POLICE QUELL 500 RIOTERS AT SHANGHAI

STUDENT COMMUNIST AGITATORS PARADE AND DISTRIBUTE PROPAGANDA

French Quarter Erects Barbed Wire Entanglements In Streets Of District

BY MORRIS J. HARRIS
Shanghai, Aug. 1.—(AP)—The tide of communism harrasing central China touched the international settlement today as 500 student agitators attempted a demonstration to be repulsed by the clubs of foreign police.

Police charged when the students gathered in the heart of the international city to stage a parade with communist banners and distribute propaganda. The agitators soon were scattered.

Fifty were arrested and held for trial in Chinese district court. The French concession, although quiet, took to a warlike appearance as police erected barbed wire entanglements, enlarged their patrols and closed all streets leading to the native part of the city.

All the thoroughfares between the native section and the French quarter were barred with 10-foot iron gates and no traffic was allowed to pass. Machine guns were mounted on the event of an emergency.

The Associated Press correspondent visited the native section, and found no signs of Red activity. The usual military and civilian police were patrolling the area. Martial law was considered to exist there, however, but this was nothing unusual because the Chinese military always controls the policing of the native quarter.

HEIGHTS MAN IS FINED \$100 TODAY

Calabrese, 29, 15 East 31st street, Chicago Heights, was fined \$100 and costs in the police court this morning by Judge Bert L. Fitzgerald on a charge of attempting to operate a confidence game. He was arrested last evening by Officers Clifford and Beach. Not having the money to pay his fine, he was sent to jail.

Short changing was Calabrese's game. It was charged. It is said that he would enter a place of business and make a small purchase, offering payment with a large bill, usually a twenty. While change was being counted out he would say, "Wait a minute, I think I have change and he would produce some silver. There would be some something about the money, not together explained, and in the end he would have his original twenty and the change offered him also.

TWO MURDERED AT KENOSHA ROADHOUSE

Kenosha, Wis., Aug. 1.—(AP)—Two men today killed Louis Derler, 45, in a roadhouse, and then slew a bartender fleeing from the scene. As the climax of an argument which police believe "faked" to cover a motive of revenge.

Two shots were fired into Derler's body and two into the body of the bartender, both died instantly. A patron who tried to stop the fight was slugged, and four women companions were threatened.

The bartender was identified as Edward G. Dennesty, of Racine.

Abe Martin

"I put some more to it an' had a windshield wiper put on my car," said Farmer Jake Bentley, when Late Bud asked him what he did with all the money he made in 1929. Well, anyhow, there's no excuse for marryin' a weak-kneed girl.

NATURAL GAS WILL BE PIPED TO STATE

Springfield, Ill., Aug. 1.—(AP)—In preparation for the coming natural gas into this state, the Illinois Commerce Commission today authorized the People's Gas, Light & Coke company of Chicago to charge consumers for the number of meat units used rather than the number of cubic feet.

Contracts have already been let for the piping of natural gas into Illinois from Texas and other western fields. The natural gas line probably will reach the Chicago area some time next year.

At the hearing before the commission, the gas company said that the change will not result in an increase or decrease of the present rates but merely constitute a change of system. The company stipulated that any customer may continue to receive a bill in cubic feet upon giving proper notice to the offices of the firm.

The order is said to be designed to prevent unfair competition from natural gas in this state. Selling of gas by heat units instead of cubic feet would give gas companies of the state a fair means of price comparison, according to utilities experts.

CAROLINE VOIGHT WINS FIRST PRIZE

Miss Caroline Voight, Kankakee, scored 96.2 percent in the health contest conducted by the 4-H club of the Kankakee County Home Bureau recently.

This honor entitles Miss Voight a free trip to the state fair at Springfield to compete for prizes among contestants for all over the state. She is a member of the Sew 40 Club of Kankakee, of which Mrs. Carl R. Smith is the leader.

Miss Ruth Kukuck of the Salina P. P. and S. Club won second place with a score of 95.8 percent. Miss Mildred Davis was third with a score of 94.4 percent and Miss Doreen Shreffler of the Rockville Post Workers club was fourth with a score of 92.1 percent.

Drs. Sophie W. Schroeder conducted the county examination with the assistance of Hazel L. Quick, county home advisor.

CHICAGO FIRM IS GIVEN SUSPENSION

New York, Aug. 1.—(AP)—The New York Curb Exchange today announced the suspension of the firm of Kemper Brothers from associated membership for failure to meet its engagements.

