OSTROWSKI WOMAN BACK IN KANKAKEE

LOCAL ATTORNEYS SECURE
HER RELEASE FROM ST.
JOSEPH, MICH., JAIL

RETURNS TO MOTHER

Gained International Notoriety In
Hunt For Fred Burke,
Gang Leader

Mrs. Viola Brennan, the former
Viola Ostrowski, was en route to
Kankakee today returning to the
home of her mother, Mrs. Victoria
Ostrowski, at 360 North Entrance
avenue. She was released Saturday
from the jail at St. Joseph, Michigan,
where she has been held for several
weeks since the disappearance of
Fred Burke, reputed gang leader
who is charged with nearly a dozen
murders.

The release of the former Ostrowski
girl was obtained by a local law firm
employed by the girl's relatives here.
"We member of the firm state this
morning that he had obtained her
release through friends at St. Joseph
and requested that his name, and the
firm name, be kept out of news-
papers.

No Charges

The attorney stated that the Os-
trowski woman, as she is known
here, and been arbitrarily detained
in jail by the St. Joseph police and
that no warrant or formal charge
had been lodged against her. The
Michigan authorities were detain-
ing her in an attempt to learn some-
thing of Burke's whereabouts, but
she was unable to furnish them with
any information concerning the elu-
sive Mr. Burke.

The woman was arrested in Burke's
home following the shooting of a
policeman. The authorities claimed
that the local woman was posing as
Burke's wife and had acted in that
capacity during their residence at
Hammond, Ind. last Feb. 14 when
seven gangsters were massacred in a
Chicago garage. Burke is also ac-
cused of being the leader of the ri-
g gang which perpetrated the
massacre, although "Mrs. Burke"
has an alibi and said that her
husband was at the time of the
killings.

In Public Eye

The Ostrowski girl has shipped
her personal belongings to the home
of her relatives in Kankakee and has
sent word that she is returning to
this city. She attracted considerable
attention at the time of her arrest
at St. Joseph and her picture was
published in newspapers throughout
the North American continent. Police
and other officials are still engaged
in a diligent search for Burke.

C. B. & Q. OFFICIAL

Galesburg, Ill. 6.—(AP)—Arthur E.
Smith, 61, divisional civil engineer
of the Chicago Burlington and Quincy
railroad, committed suicide this
morning by drowning himself in the
waters of his home. Dependancy
over ill health was given as the
reason for his act by his widow who
survives him with one son.

COUNCIL MEETING

The regular session of the city
council will be held this evening.
Only routine matters are expected
to be introduced.

Miss Anna Van Voorst of Union
Hill was a Saturday caller in Kan-
kakee.

Abe Martin

One would think that a great
big brainy nation like ours, with
its matchless statesmen, writers and
inventors, would figure out some
other way to help the farmer "kept
by loaning" him money. "I don't be-
lieve I'd like to live in great big
lucky New York where they're green
enough to pay \$2 to see a movin'
picture," said Lon Moon, today.

Bankruptcy Case Against Stutz Ended

Indianapolis, Jan. 6.—Petitions filed
in federal court asking that the
Stutz Motor Car Company of Amer-
ica be declared bankrupt and that a
receiver be appointed for the com-
pany were dismissed by United
States Judge Robert C. Baltzell here
Saturday.

The bankruptcy and receivership
proceedings were started by three
local firms that had claims of less
than \$2,176 against the Stutz firm.
President E. S. Gorrell declared the
petitioning creditors joined the coun-
sel for the company requesting that
actions be dismissed.

"We are assured that all other suits
which have been filed in the state
courts will also be dismissed im-
mediately, and the company, with the
cooperation of its creditors, which
cooperation has been assured, will
proceed with its financial reorganiza-
tion and expects to enjoy the best
year's business in its history," he
said.

Gorrell said that the 1929 pro-
duction schedule of the Stutz com-
pany called for 5,000 Stutz cars and
5,000 Blackhawk cars, which is dou-
ble the 1928 output.

I. H. C. SALES STAFF IN TWO DAY SESSION

ELEVEN COUNTIES REPRESENTED
IN ANNUAL
MEETING

TO BANQUET TONIGHT

Sessions To Discuss Activities Of
Old Year And Plan For
The New

Members of the sales organization
of the Kankakee branch office, In-
ternational Harvester Company, of
America, are meeting here today and
tomorrow for the annual sales or-
ganization meeting. Salesmen and
executives are present from the ter-
ritory of eleven counties, 35 in num-
ber.

A banquet for the organization of
the Kankakee branch will be held at
5:30 o'clock this evening in the Gold
Room of the Hotel Kankakee. P. V.
Becher and O. F. Stark, local execu-
tives, have charge of the sales meet-
ings, and Mr. Becher will have
charge of the banquet.

