Company Rests Case In Bear Brand Dispute

Hearing Concludes As Lawyers Agree To File Briefs

A National Labor Relations board hearing arising out of the recent dispute between employees of the Bear Brand Hosiery company and the company came to a sudden close in the county courtroom this morning.

Attorneys for the respondent (the company) unexpectedly rested their case, waived right, to record testimony, asked and were granted the right to file briefs setting up their contentions as to the law involved.

The hearing began Thursday morning and that day and Friday were devoted to testimony by 22 employees and former employees of the hosiery company in behalf of Local 299 International Brotherhood of Firemen and Oilers, an American Federation of Labor affiliate.

Wins Wings

As a climax to his seven and a half months training as an aviation cadet in the army corps, Paul P. Fickinger Jr., Kankakee, has won the silver wings and gold bars of a lieutenant at his graduation from the air corps advanced flying school, Brooks field, Tex. He is the son of Mr. and Mrs. P. P. Fickinger, 1915 East Merchant street.

Unions Offer To Give Day's Pay To U. S.

Meet Tonight To Discuss "Bombs For Tokyo" Arrangement

Under the slogan "Bombs for Tokyo," representatives of the 37 unions in Kankakee county will meet at 7:30 o'clock this evening in Labor hall, 220 West Court street, to discuss a plan to work one extra day and let the company donate that pay to the government for defense work.

The movement was started locally by the Bradley Metal Trades council which hopes to get all laboring men and women to donate one day's pay to purchase bombing planes for the defense of America.

The 1,100 workers from the David Bradley Manufacturing works and from Turk Manufacturing company already are overwhelmingly in favor of the plan. In these plants, as well as many others, a five-day week is observed. The council points out that most of the employers would be quite willing to allow their employees work a sixth day on some one week for this cause.

Steering Gear Fails When He Tries Left Turn

Louie Laine of St. Anne was thrown from his car in an accident in St. Anne at 5:30 o'clock Monday evening but escaped with only minor injuries.

He was driving north in front of the Allain garage and attempted to make a left hand turn but the steering apparatus failed to work and the car smashed into an electric light pole, hurling Laine out.

Dr. Rush Heads City Medical Society

Dr. E. A. Rush, Seward subdivision, has been elected president of the Kankakee City Medical society. Other newly elected officers are: Dr. J. R. Wilkinson, vice president, Dr. A. L. Nickerson, secretary-treasurer.

Relatives Deny Fraud In Estate Of 80-Year-Old Man

Denial that there was any fraud or conspiracy in the handling of the affairs of August Wenneholm, 80, Momence, was being recorded today in the circuit court before Judge Luther B. Bratton.

The suit, in its second day, is by Wenneholm against his nephew Edward, a brother Gustave and the latter's wife Marie, William Zipperman and Anthony Parish, cashier of the Parish Bank & Trust company of Momence.

Wenneholm's complaint, filed in October of 1940, alleges there was conspiracy to get possession of his property and that \$12,000 was fraudulently handled during the period April 4, 1937 to Jan. 6, 1938.

He alleged that Edward Wenneholm and Zipperman obtained his signature as power of attorney when

Widen 2 Blocks On S. Washington Ave. Next Year

State Approves Plan Which Was Previously Rejected

Widening of the 100 and 200 blocks on South Washington avenue will be added to next year's street improvement program, financed by receipts from the state motor fuel tax. This was announced last night by Alderman Edmund LaPorte, Third ward, at the city council meeting.

Assurances to that effect were given the alderman following a meeting with the district traffic engineer of the state highway department. Previously this request had been turned down, but the traffic congestion on this narrow street, traversed by U. S. highway 45, has continued to grow steadily worse.

Alderman Herman Haake, Third ward, reporting on bids for repairs and painting at the west side fire station, said only two had been obtained. A. G. Wilson and Son bid on the painting only at \$112.50; Ray Benoit submitted a bid of \$278 for both painting and renewing rubber on the fire doors, repairing sash, renewing screens and other work.

Hitler Ordered To Mountains; "Rest Cure"

Ankara, Dec. 15—(Delayed)—(UP)—Informed German circles reported today that Adolf Hitler has gone to his Berchtesgaden mountain retreat under medical orders to "take a rest cure."

Hitler, these sources said, was warned by his physicians that he seriously has overstrained his physical capacity in recent months.

The advisers were said to have impressed upon Hitler the probable serious results of continuing to overtax his nervous system.

They were said to have advised Hitler to take a thorough rest cure.

Japs Claim To Have Landed On British Borneo

Lies In Vitally Important Position In Center Of East Indies

Tokyo, Dec. 16—(UP)—Japanese official broadcasts recorded by United Press—Japanese imperial headquarters asserted today that its troops had been landed in British Borneo.

A headquarters communique said the landing was effected this morning despite the handicap of a stiff wind. (Borneo lies in a vitally important position at the center of the East Indies.)

