FLIERS ARE ACQUIRING A LARGE SUM

HUNTER BROTHERS' PROFITS
UP TO 500TH HOUR
WERE OVER \$9,000

\$100 FOR EACH HOUR

Receipts At Gate At Sky Har-
bor Will Greatly Increase
Amount

Chicago, July 2.—(AP)—Nearing the 500 hour mark in their record-breaking endurance flight, Kenneth and John Hunter, pilots of the plane "City of Chicago" had reaped a profit of \$9,000 from their venture. At 10:40 A. M., CST, the fliers had been in the air 499 hours.

No estimate has been made of the commission they will receive from gate receipts at Sky Harbor, the airport over which the brothers are flying.

Of the nearly \$10,000 earned, \$7,000 is from the Deep Rock Oil Co., which is donating the fuel for the flight. This company is giving fliers \$100 an hour for every hour over the previous world's record. The offer runs out on the 500th hour.

The Columbia Broadcasting system at 5 o'clock last night began paying the fliers \$1 a minute, and that at 10:40 o'clock amounted to \$1,120. The remainder of the sum of \$9,000 comes from a western individual who is giving \$1 an hour for every hour over the record.

The radio contract calls for two broadcasts daily at 11 a. m. CST, and 5 P. M. so long as the "City of Chicago" remains in the air.

The broadcasts are made from an army plane, which contacts with the endurance plane and drops a microphone into the cabin. Today for the first time there was two-way conversation between the flying Hunters and the ground Hunters, to which the world listened.

John and Kenneth have accomplished everything but sking in their plane. Yesterday they were sent a batch of legal papers, which they filed out and dropped to the ground. The papers gave Walter Hunter special power of attorney to sign all contracts while they are in the air.

Offers by wire and mail continued to flood the flight secretary today. One, from a movie company, was in excess of \$30,000 for a picture. They have many theater offers and almost every town and hamlet within a 500 mile radius of Chicago wants the fliers to direct their plane over them during the flight.

All the latter offers have been refused because of the danger of a forced landing away from Sky Harbor, which would mean loss of the official record.

MRS. ALICE NELSON FILES DIVORCE BILL

A bill of divorce, by Alice Nelson of Kankakee versus John Nelson, was filed today in the office of Circuit Clerk Joe Tolson.

The bill asserts that the couple was married on February 14, 1929 at Knox, Ind., and lived as man and wife until February 27, this year. There are no children.

Mrs. Nelson charges extreme and repeated cruelty and also charges habitual drunkenness.

TRIP TO CHICAGO

In the interests of the county board of supervisors, a patient of the county home was taken to Chicago today by Mrs. Mary Lang, county nurse, for special treatment.

SUIT DECIDED

A suit instituted by the City National Bank against Mrs. Julia Comstock of Kankakee for the purpose of collecting money paid to her in payment for a check which became uncollectable through the closing of the Chebanse bank was decided today by Judge A. W. DeBelin in favor of the bank. It is possible that an appeal to the appellate court may be taken. Jury was waived in this case and the cause submitted to Judge DeBelin on an agreed statement of facts.

STORES TO CLOSE

It was announced by the Retail Trade Division of the Kankakee Chamber of Commerce this morning that in accordance with the action taken at their last meeting, held a short time ago, all stores will be closed on Friday, July 4. However, the provision stores will be open until nine o'clock on Thursday evening, the other stores, however, remaining closed.

COMPLAINTS ON BOATS

Chief John Stack and other members of the police department have received numerous complaints in regard to motorboats on the river operating without mufflers. These boats operate night and day, it is claimed, preventing the people in the vicinity from sleeping. Chief Stack pointed out that mufflers for motorboats are required by city ordinance and that violators will be prosecuted.

FUNERAL NOTICE

Mrs. John Remillard, 68, of Clifton, died this morning at her home. She leaves her husband and three children: August, of Felix, Iowa, and Mrs. Paul Remillard and Miss Maude Remillard of Clifton. She also leaves seven grandchildren. Funeral services will be held at the Clifton Catholic church Thursday morning at 9:30 o'clock.

