JUDGE AUSTIN TO CONSIDER RECOUNT CASE

JOLIET JURIST TAKES ACTION
ON DEMURRER UNDER AD-
VISEMENT

UNTIL NEXT TUESDAY

Court Upholds Right Of Burdick
To Bring Suit Contesting
The Election

Arguments in the election contest suit brought by O. A. Burdick of Joliet against W. J. Richert, were concluded before Judge Ralph J. Austin of Joliet county court this morning. The court announced that he knew but little details of the case and that he would not announce his decision in the petition of Burdick for a recount until next Tuesday—April 29.

Judge Austin declared that, while it is the purpose of the Australian ballot to keep secret as much as possible the ballots, that the small margin of a majority of only 81 votes in a total of over 15,000 cast at the primary election April 8th is deserving of special consideration and that the petitioner has a just reason to enter court and ask for a recount.

Burdick was the regular Republican candidate for the office of county clerk at the primary. The judges of the election credited Burdick with 7,586 votes and Richert with 7,667.

A few days after the election, Burdick filed his petition for a recount in which he alleged error upon the part of election judges in 29 out of 41 precincts counted illegal ballots in favor of Richert and failed to count votes legally cast for himself. He also charges error in counting the ballots and states that in many precincts there were more ballots in the ballot boxes than there were names of voters on the poll books.

Burdick was represented in court by Attorneys Anker C. Jensen, C. D. Henry and Irvin Taylor. Richert was represented by the leaders of the gang which has always fought the regular Republican faction in this county, including J. Bert Miller, Wayne Dyer.

Upholds Burdick
Arguments today hinged chiefly upon previous decisions in election suits. Richert's attorneys attempted to have the case thrown out of court on the claim that Mr. Burdick had not proved his citizenship and that he had no right to vote or hold office. This charge was speedily answered and Judge Austin upheld the petitioner's standing as a citizen and voter.

Before taking the matter under advisement, the court stated that few election contest cases are won, but the local contest appears to have special merit because of the closeness of the vote and the fact that all but one other officer running on the same ticket with Burdick were nominated. After satisfying himself as to legal technicalities in cases of this kind, the court stated that he would be unable to give a fair decision in the matter at present and would return next week.

Nine suits, three by the Kankakee Building and Loan association, were filed in circuit court today. The loan company's suits on contracts were against the following: Mr. and Mrs. John T. Fry, \$1,500; Mr. and Mrs. Levi Bessac, \$2,500; Mr. and Mrs. Orval Dutor, \$2,200.

Suit for \$10,000, the outgrowth of an automobile accident on the Dixie highway was filed by the administrator of the estate of Charles Nicholson deceased, against the Ingram-Richardson Manufacturing company and Fred Savole.

Another \$10,000 suit was filed by Anna Nicholson against Joseph Kemp and O. G. Harrison charging trespass. Settlement of the estate of the late John Fritz is requested in a bill filed by George Lochner and Aybert Fritz against Theresa Fritz.

The City Trust and Savings bank brings action against Angeline Francoeur to prevent her from withdrawing money from several savings accounts which she deposited in the name of her children. On Dec. 10, 1929, she opened an account at the bank in the name of Angeline David, which was then her name. She deposited \$9,000. She later withdrew this money and deposited to accounts of the following: Effie David Fielke, Ira David, Mrs. Billy Love and Bert David.

Louis Massignani has filed an action for \$1,000 against the American Underwriters' Health and Accident Insurance company. He took out a policy with the company in 1927 which was to pay him \$25 weekly in the event of accidental injury for a period of 104 weeks. In November of 1929 he fell from a wagon and fractured his ankle for which, he says, he received no benefits under his policy. He is represented by Attorney T. S. Sawyer.

Charles H. Goldsmith and Son have filed action against Charles Siros asking \$1,500 in payment of labor and chattels given by them to Siros.

STEHR PRESIDENT OF SCHOOL BOARD

Albert Stehr, Bonfield, was elected president of the non-high school board of education of the county at the organization meeting of the board last evening at the court house. County Superintendent of Schools Frank Saltzger was named clerk ex-officio of the board. The other members are J. R. Hanlon, Grant Park, and Ben Frazer, Bourbonnais.

