## Seek American's Body In Iraq

## Passenger Sucked Out Of Craft As Window Breaks

ISTANBUL, Turkey (U)—Iraqi officials combed through desert wastes today for the body of an American apparently blown through the shattered window of a French airplane 18,000 feet above Iraq.

The American—identified by police as J. R. Nash of Memphis, Tenn.—was en route from Tehran to Istanbul. The 31-year-old bachelor with a passion for travel was on the last leg of an aerial round-the-world trip when he disappeared Saturday night.

Although airmen described the accident as extremely rare, an Air France spokesman in Paris said it was "not without precedent."

The Paris spokesman and Air France officials in Istanbul gave this version:

The four-engine Constellation was about 25 miles north of Jirkuok, northern Iraq, when the third window on the right side of the plane burst "with a loud explosion."

Nash, who was asleep in the seat next to the window, was sucked out.

The plane immediately filled with steam as frigid air from outside poured into the heated cabin.

When the plane crashed, Nash was missing.

The plane descended quickly to a lower level while shivering passengers were being rescued.

Wichert Church Mission Band Holds Meeting

ST. ANNE (JNS)—The Girls' Mission Band of the Wichert Reforming Church met Thursday evening in the church with mothers as guests.

Marilyn VanderVliet, president, was in charge. Shirley Kramer presented the devotion and led in prayer.

Eighteen girls, their advisors, Mrs. Janet VanHook and Mrs. Peter Koopman, and 13 honored mothers were present.

A film, "The Flickering Flame," was shown. Each mother was presented with a gift.

Refreshments were served by Marilyn VanderVliet, Joy Schimmler, Margaret Amenta, Nancy Amenta and Margaret Von Olenland.

The next meeting will be on May 22.

Chatsworth Holds Communion Rites

CHATSORTH (JNS)—Communion services were held at Chatsworth churches on Thursday evening.

The Evangelical United Brethren had an Upper Room communion service. The congregation met in the sanctuary for devotion.

The Rev. Charles Flick arranged the worship center. Groups of 12 retired to the room at the rear of the church, where the pastor, assisted by Orlo Diller and Albert Wist-huff served communion.

The Methodist Church held a Candle Light Communion.

In the St. Paul Lutheran Church, the communion service was "The Doctrine of the Bible Concerning the Lord's Supper," presided by the Rev. E. F. Klingensmith.

In the First Baptist church, the group present spent an hour of prayer and meditation around the Lord's table in observance of "The Hour of Prayer," remembering the Lord's last moments with his disciples.

PTA Of Kempton Elects Officers

KEMPTON (JNS)—Clarence Wagner was elected president of the grade school Parent Teacher Association on Thursday night in the grade school.

Mrs. James Malone was elected vice president and Melvin Hill was elected secretary-treasurer. These officers will be installed at the May meeting.

The project committee, with Mr. and Mrs. John A. Scott as chairman, voted to purchase \$25 worth of equipment for the recreation room.

Mrs. Eugene Brown of Pontiac gave a book review, "An African Safari." The lunch committee included Mr. and Mrs. Dean Brown, Mr. and Mrs. Harold Larkin, Mr. and Mrs. Clarence Wagner, Mr. and Mrs. Alvin Lovell, Mr. and Mrs. Robert Petrie, and Mr. and Mrs. Melvin Malone.

Rebekah Lodge, Gilman, Meets

GILMAN (JNS)—At a meeting of the Rebekah Lodge on Wednesday evening, Mrs. John Smith, noble grand, gave a report of the district meeting at Stockland on April 11.

She announced that at the next meeting, May 1, the degree staff will hold a "happy hour" at the Rebekah degree will be conferred for six candidates.

Members celebrated the birthday of Mrs. Henry Z. Perdue. She was presented a birthday cake by Mrs. Wallace Robinson.

## Hold Janitor For Murder, Four Attacks

CHICAGO (U)—A University of Chicago janitor admitted today, police said, slaying a 62-year-old housewife and raping at least four women employees of the university.

Detective Donald Moriarty said that George Sims, 29, orally admitted strangling Mrs. Jeanne Johnson in her South Side home April 2.

Moriarty said Sims was picked up for questioning in connection with a series of rapes near the university because he matched the description of the rapist.

Moriarty said Sims also admitted attempting to rape two other women in the last two months.

POLICE SAID all of the women except Mrs. Johnson had some connection with the university, where Sims has been employed as a janitor since last May. They described the rapist, Moriarty said, as a white male, about 25 years old, with a hospital aid in Jacksonville, Ill.

Police said the names of 11 women were found on a list in Sims' apartment and they said he told them he took the names of single women off records in the university rooms which he cleaned.

Moriarty said two of the women admitted raping are nurses and a third is a university psychologist.

Police said a rope which they found in Sims' locker was used to strangle Mrs. Johnson, who lived in the general vicinity of the university.

He was held without charge for further questioning.

Dodge Breaks Leg

PALM BEACH, Fla. (UP)—A dog broke its leg in a fall at a private swimming pool here Sunday. He underwent surgery at Good Samaritan Hospital for setting of the fracture.