Chicago, Aug. 1.—(AP)—Kemper Brothers, Chicago brokerage concern suspended today from trading privileges on the New York Curb Association, has been in the hands of a creditors' committee for several weeks in an effort to liquidate the firm.

Difficulties overtook the firm last spring and May 8, the Chicago Stock Exchange announced its suspension followed May 20 by a similar announcement from the Curb Association signed by Adolph Kemper, father of Ralph and Jean H. Kemper, the partners.

The elder Kemper, who served as president of the Curb since trading was started two years ago, resigned his position last week to go with a Chicago grain house.

Mrs. Leroy Younkman of Saginaw, Michigan, formerly Bernice Albright of Kankakee is visiting here with her grandfather, David Gooding and friends.

ASK INCREASE IN AGENTS TO ENFORCE LAW

NEW DIRECTOR OF PROHIBITION SAYS MORE MEN ARE NECESSARY

TWO-DAY CONFERENCE

Department Of Justice Director Says His Appeal Is Not A Cry Of Despair

Washington, Aug. 1.—(AP)—Convinced after two days of meetings with his 12 regional administrators that an increased personnel was essential, Amos W. W. Woodcock, director of prohibition, will ask congress for a 25 per cent enlargement of his forces.

James M. Doran, chief of the bureau of industrial alcohol of the treasury, also will seek an increase. The Woodcock decision is no "cry of despair" he maintained today. He is confident that with the personnel increased from 2,000 to about 2,500, stricter enforcement will be obtained and that his concentrated drive against large scale violators will be more effective.

The recommendation is the result of demands from his field directors. Woodcock, who has just taken over the prohibition task for the justice department, already felt more men were needed but had expected to leave a definite decision until he had gained more personal experience. The overwhelming sentiment of his lieutenants, however, made up his mind.

Today the new dry czar wound up his conference with the field workers, consulting them with a dozen picked men who are to head a special squadron of 200 agents deputed to ferret out wholesale liquor conspiracies. He planned also a talk before the industrial alcohol permit supervisors on the cooperation expected between the two forces.

The Doran forces for which an increase of 120 men is sought are holding a conference parallel with that of the prohibition supervisor.

FIVE KILLED; FIVE HURT IN RAILROAD CROSSING ACCIDENT

Manitowoc, Wis., Aug. 1.—(AP)—A railroad grade crossing accident cost the lives of five persons and injury to five others today.

Two children and two women, all residents of Manitowoc county, were killed when a Northwestern road gas-electric car struck a touring car. A third child died in the hospital.

The dead: Mrs. Victor Povalish, 26, Mrs. Frank Mrotek, 30, Marian Mrotek, 2, Gertrude Vanderbrush, age unknown and Martha Vanderbrush, 12. The injured: Mrs. Peter Vanderbrush, Leona Vanderbrush, 14, Eleanor Mrotek, 7, Dorothy Mrotek, 5 and Donald Mrotek, 1 year.

INDIANAPOLIS MAN DISAPPEARS; DEAD?

Indianapolis, Aug. 1.—(AP)—Police were searching today for a man whose coat was found on the Washington street bridge over the White river last night. The coat contained a letter addressed apparently to his father, Chester Zoll, 420 E. Haugh St., Springfield, Ill.

Officers supposed the writer had committed suicide but the search for his body in the White river, now only four feet deep, proved fruitless. They believe the author of the letter may have disappeared after leaving it in his coat hoping it would be found and sent to his father.

The contents indicated the man had failed to receive a letter from home and said that led him to believe "you don't care about me any more." The letter also contained a reference to Elizabeth saying she had been unfair to the writer. There were no marks of identification on the coat or the straw hat found with it.

INCREASE FREIGHT RATE ON LIVESTOCK

Washington, Aug. 1.—(AP)—An increase of about four per cent in livestock freight rates to Eastern cities effective October 15, was approved today by an interstate commerce commission decision.

The key to the new schedule, which is that borne by livestock shipments from Chicago to New York City and other population centers nearby, is now 50.5 cents per 100 pounds. The commission's decision today allowed that to be increased to 53 cents.

ARRIVE WITH THE DIRIGIBLE R-100

Two important officers arriving in America with the R-100 on its flight from England to Canada are shown above. They are Commander C. D. Burney, left, who designed the giant dirigible, and Major G. H. Scott, commander of the sister ship, R-101, and navigator of the famous R-34 on its transatlantic flight to America in 1919.

