# U. S. Economic Picture Bright In The Future

NEW YORK — Stock market jitters appear today to be confined largely to brokers' boardrooms.

The public — according to government statistics — hasn't let the uncertainty change its habit of plans. The picture of the economy is brightening, and the public is beginning to see the light.

And businessmen have stretched their spending and borrowing. The picture of the economy is brightening, and the public is beginning to see the light.

Prices are beginning to rise. The picture of the economy is brightening, and the public is beginning to see the light.

The picture of the economy is brightening, and the public is beginning to see the light.

## Piper City PTA To Open Fall Season

PIPER CITY (JNS) — The Piper City Parent-Teacher Association will open its work Monday night and will have as its theme "The Community Salutes Its Teachers."

Donald Osmart, school superintendent, will introduce members of the grade and high school faculties.

Mrs. Ben Kinkade, membership chairman, will discuss "What We Give and What We Get." Her talk will explain the purpose of the year's dues.

Mrs. W. G. Raubach, program chairman, will present a skit, "Scattered Showers," an American Theater Wing play by Nora Stirling. Mrs. Robert Chambers Jr. will introduce the skit.

In the east are Mrs. Jean Herriot, Mrs. Diane Closs and Mrs. Lawrence Walle.

The meeting will start at 8 p.m. in the high school gymnasium with President E. E. Wilson presiding. Refreshment hosts for the evening will be Mr. and Mrs. Herian Rahe, chairman; Mr. and Mrs. Don Schurr, Mr. and Mrs. James Foster, Dr. and Mrs. W. P. Mahy and Mrs. Charles Hayes.

The 1956-57 officers are: E. E. Wilson, president; Ray Wilkey, vice president; Mrs. Stewart Hickerson, secretary; and Mrs. G. M. Remsburg, treasurer.

Standing committees for the year are as follows:

Program: Mrs. W. G. Raubach, chairman; Mrs. John Gallahue, Mrs. John Somers, Henry Chamberlain and Joe Russell.

Membership: Mrs. Ben Kinkade, chairman; Mrs. Mary Shaugnessy and Mrs. P. R. Howe.

Refreshments: Mr. and Mrs. R. W. Chambers Jr., chairman; Mr. and Mrs. Harold Wilson and Mr. and Mrs. Mike Fox.

Stays and means: Mr. and Mrs. Drell Stucky, chairman; Mr. and Mrs. Jean Herriot, Mr. and Mrs. John Sauerbier, Miss Patricia Heiken and Mrs. Thomas Pitts.

Publicity: Mrs. C. H. Mosteller, chairman; Mrs. Merle Harford and Miss Maxine Haase.

PTA magazine: Mr. and Mrs. George Bayless and Mr. and Mrs. Harold Jensen.

Historian: Mrs. Mitchell Johnston.

Parliamentarian: The Rev. Ronald Winor.

Room mothers: Mrs. Ray Wilkey, chairman.

Dr. H. A. McIntosh will leave Sunday by plane for Spain, Wash., where he will meet a party to go into Canada to hunt moose. They will be located north of Whitefish, Dr. McIntosh will return in about 10 days.

## Royal Neighbors Of Kempton Meet In Legion Hall

KEMPTON (JNS) — The Royal Neighbors met Monday night in the Legion Hall with 23 members present.

Mrs. Edwin Tibbs, orator, was in charge. A birthday song, "Happy Birthday to You," was sung to each member, and to which each put on a patch with money in it, was completed. The patches contained \$1.25, which was added to the general fund of the camp.

Mrs. Ralph Dooly, whose guest came closest to the amount, was awarded the apron and an additional prize.

Mrs. Dale Zeller, Mrs. Edwin Tibbs, Mrs. Viola Cook and Mrs. Irma Wilson were on the entertainment committee. After the disclosure of secret pals, new names were drawn for the year.

Lunch was served by Mrs. Harry Cays, Mrs. Cecelia Gish, Mrs. Edw. Dooly and Mrs. August Wagner.

This committee will have charge of entertainment at the October meeting. The lunch committee will include Mrs. Robert Seeger, Mrs. Darwood Falter, Mrs. Ollie Schaefer and Mrs. Glen Olson.

Mr. and Mrs. Ralph Dooly and daughter, Patty Lynn, Ransom, spent Monday evening in Kempton. Mrs. Dooly attended the Royal Neighbors meeting and Patty Lynn spent the time with Donna Lambert.

## IN THE PAST 7 DAYS 17 NEW CAR BUYERS WERE

# SURPRISED

## HOW EASY IT IS TO OWN A 1956 CHEVROLET or DEMONSTRATOR

Come In, Tell Us The Deal You Want... No Doubt You Will Be Pleasantly Surprised, Too!

Yes, you can make out your own "New Car Order Form"—be your own salesman—at Key City Chevrolet. In keeping with our volume operation methods every effort is made to reduce the time and overhead on each transaction without sacrificing attention and service to the purchaser. This New Car Order Form is designed to increase our sales and your SAVINGS. It will require less than five minutes for you to complete this form. The directions are easy to follow.

1. Check the model of Chevrolet that you would like to purchase.

	STANDARD	DELUXE	BEL AIR
2 DOOR SEDAN	\$1887.00	\$1986.00	\$2031.00
4 DOOR SEDAN	\$1923.00		
DEL RAY COUPE	\$1941.00		
SPORT COUPE			\$2130.00
SPORT SEDAN		\$2057.00	\$2175.00

2. Chevrolet builds three series of cars differing in trim and finish.

	STANDARD	DELUXE	BEL AIR
2 DOOR SEDAN	\$1887.00	\$1986.00	\$2031.00
4 DOOR SEDAN	\$1923.00		
DEL RAY COUPE	\$1941.00		
SPORT COUPE			\$2130.00
SPORT SEDAN		\$2057.00	\$2175.00

3. Fill in the cost of the accessories you want with your Chevrolet and add their amounts.

RADIO	\$74.00	
AIR FLOW HEATER	75.00	
POWER GLIDE	190.00	
SPECIAL TUNING FINISH	30.00	
WHITEWALL TIRES	36.00	
V8 ENGINE	100.00	
POWER PAK	55.00	
TOTAL		

4. I Want \$ for My Car

MAKE	YEAR	CONDITION OF CAR IS
		Excellent
		Good
		Average
		Poor

5. THIS IS YOUR KEY CITY MOTORS VOLUME DEAL FIGURED BY YOU

New Car Price (1)	30 Month Table Finance Chart

## Worst Dry Spell Since Southwest

DALLAS — Everywhere in the Southwest Saturday the cry is for rain while farmers and ranchers stagger under what some experts have termed the worst drought since the vast region was settled.

In Texas, Arizona, Oklahoma and New Mexico, ranchers are including their breeding herds, because there is no feed for them.

In this great wheat area, which also includes Colorado and Kansas, farmers are "dusting" in their seed and hoping enough rain will fall to bring up the crop.

Most of these states are in the "dust" area, but the fear of wind erosion is not so great in the fall because the severe winds do not occur. There has been some local blowing.

CITIES AND forested areas also are suffering. Water supplies are extremely low for many cities, while forest and prairie fires are a constant threat, and often occur.

The drought actually dates back to 1947. There hasn't been much rain since, except in 1949, and most experts say this is the worst year yet.

G. G. Gibson of the Texas Experiment Station this week said "farmers and ranchers now face probably the most severe situation in their history."

The New Mexico drought remains unabated with farmers dreading the possibility of a "hard freeze" for winter forage are poor and supplemental feeding is under way in nearly all areas.

Prospects of Rio Grande runoff in New Mexico are poor with only 10 per cent of the normal flow expected for the current year from Colorado watersheds.

In Oklahoma, a large number of towns are restricting water usage as Texas towns report all reservoirs are nearly empty.

The Grand River—eastern Oklahoma—water shed, which extends into Kansas and Missouri, is said by the engineers to be "dried in history."

In Oklahoma City, Houston and Dallas and surrounding areas rainfall this year is only about half normal.

THE DROUGHT is intensifying in Kansas, which has had almost no effective rain during September. Hot, drying winds have made the situation worse.

The Kansas drought cut the crop to the lowest level in 20 years.

Kansas pastures are seared and providing almost no feed for stock. The drought has also cut the water supply in the state's reservoirs.

The Weather Bureau in Arizona calls it one of the worst drought periods on record there.

The Weather Bureau in Arizona calls it one of the worst drought periods on record there.

Colorado, already suffering, underwent one of the driest Septembers in many years.

The speed of 186,000 miles per second — never before reached by man-made projectiles — has been attained in Caltech's souped-up synchrotron.

"We're just about one ten-millionth behind the speed of light," is the way Dr. Robert F. Bacher, chairman of Caltech's synchrotron project, said.

The speed of light is 186,000 miles per second. The synchrotron has accelerated electrons to a high energy of 1,200,000,000 electron volts, giving great hope for future discoveries about the atom.

"This new high energy level," Dr. Bacher said, "will greatly extend our ability to pursue research on the nature of the atom's nucleus."

Dr. Bacher said the synchrotron — a circular atom-smasher, 105 feet in circumference — will be operated in the 1 to 1 1/2 billion-volt range in an "attempt to produce and examine some of the most fundamental particles in nature."

The purpose of the synchrotron is to produce X-ray beams powerful enough to blast atoms apart. The synchrotron, which cost a five-year investment of more than one million dollars by the Atomic Energy Commission.

## LIKE NAMES NEW JERSEY JUDGE TO HINTON POST

WASHINGTON (UP) — President Eisenhower Saturday chose William Joseph Brennan Jr., 50-year-old New Jersey judge who is a Democrat and a Catholic, to fill an impending vacancy on the U. S. Supreme Court.

The White House announced that Brennan, now an associate justice of the New Jersey Supreme Court, will be appointed to the nation's highest tribunal on Oct. 15 to succeed Justice Sherman Minton, who is retiring because of failing health.

The President's choice of the dark-haired, stocky jurist from Newark surprised this political-minded capital which had looked for him to name a Republican.

Brennan's appointment will leave the court with six Democrats and three Republicans.

IT ALSO SURPRISED Brennan, who told newsmen after a visit with President Eisenhower Saturday that he had no inkling he was under consideration until he received a telephone call from Atty. Gen. Herbert Brownell Jr. Friday night.

Brennan will be the first member of the Catholic faith on the high bench since the death in 1949 of the late Associate Justice Frank Murphy of Michigan.

He will serve under a recess appointment until January when the President will submit a formal nomination to the Senate for approval.

It is Mr. Eisenhower's third appointment to the court. He told his news conference Thursday that he was searching the nation for the "best qualified" judge.

White House Press Secretary James C. Hagerty told reporters that Brennan settled on the Catholic faith on the high bench since the death in 1949 of the late Associate Justice Frank Murphy of Michigan.

Under Nicaraguan law, Somoza's son, Luis, succeeds to the presidency. As president of Congress, Luis was first vice president designate, and was a candidate for reelection by Congress Saturday. A younger son, Anastasio Jr., 32, a West Point product, is chief of the national guard, Nicaragua's army.

The 200-pound strongman had shown a slight but steady improvement since the Sunday night operation, and a paralysis of the left side from a bullet wound in the lower spine had almost cleared up.

He had been in bed for a week, and his death was announced at 5:06 p.m.

IN WASHINGTON, President Eisenhower expressed personal regret at the death of a man who he had known for many years, and who had been a close friend of the United States.

Nicaragua was placed under a state of siege immediately after the shooting, and Somoza's sons began a roundup of hundreds of political opponents. Indications, however, were that the assassin acted Continued on Page 6, Column 2

U. S. Charges Red China Using Dope On Troops In East

WASHINGTON — Harry J. Anslinger, U. S. narcotics commissioner, said Saturday Red China is pushing large amounts of narcotics into the free world with twin aims of making money and causing debauchery, particularly among U. S. troops and civilians in the Far East.

Anslinger told of Communist Chinese laund, air and sea smuggling of tons of opium, morphine and heroin in a symposium published by the House Committee on Un-American Activities.

The 475-page volume, the second in a two-part series entitled "Soviet Total War," also contained writings by other well-known figures describing different aspects of the Communist menace.

Anslinger said that while the Peiping government aims at making a huge profit by peddling narcotics, it is more important to "red target" its use "as a vehicle of physical deterioration and moral debauchery."

Funeral services will be held this afternoon for a Cabery man who died following a collision of two semi-trailer trucks at the intersection of Routes 115 and 116 about three hours ago.

John Fagan, 51, died about 7 p.m. Friday in St. Mary's Hospital following the accident three hours earlier.

State Police Captain Thomas Kettman said Fagan's northbound truck ran a stop sign and crashed into the side of an eastbound truck. The other truck was driven by Clyde Boyd, 31, of Stockton.

DAMAGE WAS estimated at \$10,000 to the truck driven by Fagan, a driver for Warmish Trucking Co. The other truck sustained about \$500 damage.

A coroner's jury was impaneled at 11 a. m. Saturday. Morris Yates, Essex survives.

## Worst Dry Spell Since Southwest

DALLAS — Everywhere in the Southwest Saturday the cry is for rain while farmers and ranchers stagger under what some experts have termed the worst drought since the vast region was settled.

## Local People To Enroll In High School Study Courses

Four adult evening courses, as well as an adult study plan leading to a high school diploma, will be offered by the Kankakee District 111 starting this week and next week.

The courses offer Kankakee area residents a chance to join 35 million other Americans who are taking some kind of course in their spare time.

The courses, in addition to the high school diploma plan, are: General studies—beginning Spanish, beginning French, mathematics review, public speaking, reading acceleration, lip reading for adults, applied psychology, beginning typing, beginning shorthand, beginning bookkeeping, stenography.

Courses for industry: fundamentals of electricity for appliance manufacturing, practical mathematics for industry, fundamentals of drafting, welding, machine shop, automotive testing. Hobby and recreation courses: beginning square dancing, advanced square dancing, swimming for men, swimming for women, painting for fun, crafts, travel.

Registration will be from 7 to 9 p. m. Wednesday and Thursday on the main floor of Kankakee High School.

Enrollment also can be done by mail by writing Director of Adult Education, Kankakee High School, Kankakee, Illinois, giving name, address and course desired, and enclosing a check or money order to cover tuition.

Tuition for most of the courses is \$16, payable at the time of registration. Most of them meet one night a week for 16 weeks, although some are shorter.

Except for fundamentals of electricity, practical mathematics and drafting the courses will start the week of Oct. 8.

The adult education program is sponsored by Kankakee School District 111 on a self-sustaining basis. The Board of Education gave a go-ahead to the project last spring as one means of getting fuller use from school facilities.

Since the courses are self-sustaining, persons enrolling need not be residents of Kankakee District 111.

The Chamber of Commerce, and other industrial, business and labor groups have helped with the planning. Edwin Pearson, district education coordinator in the high school, is director of the program.

THE CLASSES will not meet on holidays or during the weeks of Dec. 24 and 31. They will be held at the high school.

Teachers will be from the Kankakee faculty, or from among other Kankakee residents who are leaders in their fields.

The separate work towards a high school diploma will follow a plan approved by the North Central Association accrediting agencies.

Students in this will be able to elect nearly any basic subject. They will be provided with study outlines, and study materials. Each will spend one night a week with his supervising instructor who will check his work, answer questions and direct his study.

Each student will travel at his own rate, but will not be permitted to finish the equivalent of a one-semester subject in less than five weeks.

Students wanting to take any of the other 24 courses for high school credit should consult Pearson about it.

College credit courses will be offered as soon as they can be arranged.

try: Mondays and Thursdays, 7-9 p. m., starting Thursday, Oct. 4. Teacher—Mildred Hopkins, high school faculty. Tuition—\$18. Sixteen weeks.

Fundamentals of training: Wednesdays, 7-10 p. m., starting Oct. 3. Teacher—Henry Hoff, high school faculty. Tuition—\$20. Sixteen weeks.

Welding: Tuesdays, 7-10 p. m., starting Oct. 3. Teacher—James Pennington, high school faculty. Tuition—\$16. Sixteen weeks.

Machine shop: Thursdays, 7-10 p. m., starting Oct. 3. Teacher—James Pennington, high school faculty. Tuition—\$10. Ten weeks.

Automotive testing: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Thomson Settle, high school faculty. Tuition—\$10. Ten weeks.

Ten weeks. Deals with electrical and ignition systems.

Beginning square dancing: Mondays, 7-9 p. m., starting Oct. 3. Teacher—Stanley Weber, supervising principal of Telford and Washington schools. Tuition—\$10 per couple. Ten weeks.

Men's swimming: Mondays, 7-9 p. m., starting Oct. 3. Teacher—Don Henderson, high school faculty. Tuition—\$10. Ten weeks.

Advanced square dancing: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Stanley Weber, supervising principal of Telford and Washington schools. Tuition—\$10 per couple. Ten weeks.

Women's swimming: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Eleanor Hoeltzel, high school faculty. Tuition—\$10. Ten weeks.

Painting for fun: Thursdays, 7-9 p. m., starting Oct. 3. Teacher—Richard Brum, high school faculty. Tuition—\$16. Sixteen weeks.

Touching on fundamentals of arithmetic and review of algebra and geometry. Previous study of algebra and geometry unnecessary. Sixteen weeks.

Public speaking: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—John Dittmar, high school faculty. Tuition—\$16. Sixteen weeks.

Reading acceleration: Tuesdays, 7-9 p. m., starting Oct. 3. Teacher—Raymond Baugh, high school faculty. Tuition—\$16. Sixteen weeks.

Practical speaking rather than a theory course. Sixteen weeks.

Lip reading for adults: Tuesdays, 7-9 p. m., starting Oct. 3. Teacher—Barbara Bono, speech correctionist. Tuition—\$16. Sixteen weeks.

Designed for those who are hard of hearing. Sixteen weeks.

Beginning psychology: Thursdays, 7-9 p. m., starting Oct. 3. Teacher—to be announced. Tuition—\$16. Sixteen weeks.

Stenography: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Edwin Pearson, high school faculty. Tuition—\$16. Sixteen weeks.

Fundamentals of electricity for appliance manufacturing: Tuesdays, 7-10 p. m., starting Tuesday, Oct. 2. Teacher—Roger Farrington, high school faculty. Tuition—\$20. Sixteen weeks.

Salvage: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Raymond Baugh, high school faculty. Tuition—\$16. Sixteen weeks.

Salvage: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Raymond Baugh, high school faculty. Tuition—\$16. Sixteen weeks.

Salvage: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Raymond Baugh, high school faculty. Tuition—\$16. Sixteen weeks.

Salvage: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Raymond Baugh, high school faculty. Tuition—\$16. Sixteen weeks.

Salvage: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Raymond Baugh, high school faculty. Tuition—\$16. Sixteen weeks.

Salvage: Wednesdays, 7-9 p. m., starting Oct. 3. Teacher—Raymond Baugh, high school faculty. Tuition—\$16. Sixteen weeks.

## Olivet College Student Dies Of Leukemia

A 23-year-old Olivet Nazarene College student died at 7 p. m. Friday in a Springfield hospital, the victim of leukemia.

Thomas Harlan Milby, son of Mr. and Mrs. J. Harlan Milby, was a senior at Olivet Nazarene College and was taking a sabbatical leave from his home in Springfield and later to a hospital there. Milby had been doing several years.

He was born in Springfield in July, 1933. He married the former Carolyn Thompson of Springfield. She and a son, Douglas Allen, 19 months, resided with him on the campus.

His father is a member of the Olivet board of trustees and operates an office supply firm in Springfield.

Young Milby was assistant manager of the Utility Stationery Store in Kankakee. He was majoring in business administration at Olivet.

Funeral services will be held Monday in the First Church of Nazarenes, Springfield. Burial will be in Springfield.

NEW CASTLE, Pa. (UP)—A prisoner tried to dig his way from jail Friday but failed because of a terrible sense of direction. The inmate burrowed through a brick wall into an adjoining cell, Warden Benjamin E. Hearland said.

The left front part of Taden's eastbound car hit the left front part of Patterson's truck, according to Tomblin.

Tomblin said he gave Taden a ticket charging him with being in the wrong lane. Damage was estimated at \$800 to the truck and \$1,000 to Taden's car.

## Discuss Proposals For Airport Aid

How Kankakee might qualify for state and federal funds to build a municipal airport was the subject for discussion among members of the Chamber of Commerce Aviation Committee today.

Building of a larger airport here to handle commercial passenger planes has been discussed for several years. Kankakee County voters at one time turned down a proposal to establish an airport authority with taxing powers.

About a year ago, the Chamber

## Area Traffic Deaths Down 1st Half Of Year

Traffic deaths were cut by one-third in Kankakee and five surrounding counties in the first half of 1956, according to figures just announced by Edwin A. Rosenstone, state director of public works and buildings.

But 40 percent were killed and 1,553 injured in the six-county area during the first six months of the year.

Grundy County led the decrease in fatalities, with four deaths the first half of this year, compared to 14 in the first half of 1955.

Kankakee County deaths dropped from 17 to nine.

The county, however, has not fared quite as well in the second half of this year, and deaths now total 18, as compared to 23 by the end of September last year.

Troop's County's death toll dropped from 14 to eight for the first half of the year, Livingston County's from 16 to nine, Ford County's from four to three, and Will County's from 27 to 25.

HERE ARE THE complete six-month totals for Kankakee and surrounding counties, with figures for the first half of last year in parentheses:

Kankakee County: accidents—64 (53), killed—9 (17), injured—310 (283).

Troop's County: accidents—257 (302), killed—8 (14), injured—196 (236).

Ford County: accidents—29 (121), killed—3 (4), injured—58 (73).

Grundy County: accidents—138 (141), killed—4 (14), injured—94 (72).

Livingston County: accidents—297 (235), killed—5 (16), injured—197 (178).

Will County: accidents—1,304 (1,263), killed—25 (27), injured—710 (711).

Statewide, there were 69,951 accidents, 929 killed and 41,483 injured.

TRAVEL INCREASED 1 per cent, accident rates were up 4 per cent, fatalities were down 1 per cent and the travel-death rate was down 3 per cent.

There were 85 non-fatal accidents for each fatal one.

Fatality free counties during the first half of the year were Brown, Gallatin, Greene, Perry, Putnam, Schuyler and Scott. Brown, Greene and Schuyler repeated a 1955 record.

