Doctor Warns Of Radar Perils

SAN FRANCISCO (UPI) — The American Medical Association was told today that so-called radar, due for installation within the United States soon, "may be a menace to health."

Col. George M. Knaut, of Griffiss Air Force Base, New York, made the disclosure at the annual AMA meeting here.

Joliet Flood Control Talks Set July 7

JOLIET—Gov. William Stratton has set Monday, July 7, for a hickory creek flood control conference in his office with representatives of state, federal and city governments.

The meeting will be held at 10:30 a. m. in the governor's office in the State Capitol Building.

Warren Wood, speaker of the House of Representatives, said:

"It is my hope that Governor Stratton will assign this to Thomas Cassey, chief of the Division of Waterways, as a project, with help of the attorney general's office."

He said that once and for all, the possible remedies are studied completely and that we are able to come to a solution for the creek flooding problems," Wood added.

THIS CONCLUSION, he said, was drawn from experiments during which human eye tissue and chick embryos were exposed to power level duplicating those of the new radar equipment.

And, he said, the experiments show that this damage can become worse as time goes on because it has cumulative effect.

A number of short doses, over a period of time, according to Knaut, therefore, may be just as injurious as one very long exposure.

He said questions about radar-circling are for research scientists to answer, indicating that they must—in the interest of health—be answered with dispatch.

Adams Denies Goldfine Bought Him A House

White Accuses Fox Of Telling Lies About Presidential Aide

BULLETIN
WASHINGTON (AP) — The White House today accused John Fox of telling more "ridiculous" falsehoods about top presidential aide Sherman Adams.

WASHINGTON (AP)—John Fox today quoted Bernard Goldfine as saying that he had bought a house for Sherman Adams in Washington and had sent checks to Adams over a long period of years.

Adams, President Eisenhower's top aide, promptly denied the story about the house in a letter read at a stormy session of the House investigating subcommittee headed by Rep. Owen Harris (D-Ark.).

Fox did not specify the period when he said the checks were given to Adams, a millionaire industrialist, no Adams. But Fox indicated it was before Adams came to Washington with Eisenhower in 1953.

IN THE MIDDLE of the storm blow up by Fox's sensational charges, the subcommittee recessed until Monday.

Among other testimony before the recess, Fox told the congressmen that he got a \$500,000 loan from Joseph P. Kennedy, Boston multimillionaire and former U.S. ambassador to Great Britain, after supporting Kennedy's son John in his successful 1952 Senate race.

The loan, which Fox said was repaid, was for his now defunct Boston Post. Fox said he turned against the Republican Senate candidate, Henry Cabot Lodge, now U. S. ambassador to the United Nations, because he became convinced Lodge was soft against Communism.

For the second day, Fox was testifying before a House subcommittee investigating relations between the Boston industrialist, Bernard Goldfine and Sherman Adams, President Eisenhower's top aide.

Thursday, Fox asserted that Goldfine had told him that Adams had interests in Goldfine textile mill, and that Goldfine said he didn't have to worry about federal regulatory agencies.

Assign Principals To 4 Kankakee Public Schools

Principals of four Kankakee schools were named by the Kankakee Board of Education at a meeting Thursday night.

Harold Hungerford will be principal of West Junior High School for the 1958-59 school term; Gerald Hasbargen, principal of East Junior High School; William Fines, principal of Franklin School; and Vernon Nelson, supervising principal of Aroma Park.

No successor was named for Hungerford in West Junior High School and Taft Schools of which he has been principal the past year.

Hungerford has been in the Kankakee school system during his entire teaching career. He earned his master's degree at Illinois State Normal University and took advanced work at Oklahoma State University and the University of Illinois.

His first teaching position was as a general science and biology instructor at East Junior and Senior High schools.

From 1951 to 1954, Hungerford served in the U. S. Air Force. He returned to the local school system as sixth grade teacher in Central School and in 1957-58 as biology teacher at Senior High School.

Hasbargen, a native of Chatsworth, has spent nine years in the field of education. He earned his bachelor's and master's degrees and his advanced certificate at the University of Illinois.

He served as a paratrooper throughout the South Pacific from March, 1941, until September, 1945. He taught biology and physical education at Morgan Park Military Academy, Chicago in 1950-51, and was science and math teacher, as well as coach at Lamar, Colo., from 1951-52. He was coach at Monmouth Junior High School from 1952 to 1955 when he came to Kankakee as a teacher at Central School.

HASBARGEN TAUGHT at Taft school during the 1956-57 school term and served as principal of Aroma Park School this past term. He and his family live at 391 W. Longwood Dr.

Fines has taught science in East Junior High School for the past year. During his 14 years in the Kankakee school system he has been principal of the school.

Nelson has taught science in East Junior High School for the past year. During his 14 years in the Kankakee school system he has been principal of the school.

Tragedy Occurs On Take-Off From Air Base

2 Sister Tankers Cross Atlantic In New Record Time

(Pictures and story on pages 5, 12)

WESTOVER AIR FORCE BASE, Mass. (UPI) — A giant jet strato-tanker crashed and exploded on take-off early today, killing all 15 men aboard. Two sister ships streaked across the Atlantic and set new speed records.

Six newsmen were among the victims aboard the three-million-dollar plane which snapped two take-off records, cleared a superhighway and landed with a burst of flames in a conflict.

The other victims included seven crew members and two representatives of the National Aeronautics Association.

Chicago policeman Richard Haslam, one of the first persons on the scene, radioed his headquarters that "There is no need for any ambulances. Nobody on board has a chance."

While tragedy marred the start of the transatlantic flight, triumph crowned the finish. The other two strato-tankers spanned the ocean in record time.

The planes were dubbed Alpha, Bravo, Coda and Delta for the mission designed to thump the "United States" air might. Coda crashed. As a result of the accident, Delta never took off.

ALPHA THUNDERED across the Atlantic in 5 hours, 27 minutes and 42.8 seconds — an average speed of 630.2 miles per hour. Bravo trailed Alpha by about 2 minutes, but making it in 5 hours, 29 minutes, 37.4 seconds, an average speed of 628.5 m.p.h. Both continued on Page 6, Column 2

THREE OF CREW OF five of ill-fated Air Force KC135 tanker plane are shown in pre-flight pose at Westover Air Base, Mass. Left to right are Lt. Col. George M. Swets, Brattleboro, Vt., 1st Lt. Joe C. Sweet, Chandler, Ariz., and Capt. James E. Shipman of Kansas City, Mo. Plane crashed on take-off about midnight, killing 15 men, including six newsmen. (Unifax)

Ike Gets Compromise Tax Bill Cutting Freight Levies

WASHINGTON (AP)—The House today passed and sent to President Eisenhower a compromise tax bill repealing half a billion dollars a year in tax surcharges on freight transportation costs.

The bill averts a drop of \$2,115,000,000 in federal revenues due July 1 by extending for another year Korean War increases in the corporate income tax rate and other excises on new automobiles, car accessories, liquor and cigarettes.

The House completed congressional action on the tax compromise in the afternoon, after a long day of debate. The bill was passed by a vote of 365-10.

Beirut, Tripoli Quiet After Night Battles

BEIRUT, Lebanon (AP) — Pitched battles raged into the morning hours in Beirut and Tripoli today, with the sun casting a brief spell of Moslem holiday calm, then sporadic shooting broke out in the capital.

Furious fighting between government forces and rebels in the capital shattered the darkness. For a time it appeared the expected all-out rebel offensive had begun, but more likely both sides were testing the other's night defenses.

FOR THE MOMENT, however, there were no major clashes. In the southern port of Tripoli, where the rebel attempt to overthrow Lebanon's pro-western government began May 10, security forces shelled the rebel fortress in a blazing renewal of Thursday's battle.

Rebel forces in Beirut estimated they had 12 wounded, including a brother of a rebel leader and a rebel premier, Saeb Salam. No casualty estimates were available from Tripoli.

Because of the tension, the Moslem Muttal of the republic issued an announcement seeking to cancel celebrations of the religious holiday, which commemorates the sacrifice of Abraham. Among some sects the celebrations often become violent.

Rebel leaders claim they have not gone all-out yet and say they will not give Chamoun any warning when they do.

WASHINGTON (UPI) — The American Telephone & Telegraph Co. and Western Union have asked the Federal Communications Commission for increases in their telephone service rates.

AT&T proposed an interim increase of 35 per cent in rates on private line telephone circuits. Western Union requested an average 46 per cent hike.

Proposals submitted by the AT&T Thursday would increase leased line teleprinter, teletypewriter and telephoto line and equipment costs for the U. S. press by an average of about 35 per cent and for commercial firms by 19 per cent.

Some of the individual hikes proposed by AT&T would be even sharper. For example, their rates would be increased of almost 46 per cent in the rental charge for teletypewriter and telephoto lines and equipment.

After the conferences, the companies will meet again to make appropriations for the agencies. These appropriations will determine the Community Chest goal for this year.