Necking Is Not Modern Says Prof.

Chicago, Aug. 1.—(AP)—Dr. David M. Robinson of John Hopkins university has made the interesting discovery that the B. C. Greeks were not above "necking," that they used face rouge, and they had shower baths and bathtubs, and that they even laughed at comic strips.

Dr. Robinson, professor of psychology at John Hopkins, made his observations at the University of Chicago. He has just returned from Olympus, Greece, where important excavations were made.

"Olympus was at the height of its glory about 300 B. C.," he said. "In its two-story residences each bedroom had an adjoining bath with an overhanging urn which served as a shower. A slave would pour water into the urn while the master stood under it."

"Compacts we have found compared with the present day vanity case, and sculpturing revealed the Greeks in 'necking' poses."

The "comic strip artist," Dr. Robinson explained, molded his comedy characters and was rewarded by coins thrown to him as he paraded through the community.

CLETUS D. HART ASKS A DIVORCE

A bill for divorce, Cletus D. Hart of Kankakee versus Nellie Hart, the former Nellie Van Kuren, was filed today in the office of Joe Tolson, circuit clerk, by Attorney Henry P. Ruel.

According to the bill, the couple was married November 12, 1911 at Kankakee and lived together as man and wife until April 10, 1928, at which time she deserted him, he claims, and is still absent.

Besides divorce, the plaintiff asks that the home on North Dearborn avenue, which he owns, be decreed as his property not to be shared by her. Other property which she has purchased in Sunnyside, Brookmont Woods, and in Evansville, Ind., he lays no claim to.

MORE BANKRUPTS, LESS LIABILITIES

Chicago, Aug. 1.—(AP)—Bankruptcy petitions filed in the Federal District Court here in the fiscal year ended June 30 were nearly 600—greater in number than the previous year but the liabilities totaled \$9,300,000 less.

In the fiscal year just closed 2,608 petitions in bankruptcy were filed, 2,120 of them voluntary. Last year 2,085 petitions were entered. 1,679 voluntary.

Total liabilities listed last year were \$45,468,415 and for the previous year were \$54,754,149.

4:34 a. m.—Moored at St. Hubert Airport.

By W. W. Chaplin
St. Hubert Airport, Montreal, Aug. 1.—(P)—The biggest airship the world has ever known, the British dirigible R-100, completed its first Trans-Atlantic crossing today, delayed and somewhat damaged by storm, but completely triumphant after its first great trial.

Three days and more ago, at 9:45 EST on Monday, the R-100 left Cardington, Eng., at 9:45 a. m. after a 78-hour and 51-minute mooring after its departure. It was secured to the mooring mast erected here specially for its use.

It would have made a far faster trip but stormy weather encountered after it had crossed the ocean and was on the last leg of its flight here, ripped the fabric covering of one fin. The slight damage was repaired in air, but time lost making repairs prevented a landing before dark last night and so no attempt was made to moor until morning.

Officers interviewed in the mast immediately after mooring said the damage was trivial and would not necessitate any change in the ship's schedule, which calls for several flights about Canada during the next ten days before it starts back across the sea for home.

In length the R-100 is between the American Los Angeles and the German Graf Zeppelin but in earth and cubic capacity it is far larger than either. Yet it was held in the air during the mooring operation with as much apparent as a tiny blimp.

Sir Denistoun Burney, designer, Major G. H. Scott, assistant director of airship development, Squadron Leader R. S. Booth, Captain of the R-100 and Squadron Leader Johnston, navigating officer, talked of the flight as soon as the ship was made fast.

The most valuable thing learned, the officers believed, was that the airship was the most comfortable means of transportation. The course over the North Atlantic they regarded as the most feasible for commercial use if larger ships are used.

Major Scott, captain of the first British airship to fly has developed a new plan for collecting water for ballast while flying.

"We built a little gutter arrangement along the top and collected rain water. The enormous bulk of the ship makes it quite easy. Then we piped the water down."

MAKERS OF LINDY'S PLANE CLOSE PLANT

St. Louis, Aug. 1.—(P)—The plant of the Ryan Aircraft Corporation, makers of Col. Charles A. Lindbergh's famous "Spirit of St. Louis" has been closed.

General business depression was given by officials as the cause of the closing. The company is controlled by the Detroit Aircraft Corporation, which will determine when and if manufacturing is to be resumed.