The board also conducted its official canvass of the school election April 12th and found Stehr elected with 533 votes. There were only a few other scattered votes throughout the county.

8-YEAR-OLD MYSTERY IS NEARING END

LOS ANGELES ACCOUNTANT
IS CONFESSOR TO MUR-
DER OF W. D. TAYLOR

PICTURE DIRECTOR

Authorities Doubt Much Of His
Statement; Believed To
Be Irresponsible

Los Angeles, April 23.—(AP)—Renewed investigation into the 8-year-old mystery slaying of William Desmond Taylor, motion picture director, found slain in his bungalow apartment, today resulted in the arrest of Russo Rinaldo, 41, an accountant, alleged confessor to the crime.

Rinaldo, who said he slew Taylor during an argument over a quarrel the latter had with a moving picture actress, was held on a charge of suspicion of murder.

In spite of the investigation and alleged confession the police were skeptical as to an early and complete solution of the famous case. They said there were several discrepancies in Rinaldo's purported confession.

According to police, Rinaldo said he was a friend of a motion picture actress who visited Taylor's bungalow early on the evening of February 1, 1922. He said he followed in a taxicab when the actress went to the Taylor home, and later overheard a violent quarrel between the film executive and the woman.

The actress left after a short stay, Rinaldo said, after which he entered the Taylor apartment and re-arranged with the director for his actions during the quarrel. Taylor, he said, drew a revolver. In the scuffle that followed, Rinaldo said he gained possession of the gun and shot the moving picture director.

Since then, Rinaldo said he had been living in various southern California cities and in Tucson, Ariz., where he resided until he returned to Los Angeles recently. Inquiry of Tucson police disclosed that Rinaldo was known there as a World war veteran suffering from shell shock.

"Although Rinaldo's story coincides in minute detail with the known facts in the case, we are far from convinced that he is telling the truth," Detective Joseph Taylor said. "There still remains a lot of investigation and checking to be done before we are sure that we have the actual slayer of Taylor in custody."

Mrs. Alice Rinaldo, of Glendale, Calif., music teacher, estranged wife of the suspect, said her husband was erratic and suffered from shock received during the war.

The murder of Taylor is regarded by police as the most baffling case in the criminal annals of Los Angeles. His body was found by a negro servant, Henry Poorey, on the morning of February 23, 1922.

It was discovered that the late Mabel Normand had visited Taylor on the night of the murder. A handkerchief bearing the initials "M. N." identified as the property of Mary Miles Minter, was found in the Taylor apartment.

Both Miss Normand and Miss Minter were questioned but shed no light on the mystery.

Later a search was started for Edward P. Sands, valet-secretary to the director. A world-wide search has failed to locate the man.

RESIDENCE IS BADLY DAMAGED BY FIRE TODAY

The residence of Mrs. O. Johnson, 443 South Indiana avenue, was quite badly damaged by fire this morning. The flames started on the shingle roof of the residence and apparently originated from a flying spark. The flames gained headway quickly and when first discovered the roof was all in flames. Fire companies one and two answered the alarm, and by quick work saved the residence.

The attic was badly burned out but the flames did not go through the ceiling into the home. The call came in to the fire station at 7:15 o'clock.

Snow And Freezing In East

New York, April 23.—(AP)—Freezing temperatures and snow falls in some cases reaching a depth of six inches visited the north Atlantic states early this morning breaking records of fifty years or more.

At Tupper lake in the Adirondacks the mercury dropped to zero and six inches of snow fell. At Saranac Lake it was 12 above with four inches of snow.

Washington residents were startled to see scattering snow flakes about six o'clock as were early risers in New York where the thermometer stood at 30, in all-time record for the date. Pittsburgh reported a fifty year weather record broken with a temperature of 27. In Springfield, Mass., the mercury dropped to 20.

At Cleveland the American League baseball game was postponed because of snow and cold weather. Weather bureau forecasters said the unusually cold weather would continue until a Canadian high pressure area moved out to sea which probably would require another 24 to 48 hours.