The leading age bracket among drivers in accidents was 25 to 34 years. Rosenstone said in a report to Gov. William G. Stratton, Of 23,697 drivers involved in mishaps, most out-of-control women by a ratio of about seven to one.

## Civic Association Considers Needs Of Community

Gary Dubbert, Ross Reagan and Edward F. Smith were elected to two-year terms as directors of the Kankakee Civic Association Friday night.

The seven-member board of directors will meet Oct. 7 to elect officers. At a meeting last week, the board of the not-for-profit organization of Kankakee residents, Dubbert and Smith were re-elected to represent West Meadview, and Reagan represents Merle Cote as an East Meadview representative on the board.

The group asked for a study to determine if there is anything in previous contracts on the Meadowsview-Bradley sewer which exempts Meadowsview residents from the added 50 per cent fee for sewer service outside the village.

The group also suggested making a four-way stop where the new Evans avenue extension will join Brookmood boulevard near St. Patrick's Central High School, and asked for posting of streets near the school with school zone signs.

The possibility of building a club house in the Meadowsview park and a swimming pool later on, also was discussed.

The group decided to try to arrange a meeting with Nathan Dal Santo to discuss a contract for garbage and rubbish pickup.

Street lighting for East Meadowsview also will be pushed, it was reported.

Speeding, lost rodders, and possible danger to school pupils walking in the streets—also was discussed.

operator of the present airport were also discussed.

It was decided to further explore the possibility of some public body operating the airport and to get concrete ideas on land acquisition in an attempt to get a definite program underway before Jan. 1.

Other members of the committee are: Joseph A. R. H. Leland, Bauer, William Brandenburg, J. H. Brinker, C. F. Close, Lloyd Graham, Donald Gray, Evans Jasper, Harold J. Jester, Koenner, George Luhrs, Ed P. Madison, Edward McBroome, William Reising, Leo Benmiller, Burrell Small and Paul Tolly.

DEMOCRATIC CANDIDATE FOR STATE TREASURER

Meet These Gentlemen Personally. Invite Your Friends to Come With You. Refreshments. Everyone Welcome!

## Seek End To U. S. Pine, Philippine

MANILA (UP)—An influential bloc of Filipino congressmen have urged abrogation of the 1947 U. S.-Philippine military bases agreement if the United States refuses to revise it.

The House of Representatives is examining the issue heard arguments for abrogation from a powerful group of committee members.

The committee agreed to meet next Friday to continue its study of the stalemate between American and Philippine negotiating panels on the question of court jurisdiction over U. S. bases in the Philippines.

Committee Chairman Arturo M. Tolentino Nacionalista said his group would also investigate charges that the Philippine government failed to take steps to insure effective use of U. S. military assistance.

The pro-abrogation argument was led by Congressmen Miguel Cuenco, Joaquin R. Roces, Cornelio Villareal, and Ferdinand Marcos. Cuenco and Roces are Nationalists and Villareal and Marcos Liberals.

Former U. S. Undersecretary of the Army Karl Bendisen, head of the U. S. panel, has returned to Washington to confer with his government.

The abrogation forces argued it would be useless for Bendisen to return to Manila unless the United States backed down on the jurisdiction issue.

The Philippines insists it have jurisdiction over criminal cases involving members of the U. S. armed forces.

**OIL FOR A GAS FURNACE.**  
TORONTO (UP)—Fuel truck pulled up to the home of Mrs. Stefan Chorny Friday. The driver poured 200 gallons of oil into her basement before Mrs. Chorny could explain she had no oil tank because she had recently switched to gas for heating.

## Aid Fortcoming To Congregational Building Program

Financial aid for the acquisition of a building site has been approved for the First Congregational Church of Kankakee by the board of home missions, Congregational Christian Conference, New York City.

The site the church has chosen is a 1.5-acre tract located at the intersection of the new Evans Park road, across from the present Shoreacres Subdivision.

Arthur and Clara Beckman donated 1.5 acres for the church lot and 3.1 acres will be purchased by the congregation. The church, organized last December, now holds Sunday worship services in Civic Auditorium.

In the past two years the board of home missions has helped in the establishment of 56 churches in 26 states.

Churches receiving the money use it for the erection of new churches, the purchase of parsonages, the erection of Christian education buildings, the enlargement and renovation of existing churches and the purchase of sites for new churches.

**Highland Park Seeks Victory In Vote Contest**  
HIGHLAND PARK (UP)—A festive parade Saturday dramatized Highland Park's voter registration drive with Wausau, Wis.

Voter registration has reached a record peak in the northern Chicago suburb. More than 575 workers were making door-to-door calls on every resident in the city, population 24,000, in an effort to attain 100 per cent registration.

Saturday's activities included the crowning of a mystery queen, a parade of foreign sports cars representing the high voter registration in other nations and numerous armed service drill teams and color guard units.

## Good Business News Doesn't Effect Market

NEW YORK (UP)—Stocks this week suffered their worst decline since May 22, 1956, as the market reacted to good business news.

Selling was persistent most of the time. The record 4 1/2 decline was the same as in the two preceding weeks except that this week's loss rally came on Wednesday instead of Friday.

The same reasons applied—Suez, politics and tight money. Other factors involved included a further congest in farm implement inventories, decline in home building and further difficulties for the textile business.

**Missionary To Speak At Cullom**  
CULLOM (INS)—Dr. Carl W. Oberdorfer, missionary to India who is on furlough, will speak at missionary services this morning and at 7:30 p.m. today at St. John's Lutheran Church.

Dr. Oberdorfer is a member of the India mission staff of the American Lutheran Church. He will tell of his experiences in India.

steel strike which cut into revenues.

MANY BIG STOCKS touched new lows on the week, including American Telephone, Du Pont, Coca-Cola, American Can, Allied Chemical, Woolworth, Southern Pacific, Union Pacific, Santa Fe, Illinois Central, Texas Gulf Sulphur, Goodyear and Chrysler.

**FEMININE HATS IN RING**  
WASHINGTON (UP)—Mrs. Harry S. Truman, Mrs. Estes Kefauver, and other prominent Democratic women tossed their old hats into the ring Friday night. They donated the hats for an auction held at a Democratic women's day program.

## Jury Says Sudden Death Of Child Is By Natural Cause

A three-month-old child died here Monday of natural causes from intestinal pneumonia, a coroner's jury found Saturday morning.

The child was found dead in a crib in the home of Mrs. Arthur Billadeau, son of Mr. and Mrs. Arthur Billadeau, 903 S. Third Ave. The Kankakee emergency squad was unable to revive the infant when it was called to the Billadeau home at 7:11 a. m. Monday.

An autopsy report said the infant's lungs had filled with fluid from the interstitial pneumonia, which is usually caused by a virus. The condition occurs frequently among children up to six months old, according to Yates.

**First Voters Day Observed Monday**  
SPRINGFIELD (UP)—Monday has been designated by Gov. William G. Stratton as first voters day in Illinois in honor of the young people who will be eligible to vote for the first time in November.

The governor urged the cooperation of all civic-minded individuals and organizations in getting the eligible citizens of Illinois, who have not participated in prior elections, registered to vote in the November election.

**St. Louis Men Found Guilty On Tax Charge**  
ST. LOUIS (UP)—Two St. Louis hoodlums, Anthony Lipparo and Anthony J. Giardano, were found guilty Friday night by a jury in Federal Court of charges of conspiring to evade income taxes.

The pair are former operators of the defunct Twin Cities Distributing Co., a cigarette vending machine.

They were convicted of evading \$12,446 in taxes in 1953. Another count of filing a false tax return was dismissed.

The government charged that Lipparo and Giardano, as part of the conspiracy, used counterfeit city cigarette tax stamps and used "coercion" in selling their stamping service to other firms.

Federal Judge Roy W. Harper set Oct. 29 for sentencing. They face a maximum possible penalty of five years in prison and a \$10,000 dollar fine each.

## Wa-Pa-Pa Girls In Play Day Scramble

On the heels of a runaway football, these girls are participating in "Play Day" activities held Saturday in Beckman Park. While it is not as rough as football, the game, Norwegian ball, is filled with scrambles for the elusive target.

Karen Swanson (on top) and Marcia Brelbarth hit the turf as (from left) Shirley Line, Sue Custer, Marjorie Brails, Janet Beedle, Sharon Allsatter and Paddy O'Brien race for the football. The day was set aside for games by members of the Girl Scouts and Brownies of Wa-Pa-Pa Neighborhood. Activities get under way at 10 a.m. and continued until 2:30 p.m. The girls brought slippers, sack lunches and 5 cents each. Adults were on hand to supervise the fun. (Journal photo)

## Drivers Fined, Forfeited Bond On Traffic Charges

Traffic violators who were fined or forfeited bond in Police Magistrate Paul Davidson's court Saturday included:

Michael Long, 18, Skokie, \$10 for having no driver's license.

Gale Arsenault, 19, Martinton, \$15 for driving against traffic.

Clarence W. Ratcliff, 31, 124 N. Monroe Ave., Bradley, \$14 for having a loud or defective muffler.

Charles Schroeder, 49, Milford, \$18 for driving 44 miles an hour in a 30 zone in the 1000 block of S. Schuyler avenue.

Oscar Jordan, 66, of 447 N. Hobble Ave., \$15 for failure to yield the right of way.

John J. Tofari, 19, of 784 N. Greenwood Ave., \$18 for traveling 36 miles per hour in a 25 zone in the 600 block of N. Dearborn avenue.

Edward C. Goldstein, 20, Carbonate, \$18 for speeding 44 miles per hour in a 30 zone in the 900 block of S. Schuyler avenue.

Caydon Dale White, 19, RR. 1, Kankakee, \$15 for driving 38 miles per hour in a 25 zone in the 800 block of E. Oak street.

**SUNDAY GOOD DAY FOR ACCIDENTS**  
Going driving this afternoon?

"The typical accident happened between intersections on a straight stretch of highway on a dry clear Sunday afternoon," state officials pointed out today as they reported 929 traffic deaths during the first half of 1956.

During too fast for road conditions was the greatest among 24 apparent principal causes of the state's 69,951 accidents in the first half of 1956.

Here's why the new '57 Ford body rides so silent, solid and secure

"Sculptured from solid steel" That's the feeling you get when you feast your eyes on the new kind of Ford. And that's the feeling you keep through thousands of miles of road travel... come rough or smooth.

The doors swing shut with the polished precision of a bank vault. Inside, you sink back luxuriously into seat comfort such as you'll rarely meet even in the finest of living rooms. The engine starts... you're off. But wait, something's missing... where's the noise?

That's right, let the traffic roar, you can talk in whispers inside the new Ford. It's sound-conditioned against outside and inside noise. More than that, it's insulated and sealed. And, it's solid! Never before in Ford's field has there been a body with so much extra bracing, so firmly anchored to its foundation.

For a totally new kind of ride in a totally new car, see your Ford Dealer Wednesday! Be among the very first to Action-Test the new Ford.

Passengers ride low, between the new contoured frame members of the new '57 Ford for greater safety and comfort. The whole car's so low it hugs the road like a coat of paint. There's even more room inside... and you can get in or out easier than ever. Here's a car with a difference... that you'll love!

Your Tomorrow Starts with a New Kind of Ford—see it Oct. 3rd.

**SEARS**  
Satisfaction guaranteed or your money back

**Stiffer Legislation Would Help Win Battle**  
WASHINGTON (UP)—1952 A. D. King, King of England decreed that any baker who cheated on weight should be "drawn upon a hurdle" through the streets which are most dirty, the false loaf hanging from his neck.

Today cheating in food is still big business.

The U. S. Food and Drug Administration says ruthless cheaters are robbing the American public of millions of dollars a year by outwitting swindlers and high-pressure sales tactics.

**Home Bureau Unit Of Wichert Holds September Meeting**  
Home Bureau unit met Thursday afternoon in the home of Mrs. Harold Stutzman with Mrs. Albert Tarras as assisting hostess.

Eighteen members and two guests were present. Guests were Mrs. Harry Osterhoff Jr. of Monmouth and Mrs. Doris Hemstreet of Kankakee. Mrs. Peter DeYoung, president, presided. Jacob Schaefer, secretary, and Mrs. Andrew DeGroot, treasurer, reported.

The major lesson was presented by Mrs. Hemstreet. She spoke on "What To Look For In Selecting Pile and Smooth Floor Coverings."

Music was under the charge of Mrs. Vernon DeVries, music chairman. Mrs. William Hockstet, recreation chairman, was in charge of games. The minor lesson, "Gardening For Meats and Desserts" was presented by Mrs. Mike Mulder.

**2 Youths Admit Damaging Auto, Stealing Beer**  
One 17-year-old boy was fined \$5 for disorderly conduct and a 16-year-old youth was turned over to county juvenile authorities after County Treasurer A. M. Monahan's car was damaged and two cases of beer stolen from a delivery truck Friday afternoon.

The incident happened in an alley at the rear of 215 S. Schuyler Ave. when Monahan found that the distributor cap had been taken from his car motor and spark plug wires had been torn off.

The parts from the car engine were found in a rubbish pile. Two witnesses were found who had seen the boys tinkering with the engine and beer from the truck, which was also parked in the alley.

The boys admitted the acts after they were caught, according to the police report.

**BOMBARD REBELS**  
LONDON (UP)—The Admiralty has announced that two Australian destroyers Friday bombarded Communist rebel positions in Malaya. Rebel guerrillas have been fighting British ships since 1946 in the Malayan jungles.

**Will Attend State Convention**  
At least three members of the Kankakee County Board of Supervisors plan to attend the 47th annual convention of the Township Officials of Illinois Tuesday through Thursday at Peoria.

They include Edward F. Schwark, supervisor of Salina Township; Carl Fritz, supervisor of Elgin Township; and Walter J. O'Connor, supervisor of Limestone Township. Russell Hendrickson, assistant Manly Township supervisor, also may attend.

Mrs. Fritz and Mrs. O'Connor will attend the convention where special events for women are planned.

Schwark is a director of the state group.

**Plan Emergency Hospitals For Iowa Communities**  
DAVENPORT (UP)—C. E. Fowler, Iowa civil defense director, said here Friday 200-bed emergency hospitals will be built by the civil defense administration in seven Iowa communities.

Fowler said equipment for the hospitals is now stored at a civil defense warehouse at Hampton.

Speaking before a meeting of the Iowa Catholic Hospital Assn., Fowler said plans are to build the hospitals at Davenport, Council Bluffs, Des Moines, Cedar Rapids, Dubuque, Sioux City and Burlington.

He said a move is underway to secure a 25,000 square foot building site within 30 miles of the Davenport area.

**Food Swindlers Cheat U. S. Out Of Millions**  
Americans spend half a billion dollars a year on food additives, whether a new food additive is safe.

"And while we are obtaining the proof," he said, "the chemical can be used in the food we eat."

Meanwhile, scientists here and abroad are racing to find out if the chemicals are safe and if some chemicals similar to those used in processing food do

**Area Traffic Deaths Down 1st Half Of Year**  
Traffic deaths were cut by one-third in Kankakee and five surrounding counties in the first half of 1956, according to figures just announced by Edwin A. Rosenstone, state director of public works and buildings.

But 40 percent were killed and 1,553 injured in the six-county area during the first six months of the year.

Grundy County led the decrease in fatalities, with four deaths the first half of this year, compared to 14 in the first half of 1955.

Kankakee County deaths dropped from 17 to nine.

The county, however, has not fared quite as well in the second half of this year, and deaths now total 18, as compared to 23 by the end of September last year.

Troop's County's death toll dropped from 14 to eight for the first half of the year, Livingston County's from 16 to nine, Ford County's from four to three, and Will County's from 27 to 25.

HERE ARE THE complete six-month totals for Kankakee and surrounding counties, with figures for the first half of last year in parentheses:

Kankakee County: accidents—64 (53), killed—9 (17), injured—310 (283).

Troop's County: accidents—257 (302), killed—8 (14), injured—196 (236).

Ford County: accidents—29 (121), killed—3 (4), injured—58 (73).

Grundy County: accidents—138 (141), killed—4 (14), injured—94 (72).

Livingston County: accidents—297 (235), killed—5 (16), injured—197 (178).

Will County: accidents—1,304 (1,263), killed—25 (27), injured—710 (711).

Statewide, there were 69,951 accidents, 929 killed and 41,483 injured.

TRAVEL INCREASED 1 per cent, accident rates were up 4 per cent, fatalities were down 1 per cent and the travel-death rate was down 3 per cent.

There were 85 non-fatal accidents for each fatal one.

Fatality free counties during the first half of the year were Brown, Gallatin, Greene, Perry, Putnam, Schuyler and Scott. Brown, Greene and Schuyler repeated a 1955 record.

The leading age bracket among drivers in accidents was 25 to 34 years. Rosenstone said in a report to Gov. William G. Stratton, Of 23,697 drivers involved in mishaps, most out-of-control women by a ratio of about seven to one.

**Food Swindlers Cheat U. S. Out Of Millions**  
Americans spend half a billion dollars a year on food additives, whether a new food additive is safe.

"And while we are obtaining the proof," he said, "the chemical can be used in the food we eat."

Meanwhile, scientists here and abroad are racing to find out if the chemicals are safe and if some chemicals similar to those used in processing food do

**Area Traffic Deaths Down 1st Half Of Year**  
Traffic deaths were cut by one-third in Kankakee and five surrounding counties in the first half of 1956, according to figures just announced by Edwin A. Rosenstone, state director of public works and buildings.

But 40 percent were killed and 1,553 injured in the six-county area during the first six months of the year.

Grundy County led the decrease in fatalities, with four deaths the first half of this year, compared to 14 in the first half of 1955.

Kankakee County deaths dropped from 17 to nine.

The county, however, has not fared quite as well in the second half of this year, and deaths now total 18, as compared to 23 by the end of September last year.

Troop's County's death toll dropped from 14 to eight for the first half of the year, Livingston County's from 16 to nine, Ford County's from four to three, and Will County's from 27 to 25.

HERE ARE THE complete six-month totals for Kankakee and surrounding counties, with figures for the first half of last year in parentheses:

Kankakee County: accidents—64 (53), killed—9 (17), injured—310 (283).

Troop's County: accidents—257 (302), killed—8 (14), injured—196 (236).

Ford County: accidents—29 (121), killed—3 (4), injured—58 (73).

Grundy County: accidents—138 (141), killed—4 (14), injured—94 (72).

Livingston County: accidents—297 (235), killed—5 (16), injured—197 (178).

Will County: accidents—1,304 (1,263), killed—25 (27), injured—710 (711).

Statewide, there were 69,951 accidents, 929 killed and 41,483 injured.

TRAVEL INCREASED 1 per cent, accident rates were up 4 per cent, fatalities were down 1 per cent and the travel-death rate was down 3 per cent.

There were 85 non-fatal accidents for each fatal one.

Fatality free counties during the first half of the year were Brown, Gallatin, Greene, Perry, Putnam, Schuyler and Scott. Brown, Greene and Schuyler repeated a 1955 record.

The leading age bracket among drivers in accidents was 25 to 34 years. Rosenstone said in a report to Gov. William G. Stratton, Of 23,697 drivers involved in mishaps, most out-of-control women by a ratio of about seven to one.

# Nasser Shakes The World-But Suffers Stage Fright

CAIRO (U)—A black veil weighted with silver coins and jewelry hid the old shepherd woman's face. But her eyes must have shown as she looked across the ditch of water toward Sinai and lifted a scrawny hand to count the ships that passed.

When the 16th and last ship of the convoy had passed in the Suez Canal the old woman cried out: "Long live Gamal Abdel Nasser!"

WAFD, two former mass parties, and were generally hated by their membership. The landlord and merchant classes were against him. Intellectuals and student groups complained that he curbed their freedom. Communists called him a "tool of Western imperialism."

HE IS A CLUMSY speaker and suffers from stage fright. Although a big man—6 feet, 200 pounds—possessing endless courage, he balks at having to face crowds.

"When he tries to wave" at a crowd, he looks like a wooden statue," a friend once complained. In personal contacts, Nasser is a different man. He has an uncanny ability to draw out a person he meets, to pick his brains for information. He speaks English with a heavy accent and with a boyish sincerity that rarely fails to charm. Although dark in complexion, Nasser has greenish eyes that give him an uncanny look.

In conversation, he sometimes breaks into a shrill laugh and narrows his eyes to slits in a way that makes him look like a handsome demon. "If Nasser could talk individually to every person in the world for five minutes a week, he would win over us all," a Western diplomat once said.

Unfortunately, Nasser could not speak to his own people in that way. He had won widespread popularity outside Egypt among other Arab countries in his conflicts with Israel. But he was a prophet lacking honor in his own country. Until July 26, Nasser found the formula for success. He nationalized the Suez Canal.

Nasser announced the nationalization in a speech at Alexandria. On his return to Cairo he heard the spontaneous applause of his people for the first time. He was mobbed.

There are some observers who fear this victory may mean Nasser's undoing. They fear the public response to the Suez Canal nationalization may encourage Nasser to take rash ventures until he ruins his country and himself.

After centuries of foreign domination, Arab nationalism is apt to be negative and destructive. The Arabs primarily are "against" the West and the leader who can hit the West hardest is the most popular.

"Nasser cannot stir the imagination of Arab nationalists by building the Aswan high dam," an old Middle East hand explained recently. "But if the high dam were already built with Western financing, Nasser could capture the imagination of the Arab world by blowing it up."

In personal contacts, Nasser is a different man. He has an uncanny ability to draw out a person he meets, to pick his brains for information. He speaks English with a heavy accent and with a boyish sincerity that rarely fails to charm. Although dark in complexion, Nasser has greenish eyes that give him an uncanny look.

But he was a prophet lacking honor in his own country. Until July 26, Nasser found the formula for success. He nationalized the Suez Canal.

ON THAT DAY, Nasser found the formula for success. He nationalized the Suez Canal.

But to this threat, the big man

## Orphaned Heiress To Live With Grandparents

CHICAGO (UP)—Little Robin Sher went to live with her grandparents Saturday in a temporary truce of a custody fight for the 5-year-old orphaned heiress.

Judge Daniel Cosselli decided to let the girl stay with her grandparents, Mr. and Mrs. Samuel Zilman, until Oct. 10, when a final ruling will be made about which set of relatives she will be raised by.

The decision climaxed a court squabble between the grandparents and two sets of uncles and aunts for the only survivor of an auto crash last August.

