Tight Money Market Gets Severe Test

By SAM DAWSON
NEW YORK (U)—A test of investors' willingness and ability to take on a huge new volume of securities is shaping up this week. It may also give a clue as to how tight the money market is in the new year and whether interest rates are to climb still higher.

Corporations are seeking \$25 million dollars of new money. The World Bank is looking for \$100 million. Tax exempt issues have been offered this week come to \$5 million. And the U. S. Treasury will peddle a special issue of slightly more than \$1/2 billion dollars worth of 130-day bills.

In a money market that has been tight for months this is quite a test. How high an interest rate must be offered to get all that money is the big question today in financial circles.

MONEY NORMALLY gets easier in January because this is the period for individuals to pay up their Christmas bills and for businesses to pay back the loans taken out to finance the production and sale of goods between Labor Day and Christmas. That brings more money in the banks—no more.

THE BIG FLOOD of new securities ready to be offered this week may be one of the chief reasons that buyers held off in the bond market last week and let prices of existing securities drop still lower.

At bond prices fell, their yields rose—that is, although the interest on them is fixed, the return you get for the less money you need invest is higher.

Bond yields pulled closer to those on many common stock issues, and ahead of some of the blue chips. This tends to make common stocks look less attractive and bonds more so.

The U. S. Treasury's \$1/2 billion dollar offering, to come due in June, is aimed chiefly at those who will be making income tax payments then. The offering will refund a similar sum coming due this month, so that only part of it will be "new money," although most of it will complete to some extent with the corporate security offerings.

Prepare For Emergency

County Civil Defense Unit Starts Operation

A Civil Defense Organization will begin active functions in Kankakee County. It was announced today by Weldon Wadleigh, county and city civil defense director. Operating with the cooperation of the Kankakee City Council and the county board of supervisors, Wadleigh said a meeting will be held Friday at 8 p. m. in the council chambers to explain new plans to division staff directors.

A permanent civil defense office has been established in room 203, city hall, with office manager Mrs. Carl McChute on duty from 1 to 4 p. m. Monday through Friday.

WADLEIGH EXPLAINED that the county and city have voted appropriations from tax money, and said that the county is paying the salary of the office manager and that the city has provided the office space and office equipment.

"We hope to provide a well-organized group of persons sufficiently trained to take care of any emergency in the county," Wadleigh said. He emphasized that the organization could function in any type of disaster, such as tornadoes, floods, train wrecks, etc.

Wadleigh has served as civil defense director for three years and has kept the plan on an active basis despite the fact that no funds were available. The only salaried person involved in the organization is the office manager, Mrs. McChute.

During the meeting Friday night, the complete personnel set up will be explained and materials will be distributed to the staff directors of divisions.

"THE DIVISIONS will include the following services: Health, transportation, air raid warning, police, fire, wardens, rescue, mortuary, personnel, engineering, welfare and evacuation, mail, tail and mobile support, utilities control, air raid shelter, central centers, plant protection, collection and transfer points, communication and control, supply, civilian auxiliary, public information and education.

Staff directors will be asked to recruit volunteer workers to man their divisions and to submit lists of equipment and supplies needed for immediate actual emergency operation.

Wadleigh said that the organization will attempt to meet these immediate needs, plus planning a 5-year program to complete a well-supplied civil defense group.

Bonfield Man, 81, Killed When Car Hits Pole

Skids On Ice; Services Friday For Alexander Lee

An 81-year-old Bonfield man was killed Tuesday evening when his auto struck a telephone pole and tree after skidding on a patch of ice.

Alexander (Sam) Lee apparently died of head and chest injuries. An autopsy was being made to determine the exact cause of death.

Lee, a native of Scotland, had operated a store in Bonfield and was a custodian at the City National Bank building.

He was returning home about 7:30 p. m. when his auto hit an icy spot on the Warner Bridge, skidded 1/2 mile north of Route 17, according to State Policeman Ralph Locke.

The car went off the road and hit a telephone pole and tree, Locke reported.

George Harrington, who lives close by, was on the porch of his residence and witnessed the accident, Locke reported.

Harrington, an engineer at Armour Laboratories, said Lee was not driving very fast.

WHEN THE AUTO BROKE the telephone pole it knocked out Harrington's phone service, so he flagged a passing motorist to summon aid. Howard Buckman notified the sheriff's office of the accident.

Lee, pronounced dead on arrival at St. Mary's Hospital, in Kankakee County's second traffic fatality of 1957.

BRITAIN'S PRIME MINISTER QUILTS

LONDON (UP)—Prime Minister Anthony Eden resigned today. The move was a sudden surrender to opponents of his ill-fated Suez policy.

With a giveaway faint smile on his face, the 59-year-old statesman walked out of a cabinet meeting at No. 10 Downing Street and went to Queen Elizabeth at Buckingham Palace to give her his resignation.

Eden's sudden decision caught both people and politicians by surprise. It meant the virtual end of his career as a statesman.

The Queen did not immediately summon another man to become prime minister.

POLITICAL OBSERVERS expected the call would go out later tonight or early Thursday to R. A. Butler, the lord privy seal and House of Commons majority leader, who is 53, or to Harold Macmillan, chancellor of the exchequer and former foreign minister.

Eden himself succeeded Sir Winston Churchill as prime minister in April, 1955.

Eden presided over a full cabinet meeting at No. 10 Downing Street after meeting Tuesday night with the Queen at her Sandringham estate in Norfolk.

The Queen herself suddenly cut short her Christmas vacation and drove to London, arriving a few minutes before the cabinet meeting began.

Community To Get Portable Hospital

The Kankakee Civil Defense Organization will soon receive a complete 200-bed portable emergency hospital which can be used in cases of disaster in this area, CD Director Weldon Wadleigh said today.

The hospital comes from the federal government and will cost the community nothing. It is worth about \$30,000.

Wadleigh said the hospital, which weighs about 13/2 tons will be stored in the basement of the Kankakee County Courthouse in space provided by the County Board of Supervisors.

Wadleigh will have direct responsibility for the unit and it will be used under his direction. He said it is expected to arrive here about 40 days.

