### Fall Of Dessie In Ethiopia Is Announced

Italian Defenders Are Routed From Mountain Barricades

Nairobi, Kenya Colony, April 28.—The fall of Dessie, Italian stronghold in Ethiopia, was announced officially today.

Dessie lies 140 miles northeast of Addis Ababa.

British south African forces last Thursday reported they had routed Italian defenders from mountain barricades before the stronghold in the fiercest battle of the east African campaign.

The announcement said: "Dessie fell on April 26. Our troops entered the town at 1800 '6 p. m."

**Little Progress**  
Cairo, Egypt, April 28.—(AP)—Axis forces which have penetrated about five or six miles inside the Egyptian frontier near Salum made "little or no progress" yesterday, the British middle east general headquarters communiqué said today.

It did not mention British forces in Greece, but said "light elements of a well-known British armored division are once again in contact with the enemy" on the north African front.

The axis push, said to extend some 15 to 20 miles inland from the coast, recalled the situation of last September when Italian desert forces swept past Salum to Sidi Barrani, 50 miles inside Egypt.

British general headquarters communiqué yesterday said axis detachments "crossed the frontier at several points" Saturday night but British authorities expressed belief they were far short of the strength of those sent into Egypt by the Italians last fall.

They did not discount, however, the possibility that the new thrust might develop into another threat to Sidi Barrani, the Italian advance post when the British started their victorious smash into Libya in December.

**Tobruk Still Holds Out**  
Tobruk, the beleaguered British garrison on the coast 80 miles inside Libya, still was holding out against repeated German-Italian attacks and occasionally the forces there were making some forays of their own.

The Italian high command said (Continued on page two)

Joliet, April 28.—(RN Special)—Mrs. Mary M. Hopkins has filed suit here for divorce from Leo J. Hopkins, whom she charges with cruelty.

Through her attorney, A. J. Jones, she asks the circuit court to require her husband to deed to her all interest he might have in property inherited by her.

### "Free French" Forces Massed At The French Somaliland Border

Vichy, France, April 28.—(AP)—The French government announced today receipt of information that De Gaulle's "free French" forces, supported by British mechanized units, were massed "just inside the southern border of French Somaliland, East Africa."

The announcement said the colonial ministry had given necessary instructions to the governor of the French possession to prevent it from going over to the De Gaulles.

The De Gaulle troops were said to be concentrated at Daouanleh, just within French Somaliland and a station on the railway which runs from Addis Ababa, capital of Ethiopia, to Djibuti, French Somali-

Ramsey of the state highway police. Superintendent Ramsey said Skinner admitted robbing four banks in Iowa and Nebraska in the last month.

### Crete Becomes Seat Of Greek Government

Italians Claim Forces Occupy Greek Island Of Corfu

Canea, Crete, April 28.—(AP)—Greek Premier Emmanuel Tsouderos declared today that Greece's fight must be continued unflinchingly "in our little islands."

"Destiny," he declared, "has chosen two islands as the last but worthy ramparts of the free peoples of Europe: the great island of Britain and this great island of the Hellenes."

Crete, off the southern coast of Greece, now is the seat of government. King George II of Greece and his government fled there before the Nazi occupation of Athens in order to carry on Greek resistance.

**Italians Occupy Corfu**  
Rome, April 28.—(AP)—The Italian air force and blackshirts have occupied the Greek island of Corfu off the Greek west coast, the Italian high command announced today.

### 6 Slightly Hurt As Car Goes In Ditch

Six persons were injured, apparently not seriously, when the auto of Elmer Sorenson, 21, Ashkum, went into the ditch alongside route 1 a half mile north of the wye at 11 o'clock last night.

The injured persons, according to a report by Deputy Sheriff Ben Trombley and Walter Bauer, are: Miss Wilma Haben, 16, Gilman; Miss Marjory Hill, 19, Gilman; Mary Jane Hill, 16, Gilman; Paul Lage, 18, Melvin; Elmer Sorenson and William Ristow, 22, Onarga.

land port on the gulf of Aden. Still other followers of General Charles De Gaulle were said to have disembarked at Zeila, in adjoining British Somaliland.