Among those present are: H. N.
Ross of Chicago, sales manager of
the central district; C. V. Holman
of Chicago, in charge of wagons
and spreaders in domestic sales of
the United States; W. J. Moffat of
Chicago, in charge of domestic trade
on motor trucks; H. P. Thiemann
of Chicago, in charge of industrial trac-
tor sales; H. C. Shallenberger, head
of the agricultural extension de-
partment in Chicago; W. H. Gall-
man, representing the collection de-
partment of Peoria; and S. B. Bates,
manager of the Tractor and equip-
ment Company of Chicago.

The meeting is for the purpose of
discussing the activities of 1929 and
making plans for the sales cam-
paign in 1930.

SALTZGIVER ASKS FOR SURRENDER OF OLD CERTIFICATES

School teachers in Kankakee
county who still hold the old type
teachers' certificates are asked to
surrender them immediately to Frank
Saltzgiver, county superintendent, so
that they may be exchanged for the
new type.

The new certificates came in to
use last July when the new law in
regard to teachers' certificates took
effect. There are about 700 valid
certificates in Kankakee county, ac-
cording to Mr. Saltzgiver, and all
but about 30 of those teachers ac-
tively engaged in teaching have al-
ready exchanged their certificates.

The call for the old certificates
from the State Examining Board at
Springfield, was received by the
county superintendent this morning.
It asks that the old certificates be
turned in within the next day or
two.

REPORTED RECOVERING

Lela L. Lytle, 487 Elm avenue, who
submitted to an operation at St.
Mary's hospital on New Year's day,
is reported to be recovering nicely
and is expected to return home
soon. Mr. Lytle is a round house
foreman for the Big Four railway.

INJURED IN FALL

Mrs. Laura Gooding of East Hick-
ory street fell on the sidewalk and
broke her hip. She is confined to
St. Mary's hospital and is as well
as can be expected.

TAFT IS FORCED TO TAKE REST

CHIEF JUSTICE OF SUPREME
COURT IN A WEAKENED
CONDITION

CAUSE OF WORRY

Justice Van Devanter May Take
Over Routine Duties
During Absence

Washington, Jan. 6.—(AP)—Chief
Justice Taft has been forced by a
weakened physical condition to ap-
propriately end his court work and go
away for a rest.

The chief justice is in a highly
nervous condition caused by a re-
currence of bladder trouble which
he suffered about six years ago
which then yielded to treatment.

His condition has caused worry
within the inner court circles for
some time.

While in a weakened physical
condition due to the discharge of
his exacting official duties, the
chief justice went to Cincinnati to
attend the funeral of his brother,
Charles P. Taft, and overtaxed him-
self.

Mr. Taft returned to Washington
last fall after suffering an accident
at Murray Bay which irritated his
general nervous condition. He was
able, however, to attend the con-
ference of circuit court judges to
examine the condition of business in
federal courts throughout the coun-
try and was able to attend all ses-
sions of the court up to the recess
in December.

Mr. Taft is 72 years old. He has
been working hard at his task of
the head of the supreme court,
however. It is understood that Jus-
tice Van Devanter will take over
his routine duties during his ab-
sence in North Carolina.

The chief justice has been watch-
ing his own health very closely for
several years. He has placed him-
self upon a strict diet and has so
arranged his household as to make
it unnecessary for him to expend
undue energy in going about.

Washington, Jan. 6.—(AP)—Chief
Justice Taft's family and his asso-
ciates on the supreme court heard
in a prepared statement today said
Mr. Taft's illness was not serious.

Mr. Taft will undergo a week's
treatment in a Washington hospital,
it was said, and then would go to
Asheville, N. C., for two or three
weeks. The statement follows:

"The chief justice recently has
been subjected by his work and by
the illness and death of a brother to
an unusual strain. This has led to
a recurrence of a bladder trouble
which occurred four years ago and
was then rather promptly re-
solved by treatment.

"The trouble is not regarded as
his physician, Dr. Hagner, as serious
but only as requiring treatment to
avoid discomfort. The chief justice,
acting under Dr. Hagner's advice, is
going to Asheville hospital in Wash-
ington for a week's treatment, and
is then going to Asheville, N. C., for
rest and recuperation for two or
three weeks and is then expecting to
return to his work.

"The doctor expects him to be in
good working condition."

FLAMES DAMAGE GARAGE AND TWO CARS YESTERDAY

The Kankakee fire department,
companies one and two, made two
calls to the Lawrence Morin home,
317 North Greenwood avenue, yes-
terday morning. A barn used as a
garage and containing two automo-
biles was damaged by fire.

