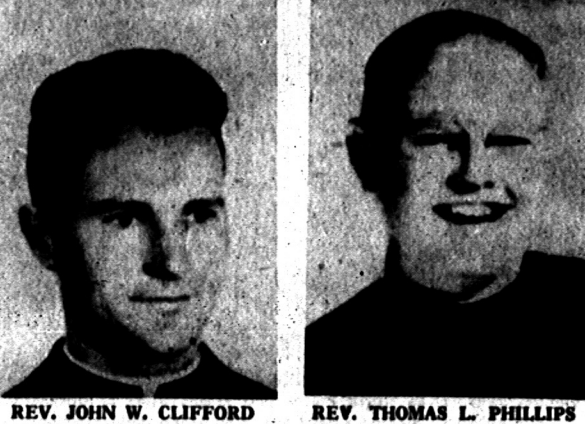

The action was taken at a meeting at the Chamber office. Joseph Azzarelli is chairman of the committee and the group voted to have representatives, at the hearing on June 22 which will be conducted by Howard Schwark, county superintendent of highways.

Henry W. Brandt, manager of the Chamber of Commerce, said the group voiced the opinion that construction of the highway around the southern and eastern perimeter of Kankakee is necessary to the continued industrial and business growth of the area.

Members of the committee reviewed a request for railroad crossing lights on a county road which intersects with Kensington road south of Kankakee and serves industrial employees in the area.

Wilfred Longtin, Kankakee Township highway commissioner, told the group that the township highway budget was not great enough to permit the township to install warning lights at the Illinois Central crossing.

The group voted to endorse the one-way street program in downtown Kankakee and to urge the city council to put the program into effect.

REV. JOHN W. CLIFFORD
REV. THOMAS L. PHILLIPS

Chinese Reds Free 2 Priests

HONG KONG (AP)—Peiping radio announced tonight two Roman Catholic missionaries from California, Father John William Clifford and Thomas Leonard Phillips, were released today, after three years in prison.

The broadcast, heard here said: "Two American offenders, John William Clifford and Thomas Leonard Phillips, who completed their prison terms on June 15, were released today by the authorities."

The release of the two American priests had been expected all day. U.S. Consular officials waited at the China border at Hong Kong for the expected arrival but the last train rolled in with neither of the two men on board.

A U. S. CONSULAR official said it might be several days or even a week before they reach this British colony.

The two Roman Catholic priests will be the first American prisoners freed by the Reds in six months. Word of their impending release raised hopes that the Reds soon would free 11 other imprisoned Americans in a move to pump new life into the long-deadlocked U.S.-Chinese negotiations at Geneva.

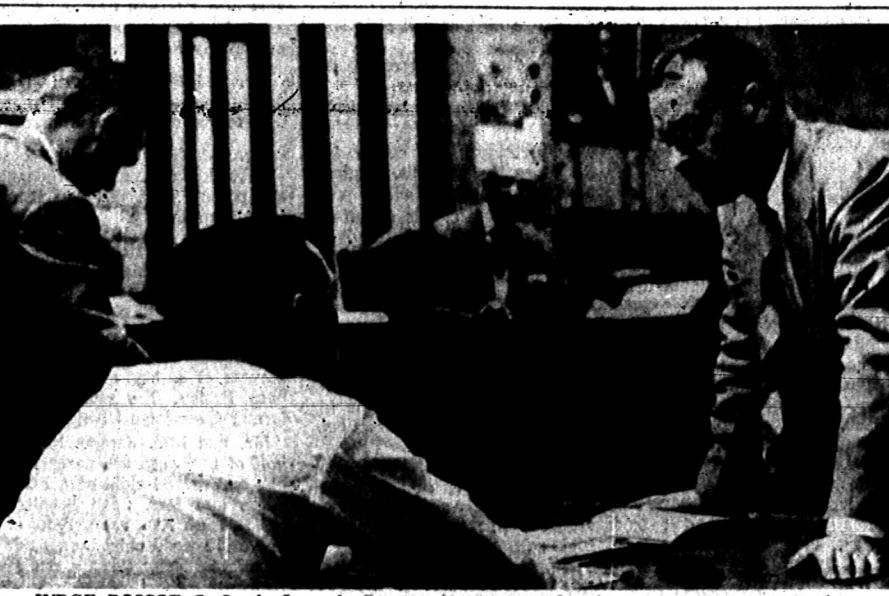

The reports that Father Clifford and Father Phillips are being freed came from the British diplomatic mission in Peiping and through the British Red Cross. Peiping radio made no mention of them.

U. S., BRITISH and Roman Catholic Church officials maintained a fruitless, day-long vigil at the border to receive them.

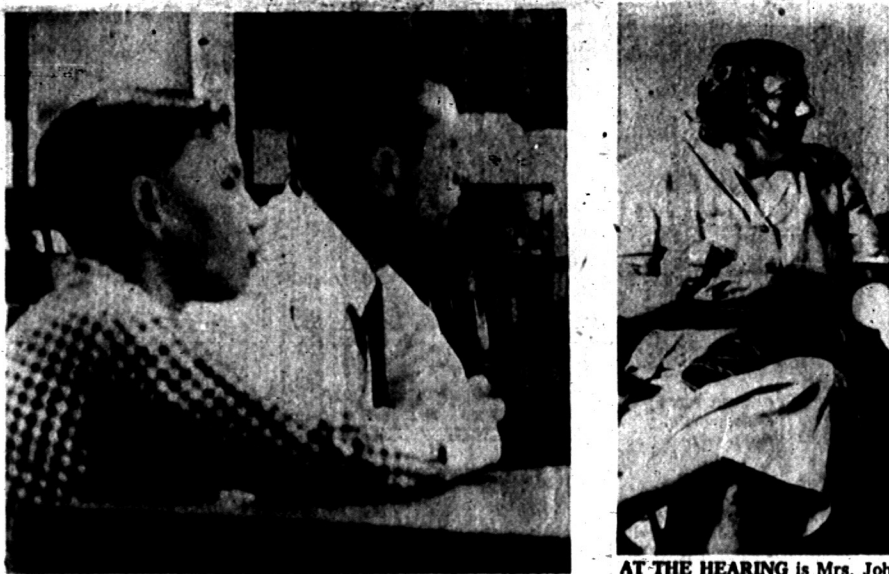

The Reds last Jan. 8 refused to free the last 13 Americans known to be in Chinese jails despite an agreement last Sept. 10 to release all Americans. Peiping radio broadcast a government statement in January saying Communist China would permit no interference in the way the Red release was handled.

REJECT STEEL PROPOSAL

JUDGE ROSCOE C. South, Iroquois County Circuit Court, looks on from the bench as State's Attorney David Oram (right) confers with Kenneth A. Smith (left) and Dale W. Markwalder, attorneys for the defense in the case of Lester Deffenbaugh, 15, Lacon, who pleaded guilty this morning to a charge of murder. (Journal photos)

LESTER DEFFENBAUGH, (left), sat nervously today during the hearing. At right is one of his two attorneys, Dale Markwalder.

Back Move To Obtain Zoning Authority For Townships

Kankakee and Bourbonnais townships probably would be the most interested in Kankakee County in a proposal to grant zoning authority to townships, spokesmen indicated today.

The executive board of the Illinois Association of Supervisors and County Commissioners meeting at Springfield, today backed a program aimed at obtaining zoning authority for townships.

The board urged a meeting with Illinois township officials for a proposed action in asking the 1957 Legislature to amend existing law to grant the townships control over residential and industrial expansion with proper zoning regulations.

George Luehrs, chairman of the board, said the county board is making a preliminary study of county zoning itself right now.

The board has received 10 zoning ordinances from other communities and is studying them, Luehrs reported. He said State's Attorney Frank W. Curran is getting the information from the other counties for the board.

The county board also is studying a possible building code, Luehrs reported.

"We are very much interested in it; it's just a matter of money," Luehrs pointed out.

He said some townships do not consider zoning necessary, adding to the problem of establishing it on a countywide basis.

Thomas R. Holde, Kankakee Township clerk, and health officer, said more authority is needed by townships like Kankakee and Bourbonnais in coping with zoning problems.

Lavere J. Power, Bourbonnais Township supervisor, said his township "most certainly would be interested in it." But he said county zoning would be better and would supersede township zoning.

A tropical disturbance which had moved inland from the Gulf of Mexico, accompanied by heavy rains, had practically died out.

OTHER HIGH readings Thursday included 11 Paso and Phoenix, 101, San Antonio, 100, Philadelphia 95, Washington 93, Detroit 94, Cleveland 92, Milwaukee 91, Chicago and Minneapolis 90.

The bodies of four fishermen who apparently were victims of a heavy thunderstorm in the Rhine-lander, Wis., area Wednesday night were recovered Thursday. Three drowned in the Willow Flange and one in Somo Lake.

A tropical disturbance which had moved inland from the Gulf of Mexico, accompanied by heavy rains, had practically died out.

Benson's Son Says War Kept Farm Prices Up

High Price Supports
Failed Since 1947,
GOP Women Told

SPRINGFIELD (UP)—Reed A. Benson, son of Agriculture secretary Ezra T. Benson, said today Democrats "hoodwinked" farmers into believing 90 per cent price supports were responsible for the high prices they received during the Korean War.

Benson said the high prices actually were due to the "insatiable demand" for farm products created by the war.

He said the party which takes credit for the high prices should also get credit for the war.

Benson, who has left his law studies at George Washington University to serve as a field representative for the Republican National Committee, was here to address the Illinois Federation of Republican Women's Clubs.

HE TOLD A NEWS conference that farm prices have been falling since 1947, except for the Korean War period, and placed the blame on rigid price supports.

Benson said three-fifths of the price decline came "before we took office" and that the remainder of the decline "probably" was due to Democratic farm policies inherited by the Republicans.

He said he was confident farmers, including those in Illinois, would support the "flexible" price support policy of his father and President Eisenhower.

He said the Eisenhower administration "has moved five billion dollars worth" of the farm surplus in the last few months by trade, sale or as gifts.

But he said "for every bushel we move out the front door, a bushel and a half comes in the back door."

Violence Continues In Algeria; 39 Die

ALGIERS, Algeria (UP)—French forces surprised a rebel band hidden in a field of wheat apparently lying in wait for harvest workers, officials disclosed today.

The French killed 14 of the "Army of Allah" band and captured 32 in a violent battle near the coastal town of Beni Saf.

In another surprise action, the French killed 25 members of a rebel gang that tried to raid a village near Madaid 45 miles west of Constantine, that declared support for the French Wednesday.

The USS Canberra, her needled Terrier missiles pointing skyward, was commissioned at the U.S. Navy yard here and ordered into service with the Atlantic Fleet.

She will join her sister ship, the USS Boston, the Navy's first guided missile vessel, and the USS Northampton, the only tactical command ship in the world's second guided missile cruiser.

The USS Canberra, which operated as a heavy cruiser during World War II, was converted to a guided missile ship at the New York Shipbuilding Corp. across the Delaware River at Camden, N.J.

James Belles, 28, a policeman for three years, fired three shots into a 29-year-old man to end his life and cut off his staggering attempt to escape. The man carried cards indicating he was Carl Simmons.

Belles had been assigned to keep a close watch on the store at 4256 Wentworth Ave., on the South Side because it had been robbed before. He walked in as a matter of routine, he reported, as Louis Ler-

gun on me and I went for his arm. We rolled on the floor."

The gunman started beating Belles on the head with his pistol. The officer fired a shot into his assailant's abdomen. The wound was staggered toward the door and Belles brought him down with two more shots.

A companion waiting in an auto, who had fled when the fight started, said Belles was serious in the fight but suffered no serious injury. He captain, Frank Reynolds, reported.

No Settlement Seen By June 30

NEW YORK (UP)—The United Steelworkers today rejected a contract offer from the steel industry's big three.

David J. McDonald, president of the union, said the companies' counter offer to the union's demands was entirely "inadequate."

McDonald said the companies have offered the steelworkers a take-home pay increase of 5 cents an hour.

McDonald confirmed that the companies had offered the union a five-year agreement and a form of guaranteed annual wage.

Commenting on the 5-cent take-home pay offered by the companies, McDonald said the union's similar hike for each of the five years the proposed contract would run.

McDonald said the supplemental unemployment benefit plan offered by the companies was "far less" in actual benefits than those negotiated by the union in the can industry last year.

FORMAL NEGOTIATIONS between the union and the big three—U. S. Steel, Bethlehem Steel and Republic Steel—resume this afternoon.

The companies' offer was rejected unanimously by the union's 10-man wage policy committee. The move shook hopes that a new contract for 650,000 steelworkers could be signed in advance of the June 30 strike deadline.

McDonald, who had been aiming at a settlement by Sunday, June 17, refused to say whether the companies' offer made this goal unattainable.

The Big Three firms had no immediate comment.

Navy Commissions World's Second Missile Cruiser

PHILADELPHIA (UP)—The Navy added another powerful punch to its growing arsenal of modern weapons today with the commissioning of the world's second guided missile cruiser.

The USS Canberra, her needled Terrier missiles pointing skyward, was commissioned at the U.S. Navy yard here and ordered into service with the Atlantic Fleet.

