Bridge Bids Are Rejected

Figures On Court Structure 'Too High,'
New Letting June 21

Bids received May 17 on the Court Street Bridge have been rejected as too high, and new bids will be taken June 21.

E. A. Rosenstone, director of public works and buildings, said the original bids were well above the estimate for the 500-foot span. Sen. Victor McBroon and Rep. E. Beckman of Kankakee said they were informed that the project would be rescheduled on the June 21 letting.

Two bids were received at the May 17 letting, one of \$850,073.20 from Mass Construction Co. of Algonquin and one of \$950,983.32 from "Triangle" Construction Co. of Kankakee.

THE ORIGINAL LETTING had been delayed when plans for the bridge were changed from structural steel to reinforced concrete because of a steel shortage.

The bridge will span the Kankakee River between Alpin and Bird parks at a point about two blocks west of the intersection of Court St. and Fifth Ave.

A new four-lane highway will be constructed west of Court street, curving southward to connect with Station near McKinley avenue in West Kankakee.

Eventually, the new bridge is expected to carry Route 17, which now crosses the river on the Station Street Bridge.

A new outlet for Routes 45-53 will be built northward from the east end of the bridge, passing under a railroad trestle and eliminating the present railroad crossing on N. Fifth avenue.

The river bridge, first step in the overall project, is covered by the present bidding.

Remember! One-Way System Starts Tuesday

Many veteran drivers are going to have to learn new tricks in downtown Kankakee when the one-way street system goes into effect at 5 a.m. Tuesday.

Motorcycle patrolmen from the police department will be on hand to assist motorists, but Police Chief Wallace Flannery pointed out that the best method of avoiding confusion and possible accidents is for the individual driver to watch and obey the new street signs.

Traffic on eight blocks of downtown streets, forming a loop around the business district, will all be headed in the same direction. Drivers are thus going to have to adjust their motoring habits, Flannery said.

A DRIVER WHO wishes to turn left from a one-way street will have to anticipate his turn and get over to the left hand lane. A left turn from the right hand lane of a one-way street is a perfect invitation to a smashed fender, or worse.

The chief emphasized that drivers should immediately get into the proper lane when entering a one-way street, because switching lanes on the left hand side of the street and to watch for cars pulling out of parking spaces on the left side.

THE DIRECTION OF traffic on the one-way streets will be: Dearborn avenue — southbound from Oak to Merchant streets; Merchant — westbound from Dearborn to East avenues.

East avenue — northbound from Dearborn to Oak.

Two-way traffic will still be permitted on Court street and Schuyler avenue, but the no turn rule will remain in effect at the intersection of Court and Schuyler.

The one-way street system was inaugurated by the city council as a means of speeding traffic and relieving congestion around the business district.

Israel Learns It May Win Right To Use Canal

Egyptians Willing To Submit Argument To Arbitration

By UNITED PRESS

Israel received reports from the United Nations today that Egypt is willing to submit the question of Israeli passage through the Suez Canal to international arbitration.

But the reports said Egypt would attach a number of conditions, including a promise that such actions would not amount to recognition of Egypt's position.

The reports said the conditional acceptance of arbitration was given to U.N. Secretary-General Dag Hammarskjold in New York by Egyptian delegate Omar Loutfi.

Israel has announced repeatedly it would send a ship to the canal to test the Egyptian blockade and force a showdown in hope world opinion would force Egypt to open the canal to all nations.

Israeli Ambassador Abba Eban disclosed Sunday in Washington the United States and Israel are now engaged in "most intimate talks" concerning steps to assure Israeli ships free passage.

EBAN SAID IF Egypt blocks Israeli ships the United States should exert "at least a stronger pressure" on that nation than it used on Israel to withdraw from the Gaza Strip and the Gull of Aqaba.

Israeli Premier David Ben-Gurion meanwhile went before the Knesset parliament today to try to avert a political crisis that could send the Israeli economy into a nosedive.