Wilmington Woman Queen Of Rodeo

Rodeo-goers saw Mrs. Jean Friddle, Wilmington, crowned queen of the rodeo at the opening performance of the third annual Greater Kankakee Area Rodeo Thursday night.

Mrs. Friddle is a member of the Wilmington Saddle Club. Her court consists of Carol Jean Geller, Dyer, Ind.; and Susan Berg, Crown Point, Ind.

The queen and her court will take part in the shows at 8 o'clock tonight and Saturday and at 3 p.m. Sunday. The rodeo is being held at the Kankakee County Fairgrounds on Route 49 south of Kankakee.

The Kankakee rodeo is one approved by the Rodeo Cowboys' Association and is open to the rodeo enthusiasts from the United States and Canada. The cowboys will be riding the broncs, bulls and steers for a posted purse of \$4,000. Contestants' entry fees are expected to swell the purse by another \$2,000.

A TOTAL OF 87 cowboys competed Thursday night's contests.

Crash Death Toll In Illinois Down 200

SPRINGFIELD (AP)—Two hundred fewer persons died in Illinois traffic accidents between Jan. 1 and June 24 this year than in the same period a year ago.

In 1957, there were 972 deaths in the tabulation period compared with 772 this year.

Robert Campbell, state coordinator of traffic safety, said Thursday that if the present trend continues, there may be as many as 232 fewer traffic deaths in the first six months of this year than in the first half of 1957.

The highway death toll has decreased each month since July 1957, when the Legislature doubled the state police force and created a maximum speed limit.

Safety officials said that in 1957 the 1,000th traffic fatality in Illinois occurred during June. At the present rate, officials predict the 1,000th death won't occur until August this year.

Think Rocket Fell In Outer Mongolia

WASHINGTON (UP)—Two American scientists said today the rocket which accompanied the first Russian Sputnik probably came down in outer Mongolia, Russia's backyard, and not in U.S. territory, as Soviet Premier Nikita Khrushchev has claimed.

They said their calculations, based on observations of the rocket during its last days, show it "could not have fallen during its last pass over the continental United States, nor in fact for several passes thereafter."

The statements were made by Robert Jastrow and Ian Harris, physicists working for the Naval Research Laboratory in an article in Science Magazine.

At a diplomatic reception in Moscow last Dec. 6, Khrushchev said that the third-stage rocket that launched Russia's first earth satellite "fell on the far side of the globe," but they do not want to give it back to us.

9 Fight To Save Life Of Singer

HOLLYWOOD (AP)—Three more doctors have been called in by physicians fighting to save the life of singer Roberta Linn.

She is in critical condition at Cedars of Lebanon Hospital. Six doctors already are working on her case.

Her illness began as bronchial pneumonia, then spread as a general infection. Doctors said antibiotics have not seemed to halt the infection, which is seriously affecting her respiratory tract. She is in an oxygen tent.

Miss Linn, 27, was band leader and Lawrence Welk's first TV Champagne Lady.

Mrs. Warren Johnson reported on the recent activities of the Rainbow Girls.

Gas Utility To Test Troy Grove Area For Storage Field

CHICAGO (AP)—Northern Illinois Gas Co. plans to inject natural gas into underground porous sandstone formations at Troy Grove in LaSalle County to determine whether the formations are suitable for storage.

The Illinois Commerce Commission has approved the company's plan to develop the underground storage field on an experimental basis.

Geological studies by the company indicate the formations are about 1,400 feet below the surface and may be suitable to store about 8 billion cubic feet of natural gas.

The site is between Mendota and L'Arrive, Ill., and is near the intersection of U. S. Routes 31 and 52.

N.D. Sheehan, a gas company vice president, said it will be at least a year before the company can determine finally that the Troy Grove structure might serve as a storage reservoir.

Reds Invade British Island, Try To Nab Fleeing Seaman

LONDON (AP)—An Estonian seaman, Eric Teayn, whose freedom dash set off a Soviet "freedom" drive in Britain's Shetland Islands, arrived in the Orkney Islands today on his way to the Scottish mainland.

A Home Office spokesman said the Estonian was to be transferred to Edinburgh for questioning.

Teayn fled from one of three Soviet trawlers anchored in the Shetland Bay near the village of Walls.

Thirty Soviet seamen chased him over the wild island moor, but he hid in a shepherd's hut and later was taken to Lerwick by police. There he asked political asylum.

Home Secretary R. A. Butler said he would give every consideration to the seaman's request. Butler said the Soviet Russians chasing Teayn landed illegally. A protest to Moscow will depend on results of an investigation, he added.

Nowinson New Board Chairman

SPRINGFIELD (AP)—Richard Nowinson, of Chicago, has been elected chairman of the board of the State Industrial Planning and Development Division.

He has served in that position since the death in October 1957 of former chairman James H. Stupka of Kankakee.

Gene W. Gunther of Galesburg was elected vice chairman and Lewis D. Yeager of Litchfield was named secretary.

How Yanks Adopted 23,000 Children

By LOUIS CASSELS
United Press International

Kim Kwang Hyung was four years old when a GI patrol found him lying on a heap of rags in the cellar of a bomb-battered house in Korea. His legs were shriveled and his stomach bloated by malnutrition.

Today Kim is a healthy, bawling 10-year-old. He lives with 200 other orphans on a well-kept farm near Anyang, Korea. On his birthday, at Christmas, and several other times during the year, he receives packages of clothing, toys and food from an elderly couple in Iowa.

KIM IS ONE OF 23,000 children who have been "adopted" by Americans through a remarkable organization called the Christian Children's Fund.

CCF is the largest Protestant child welfare agency in the world. It operates or helps to operate 287 orphanages in 35 countries around the world.

It was founded in 1939 by a Presbyterian minister, Dr. J. Calvin Clarke, who still serves as its international director. Clarke recalls that CCF was born in a barbershop conversation with a Methodist missionary who recently had returned from China. The missionary noted that the children who were orphaned by the Japanese in the Philippines during the war were being abandoned by their parents. Clarke thought it over for about 10 seconds and announced, "All right, I will do it."

The organization he founded "with a prayer and a dollar's worth of stationery" has received more than 30 million dollars in the 20 years since. Most of this money has gone directly to orphanages in need.

CCF OPERATES with one of the lowest overhead costs of any charitable agency in existence. Last year, about 12 per cent of its total budget went into administrative expenses, including fund-raising costs. The rest went to feed, clothe, shelter and educate orphans.

Although CCF has built some orphanages, it will not build more. The organization has built some orphanages, but it will not build more. The organization has built some orphanages, but it will not build more.

are, what size clothing he wears. Sponsors are encouraged to write him, to "adopt" him, and to send them packages if they wish. In turn, the sponsor gets letters from the child and progress reports from the orphanage.

There is no obligation to continue an "adoption." A sponsor may discontinue payments after the first \$10. But the dropout rate is incredibly low. Last year it was less than four per cent.

ST. ANNE (JNS) - A mission-prayer meeting was held Tuesday evening in the Baptist Church. The meeting opened with song. Mrs. John Barwegen played the piano accompaniment. Mrs. Ralph Peltier led in prayer.

Mrs. Ronald Cady, president, was in charge of the business meeting. Plans were made to send a letter to a patient in the tuberculosis sanatorium in Joliet.

Devotions were presented by Mrs. Donald Arsenault. Her topic was "Missionary Spirit." Following the singing of a hymn, Mrs. E. Aune closed the meeting with a prayer.

Mrs. Owen Mead and Mrs. R. E. Aune were hostesses. The next meeting will be held July 22 in the church.

modern GAS Water Heaters NOW Faster Than Ever!

STEPPED-UP burner capacity on today's GAS water heaters replaces the supply almost as fast as it's used. So whatever the need—laundry, dishes, showers for the family—you're sure of plenty of hot water at all times. Nicest of all, you've generous rebates for those thirsty appliances you now have, or plan for the future. What's more...

Thriftly GAS Heats Water for HALF the Cost!

You save dollars every month, year after year, with economical GAS. In fact, these big savings can pay the entire cost of a modern GAS water heater in about three years!

IF YOUR AMBITION IS TO BE CAPTAIN OF YOUR OWN CRAFT

Saving, NOT WISHING, CAN MAKE IT SO!

One sure-fire way to realize your ambition of owning your own boat is to start a bank savings account with us. Regular saving can float your boat sooner than you think. So don't merely stand on the shore and watch others sail by: Stop in and start making your dream a happy reality by starting the savings habit!

ST. TRUST AND SAVINGS BANK

KANKAKEE'S LARGEST AND OLDEST BANK

The BANK is the Saver's Best Friend

State Park Leads In Sale Of Stickers

Kankakee River State Park leads the state in the sale of State Park stickers, according to C. A. (Ber) Stevens, superintendent.

Time was when state headquarters attributed a portion of Stevens' attendance reports to his exuberant pride and enthusiasm for "his" park. But now that the fees collected prove the attendance records, the state headquarters is recognizing the need for improvement and additions at the park.