The first call came in at 12:10
yesterday morning. When the fire-
men arrived, the flames already had
gained through the roof. With the quick
application of water, the building
was saved and the two autos were
saved from complete destruction.

According to Fire Chief Emil
Goudreau, the fire started from the
inside, apparently from one of the
cars, a Chevrolet sedan. The inter-
ior of this car and that of the other,
a Ford, was badly damaged, but
the motors and bodies were left in-
tact. The building was badly scorched
on the inside.

Number one company was called
back at 8:20 o'clock when five
wires, hanging over the roof of the
barn, started the roof on fire. No
trouble was experienced at this sec-
ond call.

Both companies made a run to
the home of County Judge Ruel on
North Harrison avenue, shortly af-
ter 9 o'clock this morning. The
firemen found a lot of smoke in the
basement, but could find no fire.

Mrs. H. C. Parker and daughter
Mildred and Miss Lucia Orangle of
Gilmran were Kankakee callers Sat-
urday.

MANY ADVANTAGES IN NEW CHEVROLET SAY BUNKER BROS.

Bunker Brothers, Inc., Chevrolet
dealers states the General Motors
Corporation, builders of Chevrolet,
are now giving the largest dollar
value that has ever been offered in
any automobile.

The new Chevrolet offers many
advancements in design and con-
struction and retains all the basic
qualities which brought such great
success to the preceding model.

The wonderful new lines and
beautifully upholstered interior ra-
diate richness and quality which
gives the car an air of custom
smartness never before accomplished
in the low priced field.

There are many improvements
mechanically. Improvements such as
fifty horse power motor, automatic
valve lubrication, larger valves, forty-
eight pound crankshaft, bronze bush-
ings in pistons, improved hot spot
manifold giving greater economy,
fully enclosed internal expanding
brakes of the non-locking type, Del-
cor Loveloy hydraulic shock ab-
sorbers, self-adjusting spring shack-
les, ball bearing steering gear, and
gas gauge on dash. The rear axle
and differential gears have been
made larger with an oil deflector
assuring perfect lubrication of the
rear axle. Every driver's seat is ad-
justable on a five inch slide. Large
full balloon tires add greater riding
comfort.

Even with these many new im-
provements, there has been a price
reduction on all models made pos-
sible by the tremendous buying
power and modern engineering re-
search of the General Motors Cor-
poration.

A personal inspection of our new
cars at our showroom or a dem-
onstration will convince you of the
value of our products.

3 KIWANIS ATTEND EVERY CLUB MEETING

W. R. HICKOX, RAY LOTTIN-
VILLE AND FRANK REU-
TER HONORED TODAY

TENTH ANNIVERSARY

Special Program Arranged For
Next Week's Meeting; Chi-
cago Man Speaker

Three members of the Kankakee
Kiwanis club had perfect attendance
records for the year 1929. C. F.
Kohler, chairman of the attendance
committee, announced at the weekly
luncheon in McBroome's cafe today
that W. R. Hickox, Ray Lottinville
and Frank Reuter attended every
meeting the past year.

Others who ranked high in at-
tendance were Fred Burkett, Dr. E.
S. Hamilton, Dr. E. L. Longpre, W.
A. Speicher, Jake Kuipers, Louis
Ray and W. C. Babst.

1929 Aims

Ralph Francis, newly elected pres-
ident of the club, had charge of to-
day's meeting and stressed the club's
needs and aims for the year 1930.
He urged that new members be
added and that every member be
compelled to take an active part in
Kiwanis affairs and prevent the or-
ganization from deteriorating into a
mere luncheon club.

Next Monday, Jan. 13, the Kan-
kakee Kiwanis club will celebrate
the tenth anniversary of its organi-
zation. The speaker for the pro-
gram will be Attorney Daniel Went-
worth of Chicago, who happened to be
present on the night ten years
ago when Kankakee was given a
Kiwanis charter. The meeting Jan.
20 will be held in the High school
cafeteria. On that day the stock
market will be closed and discussed
in a program led by C. F. Holt.

publican nomination of sheriff of
Cook county, January 22, it was an-
nounced today. Garrity, a former
brigadier general, served as head of
the Chicago police department from
1918 until 1920. His military career
dates from service in the Spanish-
American war through the Mexican
expedition until 1918 when he re-
signed his command.

