## 6 Hospitalized, 50 Shaken Up

### Trains Collide At Cary, 2 Die

CHICAGO (AP)—Two persons were killed, six hospitalized with injuries, and perhaps 50 others treated for minor hurts in two related accidents involving Chicago-bound trains in a dense fog near Cary, about 40 miles northwest of Chicago, today.

The chain of circumstances which resulted in the rear-end ramming of a halted passenger train by the locomotive of a following train was touched off when another train hit and killed a woman at a country road crossing.

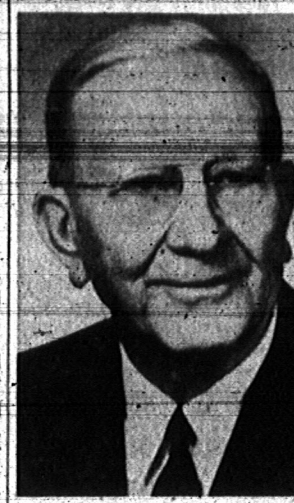

KILLED WERE Mrs. Grace Levine, about 55, of the Royal Oak Trailer Camp near Crystal Lake, and F. V. Fillipelli, 32, of Green Bay, Wis., flagman of the rammed Chicago and North Western Railway train.

As a result of the crash, rail commuter service on the North Western Wisconsin division was halted more than three hours, and trunk highway traffic on U. S. Rt. 14 was backed up and snarled for miles.

Coroner Theron W. Eborn of McHenry County said that, apparently, Mrs. Levine—a widow—halted her car at the grade crossing and walked onto the tracks to determine whether it was safe to drive across.

SHE WAS STRUCK and killed by a commuter train which had just arrived at Cary, Ill., today.

GEORGE E. LUEHRS

### George Luehrs Files Petitions At Springfield

Kankakee is  
Candidate For  
State Representative

Nominating petitions for George E. Luehrs of Kankakee for state representative from the 41st District were among those filed today at Springfield.

The 41st District comprises Kankakee, Ford and Livingston counties.

Luehrs will be a candidate at the April 8 primary election for nomination to the representative post being vacated by Louis E. Beckman of Kankakee. Beckman is running for state treasurer.

Luehrs has the unanimous endorsement of the Kankakee County Republican Central Committee.

Luehrs, who operates a coal company here, has been chairman of the Kankakee County Board of Supervisors since 1953, and a member of the board since 1951. If elected, representative he plans to step down from that post.

LUEHRS was a member of the Kankakee Board of Education for many years, seven of them as president.

As chairman of the county board he has been active in working with state agencies for local improvement, particularly in the highway field.

In addition to his work in local government, Luehrs also has been active in many civic affairs.

He is a past president of the Chamber of Commerce here and helped found the Kankakee Rotary Club.

He helped organize the community's first Boy Scout council, and served several years as president of the YMCA. He has headed both YMCA and Red Cross fund drives.

DURING WORLD WAR II Luehrs was chairman of the Kankakee County Ration Board for five years.

The candidate also was once engaged in the banking business for 20 years.

He lives south of Kankakee in a home known as "The Old Farm." He is the father of four daughters.

### UAW Unveils New Demands In Contract

DETROIT (UP)—The United Auto Workers International executive board announced today it will seek a share of all profits above 10 per cent on investment from the automobile companies in this year's bargaining.

The contract demands recommended by the board omitted fight for a four-day work week.

The board said the union's contract program "departs from the traditional UAW collective bargaining program in that it provides a set of basic minimum economic demands to be applied to all companies under contract to the UAW."

A 33-year-old Kankakee man who was arrested by police after the fire scene is scheduled to take a lie detector test Wednesday to determine if he was involved.