DR. D. K. JUDD has been appointed by the Kankakee County Medical Society to be responsible to staff the hospital when it is used. The unit requires the services of 10 physicians, 20 graduate nurses and 200 auxiliary workers.

Wadleigh said the portable hospital is designed for use in buildings and not under tents. He has designated St. Patrick's Central High School as the site where the unit will be set up.

Freeport Fire Loss Set At \$1 Million

Freeport (UP)—The second disastrous fire in less than a week wrecked a section of the Freeport business district today.

No exact estimate of the damages was available immediately, but officials said it probably would top a million dollars.

The blaze broke out at 7:40 p. m. Tuesday in the Stukberg department store and was brought under control five hours later.

SMOKE BILLOWED through the department store and it quickly erupted into a sheet of flame. The three-story structure and the adjoining E and W clothing store were destroyed.

The other buildings suffered smoke and water damage.

Charles Hagerman, assistant police chief, said local firemen were aided by firemen from Rockford, Lena, Morrison, Shannon, Rock City and Cedarville. A huge crowd, one time estimated at 10,000, swarmed over the area.

70th Illinois General Assembly Convenes

SPRINGFIELD (UP)—The 70th General Assembly convened today with swearing-in ceremonies, formal election of officers and a 30 million dollar emergency appropriation its first order of business.

LI. Gov. John W. Chapman in the Senate and Secretary of State Charles F. Carpenter in the House formally gave the sixth session into action at noon.

Gov. William G. Stratton planned the first welcoming address to a joint session of both houses.

First on the opening day program was swearing-in of members by a Supreme Court justice. It also was payday for the legislators who may collect all of their \$10,000 two-year salary immediately or take half of it now and half later.

Then the Senate and House had to formalize the election of their leaders who were chosen at party caucuses Tuesday night.

Speaker Warren L. Wood, Plainfield, was named to captain Republican forces in the House for a fourth term as speaker. Wood will name Rep. John W. Lewis, Macomb, House majority leader, and Rep. William E. Pollack, Chicago, majority whip.

New Newsprint Price Raise Looms Again

MONTREAL (UP)—Several other Canadian newspaper firms were believed planning today to join the Abitibi Co. and Consolidated Paper Corp. in raising prices by \$4 a ton.

Consolidated, which ships most of its 800,000-ton annual production from Quebec mills to the United States, announced plans for its increase Tuesday. The raise will bring the price in New York to \$14 a ton.

Moslem Party Quits In Indonesia

JAKARTA, Indonesia (U)—Indonesia's biggest Moslem party, the Masjumi—quit the government of Premier Ali Sartono today.

The question now was whether the entire Cabinet—fighting to stay in the face of the Senate—volts in Sumatra and unrest in other parts of Indonesia—could survive.

The Masjumi walked out with its five ministers, including Deputy Premier, Mohammed Roem.

It also will be the largest assembly in history with 225 members—177 in the House and 58 in the Senate.

COOK COUNTY controls the House and dovetails control the Senate. Republicans control both houses with a 94-83 margin in the House and a 28-19 edge in the Senate.

The new General Assembly will be the first under the 1955 reapportionment which was the first drawing of district lines in half a century.

FREEZING RAIN, SLEET PREDICTED

SPRINGFIELD (UP)—Freezing rain or sleet will cause extremely hazardous driving conditions on central Illinois.

Highways late this afternoon or tonight, the Springfield Weather Bureau warned today.

The bureau forecast a drop in temperatures with rain changing to snow, preceded by a period of freezing rain or sleet for the central Illinois area.

MR. EISENHOWER has laid before Congress a resolution affirming United States interest in the security of the Middle East and specifically authorizing him to use American military forces, if necessary, to defend any Middle East nation which seeks our help in resisting Communist attack.

The administration resolution also would authorize the President to use force if necessary to maintain it.

Rayburn said the proposal, and the letter he got along with it, struck him as a "pretty sane approach" to the problem. He said he did not necessarily better than the President's.

37 Feared Lost In Atlantic Disaster

LONDON (U)—Shipping circles today posted estimates after the rescue of 1,124 British freighter Nordica, last heard from 15 days ago in the winter-whipped North Atlantic. Fear was expressed that the ship may have been wrecked with her crew of 37, most of them Greeks.

2 Favored To Take Eden's Job

LONDON (UP)—Prime Minister Anthony Eden resigned today. The move was a sudden surrender to opponents of his ill-fated Suez policy.

Aden Charges Yemeni Border Attacks Repelled; RAF Used

LONDON (UP)—The Aden government announced today that "regular and irregular" troops of the Yemen had attacked villages in the British protectorate and that RAF jet fighters had straddled them.

A dispatch from Aden said cannon-firing Yemeni fighters were called in to "assist local security forces and British airborne troops" to repel the attackers who during past weeks have become more persistent in their unprovoked attacks.

A communiqué denied that RAF planes had crossed the Yemen border, 10 miles from Beihan in the southwestern district of the Aden protectorate.

WASHINGTON (UP)—Vice President Richard M. Nixon celebrated his 44th birthday today.

Dog A Shoo-in

Shoe salesman sets lots of "dogs," but they found one too many at the R and S shoe store, 190 S. East Ave., Tuesday night.

A small dog, the four-footed kind, apparently walked into the store with a customer Tuesday.

He hid in some obscure place, since the manager, J. M. Thornton, did not spot the dog when he closed up for the night.

City police spotted the canine in the store about 11 p.m. sound asleep in the window.

He had wrecked a window display on which Thornton had been working.

The dog was sent on his way.

Thornton repaired the window display this morning.

London Reds Broke

LONDON — The Communist Daily Worker reported today it is in danger of being forced to suspend publication because of rising production costs and loss of circulation.