Robin was thrown clear of the wreckage in which her parents and sister perished near Fairmont, Minn. She reportedly inherited up to one million dollars.

Three men were fined Saturday on traffic charges by Justice Fred R. Smith.

Robert LaMontagne, 23, 30 Belle Aire Ave., Bourbonnais, whose auto was involved in an accident Thursday evening, was fined \$14 for following too closely. The charge was filed by Deputy Sheriff Walter Jacobs.

Richard Goodrich, 27, 1245 E. Chestnut St., was fined \$14 for speeding on Route 17. Sgt. Edward McGraw of the state police arrested Goodrich.

Earl Swinson, 53, Joliet, was fined \$14 for speeding on Route 45 one mile south of Kankakee. State Police Constable Carley Guenther issued the ticket.

Nasser knows the British and French are out to "get him." He knows that if these powers choose to use force it will be the end of Gamal Abdel Nasser.

But to this threat, the big man

## Time Is All Mixed Up In Indiana

By UNITED PRESS

Daylight time ends in some parts of the nation today but most areas won't set back the clocks for another month.

California is among the areas that switched back to standard time.

Indiana will be divided worse than ever between central standard and central daylight time. In that state clocks move back an hour as far north as Williamsport and Attica and as far south as Evansville and North Vernon.

But areas as deep in southern Indiana on the western border as Sullivan will remain on daylight time.

The most confused situations are in Fountain, Warren and Jackson counties, Indiana.

Most of Fountain County's schools will follow Attica and switch to standard time, but Covington and its schools will stay on fast time, following the lead of Danville, Ill.

Veedsburg and Hillsboro likewise will follow the Illinois town. However, their schools will go on slow time.

Meanwhile Indianapolis and most of the east half of the state remain on daylight time, which is the same as eastern standard time.

As if this were not confusing enough, scattered communities throughout the state went on central standard time in mid-September. They included Bloomfield, Worthington, Linton, Bicknell, Schells, Rockport, Cannelton and Tell City.

## Community Chest Message

This message (reading from bottom to top) will be carried to thousands of Kankakee area residents before and during the Community Chest drive which starts Tuesday. Groups of youngsters will visit factories and tour the downtown area, also giving away balloons bearing fund drive messages. The group pictured here is from the Bradley Youth Center. They visited Armour Laboratories Friday. (Journal photo)

## Forrest Area and Drive Starts Monday

FORREST (JNS)—The "One For" drive for the Forrest-Stewart area will begin Monday. Each area has its own budget committee. The proceeds will be divided among the Red Cross, American Legion, polio, cancer, and other groups, the reserve and executive fund, and the Forrest, Town, and Boy Scouts.

Letters are being mailed to each household. They are to be returned to William Follmer or to one of the committee members.

The committee for Forest Township includes E. R. Merfield, chairman; J. N. Bach, vice chairman; Alvin Kennedy, secretary; William Follmer, treasurer; and Bill Stewart, campaign chairman.

The total amount to be raised by the 450 persons to be solicited in Forest Township is \$3,200.

ayette Township, which includes 450 persons to be solicited in Forest Township is \$3,200.

he committee for Pleasant Township includes Mrs. John Follmer, chairman; Mrs. Jim Follmer, vice chairman; Mrs. Harold Follmer, secretary; Mrs. Wayne Follmer, treasurer; and Mrs. Clarence Follmer, campaign manager. The total is set at \$610.

y MIT, Harvard

iv. Students

CAMBRIDGE, Mass. (UP)—A crowd of college students boomed President Truman Friday when he said election of President Eisenhower and a Republican Congress would be a two-day disaster.

"It would be a disaster for Eisenhower and a disaster for the country," Mr. Truman said.

The audience of Harvard University and Massachusetts Institute of Technology students boomed. The former President paused and smiled until the noise subsided and then continued. He concluded his remarks with a "scholarship" discussion of the office of a presidency amid mixed boos and cheers.

Mr. Truman, in his "give 'em hell" campaign style told the student crowd that Mr. Eisenhower was "rescued" by the Democratic Congress elected in 1954.

# "It is the highest privilege of every citizen . . ."

If someone tried to take your vote away, you would probably fight. Yet you can lose the privilege of voting by forgetting to register in time.

So many elections have been won and lost by a tiny handful of votes in each voting area that your personal vote this year could actually decide who is elected.

As President Eisenhower pointed out recently:

"It is not only the highest privilege but the duty of every citizen to vote. Let us remember we cannot vote if we do not register."  
"Lincoln defined this government in three ways: 'of, by, and for the people,' implying that if people did not exercise their right to govern, their government would perish from the earth."  
"I have unlimited faith in America as long as America will express itself. The only thing I should like to see is every American vote!"

Make sure YOU are registered. Remember October 8th is the final day for registration in Illinois. You may register at the Voter's Registration office at the Court House any day from now through October 8th.

REGISTER NOW VOTE NOVEMBER 6!

There is no substitute for Peace and Prosperity. This message sponsored as a public service by Republican Central Committee of Kankakee County.

# Illinois Scores 4 Times In 6 1/2 Minutes To Beat Bears 32-20

CHAMPION (UP) — California's Abe Woodson recovered the fumble in the end zone. Then in trip-hammer fashion three touchdowns made this game a rout for the Bears. The Golden Bears, 15-point underdogs, displayed such passing and running finesse in the first half it looked as if the game would be decided before 54,533 fans, a record home opening crowd.

Then the Illinois linebackers turned into alertness and California, beaten 7-6 by Baylor a week ago, collapsed into futility.

THE third quarter was only a little more than five minutes old when Don Gilkey's poor 19 yard punt for the Bears was taken by Illinois on the California 38. In four plays the Illini scored when fullback Ray Nitschke romped 26 yards, fumbled on the five, and for a 51 yard aerial play that carried the Bears into the end zone.

Joe Contestaville's attempted pass was stolen by Ken Suter, second string Illini center, on the Bears 29, and he galloped into the end zone.

THE Illini tallied again in the first four minutes of the last quarter, which gave them five touchdowns in less than 11 minutes of action.

This time, Stout hit Woodson for a 51 yard aerial play that carried the Bears into the end zone.

## KANKAKEE SUNDAY JOURNAL

Section II — Sports — Sunday, Sept. 30, 1956 — Page 13

THE Illinois game in the second quarter. They thrust 78 yards in four plays as Jackson ripped off 32 yards, and Stewart eventually scored on a 38 yard around end maneuver.

With 15 minutes left before the half, Bill Cooper recovered a fumble by Chuck Schrader, Illini fullback, on the Illinois 31. Contestaville polished it off with a 12 yard touchdown pass to Norm Becker, who sidestepped Schrader for the catch.

"We had to be helped," said Illini coach Ray Elmer after the game. "I guess you can call it luck or the breaks, but, boy, that was a terrific six minutes for us in the third period. We changed our defensive alignments after the first half, especially to work in rushing California's passing. This helped create some of the breaks that came our way."

California ..... 7 15 0 0-20  
Illinois ..... 0 0 30 0-33

California scoring: Touchdowns, Stewart 3 (4 run; 38 run); Becker 12, pass from Contestaville; Conversions: Gianullian, Roberts. Illinois scoring: Touchdowns, Woodson 2 recovered in end zone; 2 pass-run from Stout 1, plunge; Suter 2, interception; Jefferson 11, pass from Stout. Conversion: Miller, Halter.

## Dodgers Defeat Pirates Twice

**Maglie, Labine Post Victories**

BROOKLYN, N. Y. (UP)—Slicker Sal Maglie and sinker-baller Labine pitched Brooklyn to two consecutive victories over the Pirates Saturday by beating Pittsburgh twice, 6-2 and 3-1, in a tension-packed doubleheader which nearly resulted in the nightcap being forfeited to the Pirates.

Labine recorded his 10th victory of the season and hurled his first complete game of the campaign by checking the Pirates on seven hits in the rubber-rimmed nightcap. The foreboding threat came from the fifth inning with Brooklyn leading, 1-0. Roy Campanella opened the frame by catching the Pirate infield napping and setting out a punt down the third base line.

Labine, attempting to sacrifice, forced Campanella at second, rendered while shortstop Dick Groat was high in the air for catcher Mack Hughes' toss, "so-called" the partisan crowd of 26,340 that it set up a tremendous clamor and demonstration of handkerchief waving. The noise continued for nearly 10 minutes and reached such a pitch "in the sixth" inning that the umpires warned Dodger Manager Walt Alton they "might forfeit the game" to the Pirates.

The warning was relayed to the crowd over a public address system and was greeted with boos but it produced the desired effect. Campanella, the storm center of the display against Delmore, put Brooklyn in front when he smashed a two-run homer off the pitcher in the third inning of the night game.

Labine struck out nine and walked four in gaining the triumph. The only run off him came in the eighth when Bob Clemente collected his third hit of the game, a single, advanced to third on Groat's single and came in when Johnny O'Brien bounced into a double play.

Maglie deflected the "jinx" which traditionally follows a no-hit performance as he posted his 13th victory in the opener. Making his first start since pitching a no-hitter against the Phillies last Tuesday night, the 29-year-old Dodger right-hander was fated to two quick runs in the first inning when a Jerry Ingram then hit John Schudrup with a pass on Northwestern's 7. Lating fumbled on the next play as the game ended.

Iowa State ..... 0 0 7 2-13  
Iowa State ..... Touchdowns: Lating 2 38 run; 15 run. Conversion: Schudrup.

Northwestern scored on Touchdowns: McKiever 2, plunge; 28 run. Conversion: McKiever 2.

## Northwestern Holds Off Iowa State 14-13

EVANSTON (UP)—Bob McKiever, a home town product who starred at Evanston High School, scored two touchdowns and added both extra points Saturday to lead Northwestern to a 14-13 victory over Iowa State in the Wildcats' football opener.

McKiever gained 120 yards in 22 carries and made Coach Ara Farnsworth's debut in Big Ten circles a successful one although Iowa State battled down to the end and fumbled on Northwestern's 7 in the third quarter.

Jim Kudinski, a fourth string State's first touchdown with a 38 yard run up the middle that brought the Cyclones back into the game with only six minutes remaining in the third quarter.

LATING also scored Iowa State's first touchdown with a 38 yard run up the middle that brought the Cyclones back into the game with only six minutes remaining in the third quarter.

Until then, Northwestern had completely dominated the game with McKiever doing yeoman work in the line of scrimmage, earning a kickoff and marched 65 yards in 15 plays with McKiever running over for the 2.

Iowa State came trailing 14-0 in the third quarter. The Cyclones punted to Northwestern's 34, but George Gondek fumbled and Chuck Moschler recovered for Iowa State on the Wildcat 32. A 5-yard penalty and a 10-yard penalty put the Cyclones where Lating raced to his first touchdown.

LATE in the fourth quarter, McKiever punted 30 yards to Iowa State's 14. Fullback Mary Walters smashed 23 yards and two more running plays netted Iowa State's 14-13 victory. Walters' drive was capped by a 42-yard pass to halfback Paul Shupe on Northwestern's 15. Lating powered his way into the end zone.

Tackle Andy Cverko of Northwestern fumbled the ensuing kick, but the Cyclones recovered it. The Philis, was the Dodgers' hero, along with Maglie in the first inning and stole second after the Philis' single brought in Gilliam and Amos then clouted his 14th homer over the right field fence.

## Milwaukee Loses!

(For complete report of the Milwaukee-St. Louis baseball game turn to page 1.)

ST. LOUIS (UP)—The St. Louis Cardinals beat the Milwaukee Braves 3-1 in 12 innings Saturday night, the eve of the season's closing, to drop the Braves one full game behind the Brooklyn Dodgers.

Rip Reynolds' double off Eddie Mathews' glove blasted the Braves hope for anything better than a possible playoff with the Dodgers for the National League pennant.

Courageous Warren Spahn, who won his 21th game in the stretch earlier this season, suffered the loss, his 11th, although he gave up but five hits.

WITH ONE OUT in the 12th, Stan Musial doubled against the right field wall. Kenny Boyer was purposely passed, Spahn's second walk, and then Reynolds tagged and down the third base line that bounced off Mathews' outstretched glove.

With the Braves a full game behind, they must win Sunday's game here at Busch Stadium and the Pittsburgh Pirates must beat the Dodgers to bring about a playoff. Brooklyn now has won 92 and lost 61 while Milwaukee has a 91-67 record.

## Nebraska Walloped By Ohio State 34-7

COLUMBUS, Ohio (UP)—Ohio State, using a powerful running attack sparked by a trio of line halfbacks, rolled to a 34-7 victory over Nebraska late Saturday before 62,153 fans, largest opening crowd in Ohio State history.

The Buckeyes, looking for a break-away runner to replace the fabulous Howard "Hopalong" Casper, may have found one in reserve Don Clark. He scampered 35 yards for a touchdown late in the third period and added another on a 38-yard run in the final period.

Nebraska scored its lone touchdown late in the third period when Jerry Petersen, a reserve tackle, broke through to block sophomore Frank Kramel's punt on the Ohio ground and one by air star Lating to trounce inexperienced Marquette, 41-0.

A Camp Randall Stadium crowd of 52,700 watched the Badgers, led by dashing Danny Lewis, score their 13th straight victory over their intra-state rivals from Milwaukee.

The game marked Bill Bruhn's debut as Wisconsin's head coach, ever, in the second half until late in the fourth period when, after being pushed around by Nebraska, they held for down and moved 10 yards to score with Clark going over the goal line.

Ohio moved 77 yards in 12 plays to score the first time it got the ball. Halfbacks Jim Rosboro and Don Sutherland inspired the Iowa gains with Rosboro going over from a yard out on fourth down.

The Buckeyes counted again two minutes later, Don Evans, 165-pound Buckeye end, scooped up the ball and ran 18 yards untouched for a touchdown.

Halfbacks Rosboro and Sutherland set up Ohio's second period touchdowns by intercepting Carhiser quarterback Roy Stinnett's passes.

Rosboro pulled down Stinnett's long pass on Ohio's 33. Eight plays later, Clark, with a fine burst of speed, went 25 yards around left end for a touchdown.

Three minutes later, Sutherland plucked another of Stinnett's passes from the air and the Badgers were on their college pass, hitting Rosboro for 36 yards. He was nailed on Nebraska's 27 by Jim Murphy. On the next play, Buckeye quarterback, Frank Elwood passed to end Fred Kries in the end zone.

Score by periods:  
OHIO STATE ..... 13 14 0 0-34  
NEBRASKA ..... 0 0 7 0-7

Ohio State scoring: Rosboro, Brown, Clark 2, Kries. Conversion: Kries 1, Kramel. Nebraska scoring: Petersen. Conversion: Harshman.

## Washington Loses To Minnesota 34-14

SEATTLE (UP)—Minnesota's Golden Gophers battered favored Washington on the damp turf at Husky Stadium Saturday before 49,000 fans.

Washington couldn't quell the slashing, varied attack of a Minnesota team which scored on defense as well as offense.

THE GOPHERS, skillfully plotted by quarterback Dick Larson, plowed their way to a 34-14 victory, lashed out with a drive of its own that blew up when fullback Jimmy Jones fumbled just after the tie-breaking field goal on a 15-yard career. Dick McNamara recovered for Minnesota and the last hope for the Huskies.

Minnesota ..... 7 7 13-44  
Washington ..... 0 0 7 0-14

Minnesota scoring: Touchdowns: Fairchild (3 pass from Larson), Linton (3 pass from Cox), Borstad (3 plunge), Tuske (3 interception), Schuler (16 pass from Larson). Conversions: Borstad.

Washington scored on Touchdowns: Jones (3 plunge), Sander (2 plunge). Conversion: Sander.

## Normal Wins 3-0

ST. LOUIS (UP)—Normal State's football team Saturday defeated North Illinois State at Decatur, 34, after first defensive work prevented any other scores.

Normal's Jim Barnes, a reserve tackle, played the margin with a sack and a half sack about midway in the second quarter.

## Purdue Mixes Offense To Trim Missouri

LAFAYETTE, Ind. (UP)—Purdue, mixing Len Dawson's passes with the running of Mel Dillard and little Tommy Fletcher, beat Missouri Saturday, 16-7, in a successful game for new head coach Jack McInerney.

More than 46,000 fans were treated to some dazzling running through the "tiger" series secondary in the third period to give the Boilermakers a 14-7 advantage. They added a safety in a wild fourth period.

Dawson, who tossed four touchdowns passes against Missouri in his varsity debut two years ago, couldn't connect for a marker to tie the game. Still, his aerials gained 120 yards on eight of 17 completions.

THE GAME, played in 85-degree temperatures, started off fast with Purdue blasting out its first touchdown on the opening kickoff. In 11 plays the Boilermakers marched 80 yards. Two passes from Dawson to Bob Kohnke set it up, and Dillard plugged over for the score.

A few moments later, Purdue was driving downfield again, following Ed Voytek's recovery of Charles James' fumble, but the Tigers held on their five.

The Tigers roared right back as the second half opened. Quarterback Jim Hunter returned Dawson's kickoff 88 yards. Dave Doane, another quarterback, passed 16 yards to James and Doane leaped over for the score on the next play. Charles Rash converted to tie the score.

THEN FLETCHER went to work in earnest. Purdue took over on its 27 following a punt exchange, and four plays later Fletcher wiggled his way through half a dozen Missouri defenders for 35 yards and the score. Dawson again converted.

Missouri failed to muster another sustained drive. In fact, the "tiger" plunked deep in their own territory, had Lady Luck's smile on the fourth stanza. Nick Mumley recovered Doane's fumble on the Missouri four, but Fletcher handled the ball-right back to Missouri on another miscue.

Score by periods:  
PURDUE ..... 7 0 7 2-16  
Missouri ..... 0 0 7 0-7

Purdue scoring: Touchdowns, Dillard, Fletcher. Conversions, Dawson 2. Safety (Doane on pitchout). Missouri scoring: Doane. Conversion, Rash.

## Michigan Tramples UCLA Eleven 42-13

ANN ARBOR, Mich. (UP)—Michigan's ball-hawking Wolverines forced a power-stripped and inexperienced UCLA team into one mistake after another Saturday and thundered to a 42-13 football victory.

A pair of husky sophomore backs playing behind an all-veteran line had a big part in the Michigan triumph in the Wolverines' 76th opening game played before 67,739 fans.

It was the first defeat for the Pacific Coast Conference champions who opened their season last week with a 12-7 win over Utah State in the rubber-rimmed nightcap. The forfeit threat came from the fifth inning with Brooklyn leading, 1-0. Roy Campanella opened the frame by catching the Pirate infield napping and setting out a punt down the third base line.

Labine, attempting to sacrifice, forced Campanella at second, rendered while shortstop Dick Groat was high in the air for catcher Mack Hughes' toss, "so-called" the partisan crowd of 26,340 that it set up a tremendous clamor and demonstration of handkerchief waving. The noise continued for nearly 10 minutes and reached such a pitch "in the sixth" inning that the umpires warned Dodger Manager Walt Alton they "might forfeit the game" to the Pirates.

The warning was relayed to the crowd over a public address system and was greeted with boos but it produced the desired effect. Campanella, the storm center of the display against Delmore, put Brooklyn in front when he smashed a two-run homer off the pitcher in the third inning of the night game.

Labine struck out nine and walked four in gaining the triumph. The only run off him came in the eighth when Bob Clemente collected his third hit of the game, a single, advanced to third on Groat's single and came in when Johnny O'Brien bounced into a double play.

Maglie deflected the "jinx" which traditionally follows a no-hit performance as he posted his 13th victory in the opener. Making his first start since pitching a no-hitter against the Phillies last Tuesday night, the 29-year-old Dodger right-hander was fated to two quick runs in the first inning when a Jerry Ingram then hit John Schudrup with a pass on Northwestern's 7. Lating fumbled on the next play as the game ended.

Iowa State ..... 0 0 7 2-13  
Iowa State ..... Touchdowns: Lating 2 38 run; 15 run. Conversion: Schudrup.

Northwestern scored on Touchdowns: McKiever 2, plunge; 28 run. Conversion: McKiever 2.

## Redlegs, Cubs Set Marks As Cincy Wins

CHICAGO (UP)—Punch-hitter Smokey Burgess smashed a home run that tied a major league team home record for Cincinnati Saturday, as the Redlegs won their 10th straight game over the Cubs.

THE REDLEGGS were trailing 5-2 in the eighth when Burgess hit his home run, off Cubs starter Sam Jones. When the ball went over the right field wall, 10 feet inside the foul line, it was home! 21 for the Redlegs this season. It also scored shortstop Roy McMillan who had walked.

THE home run record for a single team tied by the Redlegs Saturday was set in 1947 by the New York Yankees.

Ernie Banks homered for the Cubs in the third, an inside-the-park blow, and drove in four of the Cubs' six runs.

Herb Freeman, the fifth of six Redlegs pitchers, got his 14th win against five losses. Turk Lown took his eighth loss against nine wins.

ANNAPOLIS, Md. (UP)—Navy presented a potentially powerful football machine Saturday when it defeated the Redskins 39-14.

ANNAPOLIS, Md. (UP)—Navy presented a potentially powerful football machine Saturday when it defeated the Redskins 39-14.

## Pitt Victor 14-7

PITTSBURGH (UP)—Pittsburgh's Darrell Lewis and reserve halfback Jim Theodore Saturday to rip open Syracuse's defense and capture a 14-7 victory over the Orange.

THE Hawkeyes scored two touchdowns with two second half touchdowns, which came with two seconds remaining. Sophomore Bill Grevel, who had a 15-yard touchdown run nullified by a penalty, contributed 13 tough yards near the goal line before Gene Velt swept right and for three yards and a score.

Scoring summary:  
Pittsburgh ..... 7 0 7 0-14  
Syracuse ..... 0 0 7 0-7

Pittsburgh scoring: Touchdowns, Hapell 6, plunge; Nocera 1, plunge. Punt, 1, plunge. Velt 3, sweep. Conversions, Prescott 2, Velt 1.

Little World Series:  
Holloman 1, 0-1  
Holloman 1, 0-1  
Holloman 1, 0-1

## Michigan State Displays Power In Easy 21-7 Win Over Stanford

STANFORD, Calif. (UP)—A powerful line that smothered Stanford on both offense and defense gave the Michigan State Spartans a nondescript 21-7 victory in an intercollegiate battle here Saturday before 35,000 fans.