(The great island is made up of Dutch Borneo, the British protectorate of Sarawak and British North Borneo.)

Gen. Hideki Tojo, premier, addressing a war session of parliament, said: "There has been no change in the attitude of Japan toward the Soviet Union. On the other hand, the Soviet Union has repeatedly declared that it considers itself bound by its neutrality pact with Japan."

A joint communique of the army and navy sections of imperial headquarters said that occupation of America's outpost island of Guam had been completed last Friday after mopping up operations. The communique commented that construction of defense facilities apparently had been under way when the Japanese attacked.

A separate communique described Japanese advances on Luzon island in the Philippines and in British Malaya.

It said Japanese forces landed there had effected contact at many points with United States army formations and attacked them successfully.

"Pursuit of the enemy continues without interruption," this communique said.

(Radio Berlin asserted that the Japanese shot down 45 American planes over the Philippines, presumably yesterday.)

Further deep penetration was claimed in Malaya.

Japanese dispatches described ferocious attacks on British Hongkong by successive waves of planes and a continuous artillery bombardment. (A gabled dispatch of the Domei news agency referred to "the appointment...")

18 Apply Here For Navy Enlistment; 2 Join Air Corps

Chief Petty Officer William J. Freeman, navy recruiter, will again be at his office in the postoffice until midnight tonight to receive and examine applicants for navy enlistment.

Yesterday he examined 18 applicants but the names of those accepted will not be announced until Jan. 6. Recruits may remain at home until after the holidays.

Sergeant M. E. Ankam, army recruiting officer, yesterday accepted two recruits for the air corps. They are Lloyd Francis Regnier, 22, son of Mr. and Mrs. John August Regnier, St. Anne, and Claude Marcellas Prew, 28, son of Mr. and Mrs. Louis Charles Prew, 466 South Dearborn avenue. They will be sent to the air corps at Jefferson barracks, Mo. Army Clerk Hector J. LeBeau said today that he will be glad to furnish birth certificates, when they are available in his office, without charge to applicants to any of the nation's armed forces.

Claim \$5 Revives Outlawed Debt

A suit by Dr. C. A. Dionne, Kankakee, vs. William Stang, farmer near Kankakee, was heard yesterday by County Judge C. D. Henry and taken under advisement.

The case was an appeal from the court of Justice Fred R. Smith who last March 28 gave the veterinarian a judgment for \$200. Dionne claimed \$344.50 for services.

During yesterday's hearing, the farmer, represented by Attorney Donald Gray, admitted to owing \$38 but claimed that the remainder of the amount asked had been "outlawed" by the statute of limitations.

Attorney Anker C. Jensen, representing Dionne, contended that the payment of \$5 during the past year has revived the entire debt.

Asks Dismissal Of Wife's Divorce

A motion for dismissal of the pending Stankus vs. Stankus divorce suit was filed for the circuit court today by Joseph Stankus, the defendant.

The motion is by Attorney Fred R. Stith, representing Stankus, and it asks dismissal of the suit on technical grounds.

The suit is by Mrs. Helen Stankus, Kankakee, the former Helen Posing, who alleges cruelty. It is represented by Attorney Victor Lauridsen.

Her complaint, filed on Nov. 22, says the couple married on April 22, 1939 and lived together until N. 10, 1941. There are no children.

House Of Commons Votes War Credit For Fiscal Year

London, Dec. 16—(P)—Sir Kingsley Wood, chancellor of the exchequer, told the house of commons today that Britain has spent \$300,000,000 pounds (\$39,000,000,000) to fight the war so far.

Commons unanimously voted Britain's fourth 1,000,000,000-pound (\$400,000,000) war credit for the current fiscal year. No questions were asked.

In requesting this new loan Sir Kingsley disclosed that only \$225,000,000 was left of the \$3,000,000,000 (\$390,000,000) voted since March 31, and that Britain is spending at the rate of 12,000,000 pounds (\$48,000,000) a day.

Judge Hooper Leaves Estate Of \$67,000

Watseka, Dec. 16—(RN Special)—The will of Frank L. Hooper, circuit judge here for 30 years, who died last Oct. 21, was probated today by Judge Stephen C. Malo. The estate is valued at \$67,000.

The widow Grace Willoughby Hooper, receives the bulk of the estate which includes \$55,000 in real estate and \$12,000 in personal property. Two other heirs, each of whom receives lots here, are a sister Louise C. Fowler of Lafayette, Ind., and a niece Sadie Campbell of Watseka.

The will of Leah Schipper, former Pigeon Grove resident who died Sept. 4 at Normal, leaves \$25,000 in real estate and \$400 personal property to nine children, four of whom reside in Ingoquois county—Anna Newcomb of Onarga, Lydia Schipper of Cissna Park, Chris and Charles of Cissna Park.