ARTHUR HASBARGEN JR., left, "Marriage and Me" adult education class coordinator, and the Rev. Eugene Hoffman, CSV, principal of St. Patrick's Central High School, discuss material on the place of religion in a happy marriage, presented during the first class session Tuesday night. The Rev. Fr. Hoffman talked with Roman Catholic engaged and married persons enrolled in the course discussing the church's views on marriage and its importance in a happy life. The Rev. O. J. Hensley of the Bradley Methodist Church held a similar discussion with Protestant members of the class. Enrollment in the course, which will meet for five more weeks on Tuesday evenings at the Kankakee High School, is still open. (Journal photo)

Open Series Of Talks On Marriage

What are the various positive and negative forces which help or hinder a successful marriage and what is the place of religion in marriage? These questions were posed and discussed Tuesday evening at the opening session of a "Marriage and Me" course being offered here as a part of the Kankakee public school adult education program.

Tuesday evening's session, covering the first two of 12 topics to be discussed in six Tuesday evening meetings at the high school, attracted a small group of 12 engaged or newly married couples and individuals. The course is co-ordinated by Arthur Hasbargen Jr., counselor and family living instructor at the Kankakee high school.

Starting with love as virtually always a positive factor in marriage, Hasbargen listed 24 factors which can affect either a positive, negative or neutral force on a successful marriage, depending upon individual involvement.

His list included physical attraction, health, desire to be successful, family divorce rate, religion, education, intelligence, age, race, in-laws, alcohol, work experience, present income, financial background, preparation for marriage, interests, desire for children, how many children, homemaking skills, length of courtship, social background, success of parents and nationality.

HASBARGEN POINTED OUT that in each of the factors involved, the closer together the background, interests and feelings of the two individuals are, the more harmonious is apt to be their relationship. He cited factors of personality and maturity as also important.

The Rev. Eugene Hoffman, principal of St. Patrick's Central High School, and the Rev. O. J. Hensley, pastor of the Bradley Methodist Church and chairman of the Kankakee Ministerial Association discussed the place of the family's religion in a successful marriage speaking to separate sections.

The Rev. Mr. Hensley stressed that working Christianity would help bring about mutual appreciation, mutual forbearance, mutual fidelity, mutual responsibility, mutual faith, and mutual love. He told the group that the necessary for married people to get above the small things for harmonious relations.

Both the Rev. Mr. Hensley and Hasbargen spoke out against marriage of mixed Protestant-Catholic faith. They said that although the problems can be worked out, chances of a successful marriage are much less. They emphasized that such problems are not insurmountable.

Father Hoffman also discussed with his group the values of religion necessary to a successful marriage.

THIS IS THE SECOND year the course has been offered. Last year it had a registration of over 40 persons. Hasbargen commented that he pushed the organization of an adult evening course because of feelings that engaged and married couples should have the opportunity to become more aware of the various problems involved in marriage and how they might cope with them. He said he hopes the course attracts larger groups as it progresses.

Topics selected for the course

Mrs. Mabel Fox, 64, Dies; Funeral Services Friday

Mrs. Mabel A. Fox, 64, of 335 N. Harrison Ave., Kankakee, died at 8 p.m. Tuesday in St. Mary's Hospital following a lingering illness. She was born Oct. 14, 1892, in Rockville Township, the daughter of Mr. and Mrs. Amelie Fraser and had been a resident of Kankakee City all her life.

She retired in July, 1955 after working for the Illinois Bell Telephone Co. for 23 years. She was a member of the Telephone Pioneers.

Mrs. Fox was a member of the Altar and Rosary Society of St. Patrick's Church. The society will recite the rosary in the St. Patrick's Church at 8 p.m. Thursday.

Surviving are a sister, Mrs. Melvin Netzel of Aurora, one nephew and two nieces. She was preceded in death by her husband, Edward E. Fox, in 1946, her parents, a son, a brother and a sister.

Services will be held at 10 a.m. Friday in St. Patrick's Church. Burial will be in Maternity Cemetery.

Friends may call at the funeral home after 7:30 p.m. today.

Ben Gottschalk, 56, Bourbonnais, Dies

Ben C. Gottschalk, 56, of 20 E. Cass St., Bourbonnais, died Tuesday. He had been in ill health for the past year.

Mr. Gottschalk had been employed at the Manteno State Hospital for about five years. Survivors include his wife and four children. The body is at the Rambo Funeral home.

Ex-Champ Held On Girl Charge

MIAMI BEACH, Fla. — Jake Lamotta, former world middleweight boxing champion, two women and another man were arrested today on various charges involving a 16-year-old girl.

The 35-year-old Lamotta was charged with maintaining a place for lewdness and prostitution, encouraging a minor to engage in prostitution, and permitting a minor to be served alcohol. He was released under \$5,000 bond.

Lt. Jack B. Farrell of the Miami Beach Juvenile Bureau said the 14-year-old girl, told officers she picked up men in Lamotta's bar and took them to the apartment of Melvin Stoller, 45, receiving a minimum of \$20 from each man.

Stoller was charged with having sexual relations with a minor and permitting a minor to use his apartment for prostitution.

Also arrested were Florence Balam, 36, and Sherrie Alexander, 22. Both women gave the same address as Stoller.

Miss Balam was charged with prostitution. Miss Alexander, who told police she formerly was a Tampa strip tease, was charged with disorderly conduct.

Stoller was released on \$3,000 bond. Miss Balam was held on \$4,000 bond and Miss Alexander was unable to put up a \$1,000 bond.

Farrell said the 16-year-old girl told officers that Miss Balam set her up in business. The officer said Lamotta apparently knew of the setup.

Miss Balam was charged with prostitution. Miss Alexander, who told police she formerly was a Tampa strip tease, was charged with disorderly conduct.

Ministers Vote Not To Take Part In Mission Plan

Members of the Kankakee County Ministerial Association Tuesday decided against joining in a National Christian Teaching Mission program that the association had been asked to consider for the area.

Meeting at the First Church of the Nazarene for their January gathering the ministers held their vote following a discussion of the program. The Rev. O. J. Hensley, association president, said that the ministers voted against joining in the program at this time because of its extensiveness and the great amount of work it would require. Among the information supplied on the program was that from the Rev. Harry Credo, First Methodist Church pastor who had been involved with the program while at Quincy.

