Weather

No early break is in sight to the Kankakee area. A brief thundershower but the mercury was expected to remain of the day. A low more hot, humid weather.

How To Hang On

Wilson Bayne suffered a minor shoulder injury when his trailer was knocked over by the storm. His wife was not hurt.

The storm also damaged a number of other trailers, knocked down television antennas and power lines and tore off several portable porches attached to trailers.

"I don't know what other parts of Bloomington..."

...for the warm and humid weather clinging to the area.

...cooled things off for a while this morning before it started raining again. The forecast to climb back towards 90 for the rest of the upper 60s was expected tonight with forecasts for the next few days.

The evening rain was hisded by a puff of wind that blew a telephone wire across the street in front of Cliffon, that it hit the antenna cable of Gilbert Wheeler, 550 W. Station St. The antenna came to rest on some electric power lines and Kansas firemen were called about the antenna. The antenna was removed by the Service Co. crews arrived there. No damage except to the antenna—

It followed another storm about 12 hours earlier which hit the McClellan area. The rain fell Wednesday afternoon.

The storm first blew down two small tents at the fair but no serious injuries or damage were reported.

Orville Kamr suffered a cut finger while helping to put one of the

oath—is punishable by up to five years imprisonment and \$10,000 fine.

Chairman John L. McClellan (D-Ark.) said there was a direct connection between testimony by Hoffa last year and testimony given by him during the trial of the heavyweight boxer Ernest Davis.

Brennan was called to the witness stand and invoked the Amendment in refusing to answer. BRENNAN also refused to answer any questions about testi-

of a fight fixer and a dope peddler. Brennan is the "partner" that the FBI said was "partly responsible for some \$50,000 of income to Hoffa over an eight-year period. Hoffa described the money as coming largely from Brennan's gambling racket."

Reading from a Narcotics Bureau report drafted in New York City, the FBI said that Carroll had been arrested in New York City in 1967 and was being held in a New York Hotel in connection with the assassination of President John F. Kennedy.

Miller's Contempt Conviction Reversed

WASHINGTON (AP) — The U.S. Circuit Court of Appeals today struck down the contempt conviction of playwright Arthur Miller, 42, husband of actress Marilyn Monroe.

House Kills Farm Bill Hopes In '58

WASHINGTON (AP) — New farm legislation appears dead for this session of Congress.

The Senate bill, backed by Ben Aronson and GOP leaders, went further in reducing farm price supports than the House version. It also junks the 25-year-old parity concept of calculating supports in favor of a new system based on a three-year average of market prices.

The House bill would have pegged future price supports for corn, cotton and rice to a floor of 65 per cent of parity as against 80 per cent asked by Aronson and contained in the Senate bill. It would also have prevented scheduled acreage cuts for cotton and rice next year.

But a combination of midwesterners from both parties, lined up to beat it.

The action was also viewed as more evidence of long apparent congressional resentment against the government farm subsidy during a period when the government is moving toward a 12 billion dollar budget deficit next year.

The farm bill came to the House floor Wednesday under take-it-or-leave-it procedure requiring a two-thirds vote for passage. The vote was 210-186, majority but still 54 votes short of the required two-thirds.

Following the House vote, Republican Leader Joseph W. Martin Jr. of Massachusetts called for reconsideration of the bill under more liberal voting procedures that would permit substitution of the Senate version.

Rayburn's statement, however, appeared to have foreclosed that action. Chairman Harold Cooley (D-ND) of the agriculture committee joined Rayburn in opposing any further action.

Without new farm legislation, farmers face acreage cuts under the existing program if they want price supports.

List County Fuel Tax Allotments

Kankakee County and five neighboring counties have been allotted \$115,730 in July motor fuel taxes, according to an announcement from the office of Morton H. Hollingsworth, director of the state department of finance.

The 102 counties in the state were allotted a total of \$2,681,578 in motor fuel taxes.

Specific amounts for counties in this area are: Kankakee, \$24,359; Ford, \$6,821; Grundy, \$7,638; Iroquois, \$12,791; Livingston, \$15,939; and Will, \$48,458.

Dogs Nip At Cars To Aid Injured Canine Buddy

CHICAGO (UPI) — Two dog-lovers presented a stirring scene to passing motorists on Chicago's South Shore Drive Wednesday when they stood guard over an injured canine until help arrived.

The dog-fanciers, dog themselves rushed to the aid of a white Shepherd-type growler when she was struck and severely injured by an auto.

Cars slowed down but none stopped to assist the stricken animal as her companions nuzzled her and whined while she lay whimpering on the grassy separation strip.

Then the guards went into action. They took turns darting into traffic, barking and nipping at the tires of moving autos, narrowly missing injury themselves.

Finally policeman Thomas Walsh answered a thoughtful motorist's phone call.

When the Animal Welfare League showed up, the three canines were bundled up and bundled off to a dog quarters where a veterinarian said the wounded dog would recover and attempts would be made to locate owners.

Set Special Letting For Road Work

The Illinois Division of Highways will have a special letting Aug. 21 in Springfield to receive bids on a number of road-construction projects.

Some bids will be for new projects, and others will be for projects on which bids were rejected after a July 23 letting.

Two projects in Kankakee County and another in Iroquois County are being readvertised because original bids were rejected.

The projects are: Bituminous surface treatment, plus gravel or crushed stone base course on a road from Deslein 2.83 miles west. Previous low bidder was Azzarelli Construction Co., Kankakee, for \$22,769.

A similar surface treatment on existing base for 3.85 miles on the St. George Road from Route 34 at Indiana Oaks easterly. Triangle Construction Co., Kankakee, was the previous low bidder for \$192,465.

In Iroquois County, concrete surfacing and granular embankment on Route 52 from Donovan 25 of a mile southeasterly. Triangle Construction Co. was the previous low bidder on this project also for \$42,113.

A new project listed in Iroquois County is 5.18 miles of surface course from Route 49, two miles south of Woodford easterly.

Today's ruling ends the case unless the government should carry it to the Supreme Court for review.

APPOINT NEW SALES MANAGER

John R. Braatz, Hinsdale, has been appointed sales manager of the Law Seed Co., it was announced by Edward Strasma, company president, today. Braatz, a graduate of Ripon College, worked as assistant manager with a Chicago firm.

Braatz is married and is expected to move to Kankakee in the near future.

Strasma said detasseling of this year's corn crop has been hampered by wet weather but expects to be completed during the current week.

Churchmen Meet

UTRECHT, Netherlands (AP) — Representatives of the World Council of Churches and the Russian Orthodox Church began a three-day meeting today to discuss closer ties between the two religious bodies.

Now in captivity is a creature described by Mrs. Fender as a "long, worm-like thing the size of an index finger, equipped with transparent wings, legs and feelers, and a head like a beetle."

The small hunter was 8-year-old Jerry Fender. To prove to Jerry and also to herself, that "the thing" had a logical explanation, Mrs. Fender called authorities at the University of Illinois.

From the description, a professor there said it sounded like a doberman fly, not necessarily rare but seldom reported.

The zoological classification is neuropter. "The thing" is now resting in questionable comfort in a bowl outdoors the Fender home, the zoological wonder of the neighborhood.

Her train pulled out of the station as the last salvo of a 21-gun salute echoed over the ancient capital of French Canada, but seldom reported.

The princess arrived by plane from Montreal and was met by 50 religious, political and civic dignitaries at a reception in the gardens of Bois de Coulange, home of the Lt. Gov. Onesime Gagnon.

Cost Of Living Up

BUENOS AIRES (UPI) — The cost of living in Argentina last month was 29 per cent higher than in July 1957, the government said today.

La Marca exhausted his final legal remedy Wednesday.

Only a reprieve by Gov. Avrell Harriman or intervention by a U.S. Supreme Court justice can forestall La Marca's electrocution. Both steps were regarded as unlikely.

La Marca's final legal request — an application for a writ of habeas corpus — was turned down Wednesday by Federal Judge Carroll C. Hinks in New Haven, Conn.

La Marca, father of two children, admitted he snatched the Weinberger baby from a patio behind the Weinberger's Long Island home July 4, 1956, then left him to die in a roadside ditch. Although he requested ransom ranging from \$2,000 to \$5,000 he never actually asked for the money.

La Marca said he resorted to kidnapping in a desperate effort to pay debts.

Beer drivers who had been on strike since last Thursday returned to work today after approving the new contract terms during a meeting called at 7:30 a.m. today.

It was understood that the new contract provides an increase in commissions for drivers of 2 cents a case on bottle beer and 3 cents a case on canned beer for the first year. The increases are retroactive to July 1, when the old contract expired.