A crushing ground attack gave Coach Duffy Daugherty's Rose Bowl champions complete ball control as the Spartans marched from one end of the field to the other while tossing only six passes all day.

With fullback Clarence Peaks and Danny Mesley doing the ball packing, the Michigan State juggernaut bit way small chunks of yardage as they scored one touchdown in the first quarter and two more in the third.

The Spartans put up a four on five man line, the rest of the day. From then on Stanford couldn't pass and didn't have the ability to escape the aerial route as states-vised.

MICHIGAN STATE scored in the opening quarter by marching 65 yards in 14 plays with Peake going over from the two. Peake made the first of his three conversions.

Stanford tied it in the second period as they went 29 yards in 30 plays with Brodie making a one-man show. He passed to fullback Lou Valli for the score from the two.

But that was the end of the line. The Spartans put up a four on five man line, the rest of the day. From then on Stanford couldn't pass and didn't have the ability to escape the aerial route as states-vised.

## Ike May Attend World Series Tilt

WASHINGTON (UP)—President Eisenhower hopes to attend the World Series game, but no definite plans can be made until the close National League pennant race is decided.

Press secretary James C. Hagerty made this announcement at a news conference Saturday.

He said a final decision on the President's plans will await the outcome of the race between the Dodgers and the Pittsburgh Pirates, and the St. Louis Cardinals.

## Iowa Trounces Indiana 27-0 In Big Ten Opener

BLOOMINGTON (UP)—Iowa's football forces turned two into three touchdowns and then ground through the line for two more scores Saturday to drub Indiana 27-0 in the Big Ten conference clash before 25,000 fans.

It was a warm, sunny day, and the teams showed perceptibly in the second half. But that was when the Hawkeyes put on pressure through the line and drove 83 yards for one score and 69 for another.

But throughout the contest, Iowa's passing attack, led by Gene Cichowski, the Big Ten's third leading thrower a year ago, could not consistently pierce Iowa's defense. Cichowski, who played about half the game, completed only four of 10 throws for 55 yards and a sophomore replacement, Steve Filipowski, hit on four of seven tries for 25 yards.

IOWA'S ALERT DEFENDERS turned two of Indiana's passes into a Hawkeye bonus. Center Charles Cichowicz intercepted the first series on the Indiana 25 and it took only nine plays before sophomore fullback John Hunsicker plunged for a touchdown from the one. Another pass by Bill Takacs was intercepted by Ken Pion to break up what might have been Indiana's best offense of the day.

Iowa's first touchdown came in the first four minutes as sophomore Jim Powell fumbled on the Hoosiers' first play from scrimmage. Pion 1, plunge. Velt 3, sweep. Conversions, Prescott 2, Velt 1.

## Navy Wins 39-14

ANNAPOLIS, Md. (UP)—Navy presented a potentially powerful football machine Saturday when it defeated the Redskins 39-14.

ANNAPOLIS, Md. (UP)—Navy presented a potentially powerful football machine Saturday when it defeated the Redskins 39-14.

## Pick Pinelli Series Opener Plate Ump

NEW YORK (UP)—Babe Pinelli, veteran National League umpire, will be behind the plate calling balls and strikes when the World Series begins. Ford C. Frick, commissioner of baseball, said Saturday. The Series, barring playoffs, is scheduled to start in the home park of the National League pennant winner on Wednesday, Oct. 3.

## Pitt Victor 14-7

PITTSBURGH (UP)—Pittsburgh's Darrell Lewis and reserve halfback Jim Theodore Saturday to rip open Syracuse's defense and capture a 14-7 victory over the Orange.

THE Hawkeyes scored two touchdowns with two second half touchdowns, which came with two seconds remaining. Sophomore Bill Grevel, who had a 15-yard touchdown run nullified by a penalty, contributed 13 tough yards near the goal line before Gene Velt swept right and for three yards and a score.

# The Outposts Move Out In A Nuclear World

## Guam Pacific Mailed Fist Of U.S. Aimed Against Aggression

Guam is the far Eastern root of the Strategic Air Command. Its 18,000 troops are believed capable of supporting a smashing blow against Communist aggression in Asia with a single nuclear blow if that should ever become necessary.

### Ashkum Junior Catholic Daughters Plan For Party

ASHKUM (JNS) — The Junior Catholic Daughters of America will hold the 10th year in Ashkum Junior Catholic Church on Monday night and then meet in the home of Miss Eleanor Dux.

Miss Cecilia Hubert, president, conducted the business meeting with nine members present. The group discussed having a party on Oct. 22 to raise money.

The six oldest girls, Mary Carol Peterson, Cecilia Hubert, Mary Vaden, Mary Ann, Mary Ann, Mary Ann, and Mary Ann, will serve lunch in the American Legion and auxiliary members at their next meeting on Oct. 4.

The entrance test was given. Refreshments were served and recreation was held.

The next meeting will be held Oct. 18 in the home of Shirley Kozachik.

MRS. WENDALL Priester of Marion, Mo., will be the guest speaker at the next meeting.

## Super Carrier Is Launched By U.S. Navy

NEWPORT NEWS, Va. (AP) — The Navy's newest carrier, the 60,000-ton Ranger, Saturday was launched in Hampton Roads — a seagoing fortress R. A. D. carrying the most modern type of aircraft carrier in existence on the drawing boards.

Adm. Arleigh A. Burke, chief of naval operations, said the Ranger "penetrates the defenses of any aggressor regardless of what kind of war he chooses to fight or what kind of weapons he chooses to employ."

The Ranger, third of the Forrestal-class carriers, received her traditional champagne bath from Mrs. Arthur W. Radford, wife of the chairman of the Joint Chiefs of Staff, the Navy Secretary Charles S. Thomas also was on hand for the ceremony.

The Ranger and her new breed of aircraft, Burke said, "will project our country with an extreme range of power. One of her new aircraft—the F4U Skywarrior—can carry more destructive power than the fastest of the past two centuries. Another of her new aircraft—the F8U Crusader—will fly nearly twice the speed of sound—more than 1,000 miles per hour—about four times the speed of her predecessor's aircraft."

Refreshments were served in the church which had been decorated with arrangements of gladioli. Hostesses were Mrs. L. D. Corbin, Mrs. R. A. DuMonte, Mrs. Harold Stutzman, and Mrs. H. Theriot.

The next meeting will be on Oct. 31 with Mrs. Charles Parada, Mrs. Roy Fullerton, Mrs. J. H. Thompson, and Mrs. Virgil Mossman as hostesses.

The meeting will be held at the home of Mrs. Charles Parada, Mrs. Roy Fullerton, Mrs. J. H. Thompson, and Mrs. Virgil Mossman as hostesses.

## Ladies Aid Society Of St. Anne Plans Fellowship Supper

ST. ANNE (JNS) — The Ladies Aid Society held its September meeting Wednesday afternoon in St. Anne's Church.

Mrs. Charles Allan presided at the business meeting. Mrs. R. A. D. carrying the most modern type of aircraft carrier in existence on the drawing boards.

Adm. Arleigh A. Burke, chief of naval operations, said the Ranger "penetrates the defenses of any aggressor regardless of what kind of war he chooses to fight or what kind of weapons he chooses to employ."

The Ranger, third of the Forrestal-class carriers, received her traditional champagne bath from Mrs. Arthur W. Radford, wife of the chairman of the Joint Chiefs of Staff, the Navy Secretary Charles S. Thomas also was on hand for the ceremony.

The Ranger and her new breed of aircraft, Burke said, "will project our country with an extreme range of power. One of her new aircraft—the F4U Skywarrior—can carry more destructive power than the fastest of the past two centuries. Another of her new aircraft—the F8U Crusader—will fly nearly twice the speed of sound—more than 1,000 miles per hour—about four times the speed of her predecessor's aircraft."

Refreshments were served in the church which had been decorated with arrangements of gladioli. Hostesses were Mrs. L. D. Corbin, Mrs. R. A. DuMonte, Mrs. Harold Stutzman, and Mrs. H. Theriot.

The next meeting will be on Oct. 31 with Mrs. Charles Parada, Mrs. Roy Fullerton, Mrs. J. H. Thompson, and Mrs. Virgil Mossman as hostesses.

The meeting will be held at the home of Mrs. Charles Parada, Mrs. Roy Fullerton, Mrs. J. H. Thompson, and Mrs. Virgil Mossman as hostesses.

# Who Says We Need The Community Chest?

By Giving The UNITED WAY  
Labor, Industry and Business Is  
Helping Build a Better Kankakeeland  
Through The Community Chest

Our Goal . . . \$143,011

Kankakeeland's No. 1 Job

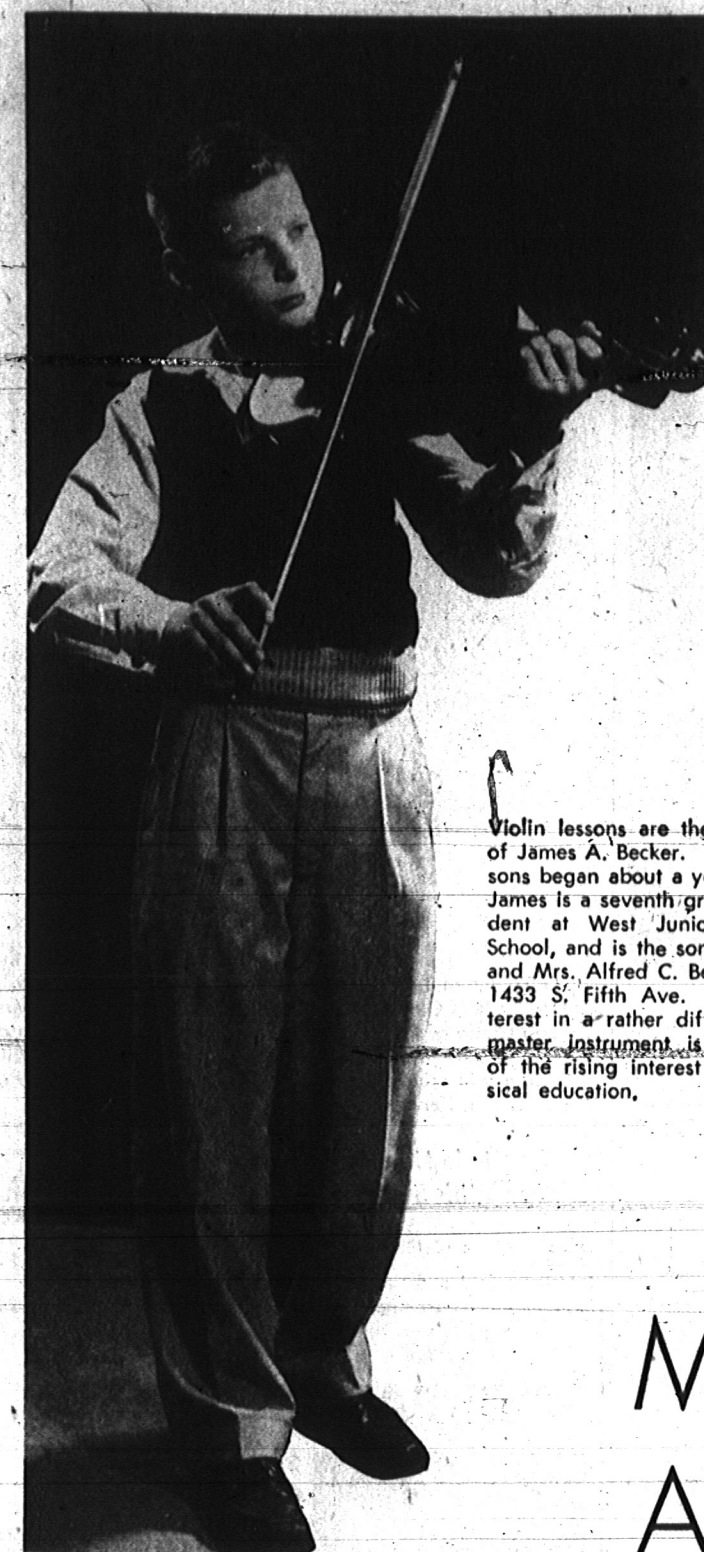

Your **COMMUNITY CHEST** Campaign

ONE DRIVE FOR 16 AGENCIES — OCTOBER 2 - 12

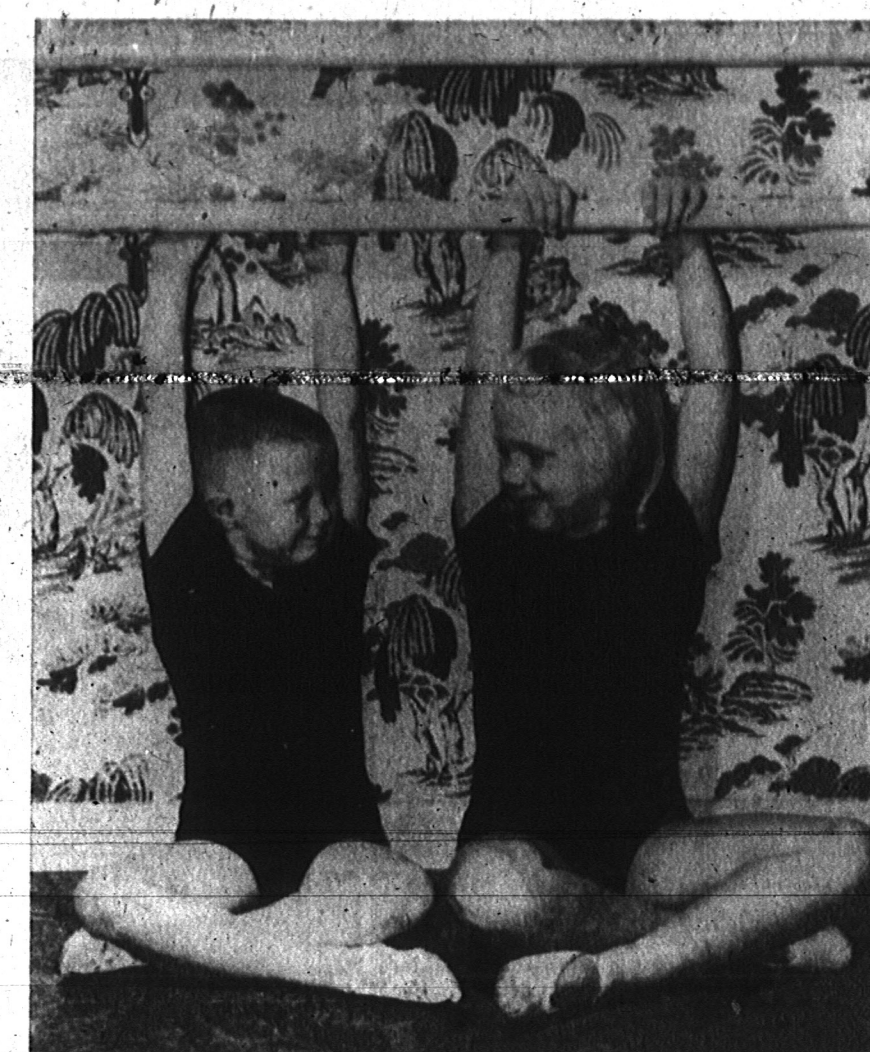

This Advertisement Published By First Trust & Savings Bank as a Public Service

## Here's Why Labor, Industry and Business Speak Out For The Community Chest

- 1 The Chest meets a definite need—it represents the combined efforts of all the people to raise at one time and as economically as possible the funds needed for the family, child-care, youth and health services provided by the 16 Chest agencies.
- 2 It's one drive for 16 agencies. The Chest saves you time and money by reducing the number of drives for health and welfare agencies. You make one contribution and all 16 benefit. Your contribution goes further because the cost of the fund raising is reduced.
- 3 Over 90% of funds spent locally — practically every cent or nearly the entire Chest goal is expended to furnish financial support to the 16 red feather agencies in Kankakee, Bradley and Bourbonnais.
- 4 You are asked to give only once. With the exception of retired persons and exceptional cases, all solicitations will be made at the place of employment only. When you give at your place of employment you are giving for your entire family, and you will be given two receipts—one for yourself and one for your family.

Violin lessons are the choice of James A. Becker. The lessons began about a year ago. James is a seventh grade student at West Junior High School, and is the son of Mr. and Mrs. Alfred C. Becker of 1433 S. Fifth Ave. His interest in a rather difficult-to-master instrument is typical of the rising interest in musical education.

Dance students need not be dedicated to the idea of becoming professional dancers. Lessons have proven beneficial in many ways, giving a little girl grace and a little boy confidence. Pictured are two local students, awaiting their lessons: Christine Foley, 6, daughter of Mr. and Mrs. Edward Foley of 695 Roosevelt Ave., and Christopher Stowe, 5, son of Mr. and Mrs. Wilburn Stowe of 553 Ida Lane, Bradley. Christine's lessons are acrobatic, tap and ballet, while Christopher's are acrobatic and tap.

Speech student Charlene Bramson pauses in the studio of her teacher to dream of a dramatic career like those of the stars pictured. She is an eighth grade student at West Junior High School and has studied speech techniques for four years. She is also active in school dramatics. Charlene is the daughter of Mr. and Mrs. Ronald Bramson of 545 S. Small Ave.

## Modern Students Have Full Schedule As 'Extra' Lessons Gain Importance

Is there always someone in the crowd who can play the piano, or the organ, or sing with a controlled voice?

In recent years, guests who can help break the ice by sitting down at the piano or even doing a little soft shoe entertaining have been rather scarce.

Local instructors in music, dance and drama see a big future for the host, however. They say that more school children are taking instruction in various extra-curricular activities. The trend seems to indicate that talented guests will soon be plentiful.

Why the increase?

There are two most prominent reasons, according to the experts in the area.

First, they admit that radio and television have done much to interest children in taking lessons of one kind or another. And they add that the children derive much more enjoyment from such entertainment if they have some first-hand knowledge of the dance or the instrument.

Add to this the streamlined instruments on

the market today. In the case of the piano, the old upright is being replaced by the spinet model, and decorative themes in a room need not be upset.

The second biggest reason for the trend seems to be a feeling that special instruction is almost a requirement in today's world. It was pointed out that years ago there were fewer students, but they were much more regular, usually planning a career in the field.

Today there are many more students, often changing from one instrument or type of lesson to another, thus rounding out their education. The young parents seem particularly interested in providing lessons for their children, said a local business man. He added that a large percentage of the larger instruments are purchased on the installment plan, but the demand is great.

So if you notice a somewhat strained attitude of concentration on the faces of young people, it is not surprising. Their minds are filled not only with reading, 'riting and 'rithmetic, but with music, voice, drama and dancing lessons.

## On The Social Side

Section III — Society — Kankakee Sunday Journal, Sunday, Sept. 30, 1956 — PAGE 23

ABOVE, LEFT: For the past three years, Shirley Henry has been taking voice lessons. She is also a piano student. Shirley, the daughter of Mr. and Mrs. Franklin Henry of 1138 E. Court St., attends Kankakee High School.

ABOVE: Lesley A. Hulse is pictured at an instrument called the Multi-Kord. It is comparatively new, and is actually a six-pedal Hawaiian guitar. Pedals to change the tunings are the advantage. Lesley is a student at St. Paul's Lutheran School, the son of Mr. and Mrs. Lesley L. Hulse of 1412 N. Fifth Ave.

LEFT: Warren Nehls, also a St. Paul student, accompanies at a balon twirling session on a popular instrument—the accordion. He is the son of Mr. and Mrs. Eddie Nehls of 565 N. Ninth Ave. Gary Wille, 4-year-old son of Mr. and Mrs. Edward Wille of 607 Park Dr., imitates a more experienced twirler, Judy Bess, who is 9½. Judy's parents are Mr. and Mrs. Vernon Bess of 166 S. East Ave.

RIGHT: Pianos and organs are popular choices for parents who wish to give their children musical instruction of some kind. Listening carefully as she plays a note is Jeanne Ann Butz, 9. She is the daughter of Mr. and Mrs. Vernon Butz of 1250 Cobb Blvd. and has been taking piano lessons for the past eight months.

### Patricia Ann Blewett To Marry

Mr. and Mrs. Pierce A. Blewett of 4077 N. Prospect Ave., Shorewood, Wis., are announcing the engagement of their daughter, Patricia Ann to James W. Duncan. He is the son of Mr. and Mrs. Ralph E. Duncan of 984 S. Greenwood Ave. Miss Blewett attended Mount Mary College at Milwaukee, Wis., and graduated from Marquette University; also in Milwaukee. Duncan is a senior student at Marquette. The wedding is planned for Nov. 10 in St. Robert's Church in Milwaukee.

## Deanna Forsythe Bride Of Kenneth Wandless

WILMINGTON (JNS)—Miss Deanna Forsythe and Kenneth M. Wandless exchanged wedding vows Sept. 22 at 2 p.m. in St. Rose Catholic Church here.

The bride is the daughter of Mr. and Mrs. John R. Forsythe of 627 S. Kankakee St., and the bridegroom is the son of Mr. and Mrs. Mildred Wandless of 3899 Rhode Island St., Gary, Ind.

The Rev. Theodore Best officiated at the double ring ceremony before an altar decorated with baskets of white mums and gladioli.

Mrs. Bernard Riley, organist, played the traditional wedding march and also accompanied the soloist, Mrs. James Keigher as she sang "Ave Maria" and "On This Day Oh Beautiful Mother."

GIVEN IN MARRIAGE by her father the bride wore a chapel-length gown of imported, hand-clipped, Chantilly lace underlined with deep lace, alligator satin and nylon net. It was fastened with a form-fitting bodice which featured a gabra neckline and long tapering sleeves terminating in points over the hands. The bouffant skirt cascaded into a chapel train and was accented with frothy tiers of pleated nylon tulle and lace.

A Queen's crown of seed pearls and sequins secured the veil of imported English illusion and the carried white mums centered with an orchid in a cascade arrangement.

Maid of honor was Miss Ann Begger wearing a strapless gown of champagne-colored lace styled with a fitted bodice, matching jacket and full skirt. Her flowers were bronze mums in a Colonial arrangement.

Miss Donna Jean Fridle served as bridesmaid and wore a blue crystalline gown styled like that of the maid of honor. Her Colonial bouquet was of yellow mums.

FLOWER GIRL WAS Patty Forsythe and she wore a floor-length gown of white ruffled nylon net and carried a Colonial bouquet of white mums.