The Rev. Donald Cox, Protestant chaplain at Kankakee State Hospital, announced that the tentative date of April 9 has been set for the mental health seminar in which the association members are to participate. The seminar will be held at the harbor to prevent the going out onto the river ice. The board emphasized that it was up to the discretion of each supervisor as to when the harbor ice is suitable for ice skating.

The board also authorized that a marker be placed on the stone in Beckman Park bearing the name of the park. The marker was stolen by vandals during the period the park was closed to the public. The marker was placed on the stone in Beckman Park.

During a discussion on the Schuyler Avenue quarry (also known as the Beardsley quarry) the board asked the building and grounds committee to inquire into the possibility of adding fill to the quarry.

Denver Securities Warning Issued

SPRINGFIELD, (UP) — Illinois investors today were warned to steer clear of securities offered for sale by Burke-Martin Mines Inc., Denver, Colo.

Secretary of State Charles F. Carpenter said sale of the firm's securities in Illinois has been prohibited, and they are not registered under Illinois law.

Burke-Martin securities were banned from Illinois securities markets after a hearing in 1955 on grounds they were "fraudulent and inequitable," Carpenter said.

2 Judges Retiring In 13th District

OTTAWA, (UP) — Retirement plans of two 13th District circuit judges were announced here today.

Judge Robert Larkin of Ottawa and William I. Hibbs of Ottawa said they will retire in June.

Larkin, a Democrat, is completing 31 years in the office. Hibbs, a Republican, will have served one 6-year term.

OK Use Of Harbor For Ice Skating

The Kankakee Park District Tuesday night officially authorized the use of the Kankakee Boat Harbor for ice skating whenever the ice is suitable and safe for skating.

This is the first time the use of the harbor for skating has been OK'd by the park board.

Park recreation director Charles Swille was authorized to engage personnel to supervise the rink for skating after school, during the evenings and on Saturdays and Sundays. The board dictated that skating would be allowed only when the supervisor guard is on duty.

Park Supt. Edward LaPorte was directed to arrange for the harbor lights to be turned on during the evenings and to maintain the ice when the weather is proper for skating. He was directed to post the area with signs designating the area for skating only when the supervisor guard is on duty. He also was directed to establish a barrier at the river entrance to the harbor to prevent the going out onto the river ice.

The board emphasized that it was up to the discretion of each supervisor as to when the harbor ice is suitable for ice skating.

The board also authorized that a marker be placed on the stone in Beckman Park bearing the name of the park. The marker was stolen by vandals during the period the park was closed to the public. The marker was placed on the stone in Beckman Park.

List Final Filing Dates For Tests In 6 Professions

Final filing dates for February examinations in six professions were announced today by Vera M. Binks, director of the Illinois Department of Registration and Education.

The dates are as follows:

Plumber — final filing date Jan. 15; examination Feb. 15 at Aurora and Feb. 6 at Springfield.

Medical — final filing date Jan. 15; examination Feb. 15 at Chicago.

Practical nurse — final filing date Jan. 24; examination Feb. 15 at Chicago.

Real estate broker and salesman — final filing date Feb. 4; examination Feb. 18 at Springfield and Feb. 19 at Chicago.

Application for all examinations must be made to the department office in Springfield.

Probe Break-ins At 2 Places

Break-ins at Winters' Tap and Grill, 2100 W. Station St., and Hendrix Hatcherery and Feed Store, 806 E. Fair St., were being investigated today by the sheriff's office and city police, respectively.

Five or six dollars in change, 20 to 25 pairs of gloves and a half-case of soft drinks were taken from the hatchery, Sgt. William Paulauskis reported.

He said someone broke a lamp on the west side of the building and kicked the office door open.

Apparently nothing was taken at the tap and grill, according to Deputy Sheriff Arnold Pepin. He said someone entered by breaking a kitchen window.

The tavern break-in occurred between 1 and 5 a.m. and the other one between 5 and 7:30 a.m.

Many Women Fail To File For SS Payments

Only about two-thirds of the women, ages 62-64, in the county eligible for social security payments had filed for them by the end of 1956, according to Robert Conrad, Kankakee representative.

About 160 women filed applications and 142 received their first check before the year's end.

Conrad said there are also a number of workers age 72 who have not yet filed application under the mistake impression that earnings after age 72 bar them from drawing benefits.

Actually, the representative pointed out, once a worker reaches 72 and has had enough work under social security to qualify for payment, he has nothing to gain by delaying his filing for social security payments.

Payment to a widow age 62 is the same as at age 65 on her deceased husband's account. A wife or woman worker who draws social security at age 62 receives \$1 per month less if she waited until age 65.

Report Thefts

The theft of a bicycle in West Kankakee was reported to the sheriff's office Tuesday evening.

Laverne Miller, 308 S. Tanner Ave., said the bike belonged to his daughter, Marsha. He said her brother rode it to a friend's house at 459 S. May Ave., and left the bicycle parked out in front. When he came out the 24-inch blue and white bicycle was gone.

Tom Stokler of Aurora Park said someone stole some tools from the map compartment of his car while it was parked behind the Kankakee.

Plan Marine Corps Reserve Unit Here

Plans for a Marine Corps Reserve Unit to be organized in Kankakee have been announced by Maj. George A. Shepley, Joliet, commanding officer of the 9th Automatic Weapons Battery. The unit is expected to be activated this month.

The announcement was made Tuesday afternoon following a meeting with Mayor Ed P. Madison during which the civic advantages of the Marine Corps Reserve Unit were explained.

The mayor commented, "I would like to offer my personal support and the support of my office to the fine program offered our community. The opportunity of completing military service while at home should be of interest to many young men in the community."

Mayor Madison extended an invitation to the Marine Corps representatives to meet with the city council Jan. 21 to explain the program being offered to the council members.

The Marine Corps has made arrangements with the Kankakee County Board of Supervisors to use the Labor Temple for classrooms and drills. The training cadre of officers and non-commissioned officers for the organization have been carefully selected from experienced veterans of the Marine Corps and a substantial number of men have already begun filling the ranks of the unit, Maj. Shepley said.