KANKAKEE IS MENTIONED IN CHAMBER ORGAN

In the current issue of the Illinois Journal of Commerce, official organ of the Illinois Journal of Commerce, appears a lengthy write-up of the beautiful new building now being erected for the Northern Illinois Water company in Kankakee. The story is illustrated with a picture of the front elevation of the new buildings.

The magazine also makes mention of the Public Service Company's fine new garage building, and illustrates the story with a picture of the new building. Mention is also made of the expansion operations of the Manco Manufacturing Company. The magazine reports that 94 autos were sold in Kankakee during March, with 147 sold in the county. It shows an increase of 125 per cent in consumption of industrial electricity, and an increase of 242 per cent in consumption of industrial gas in February 1930, as compared with February 1929.

ROBBED LAST NIGHT

\$400 Worth Of Stolen Merchandise Found In Coal Shed
Of School House

The same gang is believed to have robbed two business places in Reddick last evening. The places entered were the bulk station garage of the Standard Oil company and the general store of A. E. Osterly.

About \$400 worth of merchandise was stolen from the Osterly store. The loot was recovered this morning by Deputy Sheriff James Farrar and C. R. Reed. It had been hidden by the thieves in the coal shed of a school house three miles west of Reddick. Miss Rosetta Blake, the teacher, discovered the stolen merchandise when she went to the shed early today to obtain coal for the school stove. She notified authorities who were at that time investigating the robberies.

The thieves broke in the front door of the store. Their loot included 75 pairs of shoes, eight dozen work shirts, eight dozen silk hose, eight dozen overalls, eight dozen children's hose and eight sweaters.

Manager Steger of the bulk station stated that the thieves broke the lock on the front door of the garage and took 30 gallons of gasoline from a tank truck, two gallons of oil, a funnel and two five-gallon oil cans.

MAY CONSTRUCT NEW GOLF LINKS FOR THIS CITY

Four Chicago promoters were reported to have been in Kankakee yesterday looking over property in this vicinity as the site for a rather elaborate new public golf course.

The men are reported to be considering the ninety acre tract of land just north of Kankakee, belonging to George and Ray Danforth of this city, and their sister, Mrs. Barr of Chicago. The thirty acre piece belonging to Mrs. Barr lies on the west side of the highway, just north of the Mound Grove cemetery, while the 60 acre tract belonging to George and Ray Danforth lies on the east side of the highway.

The promoters are reported to be considering the construction of an eighteen hole course, for public use, costing in the neighborhood of \$40,000.

Correction
An item in yesterday's paper that the opening game of the American Legion Junior League will be held May 3 was in error. The game will be held at 4:30 o'clock the evening of Wednesday, April 30.

Warden Of Ohio Pen Called Before Board Investigating Tragedy

Columbus, O., April 23.—(AP)—Warden Preston E. Thomas of Ohio penitentiary was summoned to appear again this afternoon before the board investigating the tragic fire that took the lives of 318 prisoners in four cell blocks Monday night.

Attorney General Gilbert Bettman, heading the inquiry, said the warden would be asked to answer these questions:

"What arrangements were made to take care of any emergency such as that which attended the holocaust?"

"What specific arrangements were made to handle fire? What equipment was available to fight fire? What information he has learned as to the cause of the blaze that sent dense clouds of smoke rolling through six ranges while the victims were locked in their cells?"

The warden testified before the board yesterday but the inquiry has revealed new angles.

Prison routine was back to normal today after the fear of an early morning outbreak had been dispelled. At 4 a. m. the convicts in the idle house and in the dormitories showed alarming signs of unrest.

Several thousand men in the idle house, not in their cells and defiant of orders from the guards, and more than 600 negro convicts quartered in wooden barracks were reported on the verge of making a break for liberty. The armed guards were increased and state troops were set for the emergency, but nothing happened.

One hundred and forty convicts were transferred to other state institutions this morning to relieve crowded conditions. As they were taken out of the penitentiary soldiers stood on guard.

