210 BASKETS FOR FAMILIES IN REAL NEED

RECORD NUMBER OF THANKS-
GIVING FOOD BASKETS
DISTRIBUTED

MRS. MANN DIRECTS

Needy Folks Are Given Meat,
Bread, Potatoes, Canned
Goods For Tomorrow

The largest number of Thanksgiving baskets for needy families of Kankakee—210 in number—were being distributed today under the direction of Mrs. Elizabeth Mann, county welfare leader. Last year there were 181 Thanksgiving baskets of food distributed among the poor.

A large part of the contents of each basket was donated by the school children of the city. This included canned fruits and vegetables, jelly and miscellaneous articles. Various stores donated the baskets and delivered them to the schools. The baskets and food were then brought to the court house where they were packed by members of the Woman's club, assisted by students at the high school and Departmental school.

The trucks used in distributing the baskets, under the supervision of B. J. Mathews, were donated by Tolson's Cleaners, Baird-Swannell company, Kankakee Pure Milk company and the park board. The greater share of the deliveries were made by employees of the milk company after they had finished their regular delivery routes this morning.

Each basket contained beef, a peck of potatoes, two loaves of bread, canned tomatoes, canned corn, canned peas, milk, canned fruit, jelly, a pound of lard and a few other miscellaneous articles.

The bread was donated by the following: Conrad's bakery, Erzinger Pure Food Stores, Federal bakery, Majestic bakery, Daley bakery, Amersbach's bakery, Chouinard's, Malley's, Ward's and Schultz bakeries.

The meat contained in each basket was purchased with funds contributed by the Rotary and Kiwanis clubs, Woman's club, Business and Professional Women's club, American Legion Auxiliary and High school students.

Mrs. Mann expressed her thanks to all who aided in donating, sorting and delivering the baskets. The total of 210 baskets includes six arranged for by the Red Cross and five by the Young Women's Christian association.

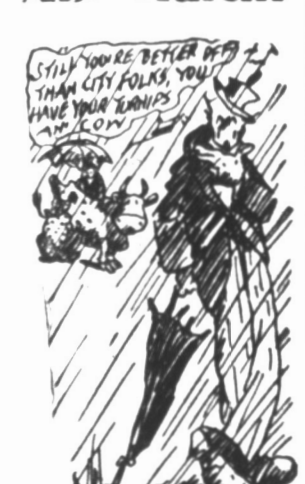

Various church organizations also aided the needy in their respective congregations.

The collection at the Ministerial Alliance union Thanksgiving services tomorrow in the Immanuel Baptist church will be given for further relief work.

MOTHER IS BURIED

Mrs. Dora Herbst, mother of Sidney Herbst, manager of the Hotel Kankakee, died last Saturday at the Washington Park hospital in Chicago. Mr. Herbst returned today after attending his mother's funeral services at Chicago.

Abe Martin

So many folks seem to be getting so much out of their unemployment that I expect they'll be sorry when times pick up. Women are about the only simpler things of life that still attract us.

Why Are We Thankful?

In keeping with past custom the Daily Republican will not be issued tomorrow—Thanksgiving Day.

Depression, unemployment—national misfortunes there, but tomorrow still is Thanksgiving day. And many of the 122,000,000 Americans are finding reason for being thankful. The national turkey will be on the board, maybe some pounds smaller and not in great numbers, but several valuable dimes less costly.

In keeping with President Hoover's proclamation in which he asked "that we make sure every person in the community, young and old, shall have cause to give thanks for our institutions and for the neighborly sentiment of our people," have come reports from even the hard hit sections of the country that special baskets for those who need food have been prepared and that extra efforts have been made to the end that all possible cheer and cause for thankfulness be extended.

Another story is told of great carloads of Thanksgiving birds moving to market accompanied by equally abundant supplies of glistening red cranberries. And even though the financial news of the day tells of less money in circulation and less buying going on, the same columns report lower prices on many of life's necessities.

The president's proclamation reminded the country of other blessings too:

Freedom from civil and industrial discord.

Progress upon the enduring structure of our institutions.

Education further extended.

Gains in the prevention of disease and protection of childhood.

