SETTLE BEAR BRAND DISPUTE

Gladiolus Queen Gets Big Kiss at Crowning

Conchita Ruby Graves of Lowell, Ind., queen of the fourth annual Momenca gladiolus festival, is shown above receiving a big kiss from Gregory Gellino, 5, son of Mr. and Mrs. John Gellino of Momenca, while the flower girl Marcia Heninger, 5, daughter of Mr. and Mrs. Harry Heninger of Momenca, and Lieut. Gov. Hugh W. Cross look on. The latter officially crowned Miss Graves queen and escorted her in the grand march to the gymnasium for the ball last evening. The festival program opened this afternoon for a three-day run.

Plant To Resume Production Friday

The eight day dispute between workers and officials of the Bear Brand hosiery factory reached a temporary settlement last night when a collective bargaining election was agreed to by both parties of the dispute. Between 1,200 and 1,500 workers will return to work tomorrow morning when the boilers are again fired and the plant is ready for operation.

It is reported that the election will be held within a month to determine whether or not the union, Local No. 2564, United Textile Workers of America, will be the bargaining agency for workers with the company officials.

WORKERS CELEBRATE

Workers appeared jubilant last night as they rode through the city streets tooting their horns and shouting their happiness. Public sentiment in general seemed to be one of satisfaction that the dispute had come to an end.

Although picket lines were formed shortly after the demonstration began a week ago Wednesday in the dye house, violence was absent throughout the dispute. Chief of Police L. B. Rogers and Sheriff Dan Bergan stated that the crowds were orderly at all times.

Not until yesterday morning did the pickets actually stop entrance to the plant but at the same time the factory gates were not opened.

SOUGHT PROTECTION

On Tuesday 112 persons petitioned State's Attorney Joseph Tolson for police protection to enter the plant. Tolson in turn called for a meeting of Mayor Albert F. Hattenburg, police officials, officers from the sheriff's office and City Attorney Victor Cardosi to consider the petition.

2 Contracts Totaling \$4,884,029 Awarded For Momenca Plant

Chicago Firms Given Jobs, Site Selected Today

The War department today awarded contracts totaling \$4,884,029 for the design and construction of the \$7,000,000 central ordinance regulating plant near Momenca.

A United Press dispatch from Washington said the announcement was made by Scott W. Lucas, United States senator from Illinois.

Construction and Engineering
The construction contract, the announcement said, has been awarded to the Henry Erickson company of Chicago and the architect and engineering contract to Nimmmons, Carr and Wright, Chicago.

Nothing was said about additional contracts for equipment or the purchase of land to make up the \$7,000,000 total authorized for the big defense project.

Serves As "Hub"
Menger reports that the purpose of the plant is to serve as a "hub" for middle western munitions plants, having huge storehouses for the distribution of inert materials, shell cases and the like to such plants as the Kankakee Ordnance plant near Wilmington and the Woodstock shell-loading plant.

The announcement from Washington said that the contracts just awarded have been approved by the Office of Production Management.

Summons that a big defense plant would be located at Momenca has been circulating for months. Some commerce made suggestions to the War department about tracts of land available for such purposes.

A further announcement, just before press time today, said the regulating station will be located on a 3,000 acre plot, will include warehouses, magazines, 21 miles of roads, 25 miles of railroads, miscellaneous buildings and other necessary utilities.

Routing Station
The announcement also said that the new project will be used as a routing station for ordinance components required at various newly established shell-loading plants.

The new regulating station will insure all loading plants of an adequate supply of materials.

The site, serviced by the New York Central and the Chicago, Milwaukee and St. Paul railroads, is about four miles northeast of Momenca, according to United Press dispatches from Washington.

Cuts Throat On Lawn At Courthouse

Henry Bernier, 55, Despondent Over Death Of Wife

Henry C. Bernier, about 55, of 540 North Schuyler avenue, is a patient in St. Mary hospital today weak from loss of blood following a suicide attempt late Wednesday afternoon on the south lawn of the courthouse square.

He was found lying head down over a knoll in the southeast section of the square about 5:10 p. m. by Maurice Hixson, elevator operator at the courthouse. A deep hole had been gouged in the left side of his throat and a straight razor, blood-stained, was clutched in his hand. How long he had lain there was not determined. The man's face was white; he couldn't talk.