PREDICTS FINE DAY FOR THE 4TH

Otto Holtmann, Kankakee weather forecaster, gives his prediction for the Fourth of July. He predicts mostly fair and pleasant weather with light thunder showers late in the afternoon or night.

His general forecast for the month of July, Mr. Holtmann predicts many cool days and cold nights with July temperature slightly below normal; rainfall below normal, with high temperature around 88 degrees.

640 ACRE FARM SELLS FOR \$500

A 640 acre farm in Pemroke township, known as the Wilson ranch, was sold in public auction at the court house this morning by Claude Granger, master in chancery, to E. Shwarts of Hopkins, to satisfy a decree of foreclosure in favor of the Hess Lumber Co. of Mokena. The price was \$501.42.

Forty acres of this property, it is said, is included in the land being developed by the Republic Aircraft corporation, builders of the proposed new "Air Harbor." The matter appears to be considerably involved and it is also claimed that other liens are pending against the property.

JOINT PLANT WILL WAS FILED TODAY

The joint will of Bird A. Plant of Kankakee and his wife, Katherine, who died on June 1 of this year, was filed in the office of the county clerk today.

The will provides that if the wife dies first, all the property, real, personal and mixed, is bequeathed to the husband, who is to serve as executor without bond. The instrument is dated August, 1921, and is witnessed by Bert L. Fitzgerald and Henry F. Ruel.

GO TO CULVER

Louis E. Beckman, Jr., and Tom and James Bohmner left yesterday by auto for Culver, Ind., where they were enrolled for another summer at the Culver Military Academy. They were accompanied by Mrs. Louis E. Beckman, Mr. and Mrs. J. E. Berry, and Robert Evans. Mrs. Bohmner went on for a visit with relatives at Sandusky, Ohio.

CIGAR STORE CLOSES

The Union Cigar Store, 147 East Court street, operated by Oscar Bloom, has been closed for the summer. Mr. Bloom intends to devote most of his time to the operation of the Avon recreation park and dance pavilion, on route 17 east of Kankakee.

OFFICE TO CLOSE

Miss Hazel Quick, Home Bureau advisor, stated today that her office would remain closed from tomorrow until Tuesday of next week.

SOUTHERN CROSS IN CHICAGO

KINGSFORD-SMITH AND HIS
COMPANIONS DUE LATE
THIS AFTERNOON

ENROUTE WESTWARD

Hop Off For Salt Lake Thurs-
day And Thence On To
Oakland, California

BULLETIN —Lieut. Kingsford-Smith arrived over Sky Harbor airport at 2:47 p. m. CST today in his around-the-world plane "Southern Cross" with which he saluted John and Kenneth Hunter, who were on the 503rd hour of their record endurance flight in the "City of Chicago."

New York, July 2.—(AP)—Roaring away into the murky morning, the Southern Cross headed westward from Roosevelt Field at a few minutes after 7 o'clock (EST) today on the first jump of a transcontinental flight to Oakland, Calif., which will end its journey around the world. Its crew expects to reach Chicago this evening.

An hour after the takeoff it had not been reported, although it planned to fly low. The overhanging mist kept visibility low and even at 2,000 feet the plane apparently had not been distinguished as it soared over New York and Newark, N. J., and headed into the Alleghenies following the air mail route.

Charles E. Kingsford-Smith said he would follow the mail route. In addition to the crew of three who flew with Kingsford-Smith from Irel and to New York with a stop for fuel at Harbor Grace, Newfoundland, the Southern Cross carried Laurence D. Lyman, of the New York Times as a passenger.

After an overnight stop in Chicago, the fliers will take off for Salt Lake City, flying over Iowa City, Des Moines, Omaha, and Cheyenne. A second overnight stop will be made at Salt Lake City and Friday they will continue to Oakland, Cal., from where Kingsford-Smith took off two years ago on his flight to Australia by way of Hawaii. When he arrives at Oakland, Kingsford-Smith will have flown the Southern Cross around the world, across the oceans travelling form east to west.

Before starting on the trans-continental flight, Kingsford-Smith said he planned to sell the Southern Cross in California.