And internationally, a strengthening of the outlook for peace.

In Washington Thanksgiving is a brilliant day, topped off by a ball, but President Hoover, both by precedent and personal inclination, will not attend Thanksgiving day for him will be a quiet one, spent at the White House fireside with his family and friends—an observance simple and in keeping with that of the American home.

PISTOL FALLS FROM HOLSTER; KILLS OWNER

MACK FARRINGTON OF ONAR-
GA SHOT THROUGH NECK
AND HEAD

OLD - FASHIONED GUN

Victim Was Aiding Friend In Putting
Chains On Tires; Was
Night Watchman

Onarga, Ill., Nov. 26.—(Special)—Mack Farrington, age 50, night watchman at the Iroquois Canning company's factory accidentally shot and killed himself at 7 o'clock last evening.

Farrington was assisting Frank Mitchell, an employee of the factory, in putting anti-skid chains on Mitchell's car. In stooping over to adjust the chains, Farrington's revolver fell to the ground from his holster and one bullet was discharged.

The bullet entered Farrington's neck near the jugular vein and passed out at the base of the skull.

Farrington was a prominent and active member of the Odd Fellows lodge here and was very well known and liked. He was a bachelor and had resided in and around Onarga all of his life. He is survived by a brother residing in Chicago and other relatives in California.

The body was removed to a local undertaking parlor. Funeral plans and arrangements will be made upon receipt of word from relatives.

The gun which discharged when it struck the ground is of a dangerous and old-fashioned type, the hammer being fired upon comparative slight shock or pressure.

Mr. and Mrs. Charles Rivard and daughter Marine Reine of Manteno were Kankakee callers yesterday.

46TH MEETING OF BUILDING- LOAN IS HELD

ASSETS HAVE INCREASED
\$300,000 DURING THE
PAST YEAR

\$39,000 DIVIDENDS

E. A. Lecour, President For 16
Years, Was Re-Elected To
That Office

The Kankakee Building and Loan Association held its forty-sixth annual meeting at the secretary's office last evening. This association has made an unbroken march of progress in the forty-six years in which it has served Kankakee and the fact that it has grown very substantially during this past year of general business depression shows unmistakably that here is an institution whose business principles and practices are sound and unswerving.

Secretary Frank O. Schneider reported that in the twelve month period just completed on November first, the association showed an increase of three hundred thousand dollars to a present total of \$5,911,981.35 and he also revealed many other interesting facts in his annual report to the shareholders. Mr. Schneider reported that there are now more than 8500 accounts on the books of the association, of which 2300 are loan accounts all amply secured by first mortgages on a conservative basis. A few people, he stated, have expressed the thanks of the association for the loans because of unemployment and subnormal business conditions some borrowers were unable to make their loan payments as required by the association. This is true in a very few cases, but out of 2300 loans only four pieces of property are now owned by the association on account of foreclosure proceedings.

From the books of the Association it was revealed that whereas on each hundred dollars loaned, the borrower is required to pay monthly 50 cents interest and 50 cents toward the retirement of principal, during the last year the average monthly payment on loan accounts for each hundred dollars borrowed was 50 cents interest and 482 cents towards retirement of principal. In view of general conditions this is deemed to be a most remarkable showing and means merely that the man who has reduced his payments slightly during this time or has been obliged to omit a few payments, may have to pay a few additional months at the end of the loan period but it does not reduce the earnings of the shareholders in the slightest degree and does not have any measurable effect on the finances of the association.

By way of local business stimulation it was pointed out that on October 31st, dividend checks totalling \$39,000.00 were mailed to some of the thousands of people who have invested their money in this institution and that in the course of the past year a total of \$277,000.00 in interest was either paid out by check or credited to owners of savings accounts and certificates thereby making it immediately available for use in making purchases in local business houses.

