## Twining Report Fails To Settle Air Power Squabble

WASHINGTON — Gov. Nathan F. Twining's estimate that this country is ahead of Soviet Russia in the quality of its airpower and can stay ahead seemed unlikely today to still administration critics.

### Seek Entries For Blue Ribbon Revue

MILFORD — Entries are being sought for the Third Annual Blue Ribbon Revue to be held in conjunction with the Iroquois County Fair which will be staged July 31-Aug. 3 in Milford.

The revue is a series of variety programs designed to pick out the top amateur entertainers in the area. The revue will be staged each night of the fair with preliminary competition scheduled for the first three nights and the finals on the last night.

James Miller of Waukegan, who organizes and emceeds the programs, said today that prizes this year will again be \$100 for first place, \$50 for second and \$25 for third.

Fair-goers will see about 30 different acts with 10 scheduled for each night. The top entries will be chosen each evening for the final round the last night of the fair.

The entries for the revue will be chosen in two try-outs at Milford High School gymnasium. Miller said that the first try-out will be from 2 to 4 p. m. Sunday, July 29, and the second from 2 to 4 p. m. on Sunday, July 30. He pointed out that anyone interested in trying out should appear on one of the two days.

Among the acts being sought are baton twirlers, dancers, pantheists, comedy acts, ventriloquists, acrobats, vocal and instrumental soloists and vocal and instrumental trios and quartets.

Miller pointed out that the contest is open to amateurs from Iroquois County and surrounding counties.

The revue has become such a success at the fair that it has taken over the evening program spot at the annual attraction. Last year from 2,500 to 3,000 persons attended each night of the revue.

## Nasser Stand Delays U.S. Loan To Egypt

WASHINGTON — The United States has decided to re-examine its offer to help Egypt build the world's biggest dam on the Nile River.

The loan-grant deal was proposed to Egypt last December. The review by the State Department demonstrates serious American concern over what diplomats refer to as the increasingly anti-Western and pro-Russian policies of President Gamal Abdel Nasser's government.

As evidence of its tougher attitude, the State Department has notified Egypt that foreign aid grants previously earmarked to help Egypt begin its \$1,300,000,000 Aswan Dam project have now been allocated to other foreign aid programs considered to be of higher priority.

NO MONEY will be available for Egypt until Congress approves the bill reducing aid grants to \$100 million.

There is no dispute about our being ahead today in airpower," Jackson said. "The United States is how we will stack up in 1958, 1959 and 1960."

Jackson said the subcommittee wants Twining to "spit out what he has been recommended for the Air Force to stay ahead of the Soviets in the next several years."

Twining said at Gettysburg the Soviets may have more jet aircraft than this country, but in modern "modern" planes, and that the two powers are about equal in numbers when Navy, Marine and Coast Guard aircraft are counted along with those of the Air Force. He repeated his view that the Soviets have "a very competent, well equipped air force."

Twining described his trip as profitable, although he said he was carefully shepherded by the Russians, and that he assumed Soviet air leaders will be invited here.

The U.S. air rail industry has 24 million customers.

Gas Strike Hits Kitchen

Mr. and Mrs. Roy Stockman, among an estimated 18,000 residents affected by a strike against the Laclede Gas Co., which has disrupted natural gas service, use a waffle iron to prepare a meal in their St. Louis apartment. The utility was seized Thursday by the state under a state law prohibiting strikes in public utilities, but defiant union employees refused to return to work. (AP Wirephoto)

### Escapes Prison The Hard Way

BALTIMORE — Doyle Delmar Royal, serving 20 years for holding up a mail train and a car, escaped from the Maryland Penitentiary the hard way.

The 21-year-old prisoner slipped away from a work detail and climbed 60 feet up a rain spout when it evidently broke. He fell to a macadam roadway and ended up in University Hospital with two broken legs, a fractured jaw and possible head and internal injuries.

WARRIORS RETURN TO JOBS

ALGIERS, Algeria — Moslem strikers were back to work today after a 24-hour general strike. They claimed the walkout, called by nationalist rebels, was 90 per cent effective.

WAR CRIMINALS PAROLED

TOKYO — Thirty-five Japanese war criminals, recently paroled by the Netherlands, were released today from Sugamo Prison.

### Texas Trio Hurt In Auto Mishap Near Forrest

FORREST (JNS) — Mrs. Virginia L. Baker, 26, of Texas overturned her car Tuesday afternoon on Route 24, a mile east of Forrest.

She was attempting to pass a car, travelling west, when she got off on the shoulder and overturned. Her sons, Matthew, 4, and Christopher, 2½, were in the car with her and were thrown into a nearby cornfield. All three were treated at a Forrest doctor's office for minor injuries.

Count Your Savings

Here's real economy for you — one coat is all you'll need for complete coverage — over old paint in good condition or on new primed wood. Long lasting too — because it is self cleaning under normal exposure.

Business Booms Now In Flatlands

BALTIMORE — When the rain comes, the business booms in the flatlands of Maryland. The rain comes, the business booms. The rain comes, the business booms.

THE EISENHOWER MESSAGE

Matthew J. Connelly, White House appointments secretary to President Eisenhower, said today that the President's message to Congress was "a very strong statement of the President's confidence that the United States would support the Nationalists in the Communist attack on the offshore islands of Quemoy and Matsu."

THE TWO MEN

Two men were scheduled to be sentenced by Judge J. Edgar Ward today in the same date motions for a new trial are to be heard.

THE DEATH OF JUDGE HULE

The death of Judge Hule is a question whether the judge who had not heard the trial could pass sentence on Caudle and Connelly.

IN WASHINGTON, the justice department, which directed the prosecution, declined to make any immediate comment on the situation.

SOME TOP WASHINGTON LEGAL authorities said, however, that there are legal precedents for continuing a trial by a judge other than the one who presided at the trial.

JUDGE HULE was found by a Negro gardener, Ivory Robertson, who told officers that he had been looking for a job with a 32 caliber revolver near his left foot.

Robertson said he thought nothing about the shot after hearing the judge's car pull up. He said he was looking for a job with a 32 caliber revolver near his left foot.

He was appointed a district judge for the eastern district of Missouri in July, 1942, and has served as a lecturer on federal jurisprudence and procedure at Washington University since coming to St. Louis.

## President Pledges Continued Support To Chiang Kai-shek

TAIPEI, Formosa, Sunday — Vice President Richard Nixon, arriving here for a Sunday breakfast with Generalissimo Chiang Kai-shek, brought a letter from President Eisenhower assuring the Chinese Nationalists of steadfast American support.

Expressing "admiration for your unyielding stand against communism," the message told Chiang "that there be no misapprehension about our own steadfastness in continuing to support the Republic of China."

"International communism alters its tactics from time to time but we have as yet no evidence of any change in its objectives," Eisenhower added. "The American people and government realize this."

THE MESSAGE SET a happy mood for the after-breakfast talk with Chiang and Nixon had scheduled. The letter was handed to Chiang personally by Nixon immediately after his arrival late Friday night at the Generalissimo's Grace Mountains retreat.

The party left immediately by car for Chiang's summer home. Groups of people were gathered in the street to watch the couple's departure. Nixon was seen to depart for Bangkok, Thailand, following an after-breakfast talk with the generalissimo.

THE EISENHOWER MESSAGE was seen here as an encouraging Chiang's scornful rejection of Peking's recent offer to negotiate the "peaceful liberation" of Formosa.

It seemed bound, too, to bolster Taipei's confidence that the United States would support the Nationalists in the Communist attack on the offshore islands of Quemoy and Matsu.

Students from 11 schools are among the 210 enrolled in one class at Kankakee's first summer school. Classes are sponsored on a self-sustaining basis, enabling students from parochial schools and schools outside Kankakee district to attend. The additional enrollment also makes it possible to sponsor classes that would not otherwise be available. In photo, Richard Dill, seated, a summer visitor from Norfolk, Va., gets good-natured help from some classmates. Standing, from left, are Pat Mathews, St. Patrick's Central High School; Joanne Smith of Cheassee Central High School; Roger Barwegen, Bradley; John Ennen, Crescent City; Rosemary Link, St. Joseph's Seminary; and Sue Small from Kankakee High School, which has the largest number of participants. Class also includes a student from Crete-Monee, Herscher, and Osgoda and Marion Military academy. Dill, whose father is in the Navy stationed in Guatemala, is visiting his grandparents, Mr. and Mrs. Ray Dill Sr., 247 S. Blaine Ave., Bradley, this summer. (Journal photo)

## Summer School Session Popular; 210 Are Enrolled

Interest and attendance in Kankakee's first summer school experiment has held up very well according to Edwin Pearson, director of the six-week summer session of District 11. Approximately 210 students are enrolled in the summer courses, which end July 20. The school is sponsored on a self-sustaining basis with a tuition fee of \$15 for each course. Teachers also are pleased with the students' attitude and work when they try to cover a full semester's work in six weeks it definitely means work for the pupils, they point out. POSSIBLY ONE reason for the splendid attitude is the fact that everyone attending the summer classes is there from choice. When the 8 a.m. starting time arrives they're in their seats ready to start work. Many students are taking the classes to study more subjects during their four years in high school. Others want the courses for background material, while a minor number are taking the courses for fun. At the grade school level, pupils are concentrating on reading and mathematics. The instructors are regularly-accredited teachers, and courses may be taken for credit with permission of the youngster's regular school principal. A good example of one of the high school courses is the mathematics group taught by Miss Mildred Hopkins, a regular member of the Kankakee High School faculty. The class started out with 11 members, but now has an enrollment of 22 students from 11 different schools. Within the one class are students studying three separate math courses. ONE FROM Crescent City is taking additional mathematics in preparation for entering an engineering course at Purdue University this fall.

## Find Girl's Slayer Committed Suicide

POTOSI, Mo. (U. P.) — Della Mae Miller, 18, had a dancing date with someone else the night of July 4, but an admirer, Donald Marceal, 24, asked to take her home. She refused. A shotgun blast rang out shortly afterward and Miss Miller fell dead. Police summoned to the scene began a hunt for Marceal which ended Friday. He was found dead in a wooded area by state troopers. He had used a shotgun to kill himself, they said.

## Simon To Attend TB Orientation Event, Springfield

Leonard Simon, executive director of the Kankakee County Tuberculosis Association, will begin a two-week orientation session Monday with the Illinois TB Association in Springfield. He will visit a number of local divisions and bureaus of the stage group during the week of July 9. The following week Simon will observe activities in a different county association each day in Champaign, Macon, Adams, Peoria and LaSalle counties. On his return, Simon plans to visit the townships in Kankakee County to name local chairmen for the 1956 Christmas seal campaign.

## Legion Auxiliary, Chatsworth, To Meet For Supper

CHATSORTH (JNS) — The American Legion Auxiliary will hold a basket supper in the village park Monday at 6:45 p.m. In case of rain, the supper will be held in the Legion Hall. The social committee includes Mrs. Norma Diller, Mrs. Joan Diller, Mrs. Gladys Sloan and Mrs. Mildred Diller.