## Stassen Flies To London To Continue Talks

Ike Says Reduction In World's Arms To Come Gradually

AUGUSTA, Ga. (UP)—President Eisenhower sent Harold E. Stassen back to the London disarmament talks today with reaffirmation of this country's belief that reduction in world arms must come a step at a time.

The President and his disarmament representative at the five-power talks in London talked for 75 minutes today. They explored the progress made to date toward the goal of reducing the world's stockpile of weapons.

Stassen left Augusta immediately after his early morning talks with the President and will stop in Washington for a brief afternoon meeting with Secretary of State John Foster Dulles before continuing on to London late in the day.

AFTER THE MEETING, White House Press Secretary James C. Hagerty issued this statement:

"The President received from Mr. Stassen a review of the London talks. The President has followed these London discussions with interest. He had arranged with the secretary of state to have Mr. Stassen come to Augusta to give him a personal report.

"The President encouraged the United States delegation to follow through thoroughly in the resumed negotiations which will start again in London on Wednesday.

"The President reaffirmed that United States policy is, as stated by the secretary of state in his speech yesterday, that:

"We consider that controls, desirable and in the long run indispensable. It is not essential that controls should encompass everything at once. In fact progress is likely to come by steps carefully measured and carefully taken."

"Mr. Stassen will return this morning to Washington to confer again with the secretary of state prior to leaving for London later this afternoon from New York City."

BECAUSE THE London talks have covered only about half of the agenda before the five powers, the President and Stassen both decided at this time and left the talking to Hagerty.

The London talks, recessed for Easter but scheduled to resume Wednesday or Thursday, were the source of hope to the United States. For the first time in 11 years, the Russians seemed to be "seriously" considering Western proposals for reducing the war potential of the big powers.

The participating countries in the U. N. disarmament subcommittee talks are the United States, Britain, France and Canada. The conference began March 18 and apparently will run into the early summer.

The accident was first reported to Iroquois County authorities about 8:15 p. m. The body of Alen was the first to be recovered about 10:30 p. m. Hartman's body was recovered approximately 15 minutes later.

The lake is located four miles north of Paxton and two or three miles west of Loda. State police and Ford and Iroquois County authorities assisted at the scene of the accident.

An inquest into the two deaths was set for May 1 at Buckley.

Cost Of Living Up Slightly; 1.4 Million To Get Pay Boosts

WASHINGTON (U)—The government reports today that living costs rose two-tenths of 1 percent in March to another new high. The rise was the steepest straight month of record costs.

The Labor Department said a slight decline in food prices, mainly for dairy and pork products, was more than offset by increases in all other major groups of consumer goods and services.

The March living cost hike means wages increases for 1,600,000 workers whose pay rates are geared partly to changes in the government's index. This amounts to an annual payment of about 75 million dollars for these workers.

One man in railroad workers are to get an added three cents an hour effective May 1. The other groups of workers—due to get smaller hourly pay raises of one to two cents an hour—are in the electrical, aircraft and textile manufacturing industries and in construction.

The Labor Department also reported that the index for the cost of living for factory workers in March, after deduction of federal taxes, dropped by a little more than 1 percent to 4.68 for a worker with three dependents and \$27.25 for a single worker.

## Jordan King Faces First Major Crisis

British Disclose Talks With Reds On Suez Crisis

Act Swiftly After Soviets Threaten To Expose Secret Data

LONDON (U)—Britain disclosed Monday night Russia warned her before the Suez invasion that such an attack would prompt the Arabs to sabotage the canal, cripple Middle East oil lines and unite in holy war. The first two predictions were correct.

Publication of an exchange between Soviet Premier Bulganin and the Prime Minister Eden also revealed the British appeal to the United States to help in internationalizing the disputed waterway.

Prime Minister Macmillan's office made the hitherto secret letters public barely two hours after the Russians announced the plan to come out today with the exchanges between Bulganin and French Premier Guy Mollet.

Britain apparently hoped to take some of the propaganda punch out of what was viewed as a Soviet move to picture Russia as guardian of the Arab world, counter the Middle East's acceptance of the Eisenhower Doctrine and drive a new wedge between the United States and her two chief allies.

OFFICIALS in the French Foreign Ministry said Mollet's replies to Bulganin would remain locked in files as far as the operation of the Suez Canal is concerned.

"The Russians are simply trying to show that only the Russians are helping the Arabs," said a Foreign Ministry official. "The Kremlin is just trying to remind (Egyptian President) Nasser that he didn't win his political victory without Russian help."

Another French official said that Russia is obviously concerned about the attraction to the Arabs of American policy, especially the prospect of American economic aid under the Eisenhower Doctrine. He said the Kremlin plan to publish the notes was part of Russia's attempt to block the American doctrine.

London's Soviet Foreign Ministry spokesman, told newsmen in Moscow Monday the letters would be made public to blunt Western attempts to cast "a shadow on the peaceful aims of Soviet foreign policy."