To date, Kankakee State Park has collected \$6,007 from the sale of state park automobile stickers. The local park is even more popular than the much-touted Straved Rock Park, which has sold \$4,996 worth of stickers.

Despite miserably cold and rainy weather over the Memorial Day weekend, visitors bought \$327 worth of stickers at the Kankakee park, Stevens reported.

The park, Stevens said, has been "discovered" in recent years by Chicagoans and others in nearby areas who now have become repeat visitors. Attendance records show a steady increase over the past few years and plans are being considered for additional facilities to accommodate the increasing number of visitors.

One visitor hasn't bought an admission, but comes and goes as he pleases—he's the wild deer that startled workers Thursday when he dashed from the woods on the north side of Route 113N and grazed briefly in a freshly mowed meadow near the office building. When last seen, the freeloader was bounding back to his haunts along Rock Creek.

When A Feller Needs A Friend!

If this bird could talk it likely would be saying it has NO love for boys with B-B guns and GREAT love for kind persons who are willing to devote time and patience to help have a bird's life. The bird, shown here receiving a mulberry from Mrs. Katherine Walker, 421 S. Main Ave., was found by her as it lay helpless under a mulberry tree. The bird had been shot with a B-B gun. Mrs. Walker took the bird into her home and is nursing it back to health. From her bird books she is confident the bird is a cedar waxwing, some what of a rarity in these parts. (Journal photo)

Miss Schlotman Of Sheldon Dies

SHELDON (JNS) — Miss Ida Schlotman, 74, lifelong resident of Sheldon, died at 8:30 a.m. today in a local nursing home.

She was born near Sheldon, May 8, 1884, daughter of Mr. and Mrs. Donald F. Schlotman. She attended the Willow Grove school near here.

Surviving are brothers, Charles Schlotman of Fowler, Ind., and Robert Schlotman of Madisonville, Ky.; and several nieces and nephews. Two brothers, Oscar and Frank, preceded her in death recently.

Services will be held at 2 p.m. Monday in the Bussett Funeral Home. The Rev. S. Worley, former pastor of the Sheldon Church of Christ, will officiate. Burial will be in Fleming Cemetery at Raub, Ind. Friends may call at the funeral home after 7 p.m. Saturday.

Frank Stadler, 88, Lifelong Piper City Resident, Dies

PIPER CITY (JNS) — Frank Stadler, 88, lifelong Piper City area resident and retired farmer, died at 1 p.m. Thursday at Fairview Hospital. He had been in ill health for the past eight months.

Mr. Stadler was born March 4, 1870 in Piper City, the son of the late Mr. and Mrs. John Stadler. He was married to the former Anna M. Jacobsen March 18, 1895 in Piper City. She died in 1955.

Mr. Stadler was a member of the Presbyterian Church, an elder emeritus of the church and a member of the men's Sunday school class. He was a former village board member, a past president of the Benton-Pella Township Insurance Co., and a section of the Benton Century.

Survivors include a niece reared in his home, Mrs. Ruth Blivens of Memphis, Tenn.; a brother, Sam, of rural Roberts; and a sister, Mrs. F. A. Luther of Piper City. He was preceded in death by three sisters, four brothers and two half brothers.

Funeral services will be held at 2 p.m. Saturday in the Presbyterian Church. The Rev. Philip R. Coen Jr., will officiate. Interment will be in the Benton Cemetery.

Friends may call at the Reilly Funeral Home beginning this afternoon and until the services.

The family requested memorials in his honor be made to the Presbyterian Church.

Gilman Church Evening Circle Holds Meeting

GILMAN (JNS) — The evening circle of Zion Evangelical and Reformed Church met Tuesday in the church with 18 members present.

Mrs. Robert Salomon, president, presided. Mrs. Eugene Hewitt, secretary, read the minutes and Mrs. Roger Meyers had charge of the worship service, "The Atonement."

Refreshments were served by Mrs. Marie Volgi and Mrs. Eugene Hewitt, co-hostesses.

The next meeting will be on July 22. Mrs. Roy Henshaw and Mrs. Walter Bole will be hostesses.

Momence Church Auxiliary Starts Benefit Series

MOMENCE (JNS) — The first in a series of benefit parties for the Episcopal Women's Auxiliary was held at the home of Mrs. Fred Clavin on Wednesday afternoon with Mrs. Verne Brassard as assisting hostess.

A dessert luncheon was followed by contract bridge at four tables. Honors were awarded to Miss Gertrude Smith, Mrs. J. M. Christenson and Mrs. Lyneth Tabler.

Congratulations to

Nixon Tells GOP Last 5 Years Best

PORTLAND, Maine (AP)—Vice President Richard M. Nixon told a Maine Republican convention Thursday the five years of the Eisenhower administration were "the best years of our lives."

A crowd of 2,000 cheered him when he said "economic prospects today are better than they have been at any time since the first of the year. We have reached the bottom of the recession."

At an earlier news conference, Nixon said it is too early to tell whether the Adams-Goldfine controversy will be an issue in the forthcoming elections.

NIXON SAID every public official is faced almost daily with the problem of what to do about receiving gifts from friends and constituents.

It is perfectly proper for senators and congressmen to receive gifts from their constituents — in fact it is a "discovery" in a good thing too, because otherwise "we would have government by bureaucracy."

"If there comes a time when we can't go to an elected official for help, we'll be in a sorry state of affairs."

Momence Guild Conducts Season's Closing Session

MOMENCE (JNS)—The season's closing meeting for the Guild of St. Elizabeth was held Tuesday night in St. Patrick's Church Hall with 40 in attendance.

The new president, Mrs. Virgil Prairie, presided. Various committee chairmen reported. Games were played. Honors at canasta were won by Mrs. Viola Mohr; five hundred, Mrs. Lucy Baldwin; pinocle, Mrs. Henry Henschel; bridge, Mrs. Fred Cox, and buncos, Mrs. Le Middleton.

Refreshments were served by Mrs. John Mullady, Mrs. R. O. LeBeau, Mrs. Ray Mullady, Mrs. Frank Wardynski, Mrs. Margaret Sherman and Miss Margaret Mullady.

Group activities will be resumed in September.

2 Get Jail Terms For Attempted Bank Robbery

SPRINGFIELD (AP)—Two Bloomington men were sentenced today to prison today for the attempted burglary of the Corn Belt Bank of Bloomington on May 8.

U. S. Dist. Judge Charles G. Briggles sentenced Michael Quinn, 24, to five years and George F. Schultz, 20, to three years. They were convicted by a jury Wednesday after a one-day trial.

Quinn was charged with entering the bank with intent to commit larceny and Schultz was accused of aiding him. Quinn was spotted by a bank guard and arrested about 10 minutes after fleeing the bank.

We May Go In Red \$12 Billion In 1959

\$2.7 Billion Deficit Seen

WASHINGTON (UPI)—Top federal sources have revised their deficit estimates for fiscal 1959 ending Monday with a new forecast that the government will finish about \$2,750,000,000 in the red.

Estimates of the deficit for fiscal 1959 beginning July 1 were higher as recently as a month ago, according to a highly authoritative compilation made available to United Press International.

THE EISENHOWER administration now anticipates a 1959 federal deficit of between 10 and 12 billion dollars and in all probability much nearer the higher figure.

Last-minute corporation tax payments between now and Monday might change the deficit total for 1959. But presidential advisers expect the revised figure to be between \$2,600,000,000 and \$2,800,000,000.

The 1959 outlook has darkened in recent weeks as far as the deficit is concerned. The government's top fiscal planners now believe revenues will sink well below this year. At the same time spending will increase.

The 1958 deficit estimates also mean the chances for individual tax cuts next year look increasingly dim.

ALTHOUGH the fiscal year ends at close to:

Expenditures—between 67 and 81 billion dollars.
Deficit—between 10 and 12 billion dollars; more likely over 13 billion.
President Eisenhower last Jan.uary estimated 1958 would end with a deficit of only 400 million dollars—expenditures, \$72,800,000,000; revenue, \$72,400,000,000. Reason for higher deficit was found in one word—recession.

Gilman Youth Admits Part In Recent Burglaries

GILMAN (JNS)—With the arrest of two Gilman boys, both in the recent burglaries in Gilman apparently have been solved. Sheriff Merle Wilcox said one boy has admitted the two burglaries the library on June 6 and Swede's Bee Hive on June 11. The boys have been charged with breaking and entering. A hearing was opened Wednesday morning and continued until next Monday. The two youths were arrested Monday night by State Troopers Rocco Mason and Clifford Martin. Mason has been conducting an investigation of the burglaries on his own initiative. He is working by the state troopers and Sheriff Wilcox, the one youth admitted his part. The loss at the library was \$27.18 and the loss at Swede's was \$73.22.

Weather Cuts Crowds At Bridge Dedication

MACKINAC BRIDGE, Mich. (AP)—Glimmy businessmen and celebrating tourists looked out on the wind tossed straits of Mackinac today and prayed for sunshine. Faced with a third straight day of wind, rain and cloudy skies, the crowds gathered for the dedication of the bridge looked hopeful for a break in the weather. The ceremony was postponed to a later date.