The contract also provides for increases in the hourly wage rates of drivers' helpers and warehousemen both this year and next year.

Meanwhile, Francis J. Householder, an attorney for the Kankakee beer distributors, said he had made a protest to the federal alcohol tax unit and the Illinois Liquor Control Commission.

The report said that striking beer drivers were to be investigated if they had violated any laws by supplying beer to taverns and package stores in Kankakee from other sources.

Want To Cover A War? Better Take A Well Filled Pocketbook

(Editors Note: This dispatch was requested by a United Press International client. This editor, following day-to-day developments in the Middle East crisis, became intrigued with UPI Correspondent Dan Gilmore's fastidiously accurate and the flow of UPI correspondents into the crisis area and the wordage required to report events. He wanted to know something about costs.)

LONDON (UPI)—The cost of covering war and crisis is an expensive business today. A 600-mile taxi ride across the desert... a chartered airplane ride... telephone calls at \$3.40 a minute... \$100 "urgent press" rate... they all add up.

reached Baghdad, the 626-mile trip involved in covering the Middle East flare-up in Iraq, Jordan and Lebanon.

Immediately after the Iraq revolution July 14, Daniel F. Gilmore, United Press International Rome, frantically packed his suitcase, UPI photographer normally based in Frankfurt, were ordered from Beirut to Baghdad.

THE PROBLEM was: How to get there? There was no Beirut-Baghdad air, rail or ship service, they hauled a taxi.

The cable took them from Beirut to the Lebanese-Syrian border and then, they hitchhiked a ride on a potato truck to Damascus.

Forrest Man Takes Most Ribbons In Farm Crops Show

E. Duane Elbert of Forrest, Illinois, won the most ribbons in the farm crops and fruits and vegetables division of the Kankakee County Fair.

Elbert had 10 firsts, 11 seconds, three thirds, four fourths and a fifth for his total.

Other blue ribbon winners in the show were Harvey Marr of Mahan, Mrs. Elmer Elbert of Forrest, Franklin Grig of Bonfield, Eugene Bertrand of Bonfield, Leon Ahrens of RR 4, Kankakee, Joan Ahrens of the same address, Larry Brave of Chesham, Mrs. Rosa Peters of Clinton, Sharon Weprecht of Essex, Mrs. Max Swift of St. Anne, Elden Lehnus of Reddick, June Timm of Chesham and Bill Lorenz of Chicago Heights.

Mrs. Peters was first place winner in the garden display. Lorenz was second, Elbert third, Roger Lambert of Bourbonnais fourth, Mrs. Earl Marcotte of RR 1, Kankakee, fifth, Brave sixth and Roger Naas of Buckingham seventh.

Devil's Kitchen Dam

After 18 years of intermittent work, government builders have nearly completed the third dam in the Crab Orchard Lake project at Marion, Ill.

Construction was started on the 3 1/2 million dollar dam in 1940 but was stopped in 1943 due to World War II. Work started again in 1955.

Defense Dept. Revamp Bill Signed By Ike

WASHINGTON (AP)—The defense reorganization plan has become law, providing a streamlined chain of command over U.S. armed forces in this missile age.

President Eisenhower signed the reorganization bill Wednesday, calling it a major advance in our organization for defense.

While Congress withheld some of the broader authority Eisenhower sought, it gave him considerable power to tighten control over the individual armed services.

Under the new law, the secretary of defense, acting for the President, and the Joint Chiefs of Staff will exercise direct control over special forces. These are made of selected units from one or more services. The change drops the individual service secretaries from the chain of command over such forces.

The law confers authority to the secretary of defense, acting for the President, and the Joint Chiefs of Staff, and gives this group operating as well as planning duties.

What Youth Thinks

Third Of Youth OK Gifts To Officials

By EUGENE GILBERT
President of the Gilbert Youth Research Co.

Nearly a third of several hundred American young people told us recently that they thought the acceptance of expensive gifts by government officials is all right.

That was a bigger surprise to us than the 53 per cent that thought the practice all wrong. The remainder expressed no opinion.

Washington. In their answers these young people indicated that:

1. Vice President Nixon is by all odds the outstanding Republican candidate for President.

2. If they had a chance they would vote for the nomination of John Kennedy over Adlai Stevenson on the Democratic ticket nearly 2 to 1.

3. Nixon and Secretary of State Dulles, in that order, are the cabinet members especially admired.

4. Fifty-five per cent of the young people would have voted for President Eisenhower last time, and 51 per cent were still glad in a series on the situation in

Room And Board

By Gene Ahern

And that 50 per cent, Kennedy rates the lion's share—33 per cent of the total.

AN IMPORTANT aspect of the popularity vote on Nixon is that while 89 per cent of the youngsters regarded him as the leading Republican possibility for President, 42 per cent for Kennedy, 44 per cent for Stevenson and 14 per cent for Eisenhower.

One of our polls then indicated the teenagers would have voted for Eisenhower 2 to 1.

Some PRO AND con comments: "Dulles and Nixon keep up good work in the face of constant criticism," Paula Pokrandt of St. Paul, Minn., said.

"Benson has helped the farmer, even though he has been criticized," Diane Brooks of Norwood, Ohio, said.

"Dulles puts his foot in the lion's mouth to often," Diane Burdick, Oklahoma City, said.

"Nixon is the cause of much trouble," Terry Bignon, Portland, Ore., said.

"Benson seems to be a glory boy," said Fred Scholtz, Chicago, Ill.

"People are more concerned with their own money than anything else," said Pete Sarno of Peckskill, N. Y.

Forty-four per cent of our informants said they disagree with some policies of the present administration, as against 38 per cent who approved strongly of certain policies. Their comments were all over the lot, but let's sample a few criticisms:

"No tax reductions," Kurt Bondi of El Monte, Calif., said.

"I think the South should be allowed to work out its own segregation problems," Kathy Furley, Ill., N. Y., said.

"They call my generation 'beat' rather than administration 'beat'—the complacent, over-estimated 'beat' type," Frederic Litto, Los Angeles, said.

"Strengthening of defense," Chace Strickland, Tuscaloosa, Ala., said.

"Tendency to allow freedom of economic activity," Francis Anderson, Philadelphia, said.

"The stand for integration in the South," Diane Albert, Olean, N. Y., said.

U. S., Red Scientists May Share First Space Ride

MOSCOW (UPI)—Scientists meeting here have discussed a U.S. proposal which could put Americans and Russians side by side in the first ship that carries a crew into outer space, it was reported today.

American scientists said the plan, proposed by the Russians, was not competition in areas of space research, was mentioned—but not formally submitted—to the resolutions committee of the International Geophysical Year Assembly at a meeting Wednesday.

They explained the proposal will be introduced formally here because it is already pending before the International Council of Scientific Unions.

Foreign delegates expressed some interest in the plan.

"THE UNITED STATES appears to think there are certain aspects of space research where there should be international cooperation rather than competition," one foreigner said.

"I have the impression this would extend even to the first space flights."

No Soviet comment could be obtained immediately, but some foreign observers pointed out Russian space pioneer Konstantin Tsiolkovsky urged years ago that the first space ship should carry scientists of all nations.

A third of the young people interviewed say let officials accept gifts.

"Mary Ann Gill, Olean, N. Y."

Percentages indicated by these young people for the major issues in government are 31 for atomic weapons, 20 for negotiations with Russia, 16 for the recession and 14 for farm prices.

"The human race can become extinct if there are no atomic controls," cautioned Linda Friedman of Washington.

"If we war with Russia, nothing else counts," Fred Scholtz, Chicago, Ill., said.

LAREDO CROCKET

YOU HEAR ME, PETE? COME ON OUT! THIS IS YOUR LAST CHANCE!

HEY, HOMER! WHAT EES THAT I HEAR? A COW BAWLEENS?

WAW, GENERAL... THAT AIN'T NO COW. THAT'S A MORE UGLY SOUND THAN ANY COW COULD MAKE.

YOU ARE RIGHT, BLACK JACK... THAT EES NOT A COW.

THAT SOUND WE HEAR IS THE REVERBER OF A BURRO.

CAPTAIN EASY

AGATHA'S BUTLER CAN'T LIVE THRU THIS NIGHT. I'VE HEARD YOUR WORD FROM ME AND YOU WILL BE CHARGED WITH MURDER!

BUT IT WAS AN ACCIDENT, DR. JOSE. HIS GUN WENT OFF IN HIS HAND!

READER, YOU'RE IN THE HOT! TURN ME IN AND I'LL TELL YOU HOW AGATHA'S JEWELS ARE BEING FOUND.