All of the officers and directors whose terms expired yesterday were re-elected. Mr. Edward A. Lecour has now been president for 16 years and all of the present directors have faithfully served the Association and through it the community for many years. The officers are as follows: president, E. A. Lecour; vice president, B. W. Alpin; secretary, Albert Schneider; treasurer, Frank O. Schneider; assistant secretary, W. A. Schneider; treasurer, W. R. Hickox; attorney, A. L. Granger; and the directors are: P. M. Lockwood, A. L. Granger, Albert Schneider, E. L. Longpre, C. Rubie, B. W. Alpin, E. A. Lecour, P. T. Lambert, C. L. Moore and Frank O. Schneider.

\$16,220 WILL BE PAID BY STATE TO FAIR ASSOCIATION

The Kankakee Inter-State fair association will receive \$16,220.14 from the State of Illinois within the next few weeks as a part reimbursement for premiums paid at the 1930 fair. This amount is the largest to be given to any one association, both the Kankakee and Aurora fairs receiving that sum. Premiums paid out at the 1930 fair amounted to \$28,218.45, according to reports issued today. The state department of agriculture pays the fair association 85 per cent of the first \$1,000 paid in premiums, 75 per cent of the second thousand and 55 per cent of all in excess of \$4,000.

2 COLORED BURGLARS UNDER BOND

MEN WHO BROKE INTO LOCAL
CLOTHING STORE HELD
FOR GRAND JURY

BOND \$5,000 EACH

One Of Them, Jesse Williams, Is
The Man Who Swallowed
Glass Yesterday Morning

Preliminary hearing for Jesse Williams, 19, of Stamps, Arkansas, and Robert Wilson, 21, of Chicago Heights, both colored, who were arrested early yesterday morning by Kankakee police officers in an attempt to burglarize the People's Store, 259 East Court street, was held in the police court yesterday afternoon.

Judge Bert L. Fitzgerald ordered them held for the next session of the grand jury under bond of \$5,000 each. Not being able to furnish bond, the men were ordered sent to the county jail. Two counts of burglary and larceny are held against each man.

Williams is the youth who yesterday morning in his cell at the city jail attempted "suicide" by eating broken glass. After first aid treatment by Dr. C. K. Smith, city health officer, and Dr. A. L. Nickerson, he seems none the worse for his rather unusual breakfast. He was able to eat a good meal last night.

At the hearing, both men blamed the other for having originated the idea of burglarizing the store. In a confession to John Stack, police chief, yesterday morning, Wilson claimed that Williams had broken into the store on last Saturday night but had been frightened away when Herman Pombert, who takes care of the furnace, came into the basement.

Wilson claimed that he had met Williams at the "Jungles" a meeting place for hoboes along the Illinois Central railway south of town on Sunday morning and that Williams told him that he knew a store that they could break into and get some new clothes. Accordingly they made the attempt early Tuesday morning and were arrested in the act.

On the other hand, Williams claims that his companion first suggested the robbery and that Wilson was with him Saturday night in the first attempt. He said that Wilson acted as look-out man while he (Williams) entered the store.

CHARITY CALLS TO SALVATION ARMY ARE MANY

The Salvation Army is constantly receiving heart rendering appeals for help.

A young girl appealed for aid and it was found that the family consisted of a widow and 5 children. They were unable to pay their grocery bills so they could get no further supplies. Very little food was in the home. The girl making the appeal had gone without food for 2 days so that the younger ones might have what little remained. The family was given food and clothing.

A woman asked for aid. Upon investigation it was found that the family consisted of 5 children and the parents. Food was supplied and odd jobs found for the father, mother and the oldest girl.

In another instance a tourist picked up a mother, father and baby walking along the road. They were brought to the Salvation Army headquarters for care. They were furnished with shelter and food.

The Salvation Army is always associated with relief programs of every type so they are constantly called upon for help of many kinds and unless they receive funds to carry on their work they will not be able to render assistance. It is hoped that all who can will help the Salvation Army so they can help others.

MILFORD BENHAM TO GET SILVER MEDAL

Milford Benham of Kankakee county will be one of 23 school children, five boys and eighteen girls, who will be awarded a prize for the best county essay on "Early Schools and Teachers in My County" at the Illinois state meeting of the Illinois State Historical society at Springfield Dec. 3rd.

James Kay was awarded the honor of having written the best essay upon the same subject in Iroquois county. Both boys will receive silver medals at Springfield.

