U. S. To Sell \$5 Billion In IOUs

WASHINGTON (AP)—Five billion dollars worth of government IOUs go on the auction block during the next four days.

It is significant that this is the highest total on record for one week. It points up the Treasury's difficulties in managing the biggest national debt in history, 286 billion dollars.

Most government securities sell at fixed prices. But because of unsettled market conditions, debt managers have held more and more auctions in recent months, permitting investors themselves to determine the price and interest rate.

UNDER THE AUCTIONS, the high bid gets them. When the securities mature, the government will pay them off at face value. The lenders will collect what amounts to interest in the difference between the purchase price and the cash-in price.

Two auctions will be held Tuesday. These involve one billion dollars of bills maturing in 91 days and 400 million dollars of bills which fall due in 182 days. The proceeds give the Treasury funds to pay off maturing bills.

On Wednesday, the Treasury will auction two billion dollars of 340 day bills. And on Thursday there will be an auction of 1½ billion dollars of 221-day tax anticipation bills.

It's Routine Now
MONTREAL (AP) — After a week of ironing out opening kinks, the St. Lawrence Seaway settled down today to routine operations. By Sunday afternoon the last of the huge flotilla was cleared into the 135-mile system of locks and canals. Operators now are ready for day-to-day traffic.

The count for the first eight days of operation was 169 lake-bound ships entering the Seaway at Montreal's St. Lambert lock. Sixty-six left it bound downriver.

Mrs. Lutz was escorted and seated in the East. Other guest officers were introduced by Mrs. Haslett from their stations.

Mr. and Mrs. Haslett presided during the business session. Two new members by affiliation, Mrs. John Ault and Mrs. Gladys Fisher, were introduced.

Birthdays of Mrs. Husfeldt, Mrs. Ernest Hart, R. L. Canaday, Vincennes Bowers, Linn Genung, Robert Schreff and Lester DuMontelle were noted.

Mrs. McFadden, in behalf of the guest officers, presented a gift to Mrs. Tremore. More than 60 were present, including a number of past officers who did not serve.

Refreshments were served at tables decorated with arrangements of spring garden flowers. Favors and programs were the work of Mrs. Elmer Gilbert and Mrs. Linn Genung. Both were in the form of rocking chairs, carrying out the theme of the evening, "The Old Rocking Chair."

On the serving committee were Mrs. Joe Oakes, Mrs. Jacob Lustig, Mrs. Joe Rogers, Mrs. Al Warren and Mr. and Mrs. Daniel Hanson.

Livingston County Will Lose RC Blood Program

SAUNEMIN (JNS) — Livingston county will lose the Red Cross blood program effective June 30 because of lack of public support of the American Red Cross through Community Chest drives in the county, according to Kenneth Strong, chapter chairman.

Patients in St. James Hospital, Pontiac and Dwight Veterans Hospital will not receive free blood after that date. Now they get blood free through the Peoria regional blood center and pay a small hospital charge for administration. Hereafter \$25 per pint will be charged plus the administration cost.

Fairbury hospital has a separate charter so it is not in the county blood program.

MYRTLE BEACH, S.C. (AP)—The men's Bible class of the Myrtle Beach Methodist church has adopted a resolution calling on President Eisenhower to send Billy Graham or some other distinguished Christian leader "to represent God" at the Big Four foreign ministers meeting in Geneva, May 11.

Businessman R. G. Hanna said "This may sound foolish to some of you. But I sincerely believe that if God is given an opportunity to take a hand in the negotiations of the Big Four at this meeting, it will not only end the Berlin crisis, but end the cold war."