NOBODY WOULD BELIEVE THAT MY ESPERATION FOR AGATHA'S JEWELS IS A STRANGER!

BUT YOU CAN'T WINKLE ME WITH OUT ADMITTING THAT I'VE BEEN IN HER BODICE!

OH, BUT I CAN! CONSCIOUSNESS WALKS IN THE NIGHT. I'VE IDENTIFIED YOU AS AGATHA'S JEWELER.

BUZ SAWYER

BUZ! YOU OLD SWEETIE! IMAGINE RUNNING ACROSS YOU IN ATHENS!

SNACK! ER... I'M A BIT SURPRISED, TOO!

WELL... WHO WHO SHES?

SO HELP ME, CHES, I DON'T KNOW.

OF COURSE! MY DARLING DOPE IS SO HONEST. THAT STRANGE GUY CAN'T RESIST PLACING WET SNACKS ON HIS CHEST. BUT WHY DID YOU SAY WE'D MEET HER FOR DINNER TONIGHT?

OH! MY GOSH! DID I?

MARY WORTH

YOU'RE TERRIFY ATTRACTIVE, HOBBYBROOK. I'M E-- AND I'M FLATFEDD THAT YOU WANTED TO GO THAT... BUT PLEASE LET ME GO!

MY DIARY HADN'T THE LEAF KIND... WHERE YOU CAN RUP OUT A KISS. YOU'D RATHER NOT EAT AGAIN.

I LIKE YOU VERY MUCH... AND YOU'VE JUST SAID I'M NOT TOO FANCY. SO YOU-- WHY BE FOOLISH?

MARRY FOR ME! IT WOULD BE SMART. I'VE HEARD YOU'VE BEEN STUPID. MY TREATING FRIENDS AS DUNCE CAPS!

ALLEY OOP

BUSINESS SEEMS TO BE PICKING UP ALL OVER CATCHY.

SAY! WASN'T THAT COW JUST LEAVING HERE?

YEP!

HEH... THAT'S FUNNY!

YEP! WHAT'S THAT ABOUT IT?

"YOUNG LADIES HAVE PROBLEMS TOO, Y'KNOW!"

YEP! WHAT'S HERST?

"NONE OF YOUR BUSINESS!"

MANDRAKE

JOHN ARE YOU ALL RIGHT?

JUST A-- UH-- BUMP. COULD HAVE BROKEN MY NECK FALLING DOWN THESE STEPS!

UH-- IT WAS THAT BLASTED WATER THERMOS WHY DIDN'T HAVE NO WIFE TAKE IT OFF--

WAS IT AN ACCIDENT OR THAT NONSENSE!

NOW, DEAR DON'T START. HAD YOU GET A HEAD START TO THE HOTEL--

THEN, IN THE KITCHEN--

STEVE ROPER

SAY! YOU'RE A REAL ARTIST, CINDY!

I HOPE THE JUDGES THINK SO. MIKE? MISS TENN? THAT WASN'T FAIR! YOU HAVE BRAINS, BEAUTY AND TALENT AND I DON'T REALLY HAVE--

SEA CITY! ALL OUT FOR SEA CITY!

CAN WE SHARE OUR CAB WITH YOU?

THANKS! BUT A PARK BENCH WILL BE ANY ADDRESS FOR A WHILE-- GOOD LUCK, BABY!

BUT POP! IT'S RIGHT BLOCKS TO THE HOTEL--

SO WE WALK SEVEN OF 'EM. WELL, ARRIVE IN STYLE! BUT I'VE LEARNED MORE THAN CAB FARE.

MICKEY MOUSE

COME ON, GOODY! IT'S FUN!

(NOT ME!)

GOODY! I'VE BEEN THINKING OF YOU!

THAT'S JUST FINE KIDS!

SOMETIMES I WONDER IF ANKERS WILL EVER GROW UP!

BLONDIE

COME, DAISY-- I'VE GOT A NICE JUICY BONE FOR YOU!

I SAW THAT-- THAT WASN'T A BONE FOR HER!

I HAD TO RESORT TO TRICKERY TO CATCH HER FOR HER BATH!

I'LL HOLD HIM WHILE YOU GET A HEAD START. DAISY, WE'LL MAKE HIM CATCH YOU FAIRLY!

I HATE TO SEE HELPLESS LITTLE ANIMALS TAKEN ADVANTAGE OF!

If You Want To Kiss Me, It's OK

25 Years Of Torment

Man Makes Fortune Fleeing Slaying That Never Occurred!

HAMBURG, Germany (UPI) — The strange story of a German businessman who has been fleeing "justice" for 25 years was unfolded today after his return here to confess a "killing" that never occurred.

Prosperous Karl Mende told police he had killed a man at the beginning of the Nazis' successful fight for power in Germany.

6 Teenagers Decide Prison A Tough Place

JONESBORO (UPI)—Six Union County teenagers who spent an overnight sentence in prison for taking down the walls is tougher than they expected.

The boys were taken on a tour of Menard State Prison Wednesday morning by the police and then sent out by Judge Paul Reese at Jonesboro earlier this year for a series of offenses.

Two other youths broke probation and are serving terms at the prison.

They were arrested in a street fight between Nazis and Communists. He threw a wooden chair at the Nazis.

Nazi storm trooper in self-defense.

THE NEXT MORNING a newsman had been "murdered."

Frightened, Mendel fled the country, joining the Foreign Legion.

He was "smuggled" him onto a freighter bound for Australia. When World War II broke out, he was sent letters with money to the Nazi's family. Then he feared the Gestapo would find him.

He was arrested by the Gestapo and sentenced to death.

He was employed as a tool and maker for Florence Stone Co. in Jonesboro.

He was born here Aug. 15, 1915, son of the late Mr. and Mrs. Joseph Dray. He married Pauline Dray.

He was a member of the H. Name Society of St. Rose Church.

Surviving are his wife, sons, and daughters: Mrs. Mary Willard of Joliet; four grandchildren; and sisters, Mrs. Margaret Dray of Joliet and Mrs. Dray of Joliet.

SHERIFF ROY DILLOW and prison officials showed the boys the work gangs, guard towers, mess hall, garment factory, cell-blocks and the electric chair. They were also permitted to talk to veteran inmates, who advised them

the newspaper which had printed the death of the Nazi printed a correction the day after Mende fled, saying the man had been injured. The Nazi, it turned out, died on the Russian front in 1942.

"They thought the prisoners sat around in their cells all day," Dillow said. "They couldn't understand why the coal gangs worked a seven-day week with no pay."

Kankakee Woman Will Administrate

L'Erable Estate

WATSEKA (JNS) — Catherine S. Sawyer of Kankakee was appointed administrator of the estate of the late Gerald O. Grossant, L'Erable, who died July 29 in Chi-

Onarga.

Varied Recipes Include Specials For Summertime

The two busiest places in the M. S. Herban home during the summer, according to Mrs. Herban, are the refrigerator and cookie jar. If this sounds familiar, it's not surprising.

License Age Limit Backed By Carpenter

SPRINGFIELD (U.S. Secretary of State Charles F. Carpenter today supported the existing minimum 16-year-old limit on driver licenses as essential to the high school driver training program.

Instead, Carpenter said, Powell and his colleagues were taken in by an old legislative strategy to obtain unwarranted adoption of a law.

Powell told a reporter the bulky recodification of the motor vehicle laws containing the section affecting 16-year-olds was recommended for passage by the House of Representatives.

Carpenter said his objection to the amendment stemmed from the so much from the opening of driving opportunities to 16-year-olds. These, he said, now are at much subject to parental supervision of their operation of a scooter as they were in the operation of a bicycle.

The danger is that a driver with a license revoked might take up scooter driving and without the law as far as licensing is concerned.

The secretary said the basic problem with youths is acquainting them with rules of the road. This can be done best by high school drivers and training, he asserted.

Raising from 16 to 18 the age at which drivers could be licensed would "scuttle" the program, he said, because drivers could not be licensed until they were high school graduates.

Moreover, it would alienate public support of the entire driver licensing system, he warned.

A 16 to 18, 17 is getting to be pretty much of a man and probably more expert in physical skills than some 30 or 40 year old," Carpenter said. A licensing system not recognizing this would lose public acceptance, he said.

11 Crescent City Youths Attend Lutheran Camp

CRESCENT CITY (JNS)—Eleven children from St. Peter's Lutheran Church are attending the annual Lutheran Junior Bible Camp this week at Camp East Bay, Lake Bloomington.