Hixson summoned Fred Keen, a localian, and Deputy Gene LaFontaine. They and Glen McDonough, 110 South Harrison avenue, placed the man in the Clancy ambulance and police escorted it to the hospital.

Bernier is a despondent, it was said. His wife died recently and a son died several years ago.

State Authorizes Viaduct For New Superhighway Here

The long-sought belt line highway around the city of Kankakee reached one step closer to materialization today when the Illinois Commerce commission in Springfield authorized the overhead bridge over the New York Central railroad one-half mile east of the northeast corner of the city limits.

The order was issued to the state division of highway and the railroad company. The county's part in the project is to obtain right-of-way for the new federal aid belt route. The project also entails construction of a bridge over the river near the Kankakee Country club.

Don Buhrmeister Gets Promotion

Donald Buhrmeister, manager of the Majestic theater, will be promoted to the Ivoll theater at Aurora on Aug. 16. Buhrmeister has been employed by the Public Great States theaters here the last five years.

He will be succeeded by William Hettler who has been manager of the Majestic theater in Streator. Hettler will assume the management on Aug. 17.

THREE COUPLES LICENSED

Marriage licenses were issued yesterday and today to three couples in the office of the county clerk. They were Bertram Trost, 23, and Helen Wilson, 22, of Kankakee; Louis Casper, 38, and Eleanor Denoyer, 24, of Manteno; and Lowell Rowack, 24, Herscher, and Wanita Berger, 21, Reddick.

Expect Senate Okay On Longer Draft Period

Opposition Gathers In House, Condemn Action Toward War

BULLETIN

Washington, Aug. 7.—(U.P.)—The Senate today tentatively agreed to authorize the army to extend the service of selected national guardsmen and reservists for 18 months beyond their present one-year terms—making a total of 2 1/2 years. The vote was 44 to 34.

Washington, Aug. 7.—(U.P.)—The Senate today passed today a bill to extend for 18 months the army's authority to select national guardsmen and reservists who originally were drafted for a year.

Democratic Leader Alben W. Barkley, D-Kent., introduced passage by a 54-34 vote to the 50-40-21 vote in the Senate yesterday.

The bill would allow the army to extend the service of selected national guardsmen and reservists for 18 months beyond their present one-year terms—making a total of 2 1/2 years.

Debate Limit
Barkley wanted to ask a further question in debate to speed final passage. A previous agreement limited debate to one hour.

St. Rose Picnic To Welcome Priest

A picnic of the members of St. Rose parish will be held Sunday at Bird park. The picnic is for the Rev. Father J. J. P. who recently was named assistant pastor of the parish.

This afternoon there will be a picnic between the Boy Scouts and the Holy Name society.

Big Shipyards With Defense Contracts Hit By Walkouts

By the Associated Press
Big shipyards working on defense contracts at Kearny, N. J., and Brooklyn, N. Y., were hit by walkouts today involving both CIO and AFL workers.

The yard at Kearny of the Federal Shipbuilding and Dry Dock company, which is working on 140,000-ton ships for the navy and merchant ship construction.

CIO members affected were said to be about 22,000. The yard at Brooklyn shipbuilding yards of the Bethlehem Steel company was not made immediately known.

Wage Dispute
Trouble started at the Bethlehem Steel industrial union of marine and shipbuilding workers declared a holiday in a wage dispute. Chris Matheson, union business agent, said 6,000 members were involved.

Exchange Club Sponsors Model Plane Contest

The Exchange club will sponsor the model airplane meet of the Kankakee Gas Model association which will be held Sunday, Aug. 17 on the Roy Hildebrand farm, four miles east of Kankakee on the Exline road.

At its meeting Wednesday noon in McBroon's cafe the club voted to provide a trophy to the owner of the championship plane as determined by length of flight on a point basis.

Exchanges also will furnish judges, timers and officials for the meet which will be in progress from 10 a. m. to 3 p. m. Admission is free.

Sponsoring of air meets is a national-wide project of Exchange clubs. Other prizes to be awarded include models. Managers of the meet include Albert Duchene, Harold Hess, and Bob Storbeck.

The Exchange yesterday discussed projects by means of which they might also add to their fund for eye-glasses for needy children.