The bridegroom was attended by Joseph Rodesphero as best man; Donald Butler as groomsmen and James Butler and Donald Wandless as ushers.

A reception was held in the Lions Club Hall immediately following the ceremony.

### Sets Nov. 25 Wedding Date

The engagement of Miss Inez Guest is being announced by her parents, Mr. and Mrs. Francis M. Guest of Reddick. The fiancée is James L. Landis, son of Mr. and Mrs. Louis Landis of 593 S. Tanner Ave. Nov. 25 is the date selected for the wedding which will take place at 2 p.m. in the Reddick Methodist Church.

### 26 Attend Meeting Of Ladies Auxiliary Of First EUB Church

Ladies Auxiliary of the First Evangelical United Brethren Church met Wednesday at Becker's Hall.

Mrs. Alice Schmidt, president, conducted the business meeting. Twenty-four members and two guests, Mrs. Evelyn Knauer and Miss Betty Lou Hollenbeck, were present.

Devotions were presented by Mrs. James Meier. Mrs. Paul Bobin was presented with a gift from the club. Mrs. Bobin will move to Milwaukee, Wis.

Serving on the luncheon committee were Mrs. Emma Salzman, Mrs. Leslie Saubert, Mrs. Katherine Kukuk and Mrs. Schmidt. The next meeting will be Oct. 24.

### Theta Psi Plans Founders Day Dinner

Members of Theta Psi chapter of Beta Sigma Phi Sorority made plans for the annual Founders Day dinner to be held Oct. 23 at Kankakee Hotel.

The group met Thursday at the home of Mrs. Fred Mosmann of 141 E. Oak St. with Mrs. Eugene Hebert as hostess.

Theta Psi chapter will be in charge of arrangements for the dinner this year.

The following are chairmen of the committees for this year: Mrs. Leo Bratz Jr., program; Miss Joan McCormick, social; Miss Alicia Highland, ways and means; Mrs. Mosmann, membership; Mrs. Richard G. Martell, publicity and Mrs. Donald Martin, service.

Two new pledges, Miss Doris Stamke of Clinton and Mrs. Clinton Krageland of 206 N. Greenwood Ave. were also present.

Miss Lois Marcotte received a wedding gift from the group for her approaching marriage.

The Oct. 11 meeting will be held at the gift table which was created in the bride's chosen colors of blue and white.

An induction ceremony for 14 new members was conducted by Miss Cele Wiegmann of Joliet, at right, junior past president of the 13th District of Credit Women's Breakfast Club, at the formal installation dinner Thursday of the local CWBC. New members pictured with Miss Wiegmann were left, Miss Donna Vrolyk, Miss Helen Belanger and Mrs. Richard Berg.

## Sodality Installs Officers

Miss Lawrence Sandbothe was installed as president of the Credit Women's Breakfast Club at the formal installation dinner and induction ceremony Thursday evening.

Other officers installed were Mrs. Everett Wilken, vice president; Miss Joyce Stearns, secretary, and Mrs. Stewart Law, treasurer.

Miss Lorraine Voelker of Chicago Heights, president of the 13th District of CWBC, using the German ceremony installed the new officers.

For her office, Mrs. Sandbothe received a token symbolic of the diamond — "the gem of brilliance and worth representing the value and esteem with which your fellow members regard you," Miss Voelker told her.

Mrs. Wilken was presented with an emerald gem, symbolic of durability and happiness; Miss Stearns, a token symbolic of the sapphires, gem of wisdom and strength, and Mrs. Law, an amethyst gem, "gem of sincerity and integrity."

In conclusion, Miss Voelker said, "We have now installed symbolically the officers of your choice for the coming year. They are the gems chosen by your membership to lead you this coming year."

Past presidents, Miss Hazel Albers, Mrs. Amanda Smith, Mrs. James Reuter and Mrs. Sam Corlese, assisted Miss Voelker during the installation ceremony.

Miss Evelyn Dupuis, outgoing president, introduced the new officers to Miss Voelker.

Mrs. Sandbothe presented Miss Dupuis with the past president's pin. The former also gave an acceptance speech.

The induction ceremony was conducted by Miss Cele Wiegmann of Joliet, junior past president of the 13th District of CWBC. New members inducted were Mrs. Richard Berg.

Mrs. Bernard Salmond was in charge of the quiz type program and lesson presented at the Tuesday evening meeting of the Christian Women's Fellowship of the Central Christian Church.

Mrs. Anita Hertz, accompanied by Mrs. Lester Klass, sang "He's Got The Whole World In His Hands."

Following the program a stork shower was held in honor of Mrs. Harold Eddis.

Mrs. Basil Carlson, president, conducted the business meeting. Mrs. Joseph Menard, service chairman, reported that 238 pounds of clothing had been collected and sent to Japan.

The monthly offering was sent to the World Fellowship Organization which was celebrating its first birthday.

Mrs. Richard Powell was chairman of the hostess committee assisted by Mrs. Lee Phillips, Mrs. James Cook, Mrs. Lee Baker, Mrs. Melvin Quinn and Mrs. Minnet Sillman Jr.

The next meeting will be Oct. 3.

174 S. SCHUYLER AVE.

The Kankakee Senior Citizens Club met Wednesday at the YWCA. The birthdays of four members were observed. Mrs. Stella Shafer, Mrs. Lucy Richards, Mrs. Violet Massey and Mrs. Julie Borkowski. The serving table was decorated in a blue and yellow color scheme and centered with an arrangement of seasonal flowers.

During the business session it was reported that the club has grown from an original membership of 28 to the present membership of 57. Mrs. Zoe Sharkey and Mrs. Edith A. Denker have been active in building the membership. During the months of September 200 people have attended the meeting.

The next meeting will be Oct. 3 at the YWCA.

chance to pick up new slants about the feminine viewpoint.

So read the sports pages first, but don't fail to skim over the other segments of this newspaper, even including the women's features. Women really are the major sex as regards civilization. And they own a majority of stock in American corporations at this very minute.

So a smart man should engage a little empathy calculator every week and learn how to stretch his imagination so he can appreciate more fully the attitude of women.

Include your mother and sister, as well as your sweetheart or wife, psychologists have devised for this delicate situation.

Boys, stop, look and listen to this column, plus the other helpful features in this daily newspaper. The smart fellows who have a way with women, don't ignore any few things.

"He is a man's man, so he fails to show the gallantry to me that boys offer their girlfriends when they are out in public."

"For example, he rarely opens a door for me or helps me with my coat. When he unlocks the car door, he just hops in and lets me look after myself."

"Oh, I'm able bodied enough to do so, but I'd like to have him show a little more attention to me when my girlfriends are looking on."

"But I don't know how to correct him, for I realize it makes people angry to be criticized. So what can I do?"

"Empathy" is a term in psychology which refers to one's ability to project himself into the shoes of another.

It is just another way of describing the Golden Rule. Fritz has a low empathy score. He fails to understand a girl's point of view.

MILLIONS of American wives wish their husbands would also list to Fritz's comments today.

"But my wife's an athlete girl so it's silly for me to help her open her own doors at home, when you are out in public, do a little acting."

At a show of gallantry, at least for the sake of the neighbors. Your wife will love you much more for this thoughtfulness. If you doubt me, just ask her.

When you have occasion to improve or criticize any body, be sure to employ the "sandwich" method. Nobody relishes having his mis-

deeds pointed out to him.

So, if you have a chance to be a good man, be one. It's not too late to learn how to stretch your imagination so you can appreciate more fully the attitude of women.

Include your mother and sister, as well as your sweetheart or wife, psychologists have devised for this delicate situation.

## JWC Program To Feature TV Star

MISS FRAN ALLISON

A star of the Kukla, Fran and Olie television show, Miss Fran Allison will appear as guest speaker at the first regular meeting of the fall season of the Junior Women's Club.

The meeting will be held Wednesday at 8 p.m. at the Civic Auditorium for members and guests of members.

Dessert will be served at the beginning of the meeting in order to allow Miss Allison and several JWC members to return from the Chicago following Miss Allison's television show at 4 p.m.

Miss Allison, who alternates from Aunt Fanny on the breakfast Club radio show to the friend of Kukla and Olie, is particularly interested in the reaction of clubwomen and family groups to the latter show. She is in close contact with her audience through personal appearances.

"We feel a great responsibility toward the family and seek endorsement by Women's Clubs," said Miss Allison.

Miss Allison with the assistance from the announcer to the piano player makes her puppets Kukla, Olie and Buehler the Witch all seem "to come to life." Circumstances of which Kukla, Fran and Olie deal five days a week have much reality mixed with the evident imagination. Miss Allison says they attempt to plan the show around situations which might happen in any home.

The accomplished entertainer, who once taught school, explains that while the show began ostensibly as a children's program, they were pleased to find that it had developed into a family show and even a show for homes with no children. She is one of its ninth year and is the one of the few major needed for veterans include cards, T-shirts, white socks and cigars. These items are to be placed in plastic bags.

Mrs. Otto Ziebell, Mrs. Freda Shelly and Mrs. Henry Messier to serve on the nominating committee.

Following the business session, games were played with prizes going to Mrs. Messier, Mrs. Aggie Taylor, Mrs. Emma Vonka and Mrs. G. W. Bernhardt. Mrs. Frances McCue received the special prize.

The next meeting will be Oct. 11.

## Priscilla Circle Discusses Bazaar Plans

The Priscilla Circle of the Women's Society of Christian Service of the First Methodist Church met Tuesday at the home of Mrs. Paul Thompson of 343 S. Tanager Ave. with Mrs. Carl R. Smith, assistant hostess.

Seventeen members were present. The business meeting was opened with a prayer by the chairman, Mrs. Thompson.

Devotions were presented by Mrs. W. R. Palenske.

Plans were discussed for the bazaar by the bazaar chairman, Mrs. O. L. King and Mrs. R. H. Arthur. The event will be held Nov. 8.

Mrs. Otto Ziebell was appointed hostess and card chairman.

Mrs. E. B. Blackstock presented a film on the quadrennial goals. A preface to the book, "Missions USA" to be used for study was given by Mrs. Fenlon Pilgott.

A rummage sale is being planned for Oct. 6 at Wesley Hall.

The next meeting will be Oct. 9 in the church parlor.

## Manteno Woman's Club Entertains At Reception

MANTENO (JNS)—Approximately 80 members and guests of the Manteno Woman's Club attended the teacher's reception Wednesday evening at the American Legion Hall sponsored by the club.

Dr. Paul Richmond of the Manteno State Hospital, presented a colored slide travelogue on Mexico with narration as the program. He was introduced by Mrs. Beryl Dillman.

The next meeting will be a salad buffet Oct. 24 at 12:30 p.m. at the Legion Hall.

**Epsilon-Sigma Alpha Members See Trophy Sorority Won**

Mrs. Jack Breunig of RR 3 was hostess to 15 members of Epsilon Sigma Alpha Sorority at her home Thursday.

During the business meeting conducted by the president, Mrs. Breunig, a report was given on the sorority's Glass Hall.

Mrs. Marcelle Kahler, president, conducted the business session during which Mrs. Roger Kohlman, secretary, read a letter from the Chebanos Woman's Club inviting the group to attend the county meeting Oct. 9 at 1:30 p.m. in Chebanos.

Mrs. B. C. Madison, garden and home division president, announced that the Oct. 5 meeting will be a 1 p.m. luncheon at the home of Mrs. J. B. Wright.

Devotions were led by Mrs. Frank Keigher and she used "Prayer For Peace" as her theme.

Refreshments were served by Mrs. E. W. Lawrence, chairman, assisted by the Mesdames Oley Contois, Sid Thompson, Francis Mann, F. E. Kiley and L. C. Smith.

The chairman for the card party to be held in March, Mrs. Joseph Lambert, announced her plans.

The Oct. 11 meeting will be at the home of Mrs. Joseph Lambert of RR 1, Bourbonnais.

## Miss Eleanor Chouinard Honored At Shower

Miss Eleanor Chouinard was honored at a miscellaneous bridal shower last Sunday at the Knights of Columbus Hall with 50 members present.

Fifty was the diversion with prizes going to Mrs. Roslyn Rose, Mrs. Peggy Gaudes, Mrs. Dayle Chouinard and Mrs. Betty Chouinard. Mrs. Mary Lou Dubois won the special prize.

Miss Chouinard opened her gifts from a table-decorated with a bride doll setting. Assisting her were Miss Jeanne Sutherland, Mrs. Elvira St. Louis and Miss Evelyn Chouinard.

Refreshments were served by the hostesses, Mrs. Mary Verhoks, Mrs. Lucille Menard, Mrs. Mary Janusz and Mrs. St. Louis.

Miss Chouinard will become the bride of Gene Verhoks, Saturday, Oct. 20 at 2 p.m. in St. Stanislaus Church.

Three artists will participate in the musical program which will open the season for the Kankakee Woman's Club Wednesday at the Civic Auditorium.

Miss Katherine Glaser and Hans Wurman will present their "Carnival of the Animals" in a piano duo. The music for this portion of their program was written by Saint-Saens and versed by Ogden Nash. Wurman speaks during the number. The two will also play organ and piano duets.

Lawrence Lane, tenor, will sing a group of folk songs alone, and will be accompanied by Wurman for several tenor solos.

Miss Glaser was trained at Juillard School of Music in New York City and received her master's degree at Michigan University at Ann Arbor, Mich. She served on faculty of the Chicago Musical College and has been a soloist and member of chamber music groups.

WURMAN is a British musician educated at the Royal Academy of Music where he received his master's degree. He is a former staff arranger for the British Broadcast.

He has been a soloist and member of the Duke in the Rockford Symphony's presentation of "Rigoletto" and participated in the nationwide folk song concert "I Come For To Mrs. A. W. Delphin will head the song concert in October he will call for

and with the Arion Club of Milwaukee, Wis., in their presentation of the "Messiah."

He also played the role of the Duke in the Rockford Symphony's presentation of "Rigoletto" and participated in the nationwide folk song concert "I Come For To Mrs. A. W. Delphin will head the song concert in October he will call for

## B&PW To Hear Of Music Medicine

"Music Medicine" will be the theme of the program presented at the Wednesday evening meeting of the Business and Professional Women's Club at 6:30 p.m. at the Hotel Kankakee.

Miss Muriel Andersen, a musical therapist, will be the guest artist. She is a professional musician with a psychology minor who became deeply interested in the possibilities of using music therapeutically. A pioneer in this type of therapy, she conceived and carried out the idea at Wood Veterans Hospital in Milwaukee, Wis.

Her program combines narrative, piano playing and voice as the recumbent experiences the has had with patients in veteran and private hospitals.

A lecturer, writer, singer and pianist, Miss Andersen is a soloist in four churches in Springfield, a member of the National League of American Penwomen and a national officer of the music fraternity, Omicron.

Members of the national security committee will be hostesses for the evening with Miss Ruby Heller as chairman.

MURIEL ANDERSEN

### South Aroma, East Kankakee Home Units Have Meetings

Mrs. Wayne Hilgert of 212 S. St. Anne, was hostess to members of the South Aroma Home Bureau Wednesday.

The major lesson, "Planning and Preparing Emergency Meals," was given by Mrs. Howard Cooper.

"Garnishes for Meats and Desserts," the minor lesson, was presented by Mrs. Ted Scholtz.

Members of the national security committee will be hostesses for the evening with Miss Ruby Heller as chairman.

### Five Kankakeans Attend Cancer Society Meeting In Bloomington

Five Kankakeans representing the service group attended the eighth annual meeting of the American Cancer Society held Thursday at Wesleyan Memorial Center, Bloomington.

Attending from here were Mrs. Frank Schaefer, Mrs. Louis Walters, Miss Edith Frisze, Mrs. Haven Trecker and Mrs. Chester Hieson.

Dr. John T. Reynolds, clinical associate professor of surgery at the University of Illinois and attending surgeon at St. Luke's Hospital, was guest speaker.

### Reception Followed in Church Basement

A reception followed in the church basement. Servers were Mrs. Peggy Copas, Mrs. Barbara Redeker, Miss Janet Schroeder, Miss Sharon Payton, Miss Dorothy Janssen, Mrs. Shirley Lucke, Miss Thelma Breeding, Mrs. Sena Taden, Mrs. Blanche Elliott and Mrs. Gladys Callahan. The tiered, decorated cake was cut by Mrs. Lorraina Janssen, aunt of the bride.

### When the Couple Departed on a Wedding Trip to the Smoky Mountains

When the couple departed on a wedding trip to the Smoky Mountains the bride was wearing a navy blue dress with matching accessories. The bride was wearing a white lace and net gown underlined with tulle. It was styled with a form fitting bodice which extended to a point at the waistline in front and featured a scalloped neckline. A pearl crown secured her filmy veil of illusion and she carried a Colonial bouquet of white roses. Her pearl jewelry was a gift of the bridegroom.

### Mrs. Betty Conrad of Watska, Sister of the Bride, was Matron of Honor

Mrs. Betty Conrad of Watska, sister of the bride, was matron of honor wearing a blue princess style dress of lace over tulle. She carried a bouquet of white roses. Her pearl jewelry was a gift of the bridegroom.

### Mrs. Helen Thomas, Sister of the Bride, was Matron of Honor

Mrs. Helen Thomas, sister of the bride, was matron of honor wearing a blue princess style dress of lace over tulle. She carried a bouquet of white roses. Her pearl jewelry was a gift of the bridegroom.

### When there are a couple of slices of canned pineapple leftover, dice them and fold them into a half cup of cream (whipped, sweetened and flavored with vanilla). Use as a topping for store-bought sponge cake.

### Proceeding the business meeting at 8 p.m. a postcard supper will be served at 8:15 p.m. with Mrs. William Mieser serving as chairman

### Members of the business meeting are asked to bring a covered dish and their own table service.

### During the business meeting there will be an election of delegates to the district meeting to be held in Paris, Oct. 17.

### Members of Mrs. Sunkel's official board from the Kankakee auxiliary are Mrs. Russell Johnson, alternate director; Mrs. Basil Carlson, district Gold Star chairman; Mrs. Ralph Giese, member of the finance committee; Mrs. William Spillane, district radio chairman for WKAN; Mrs. Herman Ziemer, district auxiliary loan fund chairman; Mrs. Harry Crooke, district child welfare chairman, and Mrs. Georgina Mandell, department hospital chairman for the Kankakee State Hospital.

### Malarkey Club Has Meeting in Home of Mrs. Lester Gamboe

Members of the Malarkey Club met Wednesday with Mrs. Lester Gamboe of 1125 S. Wilford Ave.

Five hundred was the variation and prize winners were Mrs. Vernon Pellister, Mrs. Thomas Lindsay and Miss Fara Richardson. Mrs. Barbara Goodell won a special prize. Miss Mona Handorf will be hostess for the Oct. 17 meeting at her home at 615 S. Osborn Ave.

## Young Moderns

By VIVIAN BROWN  
AP Newsfeatures

The first real date is a big occasion. It may be that new boy in the neighborhood who is giving you the eye. Or perhaps it's a new classmate or a boy you've been hoping to have recognize you. It is definitely different from any other date ever.

Test that first-date rating to see how you stack up or maybe why you didn't click on that all-important occasion with this list prepared under the guidance of a couple of wily males.

1. Would you try to dominate the conversation? (a) By keeping up a rapid-fire monologue; (b) Let him do all the talking, acting mum; (c) Contribute to the conversation if you can.

2. At a restaurant when confronted with the menu would you: (a) Impress him by ordering a fancy, expensive dish; (b) Let him suggest something; (c) Post if he attempts to steer you to a dish.

3. If he invites you to a movie do you: (a) Suggest the movie you prefer at once; (b) Wait to see if he'll ask your opinion; (c) Ask him to choose for you.

4. If he calls for you at home would you: (a) Be ready to leave when the door bell rings; (b) Keep him waiting to impress him; (c) Mystify him by not being around for the first 15 minutes.

5. When setting the meeting place would you: (a) Ask him to meet you at your home; (b) Make an appointment to meet him at the date spot; (c) Meet him on a street corner.

6. When he calls for you would you: (a) Introduce him to your family; (b) Show your family out the picture; (c) Let him cool his heels alone on the front porch.

7. If you run into a good-looking friend on your date, would you: (a) Ignore him; (b) Ignore her; (c) Acknowledge her presence without encouraging a meeting between the two.

8. If he mentions a pretty girl you both know would you: (a) Tell him all the gossip about her; (b) Pretend you know something but aren't telling; (c) Go out of your way to tell him.

## When Mother Is Upset, Baby Reflects Mood

By DOROTHY V. WHIPPLE, M.D.  
AP Newsfeatures

It's a strange thing how quickly a baby knows that his mother is upset. A baby doesn't like an upset mother. He doesn't have a smidgen of sympathy for her troubles, and he tells her so in no uncertain terms.

Mary and Bill had a quarrel at the breakfast table. Mary said they had to have the roses over and she'd invited them in for dinner tonight. Bill said the roses were in the garden and he'd have to get them later.

"That old So-and-so— you know I can't stand him and that smirking fool of a wife. Why can't you have them around (if you must) while I'm at the office?"

Mary was crushed but before she could explain further Bill showed her to say something nice about her.

9. If he doesn't seem to be too interested in you would you: (a) Impress him by ordering a fancy, expensive dish; (b) Let him suggest something; (c) Post if he attempts to steer you to a dish.

10. Are you the possessive type? Would you: (a) Cling to his arm, brush him off his lap; (b) Keep your distance until you know him better; (c) Show your independence by brushing off his gentlemanly approach.

Answers: 1 (c), 2 (b), 3 (b), 4 (a), 5 (a), 6 (a), 7 (a), 8 (c), 9 (b), 10 (b).

## Keeping in Step

By Mary Jean Houde

Parliamentary procedure is of seasonal importance because of the opening of the club season for many Kankakee groups. But just how important is adherence to parliamentary procedure?

Mrs. Alan Stouder (Marian) practices law in the area and is a local parliamentarian. She emphasizes the importance of correct procedure to the membership. "Whenever more than two people meet, there must be some kind of order followed," she says. "The purpose of a 'railroad' measure through both to give all members a chance to say what they think."

She adds that parliamentary procedure can be suited to the needs of a club. Some clubs are more informal than others, but there are still a few rules that should be followed.

First of all, Marian says that a president should follow a format in conducting the meeting. It is wise to arrange previously with the members to come to the front of the room to be ready for their respective turns.

All should speak from the front of the room.