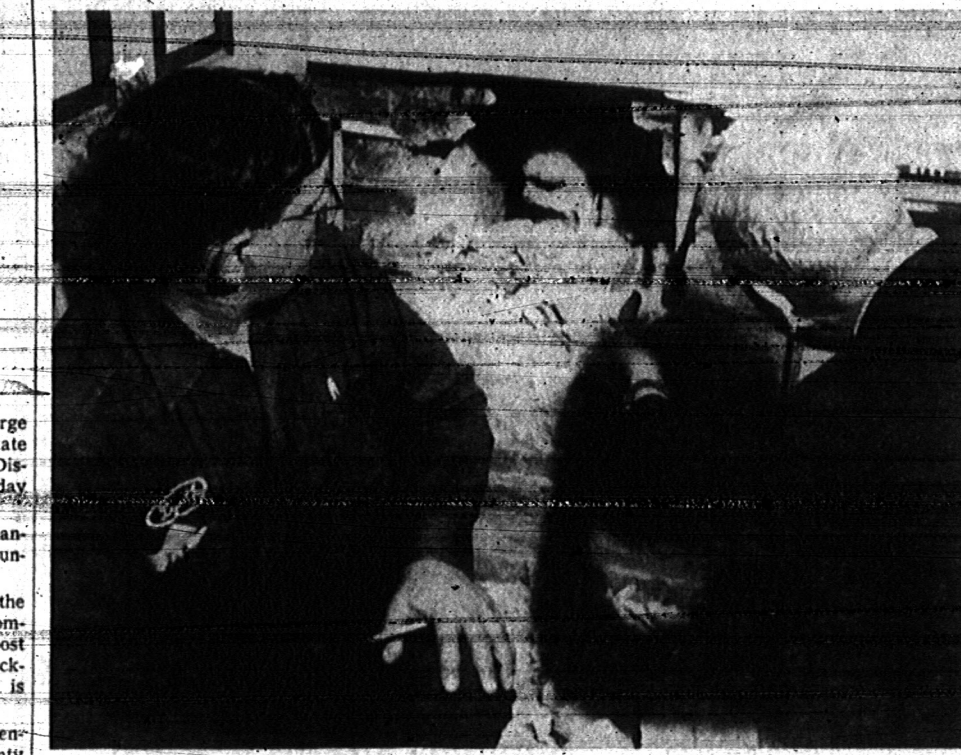

A state deputy fire marshal, Joseph Haag, and Police Chief Wallace Flannery, conducted an investigation with Marnell today.

ONE HALF of the profits above the 10 per cent to be retained by the corporation for its stockholders and executives.

One fourth to all wage and salaried employees other than executives, eligible to participate in executive bonus plan.

One fourth to consumers in the form of a debate to the companies who have brought the companies' products during this year.

# \$73.9 BILLION SPACE AGE BUDGET SOUGHT

### Ike Sees Economic Surge Paying Bills

WASHINGTON (AP)—President Eisenhower sent Congress today a record peacetime budget just short of 74 billion dollars. He said by far the largest part of it, almost two-thirds, is for defense against growing danger from Russia in the dawn of the space age.

The President disclosed that the government now expects for wind-up in the red for the fiscal year ending June 30. He announced his intention to ask for a short-term increase — he didn't say how much — to the present 275 billion dollar limit on the national debt.

THE PRESIDENT'S confidence business will pick up and "outlays" will increase so that the new \$73,900,000,000 budget, for the 1956-57 fiscal year, will be in balance. He said he expects a surplus of a half billion dollars or so, compared with the 400 million dollar deficit now in sight for this year.

Secretary of the Treasury Anderson told reporters emphatically that he expects "a resumption and resurgence of growth during the year."

The estimate of rising tax revenues, he said, is based on an official forecast that the personal income of Americans will rise from about \$43 billion in 1955 to \$53 billion in 1956, while corporate profits will hold even at \$4 billion.

One surprise in the President's proposals for government spending and revenue collecting — he called for a 5-cent postage rate on all out-of-town first class letters. Congress so far has rejected even his previous call for raising stamp prices from 3 to 4 cents for local and out-of-town letters alike.

Eisenhower's budget message, which ran to some 22,000 words with a mass of figures attached, the last Thursday's State of the Union message, put heaviest emphasis on security matters with a \$3,400,000,000 request for armaments forces alone. With this expected boost, almost 2 billion dollars higher than last January's estimate, Eisenhower asked:

1. A \$3,500,000,000 step-up in spending for missile and nuclear weapons research and production.

2. A \$500 million dollar reserve fund to rush development of any breakthroughs in the weapons field, together with authority to switch two billion dollars around within the armed services "in order to take prompt advantage of the coming fiscal year. This is a 119 million dollar increase over the current figure. The proposal looks like one of the hottest issues to come before the new Congress.