CONGRESS IS RECONVENED; TARIFF BILL

LEADERS DETERMINED TO
PRESS CONSIDERATION
OF THE MEASURE

ARMY SUPPLY BILL

House Adjourns In Respect To
Late Representative
Leatherwood

Washington, Jan. 6.—(AP)—Faced
with the incomplete tariff bill, the
controversy over prohibition and a
host of other questions that may
necessitate their remaining at work
until summer, the House and Senate
reconvened today after a recess over
the Christmas-New Year holidays.

The tariff bill was the unfinished
business in the Senate and leaders
apparently were determined to press
its consideration at every opportuni-
ty.

In the House, a few minutes after
Speaker Longworth's gavel called
the chamber to order, the appropri-
ations committee formally reported
the annual army supply bill propos-
ing maintenance for the next fiscal
year of the present standing army of
118,700 men.

The House then received the
resignation of Representative John
Carew, for years a leader in the House
of the New York Tammany dele-
gation, who has accepted appoint-
ment by Governor Roosevelt to the
New York State Supreme bench.

In 14 minutes from the time it
convened, the House adjourned out
of respect of the late Representative
Leatherwood, Republican, Utah.

In the Senate, after the chaplain,
the Rev. Z. B. Phillips, had offered
prayer, Senators Smoot, of Utah,
and Simmons, of North Carolina,
the Royal Republican and Demo-
cratic leaders in the grueling tariff
struggle, met in the center aisle and
grasped hands.

The opening minutes were devoted
to the receipt of miscellaneous busi-
ness, including numerous petitions.

Senator Hefflin, of Alabama, put
into the record the speech of the
chairman of the Democratic meeting
at Birmingham, Ala., last Friday.
Hefflin has been barred by the Ala-
bama State Democratic committee
from running in the Democratic pri-
mary for that party's nomination
in the next election and today he
said the press had printed "garbled
accounts" of the Friday meeting.

Within a few minutes the Senate
adopted a resolution by Senator
Reed, Republican, Penn., the chair-
man of the Military affairs com-
mittee to authorize a joint congress-
ional committee to study the pay of
enlisted personnel of the army, navy,
coast guard and Geolo Detic Survey.
It was sent to the House without
debate.

CHAMPAIGN COP ARRESTED FOR INQUIRY

GRAND JURY OPENS PROBE
INTO STRAHL MURDER AS
COURT STARTS

HELD AS WITNESS

Criminal Calendar To Start Mon-
day, Jan. 20; Civil Cases
Start Tomorrow

State's Attorney T. R. Johnston
went into conference with the new-
ly sworn grand jury this afternoon
and, judging by the witnesses called
to testify, he was bent upon dem-
onstrating an indictment against
Clarence "Cooney" Bertrand and
Lawrence Branigan for the murder
of Fred Strahl in this city last
Sept. 11.

Lyman Bridges, a night merchant
police officer at Champaign, was
arrested yesterday by Detectives
William Cantlin and James Clifford
and brought to the county jail in
this city where he is being held as
a material witness against both
Branigan and Bertrand. "The au-
thorities believe that Bridges knew
of the 'hangout' of the two sus-
pected slayers during their prolonged
absence from Kankakee following
the murder. He will be brought
before the grand jury to testify.

Witness Here

Many other individuals whose
names were linked with the Strahl
murder and who were acquaintances
of either Bertrand or Branigan
could be seen gathered outside the
grand jury room at the court house.

The grand jurors are: August
Ritter, Yellowknife; B. C. Hamann,
Sumner; Charles Reed, Manti;
Andrew Quigley, Rockville; Albert
Johnson, Monmouth; Arthur Fell,

INTERESTING NEWS EVENTS IN THE SPORTING WORLD

PREDICTS BIG YEAR, BASEBALL

This is fourth of series of stories devoted to the Associated Press leaders in the world of sports, based on 1930 prospects.

BY JOHN A. HEYDLER
(President, National League)

New York, Jan. 6.—(AP)—It is too early in the year to review the season in our league for the 1929 pennant race, and it is too early to predict what kind of a season we may expect. But judging from the growth and progress of the game the past three years and the general strong trend of the public to all sports, I am impelled to predict that 1930 will prove another great year for baseball in general and the National League in particular.

It is a fact that the attendance in our league championship games the past three years totalled 15,000,000. During the three years prior to this period our attendance was about 12,000,000.

Now last season for the first time in about a decade our race was on by about Sept. 1. A. H. R. and C. B. Smith were the first to put up a real battle with the contenders from the start.

A better balanced league means a closer race, better competition and as a natural result greater interest and attendance all over the circuit. It looks to me now as though we should have the best balanced league for 1930 in major league history, and I believe we have every reason to look forward with confidence to another great year.

GRANT-PARK TEAMS WIN THREE GAMES

Grant Park basketball team chalked up three victories last night, all the games being played at Grant Park.