AN ANTICIPATED, free-spending throng of 200,000 or more so far has failed to materialize, and businessmen are worried. Festivities, nevertheless, were to go ahead on schedule today. Forty-two units cancelled appearances in the parade because of windy weather, and dozens of boats hauled up from Lower Peninsula cities didn't even cross the bridge. Winds gusting up to 85 m.p.h. ripped and toppled several which tried to cross the five mile span.

Gov. G. Mennen Williams, marooned on his summer home on Mackinac Island until afternoon, made it to the mainland on the first ferry of the day just as the parade broke up.

Momence Legion, Auxiliary Plans Joint Installation

MOMENCE (JNS)—Joint installation ceremonies, open to the public, will be held in the Legion Home at 8 p.m. Tuesday.

New officers of the legion and of the auxiliary will be installed. A Kankakee officer will serve for the legion and the junior past president, Mrs. Edson Petro, will install the auxiliary officers. GANER CHAPTER, Order of Eastern Star, met in the Masonic Temple on Tuesday night. The matron and patron, Gladys and Charles Young, presided in the East. Two applications for membership were received. The birthday of Mrs. Kenneth Young was noted. Chairman Mrs. William Hestlet reported on the cooked food sale. Lunch was served by Mrs. Hestlet, Mrs. Joe Sandeck and Mr. and Mrs. Gus Henerberg. One more meeting will be held before the summer recess.

Warning Network In Operation

MCGUIRE AIR FORCE BASE, N. J. (AP)—SAGE—the vast and complex electronic air warning network called Semi-Automatic Ground Environment—formally went into operation today.

Gen. Curtis E. LeMay, Air Force vice chief of staff, described the inauguration of SAGE as "the largest single step taken toward the improvement of air defense capabilities in the past 10 years."

Several hundred military dignitaries and representatives of many firms that helped in the four-year job building the huge system attended ceremonies dedicating this first operational SAGE center.

Other officers to be installed include Sheldon Hinderliter, senior warden; Dwayne Daschner, junior warden; J. Burt Wilson, treasurer; Joseph Sever, secretary; Arthur Friedinger, senior deacon; Verne Morgan, junior deacon; Guy Pierce, chaplain; Oscar Martin, senior steward; Dale Metz, mar. shal, and Al Kerschbaum, Tyler.

Committee members appointed the first Sunday in July. O'Donnell, and Guy Pierce, visited the Kankakee group, which includes ministers and churches of Charlotte-Emmanuel, Grand Prairie-Bonfield, Redick-Zoar, Kankakee, Sheldon, Manhatta Symerton, Dwight and Peotone.

For the past year, he has served as advisor for the Youth Fellowship of the Kankakee-Streator area and will continue this work in the future.

MR. AND MRS. John T. Franey will observe their 25th wedding anniversary with an open house at their home Sunday from 2 to 5 p.m.

Miss Maybelle Marr and John Franey were married June 30, 1933 in St. Peter and Paul's Church, Chatsworth, by the Rev. W. J. Scollin. A family dinner, planned by the Franey children, will be held at the home of Mrs. Franey's mother, Mrs. Ray Marr.

Final plans were made for a picnic to be held July 27 in Beaver Lake. Representatives from the fire associations of Donovan, Pappas, Beaver Lake, Onarga, Gilman, Crescent City, St. Anne and Otto Township were present.

After the business session, doughnuts and coffee were served by the Martin firemen.

MR. AND MRS. Ben Tyler had guests Mr. and Mrs. Herbert Tyler and daughters, Marcia and Lila Fern of Irving, Tex.

Survivors include her parents; a brother, David; her paternal grandparents, Mr. and Mrs. Harry Simmons of 1282 E. Chestnut St., died at birth Thursday morning at St. Mary's Hospital.

The body is at Herz Memorial Temple and will be taken to Marion where graveside rites will be held at 2 p.m. Saturday in Spring Grove Cemetery.

Jurors were Eileen Ashton, Florence Mackin, Audrey Wolfe, Hester Quigley, Josephine Huot, James B. Reilly, Carolyn B. Taylor, George T. Searis, Glenn A. Shunk, Walter H. Volkman, Mrs. Marie Bates and E. Starr Corvieve.

GILMAN (JNS)—Robert Salomon is the new president of the Rotary Club.

Francis Albee is retiring president. Other officers for the coming year are Kenneth Holz, vice president, and Kendall L. Jones serving again as secretary-treasurer.

Members of the board are Robert Salomon, Francis Albee, Kenneth Holz, Carl Frey, Leona Coli, Robert Jones Jr. and Avery Shepherd.

Lunch was served by Mrs. Hestlet, Mrs. Joe Sandeck and Mr. and Mrs. Gus Henerberg. One more meeting will be held before the summer recess.

WASHINGTON (UPI)—The Urban Renewal Administration today approved federal loans totaling \$210,562 and capital grants totaling \$146,921 to assist Galesburg, Ill., in replacing two residential buildings with new facilities for Knox College.

The various centers to be built will be controlled from North American Air Defense Command headquarters at Colorado Springs, Colo.

THIS FIRST CENTER of the series guards the most densely populated and highly industrialized section of the nation—the New York-Philadelphia metropolitan areas, all of New Jersey, and parts of Connecticut, Rhode Island and Delaware.

At the dedication ceremony, the Air Force gave for the first time the details of the high powered radar system and associated computer equipment that helps screen North America from air attack. They include:

1. Heavy, long-range radar units, with radomes 50 feet in diameter and weighing 2,300 pounds mounted on steel platforms more than 100 miles at sea and on strategically located ground sites, capable of detecting aircraft hundreds of miles away.

2. MEDIUM POWERED gapfiller radar to plug the holes between the coverage of the long-range units. These sets automatically display the combined data.

3. AT THE CENTER itself, the largest electronic computers in the world—each occupying about two acres—to receive the information from the radar installations and to monitor the positions of airplanes and defense weapons.

Wreckage Of Strato-Tanker Jet

Shows here is giant wheel carriage of Air Force KC135 tanker plane that crashed and burned shortly after taking off on attempted record breaking flight from New York to London and return, nonstop. Fifteen persons, including six newsmen, were killed. Accident occurred at Chilopee Falls, Mass., Thursday night. (Unifax)

See No Break In UAW, Car Industry Pact

DETROIT (AP)—The Big Three car makers and the United Auto Workers appeared today to be further apart in their efforts to reach a new agreement on wages than they were at the start of negotiations three months ago.

The 1955 contract expired Memorial Day weekend and for the past month members of the union have been working without contracts at General Motors, Ford and Chrysler plants.

THE UNION held bargaining sessions with all three companies Thursday but no progress as reported. Company negotiators gave no indication they were ready to make a new offer.

The union is preparing for a showdown later this summer when the companies start production of 1956 models. It reported Thursday that 65 of its 231 locals in Big Three plants have completed voting authorizing strike action whenever UAW President Walter P. Reuther decides on it. The vote so far was given as 77,664 in favor of striking and 5,853 opposed.

Plan Kindergarten For Next Term In Morocco Area

MOROCCO, Ind. (JNS) — Plans for a kindergarten here during the next school term are being made.

Children who enter school a year from this August will be eligible for enrollment in the kindergarten. Mrs. Arthur Howell will teach.

The kindergarten will be held in the school and will be conducted on a half-day basis.

Anyone having a child eligible may contact Mrs. Donna LaCrosse as soon as possible to determine whether it will be necessary to make arrangements for more than one class.

Two dollars a week per child will be charged.

TUESDAY was an anniversary day for Charles Conn, who had worked 40 years for the New York Central Railroad. He began work on the signal gang at Calumet, Ind. He was placed in charge of maintenance in 1927, with headquarters at Gibson, Ind. In 1947, his headquarters were changed to Kentland, Ind. He and Mrs. Conn reside in Morocco.

Church Fellowship Of St. Anne Meets

ST. ANNE (JNS)—An all-church missionary fellowship supper was held Wednesday evening in the Baptist Church with Mr. and Mrs. Ralph Pelletier as host and hostess.

The guest speaker was D. Stark, representative of the Bible Meditation League.

MR. AND MRS. Ralph Kapchinski and family and Mr. and Mrs. Calvin McMann and daughter, Pat, of San Diego, Calif., have been visiting Mr. and Mrs. Ed Kapchinski and family of St. Anne and Mr. and Mrs. Arthur Kapchinski and family of Wichita.

On Sunday a Kapchinski family reunion was held at the Ed Kapchinski home.

BOULE IN DEMAND

NEW YORK (U)—French Novelist Pierre Boule is currently the hottest literary figure for screen and stage.

Boule, author of "The Bridge on the River Kwai," upon which this year's Oscar-winning film was based, recently sold screen rights to Otto Preminger for a forthcoming book.