Wild Oat, Not Oats, Makes Man Lose His Voice

Hamilton Mo Aug. 7.—(U.P.)—Farmer Ray Webb thought it was a bad cold that left him speechless. But it was a wild oat.

Webb's voice returned when a doctor removed a stray oat hull tangled in his vocal chords.

3-Day Homecoming At Ashkum Village

Ashkum, Aug. 7.—(U.P. Special)—The Ashkum homecoming celebration will be a three-day affair this year for the first time, according to announcement today of James Reynolds, chairman.

The dates are Aug. 30-31 and Sept. 1. A midway of games, rides, concessions and amusements will be set up in the village.

Details of the disputed wages were not immediately available.

Shortly thereafter it developed that the AFL teamsters also were in a separate dispute with Bethlehem at the same plants. An AFL spokesman said the company had refused a union demand for a contract providing a flat pay increase from 72 cents to \$1 an hour.

James B. Carey, secretary of the CIO said the national organization would give "all support and cooperation" to the strike at Kearny.

Protested "Stalling"
Matheson said the union declared the holiday "to protest the stalling of the negotiations with the union by Bethlehem Steel." He added that "stoppage was 100 per cent effective." Manhattan and Brooklyn offices of Bethlehem Steel declined to discuss the matter.

Cross Praises "Glad" Festival At Momenca

Acting Governor Of State Crowns Queen Of Flower Display

With appropriate pomp and ceremony, Miss Ruby Graves of Lowell, Ind., was crowned queen of the fourth annual Momenca gladiolus festival by Lieut. Gov. Hugh W. Cross last night in Momenca high school.

A large crowd witnessed the crowning and heard the talk in praise of the festival by Cross who is acting governor while Gov. Green is vacationing in Maine. Among the guests were State Senator Louis E. Beckman, Representatives Victor McBroon and Harry Topping, all of Kankakee.

Miss Eleanor Dufraim of Momenca, last year's queen, acted as hostess presenting her tiara for crowning of the 1941 queen, Marcia Heninger, who was crowned by Gregory Gellino, 5, son of Mr. and Mrs. John Gellino of Momenca. The queen was attired in white and her attendants were in blue, yellow and pink.

Introductions were made by William Thelen, president of the festival association. Ceremony music was by Mrs. Harold Humerford, Miss Phyllis Stout and Miss Irene Hardy.

Opens with Parade
The three-day program of afternoon and evening entertainment began today with a glad festival parade in which thousands of the blooms formed the principal decoration motif.

At the street broadcast of the WLS dinner bell program Wednesday noon at Washington street and the Dixie highway, William Thelen, Russell Francis, Queen Ruby, Mrs. E. O. Herman and several growers made talks.

Members of the Kankakee post No. 85, American Legion, will participate in the parade at 2 o'clock Saturday afternoon. Colors will be in mass formation with other posts of the Kankakee county council. Commander Edward J. LeBeau will be in charge of the Kankakee delegation.

Bishop Sheil At Rites For Father Vien

The Rt. Rev. Bernard J. Sheil, auxiliary bishop of Chicago, gave the final absolution at funeral services this morning in St. Patrick church for the Rev. Joseph G. Vien, 64, former professor of French at St. Viator college who died Monday in St. Mary hospital.

The Very Rev. Richard J. French, provincial of the Clerics of St. Viator, was the celebrant of the solemn requiem mass. The Rev. W. J. Surprenant of Bourbonnais was deacon and the Rev. Philip J. Mahoney, chaplain at St. Mary hospital, subdeacon. The Rev. John Brown of St. Ambrose college, Davenport, Iowa, was master of ceremonies.

The sermon was delivered by the Rev. John P. O'Mahoney, former Victorian provincial and president of St. Viator.

Pallbearers were six brothers of the Victorian order. Deacons of honor to Bishop Sheil were the Revs. Joseph LaRousse of Manteno and John P. Staeuss of St. Mary church in this city. The Rev. Edward J. Boyle of Chicago was the bishop's master of ceremonies.

There were many visiting clergy from the Chicago, Peoria and Springfield dioceses in attendance. The only member of Father Vien's family who was able to attend the rites was a brother, Col. Thomas A. Vien, speaker of the Canadian national parliament at Ottawa.

Burial was in Maternity cemetery at Bourbonnais.

