## FEDERAL DRY AGENTS FIND GIANT STILL

90,000 GALLON DISTILLERY UNEARTHED SOUTH OF MOMENCE

## FIVE ARE ARRESTED

Plant Was In Charge Of Elmer Williams On The Walter Mills Farm

Elmer Williams, Momence, was arrested last night with four others and taken to the federal jail at Danville today charged with operating what is believed to be one of the largest stills ever unearthed in this section of the state.

A party of federal prohibition agents, working under Deputy C. Edison Smith of Chicago, descended upon the Walter Mills farm located six miles south of Momence last evening. It is alleged that Williams had charge of the men operating the liquor plant which ran 24 hours every day.

The federal agents were assisted in the raid by Chief of Police George Kuehler of Momence and Deputy Sheriff Ed Chaffield, Cecil Duganay and Roy Vandenberg.

This still turned out 2,000 gallons of high-grade alcohol every 24 hours. It had been in operation about four months in a barn on the Mills farm which comprises about 600 acres and which is located in a secluded spot in that section of the county.

Hundreds of curiosity-seekers visited the place today and watched the officers dismantle the huge still and equipment. There was also apparatus for the manufacture of beer.

Among the supplies confiscated were 1,000 pounds of yeast, three large delivery trucks and a vast quantity of brown sugar.

The plant was equipped with a large boiler, Delco lighting plant, water system, nine huge vats, two huge copper cylinders one of which stood 21 feet high and the other 27 feet high and 30 inches in diameter.

The alcohol tested 190 proof. The five prisoners were brought to the Momence jail where they were lodged over night. Another man, believed to be the look-out for the gang, was picked up at the depot in Momence by Chief Kuehler and was released after questioning. The trucks ran daily between the distillery and Chicago.

It is thought that Williams operated the plant for a big Chicago bootlegging gang. The total capacity of the plant, including storage, was 90,000 gallons of beer and alcohol.

## CONTINUE ATTACK ON JUDGE HUGHES

OPPOSE CONFIRMATION OF APPOINTMENT AS CHIEF JUSTICE

## SENATOR DILL LEADS

Characterizes Hughes As "Greatest Champion Of Property Rights"

WASHINGTON, Feb. 12.—(AP)—Senator Dill, Democrat, Washington, joined in the attack against the confirmation of Charles Evans Hughes as Chief Justice of the United States today as debate on the nomination was resumed in the Senate.

Senator Dill called attention to the birthday of Abraham Lincoln and added "what a coincidence that the Senate should spend the birthday of the greatest champion of human rights since Jesus Christ walked the earth in consideration of the greatest champion of property rights as a nominee for Chief Justice of the United States."

"Masses of our people are finding it difficult to earn a livelihood and to lay aside a little for old age," continued the Washington Senator. "The views of Mr. Hughes on economic questions are just as important as his legal ability. The court is building up a body of law, not enacted by Congress, going right into the life of the people permitting the corporations to pick the pockets of the man on the street."

"The increase in the cost of living is traceable to the economic theories that the court has adopted as the law of the land. Street car fares, gas rates, the cost of telephone service all are affected by the valuations fixed by the court and never intended by Congress."

Dill said he meant no attack on the honesty of the court but on the economic theories of the judges which force the common people to pay millions of dollars of tribute that could not be obtained otherwise than by these decisions on valuations.

"Here is a man who was decisively defeated by the American people for President because of his economic views," he continued. "Is the will of the people not to be considered at all?"

Dill argued that declarations in behalf of Hughes that he was honest and able were "begging the issue."

"The only chance that the people have to pass on a judge of the United States is here in the Senate and we are asked to pass him because he is a Christian and a fine man."

"Defeated by the people at the polls we are now told Mr. Hughes must go back on the bench as Chief Justice."

Senator Brookhart, Republican, Iowa, followed Dill in the attack against Hughes.

"This vote will determine whether the Progressive party wants to go ahead," he said, "or whether the Conservative group is going to go on."

The Iowa Senator denounced the decisions of the court which he said held that a return of six percent was so low as to amount to confiscation. He described this as "monstrous."

In the name of confiscation, this majority party in the Supreme Court of the United States is confiscating the earnings and substance of the people and transferring them to the hands of the few," Brookhart asserted.