She will join her sister ship, the USS Boston, the Navy's first guided missile vessel, and the USS Northampton, the only tactical command ship in the world's second guided missile cruiser.

The USS Canberra, which operated as a heavy cruiser during World War II, was converted to a guided missile ship at the New York Shipbuilding Corp. across the Delaware River at Camden, N.J.

Earlier the rebel leader had been reported in Uruguay. A government source said this was a ruse by followers to throw the rebels' trackers off the scent.

Briere thanked the government for its speedy action in returning his arms. Presumably they will be allowed eventually to leave the country, as Juan D. Peron was following his overthrow as president last fall.

Briere said authorities had assured him the 20 men who invaded his home would be caught and punished.

Government sources identified the kidnappers as military men and civilians. Informants said they apparently were anti-Peron.

NEWS BRIEFS

DOWELL RITES HELD
Funeral services for Bernard J. Dowell, 60, 1088 E. Bourbonnais St., were held at 10 a.m. today at St. Teresa's church. Mr. Dowell died Tuesday evening. The Rt. Rev. Messrs. J. J. Cousineau officiated at the mass and interment was made in Mt. Calvary cemetery. Pallbearers were Paul Maase, Lloyd Willet, George Bukowski, Urbain Fortier, Robert Goudreau and Edmund Lambert.

FOOD SALES
The Sodality of Our Lady of St. Patrick's Central High School will conduct a bake sale Saturday at 279 E. Court St. Homemade cakes, pies, cookies and candy will be on sale at 9 a.m.

FIRE TRUSTEE
William T. Hanrahan, 715 Cook Blvd., was appointed Thursday to a three-year term as a trustee of the Firemen's Central High School. He had been appointed Nov. 3, 1954, to complete the unexpired term of Harvey Landau, who resigned. Other trustees are C. Gilbert Spies, 102 N. Vassar Ave., whose term expires in May, 1957, and Edward Moersch, 1332 N.E. Circle, whose term expires in 1958.

DEGREE IN ARIZONA
Robert Paul Perkins of Onarga is one of 1,000 candidates who have received degrees from Arizona State College at Tempe. He was graduated with a bachelor of science degree.

ADULT RECREATION
The single young adult recreation program will be held tonight from 8 to 11:30 o'clock at the Y.W.C.A. Dancing, cards and ping pong will be among the diversions. Refreshments will be served.

ATTENDS MEETING
Mrs. Pearl Conway, chief nurse at the Kankakee State Hospital, attended the nursing council for the Department of Public Welfare at the Anna State Hospital at Anna.

HOME BUREAU TIME
The Kankakee unit will be in charge of Home Bureau Time at 9:45 a.m. Saturday on WKAN. The program will be "Summer Recreation For Children." Taking part will be Mrs. H. C. Trish and Mrs. Claude Tunks of the Kankakee unit and Charles Swilley, Kankakee Park District recreation director and Miss Dorothy Jansen, assistant director.

ASSIST WOMAN
Firemen reported oxygen was administered shortly before 7 a.m. today to Mrs. Eva Minor, 82, 900 S. Wildwood Ave. Lt. Donald Curby and Fireman Glen Johnson, who arrived Saturday from 3 a.m. to noon. Mrs. Minor had difficulty breathing.

Circuit Court Rules Award Of Damages Excessive

Two Manteno men will have to decide whether they want to surrender \$17,000 of the damages awarded to them in an automobile accident case or face the possibility of a new trial.

Circuit Judge C. D. Henry ruled Thursday that the amounts awarded Francis Mann and Leo Hassett by a jury in September were "excessive."

He said he would grant a defense motion for a new trial unless Mann filed a remittitur surrendering \$14,000 of his verdict and Hassett a remittitur for \$13,000.

The jury awarded Mann \$20,000 and Hassett \$25,000 for injuries received in an auto collision April 7, 1954, at Indian Oaks about the time a tornado passed through there.

The defendant, Marion Hulsey, of Manhattan, formerly of Peotone, driver of the other car, admitted liability. The only question considered by the jury was the amount of damages.

Hulsey filed a motion for a new trial. An attorney for Mann and Hassett said he had not conferred with them and did not know what they would do. It would be possible for them to appeal the court's ruling, he said.

The court said it found the verdicts "so excessive in view of the evidence of the injuries and loss of time that the verdicts can not be reconciled with the theory of pain and suffering and punitive damages."

The court said, however, it found no reversible error in the technical proceedings of the case.

In its instructions the jury was told to consider the nature and extent of injuries, physical disability, pain and suffering, reasonable medical and hospital expenses and punitive damages against Hulsey.

HOME FROM HOSPITAL
Frank Wagner, 435 S. Foley Ave., returned to his home Thursday from St. Mary's Hospital. His condition was reported as improved.

TO SHOW FILM
The theory of relativity is subject of the latest Motion Picture of Science film, "Time and Eternity," which will be shown at the Immanuel Baptist church Sunday at 8 p.m. The film runs about 45 minutes and is in full color.

BROTHER SURVIVES
A story in Thursday's edition of the Journal failed to list Alphonse Benoit, Bourbonnais, as a brother of Mrs. Louise Rivard, 81, who died Thursday following a long illness.

RUMMAGE SALE
Ladies Auxiliary of St. Stanislaus Church will sponsor a rummage sale Saturday from 3 a.m. to noon in the school hall at 643 N. Dearborn Ave.

POP'S DAY IS SUNDAY

The man who pays the bill—good old pop—will have his day Sunday in the Kankakee area.

It will be Father's Day, and although there are no huge, gala community affairs honoring Dad scheduled for the Kankakee locality it's quite likely the old boy will at least regain some of his household for the day.

In many homes, at least until the novelty wears off, Dad may get the breakfast in bed; (2) get first crack at the Sunday newspaper; and (3) perhaps even to watch the ball games on television in the afternoon. It will be HIS day!

The jury awarded Mann \$20,000 and Hassett \$25,000 for injuries received in an auto collision April 7, 1954, at Indian Oaks about the time a tornado passed through there.

Funeral Saturday For Mrs. Kennet, 77, Chatsworth

CHATS WORTH (JNS)—Mrs. Hanna Kennet, 77, died Thursday at 4:40 p.m. in Fairbury Hospital following a lingering illness.

Mrs. Kennet was born July 22, 1878 in Sweden, the daughter of Mr. and Mrs. Ben Benson.

She was married to Frank Kennet in Chicago on Dec. 2, 1903. He preceded her in death.

She resided in the Germantown-Chatsworth area 51 years.

Mrs. Kennet was a member of St. Peter and Paul's church, Chatsworth, the Royal Neighbors of America, the Altar and Rosary Society and the Daughters of Isabella.

Surviving are daughters, Mrs. Violet Dohman, both of Chatsworth; sons, Paul, Francis and Lyle, all of Chatsworth; a brother, John, of Strawn and August of Sweden, and 14 grandchildren. Two brothers and a sister preceded her in death.

The altar and Rosary Society and the Daughters of Isabella will recite the rosary in the Hanson-Mowery Funeral Home at 4 p.m. today. The rosary recitation will be followed by the Rev. R. E. Raney today in the funeral home at 8:30 p.m. Friends may call until the hour of the service Saturday at 10:30 a.m., Father Raney, and the Rev. Omer T. Fulton, Cullom, officiating. Burial will be in St. Patrick's cemetery, Chatsworth.

Driver Is Fined
George F. Understahl, 41, Wilmington, was assessed \$100 fine today after his car reportedly hit a parked auto in the 600 block of N. Fifth Avenue Wednesday night. County Judge Irwin C. Taylor levied the fine.

HEAVY RAIN
Heavy rain fell over the Kankakee area today, bringing the total rainfall for the season to 1.5 inches.

RECREATION
The single young adult recreation program will be held tonight from 8 to 11:30 o'clock at the Y.W.C.A. Dancing, cards and ping pong will be among the diversions. Refreshments will be served.

ATTENDS MEETING
Mrs. Pearl Conway, chief nurse at the Kankakee State Hospital, attended the nursing council for the Department of Public Welfare at the Anna State Hospital at Anna.

HOME BUREAU TIME
The Kankakee unit will be in charge of Home Bureau Time at 9:45 a.m. Saturday on WKAN. The program will be "Summer Recreation For Children." Taking part will be Mrs. H. C. Trish and Mrs. Claude Tunks of the Kankakee unit and Charles Swilley, Kankakee Park District recreation director and Miss Dorothy Jansen, assistant director.

ASSIST WOMAN
Firemen reported oxygen was administered shortly before 7 a.m. today to Mrs. Eva Minor, 82, 900 S. Wildwood Ave. Lt. Donald Curby and Fireman Glen Johnson, who arrived Saturday from 3 a.m. to noon. Mrs. Minor had difficulty breathing.

TO SHOW FILM
The theory of relativity is subject of the latest Motion Picture of Science film, "Time and Eternity," which will be shown at the Immanuel Baptist church Sunday at 8 p.m. The film runs about 45 minutes and is in full color.

BROTHER SURVIVES
A story in Thursday's edition of the Journal failed to list Alphonse Benoit, Bourbonnais, as a brother of Mrs. Louise Rivard, 81, who died Thursday following a long illness.

RUMMAGE SALE
Ladies Auxiliary of St. Stanislaus Church will sponsor a rummage sale Saturday from 3 a.m. to noon in the school hall at 643 N. Dearborn Ave.

Driver Is Fined
George F. Understahl, 41, Wilmington, was assessed \$100 fine today after his car reportedly hit a parked auto in the 600 block of N. Fifth Avenue Wednesday night. County Judge Irwin C. Taylor levied the fine.

THERE'S A REAL doll in this picture. Miss Brenda Holmeister, 14, daughter of Mr. and Mrs. Robert Holmeister, Crescent City, is shown holding one of her favorite dolls in a collection of more than 200. Estimates are that the collection is worth more than \$1,000. Most of Miss Holmeister's dolls are gifts. Thirty-eight of them are included in the above picture. She will be a sophomore in Crescent City High School this fall. (Journal photo)

Crescent City Girl Collects 200 Dolls

CRESCENT CITY (JNS)—The association of dolls and girls is not unusual.

But the idea of one girl and more than 200 rather expensive dolls from many countries in the world takes a different aspect.

Miss Brenda Holmeister, 14, daughter of Mr. and Mrs. Robert Holmeister, Crescent City, is shown holding one of her favorite dolls in a collection of more than 200. Estimates are that the collection is worth more than \$1,000.

Her hobby started before she knew what hobbies were. The many doll gifts from relatives and friends when she was a child developed in her a genuine fondness for them.

And her interest continues today as she plans joining collector clubs. Her own collection includes story book dolls, month of the year, little women, and foreign dolls from Guatemala, Alaska, Germany, Japan, China, Mexico, Switzerland, Nassau, France, Holland, Italy, England, Nova Scotia, Canada and Poland.

In Sunday school, she is pianist and a member of the senior choir. She is a member of St. Peter's American Lutheran Church and a Bible school teacher.

Among her character dolls are a corn husk doll from the Smoky Mountains, a coconut doll from Florida, shell dolls, voodoo lady, and a doll from the South Sea Islands.

Hold Triple Rites In Peotone For Accident Victims

PEOTONE (JNS)—Triple funeral services were held Wednesday at 2 p.m. in the Immanuel Evangelical and Reformed Church for Mr. and Mrs. Fred J. Hamann and Miss Alma Knickrehm, who were killed in an automobile accident Sunday morning near Spirit Lake, Iowa.

Dr. E. H. Plassmann officiated and interment was in Peotone cemetery. Miss Bonita Siemen and Franklin Lockbach were musicians.

Pallbearers for Mr. Hamann were Ben Maass, Charles Henerberg, Robert Schroeder, Emil Pals, Robert Dubbert and George Wiech.

For Mrs. Hamann, pallbearers were Edward Poppenhagen, Alvin Froemer, Harry Schweser, Irvin Stelling, Alvin Knickrehm and Russ Morrison.

Miss Knickrehm was Chris Wilke, Omer Knickrehm, William Nagel, Hugh Gorman, George Buck and G. W. McEadden.

Funeral services for James M. Ferguson, 53, 1823 S. Fourth Ave., will be held at 10 a.m. Monday at St. Rose church. Burial will be made in Sacred Heart cemetery at Campus.

Friends may call from noon Saturday until the time of service at the Clancy Funeral Home where the rosary will be recited at 8 p.m. Sunday.

Mr. Ferguson, a dispatcher for the Kankakee Motor Coach Co., died early Thursday at St. Mary's Hospital.

He is survived by the wife, Mary Ellen; daughter, Mrs. Evelyn Swanson; step mother, Mrs. Rose Ferguson, Grafanwoher, Germany; brother, Thomas Morrissey of California; sisters, Mrs. Mary Rose Kelly of Washington, Ill., Mrs. Alice Cicia, Stigton, Conn., and Mrs. Isabel Longley, Grafanwoher, and six grandchildren.

Ohmite Co. To Locate In Dwight Area, If!

DWIGHT (JNS)—The Ohmite Co., makers of electrical resistors and other products in the electronic field, has decided to locate in Dwight, if two important requirements can be met.