He said he planned to return east in about two weeks and sail for England and thence to his home in Australia where he is engaged to marry Miss Mary Powell in September.

Chicago, July 2.—(AP)—Welcome winds breezed over the Windy City today for Major Charles Kingsford-Smith and his trans-Atlantic crew of the Southern Cross, California bound.

The tri-motored Pooker was scheduled to land at the Curtiss-Wright Glenview airport at 3 P. M. (CST) after a non-stop flight from New York. The takeoff for San Francisco was planned for early tomorrow morning.

Complying with the wishes of those who flew the North Atlantic, the welcome program was a "simple affair." A welcoming committee of notables, a motor jaunt down Michigan avenue and an informal reception was Chicago's honor.

After circling the loop upon their arrival, Major Kingsford-Smith planned to skirt the Lake Michigan shoreline to Sky Harbor airport and dip in salute to the Flying Hunter brothers and their endurance plane, "City of Chicago."

Kingsford-Smith and his crew will remain here overnight, departing at dawn tomorrow for Salt Lake City over the Northern Airmail route. Friday they will attempt to reach Oakland, Calif., without a stop.

In a radio program at 6:30 p. m. (CST) tonight in a National Broadcasting company hookup, Maj. Kingsford-Smith will tell about his flight across the Atlantic and will present his companions in that flight. Evert Van Dyk, co-pilot; Capt. J. Patrick Saul, navigator, and J. W. Stannage, radio operator.

AIR MAIL PLANE CRASHES IN INDIANA

Chicago, July 2.—(AP)—The second section of the New York-Chicago air mail, with Pilot Robert P. Hopkins at the stick, crashed near Middlebury, Ind., at 5 a. m. today. The town is seven miles east of Goshen.

National air transport offices here learned the plane was flying low and probably struck communication wires, crashing and burning. Plane and 800 pounds of mail were destroyed but the pilot escaped without injury.

Premium List Near Completion

Copy for the Premium List of the 1930 Kankakee Inter-State Fair has been almost entirely turned over to the printers and there remain only the last few pages of index and advertisements to be completed.

Merchants and business men who have not yet been given an opportunity to advertise in the premium list are requested to communicate with the headquarters of the fair, Room 15 First Trust Building. The telephone number is main 5.

The book is expected to go to press in about a week or ten days. At that time thousands of copies will be mailed to the many exhibitors of the Kankakee Fair scattered through the United States and Canada.

MAYOR BECKMAN TO LAY CORNER STONE

Louis E. Beckman, mayor of Kankakee, will lay the corner stone of the new west side fire station tomorrow morning at 8 o'clock, it was announced today by Armand LeBeau, alderman of the third ward and chair man of the city council building committee.

There will be no formal ceremony, although members of the building committee and other interested persons will be present. The formal ceremony will be held after the completion of the building with a grand opening.

The tile for the interior of the new building, which has been delayed in shipment causing a delay in construction work, has finally arrived and it is believed that the construction will go on without further trouble.

FORESTERS IN BIG MEETING LAST EVENING

Last evening at St. Joseph's hall on West Court street a special meeting of Canadian Court, G. O. Order of Foresters, No. 54, was held. The associated courts of the Kankakee district were guests at the meeting, which was largely attended.

S. J. Brosseau, who was recently elected vice chief ranger of Illinois at a convention held at Moline, was presented with a beautiful Forester ring. The presentation speech was made by Louis Bignani, who voiced the order's appreciation of his faithful fulfillment of his duties.

Various officers from Chicago who were present were: Thomas R. Heaney, high treasurer; J. W. Donovan, state chief ranger; John Stultz, state secretary; George Colby, by state chief speaker; and Harold Colby, chairman of the state athletic committee.

Courts of the following towns were represented: Bourbonnais, Chebanse, L'Erable, Manhattan, and Manteno. Representatives were present from St. Patrick's court and the Polish court.

Refreshments were served during the evening. The committee in charge consisted of the following: Harvey Brosseau, Louis Bignani, Leo Prince, Frank Cartier, Eugene L'Ecuier, and George Longevin.