The exchange began with a letter from Bulganin to Eden. It said the Soviet Union would support the Suez Canal and oil fields and pipelines in the Arab states. "This material," Bulganin wrote, "is of great importance to Britain and France and for that matter to the whole of Europe and must assume immense proportions."

AFTER THE invasion began, Egypt did sink ships to block the canal. Syria blew up the old pipeline from Iraq leading inside Syria and cut the vital flow to Europe. Bulganin also warned that "all the Arabs would rise in sacred struggle against a foreign invader."

Continued Prosperity For State Forecast By Official

—SPRINGFIELD (UP)—A forecast of continued prosperity for the state today along with Gov. William G. Stratton's record-high budget of \$2,244,061,350.

The forecast was prepared by Illinois Finance Director Morton H. Hollingsworth, who said that in federal taxes was "not improvable" and that such a cut would help state finances.

Hollingsworth wrote that "no significant change" was expected in the volume of retail sales in the coming two years. Such sales "mainly support" the state's general revenue fund, he said.

Revenue in fiscal 1959 may be slightly better than fiscal 1958 at consumer installment debt will then have ebbed and a revival of auto purchases may be expected," he said.

A FEDERAL TAX cut would increase the take-home pay of Illinois workers, Hollingsworth noted, and thus would help stimulate retail sales and sales tax collections.

Stratton has estimated the state and use taxes will produce about 560 million dollars over the next two years.

Hollingsworth's report also looked for improvement in the farm machinery and coal mining industries, described as the "soft spots" in the Illinois economy.

Stratton's detailed budget for the next two years was contained in a 440-page book.

The book disclosed that the governor cut in half a two-million-dollar appropriation request for purchase of a permanent site for the University of Illinois branch in Chicago.

The U. I. had asked for \$1,250,000 for land purchase and \$750,000 for building plans. Stratton cut the figure in his budget to one million dollars.

EVANSTON (U)—Picketing to force employer recognition of a union which has not organized a majority of a firm's employees was banned Monday night by city ordinance.

The City Council adopted the R. Kimbark said was a step toward "a showdown on strongarm practices against businessmen."

The move stemmed from a recent shutdown of a laundry firm by picketing ordered by Local 461. The City Council said it was not satisfied with the union's action.

Although the laundry continued to operate for a time, its route drivers, members of the Teamsters union, refused to cross picket lines. A majority of the workers were recruited during the picket.

## Retailers Try New Ideas In Survival Fight

By SAM DAWSON

NEW YORK (U.P.)—The retail merchant today is trying out a number of new ideas for survival. His troubles are rising operating costs, shrinking profit per dollar of sales, and increased competition from new kinds of stores and new methods of selling.

Some merchants are giving service a whirl. One observer predicts that 20,000 more stores will initiate self service this year.

Others are adding new lines and each day becoming more like the general store of yore.

While some are trying to lick their problems by getting bigger, others are seeking to entertain the customers and make them feel at home as they did in the old time marketplace.

## Downtown Stores In Big Cities

are pursuing their customers to the suburbs with branches.

The big one stop shopping center on a main highway keeps on springing up in all parts of the land.

Merchants have discovered drawbacks—in costs or customer rejection—each of these ideas. But shrinking profits from the old ways of merchandising spur the quest for new.

Department store net profits have dropped to 2.75 per cent of gross sales from 7.5 per cent at the end of World War II. Chain variety store profits are 3.4 per cent at latest count, down from 9.9 per cent in 1946. Drug store earnings topped to 4.9 per cent from 8.6 per cent.

WHILE THE retail sales in general were rising 34 per cent between 1946 and 1955, department store sales were going up just 32 per cent. And supermarkets, enjoying their big era of expansion, saw sales volume rise by 371 per cent.

But there's still a hard core of shoppers who want to be waited on. Some merchants hold that such shoppers will go where they get the kind of service they demand.

## Bourbonnais Man Believed Victim Of Assault

A Bourbonnais man was taken to St. Mary's Hospital Monday night after he was found lying on a Bradley street bleeding profusely from the head, Clifford Potts, 29, of 180 Herman Pl., was apparently the victim of an assault.

Five stitches were required to close cuts on his head over an eye. Potts was found near his car which was parked on Broadway at Washington Ave.

Police chief William Bergeisen said that witnesses told of seeing a man about 45 years of age flee from the car just before Potts was found.

Potts could not name his assailant.

## Martin Sees Reduction In Taxes In '58

TROY, N.Y. (U.P.)—House Republican Leader Joseph Martin says Americans "can look forward to a reduction" in their taxes next year.

But a tax cut is unlikely this year, he said Monday night at a dinner of the Rensselaer County GOP Committee.

Martin steered clear of Democratic predictions that Congress will reduce taxes, to take effect Jan. 1.

"PEOPLE KNOW from past experience," he said, that Republicans carried out tax reduction promises in the 80th and 83rd Congresses "in the face of a Democratic tax-cutting binge that lasted for over a decade."

The GOP chief blamed demands for new services from "the same folks" for high taxes and the big government budget, which he termed "too high."