The announcement said the De Gaulles tried unsuccessfully to make contact with French advance posts in order to persuade them to swing over to the British side.

A De Gaulle airplane, it added, dropped pamphlets on all French posts, urging the soldiers to go over with their arms and transport.

It said the pamphlets were signed by General Le Gentilhomme, former allied commander in French and British Somaliland, whose headquarters now are at Aden, British protectorate across the Gulf of Aden.

### 4 Motorists Arrested By City Police

3 Defendants Were In Auto Accidents; One Driver Drunk

Four motorists were arrested by police over the week-end for infractions of traffic rules.

Three of the arrests followed accidents.

Leonard Bissonnette, 20, route 2, Bourbonnais, was apprehended by Officers Wallace Flannery and Jay Cahan at 12:20 o'clock this morning for running a through street at Greenwood and River streets, where his car collided with the auto of Shirley Dorris, 18, 123 East Court street, throwing the Dorris machine against a light pole. In police court, Bissonnette was fined \$625 for ignoring the stop sign.

Lee St. Aubin, 22, 633 South Foley avenue, was arrested at 11:50 o'clock Sunday evening by Officer Flannery for careless driving and operating a car without a license at Court and Washington avenues, where three vehicles were involved in a collision.

**Hit By Third Car**  
As St. Aubin pulled from the curb, the driver of the second auto, W. C. Wray, 40, 1361 South Kensington avenue, stopped to avoid hitting him and Wray's machine was struck from behind by the third car, that of Donald Provost, 22, route 2, Bourbonnais, causing the second vehicle to strike the first. A passenger in the Provost car, Viola Bertrand, 16, of route 2, Kankakee, was injured. St. Aubin was to have a hearing before Police Magistrate Edward Hoenicke today.

Walter Brummitt, 343 North Ninth avenue, was jailed at 6:20 o'clock Sunday evening by Officers Flannery and Lawrence Boucher for operating a car without a driver's license and drunkenness. Police picked him up in the 200 block on North Fifth avenue where several motorists claimed Brummitt had run them off the road. His vehicle came to rest when a tire blew out and he ran into the curb. In police court, the drunkenness charge was dropped but Walter was assessed \$825 for failure to have a driver's license.

**Had No License**  
Frank Davis, colored, whose residence was listed at Blatt's junkyard, arrested Saturday by Officer Harry Balk for not having state and driver's licenses, was fined \$5 in police court.

In other traffic reports over the week-end, the auto of Lester Mercer, 518 South Third avenue, stopped in the 100 block on North Schuyler avenue at 6:30 o'clock Sunday evening to discharge a passenger when the passing machine of Carl Conrad, 632 1-2 North Indiana avenue, ripped the door off the Mercer car. Autos of Joseph Necile, 431 North Washington avenue and Larry Rouse, 165 South Greenwood avenue collided

### Police To War On Double Parking

A warning to motorists that the double parking and alley parking provisions of the city traffic code would be rigidly enforced beginning May 1 was issued today by Chief of Police L. B. Rogers.

From Thursday on, all patrolmen have instructions to clear all downtown streets of double parked cars or trucks and to keep passenger autos out of alleys. Truck drivers will be permitted to park in alleys to make deliveries, but they, too, will be under a time limit, Chief Rogers said.

The chief also warned those who get tags that it will be useless to complain that "I was only parked there a minute or two" or to try other means of getting tickets "fixed."

The only thing for such drivers to do is go right to the police judge—just as it says on the tag.

### 8 Kankakeans On Train's First Trip

Among the persons making trips today in the initial scheduled runs of the James Whitcomb Riley, new streamlined train on the Big Four system were eight Kankakeans.