The 71-year-old premier hoped to force the left wing rebels in his government's coalition to abstain in Wednesday's vote on Israel's acceptance of the Eisenhower Doctrine.

Should the two major parties, Mapam and Abud Avoda, vote against the government Ben-Gurion would be forced to kick them out of the government.

SUCH AN ACTION would be certain to unleash a storm of demands for wage increases, backed by strikes which many Israeli officials felt the nation could not afford.

In Cairo, Egypt's semi-official Middle East News Agency reported that French shipping companies at Suez were arranging for about 40 French ships to transit the Suez Canal.

The agency said the ships were now anchored at Djibouti in French Somaliland pending instructions from the French government to use the waterway.

In another Middle East development, the last Syrian troops stationed in Jordan as a result of the Suez crisis were reported to have left the country Sunday. Jordan reported the arrest of two Communist spies, including one who disguised himself as a woman.

Figinoe Named Provisional President

Assumes Job After Promising Free And Honest Elections

PORT AU PRINCE, Haiti — Unofficial sources reported nearly 100 dead and wounded in the bitter weekend struggle for power in this Negro republic.

With a new provisional president in power, the third in two months, this strikebound capital struggled back to some semblance of normality. Hundreds of ships, stores and factories reopened upon appeals from Daniel Figinoe, the new provisional president, and rival presidential candidate Louis Delvalle to "remain calm and resume your normal work." There still was an air of tension, however.

Figinoe, a 43-year-old mathematician professor and idol of Haitian workers, said the government would not accept a resignation of Delvalle, the new provisional president, and rival presidential candidate Louis Delvalle to "remain calm and resume your normal work." There still was an air of tension, however.

Senate Okays Speed Limit Measure

SPRINGFIELD — Gov. Stricker's revised speed limit bill was approved by the Illinois Senate today, leaving one more step before it clears the Legislature.

A vote of 46 to 8 in the Senate accepted a conference committee report eliminating differences in day and night speeds. The bill now provides for day and night speeds of 65 miles an hour for passenger cars, 40 for trucks, 35 for school buses and 30 for heavy trucks over four tons.

If the House also agrees to the report, the bill will go to Stricker for signing and become effective July 1.

The House-Senate conference committee was set up after a deadlock arose between the two branches over truck speed limits.

53 Known Dead In Turk Earthquake

ISTANBUL — Rescue teams digging through the ruins of earthquake-shattered villages in northern Turkey today counted at least 53 killed and 79 injured.

Casualty reports mounted rapidly as searchers reached the area about 100 miles southeast of Istanbul where the quake struck Sunday. At least 200 houses were destroyed.

The quake was also felt throughout central and western Turkey but no serious damage was reported in those areas.

12 Americans Told To Leave Hungary

BUDAPEST — Hungary's Communist regime says 12 members of the U.S. legation in Budapest — more than a third of the staff — must leave within six weeks. The order was sent to Charge d'Affaires N. Spencer Baner. One reason may be that the U.S. mission is the largest in Budapest of any country except Russia.

The bill would provide for a maximum \$5,000 fine and five-year prison term for anyone convicted of embezzling such funds or falsifying or destroying fund books or records.

The secretary of labor would have power to conduct his own investigation and subpoena witnesses and documents.

House GOP Plan Drive To Restore \$300 Million In Defense Funds

WASHINGTON — House Republicans agreed today to try to restore to the 1958 defense appropriation bill about \$300 million of the 2½ billion cut out by the Appropriations Committee.

The party's 30-member steering committee agreed to support amendments to spread the extra money through all three branches of the armed services.

The 300 million dollars represents about one-fourth of the \$1,200,000,000 which the President said ought to be put back in the bill in the interest of security.

Rep. Martin of Massachusetts, Republican leader and chairman of the Policy Committee, said there was some sentiment for trying to restore more than 300 million dollars and some for seeking to put back less than that amount.