"If there is no motion on the floor, there is nothing to discuss," says Marian. In offering a motion, recognition must be gained from the chair, the motion stated, and then the discussion.

Marian Stouder is a past president of the Jaycee Women and is currently serving as a club parliamentarian. She and her husband are both lawyers and have an office in Kankakee. Marian also maintains a Hecker office.

## Couple To Reside In Kankakee

Mr. and Mrs. Gerald C. DePatis were united in marriage Saturday, Sept. 22, at St. Rose of Lima Church. The new Mrs. DePatis is the former JoAnne Magruder, daughter of Mr. and Mrs. Paul Magruder of Bourbonnais. The bridegroom is the son of Mrs. Glen Buchan of Beaverville. After Oct. 1 the newlyweds will reside at 951 N. Harrison Ave., Kankakee. (Art-Kraft photo)

## Our New Neighbors

Recent newcomers to Kankakee include the Rev. and Mrs. Robert Wiesendy and their children of 125 W. Jefferson St. Rev. Wiesendy is pastor of the American Lutheran Church.

They moved a week ago from Oak Lawn, Ill. The Rev. Mr. Wiesendy is a native of Iowa, the son of Mrs. Martin Wiesendy. He attended Wartburg College and Seminary in Waverly, Iowa and did two years' graduate work at the University of Chicago. He was ordained in May of 1952. The Rev. Mr. Wiesendy served at Our Savior Lutheran Church in Oak Lawn for 4½ years.

Mrs. Wiesendy is the former Wanda Gorrell, daughter of Mr. and Mrs. Ray Gorrell of Midlothian. She studied bacteriology at the Illinois Institute of Technology.

The Wiesendy children are Paul, 4; Catherine, 3; and Claudia, 6 months.

MR. AND MRS. L. K. GULBERG of 155 E. Bourbonnais St. moved from Brainerd, Minn., and arrived in Kankakee last Tuesday. They have two children, Joan, 3, and Richard, 4 weeks old.

Gulberg is the son of Mr. and Mrs. Walter W. Gulberg of Yakima, Wash. He is a postal inspector, and was a postal clerk at Brainerd for about 10 years.

Mrs. Gulberg, the former Marie Buckner of Little Rock, Minn. The Elks Club and the Veterans of Foreign Wars are Gulberg's affiliations.

## The miracle called Mira-ool can happen to you free, too

By Dorothy Davis Smith

There's so much more you'll want to know about this wonderful physiological discovery, your Mira-ool Studio invites you to learn, free, how to use Mira-ool effectively before your skin gets another day older, come in for your Mira-ool beauty treatment, part of the famous "three steps to beauty" Merle Norman Method. Free, without obligation.

Normalizes excessive dryness, excessive oiliness, clogged pores, eruptions, enlarged glands, the activity of skin glands.

Naturally, when all glands are performing perfectly (as in baby's skin) problems disappear. Suddenly the complexion is brighter and younger than in years. I know. I saw it happen in my own mirror. Once again my skin is healthy, alive, glowing.

## Start Campaign To Save Bromfield's Model Farm

MANFIELD, Ohio—They're wondering these days down around Manfield, about what is going to happen to Malabar, the 1,000-acre farm of the late Louis Bromfield, celebrated novelist who created it out of the abandoned fields and eroded hills of the once-fertile corn-rye that had been his boyhood playground, a region known then and now as Pleasant Valley.

## Indict Mayor, 29 Others In Michigan

DETROIT (UP)—The end of an era has been reached in suburban Ecorse with the indictment of the city's mayor and 29 other persons by a one-man grand jury probing graft and corruption.

Ecorse, a sprawling, rough-and-tumble type of town during the prohibition era, was the place of respectability in recent years but underneath it remained the same old wild-and-wooly place. The mark was lifted Friday when circuit Judge Theodore R. Bohn, the grand juror, issued mass indictments against Mayor William W. Voinke, 15 other city officials and 16 other persons.

The indictments charged conspiring to violate the state gambling laws, extorting and accepting bribes from gamblers and such other operations as dope peddling and bookie operations which allegedly netted the principals thousands of dollars a month.

Among the city officials indicted were: Mayor Voinke, city controller, police director, two councilmen, three police inspectors and all four members of the police and fire commission.

Other indictments were filed against a newspaper publisher, two businessmen and two gamblers.

The Ecorse crackdown was the second major move made by Bohn since he began his investigation into suburban Detroit politics two months ago.

## Capacity Crowd Attends Eastern Star Ceremonies

GI-M-4 (JNS) — A capacity crowd was in attendance Wednesday in the Masonic hall at the advancing officers of the Gilman chapter of Eastern Star and guest officers from neighboring chapters occupied the stations for ceremonies.

Mrs. Karl Buckstege, assistant matron, advancing to worthy matron, was introduced and invited to preside at the meeting by Mrs. Frank Weber, worthy patron.

Walter Cooper, associate patron, advancing to worthy patron, was introduced by Mrs. Frank Weber, worthy patron.

The other advancing officers were: Mrs. E. Roberts, conductress, who served as associate matron; Mrs. Edna Roberts, conductress, who served as associate matron; Mrs. Edna Roberts, conductress, who served as associate matron.

The president appointed committee chairman of the 1957 Fall Festival of Oct. 21 as follows: Mrs. Henry Demick and Mrs. Joe Rehmer; Mrs. Fred Demick and Mrs. William Prater; Mrs. Fred Demick and Mrs. William Prater.

The labor secretary also said it is unwise to discuss food prices without taking an increase in wages into consideration. He said "the workers can today buy much more with his money than ever before."

## Garden Club Of Will County Meet

WILMINGTON (JNS)—The Federation of Garden Clubs of Will County held its annual meeting Monday in Trinity Evangelical Church, Joliet.

There was an informal flower show. Mrs. Daniel Klamon of Deerfield was the speaker. Attending from Wilmington were Mrs. M. H. Holz, Wilmington Garden Club president; Mrs. Edward Pollock, president of the Federation; Mrs. Fred Demick, secretary; Mrs. Fred Demick, secretary; Mrs. Fred Demick, secretary.

The CUB SCOUT pack committee met Tuesday in the home of Mrs. G. W. Schaefer. The following were present: Mrs. G. W. Schaefer, president; Mrs. G. W. Schaefer, president; Mrs. G. W. Schaefer, president.

The rest of the afternoon was spent playing games, with several prizes awarded. Refreshments were then served by the hostess.

## Six Children Die In Fire At Milwaukee

MILWAUKEE (UP)—Six children died without a chance to escape from a fire which officials said apparently smoldered for nearly an hour before breaking out.

Milwaukee police were holding the children's father, who they said had been in a tavern at a neighbor's home drinking when the blaze destroyed his family in suburban Oak Creek.

Peter Vallejo, 36, a glue factory employee, was to be questioned further by authorities. His wife, Romana, 26, had gone to find Val, leaving the children in the care of Martha, 10.

The victims were Martha, Stella, Mary Ann, 7, Peter, 5, James, 3, and Francis, 11 months old.

Grand said it appeared that all six children were caught without any chance of escape. He said three bodies were found in the living room floor, one in a chair and two others in a bed.

Although the cause was not definitely established, firemen thought the blaze started in the kitchen, where a stove had been touched off by an electrical outlet outside the converted barn.

Kankakee History

THE RIVERVIEW GUARDS

By HAROLD W. SIMMONS

The August issue of American Heritage contains a very interesting article by Martha Swain entitled "It Was Fun to be a Soldier" dealing with the colorful militia companies in the period prior to the Civil War. They were made up of civilians who enjoyed drilling and could always be counted upon to take part in parades. In most instances they raised funds to purchase their own uniforms and equipment and received little or no financial assistance from any governmental agency. Their uniforms were always extremely colorful, many copying the dress of the Zouaves of the French Army.

In the period immediately following the Civil War the enthusiasm for anything connected with the military was at low ebb. The hardships of the conflict and the presence of the maimed veterans upon the streets served to cool the ardor of the young men who were too young to have served and the initial steps were taken which led to the formation of the National Guard in the various states took care of the young fellows who craved military discipline. In the early 1880s however, the military spirit began to assert itself and the Kankakee Gazette of June 9, 1882 tells of the formation of two militia companies in the city, in addition to Co. I. 3rd Infantry, Illinois National Guard.

"A LARGELY-ATTENDED and spirited meeting of the young men interested in the project for organizing an independent military company was held at the courthouse and the initial steps were taken which will secure for Kankakee a crack organization if the financial aid can be secured."

The civil organization was perfected by the election of president, L. W. Wheeler; vice president, Eugene Todd; secretary, Charles Livingston; assistant secretary, Will Schneider; treasurer, S. B. Burchard Jr. Enos Smith was elected captain and Bird Plante, 1st lieutenant. Three sergeants and four corporals are to be appointed by the captain. "A company composed of the material indicated by the foregoing names will be a credit to the town," stated the Gazette, and added, "it is understood that from \$1,200 to \$1,500 will be required to put the organization on its feet."

The issue of June 16 states: "THE RIVERVIEW GUARDS (the name of the new independent company) held a meeting and perfected their organization. Captain Smith announced the following appointments: 1st Sgt. Charles A. Livingston; 2nd Sgt. E. Wheeler; 3rd Sgt. Seneca Burchard Jr.; 4th Sgt. Will Schneider; Roy Way, Chief Bugler with the rank of sergeant; Andy Kerr Jr., Chief Drummer, with rank of sergeant and corporals to be appointed later. "The Guards will have an extremely picturesque costume, consisting of red pants, white leggings, yellow vest and cap, and sea green coat and red sash."

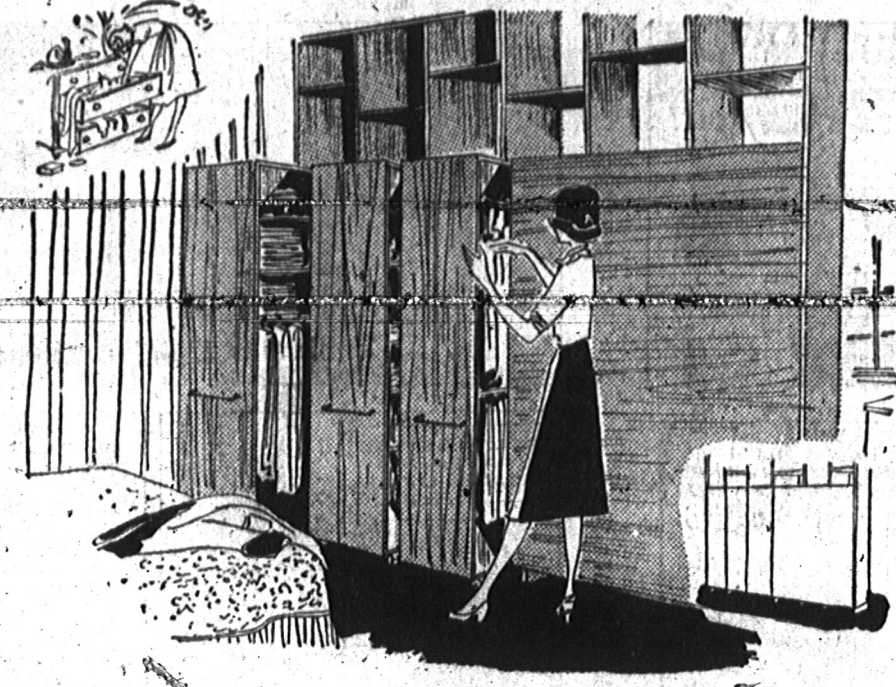

ON JULY 14 THE GAZETTE announced that Enos Smith had resigned as captain of the Guards and Fred Whitmore "had consented to the use of his name and he will be the unanimous choice of the boys for the vacancy."

A later issue of the Gazette tells of the progress made by the new outfit: Aug. 4—"The Riverview Guards are drilling right along at their armory on West Court street. Their rifles arrived last Friday and are satisfactory to the command. Their gorgeous uniforms will be here this week and Knoch and Company predict that when the boys get on their Mother Hubbard breeches and the balance of their outfit-Kankakee will have the best-dressed military command in the country. Well, that's what we want. The guards have put in about \$800 or so; the Zouaves \$500, and the militia boys \$6,000 since they were organized in 1888. Yes, it takes money, but it pays."

On Aug. 18 the Gazette announced that "An interesting feature of the county fair this year will be a competitive drill limited to the three local military companies—Co. I, the Riverview Guards and the Zouaves. The prize will be an elegant foiled State, silk, flag, regulation size, richly ornamented with gold fringe, and will be as good as money can buy."

On Friday afternoon, Sept. 15 the competitive drill was held at the Fair Grounds and the Gazette recorded the event in part: "Hearty and well-worn applause greeted the Riverview Guards at the close of the competitive drill as the beautiful silk flag was presented to this company. The fair has produced some surprises this year, but hardly one more pronounced than the efficiency displayed by the guards, both in their marching and the manual, especially the latter, the movements being executed with such precision and vim as to win the admiration from the friends of the other companies. Their marching was generally satisfactory, close attention to details, quick and efficient execution of commands and a graceful winning step being the principal points in their favor."

Capt. Fred Whitmore was presented with a handsome regulation dress sword by the members of his command.

## DESIGNING WOMAN

By Elizabeth Hillier

Could you keep house without a single drawer in the house? Why not, if designers figure out brand new ways to file possessions efficiently in less space? Wouldn't you want to if the filing method made it so much easier to keep everything in order, and to find what was wanted at a quick glance?

New ideas abound for room improvement—concentrate more—and more on storage performance. Well it may mean close quarters make this so vast a problem. And designer Henry Glass begins his usual important contribution to design problems solving by saying flatly that drawers are an abomination, and should be done away with.

This statement at a recent American Furniture Mart design conference in Chicago struck horror to the soul of at least one commentator on the home scene, who confessed that he might well do away with good old home as we know it if such radical thinking were put into reality by our leading designers—and that what Glass really should do is to bring back the rocking chair and the hammock on the front porch.

What do you think? Most drawers are undeniably too deep. They've been known to hide away a scramble of possessions in the best of households because one item is difficult to put a hand on in short order, and those planned-on rainy days for rearranging so seldom come. And when there are many small drawers, which item is located where? It so happens that Glass puts his extreme (?) ideas into calm and orderly practice. Here's one way he does it: In his own home, with a storage wall that simply moves out panel by panel on wheels to reveal shelf above shelf, each

OFF THE BOOK BEAT—A young woman with pitch black hair and the intriguing features which are part European and part Asiatic, has written a novel in effect that what looks intriguing to the rest of us did not intrigue her at all; in fact, was a symbol of her principal problem.

The girl with the problem is Diana Chang; her novel is "The Frontiers of Love," out this week; and the problem was this sort of double identity. Which side did she belong on? Was she European—the European part is Irish, too. Or was she Chinese?

She was born in New York City, but from her babyhood until the close of the last war she lived in Shanghai, Peiping and Nanking. She spoke Chinese "but not well," she claims; her chief language was English.

"I felt after I grew up," she says, "that I was constantly stooping under a low ceiling of anxiety. Who was I? It wasn't a question of race except in general terms. In more immediate ways it was personal and intimate. I had two contrasting backgrounds and I had to find out which I could settle for, and what, by itself, it could do for me."

She solved her personal problem by posing and solving a literary problem. And she wrote about Eurasians in Shanghai and arbitrarily arranged their lives for them, she discovered she was arranging her own to her satisfaction. Too. Her home now is New York.

MR. AND MRS. Arnold Arp and family and Miss Pamela Boudreau, all of Muncie, were Sunday guests at the home of Mr. and Mrs. Emil Miller.

Mrs. Edward Bremmisen, president, presided with 11 members present. It was reported 19 greeting cards were sent during the month. Plans are being made to have an "Old Time Minstrel" after, Dec. 1.

The October meeting will be held in the Masonic Hall. Cards will be played after a potluck supper. The public may attend. Coffee will be served by the refreshment committee.

The club will buy a coffee urn. Starting in November meetings will be held in the town hall.

# On The Book Beat

Current Best Sellers

(Compiled by Publishers' Weekly)

DON'T GO NEAR THE WATER, When Brinkley, The LAST HURRAH, Edwin O'Connor.

THE MANDARINS, Simone de Beauvoir.

AUNTIE MAMIE, Patrick Dennis.

A THING OF BEAUTY, A. J. Cronin.

NONFICTION EISENHOWER: THE INSIDE STORY, Robert J. Donovan.

ARTHUR AND COMMON SENSE, Dan Dale Alexander.

GUESTWARD HO! Barbara Hodgson and Patrick Dennis.

LOVE OR PERISH, Smiley Blanton.

PROFILES IN COURAGE, John F. Kennedy.

THE FIELD OF VISION, by Wright Morris, Harcourt, Brace, Old man Scanlon, nearing 90, the "man who knew Buffalo Bill," his daughter Lois, her husband McKee, the grandson Gordon with his pistol and Davy Crockett co-skin cap have come down to Mendocino, and as this novel opens, are attending a bullfight. With them are an old friend, Gordon Boyd, Dr. Leopold Lehmann and Paul-Paula Kahler.

The fights go on. The bulls now miss a youngster, now gore a maulador.

But these disturbing sights drive the thoughts of these alien Americans back to their early years, to the time when Boy killed Lois before McKee ever got around to it. As McKee says, "he had to come to a bullfight to remember he had shot a hog."

This comes closer to documentation than fictionization of it. Despite the restriction to a single afternoon of action: I like it, but I think Morris has put more difficulties in the reader's way than he needed to.

Mr. and Mrs. R. J. Ottumler returned home this week after a visit at Karl Sauer's home in Saginaw, Mich. They also visited the Wisconsin Dells.

Wunderlich Family Holds Reunion

The Wunderlich reunion was held last week in Bird Park Clubhouse with 71 attending.

Officers elected for the coming year are Mrs. Wayne Reed, president; Ruth Dyer and Pearl Winner, secretary and treasurer respectively.

Gifts were given to Mrs. L. B. Worman, the oldest woman present; the youngest, and Mr. and Mrs. Laurence, who came the farthest.

The practice began 100 years ago of treating railroad ties with creosote and petroleum to season them for longer life.

...where you save does make a difference

Going into business for yourself often depends on having the money available when opportunity knocks. That's why it pays to save... now! And, when you put your savings into an Insurance Savings and Loan Association... it pays even more. You get important advantages... excellent returns from your money in one advantage. Efficient, forward-looking service from men who know how to make your dollars work harder for you is another. And, of course, your money is safe because in Insured Associations your savings are protected by sound management and substantial reserves. They are insured up to \$10,000 by the Federal Savings and Loan Insurance Corporation. The Harshbarger Insured Association tomorrow... and make sure you'll be ready when opportunity comes your way.

MEMBER SAVINGS AND LOAN ASSOCIATION

## Fall Cleaning Can Be Fun With Planning

Fall cleaning may be a fun project—a time to size up the old and plan some new purchases for the home. It doesn't need to be a drag.

Find a good routine for chores, the right equipment and proper dress, and you can learn to enjoy the job. Schedule cleaning chores, room by room. Plan to work so that you find time for an afternoon nap.

Som homemakers like to clean one room thoroughly each day, preferring the rotation plan to any other system, giving other rooms a once-over lightly each day.

Other homemakers prefer doing heavy cleaning all in one day; routine chores like bedmaking, dusting and kitchen mopping every day.

A bride has a good opportunity to start out from scratch. She doesn't need to use Mom's methods unless she finds them to her liking. Her routine will depend on the equipment—washing machine, freezer; whether she shops for groceries or gets them delivered. It makes a difference in planning.

TESTED SHORTCUTS Here are some ideas other homemakers have "tested." Perhaps they will help you plan your schedule:

List all supplies and equipment you need to do the job. Take advantage of new products especially created to make the job easier.

Get one of the cross patterned covers hands and gloves and apply it before cleaning. It'll help the dirt to be more easily removed after your cleaning aids.

Consider these cleaning aids: Bitter detergents to make suds.

SPEEDING CHORES Most housewives moving into new establishments will find more conveniences than there were a few years ago, enabling home chores to take on a dual role. Here are a few ideas:

Clothes may be washed and spun dry while you clean up the kitchen (put out milk bottles, wash dishes, wipe off appliances, shine pots, stop floor).

Dinner might be cooked with the new stove timers while you clean up the kitchen.

—Dishes might be washed in a dishwasher while you clean an entire room floor.

—Cook your dinner—casserole, stew or ragout—hours in advance. Have it set to pop in the oven anytime.

—Spend the last few hours in relaxation awaiting your man's return home. Take a bath, put on Post a schedule in the kitchen where you can see it. Put under "once-a-week" heading such chores as dusting the refrigerator, cleaning out the pantry of whatever, and under "twice-a-month" turning mattresses, shampooing area rugs, washing windows.

It's a good idea to have the table set, the dinner in the oven and the kitchen spanking clean when your husband returns from work. Even if you do not have all the modern appliances you can accomplish that much and still look relaxed when he gets home.

GREASE-PROOF WALLS A kitchen wall around the range with a baked coating in wood grain and marble designs as well as in solid colors is available at well stocked lumber yards.

CLEAR AS GLASS probably the lowest upkeep cost of any material, glass, according to its manufacturers, is virtually impervious to wear and corrosion, and has long.

Post a schedule in the kitchen where you can see it. Put under "once-a-week" heading such chores as dusting the refrigerator, cleaning out the pantry of whatever, and under "twice-a-month" turning mattresses, shampooing area rugs, washing windows.

## Lady Elks Feted At Social Event In Watseka Lodge

WATSEKA (JNS)—The first in a series of social events sponsored for Lady Elks by the Elks was attended by approximately 400 guests at the Watseka Lodge.

A homey luncheon preceded the social afternoon. Games were the diversion with prizes awarded for the afternoon.

Decorations and arrangements for the afternoon were under the charge of Mrs. Craft, Mrs. Robert Bittner, Mrs. Marie Eastburn, Mrs. Albert Mueller, all of Watseka.

Mrs. James Anderson of Woodland, and Mrs. Robert Churchman of Milford.

Mrs. BERTHA Wood returned Tuesday from Clay City, where she attended a homecoming of relatives and friends.

Mrs. Joseph Stone, a patient in Irons Hospital, is expected to be able to return to her home this week.

Wayne Lufeld of Joliet spent Sunday with his grandmother, Mrs. Frieda Lufeld, and relatives.