\$10,000 BRIBE CASE TO THE JURY

New York, Nov. 26.—(AP)—The case of Martin J. Healy and Thomas T. Tommaney, charged with accepting a \$10,000 bribe to influence George F. Ewald's appointment as a city magistrate in 1927, was given to a jury shortly before noon today.

The little daughter of Mr. and Mrs. H. J. Draude is seriously ill at the home of her aunt, Mrs. E. J. Kellier of West Hickory street. George Bloch of Chicago spent today here on business.

BEAR BRAND FACTORY WILL KEEP WORKING

PLEDGE EMPLOYMENT TO
1,200 DURING THE WIN-
TER MONTHS

MAYOR TELLS PLAN

Knitting Company Will Also Give
\$500 A Month To Local
Needy Relief

The Bear Brand Hosiery company of this city has pledged itself to employ 1200 people in its plant on a five-day week basis from now until April 1st, 1931. Announcement to this effect was made at the meeting of the Community Welfare Committee last evening by Mayor Louis E. Beckman.

Mayor Beckman stated that he had held a conference this week with Henry Pope of Chicago, president of the Bear Brand company, and that the knitting corporation will render considerable aid in the unemployment crisis for Kankakee.

In addition to guaranteeing work for 1200 people during the winter months, Mr. Pope told the mayor that the organization would also take care of furnishing food for families of its own employees who of necessity were temporarily suspended from work. The Bear Brand company will also give a check for \$500 each month toward the community relief fund that is being raised by this committee.

The announcement of the attitude of the Bear Brand company was joyfully received by the committee and considerably brightened the outlook for carrying families of unemployed through the rigors of winter.

A. E. Anderson, chairman of the finance sub-committee of the community organization, stated that letters have been mailed out asking pledges toward a relief fund and that these letters should be returned to the committee by Friday.

Mr. and Mrs. George VanVoort of Union Hill recently purchased the entire stock of a general store at a sale and have donated it entirely to the relief committee to be distributed among the needy. The Bear Brand company has also donated 16 dozen pairs of children's hosiery. It was reported that the employment bureau established at the court house is functioning well and securing jobs for unemployed persons. Rev. David Creighton said that a number of women volunteers are reconditioning old clothing at the court house which has been donated for those in need.

SIX COUPLE TO WED FOR THANKSGIVING

3 DOWNSTATE BANKS HELD UP THIS A. M.

KINCAID BANK AND TRUST
COMPANY BY 5 GUNMEN;
4 CAPTURED

ROCHESTER BANK

Near Springfield Robbed By
Three Armed Men Who Make
Their Get-Away

Chicago, Nov. 26.—(AP)—Three Illinois banks fell victims to robbers today, and cash amounting to approximately \$16,000 was taken.

The banks robbed and the loot taken are the Kincaid Bank and Trust company, at Kincaid, \$3,000; the Rochester State Bank, Rochester, \$1,000, and the First National Bank, Marengo, \$12,000.

The four robbers, who staged the Rochester holdup, were captured in Springfield and \$2,808 was recovered. The were identified by Earl Bell, cashier of the bank, who was kidnapped by the bandits but released, an act which police believed proved their undoing.

Those arrested are Frank Martin, 26, Ted Mooney, 25, both of Springfield; Jack McCoy, 23, Kansas City, and Arthur Brown, 21, Chicago. Five men invaded the Kincaid bank and forced several employees and customers, at the point of revolvers and a machine gun, to lie on the floor while the cashier's safe was ransacked. They fled from town in a large blue automobile.

Shortly afterward, the Rochester bank was held up by the four men, who were captured by Springfield police as they entered the city in a large brown automobile. The police were answering a summons from the Kincaid bank when they passed the Rochester robbers, and, turning about, sent a rain of machine gun bullets after the automobile. The men stopped and were captured without resistance. Police at first believed the men to be the Kincaid bank robbers, but changed this theory when it was discovered the loot found in a bag in the automobile was that taken from the Rochester bank. The police believed the Kincaid robbers fled in another direction and a hunt for them was started.