THE amendments will be offered when the House starts considering the money allotments in the \$33,341,225,000 defense appropriation bill Tuesday.

House leaders hoped to end consideration of the bill late today, but were willing to let the deliberations carry into Tuesday if necessary.

Braves' Hill Corps Flops

18 Pitchers Used In Last 5 Games

By THE ASSOCIATED PRESS

What happened to Milwaukee's vaunted pitching staff? Manager Fred Haney hasn't seen starter go nine innings since May 12. In the last five games, he has used 18 pitchers.

Even the lowly Chicago Cubs roughed up the Braves over the weekend, taking three out of four, including a sweep of a Sunday doubleheader that dumped Milwaukee into third place.

The Braves have had only 10 complete games all season, the same as Cincinnati, which was supposed to have no pitching staff at all.

Dick Drott, 26-year-old rookie who wasn't even on the Cubs' roster in spring training, set a club record Sunday by striking out 15 Braves in a 7-5 decision in the first game, while Gene Conley failed Haney.

JUAN PIZARRO, a hot shot freshman, held the Cubs for four and a half innings of the second game, but was knocked out in the ninth during a two-run rally that gave Chicago a 5-4 edge.

Cincinnati even got an eighth-inning home run from its pitcher, Ed Jeffcoat, in beating St. Louis 7-6. The Cardinals got a pair of homers from Stan Musial, including his eighth grand slam.

Brooklyn, elbowed past Milwaukee in second place in the National League, took two games today. The Dodgers, who had a 10-1 lead in the eighth, trimmed the New York Giants 5-3.

Duke Snider, joined the 1,500-hit club with his seventh homer of the year, off Ruben Gomez. When the Giants kicked up their heels in the late innings, Clem Labine had to help starter Sandy Koufax.

Pittsburgh spoiled plans to celebrate Curt Simmons' 10th major league victory when they chased the Philadelphia Phillies 10-4. Simmons collected 20 hits for a 13-9 romp, Roberto Clemente led the party with four hits and three runs.

Clifton, Iroquois, Cop KVL, and Johnson To Face St. Teresa

Clifton's American Legion and the Iroquois AC took over the top spot in the Kankakee Valley Baseball League by posting victories Sunday afternoon.

South Side AC, Dwight and Manteno suffered initial setbacks of the season in Sunday competition.

Clifton battered Danforth-Gilman 17-1, Iroquois nipped South Side 24-1, Beecher turned back Dwight 10-4 and Aroma Park defeated Manteno 8-5.

The Clifton team, defending champs, pounded three Danforth-Gilman pitchers for 13 hits.

Paul Raab paced the home team assault with four hits and Skip Henderson pitched out a grand slam home run.

Clifton's victory was the first since the team's inception in 1946, when he finally won a pennant.

He became general manager of the U.S. Army, has been in the service since 1942, and has been in the service since 1942.

His long dry years at Boston had him on the spot, particularly during the years when the Red Sox were perennial losers.

But, as Cronin said, "I can take it." The Cubs were in St. Louis Monday night with Bob Rush (8-5) going against the Cardinals' Lindy McDaniel (2-2).

The Chicago White Sox return home for a one-game lead over Cleveland and New York atop the American League for a night contest against the Kansas City Athletics.

Jim Linn (5-1) will be the pitcher to face Al Kellner (1-3). Linn's last outing was a doubleheader at Cleveland.

They had the opener 1-0 in the 10th inning for Billy Pierce's seventh triumph. Linn pitched a shutout.

He pitched a shutout against the Indians with four hits. The Sox wrapped it up by defeating Detroit 4-3.

St. Teresa is carrying a seven-game winning streak into the sectional. The Sox wrapped up their road trip by winning 10 out of 12 games.

Betha Fights Andrews Tonight. NEW YORK (UP)—Heavyweight Wayne Betha, a rugged right-hander, meets a more agile, but explosive Paul Andrews tonight in a 10-rounder at St. Nicholas Arena.