County Real Estate Board Installs

E. O. Warmbir, newly elected president of the Kankakee County Real Estate Board, was installed at the monthly meeting of the board held Tuesday night.

Other officers who were installed were Russell Hendrickson as vice president, Leland Sprimont as secretary-treasurer, and H. A. G. Cooley, Eugene Smith, Louis Ray and Lecor Roy as new members of the board of directors.

The group discussed and approved plans for cooperation with the Kankakee County Board of Supervisors to bring about a county zoning ordinance as its main 1957 objective.

Firemen Answer 2 Inhalator Calls

Kankakee firemen answered two inhalator calls Tuesday afternoon and evening.

At 4:17 p.m. firemen Robert Schultz and Arthur Ducharme went to 478 E. Station St., where H. Franconer, 85, was reported having difficulty breathing.

At 9:24 p.m. they went to 534 S. Harrison Ave. to assist Agnes Riley, 79, who also was having difficulty breathing.

Plan Marine Corps Reserve Unit Here

Plans for a Marine Corps Reserve Unit to be organized in Kankakee have been announced by Maj. George A. Shepley, Joliet, commanding officer of the 9th Automatic Weapons Battery. The unit is expected to be activated this month.

The announcement was made Tuesday afternoon following a meeting with Mayor Ed P. Madison during which the civic advantages of the Marine Corps Reserve Unit were explained.

NEW ORLEANS' own shrimp and fried rice will bring the magic of Creole cookery to your table.

Shrimp With Fried Rice Is New Orleans Dish

By GAYNOR MADDOX, NEA Food and Markets Editor

Raw-frozen shrimp, fully peeled and deveined, now make shrimp cookery very much easier.

So does a 16-page, full-color recipe booklet "Shrimp Tips From New Orleans" just released by United States Government Printing Office, Washington, D.C. (price 15 cents). All the tempting recipes use fully peeled and deveined shrimp, either canned, raw-frozen or precooked, and frozen.

Shrimp With Fried Rice (Serves 4-6)
Four tablespoons butter or margarine, 1/2 cup chopped onion, 1 garlic clove, cut fine, 1 pound packaged raw-frozen, fully peeled, deveined shrimp, 1 teaspoon salt, 1 teaspoon cooking oil, 1 1/2 cups uncooked rice, 1 cup chicken broth.

ISNU To Offer 2 Extension Courses Here

Two extension courses will be offered here commencing Jan. 30 by Illinois State Normal University. Advance registration may be made at the office of Ruel Hall, Kankakee County superintendent of schools.

One of the courses is "Arithmetic for the elementary grades" (E 201), good for three semester hours of undergraduate credit. There is no prerequisite, and the cost is \$15. There will be 18 class sessions of Wednesdays from 5 to 7:30 p.m. in the East Junior High School library.

The teacher will be Dr. T. E. Rine. The other course, "Teaching physical education in the elementary school" (E 202), is good for two semester hours of graduate credit. There will be 12 class sessions from 5 to 7:30 p.m. Wednesdays at Kankakee High School. Ninety semester hours of previous work is required. The registration fee is \$10. The teacher will be Dr. C. E. Horton.

Reduce heat to a minimum, cover closely and cook rice 15 to 18 minutes without stirring, or until grains are fluffy and tender. Turn off heat, return shrimp to the pan, cover, and let stand 5 minutes. Serve at once.

Flavor Variations: For an Italian touch, serve with grated Parmesan cheese. For Spanish or Latin flavor, add 2 good pinches of saffron dissolved in 2 tablespoons of hot water. Mix with the rice before adding the shrimp.

Walkie-Talkie Coming Into Its Own In West's Wide Open Spaces

FRESNO, Calif. — Portable two-way short-wave radio is revolutionizing management of the wide open spaces. Through its use, the West is being pulled together and management is as close to its workers as the boss of a New England farm or the superintendent of a big industrial plant. The portable walkie-talkie has become the "intercom" system of the range and the forest.

IT GOES LIKE THIS: KMA-582 to Car 5: KMA-582 to Car 5—Come in, please.

"Foreman to KMA-582. I hear you, Zeke. What's up?"

"I see you're a mile hole in the brush on the southeast section. My car is two miles east on the through road. Nothing to do here until I get it out."

"Okay, Zeke. I'll have bill over with his cat in 20 minutes. He's leveling land five miles west of you."

On the San Joaquin Valley ranch where this conversation took place, 12 other mobile radio units, plus the headquarters station, are constantly in use directing the operation of some 21,000 acres of farming and cattle raising.

short-wave system in a small office manned by himself and his wife and a small crew of technicians. Over the system approximately 120 sending and receiving units keep in touch with each other. Tractors, irrigation district pump man, ranchers, farmers and loggers are kept alert to happenings on their jobs—when they happen, not hours or days later as it used to be. The mobile units from this one system have a radius of 90 miles around Fresno.

major part of Cook's business is the selling and servicing of two-way radio equipment. He and his five technicians holding federal licenses maintain more than 800 units within a radius of 75 miles from Fresno.

Cabery Mother Entertains 20 On Son's Birthday

CABERY (JNS) — Mrs. Estie Stevens entertained 20 children in her home Sunday afternoon in honor of her son, Rickie, on his 6th birthday. Games were played and prizes awarded to Kevin Lovell, Ronnie Wagner, Kathy Weigel, Donna Quayle and Judy Murphy.

Miss Betty Murphy and Mrs. William Murphy assisted Mrs. Stevens in serving lunch. Mr. and Mrs. Virgil Wagner and the former's mother, Mrs. Frank Wagner, visited later in the afternoon.

Royal Neighbors, Papineau, Meet

PAPINEAU (JNS) — The Royal Neighbors of Papineau met Thursday in honor of their son, John, on his 11th birthday. In the afternoon, cards were played and home-made ice cream and birthday cake were served by Mrs. Lovell.

Mr. and Mrs. Paul Smith of Berwyn spent the weekend at the home of James Cassidy home.