Mrs. W. C. Burnside accompanied Mrs. Vince O'Brien to Chicago on Tuesday where they attended to business interests.

Madeline Sycott, Danville, secretary; Mrs. Lyle Harshbarger, Kankakee, treasurer; Mrs. Helen Bowers, Muncie, conductress; Mrs. Maude Hartman, Milford, associate conductress; Mrs. Karna Harshbarger, Kankakee, chaplain; Mrs. Corinne Kelly, Irons, marshal; Mrs. Garcia Bremisen, Chebanne, organist; Mrs. Pauline Olson, Oakridge, Adah; Wilma Buckstege, Gilman, Ruth; Mrs. Goldie Johnson, Potomac, Elctia; Vincente Bowers, Muncie, warder; Harold Hartman, Milford, sentinel; and Griffith Johnson, Potomac, color bearer.

Sole were sung by Mrs. Gilmore.

Speechmaking arrangements for the evening were members of the Past Masters Club.

WATSEKA (JNS)—Mrs. Arthur Friedinger, worthy matron, presided at the business session of Royal chapter, Order of the Eastern Star, during a homecoming Monday.

Serving in their respective stations were Mrs. Thelma Strickler and Les Strickler, associate matron and associate patron of Royal chapter, advanced to worthy matron and worthy patron; Mrs. Nina Mayette, conductress of Royal chapter, advanced to associate matron; Art Kerchenfaut, associate patron; Mrs. Elsie Rhoades, guest of honor; Mrs. Bernice Gilmore, soloist, and Miss Bessie Perry, accompanist, all of Royal chapter.

Out-of-town guests were Mrs. Madeline Sycott, Danville, secretary; Mrs. Lyle Harshbarger, Kankakee, treasurer; Mrs. Helen Bowers, Muncie, conductress; Mrs. Maude Hartman, Milford, associate conductress; Mrs. Karna Harshbarger, Kankakee, chaplain; Mrs. Corinne Kelly, Irons, marshal; Mrs. Garcia Bremisen, Chebanne, organist; Mrs. Pauline Olson, Oakridge, Adah; Wilma Buckstege, Gilman, Ruth; Mrs. Goldie Johnson, Potomac, Elctia; Vincente Bowers, Muncie, warder; Harold Hartman, Milford, sentinel; and Griffith Johnson, Potomac, color bearer.

Post a schedule in the kitchen where you can see it. Put under "once-a-week" heading such chores as dusting the refrigerator, cleaning out the pantry of whatever, and under "twice-a-month" turning mattresses, shampooing area rugs, washing windows.

It's a good idea to have the table set, the dinner in the oven and the kitchen spanking clean when your husband returns from work. Even if you do not have all the modern appliances you can accomplish that much and still look relaxed when he gets home.

GREASE-PROOF WALLS A kitchen wall around the range with a baked coating in wood grain and marble designs as well as in solid colors is available at well stocked lumber yards.

CLEAR AS GLASS probably the lowest upkeep cost of any material, glass, according to its manufacturers, is virtually impervious to wear and corrosion, and has long.

## Home Of The Week

"A first home" should be for learning," says Mrs. LaBarge of 269 S. Center Ave., Bradley. By way of explanation she points out that there is no better way to discover personal preferences and needs in a house than by building and living in one.

"This is also the best way to realize where you under mistakes," she says. "And in building a second home you are presented with the opportunity to incorporate what you have learned is best suited to your individual family needs, and preferences."

The LaBarges have lived in their six room, brick home (their second of course) for five years. They selected their own plan, enlarging, embellishing and altering them to accommodate what Mrs. LaBarge had learned was best for her family.

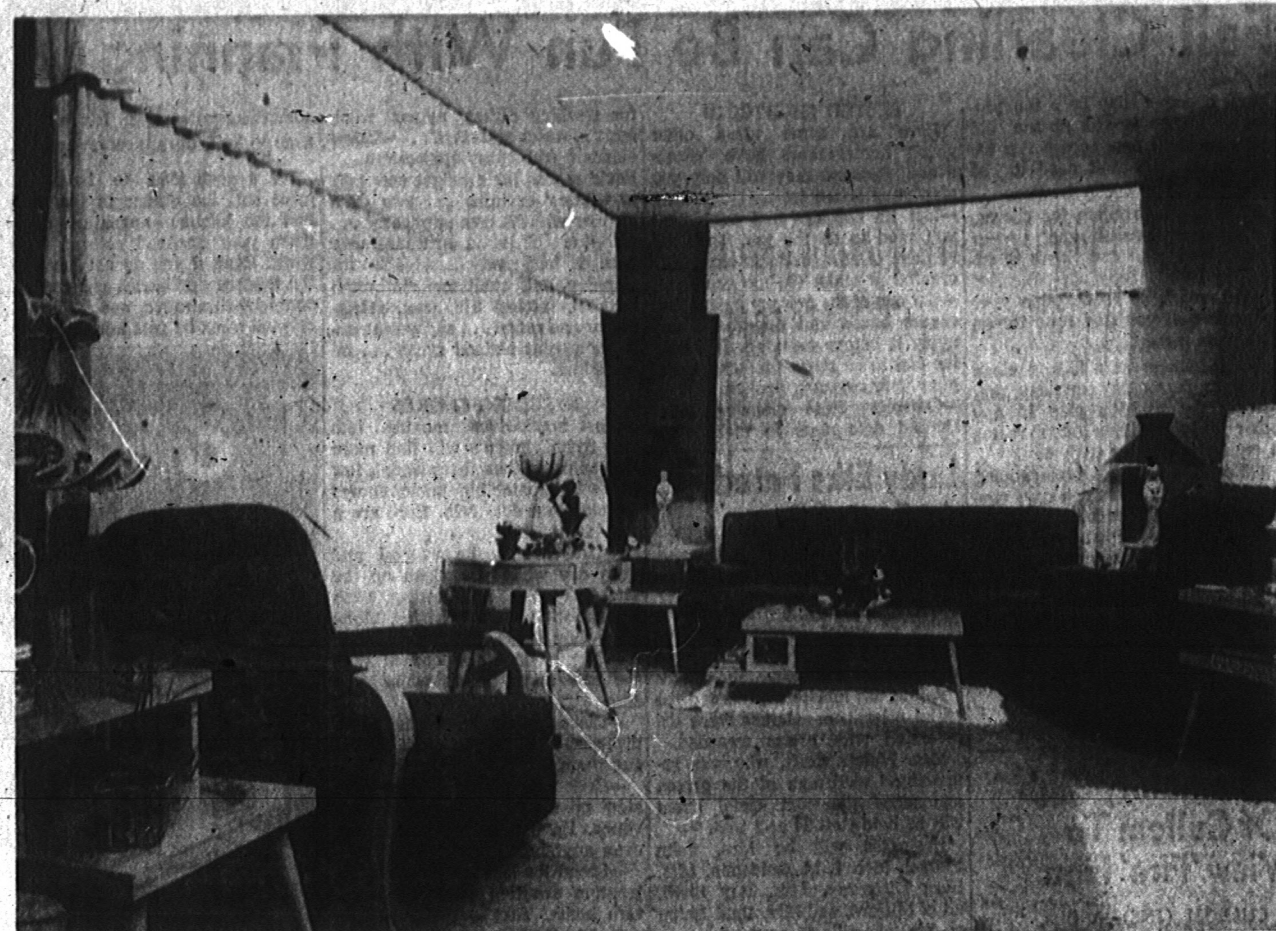

LaBarge's hobby is working around his home and he falls into that enviable category known as "the handy man." Most of the built-in fea-

tures and innovations in the plan can be credited directly to him. The outdoor fireplace and patio are also representative of his ability and at the moment he is efficiently in the midst of converting the basement into a family and game room via knotty pine walls and a large fireplace.

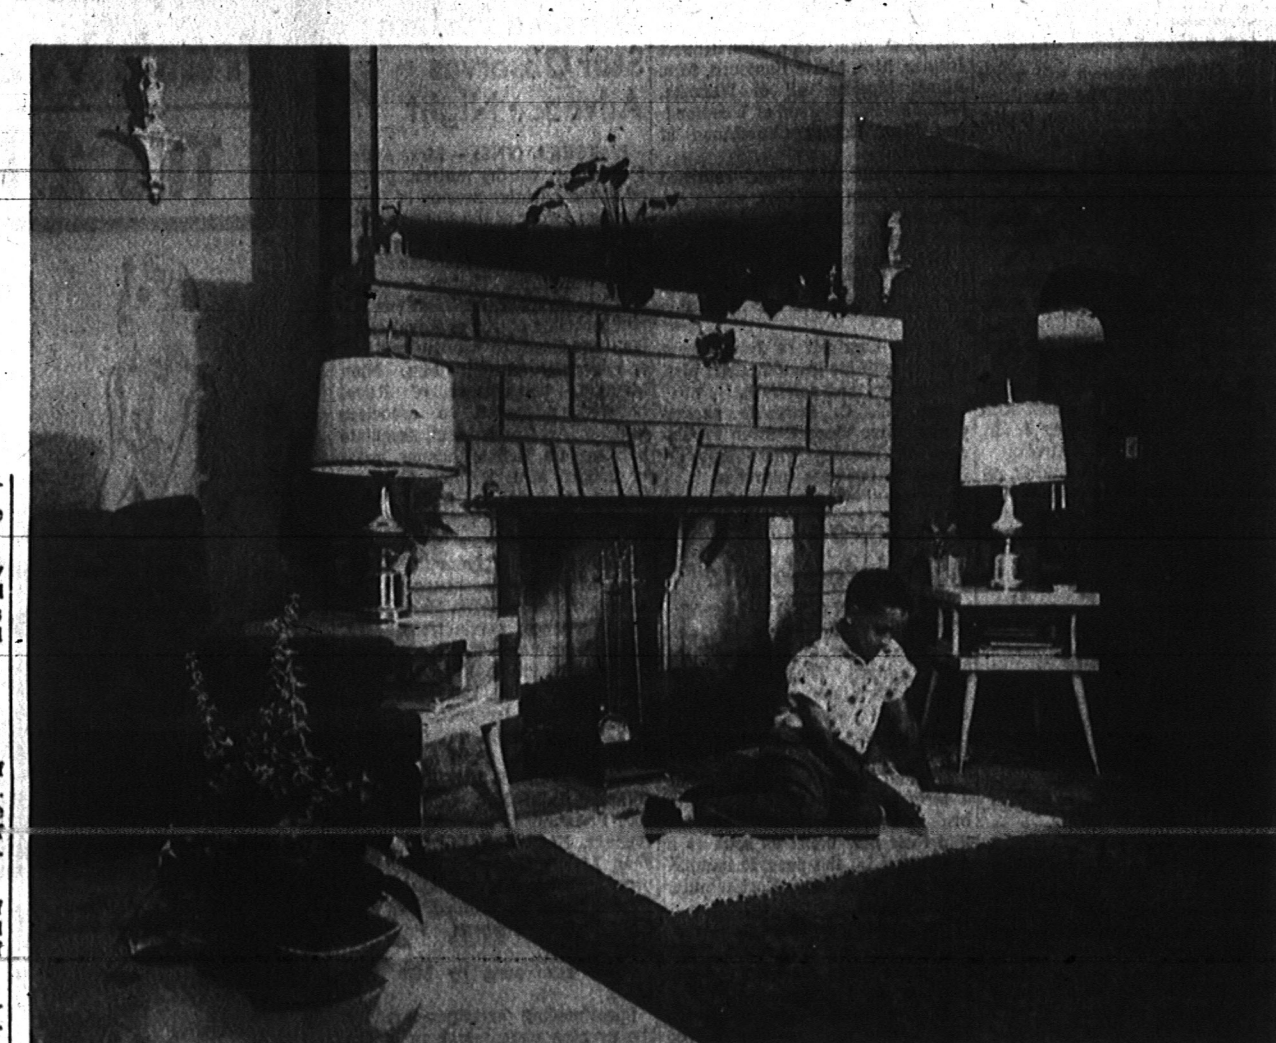

Six rooms are included in the floor plan—three bedrooms, living room, dining room, kitchen, full basement and two baths. The garage is located at the rear of the lot. Sticker heat is used and solid birch woodwork and hardwood floors are featured throughout. The exterior is a light brick with white trim. Experience taught Mrs. LaBarge "a lesson in storage" and her second home boasts nine closets—big closets—which provide storage space supreme.

The LaBarge home is well suited to family living and is built for the convenience and enjoyment of the four children, Jimmy, 16; Terry, 11; Carol, 7 and Diana, 5.

RIGHT—Living room is large and bright with wide windows which Mrs. LaBarge chose to install with floor to ceiling drapes in a white sunbuck material thus increasing the indoor-outdoor relationship. Walls are sandalwood, carpeting a rose toned gray scroll pattern and upholstered pieces, gray, sandalwood and antique red. End tables are lined oak. Exterior entrance hall is in left foreground and doorway to central hall opens at right foreground. Mrs. LaBarge prefers this central hall plan because it solves traffic problems and affords easy access to rooms.

BELOW—Eleven-year-old Terry is pictured in front of the large fireplace in the living room which is on the wall opposite the picture window. The native stone used in the fireplace construction is in rose beige shades which pick up the tones of the sandalwood walls. "Our home is for living," says Mrs. LaBarge and further "living space" will soon be offered in the basement game room which LaBarge is finishing.

Martinton Group Schedules Session

MARTINTON (JNS)—A meeting of the Ladies Aid Society of the Martinton Church of Christ will be held Wednesday night in Mrs. Clarence Stuckey's home, with Mrs. Vernal Clausen as co-hostess.

## New Split-Level For A Narrow Lot

FOR A NARROW LOT, this house presents a dignified, urbane facade.

## Can Be Built In Six Ways

Now the popular split-level house can be built on a narrow lot. Design HW-20 for The House of The Week presents a new concept of split-level planning. It offers you the options of adjusting the house to three, four, or five-bedroom use. It provides nine good size rooms—two if you count the room-size foyer—all in a perimeter area of only 1,500 square feet, a medium size. It can be built in city, suburban or country locations.

Rudolph A. Matern, the architect, has designed HW-20 for construction in six different variations with merely slight plan changes. All of the six variations are shown on the study plans. They demonstrate:

1. That this house can be built on a 40-foot lot in areas where 10 to 14-foot side yards are acceptable. Elsewhere a 45 to 50-foot lot should suffice. As shown in the plans on this page, you can have a one-car garage and a maid's room (the fifth bedroom) on the lower level.

2. You also can build on a narrow lot with a two-car garage by eliminating the maid's room. This suitability for a modest site solves the problem of increasing land costs as well as making a modern home available to families who already own urban land.

3. Turned sideways, this house becomes an attractive design for a wide lot—75 or 80 feet. In this option the one-car garage can be entered at the front of the house and the maid's room shifted to the rear adjoining the family room.

4. Another wide-lot version offers a two-car garage, entered from the front, in which case the maid's room is eliminated and you have a three or four-bedroom house. This bedroom flexibility is provided by a folding wall.

5. For a still wider lot to afford driveway turning space, or for a corner property, the four-bedroom version can have its two-car garage entered from the side.

6. Also fitting larger lots and corners is the original version with the fifth bedroom restored and a one-car garage entered from the side.

AS A NARROW lot project, this plan shows a walled garden terrace at one side. This utilizes the land width to the maximum. Iron gates in front create a dramatic entrance to the house across the paved terrace. With a garden pool in the corner of the stone wall and with colorful planting boxes, this terrace becomes a picturesque outdoor living room.

Four steps lead up from the foyer and produce a raised living room effect. A folding wall between the foyer and family room opens an expanded area for large scale entertaining. Sliding glass doors open both the foyer and the family room to the outdoors.

The kitchen, located between the dining room and family room, has a dinette corner and a balcony overlooking the lower level. This latter feature permits a mother to keep an eye on her children playing in the family room.

A REAL CONVENIENCE is the lower level bathroom, adjacent to the maid's room, garage, family room and kitchen. Two other bathrooms are upstairs.

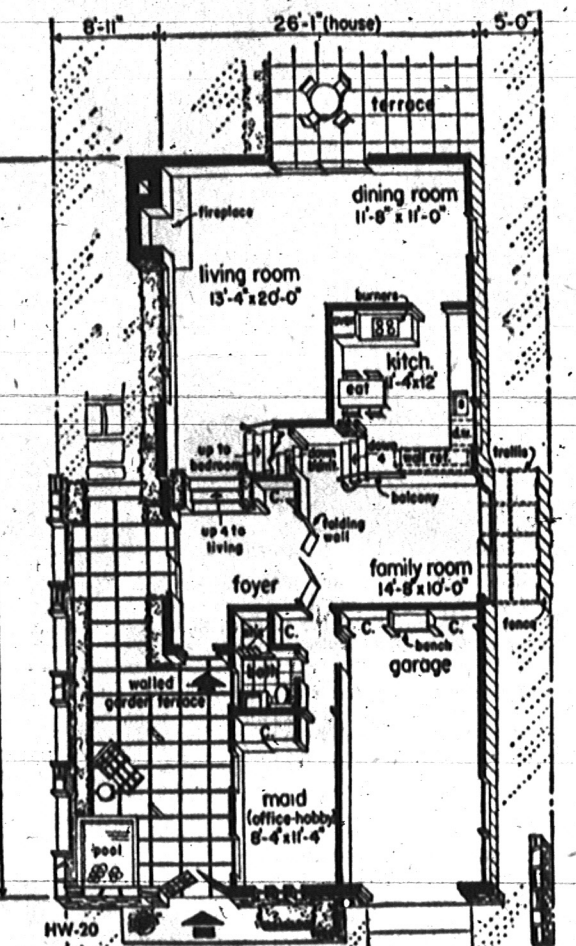

The master bedroom suite in the front of the house is planned with a folding partition making it possible to divide this area for a private study, guest room, sitting room or nursery.

No matter which way you turn this house, it presents grace and interest in its exterior, accented by overhangs, stone walls and planters.

# Outlook For Beef, Hogs Brighter Says Economist At Local Meeting

Left to right: Peter Yarleng, Chicago Livestock Marketing Association, and Larry Simerl, Department of Agricultural Economics, Chicago. They are at the local meeting of the Chicago Livestock Marketing Association, which was held Friday night at the Farm Bureau assembly room.

The price outlook on cattle and hogs is somewhat brighter for the coming year than it has been for the past year, Larry Simerl, Department of Agricultural Economics, told a group of Kankakee County farmers at the annual grain and livestock outlook meeting Friday night at the Farm Bureau assembly room.

Also taking part in the program was Peter Yarleng, of the Chicago Livestock Marketing Association, who told of current trends on the market and what to expect in the near future. Simerl pointed out that the livestock feeders were the most depressed segment of agricultural workers this past year. "While other producers of food were getting a good price, the cattle and hog men were suffering," he said.

IN DECEMBER 1955 all farm prices averaged 80 per cent of parity. At the same time, hogs were 50 per cent of parity; beef cattle, 63 per cent; and corn, 64 per cent. This is important in Illinois because hogs are our main source of agricultural income, beef is second and corn, third.

But the outlook seems brighter, he said, because both beef and hog production seems to be leveling off. In the past 90 days the price for the better quality animals has made a substantial rise.

Simerl pointed out that both cattle and hog numbers move in cycles. Usually when there are large numbers of steers there are small numbers of hogs. But this year for the first time in history both animals reached extremely high production numbers, and, therefore, the producers of both suffered, he said.

BUT CATTLE numbers are beginning to level off and hog farmings are expected to drop six to eight per cent, he said. Protein feed looks to be very cheap this coming year, also, he pointed out.

The soybean crop is estimated at 24 per cent more than last year. Simerl said he'd be surprised to see the bean price exceed the loan level which is \$2.20 for the Kankakee area.

Last year, there were extreme advances in bean price because a great many farmers sold their beans at harvest time. This year, he pointed out, farmers are holding their beans and probably will not see the price advance seen last year.

AS FOR CORN, Simerl doesn't see all farm prices at harvest time this year at last, even though the crop is estimated at 33 billion bushels, the second largest on record. Last year at harvest time corn was selling for \$1 a bushel and sometimes lower.

But this year all farmers have a loan support of at least \$1.25, Simerl pointed out. Some corn he said will be sold at harvest time because of lack of storage space. The conference is held in conjunction with the International Dairy Show.

The boys are selected for their outstanding records of achievement in 4-H dairy projects, school and community activities.

Thomas D. Lutz, Kankakee County assistant farm adviser, and F.H. Myrland, of the state 4-H club staff, will be the chaperones.

Area's FFA Officers Hold Training School

Future Farmers of America officers from 25 area high schools held their annual officers training meeting and banquet at the Kankakee Hotel Thursday afternoon and evening. Pictured above are the group of FFA members and their advisers who guide the FFA program for the state's section 18. Schools in the

Newly elected officers for FFA section 18 are pictured above and at the left. Above is Lyle Gerdes of Manteno High School who was elected section reporter. Seated at the left are Ken Tucker, Watseka, section 18; Myron Reaman, Grant Park, secretary; and Jack Witham, Central, vice president. Standing are Wally Albert, Peotone, who was elected section vice president at the state convention at Springfield and will assume duties of section president, and Vincent Toepfer, Peotone, treasurer.

section are Manteno, Central of Clifton, Grant Park, St. Ann, Peotone, Herscher, Watseka, Sheldon, Danvers, Crescent City, Reddick, Bradwood, Kempton, Crest-Monroe, Beecher, Cissna Park, Buckley-Loda, Gilman, Onarga, Bloom Township, Lincoln Way, Wellington, Stockman and Milford. (Journal photo)

Several area dairy farmers and youths have made entries in the fourth annual International Dairy Show to be held Oct. 6-13 in the International Amphitheatre at Chicago.

Making entries from Kankakee County are Earl Marquette Jr. and A. J. Butz and Son, Marquette, a 20-year-old 4-H club member will exhibit a young Jersey in the Junior show. Butz will exhibit Holsteins.

Nicole Fanning, 14-year-old troquian 4-H club youth from Milford will enter four Brown Swiss cattle. Fanning's entries were high ranking prize winners at the 1956 Troquian County Fair, Kankakee County Fair, Illinois State Fair and the Illinois State Fair.

The Walnut Creek Farm, owned by the Meyer Brothers of Peotone, will also have Brown Swiss at the show.