Oddsmakers quote Betha as New York an 8-5 favorite over Andrews of Buffalo, N.Y., partially because of Andrews' inactivity last year.

Reports Cronin Will Replace Harridge

NEW YORK (UP)—American League President Will Harridge will retire when his contract expires in December, informed sources of the Boston Red Sox.

A quorum of American League owners already has decided on the affable Cronin, it was said, and his post will be taken over by Asst. General Manager Stanley (Bucky) Harris.

"This will be denied all over the place but wait until December and see what happens," the spokesman asserted.

Supporting the revelation is the fact that the 72-year-old Harridge, president of the league for 28 years, has not been robust and previously has contemplated retirement. Cronin, elected to baseball's Hall of Fame in January, 1956, is 50.

Cronin, IF EJECTED as expected, would be the league's fourth president. He was San Francisco Irishman, an able administrator, would supply the same type of executive leadership as the late and silent Harridge.

The one major difference between them is that Harridge never played a game of ball in his life and Cronin was a 20-year man in the major leagues.

Except for a brief period with the Wabash Railroad, Harridge has spent his life in the front office of the American League.

He was a regular on the Washington Redskins in 1932. When Harris stepped down, the 26-year-old Cronin was named to succeed him as the Senator's first and only player.

Cronin had been twice with Pittsburgh but it was Harris who made a regular out of him at Washington in 1932. When Harris stepped down, the 26-year-old Cronin was named to succeed him as the Senator's first and only player.

Kankakee 2nd In Elk Bowling Meet

A Kankakee team finished second in the Illinois Elks Bowling Tournament at Springfield Saturday evening.

The tournament was held in conjunction with the Illinois Elks convention. District winners bowled in the tournament for championship honors.

McComb won the tournament with a handicap score of 2,574 to 2,856 for Kankakee. Harvey had 2,770 and Mattson 2,705. The Kankakee team had the high scratch score of 2,801 in the tournament.

Representing the local lodge were Frank Krauska, James Corke, Carl Schneider, Bill Palmer and Virgil Sherwood. This group won the East Central district championship several weeks ago.

Landis Models Musial, Carries Man-Sized Load. The Chicago club is off to its running start while making three noble experiments. Employing the 23-year-old Landis, with what amounts to no more than two years of minor league experience under his belt, enables Al Lopez to play Jim Riera at first base when Jim Riera is at bat.

Landis credits Johnny Mostil, the old White Sox outfielder, with having done the most for him in a teaching way. "It had been a third baseman," he explains, "but by the time I reported to a White Sox recruit school at Fort Pierce, Fla., in 1953, some one had decided that I should be an outfielder. Mostil worked with me for days. He taught me everything a good outfielder has to know—to catch the ball in position to throw with not more than one step, etc."

Landis, a tall, good-looking kid out of Richmond, Calif., played no more than 325 games in organized ball before being assigned to Jim Riera at first base when Jim Riera is at bat.

28 Cars Qualify For 41st 500-Mile Race

INDIANAPOLIS—A field of 28 Indianapolis Motor Speedway veterans and five newcomers seasoned on shorter tracks, took part Thursday in the 41st 500-mile Speedway auto race.

Two Novi V8s will pace 31 cars powered with the old reliable Oldsmobile engine.

Individual honors went to Olympic champion from Tinley Park, Ill., turned in the best trial performance Sunday with a 10-mile run at 142.49. Russo, of Danbury, Conn., set the best speed in the field—but they've never won the race.

Both Russo and Bettenhausen will be starting for the 11th time. Sam Hanks of Pacific Palisades, Calif., who made the lineup Saturday at 142.12, will be trying for the 12th time to win the share of the \$500,000 prize.

There were 43 runs in Sunday's six-hour session.