ANOTHER HEAD OF BIG FAMILY SUICIDES

DeKalb, Ill., Aug. 1.—(P)—After four days' search a posse has found the body of W. B. Abbott, 46, who cut his own throat Sunday while despondent over financial reverses. The body was in a corn field near his home at Malta. He left a wife and eight children.

Dr. Oakley Smith, of Chicago, founder of naprapathy, was a visitor here yesterday and made a business call on Dr. E. Marie Johnson.

HOME COMING AT BOURBONNAIS IS SUNDAY, AUG. 31

The people of the parish of Bourbonnais are preparing to give their second annual home-coming, on Sunday, August 31, at St. Viator college. A committee of three of Bourbonnais prominent men was named last Sunday to select the date, and to appoint sub-committee that will have charge of the various amusements, sports and games.

One of the principal attractions of the event will be a chicken dinner served by the ladies of the parish assisted by the Children of Mary, in the college dining hall, which is an ideal place for the accommodation of a large attendance. For the second time, people of Maternity B. V. M. parish are inviting their former citizens, their friends and the public to come to their gathering with their families and to enjoy a pleasant day's outing; to meet old time friends and assist them in making that day a memorable one in the annals of Bourbonnais.

MOTHER, IN PLANE, TOO LATE TO REACH MOVIE ACTOR SON

Chicago, Ill., Aug. 1.—(P)—Harrison Hill, 30, motion picture actor who formerly lived here, died Thursday afternoon in a Los Angeles hospital of hemorrhages due to brain fever and spinal meningitis.

Word of his death came to his mother, Mrs. Lula Hill, Fairmont, Ill., as she was en route to Kansas City where she planned to board a Trans-Continental plane that would speed her to her son's bedside.

Hill was born at Catlin, Ill., and graduated from the high school here. He had been playing in Metro Goldwyn Mayer picture for seven years mostly in aviation roles. His first picture was "Lilac Time" and his most recent one was "Gay Madrid." He is survived by his mother his widow and two small children. The funeral probably will be in Los Angeles Saturday.

TWO ST. ANNE MEN OUT UNDER BONDS

Steve Johnson and Lige Barvel, both of St. Anne, who were arrested yesterday afternoon in connection with the alleged recent assault of Mrs. Charles Underwood by her husband, were released from the county jail today under bond of \$500 each. Underwood, who was arrested several days ago on a charge of assault and battery, was released yesterday under a similar bond.

Just after the alleged assault, it was claimed that Johnson and Barvel had chased John Leroy, with whom Mrs. Underwood was riding in a car, through a corn field and had threatened to kill him. The two men denied this charge and said that they were only trying to interfere in the alleged assault by Underwood.

The two men were arrested yesterday afternoon by Deputy Sheriffs Riley and Groenewoud.

SOLDIER FINED

L. Farnham, a former soldier who has been residing at the Soldiers' Home at Danville where he has been receiving treatment for malaria, contracted when in service in the Panama zone, was fined \$5 and costs in the police court this morning on a charge of drunkenness. The fine was remitted, however, when it was learned that he was a former soldier and he was sent back to Danville.

AUTO RACES ARE BOOKED FOR THE FAIR

WILL BE RUN ON FAIR GROUNDS TRACK SAT. AFTERNOON, AUG. 16

SPEED KINGS HERE

Competition Will Be Open To The Best Drivers From All Over Country

The Tri-State, one of the oldest organizations of its kind booking auto race events on mile and half-mile dirt tracks in the mid-west, have signed contracts with the officials of the Inter-State Fair to stage speed events on the Kankakee fair grounds track on the last day of the fair, Saturday, August 16.

This week entry blanks will go out from the headquarters of the Tri-State to the more prominent dirt track speed kings, and officials of the racing organization will visit several tracks in the next two weeks to secure entries of the better class to compete for the large purses and many special prizes offered by the Kankakee Fair.

The racing this year at the Fair will be conducted under the open competition plan, as the Tri-State do not carry a number of drivers and their cars from track to track and give exhibitions. Their method is to offer a purse that will attract the best drivers procurable to their events, and the best pilot in the speediest car wins.

The racing fan of today is demanding the open plan of auto racing, and the days of the hippodrome style where the winner is known before the race starts is past. Six big events are scheduled for the last day of the Fair.