Judging of the six major cattle breeds will be held Oct. 8 through Oct. 12. All 4-H and FFA owned cattle will be judged Oct. 8; Brown Swiss, Guernsey and Jersey on Oct. 9 and 10; Holstein, Ayrshire and Milking Shorthorns on Oct. 11.

The St. George Dragons 4-H meetings will now be held at 7:30 p.m., it was announced at the September meeting. Election of officers will be held during the October meeting. Talks were given by Cathy Bouchard, Shirley Heck, Donna Dionne, James Raymond, Richard Longton and Michael Longton.

Donna Boudreau was elected president of the Burcham Bussling Bumpkins 4-H Club. Donna Bissell was elected vice president, and Barbara Ray, secretary-treasurer.

The two boys are among 12 selected from throughout Illinois at delegates. The conference is held in conjunction with the International Dairy Show.

Boys are selected for their outstanding records of achievement in 4-H dairy projects, school and community activities.

Thomas D. Lutz, Kankakee County assistant farm adviser, and F.H. Myrland, of the state 4-H club staff, will be the chaperones.

## Who Owns This Farm?

Is this your farm? Livestock is certainly one of the main enterprises on this week's Mystery Farm. A hog lot can be seen at the right of the photo and a horse has been constructed into the barn for a cattle shelter. The farm house, a story and a half frame house, is located just left of the photo's center. It is surrounded by trees and a well kept lawn. The crib can be seen above the house and a machine shed is located to the left of the crib. If the owner of the photo and a horse has been constructed into the barn for a cattle shelter. The farm house, a story and a half frame house, is located just left of the photo's center. It is surrounded by trees and a well kept lawn. INSPECTING ONE OF THE numerous pumps in the treatment plant are Carl R. Funk, Decatur, kneeling, resident engineer; and standing, from left: James Scroggins, plant operator; Harold Hodely of Decatur, sub-contractor who built the plant; Clarence Lock, president of the Bradley Village Board; and Thomas Cooper, sanitary engineer for the firm which supplied the equipment. Behind Cooper is a boiler which burns methane gas produced in the round digester. The digester, measuring 40 feet across and 25 feet deep, turns the sludge into fertilizer. Heat from the boiler, in turn, is used to help produce more gas.

LAST MANHOLE going into place symbolizes completion of Bradley's East Side sewer system. The East Side sewers are a separate project, and will be paid for by special assessments on the East Side area they will serve. Watching Roy Leggett guide the manhole into place are, from left, Carl Funk, Decatur, resident engineer; Sam Azzarelli, general superintendent of the job; Lock, president of the Bradley Village Board; and Joseph Azzarelli, construction company vice president.

SEWAGE, AERATED by forcing air into it, goes into primary settling tanks at right, then to two 100 by 14 by 15 foot aeration tanks out of view to left, then into final settling tanks in foreground. Sludge is removed from tank bottoms by conveyors and is pumped into digester tank in right background where bacteriological action turns it into fertilizer. Plant is an nearly odorless as can be built.

# Sewage Plant Is Built For The Future

## Term Bradley Installation Most Modern

Bradley's new sewage disposal plant is the most modern that can be built, according to the men who helped construct the plant and place it in operation.

Located near the Kankakee River southwest of Bradley, the plant is treating three-quarters of a million gallons a day that formerly was discharged untreated into the Kankakee River.

This is about half of its full capacity, engineers pointed out, although more users are being connected each day as the East Side sewer system is completed. The plant was designed to handle about 11,000 users, enough to allow for the village's growth over the coming years.

Engineers said the plant is as nearly odorless as can be designed.

REGULAR LABORATORY tests check the effectiveness of the plant. The operator, James Scroggins, is responsible to the State Sanitary Water Board.

The State Sanitary Water Board had ordered Bradley to end its pollution of the Kankakee River and had forbidden further extension of Bradley's sewers until a treatment plant was built.

The plant was financed by a \$400,000 revenue bond issue. A monthly sewer fee charged all users of Bradley sewers will be used to pay off the bonds. The minimum fee in Bradley is \$2.20 per family unit and \$2.75 for commercial units, and industrial users are on a schedule based on water consumption.

The charge is 50 per cent higher for users outside the village limits, a practice common in most communities.

Bradley's East Side sewer system, a separate project serving about 55 blocks east of Schuyler avenue, also is all but completed.

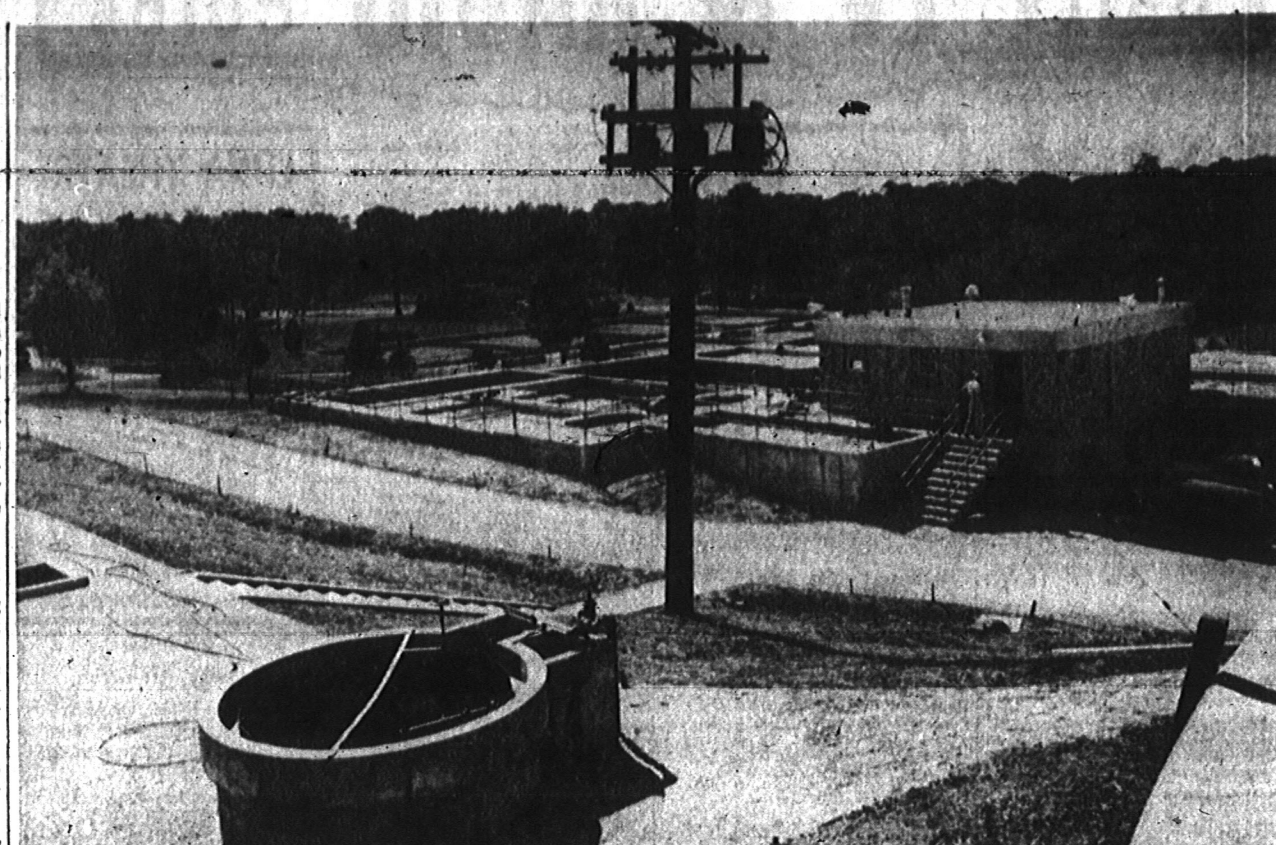

THE FINAL sections east of Route 54 await only the engineering inspection before connections can be made. Connections are being made west of Route 54.

And after Nov. 1, septic tanks will be outlawed in the village.

The East Side Sewer was financed by special assessments of \$200,000, levied against the new fitting East Side properties. These are payable over a 10-year period.

Sewers on the West Side were built earlier by special assessments paid by West Side property owners.

The East Side system includes more than 34,000 feet of 8-inch laterals for direct house connections, as well as more than 7,000

BRADLEY'S NEW sewage treatment plant, recently put into operation, is located just north of Kankakee plant, visible in center background. Sewer main enters Bradley plant at left of picture, goes through grit tank at left, and then to the aeration and settling tanks in center of picture. Brick structure is pump office control building which contains pumps, blowers, and laboratory where plant operation is checked. Ninety-five per cent or more of the contamination is removed by the treatment process. (Journal photos)

feet of main ranging from 8 up to 18 inches.

Residents connecting to the sewerage system must get a permit from the village clerk, use standard tile at least 6 inches in diameter and connect only at the "Y" provided. The connection must be inspected by the village before it is covered up.

Momence Woman's Society Resumes Year's Activities

MOMENCE (JNS) — The Woman's Society of Christian Service resumed activities, after a two-month vacation, with a meeting in the Methodist Memorial Building on Wednesday night.

After the meeting was called to order by the president, Mrs. O. L. Deardurff, Mrs. C. G. Goodell played a piano selection. She also accompanied for group singing and later sang a solo.

Miss Lyle Brown, co-chairman of the September division, led devotion. Mrs. Harry Heninger read a hymn and Mrs. Wilber King read a prayer. Minutes of the June, July, August and September board meetings were read and approved as was the treasurer's report. All were read by Mrs. G. W. Reagan. Mrs. Paul Wilson was introduced as the new spiritual life secretary.

succeeding Mrs. R. W. Chenoweth, who left the city. She will work with Mrs. Shirley Hanson, spiritual life secretary of the Wesleyan Guild, in making arrangements for the World Week of Prayer, Oct. 25-31.

Mrs. John Thompson announced the names of Mrs. Paul Wilson, Miss Belle Rice and Miss Nellie Mills as 1,000-or-more point readers. She also gave a missionary brief.

Reports were made by Mrs. Henry Wheeler, Mrs. Thompson and Mrs. Wilson on studies at the School of Missions in Bloomington. The president announced an all-day meeting will be held in the

Memorial Building on Oct. 9, starting at 9 a.m. This is open to all women of the church, who will bring sewing equipment and materials and a sack lunch. Articles will be used for the annual bazaar.

The fall district meeting will be held at Trinity Methodist Church in Kankakee from 10 a.m. to 3 p.m. on Oct. 2. Reservations for luncheon must be made with Mrs. Deardurff before Sept. 30.

A program was conducted by Miss Brown, who presented the quadrangle goals.

The meeting was closed with prayers by Mrs. Martin Klassen and Miss Brown.

Refreshments were served by the

Morocco Royal Neighbors To Meet

MOROCCO, Ind. (JNS) — The Morocco Royal Neighbors will meet Thursday at 2 p.m.

There will be practice. Plans will be made for the district meeting at Monticello on Oct. 12.

MR. AND MRS. Henry Neibert will observe their 25th wedding anniversary today with an open house from 2 to 4 p.m. and 7 to 9 p.m. for friends and relatives.

One day he and Tracy tramped

first call to John Wayne, Clark Gable or Gary Cooper whenever the role calls for a rugged, manly hero. The audience snickers when some of these young slinks slide alone into the camp of hostile Indians or try to take a gun away from Jimmy Cagney or Humphrey Bogart.

Mrs. L. D. Corkins presented R. V. Minton, who introduced the faculty, staff and board members of the high school. James Shontz was introduced by Mrs. Corkins, he presented the faculty, staff and board members of the grade school. Tom Woods of the Wichita school was introduced by Mrs. Corkins. He presented the faculty of the Wichita school.

Miss Carrie Marie Kierce represented Arthur Wagner of the Aroma Park school. Following her presentation by Mrs. Corkins, she introduced faculty members present from the Aroma Park school. The Rev. Mr. Johnson gave the closing prayer and grace. Refreshments and a get-acquainted session closed the activities of the evening. Pouring were Mrs. LeRoy Martin, Mrs. Gerald Martin and Mrs. C. Thierman.

Committee chairmen in charge were Mrs. Robert Sirois, food; Mrs. H. Thierman, table; Mrs. Corkins, program; Mrs. Harold Stutzman, reception, and Mrs. Charles Johnson, invitations.

Earlier he had rallied forces against a statue of an Indian wearing an upside-down canoe on his head — and nothing else. The Indian, also by Milles and called "The Spirit of Transportation" was given to the city as a memorial to an auto executive, "It's a public indecency."

"There are nudes and there are nudes," Van Antwerp allowed. "But they belong in a museum where they can be given objective study — not in a public park in our civic center, intruding on people."

Complete Street Improvement Operation in Crescent City

Crescent City streets took on a new look last week when chock holes were filled and a coating of asphalt and gravel was applied. The work was completed Saturday by the D. E. Lynch Construction Co., Watseka, contracted by the village board to do the job. All arterial streets and some secondary streets were improved at an approximate cost of \$4,000. Of the total, \$3,000 worth

will be obtained from the motor fuel tax funds handed down by the state to the village. The remainder of the cost will be obtained from the village general fund. Workers are pictured above putting the finishing touches on one of the improved streets. (Journal photo)

Lacking In Virility?

Today's Movie Heroes Called A Bunch Of Sissies By Arlen

HOLLYWOOD — Are most of today's new crop of screen heroes lacking in virility? Richard Arlen, one of the most virile of the old timers, believes so.

"These young actors can't compare with the old timers on virility," Arlen declares. "They don't act as hard, they don't drink as hard and they don't play as hard. In short, teenagers have a bunch of sissies for their idols."

ARLEN'S LATEST picture was made on location high in the French Alps in the shadow of Mont Blanc. It was "The Mountain," in which he is costarred with Spencer Tracy.

"You had to be a man even to report for work in the morning," Arlen says. "One day he and Tracy tramped

up the snow-covered slopes and stopped for a rest. While there, they glanced at an item in the Paris edition of a New York newspaper. It told of a young bobby-sox idol, publicized as a modern-day Douglas Fairbanks, who had cabled his psychiatrist in Hollywood to drop everything and fly immediately to Paris.

It seemed the young actor couldn't get through some emotional crisis connected with a picture being filmed unless he could have immediate sessions on the couch with his psychiatrist.

"SPENCE, WITH that wonderful face of his, looked at me disgustingly and said: 'What's wrong with these young kids? Arlen, you must be all of 73 and I know you never even asked for a double until you were 70.'"

Arlen, who is actually 56, recalled the quip just after carding a 68 on the Bel-Air Country Club golf course.

Referring to the "kids," he continued: "The public is wise to this fact, too. That's why any producer gives

Seek Gunman Who Shot Down Chicago Man

CHICAGO (UP) — Police sought a gunman today who shot down 68-year-old George Ponopolis during an apparent robbery on the South Side last Friday night.

Policeman George Keane, of the Woodlawn District, said Ponopolis, Chicago, had no money on him when his body was found. Keane said witnesses reported hearing "scuffling" on the street near the victim's home.

Ponopolis was the owner of a south side liquor store, Keane said.

St. Anne School Staffs Honored During Reception

ST. ANNE (JNS) — The annual reception for teachers, members of the boards of education and staffs of the community schools was held Thursday evening in the pastor's memorial of the Presbyterian Church.

The affair, sponsored by the Ladies Aid Society of the church, Mrs. LaVerne Corkins was mistress of ceremonies. She introduced Mrs. Harry Chayer of Kankakee, who led group singing with Mrs. Kenneth Allain accompanying at the piano.

A feature of this part of the program was a male chorus composed of the teachers. Following their number, the women on the faculties of the various schools sang.

The Misses Jessie Thierman, Glenda Minton and Amy Kay Hoekstra played a flute selection. Miss Donna Morgan sang, with Mrs. Paul DuMontelle accompanying at the piano. The Rev. Charles Johnson gave a message of welcome.

Miss Sharon DuMontelle and Miss Yvonne Hunt played an accordion duet, with Mrs. Paul DuMontelle as accompanist. A trio composed of Miss Mary Ann Cluff, cornetist, Miss Judy Allain and James Minton, trombonists, played a selection with Mrs. Mary Ann Cluff accompanying at the piano.

DETROIT SOLON FROWNS ON CERTAIN NUDE STATUES

DETROIT (UP) — A councilman fought city acceptance of a Carl Milles statue today with the battle cry "certain nudes, and Elvis Presley, shouldn't be allowed in public places."

Councilman Eugene Van Antwerp got his first look at a statue called "Sunglitter", by the internationally-renowned Swedish sculptor. The councilman took one look at the classic nude and snorted: "It's a public indecency."

## THEY'LL DO IT EVERY TIME

DETROIT SOLON FROWNS ON CERTAIN NUDE STATUES

DETROIT (UP) — A councilman fought city acceptance of a Carl Milles statue today with the battle cry "certain nudes, and Elvis Presley, shouldn't be allowed in public places."

Councilman Eugene Van Antwerp got his first look at a statue called "Sunglitter", by the internationally-renowned Swedish sculptor. The councilman took one look at the classic nude and snorted: "It's a public indecency."

"There are nudes and there are nudes," Van Antwerp allowed. "But they belong in a museum where they can be given objective study — not in a public park in our civic center, intruding on people."

Earlier he had rallied forces against a statue of an Indian wearing an upside-down canoe on his head — and nothing else. The Indian, also by Milles and called "The Spirit of Transportation" was given to the city as a memorial to an auto executive, "It's a public indecency."

"There are nudes and there are nudes," Van Antwerp allowed. "But they belong in a museum where they can be given objective study — not in a public park in our civic center, intruding on people."

ALFRED KYROUAC SR., founder and now president of the Board of the Bourbonnais Young Peoples Club, looks on as a quartet of the boys engages in a game of pool. From the left are

Jerome Arsenau, Kenneth Demarah, Clyde Regnier and James Spence. This year the club is being included in the group of Community Chest agencies. (Journal photos)

## Concern, Sacrifice Build Bourbonnais Youth Center

Three years ago Alfred Kyrouac Sr. of Bourbonnais, sitting in the yard of his home, saw a child run into the street while at play and narrowly miss getting hit by a car.

It gave him an idea — a plan of establishing a place in the village where the youth of the community could play in safety.

Today the Bourbonnais Young Peoples Club is one of two new agencies in the Kankakee Community Chest. It is a recreation center that has had three years of healthy existence under the guidance of Kyrouac.

The organization was started because the veteran Bourbonnais resident was determined to see such a place in existence. Using \$1,000 of his own money he purchased recreational equipment — ping pong tables, pool tables, badminton sets, etc. He met with vil-

the planning of events. The club is open from 6:30 p.m. to 9:30 p.m. each day. In addition, it is open from 1:30 p.m. to 5 p.m. on Sundays. It is for all youth in Bourbonnais School District 53 from 5 years old through high school.

The activities are carried on in the basement, on the first floor and on the second floor of the township hall. Recreation includes ping pong, pool, shuffleboard, badminton, volleyball and many table games.

Each Friday night there is a special event, they alternating between dances and the showing of motion pictures. The special Friday events are for youths sixth grade through high school. Although refreshments are available each night at the center the youths

A JUKE BOX supplies music for dancing at the Bourbonnais Young Peoples Club. Members, there are expected to be about 350 this year, may use it for dancing each night. Every other supply them for what they refer to as their Friday night "refreshment dances." For the first time the Bourbonnais Club this year will receive assistance from the Community Chest. Kyrouac, who is president of the club's seven-man board of directors, is hopeful that the Chest fund drive will succeed so that Bourbonnais youths will continue to have their recreation center.

## Hold Party For Ashkum Residents

ASHKUM (JNS) — Mrs. Wayne Sparenberg and Mrs. Carroll Anderson were hostesses at a birthday party in honor of Carl Sparenberg and Dale Anderson in the Sparenberg home Monday afternoon.

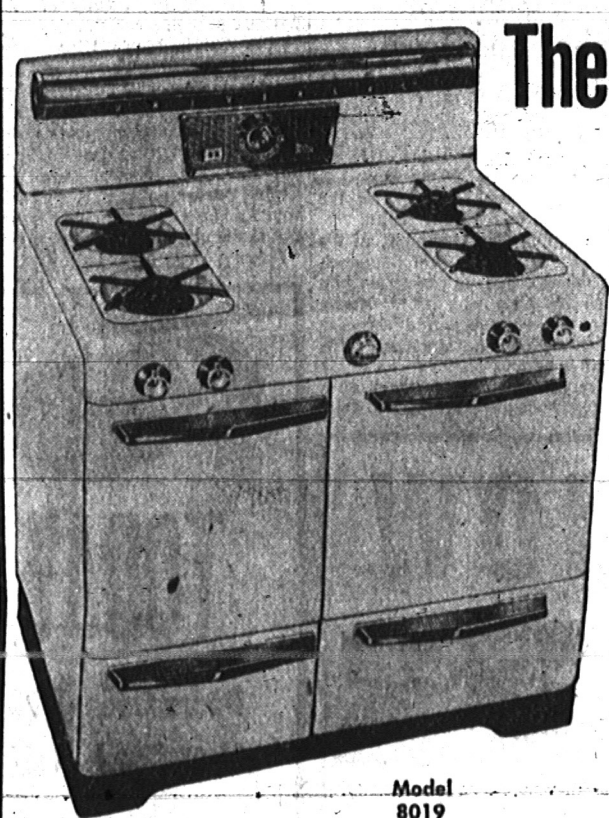

Games were played and each guest received a favor. The honored guests received gifts and lunch was served. Those present were Beth and Jane Abbott, Brenda Meier, Sue Weir, Johnny Johnson, Janet Cox, Nancy and Roger Essman, Gary Koets and Glen Wilken.

MR. AND MRS. Dave Monk announce the approaching marriage of their daughter, Hermine to Adrian LaFine of Kankakee. The wedding will take place Oct. 20 at 2:30 p.m. in the Lutheran Church in Ashkum.

Jackie Noel, son of Mr. and Mrs. Herman Noel, was injured Wednesday while playing at the Ashkum Grade School and is a patient in St. Mary's Hospital, Kankakee.

Chest. Kyrouac, who is president of the club's seven-man board of directors, is hopeful that the Chest fund drive will succeed so that Bourbonnais youths will continue to have their recreation center.

"We are happy at all times to see parents visit our club," Kyrouac said. "We're proud of the kids and the way they conduct themselves. Many people just aren't aware of what we have. We hope people will visit us before they make their Chest contribution."