Many legislators favor cutting foreign aid — a course Eisenhower says would be reckless gambling with western security.

All told, the President's new budget calls for 1956-57 spending at more than a billion dollars over the current rate. The current spending program, running at \$72,400,000,000 a year, is the highest in American peacetime history.

Eisenhower called for a 15 billion dollar slash in manpower, installations and older-type weapons, including B-52 bombers and some other aircraft. And he proposed "curtailments, revisions or eliminations" of many nonmilitary programs, ranging from "welfare" payments to veterans to expenditures for farm to farm services and benefits.

SIXTY-FOUR PER cent of the new budget is devoted to "protection"—armed forces, military aid to allies and the like—compared with 63 per cent of the current budget.

As the White House forecast earlier, no general tax increases are proposed. Eisenhower said, "In fact, some tax cuts to aid small business, to encourage higher taxes on aviation fuels to reduce the cost to the government of its activities in the air traffic field."

LOWRICE, the President indicated, is the President's plan to cut back conventional weapons and military manpower.

SURPRISE ATTACK—Measures to rule out surprise attack, evidently meaning reciprocal arsenal Continued on Page 4, Column 2

PUBLICATION OF Red Paper Suspended

NEW YORK (AP)—The Daily Worker, main voice of communism in the United States, died today.

Publication was suspended on its 24th birthday. Lack of financial support killed the paper. Its weekly and daily editions, called the Worker, will continue at least until next Sunday.

Eisenhower's demise came a few days after John G. Galt, its editor in chief, resigned from his post. Galt had refused to leave the paper for a strict Moscow line.

The last press run was 10,000 copies, 3,000 higher than the recent normal run.

WASHINGTON (AP)—President Eisenhower held open the door to an East-West summit conference today with word to Soviet Premier Nikolai Bulganin that "I am ready to meet" on two conditions.

Eisenhower's reply to Bulganin also urged Soviet agreement to a far-reaching peace program that would end nuclear weapons manufacture and testing, curtail use of the United Nations veto and the production of space age missiles, and dedicate outer space to the peaceful uses of mankind.

Any top-level meeting, the President said, the Premier must be preceded by an airing of issues in negotiations among diplomats and foreign ministers. Further, more he said, these negotiations must show "good hope of advancing the cause of peace and justice in the world" by agreement at the summit. He thus rejected Bulganin's call last week for a meeting in three months.

Eisenhower's 4,000-word personal letter replied to one Bulganin sent him Dec. 10, but also clearly covered the essence of a Second Bulganin note last week.

Eisenhower rejected or discounted about eight proposals Bulganin had put forward, including those of space weapons, which would use, or more accurately misuse, outer space; "..." should not outer space be dedicated to the peaceful uses of mankind and denied to the purposes of war?"

Nuclear weapons—"The United States and Russia should work to end their 'now unrestrained production' and to adopt weapons material to peaceful purposes. Testing — The United States would be prepared to 'stop the testing of nuclear weapons, not just for two or three years (as Russia proposed), but indefinitely."

Conventional military — Steps should be taken to cut back conventional weapons and military manpower.

THIEVES SMASHED A hole about 18 inches in diameter through the wall of the walk-in vault of the Tabler Lumber Co., Monmouth, early this morning, and took \$400 from a cash box. A back door to the office was jammed to close entrance. Thieves entered the bathroom next to the vault.

ore off some wainscoting, then pounded the hole through the wall. The wall is constructed of four layers of brick. Looking at the driver's work are Clyde Tabler, right, owner of the company, and his son, Lyeth. (Journal photo)

### Chicagoan Is County's 1st Crash Victim

Kankakee County recorded its first traffic fatality of 1956 when a man died early Sunday following a crash on Route 54 in Bradley.