Talks were made by Judge Henry Ruel and Rev. P. B. Dufault. Vocal solos were given by Harold Colby, Harvey Brosseau, and Deneen Ashley. A piano solo was given by Miss Dorothy Longevin.

P. J. CLIFFORD DIES SUDDENLY

Patrick Joseph Clifford, a well known resident of Kankakee until eight years ago, died suddenly yesterday morning at his home in Los Angeles, California. Death was caused by heart disease. He is survived by his wife and the following children: John and James Clifford and Mrs. William Bartlett of Kankakee, William Clifford and Mrs. Frank Platt of Chicago, and Mrs. R. C. Campbell of Rockford, Ill.

Funeral arrangements have not been completed.

UNDER ADVISEMENT

Final arguments in the hearing for the proposed seventh ward sanitary sewer were heard in the county court yesterday afternoon before Judge John H. Gillan of Waukegan, who took the matter under advisement. Judgment will be rendered on the afternoon of July 11th.

CAR RECOVERED

An automobile belonging to Ed Reimus, 494 West Court street, which was stolen from the locked garage last Sunday night, was later found abandoned near St. Louis, Mo. Reimus went there yesterday and claimed his property.

KANKAKEE GIRL IN VAUDEVILLE ACT AT JOLIET THEATRE

The Republican is in receipt of papers from Joliet which announce the appearance there of Miss Florence Gast in a vaudeville act at the Rialto Theatre for four days from tomorrow until next Sunday. Miss Gast appears in her own vaudeville act which has just been produced for her by her husband, Benny Meroff, the well known and popular Master of Ceremonies and orchestra leader at the Balaban and Katz theatres in Chicago.

This is the first professional appearance of Miss Gast, who is the daughter of B. E. Gast, since she left the stage at the time of her marriage.

Her former stage appearance, besides a number of tours over the Kells and Orpheum circuits included such prominent successes as the Ziegfeld Follies, Sally, Al Jolson's Bomba, in which she played the part of the Dancing Indian Princess, Shubert's Adrienne and the Rose, and all Broadway successes. Her present tour after the Joliet engagement, includes Canton, Ohio, New London, Ontario, Rochester and Syracuse and then New York City.

Those who knew Miss Florence in Kankakee, where she was born and raised will undoubtedly appreciate being informed of her Joliet appearance and wish her the best of luck in her present undertaking.

ARMY PILOTS LAND AT LOCAL AIRPORT

Due to the thick blanket of fog which covered all of Chicago yesterday, Lieutenant G. W. Goddard, and Sergeant Switzer, of the U. S. Army Corps, flying from Chanute Field to Chicago, were unable to land, and as a result, they came back to the Kankakee Airport, which is out of the fog belt, and which is in an unusually favorable position to receive planes which are unable to land in Chicago because of unfavorable weather conditions.

They are delivering pictures which had been taken by night over the Army Air Show in Chicago. The pictures were taken by dropping flashlight bombs, and the prints which Lieutenant Goddard showed to the owners of the airport, and several of the students, compare very favorable with those made in full daylight. This is a new development which it is anticipated will be of considerable value in time of war, inasmuch as a plane flying high above in the darkness, drops the flashlight bombs, takes the picture, and then can get away with much less chance of being observed than in daylight. After landing at the field, Lieutenant Goddard left for Chicago by auto and Sergeant Switzer flew the plane back to Chanute Field.

Other visitors at the Airport yesterday were Vic Lindemann and J. Mundell, of the Joliet Aircraft Company, who stopped to refuel at the Kankakee Airport on their way from Champaign to Joliet.

OUT UNDER BOND

David Moore, proprietor of Moore's resort near Mokena, who was arrested yesterday morning by George Keigher, Mokena chief of police, on a charge of sale and possession of intoxicating liquor, was released under bond of \$2,000 this morning in the county court. Moore made his appearance before Judge Henry F. Ruel.