He has now assigned to Robert L. Joseph the stage rights to still

Job's Daughters Of Wilmington Install Officers

The Misses Loretta Vite, Elise Schroll and Joanna Hobbs were installed Friday as junior princesses, honored guests and junior princesses, respectively, of Bethel 48 International Order of Job's Daughters of Wilmington.

Other officers installed were the Misses Pat Bryan, Judy Armstrong, Sharon Phillips, Pat Butler, Pat Evans, Linda and Bonnie Metaka, Sue Hartline, Nancy Prosser, Leah Hogan, Priscilla Nicholson and Helen Ziller.

Installing officers were Miss Frances Hart, guide; Miss Donna Rame, escort; Miss Marlene Mitchell, senior custodian; Miss Sandra Skov, past queen of Bethel 48; Miss Elizabeth Prince, past honored queen of Bethel 89; Kankakee, chaplain; Miss Sandra Skov, past queen of Bethel 97, Gardner, marshal; Miss Myra Metaka, Wilmington, junior custodian; Miss Judy Fick, Wilmington, recorder; Miss Janet Novak, soloist; and Mrs. Arthur Schroll, musician.

Mrs. and Mrs. Henry Schroll of New Brunswick, N. J., grandparents of the queen, were guests.

Miss Nova Vite was presented with the past queen's pin.

Mrs. Frances Room, past guardian and guardian secretary, installed the college council members: Mrs. Evelyn McGraw, Mrs. William Warriner, Mrs. Blanche Hogan, Mrs. Albert Yole, Mrs. Henry Prosser, Mrs. W. M. Ziller, Mrs. A. T. Schroll and Gene Armstrong.

Salzman Guild Has Meeting With Mrs. Frances Owen

Mrs. Frances Owen of 810 W. South St., Bradley, was hostess to members of the Salzman Guild of the Immanuel Baptist Church Tuesday. Assistant hostess was Mrs. Earl Hatley.

Mrs. Leo Paccamonti, president, presided. Mrs. Leo Miller presented devotions on the "Prayer of Forgiveness."

Fifteen members and two guests, Mrs. Louis R. Johnson and Mrs. William Adcock, were present.

During the business meeting it was voted to send \$10 to the scholarship fund of the Central Conference to be used to assist in sending a girl to the North American Baptist Seminary at Sioux Falls, S. D.

Mrs. Gilbert Luhrs, program chairman, was in charge of the program. Prizes for the "Bible quizzes" were gifts to be sent to Miss Ruby Salzman, the group's missionary to the Cameroons in Africa, who has been ill.

Entertain Visitors At Family Gathering

Mr. and Mrs. Franklin Orwig of Salina Township were hosts at a family gathering Sunday in honor of the Wayne Wingert family of Tucson, Ariz.

Among the guests present were Mr. and Mrs. Earl Yeates Sr., the Howard Woodrum family of Bloomington; the Harold Emily family of Herscher; the Earl Yeates and the Richard Yeates families of Lockport.

Also present were Allen, Roddy, Gary, Judy and William Orwig and Mr. and Mrs. Forrest Jackson of Itasca.

Linda Flynn Bride Of Vance Battle

MOROCCO, Ind. (JNS) — Miss Linda Flynn and Vance Battle of Morocco were united in marriage Sunday at 2 p. m. at the Evangelical United Brethren Church.

The Rev. Wayne Jordan officiated at the double ring ceremony. An altar flanked with arrangements of seasonal flowers and candelabra provided a setting for the wedding.

The bride is the daughter of Mr. and Mrs. Elbert Flynn of Morocco. Parents of the bridegroom are Mr. and Mrs. C. M. Battle of Asheville, N. C.

Miss Sally Bannon, pianist, accompanied Miss June Murphy as she sang "Because" and "I Love You Truly" and played traditional processional and recessional wedding marches.

GIVEN IN MARRIAGE by her father, the bride wore a gown of white lace and satin. The bodice with tiers of ruffles was designed with a high neckline and long tapering sleeves. The bouffant skirt which was waist length featured panels of accordion pleats.

She wore a fingertip length veil of nylon illusion which was held in place by a crown trimmed with seed pearls. Her bouquet was of red carnations with white streamers.

Miss Nancy Potts was maid of honor and wore a pink ballerina length gown fashioned with tiers of ruffles and a jacket. She wore a matching headpiece and carried a nosegay of carnations in deep pink shades.

Bridesmaids were Miss Carol Flynn, sister of the bride, and Miss Katherine Shirley. Their lilac gowns with matching headpieces were styled similar to that of the maid of honor. They wore white carnation corsages.

Miss Vicky Lynn Boren, niece of the bride, was flower girl and wore a white waist length gown similar to the bride's.

Steve Allen Bingham was ring bearer.

RICHARD WOOD, brother-in-law of the bride, was best man. Danny Bertram and Melvin Gordon served as groomsmen. Ushers were James Boren, brother-in-law of the bride, and Eugene Stenberg, cousin of the bride.

Immediately following the ceremony a reception was held in the church parlor. Assisting with the serving were Miss James Boren, Mrs. Alta Taylor and Miss Harlene Hansen.

Following a wedding trip the couple will reside at Asheville, N. C.

Mrs. Battle was graduated from Morocco High School. The bridegroom, a graduate of Enka High School, Asheville, N. C., was employed with the Indiana Bell Telephone Co., Morocco.

Announce Duplicate Bridge Winners

The duplicate bridge tournament sponsored by the Kankakee Park District was held Wednesday at Bird Park Clubhouse.

North and South winners were Mr. and Mrs. E. C. Robertson, first and Mrs. Whitney Ferris and Mrs. B. V. Hemstreet, second.

East and West winners were Mrs. David R. Adam and Mrs. Richard A. Williams Jr., both of Park Ford, first, and Mrs. B. L. FitzGerald and Mrs. R. F. Lottinville, second.

The next tournament will be Wednesday.

Dr. Popenoe: Don't Knock Teenage Marriages!

"Dear Dr. Popenoe: I wish you'd quit knocking teenage marriages. A lot of us high school kids don't appreciate your negative attitude."

"Some of us are just as ready to marry successfully as a lot of women twice our age. I think we're able to decide for ourselves whether we are ready to marry or not, whether we have found the right man, whether we are really in love and whether this is the greatest event of our lives."

Keep In Trim Dress Size Not The Key To A Perfect Figure

When ladies of assorted weights and shapes start comparing dress sizes—the figures are unbelievable. The bafflement comes when a shapely normal weight finds that she requires a larger size than someone who is obviously too plump.

For example, this perplexed normal weight writes to ask why she cannot wear less than a size 16.

Dr. Popenoe: Don't Knock Teenage Marriages!

"Dear Dr. Popenoe: I wish you'd quit knocking teenage marriages. A lot of us high school kids don't appreciate your negative attitude."

"Some of us are just as ready to marry successfully as a lot of women twice our age. I think we're able to decide for ourselves whether we are ready to marry or not, whether we have found the right man, whether we are really in love and whether this is the greatest event of our lives."

Keep In Trim Dress Size Not The Key To A Perfect Figure

When ladies of assorted weights and shapes start comparing dress sizes—the figures are unbelievable. The bafflement comes when a shapely normal weight finds that she requires a larger size than someone who is obviously too plump.

For example, this perplexed normal weight writes to ask why she cannot wear less than a size 16.

Williams Loses Out in All-Star Vote

NEW YORK (AP)—Ted Williams failed to make the starting lineup for the July 4 All-Star Game today in the team selected for the first time by the major league players, coaches and managers.

The 39-year-old Boston Red Sox slugger who has played 13 previous All-Star Games undoubtedly will be named to the squad for the Baltimore contest when the managers announce the remainder of their 25-man teams Sunday.

"Well, I didn't expect to make it. I haven't been going too well," Williams said in Detroit, where he is the Red Sox playboy.

Pittsburgh placed three starters on the National League side where Stan Musial of St. Louis, Willie Mays of San Francisco and Hank Aaron of Milwaukee are repeaters from the 1957 lineup.

ONLY MICKEY Mantle of the Chicago White Sox were of the Chicago White Sox were of the 1957 starters in the 1957 All-Star Game, received 201 of the 231 votes.

ing such familiar names as Yogi Berra, who was voted to the American League as third base, with 188 votes.

Williams, batting only .296, gave way to Bob Cerv, the thumping left fielder of the Kansas City Athletics who has been leading the league in runs batted in and home runs most of the time.

THE CLOSEST fight was for second base in the American, where Fox voted out Gil McDougald of the Yankees 106-104.