Finas Flashes Fierce Finisher; Finesse Fails

Finas Williams, 24, colored, 552 North Evergreen avenue, attempted to write "finis" on the career of another colored man, Herman Street, last night, but Finas didn't finish. In fact, he didn't get a good start.

They got into an argument at the West Kankakee foundry where they are employed and Finas whipped out his "finisher," a nasty looking razor. He made one wild swing at Street but was prevented from finishing. Deputies Gene LaFontaine and Albert Young brought him to the cooler and this morning Justice Henry Bauer assessed a fine of \$3 and costs for disorderly conduct.

Mrs. Jennie Morris Buried Here Today

Funeral services were held this afternoon for Mrs. Jennie Morris, 83, at Homewood, who died Tuesday at her home in this city.

Mrs. Morris was buried in Mound Grove in Kankakee. She had many friends in Kankakee and was held in high esteem by all who knew her. Mrs. Morris had lived in this city many years.

She was born in Chebanse on Feb. 27, 1858, the daughter of Mr. and Mrs. George H. Morris, formerly of Kankakee, now deceased. Mrs. Morris was a sister of W. W. Hucksins and Mrs. Charles E. Swannell of Kankakee.

She is survived by two sons, Dr. Chester H. Morris and Dr. Corbin Morris and three grandchildren. Her husband Dr. John B. Morris and one son, George, preceded her in death.

British Expect Thailand Will Resist Japs

Also Expect U. S. To Cooperate In Action Against Aggressors

BY THE ASSOCIATED PRESS
London, Aug. 7.—Britain expects little Thailand to resist any Japanese invasion, and British aid in such event will hinge on the willingness of the United States to cooperate in strong measures, an authoritative source declared today.

The implication was that the United States must be willing to cooperate in more than an economic blockade of Japan if Britain is to give strong backing to Thailand.

British Get Ready
That British imperial forces were making ready for any Japanese thrust into Thailand—which might be either on both a threat to Singapore or the Burma road—lifelike of the Chungking Chinese government—was indicated by a Reuters agency dispatch from Singapore.

Quoting the Singapore office of the ministry of information, it said that in British Burma, and South China "all preparations are ready to smash any Japanese attempt to cut the Burma road or move further westward."

The British are looking toward a policy of British-American cooperation extending beyond diplomatic and economic measures, applicable not only to the possible situation of Thailand but to the entire far east.

Thailand is in a "position of danger," a British informant said in an authoritative world military review. He added that the nation's army numbers but 50,000 and its equipment is limited but its air force "makes up in quality what it lacks in quantity."

\$300 Worth Of Tools Lost In Shaft Of Well

George Bernis, Chebanse well driller, resumed operations on the well for air conditioning in the alley near Samuels store this morning after several days layoff because \$300 in tools became stuck in the original shaft.

The accident is considered unusual even among drillers, who somehow usually are able to recover their tools from shafts they sink.

After going down between 50 and 60 feet, the jouncing up and down of the heavy drill loosened a rock from strata above and it dropped down inside the hollow drill, pumping it until the drill snapped and only a small part of it came up with the cable.

Dynamiting to recover the drill was out of the question in the downtown district where foundations might be loosened and other damage caused, so Bernis got another drill and started over today.

William H. Meyers Chef de Gare Of County 40 And 8

William H. Meyers, 1648 East Locust street, last night was elected chef de gare of Kankakee county, succeeding John Wamba.

In the meeting of the vulture, held in the Kankakee American Legion post home, other officers were elected as follows:

Frank Hardesty, Kankakee, chef de train; Albert Tetrault, Kankakee, commissaire intendant; Phil Shoven, Bradley, conducteur; Sam Ech, Momenca, commis voyageur; John Wamba, Martin Sheehan and Bernadine Kruse, all of Kankakee, cheminots; John Wamba, William Meyers, Martin Sheehan and Bernadine Kruse, delegates; Edward J. LeBeau, Kankakee, Frank Karcher, Herscher, Velgh McIntyre, Kankakee, and Yvon Dandurand, Kankakee, alternates.

The society's locomotive and boxcar will take part in the parade of the Momenca gladiolus festival Saturday afternoon at 1:30 o'clock, leaving the Kankakee post home at noon.

Crashes Into Car Turning Corner

Albert Knoblauch, 22, of 508 East Third street, Momenca, was arrested at 6:25 o'clock Wednesday evening by Officer Wallace Flannery following an auto crash in the 800 block on East Merchant street.