JOE WHITTIER and Fred Endres purchased a 40 acre farm, northeast of Chatsworth, from Mrs. H. H. Hays. They will get possession about Nov. 1. The Whittiers will move at that time. Mrs. Hays plans to take a vacation trip to the West Coast and probably will locate in Bloomington, where she has bought a house. The Rev. and Mrs. Willard Huels and family left Friday for a two-week vacation. They plan to visit in the home of Mr. and Mrs. Harold Bracerville at Danville, to visit Chicago, and spend several days at Cedar Lake, Ind.

## Gilman Family Visits Coast

GILMAN (JNS) — Mr. and Mrs. Jess Ford and daughter returned home after a vacation trip to California. They visited Mrs. Ford's parents, Mr. and Mrs. William Thompson at Corona and her son Roger Schriener and family at Redondo Beach. Mrs. NANCY Bradshaw was summoned to Bakersfield, Calif., because of the sudden death of her father, Henry Hagood. Mr. and Mrs. Thomas Caldwell of Elgin, Ariz., are visiting Mr. and Mrs. Henry Koenig and Mr. and Mrs. Ralph Caldwell at Cisca Park. Mrs. Jack Ryan and grandson, Billy Poppie, are sightseeing in New York City.

For an Englishman a dump truck is a tipper.

## Wesleyan Guild Of S. Wilmington Holds Session

SOUTH WILMINGTON (JNS) — Mrs. Donald Simms entertained the Wesleyan Guild in her home Thursday evening. Mrs. Simms, president, conducted the business meeting. Mrs. Otis Phillips led devotion. Mrs. T. W. Biehl, who attended the missions school in Bloomington, gave a report. A social period followed the meeting. Games formed the diversion. Awards went to Mrs. Don Horton, Brent Kieke, Karen Lowry, Kay Lowry, Melody Kruse, Jackie Finch, Sandra Brown, Virginia Dunn, Margy Pfeiffer, Cheryl Kanne, Joan Maier, La Joy Kruse, Carolyn Hammen and Patti Kanne. The hostess served refreshments. Mr. and Mrs. Alfred Muzzarelli and son, John, visited relatives in Clinton and Diverson on Thursday.

## Dwight Students Present Recital

DWIGHT (JNS) — Mrs. Clara Jensen presented a piano student recital Tuesday evening in her home. She was assisted by Mrs. Marie Sandeno, Mrs. Paul Kruse and Miss Carol Jorgensen. Children taking part in the recital were Evelyn Partidge, Karen Kohrt, Barbara Marcelli, Peggy Wilkinson, Leinani Burkhardt, Donna Landreth, Carol Ogg, Gerry Weaver, Jim Weaver, Sandra Brown, Don Groll, Glenda Partidge, Linda Eddington, Kathy Sandeno, Marilyn McConnell, Rita Horton, Brent Kieke, Karen Lowry, Kay Lowry, Melody Kruse, Jackie Finch, Sandra Brown, Virginia Dunn, Margy Pfeiffer, Cheryl Kanne, Joan Maier, La Joy Kruse, Carolyn Hammen and Patti Kanne. Americans drink an average of 154.2 bottles of soft drinks a year.

**Kankakee History**  
STREET CAR NOTES  
By HAROLD W. SIMMONS

Occupying the front page of each issue of the weekly Kankakee Journal for the year 1951 was to be found a column of varied length entitled, "Street Car Notes. Items of passing interest from Car, Track and Barn."

July 16—"The exact length of the street car track in Kankakee is 8.19 miles."

"If there are not a large and varied crop of sprung axles, twisted felloes and busted spokes in town this season it will not be the fault of the driver. The pay and blame manner in which men, women and children drive in and out of the street cars makes the wagon load men laugh in their sleep."

July 23—"The first nickel dropped into the street car fare-box was placed there by Knecht & Co's kutter, Mr. Goebel."

July 30—"Manager Cobb has kindly instructed the motormen not to sound their horns while passing the churches on Sunday during hours of service."

Aug. 20—"The country teams do not seem to be frightened at the street cars with their horns. Probably a country horse makes up his mind before he starts that he will see all sorts of strange sights after he gets to town."

Sept. 3—"If you are living on one of the lines of the electric street railway and have a habit of sprinkling your street in front of your home don't get funny and turn the stream on the trolley unless you want to get badly shocked. Water is a fine conductor and the stream establishes connection with the power house. The shock will kill you, of course, but it will shake your liver up in a lively manner."

Sept. 17—"The street cars carried several thousand passengers during the fair. One conductor rang up 87 fares on one car." (Note: a car was supposed to carry in comfort about 20 passengers.)

"The Gazette at various times had cautioned Kankakeans to be careful and avoid contact with the trolley wires. They were something new to the citizens, many of whom did not realize what might happen when coming in contact with a live wire, and consequently were a bit careless. The first casualty involved a delivery horse bawling up his way from the street and dropping helplessly across the street. The newspaper devoted about three-quarters of a column in reporting the accident and said in part—

Oct. 6—"When one of the South side cars passed down Court street Friday afternoon the trolley in all probability caught a low-hanging telephone wire and pulled it into the street, letting it fall into the street. The delivery horse ran against it and dropped helplessly across the street. A puff of blue smoke came from the body and the smell of burning hair and flesh was strong."

"The delivery boy jumped from his seat and was about to catch hold of the wire but was yanked at it alone by R. D. Sherman who realized that it might mean death to the boy as well as to the horse. It did not take long for a crowd to gather, and as this was the first serious accident which had occurred since the introduction of electric wires in our streets there was a good deal of awe and superstitious excitement visible."

"Manager Hatch of the telephone company was on the streets at the time and wrapping his hand in a handkerchief, used his pliers to remove the piece which hung across the trolley wire, burning his hand slightly in doing so."

"No man after witnessing the suddenness with which the horse was killed would venture to touch much money for the own safety than contact with a live wire."

"The accident was one for which the conductor of the car could be blamed. The trolley wheel had jumped off the wire, allowing the pole to stand straight in the air. There is sufficient down grade on Court street to enable a car going west to run without power most of the way, consequently there was no slackening of speed and the motorman did not know the wheel was off."

"Mr. Hatch thinks if the horse had been pulled off the wire at once the live wire would have been cut by the continued shock and burning which killed it and not the first contact."

"Hiram Whittemore, to whom the horse belonged, will commence suit for damages. Both the street car and telephone companies disclaim responsibility and decline to settle."

Dec. 3—"The electric heaters will be abandoned for the present, the carrying capacity of the trolley wire being insufficient to supply the heaters and the heaters in the name. Stoves will be put into the cars and patrons will soon have no further cause for complaint on the score of heat."

## Auto Wrecked

Four persons apparently escaped without serious injury Friday afternoon when the auto in which they were riding was wrecked on the blacktop road north of the Florence Store Co.

The driver of the car, Robert J. Braut, 26, R.R. Kankakee, apparently lost control. The car plunged into a ditch and turned over on end. It was listed as a total wreck.

Riding in the car were Wanda Hazzard, 19, R.1 Bonfield, John McClure, 50, 3rd Ave., and Arthur E. Kline, 20, Wisconsin. None were hospitalized.

## Allot Motor Fuel Funds To Counties

Illinois counties have been allotted \$2,725,670 as their net share of motor fuel taxes paid into the state treasury during June, according to the State Finance Department.

The allotments included Kankakee County, \$23,240; Iroquois, \$13,435; Ford, \$6,880; Livingston, \$16,477; Grundy, \$7,789; and Will, \$59,791.

## FSW Advertisers For School Bids

FORREST (JNS) — The Forrest-Stewart-Wing unit last week advertised for bids on the construction of a new elementary school building in Forrest.

Bids for the new construction, which will include an addition to a present building, will be opened Friday, according to A. H. Tomlinson, superintendent.

MR. and MRS. Carl Kyburz and children of Detroit, Mich., came Thursday to visit Mrs. Elizabeth Hoke of Wins.

Cyril Allen is a surgical patient in Fairbury Hospital.

# Sennett Gives Views On Today's Movies

HOLLYWOOD — As he takes his daily walk down Hollywood Boulevard, the white-haired man with the crew cut and spy-glass is seldom recognized as a living legend from the filmland past.

He is Mack Sennett, the big, gruff Irishman who contributed more to American laughter than anyone on the screen such as Charlie Chaplin, Marie Dressler, Wallace Berry, Buster Keaton, Gloria Swanson, Harry Langdon, Weber and Fields, Harold Lloyd, W. C. Fields, Bing Crosby, etc.

Oh, it's hard work! We keep at it all morning, then in the afternoon I take a walk or play golf."

HE KEEPS UP with the current movies, and he has some strong views about today's film fare.

"Nearly everything you see in pictures today is raw, violence or rape," he remarked. "I think that's why people don't go to the movies as much. They are conscious of the cold war. They see violence every time they pick up a newspaper. They hear it on the radio and see it on TV. Why would they want to go to a movie for it?"

Like many a pioneer of the silent screen, he feels that movies make a mistake by talking too much.

"When you see a bolt of lightning, you get the impression right away," he observed. "Seconds later, you hear the crash. That's the visual effect that means the most. The trouble with pictures is that they talk the characters sit in chairs and talk."

"I usually get up at 6," he remarked as he lounged in the chair. "I am in the studio by 7. I have my secretary come in and we start writing. For a long time I've been working on a novel which I call 'Don't Step on My Dreams.'"

"The Gazette at various times had cautioned Kankakeans to be careful and avoid contact with the trolley wires. They were something new to the citizens, many of whom did not realize what might happen when coming in contact with a live wire, and consequently were a bit careless. The first casualty involved a delivery horse bawling up his way from the street and dropping helplessly across the street. The newspaper devoted about three-quarters of a column in reporting the accident and said in part—

Oct. 6—"When one of the South side cars passed down Court street Friday afternoon the trolley in all probability caught a low-hanging telephone wire and pulled it into the street, letting it fall into the street. The delivery horse ran against it and dropped helplessly across the street. A puff of blue smoke came from the body and the smell of burning hair and flesh was strong."

"The delivery boy jumped from his seat and was about to catch hold of the wire but was yanked at it alone by R. D. Sherman who realized that it might mean death to the boy as well as to the horse. It did not take long for a crowd to gather, and as this was the first serious accident which had occurred since the introduction of electric wires in our streets there was a good deal of awe and superstitious excitement visible."

"Manager Hatch of the telephone company was on the streets at the time and wrapping his hand in a handkerchief, used his pliers to remove the piece which hung across the trolley wire, burning his hand slightly in doing so."

"No man after witnessing the suddenness with which the horse was killed would venture to touch much money for the own safety than contact with a live wire."