Martin's high temperature was reduced substantially, he said.

## Armstrong First Quarter Net Sales \$60,923,000

Armstrong Cork Co. reported net sales of \$60,923,000 for the first quarter of 1957 compared to \$61,320,000 for the same period last year.

The announcement came at the annual meeting of stockholders Monday in Lancaster, Pa.

Net earnings for the period were estimated at \$2,865,000 compared to \$3,088,000 last year. The estimated earnings per share for the period were 55 cents compared to 72 cents last year.

C. J. Beckstrand, president, said that despite reduced activity in such important markets for the firm as new home building and textile mill operations, Armstrong's sales almost equaled those of the corresponding period in 1956.

Backstrand, Kenneth O. Bates, Joseph C. Feagley, Frank B. Ingerson and H. W. Prentiss Jr. were re-elected directors at the meeting.

The directors declared a dividend of 30 cents per share on common stock payable June 1 to stockholders of record May 7 and a dividend of 95 cents per share on the cumulative preferred stock payable June 15 to stockholders of record May 7.

## Trails District Quarterly Session At WJHS Tonight

The quarterly meeting of the Kankakee Trails Boy Scout District will be held at 7:30 p.m. today at the West Junior High School.

The main part of the program will be devoted to an orientation session for new members of the district committee.

Each of the operating committees will also hold individual meetings. Fred Englund, district chairman, will be in charge of the district meeting.

## Breaks In Drains Cause Flooding In Bourbonnais

The heavy rain in the Kankakee area coupled with a break in a field drain and a sewer in Bourbonnais caused numerous reports of flooded basements in the northwest section of Bourbonnais, according to Adelaide Bissell, village president.

The breaks were repaired this morning by village crews. Many residents reported several inches of water in their basements, Bissell said.

Most of the affected area was along Tetrault street and in Ellis Heights and Drake subdivisions.

The Kankakee airport recorded sixteenth of an inch of rain from 7 a. m. Monday through 7 a. m. today. The Kankakee River level at the Kankakee Water Co. pumping station was 3.1 feet above normal this morning although it has been normal for several weeks.

During the night dense fog extended south of Pontiac.

Monday's high temperature was 73 degrees, the highest reading of the month and beating by one degree the high of 1956.

The overnight low was 56 degrees.

## Pembroke Township Infant Found Dead In Crib

Ester Jane Smith, 8-week-old daughter of Mr. and Mrs. Lorenza Smith, Pembroke Township, was found dead in her crib Monday.

The baby is believed to have died of suffocation. County Coroner William Spillane said that an inquiry will be held.

Funeral services will be held at 3 p.m. Wednesday in the Jones Funeral Home, Kankakee.

The Rev. Wilbur Washington will officiate, with burial in Mount Grove Cemetery.

The baby's father is the principal of the Hopkins Park grade school. In addition to her parents, Ester Jane is survived by two sisters and a brother.

## THIEF COULDN'T BREAK OUT!

SUNDERLAND, England (U.P.)—Edward Tucker, 36, locked himself in when he broke into a local store Sunday and had to call police to get him out, a court was told Monday.

Audie Murphy, the most decorated American hero of World War II, is also a member of the Texas National Guard.

## 2 Kankakeeans Have Part In Play

Two Kankakee students at Pasadena College, Pasadena, Calif., will be participants in the college's second annual "Men in Review" variety program to be held Saturday night.

Hal Reed, son of Dr. and Mrs. H. W. Reed, 1 Olivet St., Bourbonnais, is serving as student director of the show.

Among those taking part in the production is John Rieken, son of Mr. and Mrs. Chester Rieken, 1245 E. Bourbonnais St.

## Manteno Little Leaguers Guests At Kick-Off Party

A kick-off party for Little League baseball teams sponsored annually by Manteno American Legion Post 755 will be held tonight at 7:30 o'clock at the Legion home, according to Maynard Klipp, commander.

Invited to attend are boys 12 years of age interested in playing Little League teams, 12 to 18 for Babe Ruth teams, and boys up to 18 for the Junior Legion teams.

At the party, player contracts and practice schedules will be distributed. Films titled "World Series of 1956" and "Building Big Leaguers" will be shown.

Last year more than 100 boys participated in the Little League season, commander Klipp said.

Also welcome to attend the kick-off party were managers, coaches and umpires of the past season, and fathers of boys interested in playing. Refreshments will be served.

## Asks Tax Cuts To Guard Free Enterprise

HOLLYWOOD (U.P.)—Sen. William F. Knowland (R-Calif.), has warned that this nation's free enterprise system "will ultimately be destroyed" unless the current high rate of federal taxation is curtailed.

Knowland told some 2,000 persons at a \$100-a-plate Republican campaign fund-raising dinner Monday night the solution to the tax problem could only be found in the halting of increased federal expenditures.

"A SYSTEM UNDER which the federal government taxes personal income at rates varying from 20 to 91 per cent and corporate income at a 52 per cent rate is simply too burdensome," the Senate minority leader said.