Future Looks Good To Most Industrialists

By SAM DAWSON

NEW YORK (U. S. — Greenwich, Conn., isn't big as cities go in the United States. But if the people of Greenwich want an educated guess on what's in store for the nation this year, they might ask their neighbors—because in this New York suburb lives a collection of some of the biggest wheels in the industry.

It's a concentration of which the residents of the area are proud. So the Greenwich people polled 36 residents, all top brass among the nation's business leaders. And the newspaper tells us today that 23 of them expect this year to be as good or better than last year.

Of the 28, three are certain 1957 will top all previous years. Four others are confident it will beat last year. Nine think it will run neck and neck with 1956. And 13 just say it will be a good year for business.

THE SEVEN OTHERS cautiously stress some of the major uncertainties, but only one seems really worried to a less than hopeful view.

Here are a few of the predictions of the men who are neighbors at home as well as leaders in their own industries.

Eugene Holman, chairman of the world's biggest oil company, Jersey Standard, sees good times ahead with the domestic oil industry likely to top 1956's record setting demand by 4 per cent.

"One of the best business years on record," is how Thomas J. Watson Jr., president of International Business Machines, sees 1957—and beyond that "our nation will enjoy continued prosperity for some time to come."

Theodore G. Montague, chairman of the Board of "a generally bright outlook for most industries."

The index of over-all industrial activity should continue at a high level," says Frank Pace, Jr., executive vice president of General Dynamics, who expects that "military expenditures should rise, particularly for aircraft, electronics, guided missiles and ships."

J. WHITNEY PETERSON, president of U. S. Tobacco, however, says "1957 will hardly start off with anything very spectacular to recommend it for an improvement of being very different from 1956."

Factors of strength listed by Alfred L. Hammel, president of Railway Express Agency, include "an even higher general purchasing power than in 1956, a rate of construction activity both industrial and governmental which will be running above 1956 levels with a resultant high rate of steel production." This should make 1957 "as good or possibly better" than 1956.

Thomas F. O'Neil, president of RKO Radio Pictures and vice president of General Tire & Rubber, sees "continuing and expanding growth in 1957."

So do John M. Lovejoy, Seaboard Oil president; G. Keith Furman, New York Stock Exchange president; Robert D. Howe, Waterman Pen president; H. C. Turner, "Chairman" of the United States Steel Corp.; and William Zerkendorf, Webb and Knapp president.

Hold Rites For Chebanse Infant

CHEBANSE (JNS) — Funeral services were held Tuesday at 2 p. m. in the Cloke-Croen Funeral Home for Cynthia Irene Sorensen, 2 1/2-month-old daughter of Mr. and Mrs. Paul Sorensen, who died Sunday at 1:39 p. m.

Cynthia was born Oct. 20, 1956 in St. Mary's Hospital, Kankakee. She had been returned to the hospital several times for treatment prior to her death.

Surviving are the parents; maternal grandparents, Mr. and Mrs. Neil Webster of Chebanse; paternal grandmother, Mrs. Harloff Ahrens of Chebanse; and a brother, Paul, at home.

The Rev. Lester Hill of the Congregational Church, officiated at the services. Burial was in Clifton Cemetery.

Firebells To Meet In Wilmington

WILMINGTON (JNS) — The Wilmington Firebells will meet today in the home of Mrs. William Kuehl at 7:30 p. m.

Mrs. Ralph Adams will be in charge. An election of officers will be held.

ON WEDNESDAY afternoon at 1:30 p. m., the Altar and Rosary Society of St. Rose Church will meet in the school hall.

Turncoat Gls Sue U. S. For Back Pay

WASHINGTON (UP)—Three former turncoat soldiers have filed suit against the government to recover about \$14,000 in back pay and allowances while they were prisoners of war in Korea.

The suits were filed by Lewis Griggs of Jacksonville, Tex., Otto G. Bell of Hillsboro, Miss., and William A. Cowart of Dalton, Ga.

The former prisoners of war refused to return to the United States after the Korean armistice but later renounced Red China and came home in 1955.

The Army charged all three with collaborating with the enemy when they returned to this country. They have denied the charges.

IN THEIR SUITS before the U. S. Court of Claims Bell asked for \$4,500; Cowart \$5,057, and Griggs \$4,043.

After the Army filed its charges against the three men the Supreme Court ruled that since they had been given dishonorable discharges when they refused to return home they could not be tried by court-martial.

The Army has turned down their pay claims.

The three were among 23 American soldiers who refused to return home at the end of the Korean War.

A committee was selected to collect dues for 1957 following mass o. Jan. 11 and 20. Mrs. Wilbur Damler, Mrs. Warren Grice, Mrs. Loren Smith, Mrs. Cassidy and Mrs. Bloomquist were named.

Thank-you notes were read following reports by the secretary, Mrs. Robert Bloomquist, and treasurer, Mrs. Loren Smith.

The group voted to build and install a book case for the assembly room. Plans for holding of a bazaar during January were discussed.

A committee, Mrs. Bloomquist, Mrs. Gagnon, Mrs. Brazel, Mrs. Cassidy, Mrs. Quentin Fréville, Mrs. Ann Nichols, Mrs. Alan Lindberg, Mrs. Smith, Mrs. Paul Sanson and Mrs. Warren Grice, was selected to prepare programs for 1957.

Refreshments were served by Mrs. Blitzer, Mrs. Bloomquist, Mrs. Smith and Mrs. Cassidy, outgoing officers.

WATSEKA (JNS)—Mrs. Robert Bloomquist was elected president of the Altar and Rosary Society of St. Edmund's Catholic Church on Monday evening.

Other officers elected are Mrs. Howard Gagnon, secretary; Mrs. Carl Brazel, treasurer; Mrs. Ralph Cassidy, treasurer; Mrs. Cassidy presided at the business meeting in the absence of Mrs. Robert Blitzer, president, who is ill. A recitation of the rosary opened the meeting, followed by prayer by the Rev. Magr. E. A. Sweeney, pastor.

Braidwood PTA Officers Plan Polio Campaign

BRAIDWOOD (JNS)—A membership budget and March of Dimes meeting of the Red-Crozier Parent Teacher Association officers was held Friday in the grade school.