"The accident was one for which the conductor of the car could be blamed. The trolley wheel had jumped off the wire, allowing the pole to stand straight in the air. There is sufficient down grade on Court street to enable a car going west to run without power most of the way, consequently there was no slackening of speed and the motorman did not know the wheel was off."

"Mr. Hatch thinks if the horse had been pulled off the wire at once the live wire would have been cut by the continued shock and burning which killed it and not the first contact."

"Hiram Whittemore, to whom the horse belonged, will commence suit for damages. Both the street car and telephone companies disclaim responsibility and decline to settle."

Dec. 3—"The electric heaters will be abandoned for the present, the carrying capacity of the trolley wire being insufficient to supply the heaters and the heaters in the name. Stoves will be put into the cars and patrons will soon have no further cause for complaint on the score of heat."

## Sheldon Jaycees Conduct Campaign To Raise Funds

SHELDON (JNS) — A fund-raising campaign is being conducted by the Sheldon Jaycees in the form of a milk bottle stand at all the nearby carnivals.

All members are participating in the drive. Jack Reynolds, president, reports the proceeds have been approximately \$100.

The group had a stand at Sheldon, Watseka and Iroquois. Today they will be at the Onarga carnival. On July 11, 12, 13 and 14 they will be at the stand in Kentland, Ind.

The Jaycees are planning to use the proceeds to improve the community. One project is to place trash containers around the village.

Ray Burton is project chairman.

## SIGN OF THE MODERN AGE

Mrs. Alfred Spence of 371 S. McKinley Ave. wondered just what her 7-year-old son, Donald, was doing when he was found on W. Station street for such a long time.

The youngster spent most of the afternoon there, taking time out only to rush breathlessly home, gulp down a meal and dash back to the scene.

She finally discovered the reason. The boy had been patiently waiting for the arrival of the green ultra-modern sports car which had been parked outside the store, to come out so the boy might "get to sit in the front seat" at least watch the car in operation.

The car remained longer than the boy. It is owned by an employee of the drug store.

# Kim Novak Screen's Top Bachelor Girl

HOLLYWOOD — Kim Novak has taken over the top spot among the glamorous Hollywood bachelorettes.

Her name has been linked with Count Mario Bandini of Italy and but she's definitely unmarried at the moment.

Considerable competition in the bachelor girl department was removed by the recent marriage of Anita Ekberg and the betrothal of Marilyn Monroe to playwright Arthur Miller.

Miss Novak, who has risen to stardom with such performances as her work in "Picnic" and "The Eddie Duchin Story," is getting a new symbol of her new station in Hollywood life, a luxurious Beverly Hills apartment.

But the girl from South Chicago isn't sure she's happy about it. She lived for nearly three years in a small apartment in the Hollywood Studio Club, a sanctuary for working, hopeful, lonely, and she says:

"The Studio Club was a real home to me. I felt a warm kind of security there and I hate to leave it. An apartment, I don't care how pretty it is, can be an awfully lonely place."

CHOREOGRAPHER Sylvia Lewis says there's a show girl unemployment problem in Hollywood. "It's rough on the girls," said Sylvia. "The movies aren't making the big, spectacular musicals because they cost too much and television can use only two or three girls in a single number."

## An Independent Lily

This Kaster lily does a little more each year to celebrate Independence Day. It always flowers around the Fourth of July boasting more flowers than the year before. Last year the plant had 15 blooms, but this year it has 35. The average lily has five or six blooms. The lily is owned by Miss Clara Oberlin and is planted in her yard at Main St. and Second Ave., Herscher. Pictured with the flower is Miss Oberlin's grand niece, Judy Feeke, 8-year-old daughter of Mr. and Mrs. Frank Feeke of Bonfield. (Byron photo)

## Shirley Fry Wins Wimbledon Singles

WIMBLEDON, England (UP) — Shirley Fry's 12-year quest for a major singles title met success Saturday when the steady veteran from Akron, Ohio, won the Wimbledon women's championship, one of three honors salvaged by Americans of the Wimbledon tournament.

The 29-year-old Miss Fry, cut down Britain's Angela Buxton in a workmanlike, 50-minute final, 6-3, 6-1. The American never lost her service.

Later Miss Fry teamed with a mixed doubles partner, beating Althea Gibson of New York and Gardnar Mulloy of Denver, 2-6, 6-3, 7-5.

Miss Fry's one-sided triumph and success in the two minor doubles classes brought a slight lift to waning American court prestige, followed by a complete rout in the men's division.

Breasted, New York shortstop, tripped out one in the eighth. After Don Mueller fled out, Willie Mays was walked intentionally.

Bill White then walked to fill the bases before Thompson singled.

THE GIANTS' other run came in the seventh inning when Daryl Spencer closed his eighth hour of the year.

Pittsburgh started the scoring in the fourth when Daryl Spencer closed his eighth hour of the year.

# House-Passed Postal Rate Increase May End Up In Senate Pigeon-Hole

WASHINGTON (AP)—Stamped with House approval, a bill to increase postal rates \$430,100 a year was ready Saturday for delivery to the Senate. Whether it will be re-addressed there to the White House was anyone's guess.

One top-ranking member of the Senate Post Office Committee predicted privately the bill would be routed into the Senate's dead letter office.

But others recalled that the Senate in 1952—also an election year—overrode objections of its committee and voted to boost first class and air mail rates by the same one cent amount provided in the pending bill. The 1952 proposal died in the House.

THE HOUSE Friday passed the increase 217-165 with solid Republican backing plus aid from some Southern Democrats. The action was a victory for President Eisenhower and his administration which since 1953 has sought rate increases to offset postal deficits running as high as a half billion dollars a year.

The House Democratic leadership earlier had sought to bottle up the bill, considered politically objectionable in an election year. Bulk of the increase is represented by the boost from 3 to 4 cents in the one ounce rate for first class mail. It would account for \$295,700,000 of the annual revenue increase.

In addition, the bill also would raise the rate on air mail letters from 6 to 7 cents. Second class mail rates applicable to newspapers and other commercial publications would increase over a five-year period to 4 1/2 million dollars.

AT THE END of that period the increase would be approximately 30 per cent on the reading portion of the publication and 120 per cent on its advertising.

Second class mail would carry a minimum charge of 1/4 cent per item instead of the present 1/8 cent each. Increases contained in the bill for circulars and advertising matter—third class mail—would bring in approximately 77 million dollars a year.

Accounting for this would be a boost in the individual piece rate from 2 to 3 cents for the first two ounces plus an increase in the minimum rate for "junk" or bulk mailings from 10 to 12 cents a pound and 1 1/2 cents a piece.

Books, catalogs and other postal matter would be subject to small increases.

The House made only one change in the bill as it came from committee. It accepted a proposal by Rep. Colmer (D-Miss) to exempt newspapers with circulations of less than 5,000 from any increase in their mail charge.

WASHINGTON (AP)—The city council Tuesday night was asked its opinion on the addition of a new business in the community.

James Butcher, garage owner, wanted to know what the council thought about a new enterprise on his property in the first block on Franklin street.

Since Butcher would not describe the business, the council withheld an opinion until more information is made available. It was disclosed the proposed business would close the alley behind the Butcher property.

In other council action, members voted to order vehicle tags for 1957. D. F. Davis, Northern Illinois Gas Co. representative, gave a report of the progress in installing gas facilities in the community.

The next meeting of the council will be held Tuesday at 8 p.m. when bids on the sewage disposal plant and the installation of water mains to the Soldiers' Widows' Home will be opened.

The council voted to attach an amendment to the electrical ordinance calling for a fee of \$3 for each permit to install wiring and 10 cents for each outlet.

## Wilmington City Council Conducts Tuesday Meeting

WILMINGTON (JNS)—The city council Tuesday night was asked its opinion on the addition of a new business in the community.

James Butcher, garage owner, wanted to know what the council thought about a new enterprise on his property in the first block on Franklin street.

Since Butcher would not describe the business, the council withheld an opinion until more information is made available. It was disclosed the proposed business would close the alley behind the Butcher property.

In other council action, members voted to order vehicle tags for 1957. D. F. Davis, Northern Illinois Gas Co. representative, gave a report of the progress in installing gas facilities in the community.

The next meeting of the council will be held Tuesday at 8 p.m. when bids on the sewage disposal plant and the installation of water mains to the Soldiers' Widows' Home will be opened.

The council voted to attach an amendment to the electrical ordinance calling for a fee of \$3 for each permit to install wiring and 10 cents for each outlet.

## Schedule July 27, 28 For Will County X-Rays

WILMINGTON (JNS) — July 27 and 28 are the dates assigned for chest X-rays in Will County district 7, which includes Wilmington, Wesley, Florence, Reed, Custer and Jackson townships.

The mobile unit will be located in the business district of Wilmington for these two days.

General chairman of the district 7 chest X-ray program is Lester J. Stevens, superintendent of Wilmington schools. His coordinators for this program are Miss Edith O'Brien of Florence Township; Mrs. Alice Davis, Mrs. Phil Goodwin of Wesley Township; Clarence Molyneux, Wilbur Lewis and Elmer Hinds of Wilmington Township; and Mrs. James Barnett, Mrs. Frank Lavika, Reed and Custer townships, and Mrs. Paul Stittler, Jackson Township.

# County Fairs Increase Emphasis On Fine Arts

County fairs, like most other successful endeavors, show improvement and enlargement from year to year. Among the expanding departments in local fairs is the fine arts division. Not only will fair goers see the best in livestock, canned foods and flowers, but local artists will show oil and water color paintings, sketches, colored pencil and crayon drawings.

There is still time to enter. The Kankakee County Fair will be held Aug. 5 through Aug. 10 and entries can be made until 6 p.m. July 28. The Will County Fair will be held at Peotone Aug. 24, 25 and 26. Dates for the Iroquois County Fair at Milford are July 31 through Aug. 3.

Art work catalogs for prospective Kankakee County Fair entrants are available at East Junior High School and West Junior High School. They can also be secured through the mail by phoning 3-8273.