The first, if enough women employees can be found. The second, if a temporary building can be found to locate the machinery where the employees will be trained.

The company will manufacture resistors here. Some of these are about 1 1/2 inches long. Others range up to nine inches. They are made of fine wire wrapped around a white ceramic coil.

The company has invented machines to do this work, but women are needed to start the fine wire in the coils of the arm which does the wrapping and also finish off the wire at the other end.

Some other women will be needed to operate the machines and bring them to Dwight. The pay scale will compare with general factory employment.

A group of business men organized to finance the construction of a factory building to rent to the Ohmite Co. in the Dwight area. A location has been found on the edge of Dwight, where a new factory building will be built close to railroad and highway.

For some time, the Dwight Development Program, through its industrial committee has been working to bring a factory to Dwight. After much checking and rechecking, the committee has succeeded in bringing the program to where all that is needed is the employees.

The Ohmite Co. intends to train the women employees in groups of 18 for a six-week period, until full force of 80 is reached.

Concert Violinist To Play At TeDeum Meeting Tonight

Concert violinist John Creighton Murray will play and speak at a TeDeum meeting at 8 p.m. today in the Knights of Columbus Hall.

Murray started to study the violin when he was 3, and first played in Carnegie Hall in New York when he was 6.

He studied under the world's greatest masters in the United States, Italy, Switzerland, and France and made his debut in New York when he was 17.

From 1942-46 he was in the American Army. During his military service he played 1,500 appearances for the armed services. He received the Army commendation ribbon for "meritorious service performed with distinction" in World War II.

Since 1946 Murray has averaged about 75,000 miles a year in continual concert tours throughout Europe, Latin America, the United States and Canada.

In the last few years Murray has given extensive concert tours in Central America and Mexico. He recently played in the largest crowd ever to hear a concert in the history of Mexico.

A few weeks ago Murray received the finest review given in San Francisco in the last 10 years, and on April 10 played his 20th major New York concert in Carnegie Hall.

He is possessor of one of the world's finest Stradivarius violins.

Mrs. Margaret E. O'Malley, Formerly Of Manteno, Dies

Mrs. Margaret E. O'Malley, formerly of Manteno, died in her sleep Thursday at the home of a sister, Mrs. Angela Kelly of Chicago.

Mrs. O'Malley and her late husband, Thomas J., owned a farm 4 1/2 miles east of Manteno where they formerly resided. They had lived in Chicago the past 20 years.

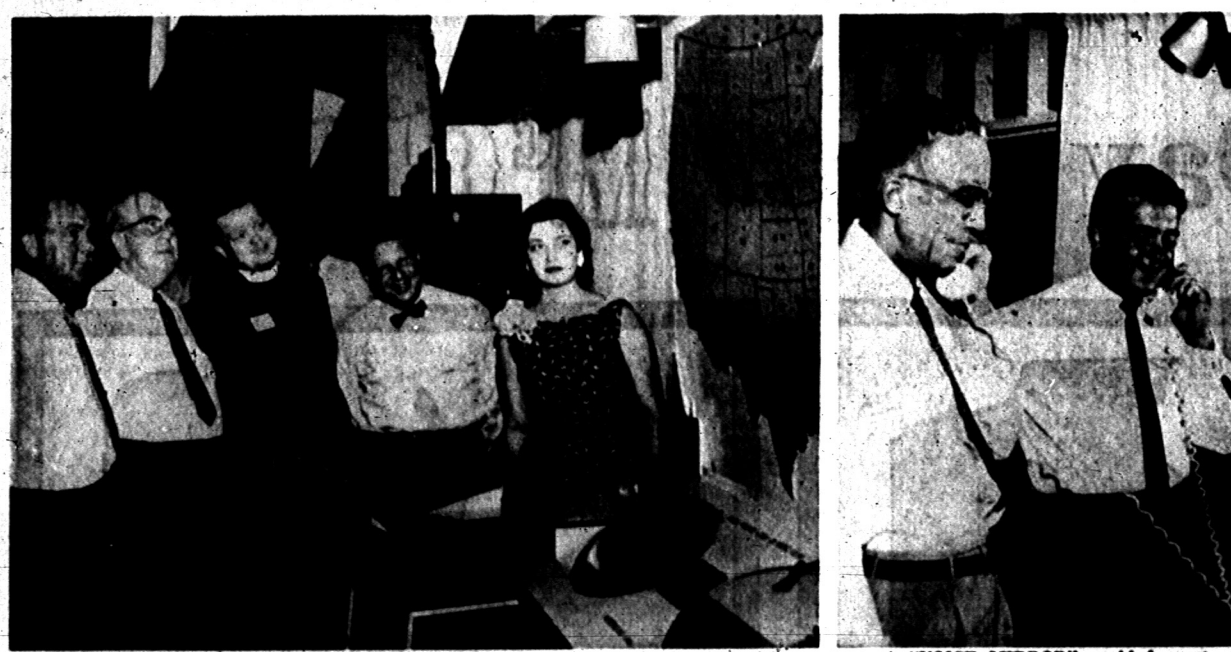

Mrs. O'Malley, who was about 55, also is survived by a daughter, Martin A. McGrath of Chicago.

Funeral arrangements are incomplete.

Legion Elects Rutherford Commander

AT THE SPEAKERS table at the 75th anniversary luncheon of the founding of the first telephone exchange in Kankakee were (left to right) L. F. Bernhard, plant extension engineer; the Rev. Harold Hall, pastor of Trinity Methodist Church; C. R. Hamilton, Kankakee manager for Illinois Bell; H. Bowen Stair, vice president in charge of operations; Mayor Ed P. Madison; and the Rev. E. J. Conscience. The anniversary luncheon was held at the Knights of Columbus Building. (Journal photos.)

LONG DISTANCE dialing was demonstrated at the luncheon by Miss Carol Kershaw of Illinois Bell. Her audience included, left to right, Robert Myers, Frank Curran, the Rev. Eugene Hoffman and Samuel Shapiro.

Solar Battery Used To Power Telephone Call

A small solar battery provided the energy for a telephone call at the anniversary luncheon of the Illinois Bell Telephone Co., Thursday, L. F. Bernhard, plant extension engineer for Illinois Bell, made the call as a demonstration of the solar battery, a device which converts the sun's energy into electricity.

Bernhard explained that the energy contained in the sunlight falling upon the earth every day is greater than that contained in all the coal, oil and uranium in the world. The solar battery is able to convert the sunlight into electrical energy. He said an experimental solar battery is now being used to supply power to a rural telephone system in Georgia.

THE TRANSISTOR and musical tone telephones were demonstrated by Bernhard.

Bernhard said the tiny transistor is taking the place of the vacuum tube in many applications. In the

CHINESE REDS—Alphonse Caron, 73, Formerly Of Bourbonnais, Dies

Continued from Page 1

The last Americans to leave Red China were Dr. and Mrs. Homer Bradshaw, Presbyterian missionaries who were forced last Dec. 20.

The Geneva talks between U.S. Ambassador A. Alexis Johnson and Red China's Wang Ping-nan have been stalemated for months over the failure of the Reds to free the 13 prisoners.

THE COMMUNIST China announced Tuesday it again has demanded that U.S. Secretary of State Dulles meet with Chinese Premier Foreign Minister Chou En-lai to negotiate settlement of the Formosa dispute. It said the latest request, made May 11, proposed that arrangements be completed within two months of that date.

The United States rejected the proposal and accused Communist China of refusing to make a "meaningful renunciation of force" in the Formosa issue. The State Department said it would continue to seek such a renunciation and also would go on pressing for the release of the 13 prisoners.

The two prisoners were arrested in Shanghai three years ago today. They were accused of espionage and revolutionary activities against the state but were not sentenced— to three-year terms until last November.

Father Phillips' next of kin is Mrs. Evelyn Harrington of Alhambra, Calif.; Father Clifford is Mrs. Anne G. Clifford of San Francisco.

ARGENTINE—THE BAND DID NOT HARM Tanco

Continued from Page 1

Mr. Caron, who lived at 1738 Henry St., was scheduled to appear at festivities this week; instead she married an Army lieutenant and left school.

Tuesday, Valle was to have been president.

Briere said that Tanco rang his doorbell about 3 a. m. yesterday, saying he was mortally wounded. "He looked very weak and pale but he was not wounded," the ambassador said.

Tanco then obtained the traditional right of asylum. Peron is living in asylum in Panama.

Business Must Be 'Complete' Citizen, Phone VP Tells Celebration Guests

"It is only when a company discharges its responsibilities to the community that it lives up to its obligations to the owners of the business," H. Bowen Stair, vice president in charge of operations for the Illinois Bell Telephone Co., said Thursday.

A business must be a "complete citizen," Stair told approximately 150 civic and business leaders at the 75th anniversary luncheon of Illinois Bell. "The community can't ride on one track and business on another, to the two are inseparable and interdependent," Stair said.

THE SPEAKER SAID that both community acceptance and financial success are important if a business is to succeed. Stair added that the employees of a business also have important responsibilities to fulfill as individual shareholders in the community and in this he credited Illinois Bell employees in Kankakee with being good citizens of the community by taking part in its civic and charitable activities.

The 75 years of the telephone in Kankakee and a glimpse of what was presented at the luncheon Thursday.

C. R. Hamilton, Kankakee manager for Illinois Bell, welcomed the guests and told of operations in the early days of the telephone. He explained the complicated procedure one had to go through to place a call through the boy who served as the operator in 1881 and for a few years thereafter.

Stair spoke of the progress that has been and is being made in the telephone industry.

A "VOICE MIRROR" enabled guests at the luncheon to hear themselves as others hear them over the telephone. From left, Miss Neida Pearce of Illinois Bell's traffic department, Glenn Shunk and Peter Anzures listen to themselves talk.

MURDER TRIAL—Mrs. Elnora E. Senesac, 43, Dies At Manteno

Continued from Page 1

Femister testified that the Deffenbaugh case had been under his jurisdiction from July 11, 1954, when the boy was first paroled to the Jensen home, up to about six months before the double slaying and was transferred into his jurisdiction again last April 12.

He stated, under questioning by Smith and Markwalder, that he had visited the Jensen home at least once a month for a report on the boy and said he believed such checkups were made during the time the case was not in authority.

HE STATED THAT "conditions were certainly good" in relation to the boy's adjustment to the Jensen home. He also testified that Deffenbaugh had left the Jensen home on Nov. 7, 1954, in a car stolen by another youth and returned to his Laco home. He stated Deffenbaugh was later returned to the Jensen farm.

His wife, Josephine, and two daughters, Marie and Mrs. Alfred Denoyer, preceded him in death.

CHAMPAIGN, Ill. (AP)—The University of Illinois Air Force ROTC held its annual review without a hitch last week's sponsor, Sara Barry. She was scheduled to appear at festivities this week; instead she married an Army lieutenant and left school.

Tuesday, Valle was to have been president.

Briere said that Tanco rang his doorbell about 3 a. m. yesterday, saying he was mortally wounded. "He looked very weak and pale but he was not wounded," the ambassador said.

Tanco then obtained the traditional right of asylum. Peron is living in asylum in Panama.

2 Men Fined \$35 Each For Fighting

Two men were each fined \$35 by Police Magistrate Paul Davidson this morning as the result of an early-morning fight in the 100 block of E. Station St.

Joseph P. Stacey, 31, Lincoln, N. C., was injured in the fight when he went through the plate glass window at the York Dado Shop, 145 E. Station St. His opponent in the street disturbance at 1:20 a. m. was Joe Ducker, 50, Kings Mountain, N. C.

In other court action William F. Linton, 19, 788 S. Wildwood Ave., was fined \$10 for disobeying a stop sign and \$10 for operating a motor vehicle in violation of his driver's license restriction.

Eagle St. forfeited \$9 on a charge of failure to have a license on his boat trailer.

Transcontinental Bus System Asks 6% Fare Increase

The Transcontinental Bus System has petitioned the Illinois Commerce Commission for a 6 per cent increase in one-way fares between Chicago and Gibson City, it was announced today at Springfield.

The route goes via Kankakee, Champaign, Gilman, Onarga, Roberts and Melvin in the Kankakee area.

The company also asked a similar increase on one-way fares on its routes from Chicago to Quincy, Chicago to Peoria, and Decatur to St. Louis.

Young Democrats Open Convention At Jacksonville

JACKSONVILLE (UP)—The Young Democrats of Illinois opened their state convention today with registration and committee meetings.

Officers will be elected Saturday. The convention will name a "Miss Young Democrat" and a "Mr. Young Democrat."

Donald A. Nubbaum, 1355 E. Eagle St., forfeited \$9 on a charge of failure to have a license on his boat trailer.

Tell ya what we're gonna do...

...In Monday's Journal that is!

Farm Policy Halts Price Drop: Shuman

APPLETON, Wis. (UP)—Charles B. Shuman, president of the American Farm Bureau Federation, Thursday night credited administration farm policies with halting falling farm prices.

The administration-backed flexible price support system so far, he said, "for the first time in five years the downward trend of farm prices has been halted," Shuman said.

He told a farmers-businessmen meeting that this has been achieved even though there was only "a modest application" of the flexible support system so far.