Attorney General Gilbert Bettman today issued the following statement:

"It is my duty and purpose as attorney general to aid the administrative officers of the state—the governor and director of public welfare—in getting at the bottom of this tragedy. The people of Ohio are entitled to the facts. There will be no keep on my part."

SERVICES FOR MRS. WHITNEY ON THURSDAY

Mrs. Margaret M. Whitney died at the home of her daughter, Mrs. J. E. Guis, 1086 East Merchant street, yesterday morning at 11:35 o'clock.

Margaret Maxson, daughter of Sarah L. and Joseph Taft Maxson, was born September 23, 1842 at Richmond, Rhode Island, the second of a family of four children. Her parents and the other three children, two brothers and one sister, preceded her in death a number of years ago.

She received her education in Colchester, Conn., the location of the then noted Bacon Academy. After coming west, she taught school for a number of years and was united in marriage to Samuel Whitney, October 22, 1868. Three children were born to them: Horace Maxson Whitney, who died suddenly in 1927; Grace Loretta Whitney, who died in infancy; and Bertha Alvin Whitney Guis, with whom Mrs. Whitney had made her home. Samuel Whitney, a veteran of the Civil War, died in 1874.

Besides her daughter, Mrs. Whitney leaves four grandsons, the children of Horace Maxson Whitney and Kate Hall Whitney.

When thirteen years of age, Mrs. Whitney had united with the Baptist church at Onarga and retained her membership until the church was disbanded there. She then attended the Presbyterian church.

Funeral services will be held at the Hickey funeral home at 10:30 o'clock Thursday morning. Rev. David Creghton officiating. Burial will be made in the Onarga cemetery.

LARGE ORANGES

C. H. Simmons, 396 North Schuyler avenue, this morning was proudly exhibiting three gigantic naval oranges which he has received from his brother-in-law, William Frisell, San Diego, Calif., who owns an interest in the orchard in which the fruit was grown. One of the three oranges weighed one pound and nine ounces.

PRESBYTERIAN ANNUAL FEAST AND MEETING

ORGANIZED ACTIVITIES OF
THE CHURCH PRESENTED
TO CONGREGATION

CHURCH FINANCES

Officers And The Various Boards
For The Ensuing Year Are
Elected

The annual dinner and business meeting of the First Presbyterian church and congregation last evening attracted a large and representative gathering of members and friends. Dinner was served in the church parlors, which presented a cheerful, homelike appearance, the tables being beautifully decorated with spring blossoms. The delectable feast was prepared by the special dinner committee, of which Mrs. J. J. Pierce is chairman, and the tables were in charge of Mrs. A. F. Brown with a corps of able assistants.

A short devotional period, conducted by the pastor, preceded the evening program in the auditorium. Cordial greetings to the new members of the Easter class were voiced by J. E. Willis and responded by P. Walden Roth, of the Corn Belt Hatcheries.

The organized activities of the church and congregation for the year ending March 31st were presented in a series of commendable reports. Every organization showed substantial growth and development, and with only one or two exceptions all began the new church year with considerable cash reserve funds in their respective treasuries. The total income of the congregation for the year was \$14,961.74, of which \$2,783.01 was for benevolences and \$3,525.50 for the new addition to the church building. This total does not include \$1,800 already paid on the addition from reserve funds of the Society of Women's Work and Northside Ladies Aid.

Of the grand total the various organizations contributed the following amounts:

Church collections	\$4,146.36
Miscellaneous benevolences	\$37.60
Bequest fund	\$69.60
Building fund	\$3,525.50
Bible school	\$70.71
Bible school home dept.	\$39.84
Society of Women's Work	\$69.17
Women's Missionary Society	\$26.16
World Service Guild	\$25.98
No. Side Ladies Aid	\$45.28
Young People's Society	\$21.11
Total	\$14,961.74

The following new officers were elected:

George L. Friday, Congregational clerk.
D. O. Conard, member of Deacons' Board.
Sydney Fousie, member of Board of Trustees.