MUSIC FETE AT UNION SERVICE

A union musical festival, including numbers from the choir of all the cooperative churches of the summer union meetings, will be an unusual feature for the meeting Sunday evening at the First Presbyterian church.

The program will include numbers such as the following: a young ladies' quartet, two numbers; solo by James Godard, "God Will Wipe Away All Tears"; cornet quartet; young peoples' choir of ten voices, "Praise Ye The Father"; duet by Edgar and Paul Schumaker; women's double trio, "God Is Our Refuge"; solo by Miss Caroline Krueger; vocal duet by Miss Alma Salzman and Roger Beckman; readings by Miss Dorothy Tanner, and a solo by Mrs. J. W. Mathew.

DIES IN FLORIDA

Word has been received here of the death of Nels Christensen, a former resident of Kankakee, who died July 26 at his home in St. Petersburg, Florida. The body will be taken to Clinton for burial. Funeral services will be conducted at the Lutheran church Monday afternoon at 2:00 o'clock.

The Weather

Chicago and vicinity: Increasing cloudiness and somewhat warmer tonight and Saturday, possibly followed by a shower Saturday night; increasing southwest winds, becoming fresh Saturday. Outlook for Sunday: partly cloudy and moderately warm.

Illinois: Mostly fair and slightly warmer tonight; Saturday partly cloudy, possibly followed by a shower in extreme north portion, somewhat warmer in south and central portions.

PLANS OCEAN FLIGHT IN BLIMP

Otto Brinkman with a model of a baby blimp which he is having built in Germany for a proposed flight to the United States. It will have room to transport 24 persons, but only five will make the Atlantic crossing which is scheduled for early in October.

KING CAROL AND QUEEN HELEN

This is the first picture to be obtained of King Carol II with his wife, Queen Helen, since his return to the throne of Rumania. They are shown leaving a reception mass to King Ferdinand.

Defends Mooney

Adam Krumsch of Cleveland, who says he saw San Francisco Preparedness parade bombing 14 years ago, and Tom Mooney and Warren K. Billings did not plant the infernal machine.

In Alabama Race

John H. Bankhead, attorney of Birmingham and Jasper, is a candidate for the democratic nomination for United States senator in the Alabama primary August 12.

To Oppose Bowles

Among those opposing Mayor Charles Bowles, of Detroit, who has been recalled, for election in September, will be George Engel, who recently removed as chairman of the civil service commission by the mayor.

Wins Prix De Rome

Richard C. Muddick, 25, of Ossining, N. Y., was awarded the prize of the firm which constructed the R-100, on its flight to Canada.

On Board R-100

Sir G. Dennistoun Burney, director of the firm which constructed the dirigible, is making the trip on the dirigible's flight to Canada.

BEAUTIES SAIL FOR GALVESTON PAGEANT

A group of eastern beauty queens outward bound from New York for Galveston, Tex., where they will compete in the international beauty pageant. Left to right: Elsie Ross, "Miss Brooklyn"; Vera Waters, "Miss Philadelphia"; Patricia Lee, "Miss Albany"; and Lorna Rodick, "Miss New York."

BOYS IN WEST ORANGE, N. J., FOR EDISON TEST

Boys from the 48 states and the District of Columbia, who are striving for the annual scholarship of Thomas A. Edison, are shown after their arrival in West Orange, N. J. They will take an examination to prove which shall be judged best fitted to continue technical work and to serve, possibly, as a successor to the renowned inventor.

Found In Morocco

Laureano Carro de Villaverde, young South American diplomat and banker, who fled from Paris when financial disaster overwhelmed him, reappeared in the foreign legion in Africa.

For Power Post

Col. Marcel Garsaud of New Orleans has been selected by President Hoover for membership on the federal power commission.

Commands R-100

This photo, taken from a snapshot owned by his wife, is the first to be published of Captain Ralph Booth, who is commanding the British dirigible R-100 on its England-to-Canada flight. Mrs. Booth is visiting in Toronto.

Banished

Because the Lithuanian government considered him a "danger to public order and safety," Augustus Valdemaras, former premier and dictator, was banished for one year.

BONFIELD

Miss Viola Kukuck spent several days last week and the week-end with her cousins, Misses Mildred and Eleanor Kukuck, of Kankakee.

Miss Henrietta Bunte, who has been on nurse duties at the Otto Wenzelman home, returned to her home on Sunday evening.

