THE TANGLE OF TWISTED girders and corrugated steel siding (above) is all that remains of the shell of a building at the Crow Hybrid Seed Co., north of Milford. It is believed the half million dollar blaze got its start in this building

when a motor continued running after the belt it operated had stopped. Resulting friction may have set off the fire. (Journal photo)

## \$500,000 Damage In Milford Seed Co. Fire

(Another picture on page 13) MILFORD (JNS) — Grain-elevator times to smolder at the Crow Hybrid Seed Co. near Milford, where fire Thursday evening caused \$500,000 damage.

The fire, which started about 3 p.m. Thursday kept six volunteer fire departments and approximately 75 firemen busy through a good part of the night.

The blaze started in the plant's

shelled corn drier and spread to eight steel storage tanks, a small warehouse and an elevator.

Saved was about \$1 1/2 million worth of seed corn in a warehouse 50 feet from the fire. In another week, the work of grading corn would have been completed, A. F. Crow, firm owner said this noon.

HALF OF THE damage is covered by insurance, Crow estimated.

Some of the seed corn was lost in the fire, but no foundation was damaged.

The location of the company, about 3 1/2 miles north of Milford and a quarter of a mile west, posed a problem for the fire fighters, who quickly were faced by a water shortage.

Chester Weida, Milford fire chief, said the fire siren in Milford was sounded at 3 p.m. when

Dr. Walter Mumm of the Crow firm telephoned the alarm.

According to Mr. Mumm, the blaze was discovered by Albert Moor, superintendent of the plant. It is believed the flames got their start when a belt on a motor in the shelled corn drier building stopped. It is thought the motor may have kept running, causing enough friction to ignite the fire.

FIRE FIGHTING apparatus at the plant was put into operation immediately while the Milford department was summoned. Chief Weida said the drier building constructed of corrugated siding, was filled with flames.

Area fire departments were summoned. Answering were firemen from Stockland with a truck and water carrier, from Watseka with two trucks, Wellington with a truck and water carrier, Hoopeston with a pumper and Rankin with two fire trucks.

Efforts were made first to reduce the temperature caused by the initial fire while other departments continued on Page 8, Column 2

## Cite Champaign Woman Here In Confidence Game

A Champaign woman was released on \$5,000 bond Thursday after waiving preliminary hearing before Kankakee Justice of the Peace W. Roy Beach on two counts of confidence games.

She is Wilma Jean Clary, 31, who is accused of bilking Mrs. Irene Burrell of rural Chebanse and Mrs. Clara Hawkins, 45, of Otto Township of a total of \$2,200.

The Clary woman was arrested in Champaign on a warrant from Kankakee.

Mrs. Hawkins reported her loss to Kankakee police Aug. 25, 1959. She said she drew \$800 from the City National Bank to pay reconstruction bills on her home which had burned down a month previously.

MRS. HAWKINS said a woman approached her as she left the bank and they talked as they walked to Walgreen's drug store, where they stopped. As they conversed, Mrs. Hawkins said she noticed a younger woman pick up a billfold and start to count the contents. Mrs. Hawkins said she warned the woman about oncoming traffic and inquired about the billfold. The finder offered Mrs. Hawkins and the older woman \$800 if they would "keep quiet" and they agreed.

Then the younger woman, according to Mrs. Hawkins, said she felt she should consult her employer, a "Mr. Scott" in the Volkswagen building.

When she returned, the woman said the billfold contained \$1,700, but that "Mr. Scott" said the two witnesses should put up money to prove they wouldn't talk. Mrs. Hawkins said she gave the younger woman \$800 after seeing the cash and made her way to one of the life rafts swept overboard.

The two were picked up by the tanker Alabama and transferred to the U. S. Coast Guard cutter Marion for the run here. They were admitted to the Portsmouth Naval Hospital in good condition.

Ships and planes continued searching the Atlantic 200 miles off Virginia's Cape Henry through the night and morning without spotting any of the missing men.

Killed aboard the Daly was Seaman David Allen Dale, son of V. L. Dale of Kenmore, N. Y. Listed among the missing was Internal Communications Man Gerral J. Neber of 400 E. Broadway, Crystal Lake, Ill.

Seek Appeal For Chessman

TUCSON, Ariz. (UPI) — Caryl Chessman's attorneys appear before a federal judge today to seek a new full-scale appeal hearing which would postpone the conviction-author's date in the gas chamber Feb. 19.

Attorneys George Davis of San Francisco and A. L. Wirth of the American Civil Liberties Union's Los Angeles office hope to win the eighth stay of execution for Chessman. He has lived in California's San Quentin Prison for 11 1/2 years and avoided seven execution dates through court maneuvers.

Chief Judge Richard H. Chambers of the 9th U. S. Court of Appeals will rule on arguments that the 38-year-old "red light bandit" from Los Angeles should be given an appeal hearing by the full court.