"It will ultimately destroy our free enterprise system," Knowland declared, adding that if federal expenditures had been held in the 1955 level "we would now face the pleasant prospect of a budget surplus of almost nine billion dollars in the coming fiscal year."

## Mayors Back Rights Of Romantic Frogs

BRENTWOOD, Md. (U.P.)—City officials are deciding whether to blow the whistle on a crowd of mating frogs.

Fortunately for the croakers, the mayor of this Washington suburb is something of a frog fan.

But Mrs. Mary Harman despises them with an abiding fervor. Possibly she has good reason. She lives next door to a frog pond.

Mrs. Harman sought to strike a blow at her foes with a nighttime complaint to the police. She told the desk sergeant the frogs were "boisterous and carrying on" outside her bedroom window.

"CHECK DISORDERLY frogs at 4512 35th Place," the sergeant radioed to a police cruiser.

Police arrived too late. Stars flickered over the pond and a warm breeze brushed the reeds along the bank. But the party was over. They didn't catch one frog carrying on.

"Frogs quiet at this time," reported police in the cruiser. "Advise complainant to see the mayor."

But what Mrs. Harman apparently needed was not the mayor, but someone with a pump.

DORIS M. COCHRAN, amphibian curator at the Smithsonian Institute, said anyone trying to hush a frog in the springtime is fighting nature. She said this is the frog mating season. And frogs will be frogs.

"The male is calling the female and establishing his territory," she said. "The only way to stop the calling is drain the pond."

Brentwood Mayor William H. Smith said he knew that, but didn't think much of it.

"I don't want to extinguish them," he said. "I think there is nothing nicer than having a bunch of frogs to go to sleep by."

Cancer Information Available

Educational material on the signs, causes and cures of cancer may be obtained from the new office of the Kankakee County chapter of the American Cancer Society, 330 E. Capt. St. Distribution of this material plus drawings and hospital equipment for cancer patients is made possible through contributions to the annual fund drive. The drive now in progress will end April 30, with a door-to-door canvass in Kankakee. Canvasses will also be conducted in every city and village in the county. Shown looking at some of the educational material are Mrs. L. B. Salisbury, Women's, left, and Mrs. Lucille Stauffenberg, Manteno, education chairman for those towns. (Journal photo)

## U. S., Canada Fire Loss Sets Record

BOSTON (U.P.)—Big fires in the United States and Canada in 1956 caused an estimated \$30,156,000 loss—the worst in history.

The two countries reported 40 large fires last year with individual losses of at least \$100,000. And 86 of them caused one million dollars or more damage.

The report was released today by the National Fire Protection Association in its annual study of fires in North America.

The NFPA said the previous high fire loss was in 1953 when damage in the United States and Canada was set at \$27,374,500.

## Court Rejects \$2 Million Tax Suit Appeal

WASHINGTON (U.P.)—The Supreme Court has let stand a two million dollar tax judgment against West Virginia racing tycoon William (Big Bill) Lias.

The high court in a brief order Monday refused to examine Lias' appeal from a Tax Court ruling that he and his wife had lost \$2 million dollars to the government in back income tax and penalties.

In back tax payments involved are the years 1942 to 1945. The penalties come to \$725,681.

A Justice Department spokesman said the government's next step would be to ask the Federal District Court at Wheeling, W. Va., to order the sale of Lias' property including his race track holdings to meet the judgment.

Lias, a former owner of the Wheeling Downs race track, was ordered deported to Greece in 1955. The order was based on grounds that he did not have proper documents when he re-entered the United States after a trip to Canada in 1946.

HE HAS CHALLENGED the deportation order in a Federal Court suit. He contends he was born in Wheeling, W. Va., and is therefore an American citizen.

The high court also: Let stand an Appeals Court ruling that Eastern Air Lines was liable for damages in a 1949 Eastern Airlines crash here that took 55 lives. Individual claims against Eastern may now be settled.

Refused to reconsider its March 11 ruling ordering the United Auto Workers to stand trial on charges of violating the Taft-Hartley law on electioneering with general union funds.

Upheld, 7-1, a tax deficiency of \$24,000 against the Automobile Club of Michigan for 1943 and 1944. Denied a hearing to movie director Adrian Scott who sought damages against RKO Radio Pictures for firing him after he refused to answer questions in 1947 by the House Committee on Un-American Activities. Scott, one of the original "Hollywood Ten," served about 18 months for contempt of Congress.

Baltimore, named after the first Lord Baltimore, was founded in 1729.

## 2 Treated For Injuries After Crash At Curve

Two persons were treated at St. Mary's Hospital Monday night after a head-on crash during heavy fog at the curve of a road in Bourbonnais about 4.5 m. today.

Hurt were Chester Revell, 35, Chicago, and Kathie Bonnell, 16, LaGrange.

Miss Bonnell was riding in a car headed south on Route 45, driven by Richard Updell, 17, also of LaGrange. Revell was traveling east and rounding the curve.

Bourbonnais Officer Kenneth Keough said Updell's car crossed over the center line and hit Revell's auto head-on.