New Administrator In Koerner Estate

Elizabeth Koerner of Cabery has been appointed by County Judge C. D. Henry as administratrix of the estate of Christina Koerner, late of Cabery, who died Nov. 24. The estate is valued at \$2,000.

The new administratrix succeeds Archibald J. McKinney, Kempton, previously appointed but who failed to qualify.

The heirs to the estate are Mrs. Koerner's sons George of Kempton, Joseph of Kankakee and Peter of Cabery and a daughter Mrs. Hilda Sadler of Cabery.

Seek Names Of Boys At Camp Lewis

If you know any local young men who are serving in the army at Camp Lewis, Wash., you should notify A. D. Goudreau, chief clerk of selective service board No. 1.

Mr. Goudreau did not reveal the reason for his request, but his interest in selectees has not been confined to getting them into the army. He likes to keep track of them after they are in service, and remember, it's Christmas time.

Nab English Hobo In Ingoquois County

Watseka, Dec. 16—(RN Special)—A 60-year-old alien, Herbert Raper of Leeds, Eng., who has been "on the bum" in the United States the past six years, was arrested at Millford yesterday by Sheriff Guy E. Redman and brought to the county jail where he is being held for vagrancy.

He was attired in five pair of overalls, carried five razors and four wallets containing \$4.97. Raper is to be taken into county court.

Local Draft Quota Is Now A Secret

The two local selective service boards have received their tentative quotas for January, it was learned today, but the amounts of the quotas may not be published now as this is considered military information.

The induction date has not yet been announced.

This Little Girl Takes No Chances

This little schoolgirl took no chances when she wrote to Santa Claus, "I've been a good girl, please pay me a visit Christmas eve." A practical little person, she also wrote to the Kiwanis club, which tomorrow morning gives the annual Christmas party for underprivileged children at the Paramount theater. She and 500 other youngsters, whose names are furnished by teachers, will attend.

Four Nipponese Fighting Planes Also Shot Down

Far Eastern Enemy Aims New Air Attack On Olongapo Naval Base

Washington, Dec. 16—(P)—The war department announced today that four Japanese fighting planes were shot down, the communique said without indicating whether they were bagged by anti-aircraft fire or by American fighters.

No ground operations were reported in the Philippines, and the communique said there was no change in the situation reported from other areas.

The text of the communique: "1. Philippine theater: "Enemy air activity was of a minor character. Four Japanese fighting planes were shot down. "American army bombers renewed attacks on Japanese vessels off Legaspi, seriously damaging one enemy transport. "No ground operations reported. "2. No change in the situation reported from other areas." Legaspi is on the Pacific coast of Luzon approximately 200 miles southeast of Manila.

By R. P. CRONIN, Jr.
Manila, Dec. 16—(P)—Japan's assault on the Philippine islands slackened off today to an air attack on Olongapo naval base, northwest of Manila bay, but defense forces regarded the respite only as temporary.

Although there was no official explanation, most observers said the let-up probably meant that the Japanese were moving additional forces and supplies into position off the island coasts, resting pilots, overhauling planes and marshalling gasoline, bombs and ammunition for new and powerful attacks.

(An army communique in Washington, reporting on the Philippine situation up to 8:30 a. m. est. today, said a Japanese transport had been seriously damaged by air attack off the Luzon island port of Legaspi.)

Announcement Not Clear
(The announcement did not make clear whether this was a revision or an addition to the two Japanese transports which U. S. army headquarters in Manila reported yesterday as having been heavily damaged—also off Legaspi—by U. S. army bombers.)

Japan's concentration on the siege of Hong Kong, it was said, also may have contributed to the Philippines' respite.

No new enemy attempt to strengthen the three beach heads wrested on Luzon island at heavy cost of men, ships and planes last week or to establish new ones has been reported. The briefest war bulletin yet issued by the U. S. army headquarters said at 4 p. m.

Kiwanis Club Volunteers In Home Defense

Name Committee To Plan Civilian War Activities For All

A committee to represent the Kiwanis club in community planning of a civilian defense program here is to be appointed within the next few days by Roy Strasma, club president.

Authority to name such a committee was given during yesterday's Kiwanis meeting at McBroon's cafe by the chairman at the suggestion of J. G. Gieger, member of the American Legion defense commission for this area.

The committee, besides attending whatever meeting is arranged by the community to plan civilian defense, is to draft a resolution offering the services of the clubmen to the state and nation in the emergency.

"All this is very important and something the club wants to get behind," President Strasma told the Kiwanians.

Local Responsibility
Mrs. Margaret Wells Wood, specialist in parent and social hygiene education for the state department of public health, was the speaker at yesterday's club meeting.

"It is the community's responsibility that all that comes to the minds of young people be wholesome and enriching," Mrs. Wood said.

"What the best families want for their children is what the entire community wants for all the children," she added.

"We will have to stir ourselves out of our complacency to see to it that the home, the church, the schools and the community centers are opened to a degree as never before, to provide for young people activities that are interesting and desirable, which provide supervision for them as they have their fun."