Among those who failed to make the lineup were Johnnie Parsons, Los Angeles, the 1950 winner; Mike DeBetta and Brian Adams limited Dairly Queen to five hits as A. O. Smith posted a 5-2 baseball victory in the Joyce Little League at Beckman Park Sunday.

The winners were out in front all the way, taking a 2-4 margin in the first inning and having a 6-0 count at the end of three. Dairly Queen talked-in the last two innings.

Four boys paced the 16-hit batting attack. For the winners. Getting two hits each were Joe Waskowski, Ron Chandler, Leon Taylor and John Hedlin. John Fagan paced the losers with a triple.

Hamia, Bussey Meet June 19 For Feather Crown

PARIS (UP)—Cherif Hamia of France and Hogan (Kid) Bussey of Nigeria will meet in Paris' first world featherweight title fight at the Parc des Princes football stadium, June 19.

Promoter Charles E. Michaels, who signed the match late Sunday, expects a capacity 40,000 at this 15-round battle for the vacant 126-pound crown.

Michaels did not disclose the terms which had lured Hamia and Bussey away from the International Boxing Club of New York, which had hoped to stage the title fight at Syracuse, N. Y., or Montreal, Que., while Michigan finished third with a 1-3-4, and Ohio State was a close fourth with a 1-5-8.

Both Russo and Bettenhausen will be starting for the 11th time. Sam Hanks of Pacific Palisades, Calif., who made the lineup Saturday at 142.12, will be trying for the 12th time to win the share of the \$500,000 prize.

HEAVENLY EATING — This Angel pie is light and fluffy as a summer cloud.

Pie In The Sky, Angel Style

By CECILY BROWNSTONE
Associated Press Food Editor

This Angel pie was designed for those who like a light, fluffy pie. It is a heavenly eating.

Prepare a pie shell of this rich pastry for the crust. Then follow our directions for making the light-as-air Bavarian-type filling. Top the pie with fresh strawberries and finish with a light glaze. Add a dusting of whipped cream and some whole berries and serve for dessert at a supper party when you want to put your best foot forward.

This dessert should really be called "All-Summer-Long" Pie, because you can substitute other seasonal fruits for the strawberries. Fresh raspberries make a delicious topping for it; so do sliced fresh peaches.

ANGELWING PIE

Ingredients: 2 tablespoons unflavored gelatin, 2 tablespoons cold water, 1/2 cup sugar, 1/2 cup water, 2 teaspoons lemon juice, 1/4 teaspoon salt, 2 egg whites, 1 cup heavy cream, 1 teaspoon vanilla, 1/2 inch baked pie shell, 3 cups sliced fresh strawberries, 1/2 cup sugar, 2 teaspoons cornstarch, 8 whole unpeeled strawberries.

Method: Sprinkle gelatin over the 2 tablespoons cold water in a custard cup to soften. Place cup in pan of very hot (but not boiling) water until melted. Put the 1/2 cup sugar, 1/2 cup water and lemon juice in a small saucepan—5-cup size is fine. Stir over low heat until sugar is dissolved; cook with out stirring to soft ball stage (234

SERVING YOU BETTER SAVING YOU MORE

Fast Salad: Just Slice 'N Stuff

By CECILY BROWNSTONE
Associate Food Editor

Warm weather spurs cooks onto experimenting with salad combinations. So if you feel an urge to make a salad, here are some ideas that may be new to your kitchen.

Instead of hollowing out tomatoes and stuffing them, slice each into slabs (but not all the way through) and put the stuffing between each slice so you have a pretty fan shape. You can use any stuffing you like. The following salad recipe suggests cottage cheese, but hard-cooked eggs mashed and moistened with salad dressing is delicious. So is chicken or tuna salad used this way.

In the following salad recipe, we've added a dry salad dressing mix to the cheese to season it. Use the rest of the salad dressing mix to add to oil and vinegar when you are preparing tossed greens. 1/2 to 1/4 teaspoon of the mix should be enough for a salad for four.