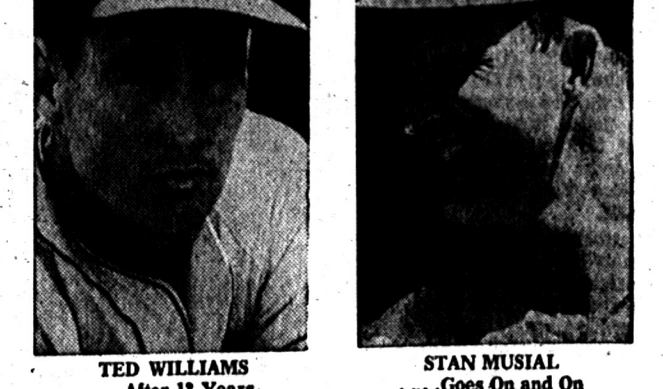

The old order really was upset by the American with Bill Skowron of the Yankees 106-104.

ron of the Yankees on first base, Mickey Vernon's 144 votes leading batting average at Cleveland, Luis Aparicio of Chicago took over at shortstop with 144 votes, the usual tenant, shifting to center where he finished behind the Yankees' Mickey Mantle.

Jackie Jensen of Boston, who had been battling with Cerv for the home run title, ousted Detroit's Al Kaline from right field.

Baltimore's Gus Triandos beat out both Sherm Lollar of Chicago and Berra for the catching job.

Mike Tolluis of the Yankees 106-104.

Indians Ditch Bragan For Gordon

Armour Takes Industrial Lead In 9-6 Victory

Armour Lab took over undisputed possession of first place in the YWCA Industrial Softball League Thursday night by defeating previously unbeaten Roper Stove Co. 9-6 at Bird Park.

In other games played, General Foods notched its third and fourth victories against one defeat by sweeping a doubleheader from Mateno State Hospital 11-1 and 9-4 at Old Fair Park and David Bradley turned back Simonis 9-4 at Bird Park.

ARMOUR SCORED two runs each in the first, third and sixth innings and three in the fourth to lead all the way.

Rich McGowan drove in two runs for the winners in the sixth inning with an apparent home run but he was called out for failing to touch third base. A home run was also scored by Hal Hedrick of Roper, in the sixth with two strikes aboard.

The Dodgers are still mired in third place but they're No. 1 on the list for giving Milwaukee trouble since last Sept. 17.

Don Drysdale did the honors Thursday night with a 4-1 triumph over the Braves that ended their 10-game losing streak.

The lanky 21-year-old fastballer set down Milwaukee on eight hits and added a bit of icing to the victory cake with a seventh-inning homer off loser Lew Burdette.

Charley Neal also clipped in with his 11th homer of the season in the second inning.

SOUTHPAW JOHNNY Antonelli limited Cincinnati to seven hits in pitching San Francisco to a 5-1 decision. Antonelli was locked in a pitching duel with Harvey Haddix until the eighth when Giants rallied for four runs, including Orlando Cepeda's 15th homer with two men on base.

The St. Louis Cardinals beat the Pittsburgh Pirates 6-2 for their sixth straight win in the only other game of the National League schedule scheduled.

Three errors contributed to the downfall of the Pirates, who lost their sixth straight. Leftfielder Bob Skinner dropped Stan Musial's fly ball for a two-base error in the seventh and the Cards went on to score three runs on four hits of Vern Law.

Another pair of errors by the usually brilliant-fielding Bill Mazeroski in the ninth enabled the Cardinals to add two more runs to their lead.

Lindy McDaniel gained the fourth victory although requiring relief from Larry Jackson in the eighth. Frank Thomas hit his 21st homer for the Pirates.

HECTOR LOPEZ of the Kansas City Athletics supplied the big noise in the American League with three home runs that sunk the

Toiuzsis Wins, Loses In State Golf Tourney

CHAMPAIGN (Special)—There were no Kankakeeand golfers left in the Minn. State Amateur tournament today as the original field of 180 was narrowed down to eight for the fourth round today.

The Kankakee area's final representative went down to defeat Thursday afternoon when young Mike Tolluis of the Yankees defeated ex-lister Mike Stork of Waukegan.

Four-time champion Jim Frisina, a 18-year-old Junior golfer of Bradley-Bourbonnais High School, where he was an all-around athlete, wasn't eliminated until after he had defeated a second former champion in the morning round. He turned back veteran Harold Foreman of Highland Park 1 up in 20 holes. In his opening match Wednesday, Tolluis defeated ex-lister Mike Stork of Waukegan.

Stanovich, who finished third in the Tam O' Shanter amateur division last year, ousted Ray Chamberlain of Libertyville 5 and 4.

Most of the power Friday appeared to be in the lower bracket, joining Frisina, only former champion still in competition, and Stanovich in the lower division were veteran Danie Vicini of Ottawa and a powerful powerman, Remo Cervetti of Highland.

PAIRINGS FOR quarterfinals: Jim Frisina, Taylorville, vs. Ray Stanovich, Chicago; Lou Carls, Libertyville, vs. Stanovich, Chicago; 2 and 1.

Hope Change Will Improve Club—Lane

CLEVELAND (AP)—Joe Gordon, former star second baseman for the New York Yankees and Cleveland Indians, flew here today to take over as manager of the Indians for tonight's game with Baltimore.

General Manager Frank Lane announced Thursday night he had fired Bobby Bragan and hired Gordon for the rest of the season and for 1959.

"We are making this change with the hope that there will be a general improvement in the club," he explained.

Gordon, 43, an insurance salesman in Sacramento, Calif., since he left baseball after piloting San Francisco to a Pacific Coast League pennant last year, said he was "excited and thrilled" to take the job.

LANE SAID The decision to fire Bragan was made in the last few days and resulted from a "succession of little things."

He refused to pinpoint any one thing that led to the change, but he has been openly critical of Bragan's platooning, his constant efforts to find a place for rookie outfielder Gary Geiger in the lineup and his handling of some pitchers.

Bragan was hired as manager of the Indians last season and was fired after a 1-2 record in 1958.

Gordon played for the Yankees and Indians from 1938-50 and was a member of the Tribe's world championship team in 1948.

The 40-year-old Bragan began his managerial career with Fort Worth in the Texas League in 1948 after playing with Philadelphia and Brooklyn in the National League. He piloted the Pittsburgh Pirates to a seventh-place finish in the National League in 1956, but was fired as manager of the Pirates in midseason last year.

Home runs were hit by Steve Kuzomski of Roper and Gale Dalton of Vandewater's.

Roper Stove took over first place in the Bird Park Minor League Thursday by defeating Mateno State Hospital 9-6.

Dodgers Can't Beat Anybody But Braves

By UNITED PRESS INTERNATIONAL

The Dodgers have a date for the World Series to watch it on television—and just so no one can call 'em bum stunts, they're trying to get the Braves to join them.

The Dodgers are still mired in third place but they're No. 1 on the list for giving Milwaukee trouble since last Sept. 17.

Don Drysdale did the honors Thursday night with a 4-1 triumph over the Braves that ended their 10-game losing streak.

The lanky 21-year-old fastballer set down Milwaukee on eight hits and added a bit of icing to the victory cake with a seventh-inning homer off loser Lew Burdette.

Charley Neal also clipped in with his 11th homer of the season in the second inning.

SOUTHPAW JOHNNY Antonelli limited Cincinnati to seven hits in pitching San Francisco to a 5-1 decision. Antonelli was locked in a pitching duel with Harvey Haddix until the eighth when Giants rallied for four runs, including Orlando Cepeda's 15th homer with two men on base.

The St. Louis Cardinals beat the Pittsburgh Pirates 6-2 for their sixth straight win in the only other game of the National League schedule scheduled.

Three errors contributed to the downfall of the Pirates, who lost their sixth straight. Leftfielder Bob Skinner dropped Stan Musial's fly ball for a two-base error in the seventh and the Cards went on to score three runs on four hits of Vern Law.

Even 'Favorite Park' Fails To Help Willie End Slump

CINCINNATI (AP)—Willie Mays was his favorite park for hitting, but it didn't do him much good Thursday night.

The 36-year-old Cincinnati outfielder's only contribution at the plate was a weak ground hit to Cincinnati Redleg Don Hoak who managed to throw wildly for an error.

But otherwise in the 5-1 Giant victory, the Mays slugging talent seemed still shut off.

It was the 16th game in which he hasn't batted in a run.

Three more official trips to the plate made it 67 since he belted an extra base hit.

Despite this, he's still leading the league today with a .372 average.

Client Manager Bill Rigney moved Willie up to the No. 2 spot in the batting order instead of a cleanup berth.

Rigney said, "I'm not worried about Willie. There's nothing wrong with him physically. I'm convinced of that."

The Orioles tumbled in his third shutout of the campaign by beating the Tigers 24-3 with a five-hitter.

Hitless relief pitching over the last 2 1/2 innings by Bobby Shantz and Al Dittmar helped the Yankees to a 4-3 triumph over the Athletics in a row, their longest winning streak since they shifted the franchise from Philadelphia to Kansas City four years ago.

Red Williams' ninth homer of the year in the eighth inning powered victory over the Cleveland Indians.

Williams hit his tie-breaking homer off Cal McLish, who also was tagged for a seventh inning by Dick Gernert.

SOUTHPAW JACK Harshman of the Cardinals to seven hits in pitching San Francisco to a 5-1 decision.