A Good Community
Mrs. Wood said a community is a good one if it is a safe and happy place in which children can be born.

Exact Value Of Soy Bean Crop Is Unknown

Uncertainty Due To Unusually Wide Market Fluctuations

By FRANKLIN MULLIN
Chicago, Dec. 16.—(AP)—Slowly and betwixt farmers in the middle west are getting their record 1941 soybean crop out of soggy fields, not knowing from one day to the next what its exact value will be. Adding to the vex of producers, hampered for weeks by weather about as unfavorable for harvesting as imaginable, has been the uncertainty about price because of unusually wide market fluctuations. One thing has been certain, however. Despite wide and rapid price changes, the 1941 crop is the most valuable ever produced, with production and market quotations the highest on record.

Stimulated Prices
Before the Chicago market opened today the new soybean crop

was worth about \$12,000,000 less than a week ago. Last week it was worth about \$12,000,000 more than a week previous. Since the first of September the Chicago price of beans has raised all the way from about \$1.50 to \$2 a bushel. Outlook of war has not yet stimulated buying and prices soared 12 cents a bushel, the limit under emergency ceiling, clamped on the market at the request of the Commodity Exchange administration. Since Saturday all this advance has been wiped out.

Soybean men said the principal reason for this reaction was that the government placed a ceiling on fats and oil prices as of Nov. 26. In Chicago was 9 cents below the price at which it closed yesterday, \$1.63. This ruling included soybean oil, an important factor in determining the value of a bushel of beans.

Valuable Grain
Because beans still are worth more than \$1.50 a bushel on the farm, the yield of an acre is considered as valuable as an acre of corn and more valuable than any other grain. Producers, therefore, have made unusual efforts to harvest beans but only about 80 per cent of the crop in Illinois, major producing state, had been brought in at the close of last week, according to private estimates.

The latest estimate of production indicated a harvest of 111,300,000

RURAL SUBWAY TRAPS DOG 5 DAYS
Clarkburg, W. Va.—(AP)—If only a dog could talk, City Petrolman Dan Poling's black and tan Walker foxhound could tell of being buried for five days in an underground drainage sewer.

Poling, a former president of the Harrison County Fox Hunters association, and other hunters took their dogs out for a run, a nearby farm and when they returned "Drive" was missing.

Five days later John Layton of near Wolf Summit, heard a whine from beneath a pasture field. He spoke to the dog and "Drive" answered with a joyous bark. Nearby to the scene were four

Grand Strategy Necessary In War On Axis

Co-ordination Of Allied Effort Will Be Discussed

By EDWARD W. BEATTIE, JR.
United Press Staff Correspondent
London, Dec. 16.—(UP)—All necessary steps have been taken or are being taken to concert war plans of the major allied powers, an official spokesman said today.

"It would not be helpful to have detailed public discussions at present," he added, "but statements will be made from time to time in parliament regarding the co-ordination of allied effort."

As the statement was made it was reported in well informed quarters that important discussions already were in progress in London, Moscow and Washington on grand strategy for the world-wide war against the axis powers.

Joint War Efforts
British and Russian were preparing to inaugurate formal discussions at the end of the year, the spokesman said.

Further, it was understood that preliminary discussions were being held at present between the British and Netherlands governments for a formal war alliance.

He said Great Britain's total war expenditures to date after 2 1/4 years of fighting, had reached the colossal figure of \$4,300,000,000 (\$3,200,000,000 compared with \$925,000,000 for the United States).

Thus, continued expenditure up to four years in this war at the present rate would mean a total expenditure of nearly \$6,000,000,000.

There was general expectation here that important moves toward uniting grand strategy among all major anti-axis powers, including China, were imminent.

Political Collaboration
Special importance was attributed in diplomatic quarters to the forthcoming Moscow negotiations, designed to result in closely co-ordinated strategic plans and an agreement on political collaboration as well.

Informants said it would not be surprising if as one result of the Moscow talks, British forces, as well as Polish, would be found fighting alongside the Russians on Russian soil.

As regards the Netherlands, the Holland government for some months had indicated its willingness to enter a formal alliance with Britain. It was suggested in diplomatic quarters that Britain's unresponsiveness might have been due partly to the fact that the United States was not then actively in the war.

Berlin, Dec. 16.—(UP)—German official news agency broadcast recorded by United Press—German submarines have sunk a British cruiser off Alexandria, Egypt, it was asserted officially today.

The submarine attacked a formation of cruisers, it said, and one cruiser, "badly hit," broke in half.

SPEDIES GIVEN SILENT QUIZ

Tampa, Fla.—(AP)—Twenty motorists charged with speeding because of their failure to stop at a "red light" were given a silent quiz on the law of the state.

One woman, charged with driving 45 miles an hour in a 25-mile zone, said she could stop in three feet. "Madam," the judge replied, "stop your auto the way you are driving it!"