Those attending from the Crescent City congregation are Rebecca Rosenbaum, Lauren Frank, Teddy Spenn, Fritz Spenn, Charles Wessels, Steven Wessels, Jeffrey Bruning, Dick Bruning, Craig Bruning and Jon Hall.

The camp is under the direction of the youth committee of the Illinois District of the American Lutheran Church and is designed to give Bible training and recreation to children of grade school age.

TWENTY-FOUR members and guests of the Lutheran League of St. Peter's Lutheran Church are attending the annual picnic of the League at the Lake of the Woods, Minn., today.

Her twin sister, Mrs. Caroline Trout, La Fayette, Ind., could not attend because of illness. Out-of-town guests attending included Mrs. and Mrs. Dale Kemp and family, Mr. and Mrs. Walter Turtling.

Beauty Care For The Beasts

Such really! The pretty 4-1/2 girls pictured and many, many others are concerned these days with beauty care—but not their own.

There's a lot of combing, curling and hair setting going on out at the Kankakee fair grounds, to say nothing of the filling, spraying, shampooing and powdering. The recipients of this beauty care are cows, bulls, steers, sheep, horses, and even swine.

It's quite an education to see a hog scrubbed with foaming detergent and then powdered, especially for a city girl visiting the livestock tents at the Kankakee County Fair, now in progress.

You learn that sheep's wool must be washed, carded (disentangled) by special apparatus, dipped in a solution much like that used for a woman's permanent wave, trimmed and blocked. Even the most unlikely animals (we won't name names) are bathed in

Using a Scotch comb, 12-year-old Mary Lou Finnegan of Red-dick is curling one of her award-winning calves. Currently, the curls on Mary Lou's calf are of more importance to her than her own.

After a bath in mild soap flakes, this calf is having his horns sand-papered by Nancy Jacobs, 11, of RR 2, Manteno. Later Nancy will spray the horns to remove the dullness and make them shine.

Quite a challenge, even for baby powder, a swine is given the beauty treatment by Joan Sargent, 18, of Cabery. The powder is blown on light colored animals to make them look cleaner and whiter.

Keep In Trim Individual Girdle Need Depends On Muscle Tone

By IDA JEAN KAIN
The modern girdle is ingeniously designed. It's really quite wonderful what a few ounces of silk, satin and elastic, strategically placed, can do for the feminine figure.

The question frequently asked at this season is whether going without a girdle in hot weather will cause the figure to spread. The answer is no, not if your muscles have a fair amount of tone.

Posture is all important! Granted, a girdle affords a certain amount of surface support, but it's no help to your silhouette to lean against your store girdle. Lean against your backbone!

Now, let's look at the situation in reverse. Can the wearing of a girdle keep all figures from spreading? No, for these reasons: A girdle cannot prevent excess calories from being stored as fatty tissue, nor does it serve to restore tone to muscles.

The prime purpose of the abdominal muscles is to support the internal organs against the down-pull of gravity. With no bony structure in this area, these organs in the abdominal cavity are almost completely dependent upon the muscular support.

It's plain to see that if your own good muscles have gone completely to pot, and fat is layers thick on the abdomen, a girdle is needed for mechanical support.

However, if you are in good physical condition, your figure certainly will not spread from going without a girdle. In fact, there is nothing more streamlining than using your own good muscles in a strong up-and-in pull as you go about your daily routine.

Unless the muscles which form nature's girdle have sufficient tone, you cannot maintain an effective up-and-in pull. But here's a tip—without exemplary posture, there is

Auxiliary Hears Reports

Delegates to the state convention presented reports at the Tuesday business and social meeting of the Kankakee American Legion Auxiliary.

Presenting reports were Mrs. Basil Carlson, Mrs. Frank Flowers, Mrs. Harry Crooke, Mrs. Wilbert Wegner Sr., Mrs. Martin Sheehan, Mrs. Herman Stoltz, Mrs. William Beckheim, Mrs. Kenneth McGrath, Mrs. Bryan Jackson, Mrs. James Ginger, Miss Edna Shell and Mrs. William Willams.

At the convention, Mrs. Mabel Grice was elected second vice president of the Department of Illinois and Mrs. Russell Johnson was appointed department national security chairman.

Mrs. Wegner received the Pearl Duncan trophy plaque for outstanding work in community service and Mrs. Beckheim received a ribbon citation for having the third largest amount of sales in veterans craft goods in the state.

Delegates to the national convention will be Mrs. Russell Johnson and Mrs. Mrs. Crooke will be the alternate.

Mrs. William Mueller, unit historian, read the unit's history of the year. Mrs. Mueller received first prize in the district contest for her entry.

Joint installation of both post and unit officers will be held Aug. 12 at 8 p.m. at the Legion Home. Prior to the installation a banquet will be held at the Sirfion Room at 6 p.m. Reservations for the banquet are to be made by Aug. 9 by calling 2-4413.

The next unit meeting will be held Aug. 19 at 8 p.m. at the Legion Home.

Bradley VFW Auxiliary Meets Friday Evening In Club Hall

The Bradley VFW Auxiliary met Friday night at the club hall with president Mrs. Alfred Papineau presiding.

District president Mrs. Hansel Mayes and district guard Mrs. Rudy Wheeler were present for the official inspection.

The auxiliary will sponsor an ice cream social under the direction of Mrs. Francis Riley, community service chairman, and Mrs. Donald Chaplinski, co-chairman. Members are asked to donate cakes and pies for the event which will take place Aug. 18 at the corner of Broadway and Prairie Ave. in Bradley.

It was announced that the American chairman, Mrs. Frank Petrowski Jr. will present an American flag to the Memorial Baptist Church in Bradley.

Mrs. Papineau and Mrs. Delmar Gagnon, senior vice president, will represent the auxiliary at the Kankakee American Legion installation.

Mrs. Gagnon, also membership chairman, announced that the membership theme this year will be garden of roses in honor of the department president, Mrs. Rose Capen.

The next social meeting will be held Friday, Aug. 15, at the home of Mrs. Theodore Gulczynski at 451 N. Grand Ave.

The annual luncheon for the department president will be held Sept. 28 at Bloomington.

The 19th reunion of the Barnett families was held Sunday at Bird Park.

A picnic dinner at noon, the day was spent socially.

The oldest guest present was L. C. Schulz of Chicago, 97. He was accompanied by his wife, Mrs. Terrie LeDeCarlo, daughter of Mr. and Mrs. Eugene DeCarlo, who was the youngest.

Next year's reunion will be held on the first Sunday in August at the Donald Barnett cottage on the Kankakee River.

Bailey Johnson presided over the business meeting during which officers were elected for the next term. Mrs. Johnson was elected president and Mrs. Earl Clark secretary-treasurer.

There were 22 members present for the basket dinner at noon.

The 19th reunion will be held on the first Sunday in August at Bird Park.

Wilmington VFW, Auxiliary Plan Weekend Trip

WILMINGTON (JNS)—The Veterans of Foreign Wars post and its auxiliary are planning a weekend trip for Aug. 30 to the VFW National Home at Eaton Rapids, Mich.

The community of homes is sponsored by the Veterans of Foreign Wars and is located three miles out of Eaton Rapids. Each home is supported by the posts in each state. Illinois has one cottage near and has enough money to state building another. The community has its own ball park and playgrounds, community buildings, swimming pool, guest house, cafeteria, nursery facilities and store. It also has a farm and produces its own eggs, butter, milk and cattle.

The VFW Auxiliary met Monday at 8 p.m. in the post home. President Mrs. Rose Nelson presided with 13 members present.

Mrs. Robert Hayes was appointed chairman of a membership dinner to be held in September, with Mrs. Fred Rust as co-chairman.

The president announced the schedule of events for the next two months as follows:

- Aug. 11—Auxiliary party at Dwight Hospital.
- Aug. 16—VFW poppy day.
- Aug. 17—Pancake breakfast and bake sale.
- Aug. 20—Executive meeting.
- Aug. 30 and 31—Visit VFW National Home.
- Sept. 6—Kickoff dinner (Chicago).
- Sept. 7—Smorgasbord (Post Home).
- Sept. 14—Pancake breakfast.

Mrs. August Herbert resigned as chaplain and was elected junior vice president of the auxiliary. Mrs. Oscar Bullock Sr. was elected chaplain.

The delegates to the VFW National Convention in New York are Mrs. Robert Hayes and Mrs. Carolyn Warren. The alternate is Mrs. Chris Peck.

The next regular meeting will be held Aug. 18, with a social following.

THAT SHINING, scrubbed look is just one of the reasons why the American girl wins top honors for beauty!