The dead man is Roger Allen Messmer, 21, of Chicago.

Police said Asher's car ran into the rear of another southbound automobile operated by Mrs. Gloria Bradley, 25, 1312 River Lane Dr., Bradley.

He was riding in a southbound auto driven by Gerald William Asher, 21, also of Chicago. Bradley's car was struck from behind by Asher's car.

Four hundred dollars was taken by bank robbers at the scene.

THE SAME AMOUNT was reported missing in a burglary at Chaney's service station on Route 54 at the Armour road north of Bradley, but the tabulation was still being checked.

Two hundred and fifty dollars was missing in a break-in at Clyde's Hamburger Castle, 308 S. Schuyler Ave., Bradley, where burglars also did \$170 damage to cash registers and dials.

Robert Lewis, 22, 612 N. Fifth Ave., was taken into custody by a federal marshal after he was arrested by Kankakee Police Sunday while they were investigating a strong-arm robbery.

The robbery victim was Mrs. Bernice Poskin, 473 S. Evergreen Ave. She said she was alighted from two youths as she alighted from the floor and into the basement.

The altar area was also badly scorched. Marnell said that paper had been piled on each side of the altar and that cloth and the rug had been started ablaze.

Flamethrowers which had been in the vestibule were strewn around between pews and down the aisle. Some of these had been ignited and partially burned. The bulletin board itself had been propped on the tabernacle and set afire.

All off-duty Kankakee firemen were called in to fight the blaze. Departments from West Kankakee and Bourbonnais were also summoned as an emergency measure. Six hose lines were laid down and the aerial truck was used to subdue the flames on the roof.

KANKAKEE FIRE equipment remained at the scene until about 8 a.m. today when the last embers were extinguished.

Hanshaw was arrested after the fire.

### \$1,600 Taken In County Crimes

Seven burglaries, an armed robbery and a purse snatching were reported in Kankakee County over the weekend, and a 22-year-old Kankakee man was turned over to a federal marshal. The loot included nearly \$1,600 in cash and checks.

Four hundred dollars was taken by bank robbers at the scene.

THE SAME AMOUNT was reported missing in a burglary at Chaney's service station on Route 54 at the Armour road north of Bradley, but the tabulation was still being checked.

Two hundred and fifty dollars was missing in a break-in at Clyde's Hamburger Castle, 308 S. Schuyler Ave., Bradley, where burglars also did \$170 damage to cash registers and dials.

## Shirley Ann Baker Weds R. Kennetz

Miss Shirley Ann Baker of Ashkum and Robert Kennetz of Piper City were united in marriage Saturday at 8 p.m. in First Presbyterian Church, Piper City.

The bride is the daughter of Frank Baker of Ashkum and the bridegroom is the son of Mr. and Mrs. George Kennetz of Piper City.

The Rev. Philip R. Coon officiated at the double ring ceremony before an altar decorated with candelabra and palms.

Mrs. Philip R. Coon was organist and played traditional wedding marches. She also accompanied the soloist, Jim R. Price of Charlotte, who sang "The Lord's Prayer."

Given in marriage by her father, the bride wore a beige wool street length frock. Her flowers were red roses.

Mrs. Dean Frodoudor of Ashkum was matron of honor; James Hawthorne of Peoria was best man and ushers were William Penick and Carl Kewley.

A reception followed in the church dining room. Assisting were Miss Shirley Ann, Mrs. Marilyn Vaughan, Miss Rose Marie Feels, Miss Gertie and Mrs. Jeanie Fisher.

The couple is residing in Piper City.

The bride is a graduate of Central High School, Clinton, and has been employed at Armour Laboratories.

The bridegroom is a graduate of Piper City Community High School, served six months with the United States Air Force and is employed with his father at the Standard Service Station in Piper City.

Mrs. Angeline Wauhiier Entertains Members Of Birthday Club

Members of the Birthday Club met Thursday at the home of Mrs. Angeline Wauhiier, R. 1, Kankakee.

The club is a graduate of Bloomington schools and was employed at the Bloomington State Savings and Loan Bank. She is a carpenter.