Grant Park high school cagers won a hard game from the Peoria high, 25 to 19. The Grant Park lightweight, in the preliminary game, defeated the Peoria high, 25 to 19. In the final game of the evening the village team won over Compton, 25 to 24, in a nip and tuck battle.

MISSOURI VALLEY CAGERS IN ACTION

Des Moines, Ia., Jan. 6.—(AP)—Missouri valley basketball fans this week will enjoy the heaviest schedule of games carded for a single week. Ten contests, only two of them having conference significance, are booked.

Drake and Creighton provide the bulk of the action, being billed for three contests each. They also figure in both conference tilt: the Bluejays meeting Creighton at St. Joseph Thursday night and visiting Oklahoma A. and M. at Stillwater, Friday.

The outcome of the Creighton-Washington game is expected to have a material bearing on the final standing. Last year Washington defeated Creighton in the final game, but the Bluejays this year have added Maurice Vanacker, a sophomore, who may give them the necessary punch to turn back the Bears.

A pair of inter-conference games with Kentucky at Lexington also are on the Creighton schedule for Friday and Saturday. Drake has a home game with the Bluejays for tomorrow while the fall team of Mexico City visits the Bulldogs camp Wednesday night.

Grinnell has only non-conference games postponing its entry into the title race until next week. The Pioneers meet St. Louis at Grinnell tonight and entertain Cornell of the midwest conference this Friday.

Daily Thought

Join the great company of those who make the barren places of life fruitful with the seed of hope, the vision of heaven in your hearts, and you shall make your home, your college, the world, your country, your vision. Your success and happiness lie in it. External conditions are the accidents of life, its outer trappings. The great, enduring realities are love and service. Joy is the holy fire that keeps our purpose warm and our intelligence alert. Resolve to keep happy, and your joy and you shall form an invincible host against difficulty.—Helen Keller

SONNENBERG AND DEVITO WRESTLE

Chicago, Jan. 6.—(AP)—Gus Sonnenberg, world heavyweight wrestling champion, and Joe Devito of St. Louis, will meet in the main event at the Chicago Coliseum tonight, Joe Stecher, Wilder Zyzanski, Martin Plesina and Pat McGill also will appear on the card.

GOLF

Miami, Fla., Jan. 6.—(AP)—The crown of the Miami open golf tournament rested today for the fourth consecutive time upon the brow of Gene Sarazen. He finished 72 holes yesterday with a score of 202 to lead the field of 155 golfers who entered the \$2500 inaugural of the Florida 1930 golfing season. A stroke behind him was Bill Leach, Overbrook, Pa., in third notch was Cyril Walker, Saddle River, N. J., with 202.

At Heron, Reading, Pa., came in fourth with 203.

The leaders in the money awards were: Sarazen \$750; Leach \$500; Walker \$400; Heron \$300; Charles Rice, Summit, N. J., \$200; Vincent Edrington, Bradenton, Fla., \$100; Kenneth L. French, 309 Southern Pines, N. C., \$125 and Mile Brady, Wichita, Kan., \$125.

Long Beach, Cal., Jan. 6.—(AP)—Olin Dutra of Santa Monica and Joe Kirkwood of Philadelphia led the first division teams. Then the Philadelphia team only developed its first strength toward the end of the season. This club should prove a feature of the 1930 pennant race. So here are three second division teams upon which we can count to put up a real battle with the contenders from the start.

A better balanced league means a closer race, better competition and as a natural result greater interest and attendance all over the circuit. It looks to me now as though we should have the best balanced league for 1930 in major league history, and I believe we have every reason to look forward with confidence to another great year.

HUSBAND AND HIS BROTHER ARE SUSPECTED

Seat Pleasant, Maryland, Jan. 6.—(AP)—Herman Brady, whose twin-Normi Hal Brady, was killed by a bomb sent to her in the Washington Christmas program, was held today with his brother, Leroy Brady, by police investigating the Christmas bombing. The authorities declined to divulge the purpose of their detention, but it was learned that they had been confined to the jail at Upper Marlboro after several hours of rigorous cross-examination.

The supporting group is well cut and capable. The picture is all talking and there are many interesting sights and sounds.

LUNA
"Frozen Justice" With her portrayal of the half-breed, Lenore Ulric in the all-time production "Frozen Justice" Lenore Ulric's talking picture depicts this celebrated emotional actress playing a role of a stocky, big person of a stocky built young person of the country, who has just joined up with the army and is an enthusiastic reader. "Have you got the picture?" "No, sir," he replied. "We only got the three picture papers."

Other players of prominence in the cast are Louis Wolheim, Robert Fraser, Ulrich Haupt, Arthur Stone and Landers Stevens.

