# CONGRESS DECLARES WAR ON THE NAZIS AND FASCISTS

## East And West Engaged In Titanic Struggle; Germany, Italy Enter Conflict Against America

Hitler And Mussolini  
Live Up To Their  
Pact With Japan

Rome, Dec. 11—(Official Radio By AP)—Germany and Italy declared war today on the United States, arraying the axis' might with Japan's and joining the wars in the east and west into one titanic world struggle.

This historic decision was announced by Premier Mussolini to tumultuous crowds in a five minute speech from the balcony of Palazzo Venezia.

The fascist leader pledged his people victory and told them that President Roosevelt, "through a series of infinite provocations, betraying with a supreme fraud the population of his country, wanted the war and had prepared for it day by day with diabolical obstinacy."

Earlier, Foreign Minister Count Galeazzo Ciano had informed the United States charge d'affaires that King Emperor Vittorio Emanuele had declared Italy at war with the United States as from today.

Three Power Pact  
The German-Italian war declarations fulfilled commitments under the three power pact to go to Japan's aid if she were deemed to have been attacked by the United States.

It was assured that the pact would "become an instrument of justice between the peoples."

"Italians," he concluded, "once more arise and be worthy of this historical hour!"

"We shall win!"

"This," he declared in a speech heard here by NBC, "is another day of a great moment in history, marking a new course in the history of the continent."

"Fascist Italy and National Socialism in Germany have allied themselves with Japan in a war against the United States of America."

Figures Germany Invisible  
New York, (London), Dec. 11—(AP)—After nearly one hour of speech-making before his reichstag sounding board in which he again pictured Germany as invincible and at the same time victim of war plotters in the United States, Britain and Russia, Adolf Hitler today declared war on the United States.

The reichsfuehrer told his cheering audience in the Kroll opera house that Germany and Italy were honoring the three power pact with Japan on the grounds, as the axis put it, that the United States had attacked Japan.

"I have today told the German ambassador to the United States to get his passport."

"Germany has never been as united as today and will have the (Continued on page ten)

## Pledges In Chest Drive Reach \$29,335

Reports from employees of industrial plants gained the spotlights last night in a report meeting in which the total of pledges was raised to \$29,335.

Two industrial groups are running a neck and neck race—the Bradley Manufacturing works and the Florence Stove company. A preliminary report expected tomorrow from the Kroehler Manufacturing company is expected to make it a three-way fight.

The industrial total last night added with the report of the advanced gifts committee headed by John Willis and Ralph Francis. Their committee has reported close to \$18,000 to date.

Final reports and 100 per cent employee participation were received from the Kankakee Water company, the Amberg File and Index company and the Kankakee Foundry.

Partial reports were received from the public school teachers in the professional division, while final check-ups and 100 participation were received from employees of Montgomery Ward and Walgreen drug store.

Additions to the 100 per cent honor roll besides the above announced as follows: Section men of the New York Central, carpenter division of New York Central, S. E. Molsant Insurance company, Northwestern Mutual Life Insurance company, county treasurer's office, Kankakee Engraving company, Vanderwater's Clothing company, Paramount Beauty shop, Boots Beauty shop, Nifty Beauty shop, Kankakee Citizens' System and Gousset Sales company.

General Chairman G. E. Anderson presided and presented Leroy Lottinville, president of the trades council and one of three chairmen in the industrial division. Any person who has been overlooked by the workers is asked to telephone the chest office and a worker will be directed to the contributor.

Prisoner of Japs

Concern for the safety of the Rev. Roger C. Drolet, 35, Viatorian missionary, was expressed today. Father Drolet, former resident of Bourbonnais, has directed a mission in Suipingkal, Manchukuo, Jap puppet state, the past seven years. Since he is an American citizen, the Japanese government probably will intern him.

The board also was being assisted by Attorney Raymond Kinzie, Chicago, while Attorney Len H. Small, Kankakee, was participating in the hearing as an assistant state attorney general at the order of Attorney General Barrett. For tomorrow's hearing Attorney Kinzie will sit on the fact-finding board with Commissioner Hoover and Attorney Herschbach.

Make Recommendations  
From the testimony entered here, the board will make recommendations to the civil service commission consisting of Commissioners Robert Hunter, George V. Cline and Hoover, who will make findings therefrom.

The names of the respondents in today's hearing, the positions they hold in the Kankakee state hospital and the nature of the accusations against them are as follows:

Aldrich Boudreau, laborer, hauling voters to the polls in the first precinct of the Third ward; Carochuk, the Japanese puppet state carved out of Manchuria, is believed to be a Japanese prisoner of war.