Fifty prize winners were Mrs. Vernon Gierke, Mrs. Cletus Reas, Mrs. William Gierke and Mrs. Rose Gierke.

Mrs. Wauhiier received a birthday gift from her mother, Mrs. William Wauhiier, who is hostess for the Jan. 22 meeting.

Grand honors were also given to Mrs. Timothy Reilly, Mrs. Ruth Stoum and Oliver Coash in honor of their birthdays.

A potluck supper was served by Mrs. Ostrum, conducted the meeting, Mrs. Henry Stoum in honor of those having birthdays in January.

Prize winners were Miss Marjorie Haack, Mrs. Henry Heister, Mrs. Carl Yeaman, Mrs. Thea Feld and Mrs. Louis Lender. The next meeting will be Jan. 23.

## Two Guest Artists Scheduled For WC

Two guest artists, Prof. Naomi Larsen and Miss Ruth Chung, will present the program at the Naomil Larsen and Miss Ruth Chung Wednesday at the Civic Auditorium.

Prof. Naomi Larsen, acting chairman of the Division of Fine Arts of the University of Wisconsin, will appear as piano soloist.

She has been a member of the Olivet faculty since 1933 and is a professor of piano and voice and chairman of the piano department.

Prof. Larsen is a graduate of Olivet Nazarene College and holds two masters of music degrees from the American Conservatory of Music, Chicago, one in voice and one in piano. She has done additional study at Behnigh Lutheran College, the Kansas City Conservatory of Music, and the University of Wisconsin.

She is a member of the National Educators Association of Teachers and is listed in Leaders and Educators.

Miss Ruth Chung, a native of Seoul, Korea, and a naturalized American citizen, is a graduate of the University of Wisconsin and is listed in Leaders and Educators.

She is a member of the National Educators Association of Teachers and is listed in Leaders and Educators.

She is a member of the National Educators Association of Teachers and is listed in Leaders and Educators.

## Epping Guilty To Seek New Trial

SPRINGFIELD — Dapper Edward Epping, once the side of Orylle, now faces a possible 24 years in prison for his part in the \$1.5 million dollar looting of the state treasury.

The 30-year-old Epping, who already is serving one prison term for conspiracy to defraud the state, was convicted Sunday of forgery, confidence game and embezzlement.

A Sangamon County Circuit Court jury of nine women and three men deliberated 5½ hours Saturday and Sunday before adjudge him guilty.

JUDGE DEWITT S. Crow deferred sentencing pending a defense motion for a new trial.

Under the conviction, Epping could be sentenced to 24 years in addition to the four to five years he is serving for conspiracy.

Epping's old boss, former State Auditor Hodge, 53, is serving a 12 to 15 year prison term after pleading guilty in the summer of 1956 to charges he looted state funds.

In Stateville penitentiary, Epping was sentenced to 12 to 15 years in prison for stealing \$11,416 from the state on one of the four forged warrants. He denied ever seeing the warrant.

Hodge was called from prison to testify as the chief witness against Epping. After the trial, State's Attorney J. Waldo Ackerman Jr. said Hodge's testimony was truthful and his actions cooperative. This merited him "favorable consideration" for parole.

For parole consideration, Hodge already has been turned down once by the parole board of the Stateville penitentiary.

## Wilmington Church Going Up

Despite the cold weather, work is continuing on the First Baptist Church at Wilmington. The congregation is hoping to have the building enclosed sometime this winter. They have been holding services in the basement since last summer. Much of the work is being done by members of the congregation who are donating their time and talents. At present they are constructing roof trusses in the basement and working on the masonry exterior when weather permits. The Rev. Sterling P. Kerr is the pastor. (Journal photo.)

## Won't Arbitrate

CAIRO (UP) — Egypt has refused to arbitrate its dispute with France over Egyptian claims, the head of the Egyptian delegation negotiating with the French in Geneva said Sunday. The negotiator, Adnan Sabih, said France had refused to arbitrate the dispute.

Epping faces possible penalties ranging from 1 to 10 years for each charge. He is being held in the Stateville penitentiary.