The Department of Agriculture's index of prices received by farmers on May 15 this year was 242, the same as on May 15 last year, Shuman said.

"Prices of some commodities, of course, are lower than they were a year ago, but others are higher," he said.

Nevertheless, he said, farmers were getting only 85 per cent of parity on the average for all commodities on May 15, while they got 88 per cent a year ago. This is because of the continued rise in cost of things farmers buy, Shuman said.

He warned that the current steel talks might hurt farmers if they result in a wage boost and higher prices.

"The farmer, a big user of steel, is faced with another dose of the old cost-price squeeze," Shuman said.

PRODUCE

CRESCENT CITY 4-H Holds Party For Pre-School Tot

CRESCENT CITY (JNS)—The Arrowcroft 4-H Club of Crescent City held a party Tuesday at 2 p. m. for pre-school children in the home of Mrs. M. E. Brome, instructor, Gilman.

There were approximately 40 children and 4-H members present. The afternoon was spent playing games.

The hostesses for the afternoon were Karen Heeren, Arlene Janssen and Bonita Yates. Refreshments consisted of ice cream, cake and soft drinks.

The hostesses were assisted in serving by Mesdames Elmer Heeren, George Janssen and Joy Yates.

Gerald Yates of Woodland, former graduate of Crescent-Iroquois High School will leave Monday for Illinois State Normal University, Meyer, a coach at Woodland Grade School, is majoring in physical education.

HERSCHER Pals 4-H Club Meets

HERSCHER (JNS)—The Herscher Pals 4-H Club met in the home of Nancy and Janice Ferden on Tuesday evening. Sixteen members were present. Talks were given by Nancy and Janice Ferden and Marilyn Nelson and Theresa Eiting.

Nancy Ferden had charge of games. Those serving refreshments were Patty and Theresa Eiting, Nancy and Janice Ferden and Lou Ann Schultz.

THE HERSCHER Chamber of Commerce will sponsor a chicken barbecue Saturday night. Serving will be from 6 to 9 p. m. Square dancing will be held in the park at 9 p. m.

COFFEE PRICES ON MARCH UPWARD; NEW HIKES SEEN

NEW YORK (UP)—Coffee prices are going up again and marketers predicted today they will go even higher.

Consumers soon will be paying at least three cents a pound more for their favorite beverage. Two of the nation's largest coffee processors and several smaller regional companies announced three-cent hikes on vacuum-packed brands Thursday.

The price boost has already gone into effect for General Foods Corp., makers of Maxwell House, and Standard Brands Inc., makers of Chase & Sanborn.

Spokesmen for other processing companies indicated they would follow suit within a few days.

Instant coffee will also rise in price by at least eight cents per six-ounce jar.

Adam Scott, 68, Braidwood, Dies; Funeral Sunday

BRAIDWOOD (JNS)—Adam Scott, 68, died Thursday in Dwight while en route to the Veterans Hospital.

Mr. Scott had been ill for some time.

He was born in Scotland on April 10, 1888, the son of Mr. and Mrs. Robert Scott, now deceased.

He came to America as a child with his parents.

Surviving are a sister, Miss Murray Scott, Braidwood; an uncle and five cousins. A sister preceded him in death.

Funeral services will be held in the Patterson Funeral Home here at 1:30 p. m. Sunday, the Rev. Robert L. Burns, Presbyterian Church, officiating. Burial will be in Oakwood Cemetery. Friends may call at the funeral home today after 7 p. m. and until the hour of the service.

Mr. Scott was a member of the Order of the Scottish Clan, a charter member of Koca post 30, and a past vice president of the Disabled Veterans, Chicago.

He was a retired watchmaker.

TEXAS RIVALRY

DALLAS, Tex. (AP)—Texas presents a solid front against the rest of the world, but at home, folks spar each other a bit. In Dallas, when the weather's sticky, warm and humid, the headlines say its "another day like Houston," the state's biggest city down on the Gulf Coast.

cent 4-H federation meeting.

A number of the girls started sewing projects.

ONE-MAN JOB

CLEVELAND, Tenn. (AP)—Fifteen firemen answered a call to extinguish a grass fire in a housewife's stove. One man put it out—smothering it with a wet duster.

MARTINTON 4-H Teenettes Meet

MARTINTON (JNS)—A meeting of the Martinton Teenettes 4-H Club was held Monday night in the home of Mrs. Virgil McCullough, leader.

Linda Morrison, president, presided over eight members present. Nancy Jimison, who was enrolled as a new member, was appointed recreation chairman.

The 4-H club constitution and by-laws were adopted. A talk on the county 4-H food demonstration school held in Waukegan was given by Myra McCullough.

She also gave a report on a recent 4-H trip.

DEAR DIARY

CHARLESTON (AP)—Had Riggs Bianchi, 17, been keeping a diary it might have had these entries:

2:30 p. m.—bought new car.

2:45 p. m.—insured car and applied for license.

2:50 p. m.—hit pole and wrecked car.

ADAM SCOTT, 68, Braidwood, Dies; Funeral Sunday

BRAIDWOOD (JNS)—Adam Scott, 68, died Thursday in Dwight while en route to the Veterans Hospital.

Southern Democrats Cool To Carolina Bolt Proposal

WASHINGTON (UP)—Southerners in Congress generally look apathetic, wary, or hostile attitude today toward a South Carolina plan which could trigger a southern Democratic walkout from the national party.

This proposal originated in the South Carolina Democratic convention and came to southern members of Congress this week in a letter from Gov. George B. Timmerman Jr.

It called for a caucus of southern national convention delegates to agree on a program of united action on issues, such as racial segregation, of deep concern to southern states.

It was reported that 45 long and two short towels had been made and turned over to the county chairmen. A total of \$7.85 from the sale of huck towels, made by members during the 1956 project, was received.

The next meeting will be held July 17 in the home of Mrs. Stuart Overby.

influence at the national convention.

Southern leaders in Congress were in no mood to buy the plan. Senate Democratic Leader Lyndon B. Johnson only last month won control of the Senate Texas delegation in a battle to insure that Texas Democrats will stick with the national party.

Other powerful southerners have made clear that they do not want to start an internal party fight now. Some of them, however, have not ruled out the possibility that the Democrats can lose part of the South in the November election to a third party nominee or to President Eisenhower.

In 1946, a fight over the civil rights plank led to formation of a states' rights party in the South. South but rather at avoiding any move. They said southern unity would give the South greater

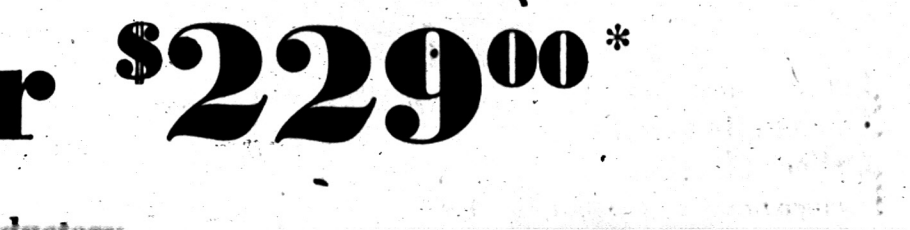

Papineau Twig Of Hospital Holds Meeting

PAPINEAU (JNS)—The Iroquois Hospital in twig met in the home of Miss Mable Collins on Tuesday afternoon with Mrs. Emil Miller presiding.

It was reported that 45 long and two short towels had been made and turned over to the county chairmen. A total of \$7.85 from the sale of huck towels, made by members during the 1956 project, was received.

The next meeting will be held July 17 in the home of Mrs. Stuart Overby.

Deny Prince, Dutch Queen Plan Divorce

AMSTERDAM (UP)—The Dutch government took the unexpected step Thursday night of denying rumors of a divorce between Queen Juliana and Prince Bernhard because of the queen's trust in a faith healer.

And the faith healer, Miss Greet Hofmans, a 41-year-old spinster, told the United Press today she expressed no influence over the queen and that her sole mission in life was to dedicate people to Christ.

THE GOVERNMENT'S official denial broke a strict government rule that no statements are made concerning the personal affairs of the royal family. Dutch newspapers already had departed from tradition by reprinting the foreign rumors about the queen.

Both developments indicated that the reports of a rift between Queen Juliana and Prince Bernhard had deeply shocked the nation.

A Dutch government spokesman said the government was issuing the denial "notwithstanding the silliness of these rumors" that the queen was contemplating a divorce. The brief statement was telephoned to correspondents here.

"A GOVERNMENT spokesman emphatically denies any rumors which have been circulating in the foreign press relating to divorce proceedings having been planned or initiated."

The reports originated in the West German weekly news magazine and were reprinted throughout the world. They were not published in newspapers in Holland until Thursday, one day after the Dutch parliamentary elections.

The reports said the queen had gone to Miss Hofmans in hopes of restoring the sight of her half-blind daughter, Princess Marijke, 9, and that Prince Bernhard had broken with the queen over the issue. It also said Miss Hofmans' influence extended to matters of state.

Legion Auxiliary Of Kempton Holds Officer Election

KEMPTON (JNS)—Mrs. Jack Jacob was elected president of the American Legion Auxiliary at a meeting Tuesday night in the Legion Hall.

Mrs. Joseph Malone Jr. is the retiring president. She did not accept the nomination for a second term.

Other officers elected are Mrs. Don Bruner, first vice president; Mrs. J. C. Gooding, second vice president; Mrs. John Jacob, treasurer; Mrs. Oma McKinney, chaplain; and Mrs. Walter Scott, sergeant-at-arms.

The members decided to enter a float in the July 4 Play Day parade. The program committee included Mrs. Jack Jacob, Mrs. Glenn Olson, Mrs. Bob Howland and Mrs. Clarence Wagner.

The hospitality committee included Miss Edna Spira, Mrs. Mary Spira and Mrs. Anson Gates. The unit will recess until Sept. 11.

MRS. HARRY CAY and Mrs. Gred Nelson went to Moline to bring home Mrs. Cay's son, Bob who completed his year's work as an instructor at Moline High School. After a brief vacation with his parents, he will teach art at the University of Illinois and complete his work on his master's degree. He has been granted a year's leave of absence from Moline High School and has been awarded an assistant scholarship.

Lutherans To Charge Tuition At Rock Island

MOOREHEAD, Minn. (UP)—The 97th synod of the Augustana Lutheran Church has approved a resolution requiring tuition from students at the church's seminary at Rock Island, Ill.

The decision by the delegates Thursday to approve the seminary board's action by a resolution submitted with the annual seminary report came after defeat of a substitute resolution. The substitute asked for a delay of one year for further consideration of the proposal.

THE REV. DR. OSCAR O. GUSTAFSON, Dassel, Minn., president of the seminary board of directors, said the board decided to charge a tuition fee of \$100 a semester, although cancellation of some other fees would reduce the actual fee to about \$85.

Students already must pay \$175 a semester for board and \$55 for room.

However, Dr. Gustafson and the Rev. Dr. Oscar A. Bengtson, Minneapolis, Augustana president, pointed out that no student will be barred because of economic reasons.

Dr. Gustafson said tuition fees would have a "salutary effect on the students; it develops a sense of independence and self-respect and tends to create a proper sense of self-reliance."

He also said the additional income would enable the seminary to improve its faculty, library and teaching facilities.

ARGUMENTS against the resolution centered mainly on contention that many students cannot afford the tuition fee, and that fees would tend to develop self-respect and self-reliance, as argued by Dr. Gustafson.

Eight of the synod's 16 conferences, including the Minnesota and Red River conferences, officially petitioned the synod to review the seminary board's action. The California and New York conferences submitted petitions stating they definitely were against the action.

Quartet To Sing Here Tonight

The Rogers Brothers quartet, gospel and religious musicians and vocalists, will appear on a program sponsored by the American Youth Singers tonight at Civic Auditorium.

Trial concerts are being held to find how this type of music is received in this area. The quartet's singing sessions may become a monthly event in the Kansas City area, according to Maurice L. Rogers, local representative of the American Youth Singers.

Information Classified As Secret

Air Force Refuses To Say If B52 Missed Target In H-Test

WASHINGTON (U)—The Air Force had only a noncommittal reply today to question about whether the B52 which dropped an H-bomb over Bikini last month missed the target.

The Atomic Energy Commission had nothing to say. Reports that the big bomb was wide of the intended point of burst in midair have become current in recent days. They apparently come directly or indirectly from persons who saw the target point after radioactivity had diminished in the area.

SOME SPECULATION places the margin of error in excess of 3,500 yards from the place above Namu Island where the explosion was intended. That's about two miles.

In response to a question, an Air Force spokesman said: "The recent thermonuclear air drop at Bikini was conducted as scheduled."

"The Air Force considers that the ability of the B52 bomber to deliver a thermonuclear bomb was demonstrated successfully."

"Detailed information about the distance and altitude of the target is considered classified (secret) information under the provisions of the Atomic Energy Act."

An error of even 3,500 yards might not be serious in an actual wartime drop of a weapon which has a major destructive force extending out to at least 12 miles from the point of burst.

But under the precise conditions set up for the Pacific test it could be disturbing. Recording instruments are oriented carefully—any intended point of burst. If an explosion occurs elsewhere, some vital information on the efficiency of the bomb is missed.