REFRIGERATOR AT HOSPITAL OUT OF ORDER

REPORT SAYS INEXPERIENCED
ENGINEERS UNABLE TO
REPAIR MACHINE

PATIENTS SUFFER

Rumored That Hospital Ward
Had No Ice And Patients
Eat Decayed Foods

Rumors and more rumors, so serious in nature as to seem unbelievable, continue to reach the ears of astounded Kankakee citizens when occasionally an unfortunate patient of the Kankakee State hospital meets a friend to whom he dares to give his confidence.

Among the many stories, the report is freely circulated that the great refrigerating plant, built for the purpose of manufacturing ice for the institution and to preserve carcasses of meat and practically all of the other foodstuffs fed to the patients, is out of order and the new and inexperienced political appointees who have been given charge of the plant are unable to repair it.

For a week or ten days, it is reported, this machine has been practically useless so that the temperature in the cooling vaults has risen to a temperature far above the point necessary for the preservation of perishables, and 8 tons of meats and other foodstuffs have simply spoiled and decayed, including an enormous quantity of milk.

A great quantity of meats that had become wholly rotten, it is said, has been thrown away to rendering plants for use in making soap. The meat that has been retained for the tables of patients, it is also claimed, is slimy with decay, and the stench of the cooling rooms is testimony enough of the condition of foods stored therein.

The city of Chicago, it is said, has been working hard for several weeks to put out a most excellent report, which no doubt will be appreciated by a large audience.

Immediately after the doctors, Dr. B. B. Ferris will tell some of the early history and reminiscences of the site of this park. This will be interesting, and will be carried by a loud speaker over the grounds.

That is not the worst of the situation, according to report. It is claimed that because of this alleged failure to repair the refrigerating plant, during one of the hottest days of the summer, the hospital ward was entirely without ice. If any ward in the institution needs ice, it is surely the hospital ward, and to deprive suffering patients of this necessary commodity is certainly shameful and inexcusable.

According to the reports, there is nothing radically wrong with the machine and any competent engineer might repair it in short order. It is claimed that such a breakdown occurred in previous years, when trained and experienced engineers were there to repair it, and it was only a few hours until it was in operation again. But the unskilled new employees of the institution seem to be unable to even diagnose what is wrong. The management does not seem to have the "gall" to call in the former engineers who they so unfairly and illegally discharged for political reasons.

This shameful and inexcusable condition which is said to exist in the Kankakee State hospital is the inevitable result of the reckless, and in most cases, illegal discharge of efficient, experienced and qualified officers and employees.

The J. Bert Miller-Emmerson gang, in their silly effort to punish those who would not obey J. Bert's and Louis L's dictation, has caused large sums to be wasted than wasted by the illegal discharge of Mr. J. S. Sarfield, with over 33 years experience, and his assistants, and the appointment of men who did not know or were too indifferent to operate the refrigerator machine, and to take care of the many other engineering responsibilities of the institution.

But why ennumerate the loss of food? Is it not more terrible that unfortunate wards of the state should be forced to eat foods that are not fit for human consumption?

BAND CONCERT AT SOUTH SIDE PARK

The next concert in Kankakee by the Municipal Band will be given tomorrow (Thursday) evening at the south side park, opening at 7:15 o'clock.

The concert this week will be in keeping with the spirit of Independence Day and will consist of stirring marches, patriotic selections, and popular numbers.

St. Mary Hospital

Patients admitted to St. Mary's hospital, Tuesday, July 1, are as follows:

Mrs. Grace Roe, Mokena, Ill.
Alfred Oaks, Buckingham, Ill.
Miss Loretta Linn, Donovan, Ill.
Joseph Biers, 372 N. Indiana Ave., Kankakee.

Patients discharged from St. Mary's hospital, Tuesday, July 1, are as follows:

Alfred Oaks, Buckingham, Ill.
Mrs. Harry Yohnka, Route 3, Kankakee.
Carl Couser, 210 N. Indiana Ave., Kankakee.
Mrs. Exilda Cheffer, St. Anne, Ill.
Mrs. Virginia Sims, 653 N. Greenwood Ave., Kankakee.

WOMAN INJURED IN ALLEGED ASSAULT

Mrs. O. M. Harlan, a well known resident of Mokena, was knocked down and badly injured, she claims, Monday by Clarence Lampert, a rural mail carrier. It is said that her left leg was fractured at the hip joint.