Two cars were damaged at Kensington Ave. and Jeffery St. Monday afternoon.

The autos were driven by Lenore Mott, 37, R.R. 4, Kankakee, and Lewis A. Hunter, 66, 348 Brighton St.

The report showed that the Mott woman's car was making a right turn off Jeffery onto Kensington when it struck Hunter's auto on the left side. Hunter was headed north on Kensington.

Rooin, a mixture of water and turpentine, is a major ingredient in making soap, varnish and cement.

## Former Star Now Earning \$70 A Week

SAN FRANCISCO (U.P.)—Frances Farmer, who once made \$1,500 a week as a movie star, is thankful now to be working as a \$70-a-week reservations clerk at the Sheraton-Palace Hotel.

"San Franciscans are extremely civilized people to let me get down to the business of living," Miss Farmer said Monday.

Trim and attractive at 40, Miss Farmer said drinking and emotional difficulties ruined her acting career. She advises others in search of fame and fortune:

"You had better be sure you know what you want out of life."

The girl who began her career as an usher in a Seattle, Wash., theater said her chief interest now is settling down as plain Frances Anderson.

"Now I would just like to continue as I am, as a private human being," she said. "I'm living in a little medium-priced apartment and do my own cooking. My leisure time is spent raising the lingers and washing the hair."

"I have clarified a lot of problems for myself during the past few years..."

## Turks Protest Makarios Release

NICOSIA (U.P.)—About 1,000 young Turks demonstrated against the release of Archbishop Makarios in Nicosia today.

Turkey and the Turkish Cypriots have been bitterly critical of Britain's release of the Greek Orthodox leader of the Enosis movement to unite Cyprus with Greece.

The island's Turkish minority views the release as a concession to Enosis, which the Turks strongly oppose.

## Rejects Protest

TEHRAN (U.P.)—Iranian Foreign Minister Alighol Ardekan today rejected a statement by Soviet Deputy Foreign Minister Vasily V. Kuznetsov that the Baghdad Pact is not a defensive alliance.

Ardekan told a news conference the United States is not shipping arms to Middle Eastern countries for aggressive purposes, as the Soviet official had charged.

## Youth Dies In Fall Off Mountain In Georgia

ATLANTA (U.P.)—A New York teenager climbed nearby Stone Mountain Monday while his vacationing parents waited below.

Atop the 800-foot granite monolith the youth slipped on wet moss, struggled desperately to regain a sure footing, then plunged to his death.

Mr. and Mrs. Sidney S. More of New York sat in their car enjoying the warm day while 15-year-old Michael donned tennis shoes and made his way to the crest of the huge rock.

Exploring the moss-covered sheer side of the mountain, the boy lost his footing. His efforts to stop his slide completely were thwarted by the soles of his tennis shoes, officers said.

More, a trainer for the New York Giants football team, collapsed and required medical attention when told of his son's death.

## 2, Trapped 12 Hours In Coal Mine, Saved

WILKES-BARRE, Pa. (U.P.)—Two miners, trapped while working at the bottom of an anthracite mine 1,500 feet underground were rescued Monday night after a perilous 12-hour wait.

The rescue men, Walter Osheshki, 41, Inman Park, a section boss, and Earl Hill, 33, Hunk Creek, were reported in good condition.

THE TWO MINERS were working at the bottom of an anthracite vein at the Buttonwood colliery of the Glen Alden Corp. when an explosion and fire broke out.

Four men working in a higher elevation in the mine made their way to safety.

A rescue party penetrated an auxiliary shaft to the 200-foot level and heard the trapped men about 800 feet further down in the mine.

## St. Patrick High Students Leave On Trip To Denver

A group of St. Patrick Central High School juniors and seniors were going before boarding an Illinois Central Railroad train Monday afternoon for an educational trip to Denver, Colo. The students will visit many of the scenic spots of the West as well as stopping in at several colleges en route. They will return at 9 a.m. Saturday. (Journal photo)

## YOUTH ATTACKED BY SHARK

ORMOND BEACH, Fla. (U.P.)—Michael Carpenter, 17, was severely bitten on the left leg by a shark Monday while swimming some 75 yards from shore north of here.

The boy, vacationing here with his parents from Monterey Park, Calif., was pulled from the surf by a lifeguard and rushed to the Ormond Beach Osteopathic Hospital. He was listed in fair condition.

LIFEGUARD GORDON FOOTE said Carpenter told him he saw the dorsal fin, body and open mouth of the shark before it struck him. The boy estimated the fish was about 15 feet long.

The muscles, bones and tendons of the youth's left leg above the ankle were mangled, doctors said. They said the boy lost a lot of blood.

Authorities said it was the first case they could recall of a fish attacking a human in about two years.

## Forrest Society Appoints Banquet Committee Heads

FORREST (JNS)—The Woman's Missionary and Aid Society of St. Paul's Lutheran Church met Wednesday night in the parsonage. Mrs. Russell Lindblom presided over the devotion and Bible study.