The many friends of Mr. and Mrs. Wm. Norgaard of McLean, Ill., will be interested to hear the announcement of the arrival of a baby son who was born on Thursday, July 17. Mrs. Norgaard was formerly Beatrice Heeler of Bonfield.

Class Meeting

The regular July meeting of the Kings Daughters class of the Evangelical church was held on Sunday afternoon at the home of the teacher, Mrs. C. C. Kukuck. The program and business session were in charge of the president, Miss Ruth Orwig. Eight members and the teacher were present. Instead of a regular August meeting there will be a class picnic on Friday, August 22nd, at Rock Creek. All members are requested to keep this date in mind.

Mrs. Louisa Orwig, Miss Ruth Orwig and Mr. and Mrs. Ernest Kukuck and children, Edward and Irene, were Sunday dinner guests at the John Kukuck home in honor of the birthday anniversary of Mr. Kukuck.

NO TROUBLE AT ALL NOW

Kellogg's ALL-BRAN Has Benefited This Woman

Millions today are eating Kellogg's ALL-BRAN—guaranteed to relieve both temporary and recurring constipation.

The cause of constipation is the lack of roughage in food. Add sufficient roughage and constipation disappears. Kellogg's ALL-BRAN is nearly all roughage.

Here is a letter from Mrs. H. Gilbert, 107 E. Knight Ave., Collingswood, N. J., which will be interesting to many sufferers:

"I had a very serious operation in October and when I came from the hospital my main trouble was constipation. One day I said to the doctor, 'I am going to eat ALL-BRAN,' and since I started I have no trouble whatever. So you see I can't praise it enough and am always telling my friends what it did for me."

You will enjoy the nut-like flavor of this delicious, ready-to-eat cereal. It is rich in iron, and when eaten with milk or fruit juices, adds important vitamins to the diet.

Kellogg's ALL-BRAN is an essential in any reducing diet. It means every-day health to people all over the world. Your grocer has it in the red-and-green package. Served everywhere. Made by Kellogg in Battle Creek.

Kellogg's ALL-BRAN
Improved in Texture and Taste

Morning worship from 10:30 to 11:30 a. m. Rev. Smith will preach. You will be very welcome if you attend services.

There will be no evening service at this church, but it will be a good time to visit some other church and get the benefit of their hour of worship.

The church stewards wish to remind the congregation that we are needing the fourth quarter dues to make up the final payments and to get our reports in before conference which will meet earlier than usual, beginning Sept. 9th.

The evening service of last Sunday was well attended considering the unusually hot weather and all enjoyed the change of having an outdoor meeting and the special music.

Laundering isn't so bad, after all—

SPEED UP THE WASHING WITH A MODERN WASHER

The Fedelco Special and Thor electric washing machines are built for speed and thoroughness. Their sizeable porcelain-lined tubs take a large batch of clothes (six pounds, dry) and cleanse them gently and perfectly in from five to eight minutes. No preliminary soaking is necessary. Wringers swing to any handy position. The Fedelco Special is finished in durable green and tan enamel, and the Thor in green enamel. Machines are self-draining and after the washing is finished, roll easily into a corner.

The Fedelco Special is very reasonably \$99⁵⁰
priced at, cash

The Thor is also a bargain \$99⁷⁵
at, cash

SIT DOWN TO YOUR IRONING

A power Ironer gives you a half-holiday on ironing day. With an ironing surface of ten flat irons, it hurries you through flat pieces, as well as shirts and dresses, in about one-fourth the time. No effort at all to operate. The Thor or Fedelco table model has a 26-inch roll and \$79⁵⁰ plugs into any wall outlet. Cash

An Ironer attachment for both the Fedelco Special and Thor Washers lets the motors on these machines do double duty. Simply slip off the wringer and slip on the Ironer. Pieces guided onto the roller are pressed evenly and with a better sheen than is possible \$49⁵⁰ with hand ironing. Cash, only

For QUICK, BOILING WATER

The laundry needs its own little stove so water can be conveniently heated boiling hot. A Clark-Jewel laundry stove, with two giant burners, cast-iron top and japanned legs, standing 21-inches high is \$90⁵ (Delivered only)

For the MID-WEEK WASH

— or the small apartment — the compact little Whirlidy saves energy and time. Ideal for baby clothes, for dainty underthings, for table linens. Only 18-inches high, it slides under sink or range. In \$49⁵⁰ blue, gray, green or ivory

All these Laundry Helps may be purchased the convenient "Little by Little" way with small carrying charge.