According to Mrs. Harlan, the difficulty arose over some limbs of Lampert's shade trees were blown down during Monday night's storm and which lay at the rear of the Harlan home. It is said that Mrs. Harlan insisted upon their removal when Lampert made the assault, knocking her down on the stone road.

Dr. J. E. Jensen rendered first aid and she was brought to St. Mary's hospital in Kankakee in the Canada ambulance Wednesday morning. Mrs. Harlan is the wife of a prominent newspaper man in Mokena.

CONCERT SUNDAY AT FARMER PARK

Next Sunday at the Soil and Crop park, at 2:30 p. m. there will be a band concert by the Soil and Crop band. The members of the band have been working hard for several weeks to put out a most excellent concert, which no doubt will be appreciated by a large audience.

Immediately after the concert, Dr. B. B. Ferris will tell some of the early history and reminiscences of the site of this park. This will be interesting, and will be carried by a loud speaker over the grounds.

ALLEGED HIT- RUN DRIVER IS OUT UNDER BOND

D. C. Seabert, a truck driver of Dwight, Ill., who was arrested in that City Monday afternoon by Gene LaFontaine, traffic officer, on a warrant charging that he failed to report his name and address after an automobile accident, has been released from the city jail on bonds of \$100 pending a hearing in the police court.

The case dates from April 23, this year, when his truck and that of Albert Bostick, 652 South Myrtle avenue, collided when the latter machine was parked at Court street and East avenue. The warrant for Seabert's arrest was issued at the request of Mr. Bostick.

Joe Wagner of Chicago who was arrested Monday night by Chief of Police John Stack and Detectives Imming and William Cantlin, is still a prisoner in the city jail, not being able to pay the fine of \$200 and costs assessed against him for carrying concealed weapons.

Wagner has been partially identified as one of the bandits who on Sunday evening held up and robbed seven persons in this vicinity, and more developments are expected in his case. Chief Stack has sent to Chicago for his previous record.

E. A. Volmer, representative of a St. Louis, Mo., insurance company was in Kankakee today for the purpose of claiming the stolen Chevrolet car used by "Red" Ackerson and his companion "Slim" when they planned to rob the Volkman jewelry store recently. The car was left in the possession of the police when Ackerson was taken to St. Louis for prosecution on a car stealing charge.

Chief John Stack has received a letter from John W. Norton, chief of detectives at Chicago, saying that a car stolen in Chicago Sunday from R. D. Brown, 313 North Sixth avenue, has been recovered. Chief Stack has written a letter of introduction for Mr. Brown, who expects to go to Chicago and claim his car.

Frank Bevan, 506 South Myrtle avenue, was arrested yesterday afternoon by Officer LaFontaine for speeding.

Dave Berry, 226 South Grand avenue, Bradley, reported to police headquarters last night that his license plates, number 1-288-808, had been stolen from his car.

Mrs. H. I. Stevens and daughter, Vermette, spent the day in Chicago shopping.

New York, July 3—(AP)—The market drifted along on an even keel today, with a few minor dips in check by intermittent prodding, but there was little indication that the price in any direction and the volume of trading was extremely dull.

Leading stocks showed a general upward slant. In the utilities, American Electric Power, American Gas & Electric, American Gas & Electric Power Warrants were bid at 10 points or two, but most of the other utilities were bid at 5 points or less. American Gas & Electric was heavy for reasons not clear, but it recovered its momentum.

Oil stocks were dull and steady. The occupation of Missouri, Kansas, Oklahoma and Texas by the U.S. Army, and Gulf Oil brought a reaction in the market. The price of oil in Louisiana again crossed 80 on a fractional rise.

Headline closely held stock, such as General Motors, moved, climbing about 10 points. Aviation Corporation, Swift, American Cyanamid, and others were bid at 10 points. Mining was firm on small turnarounds. Technicolor turned down after gain under renewed selling and a drop in the price of Rayon. Ray preferred was heavy.

Bargains In This Paper

Scores of people during the past two weeks

have taken advantage of the special showing of used cars. As a result they have bought and solved their automobile problem in a most economical manner.