Officers whose terms expired and were re-elected to succeed themselves were: Ruling Elders: Charles R. Conklin, E. E. Rollins, A. H. Umbach.

Board of Deacons: B. B. Ferris, Thor Fritz, Chas. J. Schrader.

Trustees: Jas. W. Pottenger, I. E. Spirmont, Oscar R. Kunis.

A vote of thanks from the congregation was tendered John F. Luth in his retirement from the Board of Trustees after twenty years of service, for most of that time chairman of the board.

SEEK CAUSE OF TRAGEDY IN PRISON

INSPECTION OF TWO CELL HOUSES MAY REVEAL CAUSE OF DISASTER

PREPARE BURIAL

Of Total Of 318 Dead 51 Bodies Remained Unidentified Today

Columbus, O., April 23.—(AP)—With the death toll of the Ohio penitentiary fire increased to 318 today, officials held hope that the cause of the catastrophe would be revealed in an inspection of the two cell houses that were death traps for the convicts.

Decision to examine the scene of the fire's origin was reached when the investigation adjourned last night after a day that elicited only contradictory statements from guards and prisoners who were questioned regarding the delay in freeing the prisoners from their locked cells on Monday evening.

Warden P. E. Thomas, at the request of Attorney General Gilbert Sweeney, in charge of the investigation, ordered that nothing be touched in the two cell blocks until further notice. Determination of the cause of the disaster is considered necessary in order to fix responsibility. Additional guards and prisoners were summoned for questioning today.

Meanwhile, steps were taken to prevent a recurrence of the disaster. Among these was Governor Myers V. Cooper's plan to appoint a committee of citizens to formulate a program of institutional building to fit the housing needs of penal wards and to enable the governor to submit such recommendations to the next general assembly.

Prepare Bodies for Burial

The bodies of the dead convicts were ready for burial today. Attired in black shrouds, they rested in plain coffins at the temporary morgue at the state fair grounds.

Besides preparing the bodies for burial, the state furnished the robes and caskets and provided transportation to their homes.

Freed in death from the prison walls, the convicts went through a final legal gesture when their bodies were examined for bullet wounds following reports that several shots were fired during the battle against the roaring flames and suffocating smoke. This examination was ordered by Welfare Director Hal Griswold, who said he wished to end "wild rumors which invariably follow a thing such as this." Griswold promised the most thorough investigation in the state's history to fix blame for the disaster and to see that the guilty ones, of found, did not go unpunished.

Of the 318 dead, 51 were not yet identified. Arrival of kinfolk, however, was expected to reveal the identity of virtually all of them.

William Noel, a life term prisoner from Cleveland, told the investigators he was certain the fire started from a short-circuited wire, which was visible through the smoke. The wire, he said, was on the temporary rafters above the cell blocks.

No trace had been found today of three prisoners who disappeared during the excitement attending the blaze.

In Temporary Morgue

Twelve long rows of caskets their somber gray, blue and pale pink colors reflecting dimly in the daylight rested on tables today in the temporary morgue, bearing the remains of 318 convicts whose lives were snuffed out in the Ohio penitentiary fire Monday night.

Soldiers stood at attention at the end of the long rows. Each casket stood open, and at the foot of each rested a floral piece, a remembrance of the state of Ohio to the men trapped in their cells and burned or suffocated to death.

Rumors that some of the dead had committed suicide or were shot to death by guards during the turmoil were emphatically denied today by Captain C. B. Weir, regular army reserve officer, a director at the morgue. He said not one of the bodies showed evidence of a shot or of suicide.

A recheck of the dead was being made to make identifications certain. All bodies were being fingerprinted and these were to be compared with prison records.

"Saddened by the tragedy, Governor Myers V. Cooper visited the morgue during the morning.

Before noon relatives and friends of the dead were admitted to the building. Many of the women were crying, their grief being shared by Mrs. Preston Thomas, wife of the warden, who looked upon the forms

NEW PRESIDENT OF ILLINOIS U. VISITS URBANA

Urbana, Ill., April 23.—(AP)—Where President David Kinley devoted his efforts to the external development of the University of Illinois from a ranging prairie school to the third largest educational institution in the United States, Dr. Harry Woodburn Chase, president-elect, will center his attention upon the quality of teaching.