CAPTURES HUGE EAGLE
Sacramento, Cal.—(AP)—One of the largest golden eagles seen near central California was captured here and is being housed at the state museum.

The eagle was captured by two Los Angeles men who were driving along the highway on a motorcycle. The men, Virgil Brockman and Donald Butchell, said the huge eagle swooped down from a ledge near the road, seized the motorcycle and apparently was stunned temporarily as it struck a clump of brush.

WAR CANCELS WEST COAST WINTER SPORTS PROGRAM

Gomez, Lee Lead 1941 American League Pitchers

Wade Repays Evil With Good In Taking Over Rose Bowl Tilt

By JACK GUENTHER
New York, Dec. 16.—(UP)—If it's true that revenge is sweet, I hope for the sake of the Oregon State football team, the tournament of roses committee and the sports writing brotherhood of Los Angeles that Wallace Wade isn't afflicted with a sweet tooth.

It he is, notice is hereby given that all Californians have better plan to spend Jan. 1, 1942, in California—not California.

For if ever a man had a chance to deal from the bottom, to rig the wheel with wire and to cook the dice on at least three sides, the Duke football coach is that man. After 10 years of having to prove that he could take it, Wade has been given an excellent opportunity to dish it out to the same parties who so delightfully dished it out to him.

One left swoop the Rose Bowl game—or is it the Tobacco Bowl game now—has come home to Durban, N. C. It has come home to root right in Wade's back yard and with it came many lingering memories that Wade left behind him in the big saucer in the Arroyo Seco on more occasions than he cares to remember.

Epic in R. B. History
Obviously, however, Wade won't take advantage of this chance for

Pair Of Lefties Win Hurling Honors In A. L.

By GEORGE KIRKNEY
New York, Dec. 16.—(UP)—A pair of southpaws, Vernon Gomez of the Yankees and Thornton Lee of the White Sox, carried off the two big pitching prizes in the American League last season, according to the official averages released today.

Gomez, making a comeback after almost being shunted off the Yankee bandwagon during the winter, led the league in percentage with 33 victories and five defeats for a mark of .750. Although the Yankee court jester had some trouble going the round, Gomez proved himself a great T-1000 pitcher and with Johnny Murphy to mop up for him he was able to lead the pitching parade.

Lee led the league in earned runs and there was nothing fluky about his triumph. The veteran White Sox pitcher, who won 27 earned runs per game in 20 innings in 35 games, was the only pitcher to win 20 or more games.

Three other pitchers finished ahead of Lee but none of them worked more than 100 innings and therefore could not be considered in the running for the earned-run title. Johnny Murphy, White Sox, who worked 73 innings, had an earned run average of 1.85. Johnny Murphy, Yankee reliever, had a mark of 1.99 for 77 innings. Joe Heving, Cleveland fireman, pitched with an earned run average of 2.38 for 71 innings.

Despite the fact that Bob Feller, Cleveland fireballer, dropped from first to sixth among the regular starters in earned runs, he enjoyed a highly successful season. Feller led in total victories, with 25; most strikeouts, 260; most shutouts, 12; and most innings pitched, 343; and faced the most batters, 1,254. He came the closest to a no-hitter with a three-inning no-hitter against the St. Louis Cardinals. He also hurled two 3-hitters and five 4-hitters. His earned run average was 3.15 as compared to 2.22 for Feller.

Because of his frequent work feller allowed the most walks, 194, and the most hits, 291. He was the only one of the 20-game winners, the other being Lee, who copped 22 games and 11 shutouts. Feller was the first two American league pitchers to work as many as 300 innings since Ted Lyons and Tommy and Al Simmons in 1927. Lee pitched exactly 300 innings.

The biggest nose dive was attributed to Buck Newson, Tigers ace, who won 21 games and lost only five in leading the league in 1940. He won 12 games last season while losing 20.

One of the greatest feats of the year was accomplished by Lefty Grove, Red Sox's veteran southpaw who announced his retirement recently. By winning 7 games and losing 7, Grove moved into the exclusive 300 club with that many victories during his American league career.

They also won flashlights, electric irons, bed-rooms, electric radios, and many other useful gifts permitted by the regulations. We've got 'em! Come in right away.

Army Not Likely To Interfere With New Rose Bowl Site

Durham, N. C., Dec. 16.—(UP)—The scene of football's oldest and biggest extravaganza—the Rose Bowl game—will shift across country today to the land of tobacco.

War cancelled the Big New Year's day contest between Duke University and Oregon State as far as the huge Rose Bowl stadium, the tournament of roses and Pasadena are concerned.

There was little doubt that the game would be played here Jan. 1, Governor J. M. Broughton of North Carolina personally intervened and assured Washington officials that the game would not interfere with the state's defense program. He then announced, "I think the army will give its permission."