A MISS ALSO involves the pride of the bombing crew or of the designers of the ballistic container or detonating equipment of a nuclear bomb.

The Air Force prides itself on accuracy. Recently an operations officer for the Strategic Air Command told a Senate subcommittee about the training system for crews.

Speaking of the use of American cities as targets for "this," he said: "Now, we do not tell one of our crews to go bomb Chicago. We will tell them to go and hit the center of the roundhouse in Chicago or the northeast corner of a particular building. We actually have them doing pinpoint targets."

The crew of the B52 which dropped the H-bomb was not a Strategic Air Command crew. It came from Kirtland Air Force Base, New Mexico, and operated under the Air Research and Development Command.

LACKING ANY definite state-

Among Graduates

Miss Barbara Van Epps, daughter of Mr. and Mrs. G. N. Van Epps, 186 E. Court St., was among students who received degrees this week at Beloit College's 10th commencement. She received a bachelor of arts degree, graduating with summa cum laude honors. She is a member of Delta Gamma sorority.

MARTINTON (JNS)—Thirty-one members attended a meeting of the Royal Neighbors on Wednesday

at the Pacific Hotel in Dallas, Tex. A former member, Mrs. Lottie Starkey, of Watseka, was a guest.

A class of candidates was initiated. The application of Mrs. James Schultz to transfer here from the Kankakee camp was accepted.

The charter was draped in memory of Mrs. Jennie Moore, who died recently at her home in Dallas, Tex. Taking part in the ceremony were Mrs. Mattie Wehling, Mrs. Sherill Dukes, Mrs. Arnold Fock, and the soloist, Mrs. Clarence Stuckey sang "Ivory Palaces."

Reports on the Iroquois County BNA Convention held in Loda were given by Mesdames Theodore Ul-

fers, Kenneth Ortman, Albert Whaley and Emory Barton. The latter was elected county inner sentinel during the convention.

Mrs. Christian Hinch, recorder, gave a report on the district recorder's school of instruction in Joliet. Mrs. Albert Whaley was appointed as special auditor for the semi-annual financial report. The camp extended honors to the former Miss Marjorie Fisher who became the bride of Frank Stalter on Sunday.

Since June is the traditional

2 To Graduate From SIU Sunday

Two local students will be among the 620 who will receive degrees at the 81st annual commencement exercises of Southern Illinois University at Carbondale Sunday.

The two are Ronald J. Dusenbury of Bradley and Rose Marilyn Dabney of Kankakee, both of whom will receive bachelor degrees.

The candidates this year constitute the largest graduating class in SIU history. Among the graduating members are 422 candidates for bachelor degrees and 87 for master degrees.

Commencement address will be given by Dr. Buell Gallagher, president of the City College of New York and a native of Rankin.

Forrest Home Bureau Unit To Hold Final Event

FORREST (JNS)—The Forrest unit of the Home Bureau will hold its final meeting of the year on Tuesday in the home of Mrs. Guy Gee.

It will feature a picnic dinner beginning at noon. The newly-elected officers will be installed following the dinner.

THE ALTAR and Rosary Society of St. James' Catholic Church met Monday night in the home of Mrs. John Gruent. Plans were made for the annual ice cream social to be held on July 8.

Kempton Scouts Plan Camporee

KEMPTON (JNS)—Boy Scout troop 46 met Tuesday night in the village park with Scoutmaster Carl Reider in charge.

Lou Resadori conducted various scout drills. Bob Howland gave the lesson, "Artificial Respiration."

Plans are under way to attend the Boy Scout camporee at Bloomington on the week of June 25.

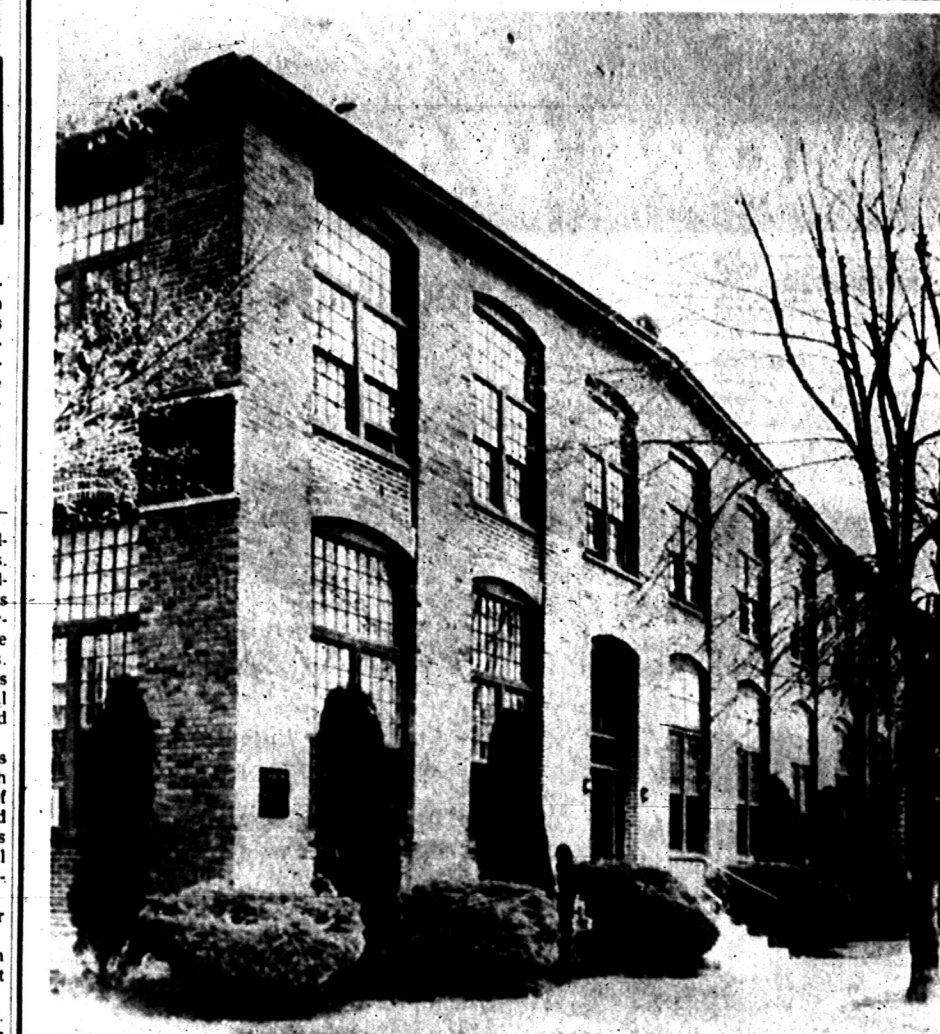

OTTO CARLSON was reported improved Wednesday after a heart attack on Monday. Seventy-three per cent of the United States has been mapped by the Geological Survey.

900 Strike For Higher Wages At Chicago Factory

CHICAGO (U)—Some 900 workers struck for higher wages today at the General Mills, Inc., plant on Chicago's South Side.

Frank Hesse, president of Local 27 of the American Federation of Grain Millers, said the union is seeking a "substantial" wage increase.

Two hundred workers walked off the job at midnight on expiration of a one-year contract and another 700 stayed away on the day shift.

The plant, which manufactures breakfast cereals and cake mix, was idled.

Wage talks were continuing with federal and state labor con-

Retired Teachers Group To Meet

Second meeting of the newly formed Kankakee chapter of the Illinois Retired Teachers Association will be held Tuesday. It was announced today by Miss Mae Weller, president.

The meeting will be held at 2 p.m. at East Junior High School. The president announced that following the business meeting color films of British Columbia and Alaska will be shown.

Persons who attended an earlier meeting at which the proposed testing program was outlined have been invited to return to tonight's meeting.

Anyone else who is interested also may attend.

Tests covering all phases of English usage were given to ninth graders in the Junior high schools

Discuss Results Of English Testing Program Tonight

Results of the recent English testing program in the four upper grades of the Kankakee school system will be discussed at a meeting at 7:30 p.m. today in the Kankakee High School library.

Persons who attended an earlier meeting at which the proposed testing program was outlined have been invited to return to tonight's meeting.

Anyone else who is interested also may attend.

Tests covering all phases of English usage were given to ninth graders in the Junior high schools

First Municipal Band Concert Sunday Evening

Waving the baton at the first municipal band concert Sunday evening will be Edward Daniel, director of the gathering of both amateur and professional musicians. The band will present its

first concert of the season at 7 p.m. on the porch at Civic Auditorium. The band is supported by the city of Kankakee, the Park District and the Musicians Local. (Journal photos)

and to the three grades in the high school. Dr. Anthony Marinaccio said the Kankakee school system stands in the lists would show where the Kankakee English are.

Levi Mohler, 47, Former Resident, Dies In Aurora

Levi S. Mohler, 47, a former Kankakee resident, died Thursday at Aurora, after a prolonged illness. He resided at 910 Douglas Ave., Aurora.

Funeral services are to be at 1:30 p.m. Monday at the Dietrich Memorial Home, 213 N. Lake St., Aurora. The Rev. Wesley McKelvey will officiate and burial will be in Lincoln Memorial Park, Aurora. The body is at the funeral home where friends may call after 1 p.m. Saturday.

Mr. Mohler had resided in Aurora 15 years, moving there from Kankakee. He was employed as a department head in an Aurora A and P Co. store.

He was born May 31, 1909 in Kankakee and was married to the former Thelma Werner. She survives along with a son Donald of Aurora; a daughter Barbara of Aurora; a brother Wilbur of Chicago, and a sister Mrs. Beatie Dore of Flora and Mrs. Clara Bass of Clarkston, Wash., and a brother Charles Benner of Nekoma, Wis.

Mr. Benner had resided in the Kankakee community 28 years. His farm was located west of Cullom.

Rites Saturday At Cullom For Earl Benner, 69

CULLOM (JNS)—Funeral services will be held Saturday for Earl Benner, 69, Cullom farmer who died Thursday at Fairbury Hospital after a prolonged illness.

The rites will be at the Kankakee Methodist Church with the Rev. John Osborne officiating. Burial will be in West Lawn Cemetery, Cullom. The body is at the Stewart Funeral Home in Cullom where friends may call until 11 a.m. Saturday when it will be moved to the church.

Mr. Benner was born July 11, 1886 in Rindard. He was married to Mrs. Louella Whitman Colclasure in 1913 at Louisville, Ill.

She survives along with sons Dayton Benner of Chicago and Rex Benner of Pasadena, Tex.; stepsons Clatus Colclasure of Kankakee and Vasco Colclasure of Kankakee; a daughter Mrs. Kenneth Wilson of Warsaw, Ind.; sisters Mrs. Myrtle Smith and Mrs. Effie Dow of Flora and Mrs. Clara Bass of Clarkston, Wash., and a brother Charles Benner of Nekoma, Wis.

Mr. Benner had resided in the Kankakee community 28 years. His farm was located west of Cullom.

Stills And Blumstock-Carrying Wife

Mrs. L. O. Blumstock is one woman who jumps when her husband calls. She's a hot carrier and works for him in his plastering business, having started two years ago in Decatur, Ill. Blumstock is a considerable husband and works from special stills so his wife doesn't have to touch those heavy scaffolds around.

Nazarenes To Seek Funds, New Members

KANSAS CITY, Mo. — The Church of the Nazarene has raised its sights on membership and fund raising.

Mrs. Louise R. Chapman of Vicksburg, Mich., president of the Nazarene Foreign Missionary Society, announced Thursday a goal of seven million dollars for missions in the next four years. This is two million over the 1932-34 period.

She also set a membership goal of 170,000 by 1940, an increase of about 50,000, in a speech at the preassembly convention of the church's missionary society. The general assembly convenes Sunday.

Mrs. Chapman spoke of "the rising tide of nationalism and communism" engulfing the world, but said, "We must press on."

"For such a day as this Christ came," she said. "We must occupy and enlarge the territory we possess. We must charge through open doors. This is the epoch making opportunity of the Church of the Nazarene."

Following her appearance, Mrs. Chapman was elected to her third, four-year term as president of the society.

Forrest Board Agrees To Check Local Conditions

FORREST (JNS) — The village board will investigate conditions of unsatisfactory conditions in various parts of this community.

The board voted to take action after Robert Clark, representing the Community Club, asked the board to check the following conditions:

Excessive speed of Toledo, Peoria and Western trains through town, the condition near the Burch cabins and the narrow condition of Beech street from Krack street to John street, where the doctor and dentist offices are located.

He also asked the cooperation of the board in erecting street signs. The group voted to cooperate with the street sign project and to investigate the other conditions.

A petition requesting the appropriation of \$7,000 from the motor fuel tax fund for maintenance of arterial streets was passed.

JAMES WHATELY, 22, Forrest, was fined \$50 and costs Tuesday in the office of the Justice of the Peace Robert Carrington. Pontiac third, four-year term as president of the society.

Tractor Trade Down Now But Future Looks Bright

CHICAGO (U)—If farmers would go for two-tone tractors with pastel seat covers it might help the farm equipment industry work its way onto firmer ground. But a farmer doesn't buy to keep up with the Joneses. He can hold off buying machinery until the future looks shaky and he can make an old model last a long time.