Early this afternoon a bandit entered the First National bank at Marengo and flourishing a pistol herded four employees of the bank into a vault and escaped with \$12,000. The man, who appeared to be about 30 years old and was well dressed, went calmly about his work and made no attempt to hide his face. As he locked the employees in the vault he said "that's right, take a good look at me. The detective agencies know me." A secret alarm was turned in by the bank employees when they got in the vault, but the business houses across the street that were thus warned of trouble in the bank said they did not see the robber leave. No one knew whether he had an accomplice to drive him away or disappeared alone.

Among those who were held up and locked in the vault were three of the bank's officers: President E. D. Patrick, vice president R. M. Patrick and assistant cashier H. J. Feiertag.

They said the robber was exceptionally well dressed and that he had a clean-cut appearance. He wore a Camel's hair coat, Fedora hat and gray suit.

Springfield, Ill., Nov. 26.—(AP)—Bank robbers who fled from Kincaid, after robbing the Kincaid bank and Trust company of \$2,000 there this morning, shortly before noon drove into an ambush of Springfield police where the hard road enters this city.

A rain of machine gun bullets from a police car, forced them to stop. At the police station three of the four were identified as Jack McCoy, 23, Kansas City; Arthur Brown, 21, Chicago, and Ted Mooney, 25, Springfield. Disgusted at missing the \$60,000

This department having misquoted Lolo Wilson recently, we hasten to make amends to Lolo Wilson by stating that she is now as we mistakenly stated, willing to cut her salary and take any part that comes her way, just for a chance to work in pictures.

"What she does wish," she explains, "is to secure good roles, parts that will give her opportunity for real acting—and to secure such roles she has no objection to accepting positions, taking less than she gets as conventional leading lady."

If this isn't what that boy is blowing may I lose my scalp said Jerry, but he said it to himself. You see he knew how headless were those little kids who were so easily grinned at him behind his back.

As for those same children, they came and went heedlessly and happily without a real care in the world. Life was good and they didn't enjoy it. They didn't like it. They had no thought for anything but to eat and play and be happy. They weren't serious and wouldn't if ever

He knew that they would not need a warning of possible danger and would be only too eager to share in the feast should more apple be placed there. And so it was that the stranger Jerry found more apple there. That same evening one of the young Muskrat repeated a find of the same kind near a certain half-sunken log.

"What did you do with it?" asked Jerry.

"Ate it," replied the youngster promptly.

"You would," replied Jerry, "but the ultimate goal of a good thing is to get it out of your hands and Lord, for HE is God!"

Descriptions are being made of the scene as the young Muskrats drop their heads and look down at the water.

THE NEW CHEVROLET SIX

Strikingly beautiful, fleet and smart—a masterpiece of Fisher styling

In the entire field of modern coachcraft no symbol has come to mean more to the buyer of a motor car than *Body by Fisher*. And never has Fisher's superiority been more strikingly exemplified than in the beautiful new bodies of the Bigger and Better Chevrolet Six!

Working with the added advantage of a lengthened wheelbase, Fisher designers have been able to achieve in the new Chevrolet a degree of smartness, comfort and impressiveness hitherto considered exclusive to cars far higher in price.

Inside and out, scores of refinements stamp this car as a masterpiece of modern coachwork. Radiator, headlamps and tie-bar are artistically grouped to create an unusually attractive ensemble. Mouldings sweep back in a graceful, unbroken line to blend with the smart new body contours. And new colors lend

Front view of the new Chevrolet Sport Coupe

a new individuality. Interiors, too, are exceptional in every way. The new mohair and broadcloth upholstery is tailored with exceptional smartness. Seats are wider and deeper and more luxuriously cushioned. A deeper windshield and wider windows give better vision for both driver and passengers. And beautiful new hardware, of modern design, lends a final note of charm.

Many mechanical improvements have also been provided in the chassis of this Bigger and Better Six. Among these are a stronger frame; easier steering; a more durable clutch; a smoother transmission; and engine refinements which make the new Chevrolet a car you will be happy to drive—as well as proud to own.

The Bigger and Better Chevrolet Six is now on display in our showrooms. See it. Drive it! Learn for yourself that it is the Great American Value!