Past on the heels of the announcement that the game would be played here as an official Rose Bowl game, the state's defense program, he then announced, "I think the army will give its permission."

Duke stadium will seat more than 50,000 persons and tickets will sell for \$4.00 apiece. The tournament of roses will get its cut and probably determine how the remainder will be divided.

St. Anne Wins Over Martinotti 31 To 14

St. Anne high school's basketball team whipped Martinotti of the latter's court Saturday night in a 31 to 14 game. The visitors had too much height for the Martinotti cagers. In the preliminary game, Martinotti grade school's team won its eighth straight by defeating Chebanse 15 to 14.

Joliet Boy Named St. Joe Grid Captain

Renuesaler, Ind., Dec. 16.—(UP)—Pete Varni, junior fullback for Joliet, Ill., was elected captain of the 1942 St. Joseph's college football squad last night. Varni, who made 72 points last season, was the second highest collegiate scorer in Indiana for the second year in a row.

Reddick Indies Win Ist Basket Battle

The Reddick Phillips '68 independent basketball team defeated Marteno state hospital's five in a game played on the latter's court Monday night by a score of 43 to 19. It was Reddick's first game. D. Phillips had scored the second points, while Crawford led Marteno with eight.

Wes Ferrell Pleads For Another Chance As Major Pitcher

Miami, Fla., Dec. 16.—(UP)—Handsome Wes Ferrell, burning at 33 with a rookie-like ambition, believes he is willing to be patient.

"All I want is a fair chance," asserted the pitcher whose hair-splunging control once baffled the game's best hitters.

After being kicked around pretty much ever since the Boston Red Sox traded him in 1937, he explained, telling of his brief stints with Washington, the New York Yankees, Brooklyn and the Boston Braves.

"One year, I pitched and they didn't want much time with you. Why, I pitched only four innings before Brooklyn dumped me. I had won a couple of games and was doing all right for the Braves last spring when they cut me loose. You can't do much with a brief trial like that. Once you leave the big time it takes awhile to catch up again."

His once-splunging arm is fit again, "and if I could get a chance at a complete year with a club, I'd show you some real pitching."

If no mound jobs are available, Ferrell would like to catch on as an outfielder—a task for which his ever-kind batting eye would be a coach's relief.

Falling that, he would jump at a coach's relief.

Ferrell would like to catch on as a minor league manager's berth.

Chicago Gets Taste Of College Hockey

Chicago, Dec. 16.—(UP)—Chicago, which can be as fanatical over its college sports as any other National hockey league town, will take a look at the collegiate variety of the game for the first time Monday, when the University of Illinois and Dartmouth sockies collide in the arena.

At Illinois, where hockey teams came into being only four years ago, young Vic Heyliger has developed great aqua. The Illinois Big Ten champions last year, they were stepping into the metropolitan arena against one of the east's major teams.

The game will be the first of two between these clubs. They are scheduled to play again Tuesday night at Chicago's University of Illinois rink at Champaign, after the Illinois-Notre Dame basketball game.

Dartmouth's team, coached by Eddie Jeremiah, also will face Minnesota and Colorado at its western trip, playing six games in all.

Frish Doing Well After Operation

Pittsburgh, Dec. 16.—(UP)—Manager Frankie Frish of the Pittsburgh Pirates baseball team was recuperating today in Mercy hospital following an operation on his left foot. He will remain in the hospital for 10 days.

New York—Charles (Lulu) Constantino, 124, New York City, died today of a heart attack at his home, 123, New York City.

Bradley Host To Kankakee Five Tonight

Bradley high school's basketball team is favored to win its 10th straight game from Kankakee tonight when the inter-city rivalry clash in Bradley's gymnasium at 8:30 o'clock following a lighted preliminary between the two schools at 7:15 o'clock. The latter contest is expected to be a thriller.

Both Kankakee and Bradley have other engagements this week after tonight's tussle. The Kays travel to Blue Island for a South Suburban league struggle Friday night, while Bradley performs against Monmouth, there.

Bradley holds the favorite role because of the fact that it has lost three games, to Flora, Mattson and Berdon, while defeating St. Patrick, Mattoon, Chicago, and Danville.

Other games scattered throughout the night are: Herscher at Mattoon, Coal City at Broadwood, Strawn at Forrest, Grant Park at Northbrook, Pontiac at DuSable, Joliet at Wilmington, Saukville at Chatsworth, Hoquon at Watseka, Kankakee at Mattoon, Piper City at Onarga and Stockland at DuSable.

Gibson City Leads Waukegan Cage Loop; Wins 2, Loses None

When Gibson City defeated Mifflon 35 to 31 last Friday night, it assumed first place in the Waukegan high school basketball conference. Randolph helped boost Gibson City to the top by beating Waukegan the same night, 29 to 27.

Mifflon plays at Gilman tonight in a last-place battle, while Friday night's program pits Gibson City against Paxton, there, and Randolph at Mattoon, there.