During the business meeting, the group voted to buy a layette to send to a needy family in Japan. Mrs. Russell Lindblom was appointed general chairman of the Mother-Daughter banquet for St. James' Altar and Rosary Society on May 8 in the Forrest gymnasium. She appointed Mrs. J. L. Livingstone as chairman of the kitchen committee and Mrs. Harry Astmann and Mrs. Ervin Schroll as co-chairmen of the dining room.

Mrs. Pauline Schramm and Mrs. Russell Lindblom were hostesses for the meeting. Hostesses for the May meeting will be Mrs. Lavan Flessner and Mrs. Donald Blair.

## 2 Farmers Kill 13 Fox Cubs

Two rural Buckingham farmers shot 13 cub foxes from one den Monday afternoon. They were Everett Hendrix and Victor Buckley.

The men went out together in an attempt to clean out the den on Buckley's farm located a mile west and a mile and a half north of Buckingham.

The mother fox eluded the men but they were able to shoot the litter of 13 cub foxes.

## St. Anne Favored In 3rd K-W Track Meet Wednesday

NEW YORK (AP)—The government has issued another order in the second round of its legal battle with the International Boxing Club. The blow aimed at the third annual Kan-Will Conference track and field meet held Wednesday afternoon.

In a proposed decree filed Monday, the government asked the federal court to dissolve the IBC and force its officers, James D. Norris, president, and Arthur M. Wirtz, vice president, to dispose of their stock and interest in the Madison Square Garden Corporation, of which Norris is president.

This decree followed the government's victory March 8 in the first round of the antitrust battle when Judge Sylvester J. Ryan ruled IBC guilty of monopolizing world championship boxing bouts.

IN ANSWER to the government's recommendations, the IBC and the Garden corporation offered to give up all exclusive contracts with boxers and to limit its promotions of title fights to two a year for a five-year period.

The third round will start May 19 when Judge Ryan will hear oral arguments on the decrees. The case could go ultimately to the Supreme Court.

THE GOVERNMENT proposed also that Norris and Wirtz resign within 30 days as officers or directors of the Garden corporation, and that the corporation be restrained from promoting or having an interest in the promotion of world title fights as long as it controls the Garden as an arena.

ALSO PROPOSED was that Norris and Wirtz be enjoined from promoting "championship" fights as long as either has a financial interest in the Chicago Stadium, Grand Olympia or St. Louis Arena.

IN ADDITION, the government asked that the defendants be enjoined from enforcing contracts which would prevent an arena owner or operator from leasing the arena to other persons for sporting boxing.

THE UNBEATEN Milwaukee Braves ran their winning streak to five games with a 3-1 victory over the Chicago Cubs, the Brooklyn Dodgers downed the Philadelphia Phillies 5-1 and Willie Mays' three-run home gave the New York Giants a 5-1 win over the Pittsburgh Pirates in the other National League games. The Kansas City Athletics topped the Detroit Tigers 11-7 and the Baltimore Orioles scored a 7-5 decision over the Boston Red Sox in the other American League action.

Hank Aaron and Joe Adcock hit three home runs and Bob Feller pitched a perfect game for the Yankees in their 10th Milwaukee at-bat that paved the way for Bob Feller's first win. Bob Feller suffered his second straight setback of 1957. The Dodgers, opening their seven-game schedule in Jersey City, profited from three unearned runs as they won their fifth decision over the Pirates.

Reese Resumes Batting Practice

BROOKLYN (AP)—Pee Wee Reese, veteran shortstop of the Brooklyn Dodgers, may be able to make his season's debut in a day or two.

Reese, sidelined since he injured his back in an exhibition game April 14, resumed batting practice Monday.

Asked about his return to the lineup, Reese said: "I'll know better when I see if my back tightens up overnight."

year, seven of the 14 records were broken on the Herscher track.

Given a break in the weather, it appears that Kan-Will athletes are capable of pushing at least six records off the board. Records which appear to be in jeopardy are the 440-yard run, 880-yard run, 120-yard hurdles, shotput, broad jump and high jump.

Ratlin stands a good chance of improving on both the 440 and 880 yard times. He has a 3:57.7 clocking in the 440-yard run this season and has turned the 880 in 2:15. Ratlin will get competition in the 440 from Dave Easton of Grant Park, second in last year's meet, and Dick Deneau of St. Anne who has been

judging from early season performances, the shotput record should go by the wayside. No less than four boys have bettered the 40-foot 5-inch mark set by Roy Breuns of Peotone in 1955.

The four besting the shotput mark are: Gerald Spier (40-55) and Rohn (41-6), both of Herscher; Bill Hubert (40-19) of St. Anne; Gary Fortin of St. Anne has been within three inches of the 20-foot 2-inch broad jump record set by Vic Frahm of Grant Park in 1955.

A. C. Williamson of Pontiac will be the starter. Point standings will be on a 5-4-3-2-1 basis.

a steady performer in the race this spring.

In the 880-yard run, Ratlin will compete in Leroy Sennholz of Beecher who has a 2:15 clocking. Lyle Gerdes of Manteno, who finished second in the race last spring, and Deneau, who was fourth.