The tall, bronzed educator, who has been president of the University of North Carolina for ten years, voted this policy today upon conclusion of his first visit to the Illinois campus since his election in February. He stated he will take over his new duties sometime in July.

Enthusiastic about the university and its opportunities, the president-elect also praised the beauty of the Illinois coeds, asked questions about the Illinois athletic teams and roamed about the vast campus which he will control in a few months.

Under Dr. Kinley's regime, the university has been governed by a policy of "education for all who can meet the requirements and not for just a select few."

Dr. Chase today expressed the opinion that the universities and colleges have reached their saturation point and that educational administrators of the future will have more opportunity to study internal problems.

"The development era caused by constantly growing student bodies, has reached its peak," he said. "State universities have had an extraordinary burden delegated to them with the tendency of private and endowed

OHIO DISASTER WAS BROADCAST BY A PRISONER

New York, April 23.—(AP)—A check for \$500 has been forwarded by William S. Paley, President of the Columbia Broadcasting system, to the prisoner X46812 at the Ohio State penitentiary in recognition of the broadcast.

During the height of the fire on Monday night the Columbus system hastily assembled a coast-to-coast hookup and the prisoner gave an impromptu description of the catastrophe.

NEXT TASK FOR COL. LINDBERGH

New York, April 23.—(AP)—Inauguration of the world's fastest international air mail service is the next task to which Colonel Charles A. Lindbergh will bend his flying skill. He will fly to Miami Fla. tomorrow in the plane in which he set a Sunday record.

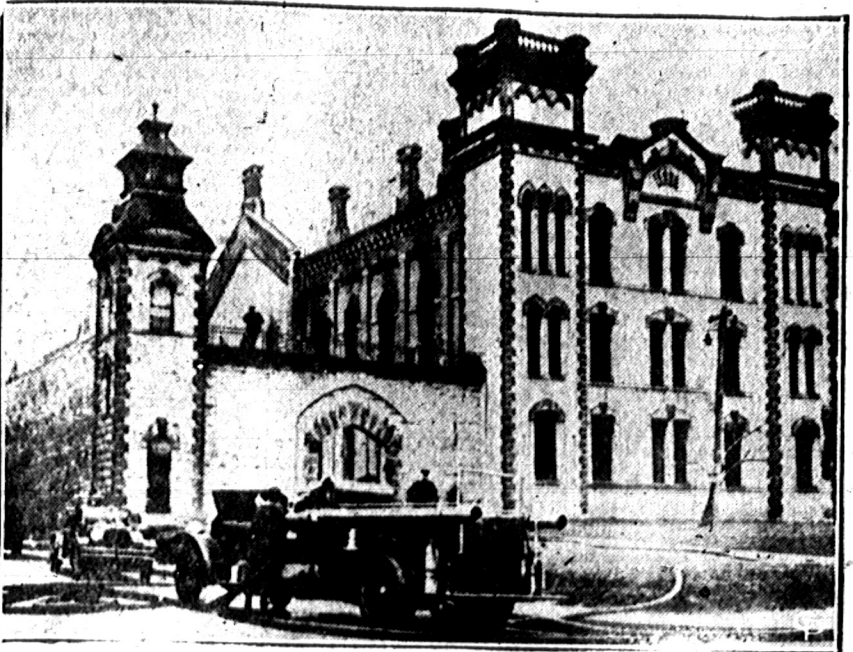

There he will take over the controls of a Pan-American Airways mail plane for a flight to Havana, Cuba, and thence across the Caribbean sea 1,200 miles to Cristobal, Canal Zone.

Expectations were that Mrs. Lindbergh would not accompany him, as has been her custom on all important flights since their marriage. The flight from Havana to Cristobal will mark the first stage of a new fast mail service between North and South America which will provide a schedule of one week between New York and Montevideo and Buenos Aires.

Seven skyscrapers will be added to San Francisco's skyline this year.