"Happiness for all the people demands an economic equality and the courts must take cognizance of this," he said. "Charles Evans Hughes is the most typical of this class which believes in confiscation of the earnings of the people."

## BABE DIES OF SUFFOCATION IN ITS CRIB

PULMOTOR FAILS TO SAVE LIFE OF 6-MONTHS-OLD BABY GIRL

## INQUEST IS ORDERED

Barbara Jean Lovejoy's Tiny Head Found Beneath Blanket This Morning

Barbara Jean, six months old daughter of Mr. and Mrs. George R. Lovejoy, 752 North Greenwood, died of suffocation some time last night. The baby, lying in its crib, was killed in her sleep when her head became covered in the blankets in which she had been tenderly wrapped by the mother upon retirement last evening.

## "ANTIS" HAVE HARD TIME IN PICKING LIST

MOMENCE EDITOR SAYS THEY ARE SAME OLD CROWD IN DISGUISE

## "EMMERSON GROUP"

Disgruntled Exploiters Of The Public Trust Having A "Hock" Of Time

The difficulty with which members of the so-called "Emmerson Group," comprising radical and disgruntled office seekers, have met with in their attempt to select a county ticket to oppose the Republican faction, especially in the eastern part of the county is explained in an article published in the Momence Press-Reporter. It reads as follows:

"After several weeks of pleading with prospective men in all parts of the county, the self styled 'Emmerson Group' have named candidates for county offices to be nominated at the April primaries. Those in charge of forming the ticket had a 'hock' of a time to get men to allow their names to be used. An incident of this fact was the case of a Momence man whom the 'group' wanted to make the race for county superintendent of schools. While every promise it is possible for these leaders to make, and they surely can make promises, was made to the Momence man, he failed to see it their way and turned down the honor without much ado. This man was approached by several of the self appointed leaders, he was taken to Kankakee where he was feasted and petted, but all to no avail, as he saw the writing on the wall.

"According to reports the leaders of the 'group' aroused much bitter feeling among themselves over the selections of candidates. When it had been decided that a certain man should be named, one of the prominent members of the group charged that this suggested candidate had been named 'what he is by Governor Small, and that started a riot war. The objectors left the meeting after kindly inviting the others to go to the place where there is never an ice gorge. Those who remained at the 'nominating convention' filled the ticket with the best material that was available. The ticket named is as follows:

"For Representative, Elmer Williams of Kankakee. For Sheriff, Albert Goodknecht of Kankakee. For Treasurer, Eustache J. DesLauriers of Kankakee. For County Judge, Harry B. Streeter of Kankakee. For County Clerk, Walter J. Richert of Kankakee. For Superintendent of Schools, Estel Winegarner of Kankakee.

"Geographically the ticket is ideal every candidate being from Kankakee. Evidently the leaders do not expect much support for their slate from the county at large, so threw all their plums to the city of Kankakee. Just how the voters of the county outside of Kankakee will feel over the city 'hogging' all the places remains to be seen, but to those who know conditions it is easy to guess."

## Lincoln Eulogized In Senate

Washington, Feb. 12.—(AP)—The birthday anniversary of Abraham Lincoln was observed in the Senate today with an address by Senator Snook, Republican, Utah, eulogizing the Civil War President.

"Let us not turn down the temple he saved," was the plea of the Utah Senator. "Lincoln loved the whole Union, not a part of it; he loved the whole people, not a part of them. In this same spirit let us join to solve our problems."

Senator Dill, Democrat, Washington, followed with a query as to what chance Lincoln would have today to be named Chief Justice of the United States "for he was a radical of his day?"

In the house a tribute to Lincoln was paid by the Reverend Dr. J. Shera Montgomery, chaplain, in his invocation at the opening of the session.

"We thank thee for the great men who are the heritage of our land," he said. "Today a peerless soul sits at the fireside of our country's heart. He never spoke to widen the chasm, but always to heal the breach."

The Victor company with their vast array of musical talent, conceded by those in authority to be the greatest group of artists ever assembled are in better position to place such a treat on the air than any other organization, and \$75,000 expended on this program is made possible only by Victor's tremendous volume of sales having exceeded one hundred and twenty million dollars last year.