Those boarding the train east-bound at 6:30 o'clock this evening are Mr. and Mrs. Lawrence De-marrah of highway 49, and Charles Hook who are going to Cincinnati and Rachel Brouillette to Indianaapolis.

On the first run to Chicago at 11:25 o'clock this morning were Mr. and Mrs. R. Bramson, Annie Lou Richwine and J. Herschbach. Reservations must be made before-hand on this train.

### High Court O.K.'s Divorce Of Minister

Circuit Judge Luther B. Bratton has been affirmed by the appellate court for his decision in December of 1939 in the divorce case of Mrs. Anna Brassard Muir, Momenca, vs. the Rev. Elmer Muir, formerly of Momenca.

Mrs. Muir, represented by Attorney E. P. Harney, Momenca, obtained a decree by default, having alleged cruelty. The Rev. Muir, represented by Attorneys William and Varnum Parrish, later filed a motion to have the decree set aside, alleging there was insufficient evidence and, after a hearing, Judge Bratton denied the motion.

The defendant then made the appeal to the higher court, which sustained Judge Bratton's decision.

### Appellate Court Orders District Redeem Vouchers

The appellate court has okayed a writ of mandamus issued by Circuit Judge Luther B. Bratton requiring the treasurer and directors of school district 38 near Momenca to pay vouchers issued against the district treasury.

The original suit was brought by persons who hold vouchers, who are—Baird-Swannell hardware store, Lloyd Denton, Alene Woberty, Phillip Lowry, William Harris, Joe Giroux and Gilbert M. J.

They claimed that the vouchers were issued by the board but that the treasurer, Anthony Parrish, refused to cash them and asked the writ of mandamus which was granted by Judge Bratton. The vouchers total \$99.58.

The school officials had claimed that there was uncertainty over the legality of the vouchers because of previous litigation over them.

### Elevator Company Wins Reversal In Appeal Of Case

The Whitaker Farmers' Elevator company is the winner in the appellate court in a suit brought against it by William Deutsche, farmer near Momenca.

Evidence before the court was to the effect that John Buss was a tenant on Deutsche's farm in 1928 on a share crop basis. It was alleged that he hauled 478 bushels of corn to the Whitaker elevator, represented that he was sole owner and received a check for \$174.19 which he later cashed.

The farm owner brought suit against the elevator alleging that the manager Ben Maass knew that the corn was raised on rented land and should not have purchased the grain. The first suit was before a police magistrate who returned a judgment of \$174.19 against the company.

The case was then appealed to the county court and Judge C. D. Henry gave a similar decision. Another appeal was taken by the company to the appellate court.

The latter court reverses the previous decisions, saying in effect that Buss had title to the grain, subject to the landlord's lien, and therefore had the right to sell and the elevator the right to buy.

### Sheldon To Vote On School Bonds

Sheldon, April 28.—(RN Special)—A special election will be held here Saturday to vote on the erection of the farm work shop for the high school and also the purchase of additional ground to be used as an athletic field. The two issues are grouped together.

A large vote is expected as some think the improvement a necessity and others feel it is hardly the time for issuance of bonds to increase taxes with the present school building debt yet to be removed and tax rates to be increased for defense purposes.

The election would call for a bond issue of \$12,000 for the improvements.

### Sheldon Wife Is Divorce Winner

Watseka, April 28.—(RN Special)—Mrs. Georgianna Rouse of Sheldon was granted a divorce from her husband Donald Saturday in the court of Circuit Judge Roscoe C. South.

They were married Aug. 27, 1939 at Monticello, Ind., and she charged her husband with deserting her March 10, 1940. They have no children. She was awarded the return of her maiden name of Georgianna Rouse.

### Resents F.D.R.'s Remarks Against His Character

Had "Hoped He Might Exercise His Rights As An American Citizen"

New York, April 28.—(UP)—Col. Charles A. Lindbergh in a letter to President Roosevelt today announced that he was resigning as colonel in the United States army air corps reserve.

Lindbergh told the president that his remarks in a White House press conference on April 25 left him "no honorable alternative to tendering my resignation."