K. H. S. FIVE READY FOR OPPONENTS

By LEONARD KRAFT
"With the vicious cry of 'hush' and what not just for the sake of their minds, Coach Harrison and his ten good men and true assuming their war cry of 'Up an at 'em' will attack their post season schedule and meet some tough and unruly opposition in Chicago City and Ogden."

Immediately after Christmas the squad went to Streator where a tournament was in progress. Some of the best teams in Indiana and Illinois were there, and some of the best basketball in the two states was seen. Kankakee showed several things that were gratifying and some things that were disappointing to Coach Harrison. Best tournaments were established for that reason.

First of all, the team is beginning to look like a basketball team; they have dropped their ungainly roughness gained from football and are teaming together. In the Mirok they showed considerable scoring ability. In the first half, they tried several long and missed only one. Their free throws were better than usual, their eye for the hamper from the Scotch line seems to have half of the game and took their parts well to show plenty of reserve strength. Mirok was held to a minimum of points, five—only one shot and Gold had only a few shots and some of these were wicked angles and at some distance.

Here Light Defiance in the Streator game they showed a defense that will cause considerable trouble. True, they beat Streator has a wonderful driving team, played way over their heads and only won on a last half rally. Some folks were of the opinion that the locals laid down in the last half. Right here and now were going to set that straight. The team of 23-21, a bunch of fighters. The rally fight every inch of the way and never laid down, nor did they; in the Streator game.

Friday night, the Maroons launch their drive for the Suburban tilt against Calumet City. Calumet's strength is of unknown quantity, but rest assured, it has been developed to the ninth degree. In football (memorial) Kankakee came back gloriously to tie the Suburban game. The old Gold team resent this fact on a perfect record and will be up on their toes to avenge that wrong.

Then on Saturday, they meet Ogden. Ogden has been a real powerhouse and won the Toledo Christmas tournament. A tough week indeed!

Coach Hall's team of 130 pounds will open their schedule Friday, against Calumet City. The lightweights haven't played any games yet, therefore, who or what they are we can't say. Coach Hall's team is a real powerhouse and won the Toledo Christmas tournament. A tough week indeed!

WOLVERINES VS. GOPHERS; BASKETBALL

Chicago, Jan. 6.—(AP)—Michigan, half-owner of the 1929 Western Conference basketball championship, will invade Minnesota tonight in quest of a flying start toward another title. The conference season officially was inaugurated at Evanston Saturday night where Northwestern took Wisconsin's hope of again finishing at the top by trimming the Badgers 23 to 14. By the end of this week, every team in the Big Nine will have been in action, with two games on tonight's card.

In addition to the Michigan-Minnesota contest, Illinois will open its campaign at Champaign with Ohio State as its opposition.

Michigan, with three regular and a pair of freshmen reserves available, is the favorite to win the title of the year, last year, it is figured to defeat Minnesota, but the Illinois-Ohio State tussle appears to be a tossup. Michigan has won all its three pre-conference games, while the Gophers have crashed through a schedule of five early opportunities without defeat.

Illinois' early efforts have been without championship power, while Ohio State's one claim to recognition as a contender lies in a victory over Notre Dame.

Wisconsin's midweek team, quarantined with Northwestern for three quarters of Saturday's game, was expected to have a closing rush that gave the Wildcats a nine-point triumph.

Saturday will be the big night of opening stage of the championship campaign. The Michigan invasion of Purdue shapes up as the feature, number one of the four-game program, while Northwestern will go to Minnesota in search of its second triumph. Indiana will tackle Chicago at Chicago, and Wisconsin will meet Ohio State at Columbus.

Chicago, which meets Ohio State Saturday night, has been confined to the gym at Chicago, but a good fight, Wednesday night, but the little difficulty in winning its fifth straight pre-conference victory at the expense of Grinnell, 29 to 15.

BILLIARDS

New York, Jan. 6.—(AP)—The National three cushion billiards championship tournament has developed into an exciting contest, hard-fought Johnny Layton and Allan Hall of Philadelphia, and Otto Reisch, Philadelphia Veteran.

Alone of the field of eight there have been able to keep their records unmarred by defeat: Layton, who has been in the finals for a former title holder, each have won three games. Hall defeated the champion yesterday. Layton defeated Charles Jordan of Los Angeles, 50 to 22 in 23 innings. The number of innings, 23, was the smallest in the championship since the history and Layton's average of 4-23 also set a new mark.