So the implement makers find business soft today with most signs pointing to even softer ground lying immediately ahead.

Sagging sales, mounting layoffs and high inventories plague most of the companies. Much of the industry ruefully admits it probably will go right on the rest of the year being one of the economy's soft spots.

BUT JOHN L. McCaffrey, International Harvester chairman, sees a turning point now in the farmer's psychology which could make him less of a hard sell next spring.

He cites the recent uptrend in hog prices, removing one of the severest of farmers' gripes this year (two years ago it was the dairy farmer who was hurting). Good rains have ended drought conditions in important farming areas. There's a chance of a good corn crop and perhaps a bigger pig crop. And the uncertainty over farm legislation has finally been removed with the signing of the farm bill with its soil bank program.

"But, even so," he said in an interview, "I don't think our farm equipment sales the rest of this year can equal the volume of the same period a year ago, and sales seem sure to be below the first half of the year, disappointing as those were."

"MANY OF THE uncertainties holding the farmer back since hog prices broke late last year have been resolved. But it has probably come too late to be felt this year."

The normal farm implement sales year starts gathering speed around February, crests by mid-April or the first of May. By June the machinery salesman has had it. He may get a minor revival by selling some tractors for fall plowing.

International Harvester reports that layoffs in its farm machinery division now top 23,000 and expects it to go even higher while stable inventories are being worked off. It has a layoff plan, like that in the auto industry, which goes into effect September 1.

McCaffrey also reports that in the six months ended April 30 his company's sales of farm equipment in the United States dropped 23 million dollars from the year ago figure. Gains in foreign sales offset this somewhat. And a boom in its sales of trucks and construction equipment pulled its over-all earnings ahead of a year ago.

Minneapolis-Moline, however, reported declining sales resulted in a net loss of 1½ million dollars in the first six months of its fiscal year. Due to a change in accounting methods its figures aren't strictly comparable to a year ago.

DEERE HAS HAD both sales

have been able to offset lagging farm machinery sales.

Total industry sales last year topped 1½ billion dollars, soaking up about 15 per cent of net farm income. This year farm income will be lower, but the drop in farm equipment buying is even greater.

Brighter to many in and out of the business is the long term outlook for the industry. In recent years the number of farm workers has been dropping and also the number of farms. The average size of a farm has been increasing.

The trend away from the small farm to a larger mechanized one continues, painful as it is to the little fellow who finds himself looking elsewhere for a living.

ECONOMISTS at the Northern Trust Co. of Chicago point out one attraction of mechanization: Since 1940 the price of farm machinery has doubled; but in the same period farm wage rates have quadrupled.

With fewer but larger farms and a growing population, the bank-ers say, farmers in the future may rely more heavily on equipment. The machinery is being improved through research and this should speed up replacement soon.

The future looks good for the equipment industry once the farmer has adjusted to the new era. But just now, the going's rough for both.

Lois Jean Wilson
Weds Edwin L. Blanch

The wedding of Miss Lois Jean Wilson and Edwin L. Blanch was solemnized Sunday at 3 p.m. in the Onarga First Methodist Church. The bride is the daughter of Mr. and Mrs. J. D. Wilson of Onarga, Mo. and the groom is the son of Mr. and Mrs. J. D. Wilson of Onarga, Mo. The Rev. Cecil Lockard of the First Methodist Church officiated at the double ring ceremony before an altar decorated with bouquets of seasonal flowers, palms and lighted tapers in branch candelabra.

Miss Myrna Schumacher was organist and accompanied the soloist, Harold Theisfeld, cousin of the bridegroom, as he sang "Alway," "Because" and "The Lord's Prayer." Traditional processional and recessional wedding marches were used.

Given in marriage by her father, the bride wore a white gown of lace over tulle, styled with long tapering sleeves and stand-up collar and a bouffant skirt worn over a hoop.

THE ILLUSION VEIL cascaded from a seed trimmed lace head-piece and she carried a white Bible with pink sweetheart roses. The jewelry was a single strand of pearls, gift of the bridegroom.

Mrs. Donald Johnson, sister of the bride, was matron of honor. She wore a light blue lace over net dress that was made with a form fitting bodice, bouffant, waist length skirt and matching stole.

Bridesmaid was Miss Pauline Black of Champaign, sister of the bridegroom. Her pink ensemble was identical to the other attendant's. Both carried white carnations in a Colonial bouquet. Their pearl necklaces were gifts of the bride.

Jack Stuegh of Shawville, brother-in-law of the bridegroom, was best man; Donald Johnson, brother-in-law of the bride, was groom.

Adah Chapter Of OES Has Meeting
Adah chapter of Order of Eastern Star held its regular meeting Tuesday evening at the Masonic Temple, 624 N. Rosewood Ave. Following the business meeting a program was presented by members of the entertainment committee.

One of the numbers presented was a solo by Mrs. Florine Lane. Hostesses were Mrs. Ruth Davis and Mrs. Nancy Nelson.

Members of the Squaw Squad met Wednesday evening with Mrs. Laurence Cote of 1450 S. Fifth Ave. Fifty was the diversion and prizes were won by Mrs. Arlon Krumm, Mrs. Lester Landrie and Mrs. William Braun. Mrs. Braun also won floating prize and Mrs. Krummwide received a birthday gift from her mystery pal.

Mrs. Raymond Colevria was a guest and became a member of the club. The June 27 meeting will be with Mrs. Melvin Brown of 143 S. Dearborn Ave. as hostess.

Edna Marie Suprenant
Weds John W. McCue

Wedding vows were exchanged June 3 at 2 p.m. by Miss Edna Marie Suprenant and John W. McCue in St. Joseph's Church, Manteno. The Rev. George W. Moran officiated at the double ring ceremony before an altar decorated with pink and white peonies.

Mel Leppert was soloist and sang "On This Day Oh Beautiful Mother."

The bride is the daughter of Mr. and Mrs. Amodeo Suprenant of Manteno. The bridegroom is the son of Mrs. Irene McCue of 196 N. Cleveland Ave., Bradley.

Altar boys were Robert Provancher and James Suprenant. The bride chose a dress of beige satin and lace. She carried yellow sweetheart roses on a prayer book with long streamers tied with rosebuds. Her father gave her in marriage.

Mrs. Helen Dupuis of Manteno was matron of honor wearing a beige lace ensemble. Her flowers were pink sweetheart roses. The bridegroom was attended by Bernard Zajc of Bradley as best man and ushering were Stanley and Benny Leszczewicz, also of Bradley.

A reception was held from 3 to 5 p.m. Those assisting with serving were Mrs. Rhea Suprenant, Mrs. gift from her mystery pal.

Mrs. Raymond Colevria was a guest and became a member of the club. The June 27 meeting will be with Mrs. Melvin Brown of 143 S. Dearborn Ave. as hostess.

Bonfield Man Wed In Miami

Miss Jacqueline Cooper of Miami, Fla., and Sgt. Richard May were married June 2 at 4 p.m. in the Miami Methodist Church in a single ring ceremony.

The bridegroom is the son of Mr. and Mrs. Fred May of Bonfield.

For her wedding the bride wore a sheer blue dress and a corsage of white orchids.

Attendants were Mr. and Mrs. Harry Cooper, of Miami, brother and sister-in-law of the bride.

The couple will live in Miami while May is stationed there with the United States Marines. They plan to reside in Bonfield.

Hos. Earl Rogers Hosts To Members Of Beatrice Society

The Tuesday meeting of the Beatrice Society of the Reorganized Latter Day Saints Deseret Church was held at the home of Mrs. Earl D. Rogers of 1054 S. Fifth Ave.

Mrs. Harvey Grace, devotion chairman, featured a Bible, lamp and roses at her worship center. Women's leader, Mrs. Clinton Rogers of Deseret, gave the lesson with the aid of Mrs. Russell Rogers. Mrs. Ar. Shreffler of Deseret and the hostess assisted.

Mrs. Floyd West, soprano, sang "Somebody Did a Golden Deed" and "I Believe" accompanied by Mrs. Norman Pement of Bradley.

The society's 26-year-old member, Mrs. Cora Olson, was present. Guests were Mrs. John Webb of Bourbonnais, Mrs. William Bell of RR 1, Kankakee, Mrs. Mary Craver of Bradley, Mrs. E. L. Kent, Mrs. Elmer LeSage, Mrs. Silas Roby and Mrs. C. J. Spicer.

Refreshments were served by the hostess assisted by Mrs. Russell Rogers and Mrs. Gric.

A reception was held from 2 to 4 p.m.

THE BRIDE, given in marriage by her father, wore a gown of white Chantilly lace and nylon net underlaid with white satin.

The bridegroom was a graduate of Herscher High School and is employed as a secretary at Gould-National Bank.

Dolores Clark To Marry

BRADWOOD (JNS)—Announcement is being made by Mr. and Mrs. Clinton Clark of Bradwood of the approaching marriage of their daughter, Dolores Lucille, to Robert Sylvester Schaaf.

He is the son of Mr. and Mrs. Sylvester Schaaf of Custer Park.

The ceremony will take place June 30 at 2 p.m. in the First Presbyterian Church at Bradwood with the Rev. Robert L. Burns officiating.

A reception will be held from 7:30 p.m. to midnight in the Immaculate Conception Hall in Bradwood.

Miss Clark and her fiancé are graduates of Reed-Custer Township High School. She is employed at the Joliet Arsenal and Schall is affiliated with the Caterpillar Tractor Co. in Joliet.

Jolly Ettes Have Meeting In Home Of Miss Marie Woodrich

The Jolly Ettes met Tuesday at the home of Miss Marie Woodrich of 268 Hammes Ave.

Sewing was the diversion. A graduation theme was used for refreshment table decorations. Miniature diplomas served as place cards.

The hostess received a gift from Mrs. Harry Ahrens.

The group will meet with Mrs. Lawrence Sheehan of Crystal Springs June 19.

book at the reception which was held following the dinner. Mrs. Larsen served the cake. Mrs. Ken Hemp and Miss Margaret poured punch and Mrs. Bertha Mae Rabideau poured coffee.

For her going away ensemble the new Mrs. Papineau chose a navy blue sheath dress with white accessories and a pink corsage.

Upon their return from their honeymoon in Michigan the newlyweds will reside in Clifton.

A dinner was prepared at the Ashkum coliseum for families of the couple by Mr. and Mrs. Armand Nakas, Mr. and Mrs. Vernon Olson and Mrs. Cullen Larsen.

Miss Beverly Conrad and Miss Mary Carol Peterson, cousins of the bride, served the bride's table. Also assisting with the serving were the Mesdames Paterien, Mary Ellen Cleary, Joan Gahwiler, Rose Marie Fietz, Karen Hemp and Beverly Margaret. Miss Brenda Boule was in charge of the guest

Happy Hour Club Meets In Gilman

GILMAN (JNS)—Thirteen members and a guest, Mrs. LaVerne Rietz, responded to roll call at a meeting of the Happy Hour Club on Tuesday afternoon in the home of Mrs. Melvin Rietz.

Mrs. Ivan Condon, program chairman, read poems.

Refreshments were served by the hostess. The next meeting will be on June 20 at 2 p.m. in the country home of Mrs. Lamons Tammen.

Miss Louise Kraft will have charge of the program.

Double Celebration

Congratulations are in order from Bradley Village Board President Clarence Lock, left front, to Police Chief William Burgen, left seated. A get-together Thursday night was in double celebration of Burgen's being police chief for one year and for the pleasant fact that the village has had no fatal traffic accidents in one year.

Firemen Meet In S. Wilmington

SOUTH WILMINGTON (JNS)—The firemen met Tuesday with Fire Chief Albert Vito in charge. Twenty members were present. A report of the annual dance held Saturday evening was given.

Watseka Eastern Star Fetes Past Matrons, Patrons

WATSEKA (JNS)—Past Matron and Past Patron's Night was observed Monday evening in the Masonic Temple by the Order of the Eastern Star.

Fifty-eight members and guests attended. Mrs. Arthur Freidinger, worthy matron, presided.

During the memorial service, honoring deceased members, Mrs. Freidinger placed a basket of flowers at the altar as she read the names of the deceased. Mrs. Bernice Gilmore sang "In the Sweet By and By."

Guest officers were Mrs. Joseph Sever, worthy matron; Joseph Sever, worthy patron; Mrs. Arnold Gustafson, associate matron; John Pierce, associate patron; Hubert Clutter, secretary; Willard Richison, treasurer; Mrs. Harry Kenney, conductress; Mrs. Frank Hoke, associate conductress; Harry Kenney, chaplain; Mrs. Chester Langellier, marshal; Bessie Perry, organist; Mrs. John Rhodes, Adah; Mrs. Ed. Ringler, Ruth; Miss Madge Benjamin, Martha; Mrs. Hubert Kunkel, Elsie; Mrs. Bessie Brewer, warden; Chalmers Gilfen, sentinel; Russell Roberts, color bearer; Mrs. Stanley Trevo, soloist.