## \$4,227.50 IS TOTAL SO FAR IN "Y" DRIVE

CAPTAINS AND WORKERS GIVE THEIR REPORTS AT A MEETING TODAY

## PRIZES ARE AWARDED

Rev. Creighton And Phil Byron Win Prizes For Individual Accomplishments

Fifty pledges, representing \$4,227.50, have been secured to date in the Y. M. C. A. annual financial drive, according to an announcement made in a luncheon-meeting of the workers, held at the association building today. This amount is a little over 25 per cent of the amount required. Today's receipts were announced at \$1,976.50.

Reports of the various divisions are as follows: division Y, captained by C. E. Anderson, 13 pledges amounting to \$128; a total to date of \$198; division M, captained by A. R. Beard, 19 pledges amounting to \$307, a total to date of \$444; division C, captained by George Gardiner, 10 pledges amounting to \$141, a total to date of \$251; and division A, captained by J. G. Ginger, 34 pledges amounting to \$340, a total to date of \$354.

To the team captained by Rev. Creighton today was presented the cup for highest results, and this team will hold the prize until beaten by some other team. Rev. Creighton was presented with a bill fold from the Kankakee Book and Furniture store for having brought in the highest total amount, and Phil Byron was presented with a smoking stand from the Lessers furniture store for having brought in the greatest number of pledges.

Following the luncheon, a short talk on Abraham Lincoln was given by A. R. Beard.

## On Their First Day the workers in the Y. M. C. A. campaign turned in \$2,251. Several of the teams had not got started, but were expected to have a good report on Wednesday.

Team twelve, consisting of Donald Gray, Henry W. Dudley, David Bauer, and Earl G. Newport won the high team the first day. They won the challenge cup and were defending it today against all of the nineteen other teams.

The foremost five teams or the leading challenge cup contenders the first day were as follows: Team 12, captained by Gray, 4 pledges amounting to \$100; team 7, captained by Norman, 4 pledges amounting to \$57; team 16, captained by Peik, 6 pledges amounting to \$43; team 1, captained by Gagnier, 4 pledges amounting to \$25.

"Banner division" honors were won the first day by division "M" of which A. R. Beard is the manager. The team captains in this division are Rev. David Creighton, Rev. John Norman, H. Luth, L. Sprimont, and Ralph Farmer.

Men who were able to work on the first day obtained very gratifying results. The two high individual producers, however, were A. R. Beard and Henry W. Dudley. A. D. Proffitt won recognition for turning in the largest number of pledges.

F. E. Willis, a member of the board of directors, said that if people really knew the amount of work being done by the Y. M. C. A. for boys and young men there could be no doubt of raising the money. During their leisure hours boys and young men are found in the Y. M. C. A. daily, doing a lot of things—playing games, watching athletic contests, swimming, attending a discussion group, possibly in a prayer circle—in short doing anything that is wholesome.

Forty-four per cent of a boy's time is leisure time—where and how shall he spend it? This question is confronting every mother and father today. It is a problem of every business man, too. Are we too busy making money to safeguard our boys?

## BUILT TO OUT-PERFORM

...the vital reason why BUICK out-sells every other fine car by 2 to 1

Keep in mind, when you buy your car, that you are buying miles—and that you will get more and better miles in a Buick, as more than 2,400,000 owners have proved.

Buick builds so thoroughly—builds such extra strength and stamina into the Buick Valve-in-Head engine and sealed chassis—that many Buicks, five, ten or fifteen years of age, are still in service... and the speedometers of many of these cars register 100,000 miles and more.

Buick is built to out-perform. This, together with the beauty and comfort of Buick's Bodies by Fisher, explains why America is driving 700,000 more Buicks than any other car in Buick's price class... and why Buick today wins from two to five times as many buyers as any other car priced above \$1200. Come, see Buick's wide range of body types. Then take the wheel! A single drive will convince you that Buick is the big motor car value of the day.

Buick offers 15 body types, priced from \$1260 to \$2070, l. o. b. factory. Marquette offers 6 body types, ranging from \$990 to \$1060. Special equipment extra.

Convenient terms can be arranged on the liberal G. M. A. C. line payment plan. Buick and Marquette delivered prices include only reasonable charges for delivery and financing. Consider the delivered price as well as the list price when comparing automobile values.