FATAL ACCIDENT

One lady was instantly killed and another seriously injured when the car in which they were riding crashed in a side-swipe collision with a truck belonging to the Mid-West Motor Service Company of Chicago, who were en route to the Atlanta and Pacific Company en route to Chicago and Upper City, on Tuesday at the curve on South Crescent street.

The dead woman was Mrs. Grace Sodar of Eureka, Mo., and the injured lady is Mrs. John Schneider of the same town. The two ladies were driving to Chicago to spend New Year's day with relatives.

As they approached the curve to the west on route 8 and 25 John Schneider who was driving the car applied the brakes to check his speed before going around the curve. The road was covered with ice and the wheels locked causing the car to skid. The truck coming from the opposite direction turned off the road and ran into the car, which was crushed.

Mr. and Mrs. Sodar were in the car when the accident occurred. Mrs. Sodar was killed instantly and Mrs. Schneider was seriously injured. She is now in the hospital.

SHIRES IS READY FOR EXPLANATION

Chicago, Jan. 6.—(AP)—The only interest Charles Arthur (The Great) Shires had in the boxing business today was to clear himself of charges of having participated in a fixed fight and attempting to fix another.

The great one with a yearning to sign a contract to play first base for the White Sox and withdrawal from boxing, awaited a summons from the Illinois state athletic commission to give an explanation of charges that dangerous Dan Daley of Cleveland had taken a dive for him in Shires' first professional fight at the White City arena December 9.

Already under the ban of the Michigan boxing commission and the National Boxing Association, Shires was asked to give an explanation of charges that dangerous Dan Daley of Cleveland had taken a dive for him in Shires' first professional fight at the White City arena December 9.

The latter charge was made today according to an interview with the editor of the Chicago Journal of Commerce yesterday. Daley, the story said, had gone into the ring with Shires, had been arrested, being taken for a ride if he failed to stop at a request made by a Shires representative.

Promoter Jim Mullen of Shires, who brought Daley to Chicago for the fight, all vigorously denied knowing anything about attempts to fix the bout.

Shires admitted that Daley had taken a dive but stated it was not voluntary having been induced by a stout fight to the chin.

If never imagined I'd be willing to fight again for nothing," Shires said, "but if I ever meet Daley or Gerry or whatever his name is, I'll slap him down with all the mercy and there won't be any admission charge."

Major General John J. Cunniff, chairman of the Illinois state athletic commission, indicated life suspension for the promoter, Shires, and managers involved in the fight if the charges are proven.

Promoter Mullen said he would ask the commission to request a warrant for Daley's arrest, then if the fighter refuses to repeat the charges he should be compelled to make affidavits.

THE NEW FORD COUPE

THE NEW FORD COUPE

Flowing grace of line gives style and distinction to new, roomy Ford bodies. Now on display at dealers' showrooms

THE NEW FORD CARS, shown last Tuesday for the first time, have been enthusiastically received throughout the country. Everywhere it is realized that more than ever, the new Ford is a "value far above the price."

One of the distinguishing features of the new Ford bodies is the carefully planned harmony of every detail of design. From the new deep radiator to the tip of the curving front fender there is an unbroken sweep of line—a flowing grace of contour heretofore thought possible only in an expensive automobile.

Looking at the new Ford you are impressed instantly by its smart style and compact, substantial sturdiness. For there is about it a certain character or personality which sets it apart and gives it a fresh and lasting beauty. You will take a real pride in this beauty just as you find a real thrill in the alert, capable performance of the car.

All of the new Ford bodies are finished in a variety of colors, with new striping and new streamline moulding. Interiors have more leg room. Closed cars have adjustable front seats. The smaller wheels, with larger tires, bring the car closer to the road, with a consequent gain in riding comfort and safety.

An additional feature of importance is the Rustless Steel used for the radiator shell, head lamps, hub caps, cowl finish strip and tail lamp.

At today's low prices the new Ford is unquestionably an outstanding value. Check it over feature by feature and you will see that it brings you everything you want or need in a modern automobile:—beauty of line and color... safety... comfort... speed... power... quick acceleration... ease of control... economy of operation... low up-keep cost... typical Ford reliability and long life.

War Department Supply Bill Calls For A Vast Expenditure Of Money

Washington, Jan. 6.—(AP)—Lacking definite conclusions from President Hoover's economic survey of the war department, the house appropriations committee today reported the supply bill for the fiscal year 1931 for that executive branch, calling for an expenditure of \$435,231,000, an increase of \$442,000 over the current fiscal year.

With the idea that economy may be effected through the survey, however, the committee wrote into the bill a provision that would prevent the use of any of the money appropriated for any other purpose in the event that President Hoover decides upon curtailment of the activities provided for in the measure.