Knoblauch rounded the corner at Rosewood and Merchant and crashed into the car of Carl Tunks, 83 East Merchant street. The youth was fined \$12.25 in police court by Magistrate Edward Hoenicke for careless driving.

Autos of Edward Baron, 321 North Harrison avenue, and Leonard Schultz of Gardner were involved in a minor crash Wednesday afternoon at Third and Station streets.

Those Colored Boys Really Can Sleep

Lark Palmer, 20, colored, of Wilmona, Miss., picked a peculiar place in which to fall asleep last night.

He dozed off on the Illinois Central railroad bridge with one leg hanging over a rail. At 1:15 o'clock this morning, a signal man, E. S. Ragle, driving a motor "scouter" over the rails, ran over the man's leg, lacerating it. Palmer was removed to St. Mary hospital, where it was thought today that the member can be saved.

DEPUTY AGAIN

Hamilton Wheeler, former deputy sheriff, has returned to the county jail as night jailer.

Capture 16-Year-Old Youth In Car Stolen At Watseka

Three employees of the Bear Brand Hosiery company made the fastest trip of their lives from Martinton to Kankakee Wednesday afternoon in chasing a youth in a car who sideswiped their vehicle and continued without stopping.

The youth, William Whillock, 16, ward of a soldier's home in Danville, was driving a stolen car, as it later turned out.

Whillock, who was placed in the home of J. St. Peter of Watseka, decided yesterday that he no longer wanted to stay at that place. He took the St. Peter car and a wallet containing \$40 and headed north on the Dixie highway.

At Martinton, he sideswiped the machine of Nick Coleveris, 280 North Greenwood avenue, who was accompanied by Harold Butler, 1180 South Seventh avenue, and Herbert

Marriage licenses were issued yesterday and today to three couples in the office of the county clerk. They were Bertram Trost, 23, and Helen Wilson, 22, of Kankakee; Louis Casper, 38, and Eleanor Denoyer, 24, of Manteno; and Lowell Rowack, 24, Herscher, and Wanita Berger, 21, Reddick.

Roosevelt Keeps In Touch With Home By Radio

Washington, Aug. 7.—President Roosevelt, on a visiting vacation tour, kept in touch with the home by radio. The report was in a dispatch from the White House which said that the president's party's fishing boat was attending the ceremony.

The communication made no mention of rumors current in various world capitals that the president would be in the White House where he met Prime Minister Winston Churchill at Great Britain, which where in the North Atlantic.

The cruise is expected to last at least until early next week. The dispatch from the White House yesterday afternoon said that the vessel was proceeding slowly along the New England coast, with the breeze after the humid Washington summer.

Expect Senate—

minute speech on the bill, but debate on amendments was unrestricted.

Opposition to the service extension bill was crystallized in the House where the majority adopted a resolution condemning all executive acts and proceedings which might result in war without authorization of congress.

The house military affairs committee planned a meeting at which the senate bill will be considered. House consideration had been scheduled today, but was delayed pending final action by the senate.

The minority adopted a declaration of policy in the House. The committee of the United States are entitled to a definite expression of our views on national defense and foreign policy.

The declaration reaffirmed the Republican view that the United States should be strengthened to the point that foreign aggression will be discouraged.

G. O. P. Stand

The loudspeaker policy was presented as a measure short of war, the Republican said. "We insist that it be administered as a short of war measure."

Non-interventionists claimed that the vote on the Burton amendment did not reflect the strength of the opposition to the senate bill. They said that 17 senators who expected to vote against the Burton amendment because they were against any kind of extension.

The administration has agreed to support an amendment by Sen. Robert D. Thomas, D. Utah, floor manager for the legislation, which would limit the total service to 30 months.

Opening the seventh day of debate on measures to lengthen the white haired Californian protested that the army's rank and file had been forbidden to express its opinion about the proposal.

How, he demanded, could the senators disregard a general understanding at the time of enactment of the selective service act that draftees were to serve only 12 months?

War department regulations, officials have said, prohibit men from service from attempting to influence legislation.

Johnson scoffed at statements of the bill's supporters that the national interest were greatly imperiled. He referred sarcastically to Joseph Stalin, asserting that the man who he said was responsible for "the greatest massacres that have occurred on this earth" was popular to be bolstering American security through Russia's fight against Germany.