The standings follow:

Team	W	L
Gibson City	2	0
Waukegan	1	1
C. & H. Hawks	1	1
Paxton	1	1
Gilman	0	2

Illinois Wrestling Team Has A Rising Star In Mr. Agase

The University of Illinois wrestling team, which in years past has produced many individual and team champions, is under the tutelage of Coach Harold E. (Tex) Kenney.

Fighting at the top weight will be Alex Agase, the "Fighting Ace," whose record is 10-0. Agase has won the state championship in the heavyweight division.

On the Illinois squad this year are four lettermen, all of whom have won the state championship. They are: Bill Luter, 120 lbs., 10-0; Harold Perry, 115 lbs., 10-0; Bill Luter, 120 lbs., 10-0; and Harold Perry, 115 lbs., 10-0.

One-Man Coaching Staff Has Plenty To Do At Cameron U.

Lawton, Okla., Dec. 16.—(UP)—Cameron agricultural college has a pretty big athletic program for a one-man coaching staff but that doesn't bother Athletic Director Jess Thompson.

He is in charge of the basketball, football, and boxing teams. Thompson is a one-man coaching staff but that doesn't bother him.

Graphic Stories Of Heroism In Hawaiian Attack

Navy Secretary Knox Relates Part Of Story In His Report Yesterday

Washington, Dec. 16.—(AP)—Remember Pearl Harbor?

Then remember a battleship captain, his stomach torn open by a shrapnel burst, fighting his ship from the bridge until he died on the deck.

Remember a rookie gob who jumped to a machine gun before the first alarm sounded and blasted a torpedo plane as it leveled against his ship.

Remember the sailors from disabled ships who swam through blazing oil to get on outward bound destroyers to make sure they'd get back into battle.

Remember the lone bluejacket who manned a five-inch anti-aircraft gun and kept it firing after ten battery mates had been shot down in a strafing attack.

"Gravest Hour of Peril" These men and their mates saw Pearl Harbor through, saw the navy through what Navy Secretary Knox calls its "gravest hour of peril."

Knox told part of their story in his report yesterday—no one probably will ever be able to tell it all—and it was a story of heroism, sacrifice and courage of which, as Knox said, "the American nation may well be proud."

The portion of the fleet in Pearl Harbor had been caught flat footed by the treacherous Japanese attacks. Hardly had the keen-eyed watchers on the navy yard signal tower sent out visual warnings of the approaching raiders when high explosives and incendiaries rained down. Torpedo planes darted low to drop their deadly tin fish. There was fire, flame, explosions—a dantesque scene as oil-coated harbor water ignited and billowed up.

The words of the official report only hint at the stark drama of valor and discipline as the fighting men and the fighting ships recovered to meet the surprise onslaught.

Tremendous Moments "With the ship (an aircraft tender) already on fire from repeated high altitude attacks, her anti-aircraft batteries downed a plane which crashed in flames on her deck. At this moment her captain observed the shadow of an enemy two-man submarine approaching within a few yards. . . Hits were scored immediately. . . The tender then shot a second plane. . .

"On a submarine base dock a blue-jacket, carrying a heavy machine gun for which there was no mount immediately available, shot the weapon from his arms, staggering under the concussion of the rapid fire. . .

"One seaman had been confined to his battleship's brig for misconduct a few days earlier. When an explosion tore open the door, he slashed straight for his battle station on an anti-aircraft gun. . .

"At the several naval air stations attacked crews dashed into the flames enveloping planes set ablaze by incendiaries, stripped off free machine guns and with them returned the enemy's fire. In at least one instance an enemy craft was shot down. . .

Fought Despite "Lying in a hospital bed when the

DANCER AND PRANCER LIVEN UP PLAZA New York.—(AP)—Real reindeer will reign in Rockefeller Plaza beside the fountain of Prometheus for the first time this Christmas. This is the first time in about 30 years that live reindeer have been exhibited in New York, outside a zoo, during the Yuletide season. Four of the reindeer will inhabit inclosures of moss and evergreen beside the plaza fountain.

Modern Developments I doubt if matters will be much improved with modern developments either. I have heard rumors to the effect that the morale of the present army is not quite as high as the officers would like to have it. I doubt if the morale will be improved

"The real story of Pearl Harbor," Secretary Knox said, ". . . lies in the splendid manner in which all hands did their jobs. . .

"Pearl Harbor was a tough time. But the navy has known tough times before. During one of them back in 1779 a man named John Paul Jones said: 'I have not yet begun to fight.'"

Plan New Style Concentrated Rations For U. S. Soldiers

By LOGAN CLENDENING, M. D.

I felt the other day when I read in a magazine about the concentrated rations that the soldiers are going to get, as if time had turned backward and I was a boy again at the time of the Spanish-American war.