Although carrying an increased appropriation, the supply bill is \$2,767,000 less than the budget estimates. It sets aside \$337,058,000 for military purposes, an increase of \$819,000 over the current year, and \$117,173,000 for non-military activities, including the Panama canal, a decrease of \$5,577,000 as compared with 1930.

The permanent appropriations amount to \$9,627,000 of which \$1,375,000 is for military purposes and \$8,252,000 is for non-military activities, with this, the total outlay for the next fiscal year is brought to \$463,858,000.

The reduction in the budget estimates partially was effected by curtailing the appropriation for the army housing program to the extent of \$2,000,000.

For the pay of the army \$133,557,000 was set aside, but the entire outlay for the finance department amounts to \$135,808,000. This will provide for a regular army personnel of 12,000 enlisted men; 6,500 Philippine scouts. It also provides for 190,000 national guardsmen, 37,500 trainees at citizens military training camps, and for 127,500 students in the reserve officers training corps.

The engineer corps was given a total of \$92,480,000 for non-military activities.

Included in this appropriation was \$55,000,000 to be made available immediately for existing river and harbor works, an increase of \$3,000,000 over the current year; \$35,000,000 for flood control on the Mississippi river, an increase of \$2,000,000; \$1,000,000 for flood control on the Sacramento river; \$800,000 for roads and bridges in Alaska; \$400,000 for an emergency flood control fund; \$260,000 for Muscle Shoals dam number 2; \$18,000 for the California debris commission and \$2,500 for maintenance of the birthplace of Washington.

The committee's report said that more than twenty per cent of the items in the bill for military activities were chargeable to the air corps. In addition to the \$36,778,000 directly chargeable to the air corps, the total for that service was \$72,833,000.

Washington, Jan. 6.—(AP)—In view of an unexpended balance of \$3,000,000 from last year's appropriation of \$10,000,000, the Inland Waterways corporation was not provided for in the war department annual supply bill reported to the house today by its appropriations committee.

An apparently healthy condition of the corporation was shown by the committee by Major General Thomas Q. Ashburn, chairman of the executive board of the corporation. Although up to September 1, 1929, a loss of \$94,000 was shown for the year on the entire system, General Ashburn said that it would swing over into the paying side of the ledger within a reasonable time.

Low water was given as a major cause of the loss for the year on the upper Mississippi and Warrior river lines up to the first of September, with the net income for the lower Mississippi system up to that date aggregating \$250,000.

General Ashburn outlined the corporation's plan to standardize barges and towboats for the six foot and nine foot channels to do away with the expense of transfer from one unit to another.

The three systems which make up the corporation are the Warrior and upper and lower Mississippi.

GILMAN

Mr. Sodar testified that he and his wife drove to the home of their friends, Mr. and Mrs. Schneider in St. Louis on the previous evening and that Tuesday morning at 2:30 a. m. the four started out by auto on a trip to Chicago where they intended to visit with relatives. He said when he approached the city of Gilman from the south he slowed down to 15 to 18 miles an hour, as he approached the curve in the pavement he saw the Mid-West truck rounding the curve, traveling south. As he neared the truck he noticed the pavement was covered with ice and that a ridge of ice extended over the east edge of the concrete, while along the west side of the road there were snow banks. That when he reached this point in the highway he felt his car slip and swerve, so applied the brakes and that due to the icy condition of the pavement his car skidded sideways and crashed into the side of the truck, also when his car came to a stop he noticed that the women were injured and his wife unconscious. He immediately asked for a physician. He did not blame the truck driver for the accident, but claimed that it was due to the icy condition of the pavement.

Mr. Schneider corroborated the testimony of Mr. Sodar.

Mr. Arnold testified that he saw the truck as it came around the corner from the south. He said that both drivers tried hard to avoid the collision, that the truck driver had run his truck off to the right side of the road and that the right wheels were completely off the pavement and embedded in the snow banks along the west side of the slab, that when the driver of the car applied the brakes the car skidded sideways across the pavement and crashed into the side of the truck.

Harold McDougall driver of the truck testified that he was driving slowly around the corner. He saw the car approaching from the south. He said he was familiar with conditions at this curve, as he made regular trips over this route for the Mid-West Motor Service. He stated he saw the ice and snow on and along the pavement at this point and saw that the driver of the car had apparently applied his brakes as he came along the right side of the pavement. He said that he feared collision, so he applied his brakes and pulled his truck completely off the pavement into the snow bank along the west side of the road as far as possible to avoid a collision.

He stated that Mr. Sodar was in no way to blame for the accident and said that the crash was entirely due to the icy condition of the pavement. He told that he stopped his truck immediately and that it was still stuck in the snow banks where it left the pavement.