American Beauty Best Of Girls World Over

By JEANNE D'ARCY

We've just returned from Europe, where we kept a sharp eye on the beauty picture and found answers to a few questions that have always puzzled us.

Are French femmes really fatter? Are Italian senoras so brilliantly beautiful? Are Greek girls the most attractive of all? Does the English woman, with her famed complexion, take top honors?

Our husband summed it up in one swift phrase: "God bless American women!"

It's a fact, on the average, the U.S.A.'s brand of beauty wins out over all. You can see more attractive, well-groomed, well-dressed women on any American street—any city, any street—than you'll spot in an entire day's tramping about any European capital.

Paris, Rome, Athens and London have their great beauties—no doubt about that. The wealthy European woman is a superb specimen of fashion and glamour but the homemaker, the working girl, the average woman can't hold a candle to her American counterpart.

Why? United States industry is part of the answer. Mass production methods make fashion available in every price range. An American woman can dress well on a slim budget. Not so abroad.

Here, too, our daily life is filled with beauty messages via newspapers, magazines, television, movies, advertising. Any number of times each day, a woman is reminded to watch her weight, to try a new lipstick or nail color, to do something about dry or unruly hair.

Unconsciously, the message finds its mark, makes Americans more appearance-conscious than any other nationality. Happily, too, our economy makes it possible for every woman to purchase the aid necessary to keep her beautiful.

Even plumbing plays a part. How many Americans live—live!—could think of living—in an apartment that did not have a bathtub or shower? Such fixtures are standard equipment here but, in Europe, there's many a family that does without them. A bathroom once a week or once every two weeks is taken at a public bathhouse.

Yes, in the final analysis, American women get our beauty vote. Maybe a point in their favor, too, is the fact that the U.S.A. is a nation of many nationalities. Inter-marriage between Latins and Saxons and others has, as cross-breeding does with flowers, produced some very beautiful and exotic beauties that are strictly all-American girls.

Around The Key City

With Jean

Mr. and Mrs. Franklin Chester of Tacoma, Wash., were entertained at a family gathering Sunday at the home of Mr. and Mrs. Chester Hertz of 1640 E. Eagle St. with 30 persons present. This is Chester's first trip to Kankakee in 34 years.

Sightseeing last week in Washington, D. C., were Mrs. John Lynch and daughter, Ellen, of 1964 E. Pine St., and Mrs. Leonard Belisle and daughter, Myrna, of 1837 E. Linden St.

Vacationing with the Warren family of Cleveland, Ohio, are Mrs. Lillian Walters and grandson, Greg Pietraski, of 41 S. Cleveland Ave.

Weekend guest at the home of Mr. and Mrs. Arthur Cryer of 183 S. 4th Ave., Bradley, was Mrs. Cryer's sister-in-law, Mrs. Violet Divit, of Joliet.

Mr. and Mrs. Marion Mitchell and son, Michael, of Kempton, Ind., were weekend guests of Mr. and Mrs. Ray Black of Kankakee Township.

Park District Handicraft Now On Public Display

A handicraft display of items made by Kankakee youngsters participating in the park district summer recreation program is on display Friday, Saturday and Sunday in the window of a store at 122 E. Court St.

Charles Swille, park district recreation director, said approximately 100 articles, all the way from 10-cent items to leather goods and jewelry, are in the display.

Items on display represent the best from individual parks, he said.

Ribbons will be awarded to youngsters whose entries are judged best in the display. The park which has the best overall entry will also get a ribbon.

Registration for ninth grade students will be held on Aug. 25. These students may come in at any time during the day on that Monday. Parents are encouraged to come with their children for registration.

Up In Air At 100

CHICAGO (AP)—Mrs. Matt Hansen celebrated her 100th birthday by taking her first ride in a helicopter—a birthday gift from her son-in-law.

Plan A-Blast

ALBUQUERQUE, N.M. (AP)—The Atomic Energy Commission plans to set off a kinkadee under a Soviet campaign against the peace and security of the free nations.

"What we need is not a propaganda meeting, but a change in Russian policy," Truman told the convention of the Fraternal Order of Eagles Wednesday.

"If the Russians really want to relax tensions, they can do it without fanfare or propaganda. They can agree to any one of the series of proposals for the inspection and control of armaments, they can stop stirring up the peoples of Asia and Africa and South America."

"They can drop their policy of attempting to intimidate our friends and allies."

At a news conference preceding his address, the former president said that 1958 was a Democratic year, and that the Democrats of Arkansas were wrong, "not educated enough" when they re-nominated Gov. Orval Faubus.

The Arkansas governor, who opposed to integration of public schools in Little Rock, was re-nominated last month in the Democratic campaign for governor, virtually assuring him a third term.

54 YMCA Youths Have Sleep-Out

Fifty-four preps (ages 8 to 10) participated in a sleep-out at the Kankakee YMCA Wednesday night. The boys reported in at 7:30 p.m. and were entertained through the early part of the evening with movies, games and stories.

A midnight swim was followed by a midnight snack and lights out. The morning began with a 6 a.m. swim and breakfast.

Plans Early Fall Wedding

Mr. Harry Brubaker of Sheldon announces the engagement of his daughter, Marjorie, to Robert E. Hix, son of Mr. and Mrs. Ira Hix of Millford. Miss Brubaker formerly taught in the Millford Grade School. Hix is employed by the Food Machinery and Chemical Corporation of Hoopston. An early fall wedding is planned. (Baumer's)

Illinois Drowns

SIoux NARROWS, Ont. (AP)—A Windsor, Ill., man drowned on a fishing trip in Lake of the Woods west of Sioux Narrows.

Dwight Robert Jones, 36, was fishing with three companions when their boat capsized Wednesday. The others escaped, but Jones sank after clinging to the boat's gas tank.

Truman Doubts Summit Parley Could Ease Tension

CHICAGO (AP)—Former President Harry S. Truman doubts that a summit conference with Russian leaders could result in any change of a Soviet campaign against the peace and security of the free nations.

"What we need is not a propaganda meeting, but a change in Russian policy," Truman told the convention of the Fraternal Order of Eagles Wednesday.

"If the Russians really want to relax tensions, they can do it without fanfare or propaganda. They can agree to any one of the series of proposals for the inspection and control of armaments, they can stop stirring up the peoples of Asia and Africa and South America."

Schedule Outing For Cub Pack 92

Cub Scout Pack 92 will have a fathers' and sons' outing Friday at High Farm. It was announced today.

The pack's committee meeting will be Friday at 7:30 p.m. in the home of Mr. and Mrs. William Hines, 2345 Crestwood St. Next pack meeting date will be announced later.

About 88 cub scouts and parents attended the pack outing Friday at High Farm. More than 20 advancement awards were presented to cub scouts.

Mom Has 4th Girl, Son Flees Home

BRISTOL, Vt. (AP)—When Morton T. Donahue, 14, heard his mother had given birth to the fourth girl in the family, he ran away from home.

Patrolman Charles Lawler saw the hungry young hitchhiker walking the streets Wednesday in Glen Falls, N.Y., about 80 miles from his home.

Lawler said the youngster expressed "family and financial considerations." "I couldn't take the future with four young sisters," he said. "I couldn't take it any more."

Chamber Tells How To Lower Mailing Costs

Now that higher postage rates are in effect, the Kankakee Area Chamber of Commerce has published a series of tips on how to control mailing expenses.

Although the information was directed primarily to members whose business entails heavy mailings, some of the pointers show ways the average post office customer can avert needless expense.

For instance, avoid using airmail on Fridays and the day before a holiday—a first class letter will arrive at destination in the same time generally.

Air mail is not recommended for letters directed to cities within 400 miles of Kankakee or to cities that do not have air service.

Whenever possible, use certified mail rather than registered mail. Certified mail is faster, less expensive.

Mrs. Max Switzer of St. Anne was the top ribbon winner with 35. But she had to bow to E. Duane Elbert of Forrest, running in ribbon winnings, for the most blue ribbons. Elbert had nine blue in his collection of 28 ribbons.

Switzer collected seven blue. Just a step behind the two leaders in the number of ribbons won were Mrs. Leon Jayne of Bellflower who collected 24 ribbons and Mrs. Marvin Kohl of Mokena who had 21, according to unofficial tabulations.

Mrs. Switzer's record showed seven firsts, eleven seconds, eight thirds and 12 fourths. Elbert's tabulations were 9-9-6-4-28. Mrs. Jayne had 7-6-5-4-24. Mrs. Kohl 5-8-7-2-23.