Indians Flop As 'Big 4' Fails

Muff Chance To Overtake Sagging Yanks

By THE ASSOCIATED PRESS
Cleveland's Indians are like the horse player who stayed up all night figuring the angles for a sure thing, then overslept and couldn't get his bet down when the race was over.

When the New York Yankees built their American League lead to 10 1/2 games with a hot 13-4 streak late last month, Manager Al Lopez and the Tribe shrugged it off. "It can't last," said the Indians. "They can't keep hitting like that. Their pitching isn't really that good."

The Tribe was right. The Yankees have won only five of 12 in June—the worst record of any club in the AL, including last place Washington. Cleveland, however, has won but eight of 15 in that stretch and has managed to trim New York's lead by a mere 1 1/2 games.

Pitching—Bob Lemon, Ernie Wynn, Herb Score and Mike Garcia—was to be Cleveland's trump card. But in the night game played in June, Lemon, Wynn and Garcia have a combined 3-5 mark, scored by a tummyache, worked only one game, and won 11.

LEMON'S BEEN the big loser, dropping three of four June decisions. He was whacked again Thursday for 11 hits and eight runs in four innings as the Red Sox outslugged the Tribe 10-3.

The Yankees, meanwhile, were taking the rubber match in a series with the second place White Sox 5-1 with Bob Grim tossing a four-hitter and Mickey Mantle hitting his 22nd home run—his first in—nine days.

No other games were scheduled in the AL as the Yanks, who open a road trip at Cleveland tonight, put their lead for five games with the Indians only five percentage points back of the White Sox.

Only one National League game was scheduled and the Milwaukee Braves closed their 15-game home stand with a 5-0 win by beating the New York Giants 5-0.

Jackie Jensen, who drove in four runs for the Red Sox, clipped Lemon for a three-run homer in the third.

DICK GERNERT—replacing Ted Williams, who had a cold—drove home three runs on three singles and batted the winning run home in the fifth off reliever Bud Dalrymple. Lemon hit a solo homer and Al Rosen batted in three runs as the Indians got 13 hits off winner Lee Frazier.

PHILLEY HIT a home run in the White Sox five games behind the league-leading Yankees. The Sox won 7-3 in the seventh inning, led by a home run by Philley. The Chicago first baseman, who is hitting .300, was called by the plate umpire, Charles Berry, in the sixth inning. Philley took a stance squarely on top of home plate with his back to Bob Grim, the Yankee pitcher.

Berry ordered Grim to throw and Philley returned to the bat. The Sox won 7-3 in the seventh inning, led by a home run by Philley. The Chicago first baseman, who is hitting .300, was called by the plate umpire, Charles Berry, in the sixth inning. Philley took a stance squarely on top of home plate with his back to Bob Grim, the Yankee pitcher.

White Sox Come Home Fighting Mad

CHICAGO (AP)—The Chicago White Sox, like many traveling men, came home from a trip today with a story to tell.

But this one has a familiar ring—they lost another to the New York Yankees.

The Yankees beat them Thursday 7-3 in the seventh Chicago loss in eight games against the New York Yankees. And in those games the Sox have compiled a total of 12 errors.

THE LATEST DEFEAT left the White Sox five games behind the league-leading Yankees. The Sox won 7-3 in the seventh inning, led by a home run by Philley. The Chicago first baseman, who is hitting .300, was called by the plate umpire, Charles Berry, in the sixth inning.

Philley took a stance squarely on top of home plate with his back to Bob Grim, the Yankee pitcher. Berry ordered Grim to throw and Philley returned to the bat. The Sox won 7-3 in the seventh inning, led by a home run by Philley.

Defending Champ Fires

Jack Fleck of Davenport, Ia., the defending champion, grimaces in concentration as he drives from the first tee of Oak Hill Club at Rochester, N.Y., Thursday in first round of the 1954 National Open. (AP Wirephoto)

ROCHESTER, N.Y. (AP)—Golf must be played according to the rules—but rules may be interpreted. That stand by the U. S. Golf Association resulted in probably the most hectic opening day in the history of the U. S. Open golf championship.

The leader today was Bob Rosburg, a round, bespectacled Stanford University graduate who looks about as much like a professional golfer as your maiden aunt. Rosburg, a terrific putter when he's hot, fired an early round of 34-34, two under par, over the Oak Hill Country Club course.

Next at even par 70 came Australia's two-time British Open champion Peter Thomson. Then there were a whole lot of players with 71's—including three former Open champions, Ed Furgot, Julius Boros and Cary Middlecott.

THREE OF GOLF'S most prominent players—Henry Cotton, Jackie Burke and Doug Ford—were threatened with disqualification at one time or another. Burke and Ford drew two strokes penalties and Cotton none.

Here's what happened: Cotton, three-time British Open champion, was charged with scoring a five for himself on the 17th hole when he actually took a six. Some observers thought he hit a putt twice. Cotton said it was only one.

USGA officials accepted the word of Cotton and his scorer and there was no penalty. A few minutes later Burke came in and admitted he had signed an incorrect card, which normally calls for disqualification. He had taken a bogey five on the 17th hole and his marker put down a four.

Later, when he learned a 75 instead of a 76 had been posted for him, Burke made the correction. The mistake was his, the committee decided to invoke a rule which permits modification of the disqualification penalty—something that never before had been done in the case of a scorecard error.

FORD'S MISTAKE may have been more costly. He dropped a new ball too quickly after seeing an iron shot splash into a creek at the 10th hole. Before he actually played it, the original ball was found on the far side of the water and Doug played out the hole with it.

The committee ruling was that the ball was "in play" as soon as Ford dropped it and the penalty was two strokes for removing it from play.

The two he got cost him second place, since he took 49 actual strokes. His official 71 put him in a tie with Furgot, Boros, Middlecott, Ernie Ball, Jay Hebert and Wesley Ellis. A lot of celebrated names were further down the list.

His 1954 football team at Gilman won the Wil-Ro-Ke Conference championship.

Redbirds Traded To Giants

These four Cardinals players take time out from their packing to pose before leaving to join the New York Giants, in the Cardinals' dressing room at St. Louis Thursday. They are (l-r) pitcher Dick Littlefield, catcher Bill Sarni, second baseman Red Schoendienst and rookie outfielder Jackie Brandt. They made up the Redbird end of a four-for-four trade which brought veteran Alvin Dark to St. Louis. (AP Wirephoto)

ST. LOUIS (AP)—Frank Lane, a perpetual motion machine on baseball's trading market, has the St. Louis Cardinals fans reeling with his latest deal.

The Redbird general manager, who has almost completely reshuffled the team's roster since taking over last October, swapped Red Schoendienst to the New York Giants Thursday in a four-for-four package that brought Alvin Dark to the Cards.

Newspaper switchboards were swamped with calls after the deal was announced, swamped with such questions as: "Who's he trying to do?" "What's he trying to do?" "During the spring, Lane talked of the future and the youngsters on the club. Now he's after the National League flag in 1956."

"I am concerned about 1956 and not the future," he said. "We couldn't win with our infield."

"WE ARE NOW finished as far as further deals are concerned," Lane said. "I am not going to trade anything more."

The newspaper said the talk had pitcher Willard Schmidt going to Red Wings in exchange for Red Schoendienst to the New York Giants. But Lane said he had no intention of trading Schmidt.

But a St. Louis newspaper reported there were recurring rumors something might be in the wind with Cincinnati before the trading deadline at midnight tonight.

Lehigh, Moose Stay Unbeaten In KV Softball

LEHIGH (AP)—The Lehigh Valley softball team went down to defeat Thursday night on the Blue-Grass field when Lehigh rallied for five runs in the last two innings to edge Tiny Tap 5-7.

The Moose, however, rang up their third straight victory by handily defeating the Lehigh Valley team in a row 13-0 on the same diamond. Moose and Lehigh now are co-leaders of the circuit with 3-0 records.

In the two games at Bird Park, Monmouth beat Co. A (National Guard) in a slugfest 10-1 and Lehigh won from the Young People's Club 7-2.

GEORGE HARDESTY's seventh inning home run was the margin of a 3-2 victory for Lehigh over the Moose in the third straight game.

Tiny Tap, thanks to three-run outbursts in the second and fourth innings, led 7-0 going into the sixth. The Moosemen got to Harry Tanner for three runs in the sixth to cut the gap to one run and then Hardesty's round-tripper won it in the final frame.

There were also home runs by Teske and Bauer of Lehigh and Regnier, Marzack and Tanner of Tiny Tap, all with none on base.

The switch—hitting Schoendienst, member of eight National League All-Star teams, will take over at second for New York with Daryl Spencer moving to shortstop. Sarni becomes the No. 1 catcher ahead of Wes Westrum.

Blasgame from short to second and Dark at shortstop. Lockman at first, Wally Moon, who has been on first, will move into center field. His natural position, Rookie Hal Smith takes over as top catcher.

Leathernecks, Cadets Win In Jr. A.L. Loop

LEATHERNECKS (AP)—The Leathernecks and Cadets were the only two undefeated teams in the Junior American Legion Baseball League today following victories for both in games Thursday.

The Cadets, with Jack Nelson striking the opposition to two hits, blanked Bradley 10-0 at Bradley while the Leathernecks rallied for two runs in the last half of the final frame to nudge the Middies 8-7 at Beckman Park.

It was the third straight triumph for the Leathernecks and the second for the Cadets.

The Leatherneck-Middle game was close all the way with never more than two runs separating the two. The Middies scored three times in the third inning to take a 3-1 lead and was ahead from then out until the Leathernecks got their two big runs in the seventh.

Kenny Palmerate's home run in the sixth with a mate aboard, edged third-place Good Battery 11-4 over Simoniz, to pick up a full game on the leaders.

Public Service's victory streak came to an end at six games Thursday night at Old Fair Park, when the league leaders went down to a 3-2 defeat administered by the Y.M.C.A. Industrial Softball League.

The victory left the Stovenem a mere half-length out of the lead. Public Service's defeat also ended the streak of 10 straight victories for the team.

Paul Tolizius and Francis Long each put their tee shots 7 feet 8 inches from the cup on No. 3 to tie for first prize in the accuracy department. Andy Tott's 27th yard drive on No. 1 won the driving contest.

Other winners: Harry Martin's 77-63 was the low net score for members and John Devine's 87-28-68 led the Peoria Handicap scores for guests.

Florence Deals P.S. 1st Loss In Industrial

FLORENCE (AP)—Florence dealt Public Service its first loss in the Y.M.C.A. Industrial Softball League Thursday night at Old Fair Park, when the league leaders went down to a 3-2 defeat administered by the Y.M.C.A. Industrial Softball League.

The victory left the Stovenem a mere half-length out of the lead. Public Service's defeat also ended the streak of 10 straight victories for the team.

Ahrens' 68 Leads KV Stag Golf

AHRENS (AP)—Three sub-par rounds marked the Ahrens' 68 in the KV Stag Golf Club Thursday.

The day's top score was a three-under-par 68 by Lt. Carl (Red) Ahrens, former St. Anne High and University of Illinois athlete now in the Army Air Force. Close behind a pair of 69s by Dave Williams and Wayne Huot.

Williams took low gross honors for members while Ahrens and Huot were one-two for guests. Bud Price's 73 won second low gross for members.

Fellow golfer got two of the losers' four hits.

Chuck Berry pitched and batted the Braves' 9-1 victory over the Cubs Thursday evening at Old Fair Park, the winners thus strengthening their grip on first place in the Elks Pony League.

Berry held the losers to four hits and got three himself, one a home run in the first inning, while the Braves lost in a heartbreaking attempt for its first victory in the third frame to overcome a 3-0 deficit. The Clothers, however, broke the deadlock with a run in the fourth and O'Reilly was able to hold the advantage the rest of the way.

Vanderwater's made eight hits off two Florence pitchers, Dave Garret and Darrel Lehnus. Chuck Duzak hammered out three hits.

Kroehler's Defects Legion 12-3

KROEHLER (AP)—Kroehler scored seven runs in the first inning and then went on to an easy 12-3 victory over the American Legion in the Bradley-Bourbonnais Little League game Thursday at the B-B Little League diamond.

It was the Furnituremen's second victory in six games and broke a deadlock between the two teams for last place in the four-team league.

Kroehler's made 11 hits including a home run by Peltier in the third with none on. Lepen made three hits for the winners. Peltier lost in a heartbreaking attempt for its first victory in the third frame to overcome a 3-0 deficit. The Clothers, however, broke the deadlock with a run in the fourth and O'Reilly was able to hold the advantage the rest of the way.

Vanderwater's made eight hits off two Florence pitchers, Dave Garret and Darrel Lehnus. Chuck Duzak hammered out three hits.

Florence's Lions League Lead Cut

FLORENCE (AP)—Florence's lead in the Lions Little League was cut to one game Thursday evening at Little League diamond when Vanderwater's handed the Stovenem their second setback in eight games 4-3.

In the other game, McCarthy Tractor lost in a heartbreaking attempt for its first victory in the third frame to overcome a 3-0 deficit. The Clothers, however, broke the deadlock with a run in the fourth and O'Reilly was able to hold the advantage the rest of the way.

Vanderwater's made eight hits off two Florence pitchers, Dave Garret and Darrel Lehnus. Chuck Duzak hammered out three hits.