Fair preparations show an increased interest in the fine arts department and in gaining entries in all classes from both rural and urban residents. Among the new groups at the Kankakee County

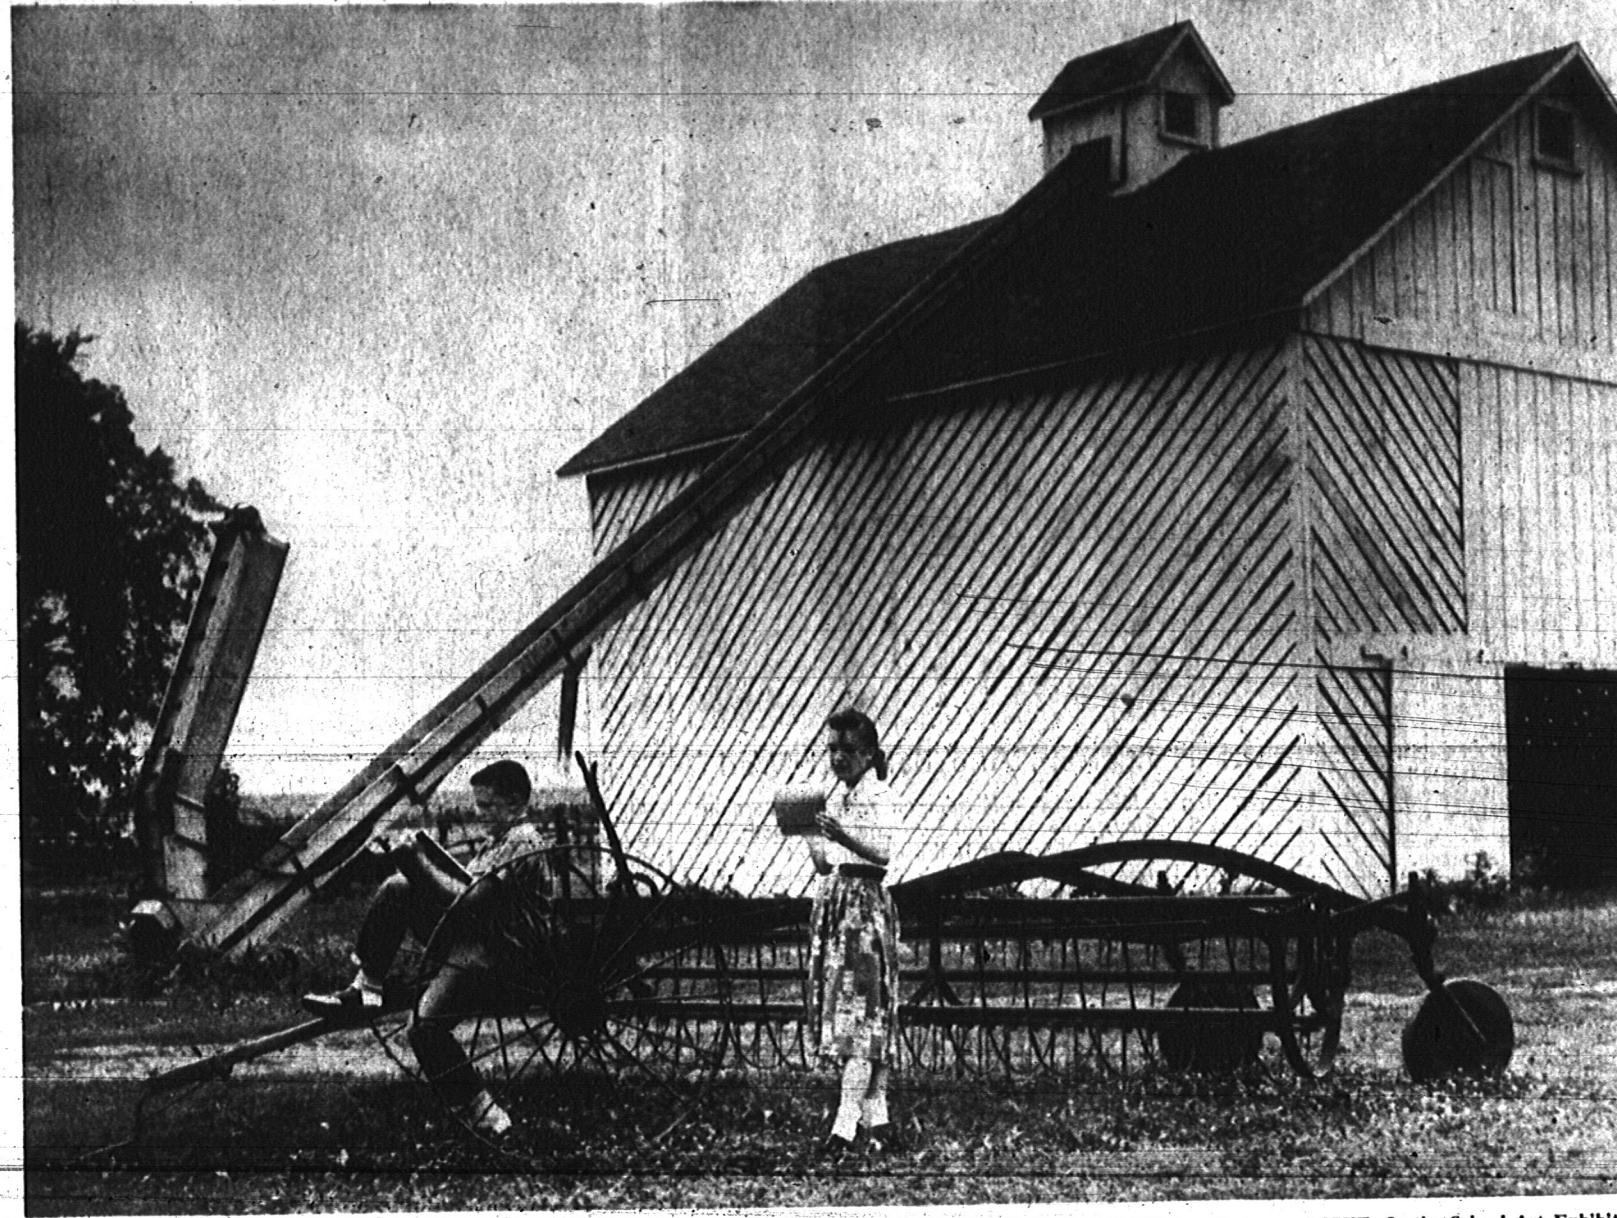

Fair is the school art exhibit, with special classes for different grades, beginning with a class for grades 1, 2 and 3. Other classes include all grades, through high school and college. Entries can include designing (using various media) and crafts (including experimentation with two or three dimensional material). Among the added incentives in this division and the handwork class for both rural and urban residents is the increased worth of the awards.

Art is drawn close to the farm in one class which limits entries to "farm scenes done in any media," depicting a particular farm in the Kankakee County area.

While the pictures on this page (of entrants for three county fairs) concentrate on the fine arts division, it must be noted that this is only a part of overall fair preparation. And it could also be said that a fair entry need not be a painting or drawing to be artistic. There can be equal artistic beauty in any entry, be it a superior animal, a lace tablecloth, a well made dress or a well packed jar of peaches.