Only other entrants to win 10 or more ribbons were Mrs. Ben Walters of Bonfield with 13, Donald Smith of Kankakee, and Evelyn Youker of Peotone, each of whom had 11; and Mrs. Minnie Rogers of RR 2, Kankakee, and Mrs. John Hubler, Mokena, each of whom had 10. Smith ranked high in blue ribbons, five of his 11 being first places. He also had four seconds and two thirds.

Other blue ribbon winners in the show were Dale Black, Kankakee; John Hubler, Mokena; Clarence Peters, Clinton; Dahl and Tyler, Lowell, Ind.; Mrs. Charles Reardon, Bonfield; Dora Morbitzer, Bonfield; Helen Wells, Aroon; Park, Charles Stinson, Kankakee; Mrs. William B. Lyons, Millford; Byron Johnson, Kankakee; Helen Gontio, Manteno; Opal Reardon, Bonfield; Mrs. Rex Line, Kankakee; Mrs. Raymond Kaatz, Joliet; Karen Recchi, Kankakee; Mrs. Donald Haley, Clinton; Mrs. Rosa Peters, Clinton; Betty Trepanier, RR 1, Kankakee; Eldene Lehus, Bonfield; Mrs. Harry Van Vleet, Kankakee; and Marvin Kohl, Mokena.

In the special awards Elbert had the best of fair entry and also the most outstanding exhibit in the artistic flower arrangement class. Smith had the most outstanding exhibit in the cut flower class and Eldene Lehus of Bonfield had the best specimen in the potted plant class.

Truck, Auto Crash Kills 3 Persons

OSWEGO, N.Y.—A boy died today and raised to three the toll of a truck-auto collision at a country road intersection obscured by tall corn.

The third victim was Terry Lee Lange, 4. His uncle, Harry Lange, 55, and Harry's mother-in-law, Mrs. Glenna Wilkie, 73, were killed in the crash Wednesday. All were from Aurora.

Lange's widow, Helen, 50, is in critical condition in Copple Memorial Hospital in Aurora. There, Russell, 19, who was driving, suffered minor injuries.

Bruce Brislin, 25, the truck driver of near Plainfield, was not injured. The accident was at Simons and Stuart Roads.

State Fair Opens 106th Year Friday

SPRINGFIELD (AP)—The \$800,000 prize package is the backbone of the Illinois State Fair opening Friday for 10 days, the state agriculture director said today.

The fair is the first in 106 years demanding an entry fee from everyone—children under 12, veterans and their families on Veterans Day, and state employees workers excepted.

Fair officials are counting on the premiums to exert a powerful attraction to bring attendance up to a predicted million persons.

Director Stillman Starnard declared in an interview the premiums draw the thousands of head of livestock, promote breed improvement and thereby invigorate the state's farm and industrial economies.

About half of the prize money goes to the seven-day harness racing meet, a prime attraction itself.

same tax helps get the state and other backgrounds redeveloped. Starnard said county fairs develop showmen and weed out all the competitors but the best, they also help develop farmers' eyes for quality.

"The first good livestock I ever saw was at a county fair. When I got back home ours didn't look as good. That's what happens to thousands of kids," said the director.

"People see the grandstand, the Coliseum and the other buildings. They don't realize the big show is going on outside. Counting poultry and rabbits there are 17,000 to 18,000 head of livestock—a terrific amount of livestock—the cream of the nation's crop. That's the fair, he said.

Arrest Impulse Bank Robber

WAUSAU, Wis. (AP)—A silver-haired bandit, who used a mechanical pencil as a weapon, told police a "spur of the moment impulse" prompted him to rob the State Bank at Bancroft of \$2,400.

Sanberg, 56-year-old, was arraigned here Wednesday on a federal bank robbery charge 10 hours and 15 minutes after he walked out of the tiny bank with his loot stuffed into a paper bag.

Sanberg, who lived on a farm near Elva in Trempealeau County, was captured at a road-block two hours after the robbery. He is married but has no children.

CAKE SQUARES
 Ingredients: 2 cups sifted cake flour, $\frac{1}{4}$ teaspoon baking soda, $\frac{1}{2}$ teaspoon salt, $\frac{1}{2}$ cup shortening, $\frac{1}{4}$ cups sugar, 1 teaspoon vanilla, 2 eggs, 3 tablespoons white vinegar and enough milk to make $\frac{1}{2}$ cup, any desired butter or oil, 1 cup nuts.
 Directions: Sift together cake flour; baking soda and salt. Cream shortening, sugar and vanilla. Add eggs one at a time, beating thoroughly after each addition. Add dry ingredients alternately with milk mixture in 4 additions; begin and end with dry ingredients and mix only until smooth after each addition. Turn into 2 clean and floured baking pans (each 8 by 8 by $\frac{1}{2}$ inches). Bake in moderate (375 degrees) oven for 20 minutes. The tester inserted in center comes out cleared—10 to 30 minutes. Let pans stand on cake racks 5 minutes; run spatula around outside edges of cakes and turn out on racks; turn rightside up. When cooled cut in squares, frost tops and sides, dip in nuts.

TAKING its cue from the hot weather country of India is this chicken curry. Assorted toppings cater to everyone's taste.

When Mercury Soars, Try This Indian Chicken Curry

BY GAYNOR MADDOX, NEA Food and Markets Editor

Curried chicken, a favorite in sizzling India, is perfect hot weather food for overheated Americans. Served on sturdy plastic-coated paper plates with blue center and mossy green and blue mosaic border, this India meal is not only right for everyone but worry-free for the hostess—no plates to wash afterward.

'They Stand Under Oppression' Is Brotherhood Topic

ASHKUM (JNS) — The Rev. C. J. Kumpf discussed the topic "They Stand Under Oppression," at the meeting of the Zion Lutheran Brotherhood on Thursday night in the Town Hall.

Produce Best Food Store Bargains

By THE ASSOCIATED PRESS
The nation's supermarkets and neighborhood grocery stores offer a variety of special attractions this weekend while they hopefully await a break in the wholesale meat market.

Some are trying to tempt the budget-conscious housewife with chuck roast or steak, others offer roasts or steaks. The special prices are attractive by current standards, but no bargain judged by the standards of a few short years ago.

Frying and roasting chickens, hams and turkeys also are the weekly special in a few stores. In areas where the customers have a taste for sea food, flounder, swordfish, scallops, shrimp, smelts and lobster tails are given special billing.

The summer seems to bring out a wide assortment of featured items such as Canadian bacon, game hens, spare ribs, pork sausage, hot, smoked steak tongue and frankfurters.

EGG PRICES advanced 1 to 4 cents a dozen in some sections, mostly due to the season. Fruits and vegetables, aided by near-perfect growing weather in most states, continue to pour to market.

Outstanding buys this week are cabbage, sweet corn, onions, potatoes, eggplant, lettuce and tomatoes.

Squash is a bit higher, but still rates as a good buy. Dozens of beans, lima beans, cranberries, celery, endive, escarole and peppers.

Watermelons again are the best buy among fruits, although cantaloupes are much lower. Honeydew melons are up a bit, but still a good buy. Blueberries are attractively priced. Peaches, still are a good buy.

4-H Clubs Hold Achievement Day In Forrest Hall
FORREST (JNS) — The Busy Bakers 4-H and Sew and Rip 4-H Clubs held their joint achievement night program Saturday night in the Town Hall.

The program included demonstrations and talks by the 4-H members. Demonstrations included making a "Swedish Tea Ring," by Mae Moen, and "Chicken Tenders," by Janice Honneger. Talks were given by Joan Thrush on "Cooking Utensils" and Janet Tharp on "Different Types of Cakes." Alice Hodgson and Diana Van Ormer shared their experiences at 4-H camp.

The pledge to the flag was led by Jackie Richter. The pledge was given by Gail Sue Barber. The Sew and Rip Club modeled their garments at a style show.

First year pins presented to Sew and Rip members included Robin Gee, Darlene Gordon, Janice Johnson.

Second year pins went to Karen Rieger, Patty Huggins, Gail Sue Barber, Sharon Amstutz, Carolyn Martin, Connie Mack, Carol Tredennick, Patricia Weckman.

Fourth year pins were awarded to Joyce Barber and Betty Doler. Mae Moen received a fifth year pin and Marlene Merfield a sixth year pin.

In the Busy Baker's Club, first year pins were awarded to Janice Honneger, Karen Farney, Debbie Kinate, Jackie Richter, Janet Tharp, Joan Thrush.

Second year pins went to Gail Sue Barber, Ann Endres, Robin Gee, Patty Godfrey, Darlene Gordon, Diana Van Ormer, Theresa Autmann, Alice Hodgson and Mae Moen received 3rd year pins.