Antonelli was locked in a pitching duel with Harvey Haddix until the eighth when Giants rallied for four runs, including Orlando Cepeda's 15th homer with two men on base.

Jackon Rallies To Beat Charlie's In Pony League 13-8

LEAGUE STANDINGS

CHICAGO (AP)—Lefty Billy Pierce bids for his third straight shutout tonight with the Chicago White Sox host to the Washington Senators.

Pierce, finally back in his 1957 pitching form, will try to repeat his 4-0 Boston whitewashing and his 2-0 Baltimore shutout job. He'll be opposed by the Senators' Chuck Stokes (2-0).

Moreover, Pierce, now 6-5, will seek to return the Pale Hose to their winning stride. The Sox were bumped Thursday by the New York Yankees 4-3.

In Pittsburgh, the Cubs—still pushing for a first division berth in the National League—will send Don Adams, 1-0 (5-7) against the Pirates. The Cubs were tied Thursday by the New York Yankees 4-3.

THE YANKEES chalked up their seventh triumph in ten games against the White Sox Thursday with a demonstration of clutch hitting. The New Yorkers parlayed four singles into three six-inning runs. Norm Siebern clouted an upper deck homer with the bases empty in the seventh.

Jim Rivera scored the first run for the Sox after tripping out the right-fielder while the Yankees tried to drive in the run from the right field.

John Kucky got credit for the win, although he needed help from Bobby Shantz and Al Dittmar. Dick Donovan held the Yankees to one hit in five innings, but he took the loss—his third at the hands of the Bombers and his eighth of the season.

THE YANKEES chalked up their seventh triumph in ten games against the White Sox Thursday with a demonstration of clutch hitting. The New Yorkers parlayed four singles into three six-inning runs. Norm Siebern clouted an upper deck homer with the bases empty in the seventh.

Jim Rivera scored the first run for the Sox after tripping out the right-fielder while the Yankees tried to drive in the run from the right field.

John Kucky got credit for the win, although he needed help from Bobby Shantz and Al Dittmar. Dick Donovan held the Yankees to one hit in five innings, but he took the loss—his third at the hands of the Bombers and his eighth of the season.

Pierce Seeks 3rd Straight Shutout

CHICAGO (AP)—Lefty Billy Pierce bids for his third straight shutout tonight with the Chicago White Sox host to the Washington Senators.

Pierce, finally back in his 1957 pitching form, will try to repeat his 4-0 Boston whitewashing and his 2-0 Baltimore shutout job. He'll be opposed by the Senators' Chuck Stokes (2-0).

Moreover, Pierce, now 6-5, will seek to return the Pale Hose to their winning stride. The Sox were bumped Thursday by the New York Yankees 4-3.

In Pittsburgh, the Cubs—still pushing for a first division berth in the National League—will send Don Adams, 1-0 (5-7) against the Pirates. The Cubs were tied Thursday by the New York Yankees 4-3.

Hope Change Will Improve Club—Lane

CLEVELAND (AP)—Joe Gordon, former star second baseman for the New York Yankees and Cleveland Indians, flew here today to take over as manager of the Indians for tonight's game with Baltimore.

General Manager Frank Lane announced Thursday night he had fired Bobby Bragan and hired Gordon for the rest of the season and for 1959.

"We are making this change with the hope that there will be a general improvement in the club," he explained.

Gordon, 43, an insurance salesman in Sacramento, Calif., since he left baseball after piloting San Francisco to a Pacific Coast League pennant last year, said he was "excited and thrilled" to take the job.

LANE SAID The decision to fire Bragan was made in the last few days and resulted from a "succession of little things."

He refused to pinpoint any one thing that led to the change, but he has been openly critical of Bragan's platooning, his constant efforts to find a place for rookie outfielder Gary Geiger in the lineup and his handling of some pitchers.

Bragan was hired as manager of the Indians last season and was fired after a 1-2 record in 1958.

Gordon played for the Yankees and Indians from 1938-50 and was a member of the Tribe's world championship team in 1948.

The 40-year-old Bragan began his managerial career with Fort Worth in the Texas League in 1948 after playing with Philadelphia and Brooklyn in the National League. He piloted the Pittsburgh Pirates to a seventh-place finish in the National League in 1956, but was fired as manager of the Pirates in midseason last year.

Home runs were hit by Steve Kuzomski of Roper and Gale Dalton of Vandewater's.

Roper Stove took over first place in the Bird Park Minor League Thursday by defeating Mateno State Hospital 9-6.

Even 'Favorite Park' Fails To Help Willie End Slump

CINCINNATI (AP)—Willie Mays was his favorite park for hitting, but it didn't do him much good Thursday night.

The 36-year-old Cincinnati outfielder's only contribution at the plate was a weak ground hit to Cincinnati Redleg Don Hoak who managed to throw wildly for an error.

But otherwise in the 5-1 Giant victory, the Mays slugging talent seemed still shut off.

It was the 16th game in which he hasn't batted in a run.

Three more official trips to the plate made it 67 since he belted an extra base hit.

Despite this, he's still leading the league today with a .372 average.

Client Manager Bill Rigney moved Willie up to the No. 2 spot in the batting order instead of a cleanup berth.

Rigney said, "I'm not worried about Willie. There's nothing wrong with him physically. I'm convinced of that."

The Orioles tumbled in his third shutout of the campaign by beating the Tigers 24-3 with a five-hitter.

Hitless relief pitching over the last 2 1/2 innings by Bobby Shantz and Al Dittmar helped the Yankees to a 4-3 triumph over the Athletics in a row, their longest winning streak since they shifted the franchise from Philadelphia to Kansas City four years ago.

Red Williams' ninth homer of the year in the eighth inning powered victory over the Cleveland Indians.

Williams hit his tie-breaking homer off Cal McLish, who also was tagged for a seventh inning by Dick Gernert.

SOUTHPAW JACK Harshman of the Cardinals to seven hits in pitching San Francisco to a 5-1 decision.

Antonelli was locked in a pitching duel with Harvey Haddix until the eighth when Giants rallied for four runs, including Orlando Cepeda's 15th homer with two men on base.

Explorer III Coming Back To Earth Today

HUNTSVILLE, Ala. (AP)—Explorer-III is due to expire today. The Army said it has performed above and beyond expectations. Some time today the 31-pound, 84-inch tube will descend into the earth's atmosphere and disintegrate. It will burn in the intense heat caused by friction.

Says Steel Price Need Not Be Needed

MIDLAND, Pa. (UPI)—David J. McDonald, United Steelworkers' president, charged today the steel industry was telling a "barren lie" each time it attempted to "alibi" a price increase by blaming labor costs.

McDonald, in a keynote speech at the USW district 20 conference here, said wage rises were earned through increased productivity at the additional cost to the employer. He said steel production per employee had risen "impressively" year after year.

"IN RECENT YEARS the growth in productivity has averaged between three and four percent," McDonald said. "Unfortunately, this fact is not known by enough people. And steel industry management does its best to conceal this fact from its own employees as well as the public."

By concealing it, the industry is able to pretend that the slightest increase in hourly wages requires a price increase to pay for it. Any attempt to alibi such a price increase by pointing to wages is a barefaced lie.

Hold Miscellaneous Shower Tuesday For Bonfield Girl

BONFIELD (JNS)—Miss Barbara Wilson was guest of honor at a miscellaneous shower Tuesday evening in the Methodist Church basement.

Games were played and prizes awarded to Miss Joyce Roganbuck, Mrs. Stanley Vogt and Mrs. Fred Hall.

Miss Wilson opened her gift from a table decorated in pink, green and white. White wedding bells and streamers were hung over the table.

Refreshments were served to 30 guests by Mrs. Ben J. Kirchner, Mrs. Robert F. Van Vorst, Mrs. Norman Christian and Mrs. Charlie Ross.

Miss Barbara Wilson will become the bride of Lloyd Ladd on Saturday at 7 p.m. in the Bonfield Methodist Church.

Morocco Legion Installs Officers

MOROCCO, Ind. (JNS)—The American Legion installed its officers at a meeting in the Legion Home on Tuesday night.

Officers for next year are Robert Goddard, commander; Ross Carlson, first vice commander; Benny Williamson, second vice commander; Oscar Lock, adjutant; Earl Potts, financial officer; L. P. Ringer, secretary; Marion Potts, chaplain; Tom Watson, historian; Raymond Hough, sergeant-at-arms; Keith Brunton, membership; E. W. Robinson, judge advocate; Dr. Ernest Parker, public officer; David Hanger, Benny Williamson, Harry Brunton, Dr. Purkey and John Ringer, executive committee.

The satellite, launched March 26 at Cape Canaveral, Fla., transmitted more complete information on cosmic rays than was thought possible, the Army said.

One reason was because of its highly elliptical orbit. Its farthest point from earth was 1,200 miles, its closest point was 117 miles in its early stages.

Explorer I went into an orbit of approximately 1,500 miles at its farthest point, and more than 200 miles at its closest point to earth. The Army says it is expected to circle the earth for several years.