His brother, Dennis D. Drolet, 1147 South Nelson avenue, expressed concern for Father Drolet's safety since he is an American citizen and may be interned. This country has taken similar action against Japanese nationals since war was declared the first of the week.

In his last letter, written six weeks ago and received here last week, Father Drolet still was at liberty and pursuing his labors at the mission which he founded seven years ago with the help of Brother John Ryan. The latter returned to this country because of ill health and is now in Denver completing his theological studies.

Father Drolet is the son of the late Louis Drolet, former assistant cashier of the First Trust and Savings bank.

Grave Concern For  
Kankakee Woman  
In Free China

New York, Dec. 11—(RN Special)—Grave concern is felt at the New York headquarters of the American Baptist Foreign Mission society for the safety of Miss Esther I. Salzman of Kankakee, Baptist mission worker who is believed to be in Kinwa, Chekiang province, Free China, adjacent to Japanese-occupied regions.

The Baptist Church board is working with the government, doing everything possible to communicate with the missionaries in the Far East. Most of those remaining are workers who volunteered to stay at their posts. Dr. A. L. Warnshuis, secretary of the International Missionary council here, expressed belief today that missionaries in Japanese-dominated countries will not be mistreated.

Hospital Workers

Thirteen Kankakeans today were named as respondents when the Illinois Civil Service commission began hearings in the circuit courtroom here to determine whether these persons, employed at the Kankakee state hospital, have engaged in political activity.

Tomorrow nine persons similarly accused of violation of rule 14 of the civil service statute are scheduled to defend themselves.

Testimony before and against the 13 was being entered today before a three-man board consisting of Ernest Hoover, Springfield, commissioner, and Attorneys Walter O. Herschbach, Joliet, and Frederick Steers.

The board also was being assisted by Attorney Raymond Kinzie, Chicago, while Attorney Len H. Legion Post "All  
Out" For Defense  
Of Common Foe

The American Legion post of Kankakee today offered its entire membership "in whatever capacity the constituted authorities see fit to call upon it for defense of our country and designed to lead to the defeat of our common enemy."

This is done in a resolution drafted by Roy F. Dusenbury and James O. Gieger, signed by Commander Bryan Jackson and attested by Adjutant Herbert Wells.

The resolution is prefaced by the statements, "A great national emergency has descended upon our beloved country which will require the utmost and united effort of all Americans to overcome."

The American Legion has always been the foremost American organization advocating an adequate national defense.

The resolution further urges "consolidation of the citizenship of our country toward a national unity designed to bring to swift and complete victory" and warns the citizenry "to be on a constant alert against the machinations of the enemy within who seeks to weaken our united effort by sabotage."

BULLETIN  
Washington, Dec. 11—(UP)—The senate and house today swiftly passed legislation permitting President Roosevelt to use American troops anywhere in the world in prosecution of the war against the axis.

Acting immediately after they had passed resolutions declaring a state of war exists with Germany and Italy, the two houses of congress voted the measure which extends the term of service for selectees to six months and the duration of war and permits them to fight outside the western hemisphere.

The senate approved the guard bill 86 to 0, and shortly thereafter the house passed it by a vote vote.

"Local actions"  
The Nazi high command said only "local actions" were occurring on the Russian front.

In North Africa, British mobile columns were reported striking sharply at axis forces retreating westward across the Libyan desert from the El Adem area, 15 miles south of Tobruk.

Waukegan, Dec. 11.—(RN Special)—A suit seeking damages totaling \$15,000 was filed today in the circuit court of Cook county as a result of a truck collision last Feb. 27 on highway 45, a quarter mile north of Onarga.

A. J. Culira, manager of the Onarga Nursery company, is named defendant. He is charged with driving at a high rate of speed and crossing the center line of the pavement, causing the accident, according to the bill.

For bodily injuries sustained in the crash, Leo J. Field of Amarillo, Tex., the driver, asks \$10,000 while L. J. Skinner, a passenger, asks \$5,000.

## British Prime Minister In Sweeping Review Of Broadened War

London, Dec. 11.—(AP)—Prime Minister Churchill spoke gravely today of United States and British naval losses in the Pacific and the fact that the Japanese navy had been bound to this war and once they get settled down to the task of the new offensive, they will be able to do anything that comes into their heads.

"The sinking of the Japanese battleship Yamato," he said, "is a blow to the Japanese navy which will be felt for years to come."

He said the House of Commons will be asked to pass a resolution of condolence for the sailors who were sunk by the Japanese.

Churchill declared the British navy in the Pacific as the only place where the United States and Britain could meet the Japanese navy on equal terms.

"The Japanese navy," he said, "is a very powerful navy, but it is not invincible."

He said the British navy will be able to meet the Japanese navy on equal terms in the Pacific.