No one could contend, Johnson went on, that the United States was in as great danger from attack as it was a year ago when the selective service act was passed.

Artificial Light Hurries Growth Of Tomato Plants

Columbus, O., Aug. 7.—(UP)—Artificial light has been used effectively in hurrying up the growth of tomato plants in greenhouses, the Vegetable Growers Association of America was told today.

I. C. Hoffman reported that a 300-watt opal lamp helped produce the most fruit in two years of experiments at the Ohio Agriculture Experiment station at Wooster.

The station used lamps ranging from 60 to 500 watts, suspended in reflectors from 4 and 6 feet above the plants.

He said, plants treated with 500 clear lamps and 300-watt reflector opal lights reached a height of 14 to 16 inches.

However, he added, the 300-watt opal lamp which did not increase the height of the plants much more than the 300-watt clear lamps produced the highest percentage of fruit set in the series and the 500-watt opal lamps ranked second.

All the light-treated plants, Hoffman reported, ranked well above that that had not been treated. He remarked that plants treated with red light definitely were retarded and did not produce any fruit. He said that the plants produced up to 12 pounds of fruit, while the other treated plants were in high production by mid-April.

Hoffman also informed the growers that experiments showed it paid to plant tomatoes farther apart. Plants spaced so that they had 612 square feet of soil, he said, produced 12.71 pounds of fruit, while those with 421 square feet of ground yielded 8.73 pounds.

Truck Growers Propose Price Boost For Crops

Columbus, O., Aug. 7.—(UP)—A program to bolster price of truck crops was advanced today by the Vegetable Growers Association of America.

The association adopted a resolution asking that the federal government take action to increase the vegetable acreage not be increased, except for defense purposes, and that the federal food stamp plan for disposing of surplus farm commodities be increased as much as possible among lower income groups.

The growers took that position for "the greatest massacres that have occurred on this earth" was popular to be bolstering American security through Russia's fight against Germany.

No one could contend, Johnson went on, that the United States was in as great danger from attack as it was a year ago when the selective service act was passed.

Passenger Train Derailed And Car Driver Killed

LaPorte, Ind., Aug. 7.—(UP)—A Great Trunk passenger train was derailed at Weisberg crossing today when it struck an automobile driven by Lester Hartman, 21, Roanoke, Ill.

No passengers on the train were injured. The locomotive and tender were thrown into the air and the passenger coach and six other coaches were derailed.

Farmer-Soldier Wants More Time For Threshing

John W. Prochaska may need a second army furlough to complete his threshing.

Prochaska, 30-year-old member of the Fort Sheridan, Ill., 210th coast artillery, was granted a 30-day furlough to go to his home in the town of his neighbors who said in a petition that he was the "only one in the parts who can run a machine."

His furlough is up Aug. 16, and despite the fact that he has been ordered that "appliance" no longer could be used in the Congressional Record.

"I should a member spend his time thinking up witticisms to say on the floor when the record makes it appear his joke was a dud," Ludlow asked.

Anyways, Judge Had An Alibi If It Was Needed

Rockford, Ill., Aug. 7.—Police Magistrate Alf O. Ahlstrand had to conduct an unusually long routine case today when he presided over a traffic law violator.

In fact it was so extended that when he went to get into his car he found a ticket for parking too long. It cost him \$1.

Censorship Of Congress Record Removes "Jokes"

Washington, Aug. 7.—(UP)—Rep. Louis F. Dowd, D. Ind., feared today that Speaker Rayburn destroyed the initiative of the house when he ordered that "appliance" no longer could be used in the Congressional Record.

"I should a member spend his time thinking up witticisms to say on the floor when the record makes it appear his joke was a dud," Ludlow asked.

Ridge Chapel At Piper City Is 70 Years Old Sunday

Piper City, Aug. 7.—(RN Special)—The Ridge Chapel at Piper City, Ill., celebrated its 70th anniversary Sunday. The church, located on the corner of the present intersection of the main highway and the old Chicago and North Western tracks, was built in 1871 by Rev. J. S. Pomeroy, who was pastor at the time.

The church was built on the site of an old log cabin which was burned down in 1871. The new church was built on the same site and was dedicated to the memory of the Rev. J. S. Pomeroy.