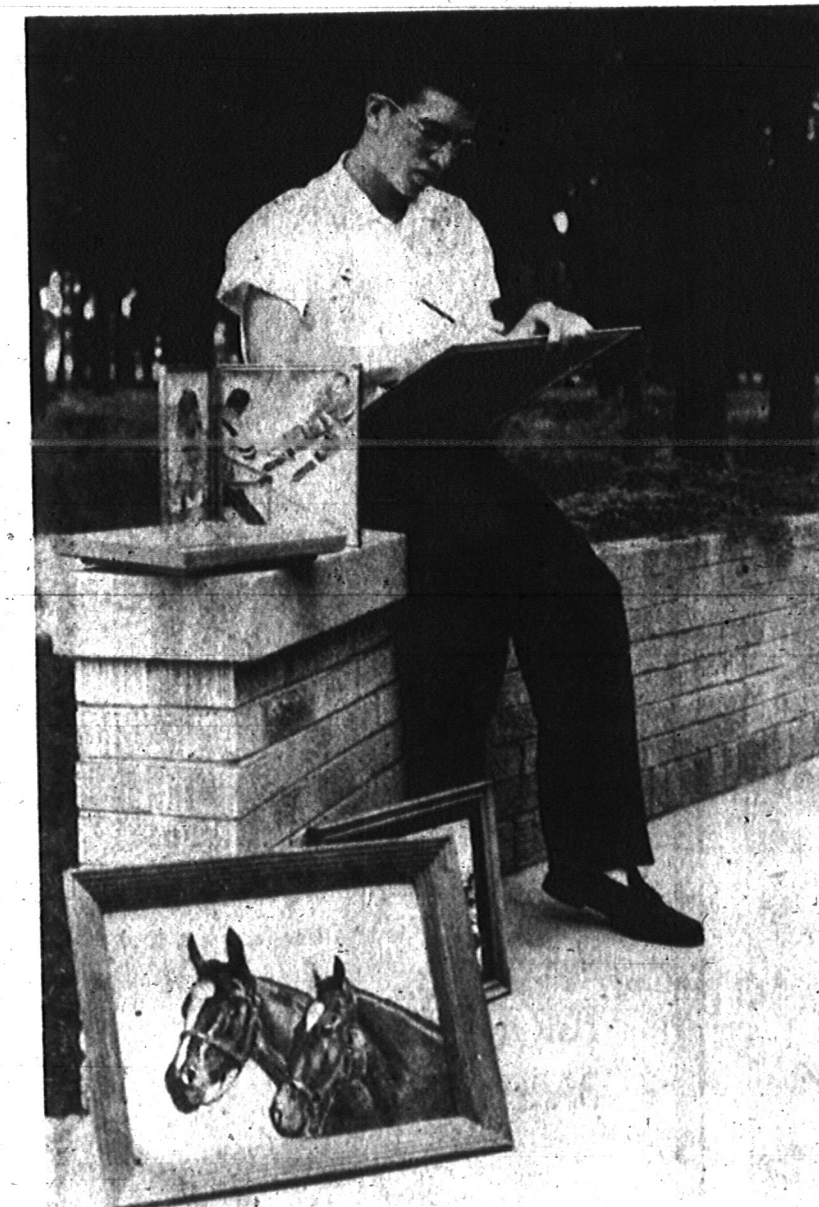

## On The Social Side

KANKAKEE SUNDAY JOURNAL, SUNDAY, JULY 8, 1956  
SECTION II. SOCIETY • HOMES • FARM • CLASSIFIEDS • TV

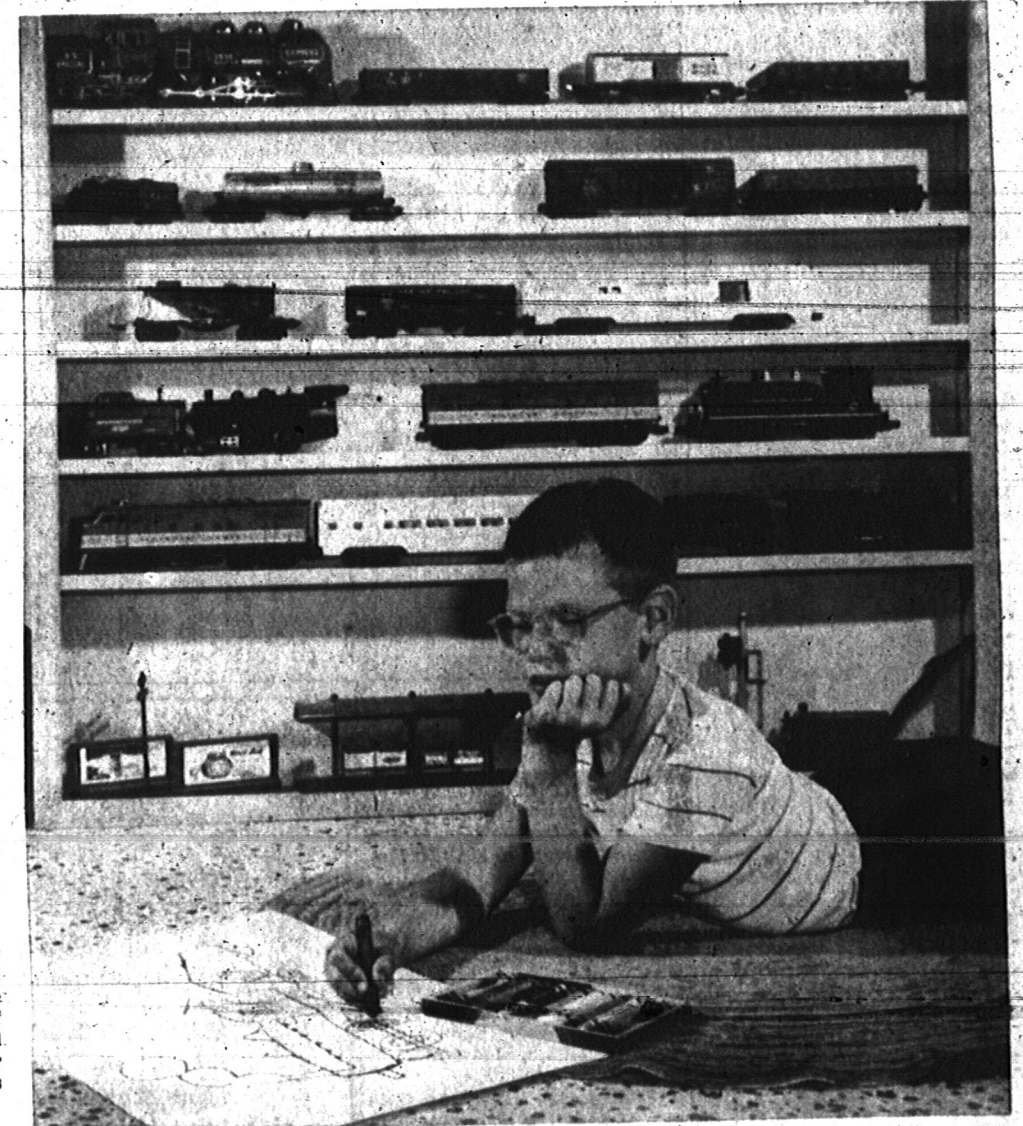

ABOVE: One class in the fine arts division asks for local farm scenes. Pictured here as they sketch for fair entries are Andy Frerichs, son of Mr. and Mrs. Wendell Frerichs of 14 Croyden Place and Miss Marilyn Henrickson, daughter of Mr. and Mrs. Clarence Henrickson of 515 McKinley Ave. Both are freshmen at West Junior High School.

RIGHT: In the School Art Exhibit at the Kankakee County Fair, there is a division for grades 1, 2 and 3. Entries can be sketching, painting, designing, crafts, and local farm scenes. Pictured here is James Snyder, 7, son of Mr. and Mrs. James J. Snyder of 788 Country Club Dr. He is a second grader at Steuben School. His natural choice for a crayon drawing is a train. Note his train collection in background.

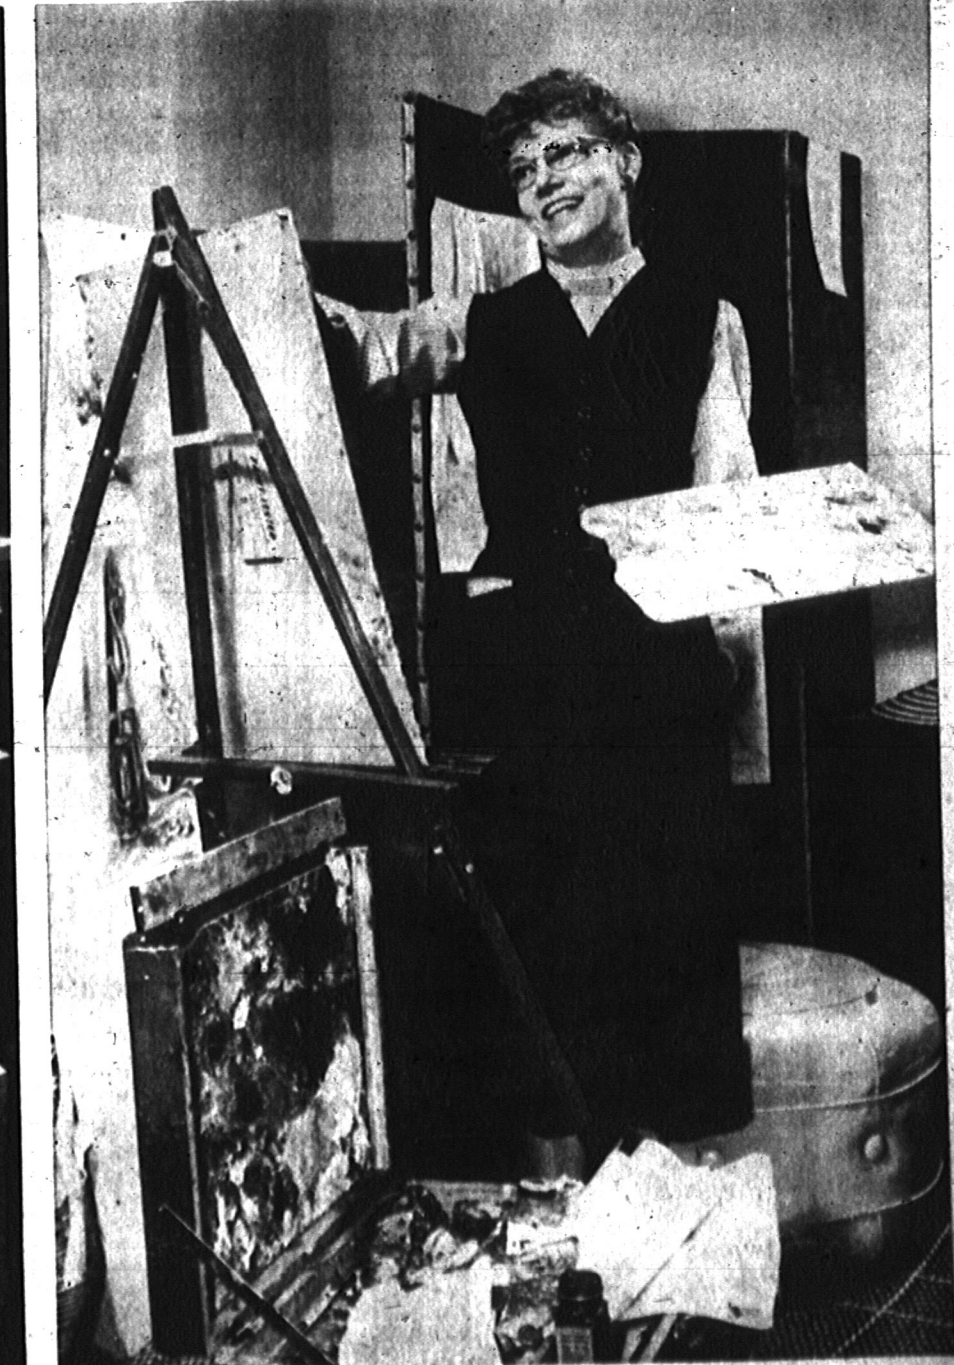

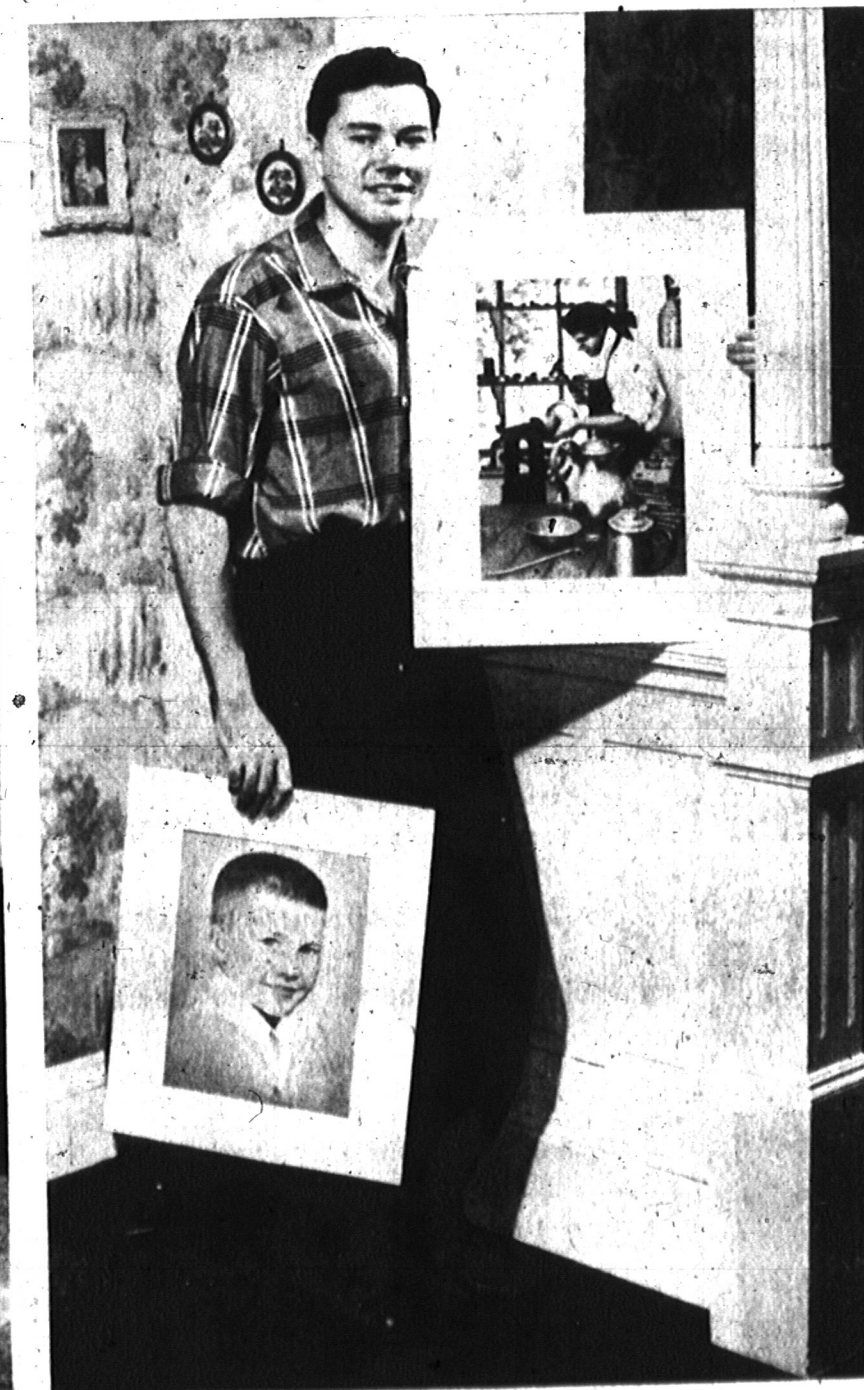

LEFT: Thomas Adamsick, son of Mr. and Mrs. Rudolf Adamsick of RR 1, Peotone, is shown here working on a chalk drawing. A former prize winner, he will again enter the Will County Fair at Peotone. Adamsick is a junior at Peotone High School. He began lessons on Thursday at the Academy of Fine Arts in Chicago. In the foreground is an oil painting done by Adamsick.