The dry salad dressing mix we suggest for this recipe comes in an envelope and contains spices and herbs, salt, and monosodium glutamate.

SUMMER TOMATO SALAD

Ingredients: 2 cucumbers (1 cup), 1 to 1 1/2 teaspoons American-style dry French salad dressing mix, 1/2 cup finely diced peeled, seeded, small or 3 medium-sized ripe tomatoes, water, cream.

Method: Mix the cottage cheese, salad dressing mix and cucumber together. Cut stem and end from each tomato and place cut side down on slicing board. Cut each tomato into slabs, being careful not to slice all the way through. Pull slices open gently and fill with cottage cheese mixture. Garnish each tomato with water and cream. Makes 3 or 4 servings.

SUMMER SALAD TIPS

Cucumber Know-How—When you're buying cucumbers for summer salads, choose thin ones when ever possible. They usually have small seeds and crispness. Wash the cucumber well and dry. Then using a swivel-blade vegetable parer, remove outside of the skin the length of the cucumber to give a striped effect. Slice paper thin and serve with sliced tomatoes and French dressing.

Something Different—Scrub small cucumbers with a vegetable brush and cold water. Slice into rounds that are about 1/4-inch thick. Drop into boiling water and boil a minute or so to blanch. Drain and chill. Add to a mixed salad. Chilled salad—You can stretch the usual mixture of diced cooked chicken, diced crisp celery and mayonnaise by adding cooked green peas and cooked rice. Use the corned beef recipe for the kernels will be firm and whole.

Luncheon Salad—Delicious with cold ham or other sliced meats, oranges, sweet onion rings, romaine and French dressing.

Romance May Cost Ingrid's Husband Visa

NEW DELHI (U)—A spokesman for India's Home Ministry said today the government is deliberating whether to extend the expired visa of Roberto Rosellini in view of reports linking the Italian movie producer romantically with a pretty Bengali scriptwriter.

She is married and the mother of two children. Her husband is said to have complained that Rosellini's presence in India is threatening to break up the marriage.

The spokesman said the ministry is conferring with Bombay state officials because the scriptwriter, Mrs. Sonali Das Gupta, lives in Bombay. She occupies a room in the Taj Mahal Hotel near the one occupied by Rosellini.

MINISTRY officials were checking also with West Bengal officials because Hari Das Gupta, husband of the 27-year-old Indian woman, is working in Calcutta.

Rosellini has been making documentary films in India since his arrival last December. He is under contract with the government to produce them. Semi-official sources in Bombay said the government had ordered a temporary suspension of work on the films. The word in New Delhi was that Home Ministry officials were taking up the subject with the Ministry of Information and Broad-

MRS. SONALI DAS GUPTA

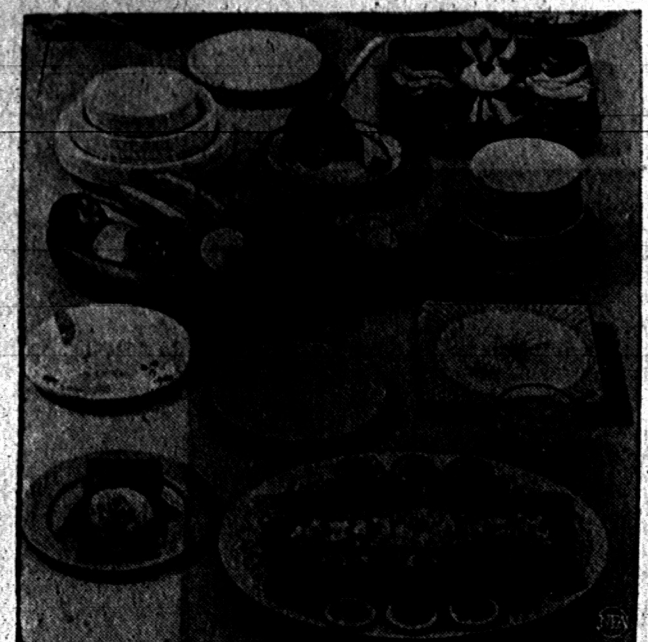

casting, under which Rosellini has been working.