Mrs. Edward L. French, president, was in charge. Guest speaker for the evening was William Gornora, chairman for this area.

He discussed the coming polio drive. Gornora asked for volunteer mothers for the Mothers' March on Polio set for Jan. 31.

Mrs. John Foreman was appointed chairman of the Mothers' March. She will attend a dinner in Joliet to receive instructions.

To date, volunteers for the drive are Mrs. Edward L. French, Mrs. Robert Swisher, Mrs. Whitney Schultz, Mrs. Mitchell Ruffino, Mrs. John Foreman, Mrs. Donald Haufer and Mrs. Raymond Stahl.

More mothers are needed. Anyone willing to help may do so by contacting Mrs. John Foreman.

The theme of the next regular meeting, Jan. 14, will be "Guidance." Dr. Alex Viter will be the speaker, replacing Don Gillogly.

Mrs. Robert Swisher, chairman of membership committee, reported the association has 157 members to date, which is short of last year's membership.

MR. AND MRS. H. W. Mullins and family of Kinsman were Sunday dinner guests in the home of Mr. and Mrs. Mitchell Ruffino.

French 'Rock 'n' Roll' Singer Outdoes Elvis

PARIS (NEA)—It has taken just four years for the idol of French bobbysoyers 23-year-old Gilbert Becaud, to eclipse the popularity records of Maurice Chevalier, Charles Trenet and Edith Piaf.

In that time he has become the electrified Elvis Presley of France—one pickstone is "Monsieur Dynamite."

Becaud, who has drawn as many as 67,000 spectators in a two-week run, is what the French call affectionately a "sacred monster."

No matter how he is a slender, wiry man with an elf-like quality.

Even when he sings his ultra-sentimental "Come Closer to Me," he starts all over the stage like a tennis player, causing his audience to shout "Formidable! Magnifique! Fantastique!"

In December, 1953, his name was Francois Gilbert Silly and was a corporal in the air force. He was put on the stage by a local MC at a Rotary Club dinner in Versailles as a "madly talented unknown," as he didn't stop singing for two hours.

He got \$15 for that stint, but he remembered the applause. When his military stint was over he changed his billing from Silly to Becaud (his mother's maiden name) and started singing at cocktail lounges and nightclub circuits.

SAUNEMIN (JNS)—Mrs. Edna Goodrich entertained the Good Times Bridge Club on Thursday afternoon in the home of Mrs. Edna Goodrich.

Sixteen members attended the meeting. Prizes in bridge went to Mrs. Edna.

Mrs. Charles Callaby will entertain on Jan. 17.

MRS. RUTH FARR and Mrs. Helen Quigley returned Thursday evening after a vacation in Florida. En route they visited Mammoth Cave, Ky.

Mr. and Mrs. Howard Osborne and family returned from Elmira, N. Y., where they spent the Christmas vacation with relatives.

Oil Fever Grips Cuba; Shrug Off Dry Wells

HAVANA, Cuba (NEA) — A violent epidemic of oil fever grips this huge, green, alligator-shaped Caribbean island.

Tough, big-eyed oil field hands from all over the world crowd Cuba's cheap, colorful, open-front bars swapping reports and rumors of big strikes and deep, dry holes.

In the fancier bars where frozen daiquiris flow freely at a buck a throw, the talk among the New York financier types is all of big oil stock deals, confidential geologists' reports indicating huge oil fields, and the big syndicates being formed for new explorations.

Flying over Cuba's green-carpeted plains and hills you can spot the innumerable tiny patches of cleared ground with the familiar drill rig in the center, surrounded by tiny sheds and trucks. Rough roads cut to these patches from the main highway.

THE VIRUS RESPONSIBLE for this oil fever was planted on May 1, 1934, when a wildcat, unlicensed oil well was drilled in the south central section of the island. It drew Cuba's first from a sedentary formation. It's called the Jatibonico field and is estimated to contain about a million barrels of oil. The well is a drop in the oil compared to the estimated reserves in Iran or Venezuela.

But the significance of the strike is the fact that the type of oil the Jatibonico field is producing—and its geology—indicates there is probably a lot more oil where that came from.

And the big hope, of course, is that Cuba will eventually become a world source of oil on the scale of Iran or Venezuela.

A further indication of the confidence which all of the big oil firms have in the eventual discovery of huge oil reserves here is the construction by Shell, Esso and Texaco this year of major new refineries here at a cost of nearly 100 million dollars.

At first the plants will refine the crude oil imported from the U. S. and elsewhere for the needs of the island. But eventually, it is hoped they will be refining Cuba's own crude.

major oil strikes around the world were preceded by the same extensive, costly and sometimes frustrating effort now being expended in Cuba.

OIL REFINERY AT HAVANA: Eventually, they hope the crude will flow out of Cuban wells.

Man Fined \$50 For Using Profanity

MOUNT CLEMENS, Mich. (UP) — Clifford A. Russell, 20, was fined \$50 Monday and placed on a year's probation for swearing at police officers.

The officers said Russell cursed them "repeatedly" when they went to his home after Mrs. Russell called to say her husband had threatened her.

Russell was sentenced under a rarely used state law which makes it a misdemeanor to "damn or swear by the name of God, Jesus Christ or the Holy Ghost."

Novak Named In \$50,000 Suit

LOS ANGELES (UP) — Actress Kim Novak and her frequent escort, investment broker MacKinnon, have been named defendants in a \$50,000 damage suit of a traffic accident.

The suit was filed by Clara Bell Duncan, 41, who said she was hit by a car last Dec. 9 while crossing Sunset Boulevard. She said the car was driven by Kim and that Miss Novak was a passenger in it.

Miss Duncan said she suffered a fractured leg and other injuries in the accident.

Temperance Group Seeks To Close Bars On Sunday

CHICAGO (UP) — A temperance group spokesman has urged an amendment be tacked onto a proposed "blue law" ordinance that would shut all but a few places of business on Sundays.

Mrs. Glen Hayes, president of the national Women's Christian Temperance Union, urged that the Chicago City Council put a legislative padlock on saloons and liquor stores. The council is considering a measure which would include package liquor stores in the mandatory Sunday closing, but would exempt bars.