BELOW: One of Kankakee's ambitious young artists is Richard Gale, son of Mr. and Mrs. E. W. Gale of 381 W. Station St. He will enter the Kankakee County Fair. Displayed here are two examples of Gale's work. He is a member of the Kankakee Art League.

LEFT, BELOW: Miss Doris Howell, 16, of RR 2, Sheldon, will enter the Iroquois County Fair at Milford. She works here with colored pencils. Miss Howell's parents are Mr. and Mrs. Herbert Howell. She is a freshman at Sheldon High School and last year won a district art contest sponsored by the Illinois Federation of Woman's Clubs.

RIGHT, BELOW: Another member of the Kankakee Art League whose work will be entered in the Kankakee County Fair is Mrs. H. A. Mathews of 671 S. Greenwood Ave. She is pictured in the studio which she shares with her sister, Miss Mignon Fortier, who is also interested in art.

## Lynn DeYoung, Glenn Houk Married In Garden Ceremony

Beneath an arch of pastel daisies Miss Lynn DeYoung and Glenn E. Houk exchanged wedding vows June 30. The garden wedding took place at the home of the bride's parents, Mr. and Mrs. Peter DeYoung of Lowe Manor, Kankakee.

The bridegroom is the son of Mr. and Mrs. Floyd Houk of St. Anne.

The Rev. Charles Johnson of the St. Anne Presbyterian Church performed the double ring ceremony. Mrs. Clarence Sikma was organist and accompanied the vocalists, Miss Margaret Voss and Neil Voss, as they sang "Because" and "The Lord's Prayer."

GIVEN IN MARRIAGE by her father the bride wore a white silk gown, dress cut on princess lines with brief sleeves, a scoop neckline and applied trim accenting the bodice. A three-quarter length veil of illusion net and she carried a cascade of Hawaiian orchids on a ribbon.

Miss Donna Mae Vrolyk of St. Anne was maid of honor wearing a light blue crystal gown fashioned with a scoop neckline, short sleeves and bouffant ballerina length skirt.

Bridesmaids were Miss JoAnne DeGroot wearing yellow; Miss Janie Houk in green; Miss Jo Anne Houk, in pink and Miss Bonnie Sirols in lavender. Their dresses were similar in styling to the other attendants. All carried cascade floral arrangements to match their gowns.

Miss Jackie Hockstra of St. Anne was flower girl and wore a shimmering ensemble. Mark Schenk of Monmouth carried the rings.

THE BRIDEGROOM'S attendants included William Beaupre as best man; Keith DeYoung, Wayne DeYoung, J. Lee Houk and Jerry Hockstra as groomsmen and Perry DeYoung and Russel Hardy as ushers.

A reception followed with Miss Kathleen Schafuma, Miss Carol Hockstra and Miss Sandra Hudson assisting with serving.

When the couple departed on their wedding trip the new Mrs. Houk was wearing a turquoise and white ensemble with white accessories. They will travel to Twenty Nine Palms, Calif., where they will reside. Houk is stationed there with the United States Marines.

Both are graduates of St. Anne High School and Houk also attended Purdue University.

### Legion Auxiliary Hostess For Party At Manteno Hospital

The Department of Illinois American Legion Auxiliary was hostess for a war veterans' party Thursday afternoon in White Cottage at Manteno State Hospital.

Sixty five guests attended and 76 lunches were sent out to the wards for those unable to be present. Cherry tarts and coffee were served.

Favors were from Midlothian, Cornell, and London Mills units.

Games were played and prizes presented to winners. Favors were distributed. T-shirts, knitted shirts and zipper bags were special prizes. Cigarettes, cigars and candy bars were given to all.

The following Gold Ladies assisted: Mrs. Marjorie Engelsing and Mrs. Elizabeth Grant of Grant Park; Mrs. Ray Owens and Mrs. Theodore Gutczynski of Bradley; Mrs. Conrad Krapf of Peotone and Mrs. Lionel Pommer of St. George, department hospital chairman.

The Rev. Francis White was a special guest. The next party will be July 30.

## St. George Auxiliary Installs

New officers were installed at the Tuesday evening meeting of Harvey S. Ruel unit of the St. George American Legion Auxiliary.

Mrs. B. C. Hamman of Grant Park was installing officer. Those installed were: Mrs. Lionel Pommer, president; Mrs. Orval Walsh, first vice president; Mrs. Ezra Marquette, second vice president; Mrs. Euclid Bouchard, secretary; Mrs. Home Benoit, treasurer; Mrs. Eugene Lambert Sr., chaplain; Mrs. Edward Gregoire, historian and Mrs. Edward Guilmond, sergeant at arms.

Mrs. Benoit reported that the group had taken third place in the district for coupons and that it had received first place for meeting the membership quota.

The president, Mrs. Pommer, appointed Mrs. Walsh, Benoit and Mrs. Bouchard to audit the books.

Committee chairmen reporting were: Mrs. Ezra Marquette, child welfare; Mrs. Eugene Lambert Sr., child welfare; Mrs. Homer Benoit, coupon and gold star; Mrs. William Lambert, finance; Mrs. Euclid Bouchard, membership and publicity; Mrs. Edward Guilmond, poppy; Mrs. Orval Walsh, rehabilitation; and Mrs. Pommer, Americanism, auxiliary loan fund, civil defense, junior activity, member liaison, music, national security, Pan American, past president party, radio revision of by laws and veterans craft exchange.

The next county meeting will be July 16 in the Kankakee Legion Home. The next regular meeting will be Aug. 7 with Mrs. Pommer.

### Jolly Euchre Club Has Meeting With Mrs. David Bowers

Members of the Jolly Euchre Club met Thursday evening with Mrs. David Bowers of 333 S. Winfield Ave.

Prize winners were the Mesdames Floyd Hayes, Ralph Breedlove, Bowers and Elizabeth Cavannah.

Mrs. Otto Taube of 307 N. Hannes Ave. will be hostess for the July 18 meeting.

Always drain excess batter from onion rings before adding them to hot deep fat so as to avoid the danger of the fat bubbling over.

Roberta Henderson, Arlo Barnhart Wed

The wedding of Miss Roberta Henderson and Arlo Barnhart took place Saturday, June 30, in the Aroma Park Methodist Church. The new Mrs. Barnhart is the daughter of Mr. and Mrs. Robert Henderson of 1092 Park Dr., Kankakee. Mr. and Mrs. Roy Barnhart of Piper City are parents of the bridegroom. The newlyweds will reside at 437 W. Court St. Following a honeymoon at Lake Shefer, Monticello, Ind., the newlyweds will reside in St. Anne. (Colonial photo)

## Chocolate Icebox Cake Is A Hearty Dessert

The Old Stage Coach Inn was built around 1852, halfway between Waco and Austin, Texas, as a relay station on the route between Little Rock and San Antonio. Distance is nothing to Texans, and they drive many miles and enjoy a meal at this unique eating house. After being most favorably impressed by the taste of their hash puppies, banana fritters, turkey or chicken—their desserts continue to please you. I liked their Icebox Cake, and am sure you will, too.

Melt 4½ squares of chocolate in the top of a double boiler, then add ¾ cup sugar, a dash of salt and 6 tablespoons hot water, stirring until sugar is dissolved. Dissolve 1½ teaspoons of unflavored gelatin in 1½ tablespoons of cold water and add to the hot chocolate mixture. Cook the above until smooth and thick. Add 6 egg yolks one at a time, beating after each addition. Return to boiling water and cook 2 minutes, stirring constantly. Add 1 teaspoon vanilla and let cool. Fold in the 6 beaten egg whites and ¾ cup whipping cream—whipped. Chill.

Line the bottom and sides of an angel cake pan with waxed paper and arrange split lady fingers on bottom and sides of pan. Add alternate layers of chocolate mixture and lady fingers. Let chill for from 12 to 24 hours before serving.

Couple To Reside In St. Anne

Mr. and Mrs. Gabriel Ponton exchanged vows Saturday, June 30, in St. Anne's Catholic Church. The new Mrs. Ponton is the former Judith Oller, daughter of Mrs. Lillian Oller of Boutonnais. The bridegroom is the son of Mr. and Mrs. El Ponton of St. Anne. Following a honeymoon to Lake Shefer, Monticello, Ind., the newlyweds will reside in St. Anne. (Colonial photo)

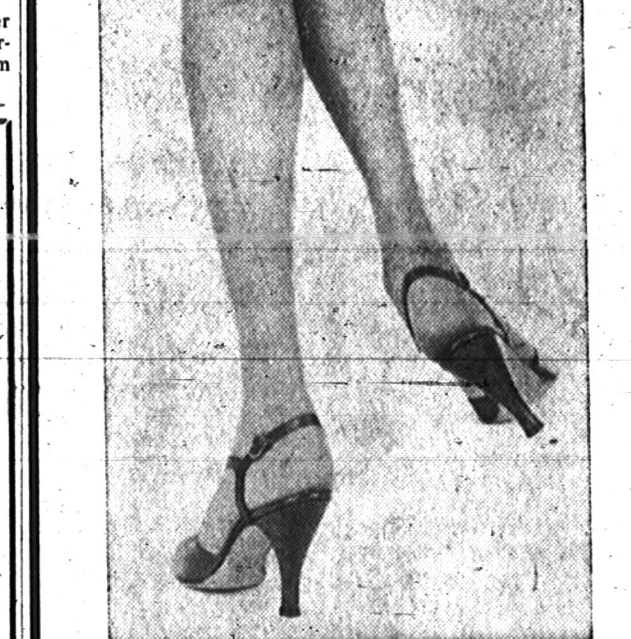

### Miss Marion Koets Honored At Shower

GILMAN (INS) — Miss Marion Koets was honored at a miscellaneous bridal shower Tuesday evening in the Danforth Community Hall.

Game prize winners were Mrs. B. A. Hamilton, Mrs. W. A. Pointer and Miss Ruth Saxama.

Refreshments were served. The honored guest opened her gifts beneath a decorated umbrella.