Das Gupta was reported to have asked the government not to extend Rosellini's visa. However, visas are not always prosecuted in India.

Rosellini, Sonali and Ingrid Bergman, his wife, appearing in a play in Paris, all have denied there is any truth to the reports of the affair.

HUNT FOR REBELS

HAVANA (U)—Government troops searched rugged mountain terrain today for remnants of a 27-man rebel force that landed from a yacht in western Cuba. Five of the insurgents reportedly were captured.

PAPER PLATES have come into their own in the modern home and offer several ways to bypass messy housework drudgery.

Paper Plates Do Away With Much Drudgery

By GAYNOR MADDOCK, NEA Food and Markets Editor

Today's young homemakers have learned that the drudgery of dishwashing can be intelligently bypassed. Modern paper plates offer one solution.

In the kitchen they can be used to protect work surfaces from drippy mixing spoons; placed under the flour sifter; and as handy platters when chopping fruit, vegetables and nuts.

Keating Calls For Selective Veto Power

WASHINGTON (U)—Rep. Keating (R-NY) said today enactment of legislation to give the President the item veto power would be "the single most constructive procedural blow" Congress could strike for government economy.

Keating, author of a proposed constitutional amendment to grant the President such power, told a House Judiciary subcommittee that "failure of Congress to act is costing American taxpayers billions of dollars."

However, some other members of Congress—including Senate Republican Leader Knowland of California—are outspoken against the item veto.

She Won't Marry Elvis, Starlet Says

HOLLYWOOD (U)—Movie starlet Yvonne Lime says published reports that she plans to marry Elvis Presley in Mexico this week have left her "all shook up."

"We are friends, but there is nothing to the story," the 26-year-old blonde said Sunday. She has been dating Presley regularly since last February after appearing with him in the picture "Love You."

NAKED TRUTH: OMAHA (U)—A naked man was arrested for driving through a suburb in the early morning hours. He explained to police officers that his car's heater would not turn off, so removed his clothes.

Police couldn't find anything wrong with the heater.

Curry Gives Extra Lift To Meat, Potato Balls

By GAYNOR MADDOX, NEA Food and Markets Editor
To give meat and potato balls an extra lift, try using curry with them. This combination is especially good for a buffet supper party.
Meat and Potato Balls with Curry Sauce (44 servings)
One pound ground beef, 1/2 pound ground veal, 1/2 clove garlic, minced; 1 teaspoon salt, 1/2 teaspoon pepper, 1 egg, 1/2 cup milk, 1/4 cup fine dry bread crumbs, 2 tablespoons fat, 1 teaspoon kitchen bouquet, 1-pound small whole potatoes.
Mix beef, veal, garlic, salt, pepper, milk and bread crumbs together. Form into 12 meat balls. Melt fat in skillet, add kitchen bouquet and brown meat balls. Simmer over low heat for 30 minutes until tender and done.

Air Conditioning Firms Fear Only A Cool Summer

By SAM DAWSON
NEW YORK — The air conditioning industry enters its 1967 season with hopes of setting its eighth straight sales and output record. Its two chief fears: a cool summer and a continuing lag in home building.
As for profits—that troublesome problem of recent years—the remaining companies and dealers in the field hope for better days. In the fast growing postwar years—the industry made more coolers than there were customers to go around. Inventory glutted and prices cutting led a number of makers to drop out.
Total retail volume in 1956 for industrial, commercial and home air conditioning came to three billion dollars. Industry spokesmen hope for at least 3 1/2 billion this year.

THE Air-Conditioning and Refrigeration Institute paid sales of room units at 1,000,000 last year and central cooling systems for homes at 150,000 units. It looks for a record this year for central cooling, but admits the disturbing dip in home building is a factor. Cloud Wampler, chairman of Carrier, estimates some 250,000 central systems should be sold this year.