These are still many excellent values. Cars, in

fact, that one might say are just nicely broken in. The upholstery is in A-1 condition and the finish shows no signs of being weather beaten and abused, yet you can purchase this car at a fraction of its original price.

Whether it is your first car or a second car

you desire you will find a good used car to be an excellent investment. The choice is almost unlimited. All the popular makes, body styles and models are on display. Take advantage of this showing today. You are not obligating yourself in any way when you see the dealer to show you one of the fine cars he has listed in the special page of offerings in this paper.

The change of the Mass hours which is now one hour earlier at 7:30 instead of 8:30 and at 9:00 o'clock instead of 10:00 o'clock is bringing many from other places to attend, especially the 7:30 mass as the weather is much warmer for the later mass and besides it is much more convenient for those who are planning to go out visiting, can prepare to leave earlier and those planning to entertain company can prepare their dinner while it is not so warm.

Transparent Gem
Hiddenite is a green, transparent variety of spodumene used as a gem stone. A well-marked prismatic cleavage renders the mineral rather difficult to cut. Its color passes from an emerald green to a greenish yellow and is often unevenly distributed through the stone, which shows much fire when properly cut. Hiddenite was originally found as loose crystals in the soil, but was afterward worked in a vein stone where it occurred in association with quartz, garnet and other minerals.

Cannibalism Still Found
Cannibalism still exists in some tropical countries but is limited to the area comprising the country ten degrees north and south of the equator. It is found among isolated South American tribes, in West Equatorial and Central Africa, the Malay archipelago, certain South Sea islands, mainly in Melanesia, and in parts of Australia. Head-hunting tribes are found in Madagascar.

UNEMPLOYMENT BILLS SEPARATED TODAY

Washington, July 2.—(P)—Senator Wagner's bills for the prevention of unemployment parted company today for the first time in their legislative careers, one going to President Hoover, another to conference and the third still awaiting action by the house.

Two of the measures were approved by that branch of congress late yesterday. The first contemplated the acceleration of public construction in times of business depression and the other the creation of an employment index to show when building expansion is needed.

The Wagner measure on which action was deferred could create a nation-wide system of employment exchange agencies with the financial aid of the government.

Honey Production
The average production of a colony of bees is about 50 pounds, but under favorable conditions 100 pounds might be produced.

Yes, There Are Plenty
Approximately \$35,000,000 worth of bananas are imported into the United States.

Warm Varnish
If you heat your varnish very lightly before applying, it lessens the pull it has in its cold state and is easier to use.

ALWAYS FAR IN ADVANCE - NO HEDGELASH MODEL CHANGES

Before you compare any car at any moderate price with the Graham, you are entitled to ask if it has those invaluable features which make every Graham car worth more, and every car which does not have them worth less

These Qualities make the Graham worth \$300 more than any car without them

Graham Standard Six 4-Door Town Sedan \$845
Price at factory
Other Standard and Special Sizes Standard and Special Equipped, up to \$1395

Before equality with the Graham at these prices can be attained by any car, it must give you for your investment, in the \$845 price class for example, a 66 h. p. engine with 207 cu. in. piston displacement; a seven-bearing crankshaft with 81.4 sq. in. of main-bearing area; chain-driven generator and water pump; big 12-inch internal hydraulic brakes; a Graham body of the finest quality built in Graham's own plants; adjustable seats and foot pedals; 115-inch wheelbase; four wide doors and roomy comfort.

If it is an Eight at or near the Graham price, you are justified in asking it to match Graham in its 100 h. p. engine which gives flexibility, power and brilliant performance; in the Graham time-proved four-speed transmission; in silent acceleration to 65 miles an hour in third gear—80 miles and better in fourth with amazing ease; in acceleration to 60 miles an hour in 19 seconds from a standing start; in a smooth, sure stop in 5 seconds from 60 miles an hour; in the finest body Graham knows how to build.

And, in any Graham model, shatter-proof safety plate glass throughout at the lowest additional cost ever placed on such equipment.

GRAHAM QUALITY IS THE BEST POLICY