"I am, therefore," Lindbergh wrote, "forwarding my resignation to the secretary of war."

**Resents Implications**

The letter, released here, follows: "My Dear Mr. President:—

"Your remarks at the White House press conference on April 25, involving my reserve commission in the United States army air corps, have, of course, disturbed me greatly. I had hoped that I might exercise my rights as an American citizen, to place my viewpoint before the people of my country in time of peace, without giving up the privilege of serving my country as an air corps officer in the event of war.

"But since you, in your capacity as president of the United States and commander-in-chief of the army, have clearly implied that I am no longer of use to this country as a reserve officer, and in view of other implications that you, my president and my superior officer, have made concerning my loyalty, character, and motives, I see no honorable alternative to tendering my resignation as colonel in the United States air corps reserve."

"I am, therefore, forwarding my resignation to the secretary of war. I take this action with the utmost regret, for my relationship with the air corps is one of the things that has meant most to me in life. I place it second only to my right as a citizen to speak freely to my fellow countrymen, and to discuss with them the issues of peace and war which confront our nation in this crisis."

"I will continue to serve my country to the best of my ability as a private citizen."

**"CHARLES A. LINDBERGH"**  
In his April 25 press conference President Roosevelt criticized Lindbergh and others in this country who express the opinion that the axis will defeat Britain. He compared them to the copperheads of the civil war period.

The president said he was sorry that there were people with such mentalities in high places where they could write or talk. He declared that Lindbergh and others who think as he does constitute a small American minority.

Lindbergh in recent months has been a leader of the nation's isolationist group and, as a member of the America first committee, has made anti-war speeches and written anti-war articles the major premise of which was that Great Britain cannot win the war, even with American aid.

### 10-Year Search For Family At An End; Tragedy

Springfield, Mass., April 28.—(AP)—A 10-year-search that extended across the nation ended yesterday within a few feet of where it began when the skeletons of David Lee, former actor, his wife and three children were found in an automobile on the bed of a small pond.

Workmen draining Water Shop pond preparatory to constructing a bridge connecting two plants of the Springfield armory, discovered the skeletons of the couple and the children—Genella, 8, Louis, 6, and David, Jr., 4—who disappeared shortly before Christmas, 1930.

Police had circled the country in an effort to locate the family, reported missing after attending a party at the home of a neighbor.

Medical Examiner Charles J. Downey said that an examination showed "no indications of foul play" and that the deaths were caused by drowning.

Through Attorney Pence B. Orr he claims he suffered severe injuries and his auto was destroyed.

### Swastika Flies Over Athens As British Leave

German Troops Arrive In Ancient City At 9:25 A. M. Sunday

**BULLETIN**  
Washington, April 28.—(AP)—President Roosevelt issued an executive order today freezing Greek credits and cash in the United States immediately.

The action took cognizance of the conquest of Greece by Germany. It was designed to keep Greek credits or cash in this country from German hands.

Similar freezing orders were issued after other European countries had been conquered by Germany.

**BY THE ASSOCIATED PRESS**  
Adolf Hitler's blitzkrieg armies, striking deep into the Grecian Peloponnese in pursuit of B. E. F. troops enroute to "escape" ports, were reported today to be preparing for a new campaign in the eastern Mediterranean.

**Major Objectives**  
Three major objectives to the Nazi "drang nach Osten—march to the east" might include:

1. A thrust into Turkey, possibly with Turkish consent, to reach the rich oil fields of Iran and Iraq.
2. An attack on the Suez canal.
3. An invasion of the Soviet Russian Ukraine, once known as Europe's breadbasket because of its vast wheatfields.

Nazi quarters in Berlin gave no hint of the direction, declaring merely that the Greek campaign was just a phase of a "larger plan" which was unfolding.

Diplomatic circles in Vichy, France, declared last night that Germany's next move would be into the Ukraine, basing their prediction on unconfirmed reports that Soviet Red army troops were being shifted from Siberia toward Russia's western frontiers.