Ever serve browned pork sausage links with sauerkraut? The two make a good main supper dish. A hot water bath prevents curdling from overbaking at edges.

a lady's not dressed unless her legs are too!

FOR THAT SMOOTH BAREBACK LOOK...

WEAR *James* seamless stockings

Sheer, reinforced heel and toe... 1.50  
Demi-tone sheers, no heel panel... 1.65  
Sandle-foot sheers, no front panels... 1.95

The perfect Summer stockings to achieve that bare-leg look without the bare-leg faults. A flawless sheen of flattery with nary a seam to mar their beauty. New Far-Eastern colors: Water Lily, South Pacific, Ball Rose and Pink Pearl.

Sizes 8½ to 11; short, medium or long.

### The Worry Clinic

## O-A-T Keyword For Threat To Health

By DR. GEORGE W. CRANE

One L., aged 47, recently had a coronary thrombosis, which means a plugging toward the heart and a coronary artery. "Dr. Crane, I thought sure I'd die," he admitted. "Nobody was in the apartment with me, so I was scared doubly."

"I fell to the floor and thought a knife was twisting around under my breastbone. And I felt like I was suffocating."

"Then I remembered what you told our Rotary Club about administering quick first aid to your own heart during an attack."

"So I gripped my teeth and started breathing deeply. I don't know how long I kept it up. It seemed over and help me I'll be your partner."

"And I felt more relaxed immediately. Since I was not far from the telephone, I finally slid over and knocked it to the floor with my foot. Then I called the hospital."

"Well, that was three months ago. Now I am sound as a dollar. But what should I do to keep in good shape?"

"The greatest threat to long life, as well as marital happiness, is contained in the symbol O-A-T."

THOSE LETTERS stand for Obesity, Alcoholism and Tobacco. In previous cases records I have explained that fitness, even without any hardening of the arteries, can mean your blood pressure. For each additional five pounds of fat causes three miles of extra blood vessels to sprout. And your heart must then raise the pressure to keep blood circulating in those extra miles of "pipes."

In the Journal of the American Medical Association for Dec. 10, 1955, Dr. Lester M. Morrison of Los Angeles compared the heart attacks of men who had recovered from their original attacks.

They were divided into two groups of 50 each. One group was put on a low fat diet so the men lost 21 pounds and the women 17. The other was allowed to eat as they pleased.

Notice the results for the 50 slender, low-fat eaters versus the 50 others who dined as they pleased. The results at the end of 3 years and at 8 years are as follows:

3 years 8 years  
Slender.....43 alive 28  
Fat .....35 alive 12

OUR LUSH LIVING scale and excessive eating seem to shorten our lives not just from the greater

incidence of heart attacks, but also from apoplexy, diabetes, cancer, stroke, all of which show a much higher incidence among the obese. Furthermore, our love life declines and we become platonic marital partners, especially if we add alcohol and tobacco to an overweight chassis.

In previous articles I have warned that you cannot feel like a sports-roader with the chassis of a truck.

## Harvard Beets Go Well With Turkey

Harvard beets are always a colorful accompaniment to roast turkey. Here is a unique variation of the traditional Harvard beets I think you'll enjoy. This recipe serves 4.

Purchase a No. 2 can diced beets. Drain reserving ¼ cup juice. Mix ¼ cup sugar with 1 tablespoon cornstarch in saucepan. Add beet juice, ¼ cup cider vinegar, 1 large bay leaf, 3 whole cloves and cook and stir over low heat until thickened and clear. Remove the cloves and bay leaf. Add 1 tablespoon butter, ½ teaspoon salt, ¼ teaspoon pepper and the drained beets. Cook slowly, stirring occasionally until beets are heated.

For variation add 1 teaspoon grated horseradish or 2 teaspoons pickle relish.

## Ann Cassidy Becomes Bride Of Paul P. Smith Saturday

St. Joseph's Church in Cabery was the scene of the wedding of Miss Ann Cassidy and Paul P. Smith Saturday at 11 a.m. The double ring ceremony was performed by the Rev. Edward Neuwirth before an altar decorated with baskets of white gladioli and blue and white daisies.

Parents of the bride are Mr. and Mrs. James Patrick Cassidy of Cabery. Mr. and Mrs. Pearce P. Smith of Washington, D. C., are parents of the groom.

Mrs. Thomas Sadler, organist, accompanied St. Joseph's choir as it sang "On This Day Oh Beautiful Mother" before the ceremony. "Ave Maria" during the ceremony and "Mother At Thy Feet I'm Kneeling" while the bride and groom were exchanging vows. Mrs. Sadler also played traditional pre-nuptial and recessional wedding marches.

**GIVEN IN MARRIAGE** by her father, the bride wore a floor length white net gown with lace inserts. The princess styled bodice was designed with a high collar and long tapering sleeves. The bouffant skirt was worn over a Dior hoop. Her fingertip length veil of French-illusion net was attached to a crown trimmed with pearls and rhinestones. On a white prayer-book she carried a white orchid.

Mrs. Sheila Koerner of Cabery was matron of honor. She was attired in a gown of ice blue silk crystallette. The bodice was princess style and the skirt bouffant. She wore a matching blue head-piece and carried a colonial bouquet of blue and white daisies.

Bridesmaids were Mrs. Harold Cassidy, sister-in-law of the bride, and Mrs. Richard Colthart, cousin of the bride. Their gowns were identical to that of the matron of honor.

RAYMOND FOX of Washington, D. C., served as best man. Groomsmen were Harold and Bernard Cassidy, brothers of the bride, Richard Colthart and Paul Lovell, cousins of the bride, were ushers. Following the ceremony a reception was held in the parish hall.

## Helen Bourgeois, Lomer Laney Wed In Double-Ring Ceremony

**ST. ANNE (JNS)**—Miss Helen Bourgeois and Lomer J. Laney were united in marriage at 10 a.m. Saturday, June 30, in St. Anne's Catholic Church.

The Rev. C. J. Billadeau officiated at the double ring ceremony and nuptial mass before an altar decorated with American Beauty roses and flanked with urns of white gladioli.

Mr. and Mrs. Alphonse A. Bourgeois of St. Anne are parents of the bride. The bridegroom is the son of the late Mr. and Mrs. Joe Laney of Beaverville.

Traditional processional and recessional wedding marches were played by Miss Carol Lambert, organist. She also accompanied the St. Anne Academy Choir as the group sang "On This Day Oh Beautiful Mother" while the bride placed a bouquet of roses at the altar of the Blessed Mother. "Ave Maria" was sung at the offertory and "O Lord I Am Not Worthy" a hymn.

**GIVEN IN MARRIAGE** by her father, the bride wore a gown of peau de soie. The fitted princess style bodice was fashioned with short scalloped sleeves and a scalloped neckline with an inset of pleated, draped tulle. Alencon lace re-embroidered with seed pearls and iridescent sequins were applied on the bodice front. The bouffant ballerina length skirt was worn over a Dior hoop. She wore a pearl necklace and earrings.

The fingertip length veil of imported French silk illusion cascaded from an Alencon lace-cloche beaded with seed pearls and iridescent sequins. Translucent slippers carried a cascade arrangement of American Beauty roses and stephanotis.

Miss Judith Lepore of Bourbonnais, niece of the bride, was maid of honor. She was attired in a strapless gown of blue chiffon, styled with a middie, draped bodice. Two stipples which were attached in the back extended over the shoulders and tied into a long sash in the front. The bouffant ballerina length skirt was lined with net and tulle. She wore matching blue slippers and pearls, a gift of the bride.

The bride carried a cascade arrangement of deep pink carnations which matched her headpiece.

**MARTINTON COUPLES Mark Anniversary**

MARTINTON (JNS)—Mr. and Mrs. Howard Martinton and Mr. and Mrs. George Martinton were united in marriage at 10 a.m. Saturday, June 30, in St. Anne's Catholic Church.

## Leave Today For Conservation School

The study of plant life, trees, fowl and game birds will be among the subjects discussed at this week's conservation school in Springfield of which Miss Zandra Battaglia, center, and Miss Margot Guessford, right, will leave today to attend. The two Kankakee High School sophomore biology students met this week at the home of Mrs. L. O. Minor, left, conservation chairman of the Kankakee-Kulturators who are sponsoring the girls, to receive detailed instructions on the school which will be held at the conservation building at the Springfield State Fairgrounds. The Garden Club awards two scholarships annually to two biology students for the purpose of attending this school. Besides classwork, recreation is also planned. (Journal photo)

## Home Of The Week

There is deep pleasure in creating a home — in transforming it to show the individual family's personality. Most women accomplish this through interior decorating and occasionally by close supervision during the construction. A few participate in the actual building.

Mrs. Robert Walker is one of the few that did "participate" from start to finish in the building two years ago of the family's attractive tri-level dwelling at 912 Hawthorne Ave.

The Walkers first saw the house plans in the Kankakee Journal. As a tri-level it seemed to offer everything they felt a house needed and they wasted no time in procuring the blueprints — which Mrs. Walker promptly reversed to better suit the family's needs.

Ground was broken in May and Mrs. Walker worked side-by-side with her father, Leslie Dorricks, to nail, saw, and hammer until the home was completed in September. She also did most of the wiring. In explaining her deft ability with hammer and nails she says, "As the daughter of a contractor I just sort of grew up with it." Walker too loaned an occasional hand during the construction but admits he was really content to "leave it to the experts in the family."