Various religious groups have objected to the proposed law on grounds it would constitute an establishment of "religious or class distinction" and would be in violation of the constitutional guarantee of the separation of church and state.

Both Seventh Day Adventists and members of the Jewish faith celebrate their Sabbath on Saturdays, rather than Sundays.

8 Refugees Sent To Austria For Discrepancies

WASHINGTON (UP) — The United States has sent eight Hungarian refugees back to Austria for giving false information to immigration officials.

The Justice Department announced the action late Tuesday as Rep. Francis E. Walter (D-Pa.) charged that many Hungarian refugees admitted to the United States did not receive the thorough screening which the law he helped write requires.

The refugees were the first to be returned to Austria since thousands began arriving by plane during the Christmas season.

Gilman Woman Feted At Party

Tigers Spurn Sox' Bid For Al Kaline

By JIM FISCH
The Fighting Irish of St. Patrick Central blazed a stout defense with a good second half break to explode for a 56-35 victory over St. Anne on the Patrician floor Tuesday night.

It was the sixth victory in 13 games for the Irish who will be looking for the 500 mark Friday in a home game against Joliet Catholic. For the Cardinals it was their eighth defeat in 10 games.

The win gave the Irish sole possession of second place in the conference with a 4-1 record and a 10-10 record. The Cardinals are 3-2 in the conference and 10-10 overall.

St. Anne was never out in front in the game but trailed the Irish in the first half. Both teams were rugged in the first half and had "trouble" finding the basket rings. The Patricians turned the close game into a comfortable victory in the second half when they broke through the Irish defense.

SEVEN OF THE 19 baskets scored by the winners came in the last quarter. The Irish shot 19 of 32 attempts for 59.5 while the Cardinals hit 13 of 42 attempts for 31.

St. Pat's defense was working good and the Irish were controlling the boards on the stellar offense. Denny hit eight baskets for 16 points while Terry had three baskets and nine for nine at the free throw line for 17 points.

Dick LaFont and Jerry Hoekstra topped the Cardinals with 10 points apiece. Danny Ritsma was doing good work under the board for the Cardinals but had to ride the bench part of second and third quarters because of fouls.

Both teams had trouble finding the basket in the first quarter. St. Anne started off with a bang as Terry LaFont scored in the opening three minutes of the half. LaFont hit a 20-footer to close the margin to nine points but Donahoe tossed in a basket and a brace of free throws to increase the margin to 13 points with 2:15 left in the period.

By the end of the quarter, the Irish had moved to a 21-point bulge. A two-pointer by Bob Lemna and a free throw by Donahoe moved the count to a 24-point margin. St. Anne's 55-31, Bonczyk cleared his bench.

Tigers Spurn Sox' Bid For Al Kaline

CHICAGO (UP)—The Chicago White Sox "offer" of \$250,000 for betting star Al Kaline of the Detroit Tigers was rejected today with the observation by Tiger officials that the Sox were just having "a little fun."

Tiger President Fred Knorr said in Detroit that the Chicago bid was "a little fun" and that the Sox were just having "a little fun."

But Sox Vice President Chuck Conkley insisted he was serious in making the Tigers this bid for Kaline, the 1958 American League batting champion. A straight \$250,000 in cash, or two outfielders, was the offer.

Conkley said the trade offer was made because Detroit apparently "was having difficulty getting him (Kaline) to sign." He said the White Sox felt Kaline was "attractive" in the number four position in the Sox batting order.

Detroit did not give a "cold out" to the proposal, Conkley said, but instead expressed enough interest in the players offered that another deal might be worked out in the near future.

At Detroit, Tigers' President Fred Knorr commented on the offer at the club's annual party for newsmen.

"I think we can give Mr. Conkley an out-and-out 'cold out' and not no" to the proposal, Conkley said, but instead expressed enough interest in the players offered that another deal might be worked out in the near future.

It WAS LIKELY that Jim Rignera was the starting outfielder offered to the Tigers and that Dick Donohue, Jim Wilson, Gerry Staley or Bob Keegan was the starting pitcher. The utility outfielder could be either Nori Northey, Jim Landrum, or Dave Philley.

Crescent City, Sheldon Cop IC Victories

Two Kankakee area teams picked up victories in the Iroquois Conference Tuesday night. Third-place Sheldon ran its conference record to 4-3 by topping Milford 70-50 and Crescent City (4-4) defeated Wellington 53-51.

Cliff Park marked off a 77-63 victory over Stockton and now leads the league with a 6-1 mark. In the game at Milford, the Rams of Sheldon outscored the home five in every quarter. Both teams were having a warm time in the first quarter with Sheldon moving to a narrow 17-16 lead.

THE RAMS continued to flip in the points in the second quarter and held a 32-20 halftime margin and then outscored Milford 15-11 in the third quarter. Bob Runck and Ken Shepard scored the winners with 23 and 18 points, respectively, while Tom Jesse had 13 for the losers.

Crescent City had to battle off a second half rally by Wellington to take a home victory. The Golden Eagles held a 27-23 lead at halftime and then watched Wellington knot the count at 38-35 in the third quarter.

The last quarter was a battle royal with Crescent City winning out by two points. Harvey Carley scored 26 points for the winners and Tom Carter added 10. John Holt had 28 for Wellington.

WELLINGTON nipped Crescent City in the junior varsity game 45-41.

Onarga Victor At Gilman 71-56

GILMAN (JNS)—Displaying a balanced scoring attack, Onarga's Indians turned back Gilman 71-56 Tuesday night in a non-conference basketball game. Both teams entered the game with a 5-2 record.

The big difference in the game came in the first quarter when Onarga warmed up and raced to a 17-7 lead. For the rest of the game, the two teams played a close, back-and-forth battle.

Six boys hit eight points or more for Onarga. Gene Olson headed the list with 17. Dick Skates added 15 for the winners. Bill Dexter led the losers with 12 points and Marvin Bill scored 11.

Onarga took the junior varsity game 47-21.