It was recalled, too, that Hitler once spoke longingly of the Ukrainian granaries.

**Heavy Shipping Losses**  
A military spokesman in Berlin, reviewing the Nazi sweep into lower Greece, said German parachute troops captured 900 British soldiers in seizing the isthmus of Corinth before yesterday's entry into Athens.

The spokesman declared that British shipping losses in the withdrawal from Greece had already surpassed the wreckage at Dunkerque, with 287,000 tons sunk in Greek waters in the past 11 days.

Australian Army Minister Percy C. Spender said the withdrawal of British imperial forces by sea was underway, and declared:

"As far as this has proceeded, it has been successful."

Berlin reports said Nazi Stuka dive-bombers were blasting at British troop concentrations and speeding the last of the B. E. F. contingents.

### Drunken Woman Assessed \$4 Fine

Ida Illing, 39, Harvey, was fined \$4 this morning by Justice Henry R. Bauer on a charge of drunkenness.

She was arrested last night by Wallace Flannery and Lawrence Boucher, police officers, on highway 49 near the Neal lunchroom and was taken to the county jail.

man naval base, was the 43rd of the war. After unloading its bombs, the Stirling was said to have descended to an altitude of 1,500 feet and opened up with its machine guns.

It was the second successive day of daylight raids on German territory by British planes and the third in a week. Bombers were reported to have blasted a factory west of Cologne and a nearby military camp yesterday.

Other planes hammered at Nazi-occupied Holland and shipping off the coast of Norway in other daylight operations yesterday.

### New Heavy British Bomber In Successful Attack On Emden

London, April 28.—(AP)—One of Britain's new Stirling heavy bombers made a "daring and successful attack" today on the German city of Emden, the ministry of information announced.

The great plane came down to low altitude—presumably by daylight—dropped its heavy bomb load and then opened machine-gun fire from a height of 1,500 feet.

It was the first time that one of Britain's new Stilings had been mentioned as participating in a daylight raid.

The attack on Emden, a big Ger-

When Complexions Kick Up

By HELEN POLLETT  
Have you a complexion that is not what you want? Do you have a complexion that is not what you want? Do you have a complexion that is not what you want?

When a complexion is not what you want, it is time to take action. There are many ways to improve your complexion, but the most effective way is to use a good quality skin cream.

# INTERSECTIONAL WAR OF THE FLARES IN MAJOR LOOPS

## Michigan And Hawkeyes Share Diamond Lead

Chicago, April 28.—(UPI)—Undeclared Iowa and Michigan face formidable opposition this week in the Big Ten baseball season.

The Hawkeyes, double winners over Indiana last week, engage a dangerous Minnesota team at Minneapolis, and Michigan, a two-time winner over Chicago, plays at Ohio State. These four games should go a long way toward determining the title chances of the Wolverines, Hawks and Buckeyes. Ohio is tied with Northwestern for third place, each with three wins in four games.

## Two Teams Idle This Week

Northwestern and Wisconsin are idle this week, but the outdoor teams are tabbed for action. Indiana plays at Purdue, Michigan at Saturday and Illinois at Chicago, cellular nine with no victories in four starts.

## NYA Allots 12 Jobs To County

Kankakee county has been allotted 12 jobs for young men, 17 to 24 years of age, at National Youth administration resident work centers where they receive basic vocational experience with pay, according to announcement today by Joseph Watseka, area superintendent.

The jobs will be filled within the next 10 days in the order of applications received from eligible youths, it was announced. Speed in filling the openings was prompted by industry's increasing demand for workers in lines engaged in national defense production, it was said.

Throughout the state, 2,000 NYA jobs were made available, one-half of which are open to young men at 15 resident centers and the other 1,000 are for both young men and women at 37 non-resident centers in

cities and towns throughout the state.

The local NYA office is located at 110 South Harrison avenue. Nearest resident center is Chicago Heights.