Leaders of the Sew and Rip club were Mrs. Irene Hodgson, Mrs. John Barber and Mrs. Harley Honneger.

Mrs. Keith Amstutz, Mrs. Donald Von Ormer and Mrs. Sidney Caughey led the Busy Bakers.

Gilman Families Attend Reunions
GILMAN (JNS)—The Evesizer annual reunion was held Sunday at Cogerville. Attending from Gilman were Mr. and Mrs. Carl Evesizer, Mr. and Mrs. John Koets and son, Ryland, Mr. and Mrs. Harry Kinsinger and children, Mr. and Mrs. Albert Medendorp and Brian; Mr. and Mrs. Marvin Miers and children of Ashland and Mr. and Mrs. Robert Richter and children of Kankakee. Kenneth Evesizer of Morton, a former Gilman resident, was elected president.

THE SECOND family reunion of the Gerdes family was held Sunday at Minok. There were 50 present. After a basket dinner, the meeting was called to order by Mrs. Eddie Anton, chairman.

Trio Of Champs
Joe Killmer (center), 11, of Minot, N.D., has his arm muscle checked by a trio of boxing personalities: the Fraternal Order of Eagles sports buffet at Chicago Wednesday. They are: (l-r) Buddy Baer, former heavyweight contender; Max Baer, former heavyweight champion, and Tony Zale, former middleweight champion. The three were part of a long list of sports personalities who were guests at the buffet supper (Unifax).

Wiley pitched a three-hitter for his sixth victory while Aaron belted his 25th home run with one on off Vern Law in the first inning. Aaron's blow ended the scoring for the night after Bill Virdon had homered for Pittsburgh in the top of the first.

THE CARDINALS handed the second-place Giants their eighth loss in the last nine games, 8-1, Philadelphia's Ashley Cooper Tuesday evening.

In the American League the Yankees maintained their 16-game lead over the rest of the field with a 3-1 win over the Orioles; the White Sox beat the Athletics, 4-2; the Red Sox stopped the Senators, 8-2, and rain washed out the Detroit-Cleveland contest.

Stan Musial drove in three of the Cardinals' four runs in a 4-1 victory over the St. Louis Browns. A full house was on hand to watch the Cardinals' early five-run deficit to subdue San Francisco.

Reliever Chuck Stobbs received his first National League victory since being obtained from Washington. Willie Kightland had a home run, triple and a double for the Giants.

Ted Kazanski drove in four runs, three of them with his third homer, as the Red Sox posted his 12th triumph at the expense of the Redjacks. Roberts was nipped for homers by Bob Thorman, Frank Robinson and Don Hoak.

Charlie Neal's homer highlighted a three-run, sixth-inning outburst that carried the Dodgers to their victory over the Cubs. Neal hit his homer off loser Johnny Briggs following Norm Larker's single.

Art Ditmar pitched a five-hitter for the Yankees in handing the slumped-brained Orioles their 10th straight defeat. Loser Jack Harshman hurled on even terms with off-center until the last when Elston Howard singled home two runs.

Left-hander Billy Pierce doled out six hits as the White Sox rode off to a 4-1 triumph with their victory over the Athletics. Bob Cerny's 25th home run on an account for the only runs off Pierce, who hit a two-run homer off loser Bob Davis.

Tom Brewer let the Senators down on their three hits while the Red Sox hammered out 12 in rolling to their fourth straight victory. Jackie Jensen hit his 31st home while Frank Malone and Ted Lepcio also homered for the Red Sox. Roy Sievers connected for his 20th and 30th homers for the Senators.

Only Pennant Race Now Fading

Braves Open Six-Game Lead In National

BY UNITED PRESS INTERNATIONAL
Look ma, no race!

Not only in the American League, but in the National as well.

It's all the fault of Milwaukee's business-like Braves, who have opened up a six-game lead and just about put an end to all that turpentine about a close race in the National League.

Rookie pitcher Carlton Willey and Hank Aaron helped widen the gap Wednesday night when they combined a 3-1 victory over the Pirates.

Willey pitched a three-hitter for his sixth victory while Aaron belted his 25th home run with one on off Vern Law in the first inning. Aaron's blow ended the scoring for the night after Bill Virdon had homered for Pittsburgh in the top of the first.

THE CARDINALS handed the second-place Giants their eighth loss in the last nine games, 8-1, Philadelphia's Ashley Cooper Tuesday evening.

In the American League the Yankees maintained their 16-game lead over the rest of the field with a 3-1 win over the Orioles; the White Sox beat the Athletics, 4-2; the Red Sox stopped the Senators, 8-2, and rain washed out the Detroit-Cleveland contest.

Stan Musial drove in three of the Cardinals' four runs in a 4-1 victory over the St. Louis Browns. A full house was on hand to watch the Cardinals' early five-run deficit to subdue San Francisco.

Reliever Chuck Stobbs received his first National League victory since being obtained from Washington. Willie Kightland had a home run, triple and a double for the Giants.

Ted Kazanski drove in four runs, three of them with his third homer, as the Red Sox posted his 12th triumph at the expense of the Redjacks. Roberts was nipped for homers by Bob Thorman, Frank Robinson and Don Hoak.

DANNY KLADIS of Chicago will be one of the top midget auto drivers taking part in the racing show at the Kankakee Fairground Speedway tonight. Kladis holds the record for flathead motors at the Indianapolis Speedway.

Tattersall Shooting For Clean Sweep

Bob Tattersall of Streator will be shooting for a clean sweep when he returns to the Kankakee Fairground Speedway tonight for the midget auto races.

Tattersall, one of the top midget drivers in the nation, won the feature event in the sprint car races at the Speedway Wednesday evening.

The midget races will get underway with time trials at 7:30 o'clock and the main race at 8:30. A big week of racing will come to an end Friday night with a stock car program. Time trials for the stocks will be at 7:30 o'clock and the first race at 8:30.

Some of the top drivers to compete tonight are Johnny Cox of Chicago and Bernie Wilhelm of Joliet. York; Wild Willie Wildhaber of Lexington; Danny Kladis of Chicago and Bernie Wilhelm of Joliet.

A full house was on hand to watch Tattersall sweep to a victory in the feature race. Tony Lent of Chicago finished second with Don Hartman of Kankakee taking third money.

Another local driver, Phil Ashline of Bradley, won the third heat event. The horses were elected from a panel of 20 who raced during the period of 1931-40.

Walter M. Jeffords, museum president, said more than 2,000 sports writers and sportscasters voted.

Martha Hayes Wins Golf Event
Martha Hayes was the winner of the ladies day flag event at the Kankakee Valley Elks Golf Course Wednesday.

Mrs. Hayes ended up 20 yards off the green on No. 19 to win the event.

Alice Reising was second, Dorothy Byrne third and Lola Holder fourth. Helen Dunn had the low gross of 47.

The Parities scored 58 points to the Bunkers 46. For the season, the Bunkers led 67-662. Helen Dunn had

Elliott Sets New Mile Mark; Runs Again Today

Davis Sets New World Hurdle Mark

DUBLIN, Ireland (UPI)—Without any time off to celebrate his astounding new mile record of 3:54.5, Australian runner Elliott headed right back to the track tonight for another race, this time at either a half-mile or two miles.

Elliott's statement to meet officials that he's ready for another top-flight race flabbergasted them almost as much as his "miracle mile" Wednesday night amazed a crowd that came to root for Ron Delany and stayed to cheer Elliott to the echo.

Chances were good that Elliott would hook up in another duel with Delany tonight, especially if the Aussie elected to run the half-mile.

ELLIOTT'S triumph goes into the books as the most amazing mile race in history since five runners all broke the four-minute barrier. Four of them were under the weight of a 150-pound man, charged to-day by Australian John Landy. Elliott said today the record was "battered" and "perfect conditions."

He listed: (1) the track, which was firm and springy after a light rain; (2) the pace—"just terrific"; (3) the competition; (4) "The wonderful enthusiasm of the Irish crowd for their terrific athlete on my last lap."

AUSIE MERV Lincoln was second in 3:55.9, trailing Elliott by about 15 yards, and Delany was third in 3:57.5, barely nipping Murray Halberg of New Zealand who was clocked in the same time.

Aussie Albert Thomas suffered the strange fate of running a 3:58.6 mile and finishing fifth.

Elliott's fractional times were: 58 seconds for the first quarter; 1:58.0 for the half; 2:59.0 for the three-quarters. He ran the last quarter in 55.5 seconds.

DAVIS ZOOMED to a new world mark of 49.2 seconds for the 400-meter hurdles Wednesday. That clipped three-tenths of a second off the record of 49.5 seconds that Davis established during the tryouts for the 1968 Olympic Games.