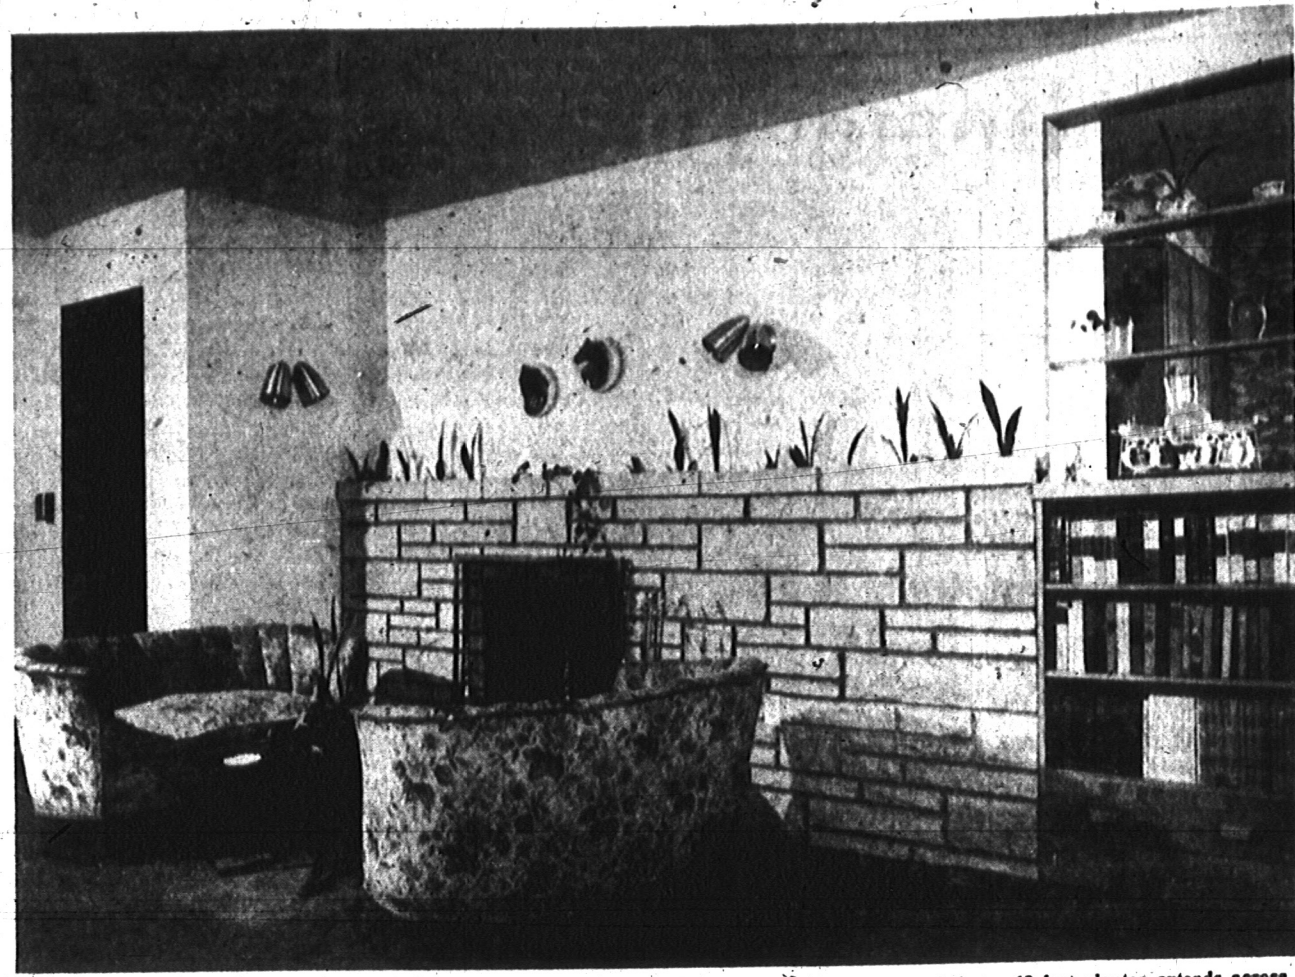

The couple also did the interior decorating. Adhering to soft shades for a tranquil effect they used a variety of color schemes since they felt the house was large enough to warrant a divergence from room to room.

The floor plan includes three bedrooms and two full baths on the top, or third, floor; kitchen, dining area, entrance hall and powder room on the second level; a sunken living room; garage and family room on the ground level and a partial basement (with fireplace). This latter area is still to be completed as an all purpose room. A patio opens off the family room.

Nine closets are cedar lined and one offers the king sized dimensions of 6 by 8 feet. Additional storage space is in the process of being added in the garage. Baseboard heat is used.

Pistachio green is combined with native stone trim for the exterior and high flower boxes (watered from the top floor windows) add a note of individuality. Mrs. Walker has planted coral colored flowers exclusively for a single note of color.

The family includes three children, Ronald, 9; Deborah, 7; and Donna, 3 months.

Pink ice walls and draperies are combined with a medium toned rose carpeting to produce a pleasing effect in the living room of the Walker home. Upholstered pieces are in shades of gray, patterned with pink and turquoise. Native stone fireplace has raised

hearth and is so constructed that a 12 foot planter extends across the top woods are mahogany and accessories, turquoise. Shelf divider at right separates the dining area while door at rear left leads to entrance hall.

### Ladies Aid Society Of Martinton Conducts Meeting

MARTINTON (JNS) — "Unanswered Prayer" was the theme of the Scripture lesson at a meeting of the Ladies Aid Society of the Church of Christ on Tuesday night in the home of Mrs. Kenneth Ortman.

The lesson was given by Mrs. Harry Morrison Sr. She also gave the missionary lesson, which pertained to Africa. The evening's offering was sent to Charles Grouer, a missionary in Rhodesia, Africa.

Mrs. Morrison read an article about the arrival of the Robert Harsha family in the Belgian Congo on April 2.

Mrs. Martin Salm read a letter from Miss Edna Hunt, a missionary in India. Miss Hunt spoke at the church here while she was home on furlough several years ago.

A discussion was held on "The Come as You Are Party" to be given by the quarterly committee, Madames Harry Morrison Jr., Madames Harry Morrison Jr., and Mrs. Vernon Steidinger.

### Forrest Church Schedules Project

FORREST (JNS)—The congregation of St. James' Catholic Church will sponsor an ice cream social today at the town park.

In case of rain, the social will be held in the school lunchroom.

Mrs. Robert Jones and Mrs. John Gaston are co-chairmen of the project. Proceeds will be used for remodeling and repairing the church.

Serving will begin at 5:30 p. m. Forrest Home Bureau unit members and their guests toured a Pontiac bakery on Monday.

Mrs. Lee Guild and Dale Cottingham of Chicago are visiting at the Everett Cottingham home. Mr. and Mrs. Lyle Young of York Penn. are visiting at the home of the latter's sister, Mr. and Mrs. Vernon Steidinger.

HARDWOOD FLOOR—Hardwood flooring over concrete slabs is becoming popular. This is laid over a subfloor nailed to sleepers or screeds which have been treated with preservative and laid in mastic. Air circulation under the floor is advised.

carried up the walls at least 6 inches behind baseboards, should cover the underfill before the slab is poured.

### HOME REPAIR DOs - DON'Ts

By Andrew C. Long

AP Newsfeatures

DO... wash or wax newly-laid asphalt tile after allowing at least a week for the adhesive to harden thoroughly.

DO... when washing is necessary, use a good neutral soap or cleaner, rinsing with clear water

and drying with a clean mop.

DO... remove stubborn stains by rubbing the tile surface lightly with a fine grade of steel wool.

DO... wax the tile only with a water emulsion wax applied in accordance with the manufacturer's directions.

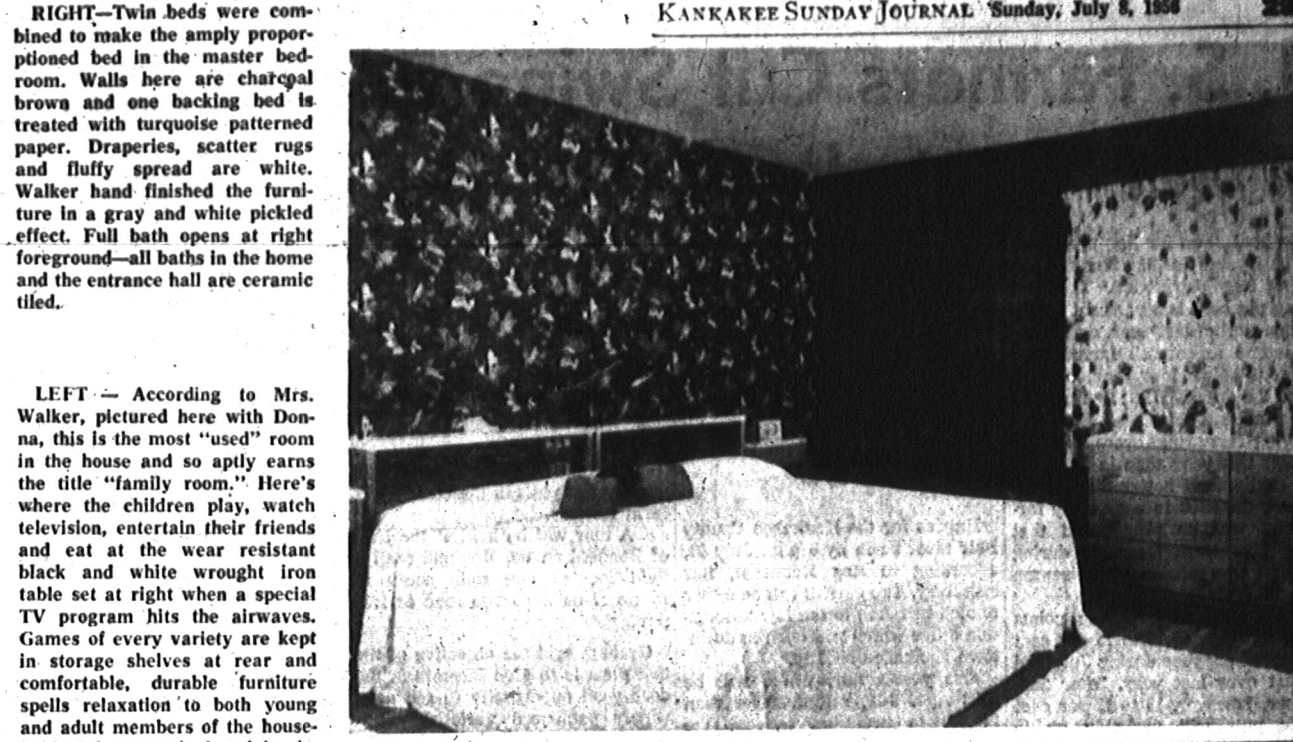

DO... keep the floor clean and attractive by frequent sweeping with a soft hair push broom which will lift the surface dirt without scratching the tile.

DO... use any strong detergents or cleaners which are not readily soluble in water.

DON'T... allow any spilled liquids (especially grease and oil) to remain on the floor unless you want to risk a permanent stain.

DON'T... ever put varnish, lacquer or shellac on an asphalt tile floor... also because of the damaging effect of the solvent contained in the finishing material.

DON'T... neglect to equip all furniture resting on asphalt tile composition furniture cups and with such protective devices as glides having smooth flat bases or some other solvent which will large soft rubber wheel casters, with rounded edges.

RIGHT—Twin beds were combined to make the amply proportioned bed in the master bedroom. Walls here are charcoal brown and one backing bed is treated with turquoise patterned paper. Draperies, scatter rugs and fluffy spread are white. Walker hand finished the furniture in a gray and white pickled effect. Full bath opens at right foreground—all baths in the home and the entrance hall are ceramic tiled.

LEFT—According to Mrs. Walker, pictured here with Donna, this is the most "used" room in the house and so aptly earns the title "family room." Here's where the children play, watch television, entertain their friends and eat at the wear resistant black and white wrought iron table set at right when a special TV program hits the airwaves. Games of every variety are kept in storage shelves at rear and comfortable, durable furniture spells relaxation to both young and adult members of the household. Color note is found in the yellow chaise and pattern of draperies. Shelf divider at rear conceals stairway to basement and steps at left lead to entrance hall.