LARRY HINRICHS of St. Anne has shown he is capable of lowering two marks. He has skinned the 120-yard high hurdles in 1:15.5 and the record is 1:17, held by Ray Rittema of St. Anne. Hinrichs has also soared 5 feet 8 inches in the high jump where George Lowe of Herscher set the mark of 5 feet 8 inches in 1955.

Four of the FIVE starting in-fielders are lettermen. Veterans will include: Dick Franz, first base; Terry Laffey, second base; Tom John Rooney, third base, and Tom Draude, catcher. The non-letterman, Danny Laffey, will start at shortstop.

In the outfield Bob Ostrowski will be in left field. Fred Moriarty in right field and Wayne Sheehan in center field. Moriarty is the only non-letterman of the outfielders.

The Wildcats have a 5-0 record for the season. They are currently in the top three of the 16-10 and 10-7. Goal City 41, Bradwood 12-2 and Crutcher 10-4.

Bernie Stubbart, who has a 1-0 record, will probably start against the Irish.

## Irish Nine Tries To Open Season Wednesday

BY JIM TISCHE

After four consecutive postponements, the St. Patrick Central baseball team hopes to open the season Wednesday afternoon in a game at Wilmington.

The game is scheduled for 4 p.m. Cold weather and rain have caused the Irish to postpone early season games with Wilmington (3), Bradley and Joliet Catholic.

The postponements have prevented coach Ed Henzky from testing his young pitching staff. St. Pat's baseball squad is loaded with lettermen but not one of the veterans listed as a pitcher.

Bonzky said at the present time his No. 1 hurler is sophomore Gary Kilgo. The sophomore pitcher will start the game at Wilmington Wednesday.

FOUR OF THE FIVE starting in-fielders are lettermen. Veterans will include: Dick Franz, first base; Terry Laffey, second base; Tom John Rooney, third base, and Tom Draude, catcher. The non-letterman, Danny Laffey, will start at shortstop.

## Fails In Bid For 49ers; Files Suit

San Francisco (AP)—Frank Ciarolo, who sought the National Football League franchise now held by the San Francisco 49ers, is attempting to revive an anti-trust suit and is asking treble damages, \$1,500,000. His original suit was dismissed in federal court.

Ciarolo, who owned the now defunct San Francisco Clippers, charged in federal court Monday that the NFL "conspired unlawfully" to deprive him of the franchise and refused to give him a franchise.

THE COMPLAINT amends a suit dismissed in 1953 by Judge Louis E. Goodman, who ruled federal courts lacked jurisdiction. Ciarolo's attorney, Irwin Goldstein, said the Supreme Court's recent decision that the NFL is subject to federal anti-trust laws changes the case.

Coach Don Henderson's only veteran is Kenny Buell, a senior. Others on the 'c' squad are seniors Jeff Kroll, and Dave Barton, junior Joe Sirois, Bill Tolson, Tom Westroff, Steve Kurl, Stuart Lockwood and Charles Sandine and Charles Swannell.

Henderson said Buell will be his No. 1 singles player, Sirois No. 2, Barton No. 3, Westroff No. 4, Tolson No. 5 and Kurl No. 6.

## Pirates, Giants Already Feuding

NEW YORK (AP)—The major league season is only one week old but already there's a nice little feud brewing between two National League clubs—the Pittsburgh Pirates and New York Giants.

The feud actually began more than a month ago. During the early weeks of spring training, when Pittsburgh manager Bobby Bragan predicted the Giants would finish in last place.

It came to a head Monday when Bill Rigney, the New York pilot, refused to grant Bragan permission to hold a post-game Pirates practice session and accompanied his denial with several choice words.

"The hell with them," was the mildest of Rigney's expletives when he was informed of the Pirates request.

IT ALL CAME about this way. While Rigney was rejoicing over a 3-1 victory his team had just achieved against the Pirates, he was informed by Eddie Logan, the Giants' clubhouse man, that the

Bragan accepted Rigney's refusal philosophically. "That's his prerogative in this regard," he said. "He can expect the same when he comes to Pittsburgh. I got a feeling he'll need it more than our club needs it."

So he is nettled because he picked his team to finish last. But I wasn't picking on Rigney and his team. It's too bad he feels that way about it. It was nothing combined 1,063 Monday for the best score of the day in the double.

Posts 540 Score In WIBC Meet

DAYTON, Ohio (UP)—Barbara Land of Champaign bowled a 540 to post the best single score of the day of the Women's IBC.

Two Chicago Heights women, Pat Griffith and Joy Abel, rolled a combined 1,063 Monday for the best score of the day in the double.

Spoke was the Cubs only ray of hope with his home run although the Braves pulled ahead of the Brooklyn Dodgers.

"I THINK we have a very good chance," Goldstein said, adding: "under assurances from the NFL that he would get the San Francisco franchise, Ciarolo lost large sums of money keeping the Clippers intact. This was part of an agreement with the NFL, which we will prove by correspondence and conversations, to back the All-American Conference."