Explorer II ended in a blazing, premature end when it fell back into the upper atmosphere.

Four separate signals were transmitted from Explorer III. They told scientists about the temperature and the frequency of meteorites and cosmic rays.

The Army says scientists now know the cosmic radiation at higher altitudes is considerably more intense than had been anticipated.

Scientists also learned from the two Explorers that man can control the temperature of space vehicles to that easily acceptable for human survival.

He said in its attempt to stir public indignation with the union. He said many industry spokesmen and "politicians" blame "organized labor" for the condition of our country.

McDonald said "explanations for the economic downturn seem to add up to one recommendation: Just freeze wages and everything will be all right."

DWIGHT (JNS)—Sharon Morris, daughter of Mr. and Mrs. Walter Morris, was selected as winner of the Veterans of Foreign Wars nursing scholarship awarded annually to a Dwight Township High School graduate.

Miss Morris is a 1958 graduate of the Dwight High School. She will attend the Silver Cross School of Nursing, Joliet, and will enter training on June 30.

Albert Tumberg Post 2608 is the sponsoring unit. Miss Alice Guldberg, chief of nursing service at the Dwight Veterans Hospital, is chairman of the selecting committee.

Games were played and prizes awarded to Miss Joyce Roganbuck, Mrs. Stanley Vogt and Mrs. Fred Hall.

Miss Wilson opened her gift from a table decorated in pink, green and white. White wedding bells and streamers were hung over the table.

FIND TROOPS, MONEY GONE!

ADEN (UPI)—The Sultan of Lahej has been informed that some of his troops and a lot of his money are missing.

The Sultan, Sir Abdul Karim, went to London recently for a three-month visit.

One of his military commandants and about 70 members of the 600-man army disappeared Wednesday night.

A "substantial amount," reported to be \$250,000, of the state treasury disappeared with them.

The Aden government said the deserters, and the money, were believed to be in neighboring Yemen.

Lahej is the strongest of the eight semi-autonomous sultanates in British's West Aden protectorate.

Sheldon Jaycees Receive 2 Major State Awards

SHELDON (JNS)—Two major state awards, received by the Sheldon Junior Chamber of Commerce were announced during a meeting of the local group Monday evening.

Explorer I went into an orbit of approximately 1,500 miles at its farthest point, and more than 200 miles at its closest point to earth. The Army says it is expected to circle the earth for several years.

Explorer II ended in a blazing, premature end when it fell back into the upper atmosphere.

Bonfield Woman Will Counsel At East Bay Camp

CAMP PENDLETON, Calif. (AP)—The Marine Corps says that Pvt. Peter H. Green, 19, has now refused to obey orders as a brig prisoner.

He will be given a special court martial, on top of his general court martial conviction and sentence of May 8, the Public Information officer said Thursday night.

Green, son of an Evanston, Ill., publisher, has been in trouble with superiors since he claimed conscientious objector status on religious grounds last year. It has been denied.

He is being held in the brig pending review of his general court martial sentence of two years at hard labor, forfeiture of all pay and allowances and a bad conduct discharge.

The Public Information officer said Green was serving 20 days disciplinary segregation for refusing to perform normal brig duties when he further refused to obey an order to participate in group exercise. No date for the special court martial has been set.

The Facts About Menopause

● Aunt Molly's gossip has done a lot of harm. Needless fear overweighs many women between 40 and 50. Dr. J. H. Reader's Digest gives the facts which sweep out mental cobwebs and superstitions about "change of life."

"The Facts About Menopause" is just one of 35 helpful Digest articles condensed from leading magazines and books. Get July Reader's Digest at any newsstand today.

Frank Davenport, newly-elected president, conducted the business meeting.

The group voted to sponsor a free village movie to be shown at the Sheldon park Wednesday evening. Members agreed the movie would be shown on an experimental basis to see if public interest would support weekly movies.

WASHINGTON (UPI)—Secret documents published by the State Department Saturday claimed Britain gave Russia a "half promise" in 1941 that the Soviets could dominate eastern Europe after World War II.

They quoted a British official as saying London gave Russia that promise but never really expected the Soviet Union to be able to gain such strict control of the area which is now behind the Iron Curtain.

The story of the "half promise" was told in a memorandum by Adolf A. Berle Jr., assistant secretary of state in 1941, on a talk he had with Ralph C. S. Stevenson, principal private secretary of the British Foreign Office.

Berle said he asked Stevenson whether Britain had entered any "real agreements" with Russia. He reported Stevenson said he thought the United States knew Russian officials had entered into negotiations with Poles, Czechs and Yugoslavs in London.

Berle REPLIED he was aware of proposed Russian arrangements to help Lebanon, more "because the four nations, he said, the United States knew Russian officials had entered into negotiations with Poles, Czechs and Yugoslavs in London.

He said Stevenson went on to explain that Britain felt that "condemning the close of the war would be such that the British half promise in regard to this area might not be brought to fruition; the conditions would be such as to make it virtually impossible to carry out the kind of thing that the British had in mind and from which the British had at least not dissented."

THE TWO MEN drove to the Sierra Crista foothills, where they left their truck and followed Cuban guides into the mountains on foot.

The rebel hideout was believed to be about 20 to 25 miles south of the American mining properties.

The Cuban Army announced it had cancelled all patrol activities during the week of Thursday.

Wolfe was sent to the kidnap scene Friday when word of Thursday night's attack on the mining company reached Havana. He was instructed to "contact the Cuban rebels immediately for the purpose of obtaining the immediate release of the Americans and Canadians."

American Embassy officials here said they hoped the men would be released during the weekend.

An embassy spokesman said during a meeting with representatives of the Illinois Commerce Commission for an increase in Kankakee water rates.

The Kankakee Water Co. revealed that it would seek higher rates during a meeting with representatives of business, industry and the municipalities of Kankakee, and Bradley June 18.

The utility proposed a 25% per cent hike in rates that would give a return of 5.44 per cent on its present day value.

During the meeting, company officials presented their case for an increase in an effort to avoid the cost of a rate hearing before the ICC. They said that, ultimately, the cost of such a hearing would be passed on to water consumers.

The company asked the commission for a 60 per cent rate boost in February, 1958 and was granted a 25 per cent rate increase in January, 1959 after a hearing in which the city of Kankakee was the principal opponent.

Other resolutions suggested the government "give favorable consideration" to recognition of Communist China and recommended company and the administration "take prompt vigorous action" to end the secession.

WASHINGTON (UPI)—The Associated Press reported Saturday that the Soviet Union Saturday night called for a full understanding with the United States on cessation of nuclear tests in connection with the beginning of technical talks July 1.

The phrasing of a statement Foreign Minister Andrei Gromyko handed to U. S. Ambassador Llewellyn Thompson Saturday night indicated the Kremlin had decided to participate in the scheduled opening of the Geneva talks. But it also indicated the Soviets would still press for an agreement on suspension of tests along with discussion of control.

WASHINGTON (UPI)—Sens. Mike Mansfield (D-Mont) and Styles Bridges (R-N.H.) defended Saturday as part of a Congressional effort to force the Soviet Union to agree to a suspension of nuclear tests along with discussion of control.

Says Reds Won Eastern Europe Control Pledge

WASHINGTON (UPI)—Secret documents published by the State Department Saturday claimed Britain gave Russia a "half promise" in 1941 that the Soviets could dominate eastern Europe after World War II.

They quoted a British official as saying London gave Russia that promise but never really expected the Soviet Union to be able to gain such strict control of the area which is now behind the Iron Curtain.

Rebels, Lebanese Battle For Tripoli, Sidon Ports

BEIRUT, Lebanon (AP)—Bitter fighting raged Saturday in Lebanon's port cities of Tripoli and Sidon. Beirut was quiet during the day but darkness brought a flare-up of scattered shooting.

As the revolt dragged through its 50th day in this little Middle East nation, Prime Minister Sami Soluh declared the U. N. observer group sent here is not equal to the job of halting what he termed increasing infiltration.

Lebanon's government has charged the United Arab Republic is smuggling arms and men into the country.

On the fighting front, rebels fought attached government troops in a battle that lasted through in Tripoli. Reports from the coastal city said eight persons were killed and about 20 wounded.

Beirut using mortars and hand grenades attacked army positions, setting fire to one of the city's main squares.

In the southern sector of Sidon, troops and rebels fought a battle that lasted through in Tripoli. Reports from the coastal city said eight persons were killed and about 20 wounded.

Say Plane Violated Border; 9 Survive

MOSCOW (AP)—The Soviet Union said Saturday night two Russian fighter planes forced a U. S. Air Force plane into a fiery landing after it flew 102 miles into the Soviet Union from eastern Turkey.

The plane's nine crew members, in uniform and identified as U. S. Air Force men, were detained. The Soviets said the plane was identified only as a four-engine military craft of the U. S. Air Force.

A note handed to Soviet Foreign Minister Andrei Gromyko to U. S. Ambassador Llewellyn Thompson protested to the United States that the Russians called a crude violation of the Soviet frontier.