## Grieving Husband Dies After Wife

KEARNY, N. J. — A 51-year-old man grieving for his wife in West Hudson Hospital Sunday told his daughter: "I'm going with mother."

His wife had died of a stomach ailment only 20 minutes before the couple's only child, Mrs. Ruth G. Eisher, had offered the father a home with her.

## Gas Leak Forces 75 Families Out Of Collinsville Housing Project

COLLINSVILLE — The inhabitants of a Collinsville apartment housing project were evacuating their homes today after a liquid petroleum gas escape scare over the weekend caused the evacuation of 75 families.

The residents began trickling back into the project late Sunday after Asst. State Fire Marshal Roy Richardson gave an all-clear to a situation which before had been termed "highly explosive and dangerous."

The first indications of a gas leak were Thursday when two Collinsville city workmen accidentally ignited some of the liquid gas which had escaped into a sewer. The flaming gas traveled to an underground pocket of gasoline, exploding it and frightening residents.

No one was injured. The gas was contained in seven 500-gallon tanks about 75 feet from the nearest apartment building. The system was installed two years ago when a coal heating unit was found to be inadequate.

Plan Chicago Rites For Armstrong  
SPRINGFIELD — Col. Paul G. Armstrong, 67, director of the state Selective Service System, died Saturday from a heart ailment.

Armstrong was appointed to the post 1940 by President Franklin D. Roosevelt. He was a former commander of the Illinois American Legion.

The body will be taken Tuesday to Chicago for funeral services.

## Exchange Club To Hear Rabb. Simon

"My Recent Trip to Israel" will be the topic of Rabbi J. Harry Simon at the weekly meeting of the Kankakee Exchange Club Wednesday night at Jensen's Restaurant.

Rabbi Simon made a three-month tour of Israel last June through September. It was his second trip in recent years, previously making a tour in 1950. He is a native of Israel becoming a United States citizen in 1952.

Rabbi Simon is currently Jewish spiritual advisor to patients at Kankakee, Manteno and Chicago State hospitals. He served as rabbi of the local Temple B'nai Israel from September of 1949 until 1952 when he assumed his present duties.

The meeting will be open to the public. Dinner reservations may be made with V. A. Tenney, house committee chairman.

## It's Boy For Lewis

HOLLYWOOD — Singers Monica Lewis and Jennings Lang, vice president of Music Corp. of America, are the parents of a boy, their first child, born Saturday night.

## \$113,500 For County Roads Appropriated

Covers Equipment, Labor And Material For 124 Miles

The Kankakee County Board of Supervisors appropriated \$113,500 this morning for county highway maintenance during 1958.

The money covers labor, equipment and materials for 124 miles of blacktop highways and 30 miles of crushed stone roads, Highway Supt. Howard Schwark reported.

It is in addition to sums appropriated for new construction work. The board certified Schwark's name to the State Division of Highways for reappointment to a six-year term as county highway superintendent. The division must certify his qualifications back to the county before he can be formally reappointed.

DR. R. O. MUDD, county veterinarian, reported that 2,746 cattle in the county were tested for brucellosis during December. The county is vinding up its work to become one of the first in the state certified under its brucellosis eradication program. Brucellosis causes undulant fever in humans.

The board received a report from the January grand jury found the county jail in clean and satisfactory condition.

It approved a plan of the third addition to Walston Acres subdivision near Aroma Park.

Board members will be guests of Chairman George E. Turner at a dinner in connection with his next meeting. Lunches arranged.

Arends Against Single Chief, Files For Reelection  
WASHINGTON — Rep. Arends (R-Ill.) says he personally does not favor any plan for one man to replace the Joint Chiefs of Staff and that the House never would approve such a plan.

Arends was interviewed Monday for a recorded radio show. "No such plan will go through the House," Arends said in response to a question.

Rep. Arends' nomination petitions as a candidate for reelection were filed Monday in the secretary of state's office in Springfield, Illinois.

The 17th district congressman from Melvin, Illinois is House Republican whip and ranking GOP member of the Armed Services Committee.