Sox-Yankees Box Score

CHICAGO (AP)—The Chicago White Sox won 7-3 in the seventh Chicago loss in eight games against the New York Yankees. And in those games the Sox have compiled a total of 12 errors.

THE LATEST DEFEAT left the White Sox five games behind the league-leading Yankees. The Sox won 7-3 in the seventh inning, led by a home run by Philley. The Chicago first baseman, who is hitting .300, was called by the plate umpire, Charles Berry, in the sixth inning.

Philley took a stance squarely on top of home plate with his back to Bob Grim, the Yankee pitcher. Berry ordered Grim to throw and Philley returned to the bat. The Sox won 7-3 in the seventh inning, led by a home run by Philley.

Doctors Suggest Ways To Cut Crash Toll

CHICAGO — An eye specialist today issued a warning that the "hazard of the first magnitude" in driving is the driver himself. "All basic optical principles have been completely ignored in this windshield design," said Dr. DuPont, an ophthalmologist at the Medical College of Virginia, Richmond, Va.

He said that could cause driver fatigue that might indirectly result in accidents, and called them "the most blatant example" of "allowing style and so-called beauty of design to supersede safety and function."

Dr. GURNEY said the windows distort vision from a prismatic effect, increase glare by the way light is focused, and create double vision and ghost images. Chrome trimmings exaggerate the problem, he said.

He was one of 11 physicians discussing medical aspects of highway accidents and means to reduce deaths and injuries, at the close of the American Medical Association's 16th annual meeting.

Highway accidents are a medical problem because they kill some 35,000 persons a year and injure another 14 million, the physicians said.

Highlights of their suggestions of methods to reduce the toll:

A committee of eye experts should evolve uniform eye tests for drivers' licenses, because the various state tests now are "a hodgepodge." This committee could consult auto makers on visibility designs. The auto makers "are at last becoming safety conscious," Dr. Gurney.

People eventually should be willing to agree to periodic medical check-ups to keep their drivers' licenses—Dr. Seward Miller, U.S. Public Health Service, Washington, D.C.

AUTOS SHOULD be designed around the human driver, "with instruments and controls considered as extensions of his nervous system and body appendages," rather than sitting him in it "without due regard for his requirements and capabilities," said Dr. Ross McFarland, Harvard School of Public Health, Boston.

Any controls unnecessarily hard to reach and operate, instruments difficult to read, seats inducing poor posture, or any unnecessary obstruction to vision may contribute to accidents, or increase fatigue, Dr. McFarland said.

But human error is very important, he said, for a "major driver as he lives." More study is needed to learn why some people have more than their share of accidents. Needed too is better training of young drivers.

MEDICAL MEN can help gather data on what causes injury and death in auto accidents, and how to find safety. Safety belts and body harnesses are needed to complete factual engineering answers—Dr. Jacob could help prevent injuries and knowledge about them. "Death Kulowski, orthopedist, Saint Joseph's Hospital, Philadelphia, has been drastically reduced the death rate per millions of miles driven since 1933. Speed and collisions from behind, Dr. Wood-Dr. Harold Elliott, McGill University, Montreal, neurosurgeon in deaths and injuries, said Dr. Fletcher D. Woodward, Charlottesville, Va.

Admit H-Bomb 4 Miles Short Of Target

Report Error Was In Manipulation Of Equipment

WASHINGTON — Secretary of Air Quarries said Saturday that "due to human error" the H-bomb dropped by a B-52 at Bikini last month burst "somewhat less than four miles short of the planned position."

In a brief statement answering inquiries about the missing of the target in the live H-bomb, Quarries said:

"The error was in the manipulation of the bomb's altitude and did not involve malfunction of the aircraft or any of the equipment that it carried."

Quarries was asked by a newsmen if the marginal error would have been serious under actual combat conditions. He replied laconically, "The arithmetic is pretty obvious."

HE REFERRED to the fact that the area of total or major destruction by an air burst of an H-bomb of about 10 megatons—the equivalent of energy yielded in the atomic energy plant in ordinary TNT—is estimated at about 12 miles.

He said the fact that the bomb detonated at an air point some what less than four miles from the intended point of burst did not have any effect on the scientific recordings of the explosion, but it "did not have a serious effect on the overall experiment."

HE EXPLAINED that in this particular test the recording instruments were set up for a "broad scale coverage."

Quarries' explanation that human error was at fault was similar to a statement earlier by Brig. Gen. Robert L. Scott Jr., Air Force director of information. He said, however, that the plane missed the target about two miles.

Cool Air Pushing Into Northwest

Masses of cool air pushed into northern and western sections of the nation Saturday, bringing relief to the heat and humidity of the previous days.

In Kankakee, the mercury dropped to a cool 66 degrees at the airport weather station early Saturday morning. And the cool air mass managed to give Kankakee its second consecutive below-90 degree day. The high Saturday was 89.

The Weather Bureau forecasts partly cloudy and continued warm and humid through Monday. Scattered afternoon and evening thunderstorms are likely. High tonight will be in the middle 80s and low tonight, near 70.

Winds will be mostly south to southeast 5-12 miles an hour and gusty in the afternoon and evening.

There were scattered showers over western Washington and Oregon, but none over Montana, Idaho and in the eastern half of the nation. Some of the heaviest rains were measured at Mobile, Ala., where 1.65 inches fell in a six-hour period, and at Pensacola, Fla., where three-fourths of an inch was recorded in less than four hours.

Shoulders Serves Term For Perjury

SPRINGFIELD, Mo., — Louis "Red" Williams, a controversial figure in the 1950-6000 ransom case, was sentenced to a year in prison Saturday for perjury.

Williams was charged with lying about his involvement in the case. He was found guilty of perjury after a trial that lasted several days.

The 57-year-old former St. Louis police lieutenant, who was charged with helping to kidnap a woman, was sentenced to a year in prison for perjury.

Williams was charged with lying about his involvement in the case. He was found guilty of perjury after a trial that lasted several days.

Stratton Heads Illinois GOP Delegation

SPRINGFIELD (UP) — Gov. William G. Stratton, a strong backer of President Eisenhower, was named chairman of Illinois' 60-vote delegation to the Republican national convention.

An organization meeting of the delegation did not adopt any resolution endorsing Mr. Eisenhower for Vice President Richard M. Nixon for re-election.

But Stratton said even before the meeting he was in favor of re-election for Mr. Eisenhower.

Wayne Brooks, Chicago, and Mrs. Wesley Dixon, Lake Forest, were selected national committeewomen and national committeemen.

U. S. Sen. Everett M. Dirksen, who is a candidate for re-election, and Mrs. Anthony Ols, Chicago, were named as Illinois' representatives on the Convention Platform Committee.

Dirksen also was named vice chairman of the convention delegation. State GOP Chairman Morton H. Hollingsworth, who by virtue of that position is also on the national committee, was named delegation secretary.

Brooks was named to the convention Credentials Committee. Omar Poon, Millersburg, was named to the Committee on Permanent Organization and State Sen. Arthur J. Bidwell, River Forest, was named to the Convention Rules Committee.

Of a total of 59 delegates and 30 alternates, 45 delegates and 30 alternates were present at the meeting.

New Soviet Foreign Minister In Cairo

CAIRO, Egypt — Bushy-haired Dmitri Shepilov, the strapping new Soviet foreign minister, flew into Cairo Saturday for the obvious purpose of driving new bargains in the Middle East.

Shepilov, who is credited with initiating the deal last year by which Egypt traded cotton for Czech arms, arrived with his beautiful brunette daughter and a party of Soviet officials as Moscow announced official diplomatic recognition of Morocco and Tunisia.

EGYPT HAS OPENLY taken under her wing the nationalist movements which have won almost complete independence for the two North African states from France, and Moscow has encouraged the movements as a part of its "anti-colonial campaign."

The timing of the recognition of the two states appeared to be part of the anti-colonial campaign. Soviet campaign to win the nations of the Middle East, Asia and the Arab world.

Lightning Kills Boy Scout At Retreat

CHESTER, Pa. — Lightning struck a Boy Scout camp here shortly after dawn Saturday, killing a 11-year-old youngster and injuring seven others slightly.

The bolt blasted a tree in the middle of Camp Mulhearn, a Catholic retreat in suburban Chester Heights where some 2,000 Cub Scouts, Boy Scouts and Explorer Scouts had spent the night.

The lightning sprang from the tree and set fire to a tent. Joseph Simpson, 11, of Stonehurst, was fatally burned.

Nab 3 Desperadoes After 2-State Chase

SENTEING of the slayer of a Herscher area farm couple has caused no change in his complacency and no show of emotion, characteristics which have been apparent since he was taken into custody on May 23.

Lester Lee Deffenbaugh, 35, of Lacon, will be transferred from the Iroquois County Jail at Watseka, probably sometime this week, to a Youth Commission facility at the State Penitentiary at Joliet.

The boy will begin a 30-year sentence there and will be transferred to prison when he reaches adulthood at the age of 21.

Described as a quiet prisoner "who caused no trouble" by authorities at the office of Iroquois County Sheriff Merle T. Wilmoth, Deffenbaugh has never shown a sign of emotion since the time of his capture.

Between the time he is transferred from jail to the penitentiary Deffenbaugh will likely be processed through the St. Charles State School for Boys from where he was paroled to go live with the couple he shot and killed.

Deffenbaugh Expected To Begin 30-Year Sentence This Week

ROQUOIS CIRCUIT Court Judge Roscoe C. South sentenced Deffenbaugh to serve two 30-year terms for the murder of Stanley Jensen, 24, and his 25-year-old wife, Marie, on May 23 on the couple's farm residence six miles south of Herscher, in Mills Township.

The sentence came at 2:10 p.m. climaxed a court hearing during which Deffenbaugh made a plea of guilty to both murders.

The defense, upon conferring with parents of the boy, Mr. and Mrs. John Deffenbaugh, had requested a 10-year sentence. The judge said he was not prepared to grant the plea and was granted a request for evidence of mitigation and aggravation.

The sentence was recommended by State's Attorney David E. Oram when he presented his case. Oram referred to "mitigation testimony" stating that it "hardly justified" the act. "We must think of the principle, important and necessary fact that the defendant did shoot and kill Mr. and Mrs. Stanley Jensen."

1956 To Be Biggest Year, Says U.S. C Of C

WASHINGTON — After weighing fresh reports from 15 industry sources, the chief economist of the U. S. Chamber of Commerce today predicted that 1956 will be the biggest year and "this prosperity ought to carry over into 1957."

Dr. Emerson P. Schmidt said that the business outlook for 1956 was "the best in many years."

He related the incident of Lester's running away from the Jensen farm in 1954 and telephoning his parents from Decatur. He testified that when he was brought home his body was covered with welts and bruises. She said the matter was reported to the local welfare agency, and that Lester was surrendered to authorities who returned him to the Jensen farm.

He testified that when he was brought home his body was covered with welts and bruises. She said the matter was reported to the local welfare agency, and that Lester was surrendered to authorities who returned him to the Jensen farm.

Bomb Kills American In Cyprus

WASHINGTON (UP) — The State Department was notified today that Vice Consul William Butler was killed by terrorist's bombs in a restaurant at Nicosia during the day.

NICOSIA, Cyprus — Two bombs were thrown into a downtown restaurant Saturday night killing one American and wounding six others. All seven were employees of the U. S. Consular Service in Nicosia.

The bombs exploded in the Little Soho restaurant.

U.S. Consul Ray Courtney declared to identify the death man of the wounded.

He said the six wounded apparently were not in a serious condition and were being treated in a hospital.

THE AMERICAN'S death was the first in the year of violence marking the union-with-Greece campaign in this British crown colony.

Three Americans were wounded last December when a bomb was thrown into a restaurant in a similar manner.

The Little Soho restaurant in the old walled area of this capital is a favorite haunt of Americans in Cyprus.

Precautions always have been taken in this British crown colony, said a member of the Committee, against attacks by EOKA, the underground organization demanding union with Greece.

Windows are covered with wire mesh to stop missiles. The door is locked floor tight.

Foreign Aid Bill Bogged Down In Senate Committee

WASHINGTON (UP) — The Senate Foreign Relations Committee bogged down Saturday on minor amendments to the foreign aid bill and delayed until Monday a final vote on its \$4,500,000,000 measure.

The \$4,500,000,000 price tag represents a slash by the committee of \$400,000,000 from President Eisenhower's original request for \$4,900,000,000 and a restoration of \$700,000,000 of the \$1,100,000,000 cut imposed by the House.

The biggest increase was an additional \$600,000,000 for military aid, which the House cut by \$1,000,000,000.

Sen. John J. Sparkman (D-Ala.) a member of the Committee, said the Senate's "pretty good" job for the Senate relating the \$4,500,000,000 in military aid. But he said opponents said "the measure would increase the aid to \$4,900,000,000."

West Invited To Witness Russian Troop Withdrawal

BERLIN (UP) — The Russian Foreign Ministry invited Allied chiefs of staff in West Germany Saturday to attend the withdrawal of 25,000 Soviet troops from East Germany.

At Heidelberg, a U. S. Army spokesman said "the measure would increase the aid to \$4,900,000,000."