AMERICAN NAVAL PARLEY REPRESENTATIVES ARE HOMEWARD BOUND

MACDONALD PLEASSED

While there was a gratifying response of boys to the announcement that a meeting would be held Saturday at the Y. M. C. A. for the purpose of enrolling in the American Legion Junior League, there are still many places to be filled on the various teams. All boys who are interested in playing on the team this summer are requested to get in touch with the manager in their respective part of the city as follows:

First ward, Floyd Worth, phone 1080; second ward, Ralph Menard, phone 1118; third ward, U. D. White, phone 2580; West Kankakee and fourth ward, V. J. Palmer, phone 454; fifth ward, James T. Burns, phone 1088; seventh ward, A. Stearns, phone 4372.

Committees were sent to both the White Sox and Cubs clubs to request these teams to supply the junior league with baseballs. The most serious problem of last summer will be done away with if the request is granted.

Now completed for a great summer of baseball for the youngsters of Kankakee and vicinity. The committee of the West Kankakee and fourth ward teams this year has permitted Bradley to enter a team which will under the able leadership of Leo Marlar.

Returning also are the clerical staff of the delegation, the naval experts, and American newspapers assigned to the conference. Senator Reed remained for a visit with Ambassador Bland. The delegation from the American navy is expected to leave for London tomorrow.

The departing delegation brought with them a letter from the London naval treaty of 1920, which they signed yesterday at the final plenary session of the conference at the Admiralty.

Word was received this noon by William M. Maitland, chairman of the entertainment committee for the conference, that the delegation from the American navy is expected to leave for London tomorrow.

The public of Kankakee and vicinity purchased tickets for the current month and were disappointed in his non-appearance as he notified that he would not be able to attend on May 4. A large crowd is expected to attend on May 4. The telegram was sent by Senator Macdonald to the Legion as the cause of Anglo-American friendship and good relations among all.

In thanking the American secretary of state Mr. MacDonald said: "Other people will come after me, but I will finish our work in the meantime one of the most splendid and heartening experiences of my life has been the good fellowship and close cooperation between you and your friends on the ship."

"It is hard to bid you goodbye because we have been so close together. I hope you will have a pleasant voyage and take my kindest regards to all the friends I left behind me in Washington."

Available Hale's Address

Washington, April 22.—Analysis for some indication of the extent of the opposition that the London naval limitation treaty may encounter in the senate. Washington today looked forward to a promised speech by Chairman Hale of the naval committee which is expected to sum up the attitude of the "big navy" bloc.

Meanwhile the leaders of the senate continued the reticence that has characterized their course with regard to the new pact since the announcement that an agreement had been reached. Hale was engaged by a close study of the text of the pact and in the preparation of his speech he said would be made Monday.

The naval committee chairman has strongly indicated that the treaty does not meet his approval. He regards it as embodying a departure from the American policy of building up the fleet of large cruisers of wide steaming radius.

Congress has authorized a maximum cruiser fleet of twenty-three vessels. Under the treaty the United States is limited to eighteen.

Hale has announced that he will call the technical experts of the navy before his committee for an expression of their opinion on this point.

Senator Borah of Idaho, has given the treaty his conditional endorsement. Chairman of the Foreign Relations committee, Mr. W. M. Reynolds, state manager, and Mr. Belmont, clerk, went to Detroit this morning in an attempt to identify the suspects.

A new variety of hot sauce (tomatoes) has been developed by a company with brands grown during the summer months.

EXHIBIT SCHOOL WORK OF STUDENTS AT DEPARTMENTAL

The patrons' day exhibit of work done by the students of the Kankakee Departmental school which was given last night was very well attended.

An interesting program was given during the evening. It consisted of recitation, solo, recitation, music by the school orchestra and a dramatization of the exploration of the Mississippi river and the capture of Vincennes by George Rogers Clark. All of the numbers were very well done. The dramatization which was given by a group of students is an excellent training for children and they deserve much credit for their efforts.

At the conclusion of the program Mr. Wigner, the principal, announced that the school was giving a group of students from one room and that on each Thursday morning a similar play would be given.