I remember a small detachment of what we will call "Pride's Own Regiment" being detailed to go out in a vacant lot near my home in 1898 and being made to live on concentrated rations of food for two weeks. The vacant lot was surrounded by guards so nobody could escape.

It is very desirable for the army to have concentrated ration. The big trouble with an army is that it has to eat, and this requires cumbersome apparatus and long lines of communication. If you could give a soldier something about the size of a cigarette package which would contain enough concentrated food to last him for a week, you could send him forward without waiting for the wagon trains and be able to win a great many more battles.

Not Satisfying It sounds very simple. Sugar is good nourishment that you can put in small compass and you ought to be able to do that with all food elements. The trouble heretofore has been that the concentrated food just doesn't seem to do the business.

In the Spanish-American war days it might have been the lack of vitamins, but nowadays we can get vitamins in pill form so that shouldn't be a difficulty. But the complaints I heard during the Spanish-American war had nothing to do with vitamins. It was what might be called the element of fullness that the soldiers deplored.

When I say they deplored it, I mean they really deplored it! Such command as I have over the cuss words in the English language was learned from the remarks of those soldiers in that vacant lot behind my home engaged in deploring their concentrated rations.

I doubt if matters will be much improved with modern developments either. I have heard rumors to the effect that the morale of the present army is not quite as high as the officers would like to have it. I doubt if the morale will be improved

by the following breakfast:

Penmican biscuits, graham crackers, malted-milk tablets, canned veal loaf, soluble coffee and sugar, stick of gum, and water.

When the long shadows of the evening stretch across the camp fires and the boys sit down to the following dinner: Penmican biscuits, graham crackers, canned pork-beef sausage, fudge candy, lemonade powder and sugar, stick of gum and water. I doubt if the old songs will ring across the wilderness the way they did when we had bully beef and all the trimmings that go with it.

P. S. I tried to get some of this concentrated ration in order to try it myself before advising my readers about it, but the Quartermaster of the Chicago Depot tells me that a strike at the can company will delay procurement of this ration for several months.

QUESTIONS AND ANSWERS

H. V. G.—"Can tuberculosis glands of the neck be mistaken for Hodgkin's disease?"

Answer: Yes. Both diseases involve the same chain of glands.

F. R.—"I have been told that I have a shortage in red blood corpuscles. What food or living habits would you suggest to help remedy the condition?"

Answer: One-half pound of liver or liver extract a day seems to be indicated.

POACHER INVADERS CITY

Malden, Mass., Dec. 16.—(UP)—Two wild deer were killed by an unidentified hunter in woods near a residential section despite a law which prohibits shooting within the city limits. Police found the carcass of one of the animals under a tree—the other where it had crawled or been dragged in Police Commissioner Burt Dewar's garage.

LONGEVITY TIP

Florissant, Mo.—(INS)—Louis Aubuchon, who celebrated his 101st birthday at his home here recently, gave this tip to those interested in long living: "Don't worry much. I don't. Why, I don't know what is going on in this war, and I don't care."

Held in Shooting

Private Eugene I. Tuttle (above), 19, of Divide, Mont., was held in jail in Los Angeles, Calif., on a booking of suspicion of murder in the fatal shooting of socially prominent Mrs. Adele Brandel, 52, Sheriff's Inspector Walter Hunter said Tuttle admitted firing his gun when the Brandel car failed to halt at his signal near the municipal airport but that the soldier said "I thought I fired into the air."

Ask Federal Funds To Aid Educating Children

Springfield, Ill., Dec. 16.—(AP)—School districts in Illinois defense areas have applied for \$65,000 in federal funds to assist in educating children of workers in the rapidly expanding communities. It was announced today.

The office of John A. Wieland, state superintendent of public instruction, said that about 20 districts in such defense areas as Joliet, Rock Island, Alton and Hannibal had applied for federal funds.

Wieland estimated that \$87,000 would be needed from the federal government to provide suitable educational facilities for the current

school year in areas where the population has been suddenly increased by the erection of defense plants. Partial payments already have been made to some districts.

Illinois schools will use federal funds, provided under the community facilities act, for maintenance and operation of schools. In some districts, school boards have rented churches or unused buildings to house additional classes.

An announcement from Wieland's office following a conference of local school officials with executives of Wieland's office and the U. S. office of education said that additional school needs were expected in Belleville and the Crab Orchard Lake district in southern Illinois. Other communities where funds

were sought are Wilmington, E. wood, and Colona.

TRAILER CAMP POST OFFICE St. Louis.—(INS)—What is believed to be the first trailer camp post office in the United States was opened in St. Louis county recently. The camp, located at Gray's grove, consists of 137 families representing approximately 500 persons, most of whom are defense workers. William Gray, owner of the property occupied by the camp, is the postmaster.

TOWNSEND CLUB Bradley Townsend Club No. 1 will meet at 7:30 o'clock Wednesday evening in the Bourbonnais town hall with a speaker from national headquarters.