It also led the United States men's team to an unofficial 127-88 victory over the Hungarian men's team in the two-day competition at Nap-Stadium. No official count of points was made. In addition, the U.S. women's team, which had been outscored both by the Russians in Moscow and the Poles in Warsaw, outpointed the Hungarian girls 64-54.

U.S. men won 14 of 17 events, U.S. women seven of 12.

Tom Courtney of Livingston, N. J., won the 800-meter event but failed in possibly his last real attempt to break the world record of 1:45.7 held by Belgium's Roger Moens. The U.S. Olympic champion won the event easily but had to settle for a clocking of 1:47.0.

OTHER RECORDS were set by Margaret Mathews of Atlanta, Ga., who established a new American record for the broad jump when she won the event with a leap of 20 feet, 3/4 inches; and Earlene Brown of Los Angeles, who set a stadium record in the women's shot put with a heave of 52 feet, 11 1/4 inches, and Al Hall of Hanson, Mass., who won the men's hammer throw with a heave of 214 feet, 3 1/4 inches for another stadium record.

Other U.S. men's victories were in 24.1 seconds, and Lillian Green of New York in the 400-meter run in 58.4 seconds.

Truman Gibson, president of the International Boxing Club, offered champion Floyd Patterson \$250,000 to defend his title against Liston because "he's not one of those sloppy guys, but a real puncher and the kind of fighter who can breathe life into the division."

2-Ball Tourney At KCC Friday

The Kankakee Country Club will hold a two-ball golf tournament at Small's, announced today.

A junior hole-in-one tournament was held Wednesday, the youngsters firing at the cup from 75 yards away.

Doug Owens won the boys' contest, ending up four feet away from the cup. Ron Walker was second, 7 feet away, and Steve Small was third, 7 feet 6 inches away.

Jill Schriener won the girls' event, driving to within five feet of the cup. Ricka Timmerman finished four inches behind the winner and Linda Swannell, who was eight feet from the cup, placed third.

Middies Capture Baseball Crown

The Middies are the 1958 champions in the Kankakee Area Junior Legion League.

The Cadets missed a chance to tie for the title when they lost to Manteno 5-4 Wednesday.

Jim Crawford of the Cadets had a no-hit no-run game going for seven innings. In the last of the seventh, Manteno pushed across five runs to win.

Sox Catcher Sideline With Knee Injury

CHICAGO (AP)—A strained ligament will delay Sherman Lollar's effort to play 100 games for the seventh consecutive season.

It was announced in Kansas City Wednesday night that the White Sox catcher will be sidelined two or three days with the knee injury, the origin of which is unknown.

The 34-year-old player started the 100 or more games a season project in 1949 with the St. Louis Browns, but in 1951 he dropped to 98 games.

WHEN HE WENT to the Sox in 1952, he scored again with 122 games, including his appearance Sunday against the Yankees, his name has appeared in 616 White Sox box scores.

Illinois Hunting Outlook Good

SPRINGFIELD (UP)—The hunting season is on in Illinois and there are some forecasts of plentiful game, waterfowl excepted.

Squirrels are the current target for Southern Illinois hunters. Northern sportsmen must wait for squirrels until Sept. 1 when the dove season probably will be signaled for a start statewide.

One state biologist whose work takes him over thousands of miles has reported seeing more doves than in several years.

Federal authorities say the mourning dove is the most important of all the migratory game birds, being harvested in greater numbers nationwide than all species of waterfowl combined. In 1955 the national take was estimated at 19 million doves.

Federal game managers also report Canadian waterfowl hatches on which the Mississippi flyway depends appear below the best.

Offsetting this on the state level are promising stories of plentiful squirrels, rabbits and quail. Reports of their abundance and of full grain and flut crops for their fattening feed a lift to hunters' hopes.

THE DAILY shooting of squirrels is limited to five. The possession limit after the first day will be 10 squirrels.

Rifles are legal for squirrel hunting. Automatic shotguns may not have more than three shots in the gun at any time. White squirrels may not be killed.

Liston, 26, is seeking his 19th triumph in 20 bouts and has scored four victories this year. Sox box scores.

Betha's Camp Hurls Charges At Referee

CHICAGO (UPI)—Tony Vone, 6-man manager of conquering heavyweights Wayne Bethea, charged today his fighter's defeat by Sonny Liston Wednesday night was "battered" and "perfect conditions."

"The referee never should have stopped the fight," Vone said. "Sure, he was bleeding, but it was from my own punch and from the fighter from possible serious injury," he said.

"When a boxer is hit and turns completely around and makes no effort to face his opponent and staggers off to the side still with his back to his opponent and gives every appearance of not having his faculties, the only thing a referee can do is protect the fighter from possible serious injury," he said.

GILMER SAID that if Vones does not bring his charges before the commission, he would be requested to appear for a hearing to show proof of his charges or his license would be revoked.

Truman Gibson, president of the International Boxing Club, offered champion Floyd Patterson \$250,000 to defend his title against Liston because "he's not one of those sloppy guys, but a real puncher and the kind of fighter who can breathe life into the division."

What you want to do—soon—is get next to that fabulous new Custom-Blending pump at your nearest Sunoco station.

For this is the only place you can discover the thrifty way to buy premium gasolines, and get the utmost performance your car was built to deliver.

Here—from this one miracle pump—you can choose one of 6 different high octane gasolines... from premium quality Blue Sunoco 200® to "regular" price, to Blend 260®, the highest octane sold anywhere. These and the blends in between give you all the finest performance qualities possible today!

First tankful, get the blend specifically recommended for your car. But next time, try dropping down to the next lower blend... at the next lower price.

That's how you save at Sunoco!

More! For "Regular" buyers, too! You can get higher octane at "regular" price with Blend 200®... it's proved higher octane for most "regular" users. It's higher in quality... highest in value!

Note buried tanks. From these, pump draws (a) premium quality Blue Sunoco 200®, and (b) Sunoco Octane Concentrate (specially refined motor fuel). These are precisely blended by the pump to the exact blend number ordered. Approved by various governmental authorities!

Our Mistakes In The Mideast

(Last of four articles.)
By WILLIAM L. RYAN
AP Foreign News Analyst

American thinking on the Arab East seems a mass of confusion. The result is that on the verge of a full U. N. Assembly meeting on the Arab East, the United States is in a state of confusion. The hour is late, but American policy still can profit by taking a candid look at its own weaknesses. If the United States fails to do this, the sense of frustration behind many Arab actions conceivably can bring about a situation with grave consequences for Western Europe.

THE WAVES of nationalism and Nasserism are not as such the main U. S. concern. It is rather how to prevent these forces from leading to a clear Soviet breakthrough. And how to prevent the Soviets from capitalizing on an ending turmoil to the extent that one day they can hope for a commanding influence over the area's resources.

For years American policy makers seemed to approach the Middle East as if they were dealing with the practical difficulties of West Germany.

The United States seemed to see no issue but communism and anti-communism. Anything not totally down the line for U. S. policy in the Middle East became anti-Western.

For years the United States, captivated by the notion that hypothetical military lines were protection against violent ideas, attempted to push Arab countries into military pacts. The attempts failed.

The United States then helped

nationalism and panicked by the threat of communism. When an internal political fight between Arab and ins broke out in Lebanon, U. S. policy immediately professed to be pro-Western and anti-Western. It did not start that way. Indeed, much of the rebel opposition was definitely anti-Communist and friendly to the West.

THE POLICY TENDED to force the rebels more and more into attitudes inimical to the West. Lack of any understanding from Washington, or London, they sought support from Gamal Abdel Nasser and got it—while the Soviets cheered on the sidelines. Before the rebellion reached its critical stage, it had taken on a definite Nasserist tinge.

The United States cast its lot with President Gamal Abdel Nasser, whom the opposition suspected of wanting to perpetuate himself in office.

By the time the Iraqi explosion came there seemed little for the United States and Britain to do but intervene with force in Lebanon and Jordan. Without American intervention in Lebanon, it is likely the Iraqi eruption would have produced a shot in the arm for a rebel push to overthrow Chaudry by force.

There is some thought that the intervention may have forestalled a Soviet plan to infiltrate "volunteers" into Lebanon from the Moslem Soviet areas of Central Asia. But the need for intervention, with its melodramatic parallel to the Soviet action in Hungary, itself to be frightened by Arab

nationalism and panicked by the threat of communism. When an internal political fight between Arab and ins broke out in Lebanon, U. S. policy immediately professed to be pro-Western and anti-Western.