Jimenez Squeezes Through Crisis In Revamping Cabinet  
CARACAS, Venezuela — President Marcos Perez Jimenez appeared today to have skinned through another crisis as he revamped his Cabinet for the second time in four days. But more street violence indicated Venezuela's troubles were not over.

Perez Jimenez changed three more Cabinet posts in the wake of his ouster of Gen. Romulo Fernandez from the Defense Ministry.

Meanwhile, police and troops scattered antigovernment student demonstrators in downtown Caracas with mackintosh and tear gas. Demands for restoration of civil liberties increased.

Report Card, Promotion Policies May Be Changed  
Report cards may be issued on a quarterly basis instead of every six weeks. This would mean two less report cards per year, if the plan is adopted. Letters to parents of students who are having difficulty, and conferences with them, would take the place of the more frequent reports.

Supt. Anthony Marinaccio discussed the plan at a board of education meeting Monday night. He said the teachers' instructions at council "to be drawing up a definite policy on promoting pupils from one grade to another."

More pupils are going to be "re-established before the number of report cards is decreased."

Blame Icy Turnpike For Crash Killing 2  
BEDFORD, Pa. — A bus carrying 18 passengers skidded helplessly on the icy-coated Pennsylvania turnpike Monday night and slammed against a bridge support, killing two people and injuring 18 others, including the driver.

The Bedford County Memorial Hospital, Nine were released within a few hours.

## Congress Asked To Boost National Debt

WASHINGTON — The House of Representatives today asked Congress to boost the \$275 billion dollar limit on the national debt to \$300 billion.

Secretary of the Treasury Robert Anderson asked the five-billion boost in letters to Democratic and Republican leaders of the House Ways and Means and Senate Finance committees. Those are the committees which would handle such legislation.

Anderson submitted a draft of suggested legislation that would make the increase effective on a temporary basis from the date of enactment through June 30, 1959.

There had been an indication in President Eisenhower's budget message Monday that the administration would ask for an increase in the ceiling.

Eisenhower's message said that "the present limit of \$275 billion dollars is too restrictive in view of rising defense expenditures and of the need for more flexibility to permit efficient and economical debt management."

Anderson said in his letter that an increase in the debt ceiling is particularly necessary because government outlays now are at a high rate while the bulk of federal revenue went in until mid-April when income taxes are due.

"As we seek to manage the debt of this great nation," he wrote, "we have, we ought to have the ability to use the best and most efficient mechanisms that we can give to us to permit the management of the debt."

Seek Missing Ship With 30 Aboard Off Scottish Coast  
OBAN, Scotland — Swirling fog today hid the fate of the 750-ton British naval vessel Barcombe, a harbor defense vessel, had 30 men aboard. Fears for their safety grew as searches by land, sea and air turned up no trace of the ship.

The Barcombe has not been heard from since she radioed Monday night. "Need assistance immediately — believe I am aground in position..." She gave a position that would place her on the shore of an island off the west coast of Argyll.

LATER, WARD INFORMED the Red Cross of his plans in the following letter to Dr. Charles Allison, county blood program chairman:

"Dear Sir: Received your letter of Nov. 27, 1957 regarding the Red Cross blood program. I am highly grateful. The only way I can show true appreciation, though, is by replacing that blood as it will be profitable to the next person whose life and well-being depends upon it."

"Although my own plans include regular visits to the bloodmobile in the future, it would take several years for me to replace that much blood. I am highly grateful. The only way I can show true appreciation, though, is by replacing that blood as it will be profitable to the next person whose life and well-being depends upon it."

Rep. Andresen Of Minnesota Dies  
WASHINGTON — Rep. August H. Andresen of Minnesota died early today at the nearby Bethesda Naval Hospital. He was 67.

Andresen, a native of Newark, Kendall County, Ill., was admitted to the hospital Dec. 1 for treatment of an intestinal disorder. He apparently was making a good recovery but suffered a heart attack at 10:30 Monday night and died shortly after midnight.

Andresen's death was the second in the House of Representatives since the recent congressional session. Rep. Russell W. Keene, Illinois Republican, died at the same hospital Saturday night.

The deaths make the present House lineup: 231 Democrats, 189 Republicans and 6 vacancies.