The industry as a whole hopes to sell two million room coolers. Technicians work at making air conditioners smaller, cheaper and quieter. They also are perfecting them to control odors, remove bacteria, block smog, and foil allergic substances.
The institute says that purchasers should get a break this year because 22 manufacturers of room units have agreed to publish capacity ratings of their products in terms of British Thermal Units (the amount of cooling capacity needed to lower the temperature of one pound of water by one degree at sea level).

This gives the buyer a standard of comparison. Instead of the confusing ratings by horsepower, tons or evaporation equivalent formerly used.

French Algerian Politician Slain

PARIS (UP) — Police held Mohammed Ben Sadok, 27, today on a charge of assassinating pro-French Algerian politician Ali Chekkal as he left a crowded football stadium Sunday.
French President Rene Coty left the game shortly before the shooting.
Police said Sadok steadfastly refused to name any accomplices and said he was not connected with any Algerian rebel organization.
Chekkal died with a bullet in his lung. He was on the deathlist of

Lobster Thermidor For 8

The beautiful little town of Skowhegan, Me., has been made famous during the past few years by its Summer Theater. The theater and the "Broadway Colony" are five miles north on a lovely lake at Lakewood. It is no wonder the theatrical stars welcome a chance to play here in the summer. The popular Lakewood Inn appeals to the discriminating appetites of their guests. This is the way they serve lobster thermidor, one of their specialties that always wins applause.
To serve 8 purchase 8 lobsters weighing 1 1/2 pounds to 1 3/4 pounds each. Boil them for 20 minutes. Place them on a chop board and cut a strip 1 1/2 inches by 4 inches long on the back of each boiled lobster. Remove the meat carefully. Save the shells for later use. Remove the meat from claws and save 2 cups chopped for garnish. Dice the lobster meat in good-sized pieces. Chop 1 green onion and saute in 1/4 pound of butter and 4 tablespoons breadcrumbs. Add the lobster meat and 1 teaspoon paprika and let simmer. Add 1 pint of rich cream, 1 teaspoon dry mustard, 2 cups chopped mushrooms and 1/2 cup sherry wine blending well together. Fill the lobster shells. Sprinkle with 2 tablespoons Parmesan cheese and breadcrumbs. Bake for 20 minutes. Place a mushroom button and a piece of lobster claw on top of mixture and sprinkle a little melted butter over the top. Brown in hot 450 F. oven for about 5 minutes or until browned and heated through. Serve hot.

Salmon Croquettes Can Be Prepared Well In Advance

By GAYNOR MADDOX, NEA Food and Markets Editor
When company is expected to dinner, prepare as much food as possible in advance.
Salmon Croquettes (8 servings)
Croquettes:
2 cups water
2 cups rolled oats (quick or old fashioned, uncooked)
2 cups flaked salmon (1-lb. can), drained
2 tablespoons lemon juice
2 teaspoons salt
1/2 teaspoon pepper
1 teaspoon paprika
Breading:
1/2 cup fine bread crumbs
1 egg beaten
2 tablespoons milk
Cheese Sauce:
1 can cream of celery soup
1/2 cup milk
1 cup (about 1/2 lb.) cubed processed cheese
For croquettes, stir rolled oats into boiling water and cook slowly for 5 minutes, stirring frequently. Combine cooked oatmeal, flaked salmon, lemon juice and seasonings thoroughly. Chill; shape into 12 croquettes.
Roll croquettes in dry bread crumbs; then dip in egg wash (made by combining beaten egg and milk) and roll in bread crumbs. Place croquettes in wire basket. Fry in hot, deep fat (375 degrees F.) until golden brown.
For the cheese sauce, place soup, milk and cheese in saucepan; cook over very low heat or in double boiler, stirring frequently until cheese melts. Serve hot over croquettes.