GOURMET

MIAMI (UPI) — Martha Bryant, 49, was given a suspended sentence Thursday on charges of possessing illegal liquor despite her plea that she used moonshine whiskey only as a seasoning for her meat.

## Tells Risk In Storage Of Nerve Gas

DENVER, Colo. (AP) — The commander of Rocky Mountain Arsenal disclosed today that deadly nerve gas is stored above ground in sturdy metal casks about the size of household trash barrels.

Col. George Allen admitted in an interview that there is a "certain calculated risk" involved in this method of storage.

But he said the installation long ago established a plan designed to cope with any emergency. He did not disclose details of the plan, nor did he say whether it took into consideration the base's proximity to the Denver metropolitan area and its 750,000 residents.

Denver's downtown business district is located about eight miles from the arsenal.

Allen's comments followed the disclosure in Washington earlier by Rep. Byron L. Johnson (D-Colo.) that the arsenal has enough of the gas on hand "to kill every man, woman and child in the world."

## Voters May Register For Primary Until March 14

Eligible citizens who wish to make use of their privilege to vote in the April 12 primary election but have not registered, may do so until 5 p.m. March 14.

Kankakee County residents will have eight places where they may register.

The main voter registration office is on the first floor of the county courthouse, at the southwest corner. It is open every weekday from 9 a.m. to 5 p.m., except Saturday.

For the convenience of those who find it impossible to get to the courthouse there are seven other temporary registration places. Registrations may be made with: Paul Regnier, Bourbonnais Township clerk; Howard Milling, Pilot Township clerk; Josephine Murphy, Reddick vil-

## Report Movement Of Israeli Near Egypt's Border

CAIRO (AP) — Heavy movement of Israeli troops to the Egyptian frontier in the Negev was reported in Cairo today.

Press reports here said Israeli troops were moving southward in the Beersheba region to counter Egyptian troop concentrations in the Sinai Peninsula — scene of Israel's big drive toward the Suez Canal in 1956.

The Egyptian movements were announced earlier this week following the eruption of fighting on the Syrian-Israeli frontier.

There were no reports of further frontier incidents by noon today.

The Cairo press said, however, that the Israelis are continuing a military buildup near the demilitarized zone, southeast of the Sea of Galilee.

### French Cabinet Strengthened By De Gaulle

Promotes Backers Of His Policies In Algeria

PARIS (AP) — President Charles de Gaulle strengthened his Cabinet today by promoting steadfast supporters of his Algerian policy and firing Jacques Soustelle, leading spokesman of the French colonialists in Algeria.

Soustelle, once touted as the strong man of De Gaulle's supporters, was ousted from the post of minister of the Sahara, atomic energy and overseas possessions because of his identification with the Algerians insurgents who unsuccessfully defied De Gaulle last week.

ANOTHER casualty was Communications Minister Bernard Cornu-Gentille, who had wanted to compromise with the rebellious French settlers.

A brief announcement from the President's press office said that De Gaulle had approved the departure from the Cabinet of Soustelle and Cornu-Gentille.

Defense Minister Pierre Guillaumat was demoted to minister-delegate charged with atomic research, part of Soustelle's former duties. He had been severely criticized because the army let the settlers' revolt in Algiers drag on for eight days instead of nipping it at the start.

## Showers Bring In Dollar Day Buyers

(Other pictures on page 8)

February showers brought plenty of buyers to the stores of Kankakee merchants today for the annual February Dollar Day sale.

Nearly all merchants reported unusually large crowds waiting at their doors when they opened this morning and one jubilant downtown businessman said business the first two hours topped that in the past two February Dollar Days together.

Paul Branch, chairman of the retail division of the Chamber of Commerce reported "Business is good in every store I've been in."

HE POINTED OUT that the rainy weather seemed to have slowed the enthusiasm of some people but there appeared to be a lot of traffic on the streets and in the stores. Ben Wurtzel, chairman of the sales promotion said the rain seemed to help the sale, bringing customers into the stores.

Merchants who started slow said they expected the sales to pick up later in the day. The Dollar Day sale continues Saturday with some stores open this evening.

Think House Will Drop Salary From Education Grants

WASHINGTON (AP) — The Senate has passed a \$1,834,000,000 school aid bill to provide federal grants both for classroom construction and for teachers' salaries.

But there were indications today that the House would not approve the salary provisions, and that President Eisenhower would veto the measure if Congress passes it in its present form.

The 31-34 vote by which the Senate passed the measure Thursday night is far short of the two-thirds that would be needed to override a veto.

House Democratic leaders say that they expect to pass school legislation before the 86th Congress quits. But they assert their branch is likely to limit the funds to school construction, omitting teacher salaries which were included in the Senate bill.

Call For Early Test Ban Talks

LONDON (UPI) — Representatives of 16 nations wound up an East-West roundtable disarmament conference Thursday night with a call for a speed-up in the nuclear weapons test ban talks in Geneva. It urged also an international disarmament conference including Red China.

## Wild Shooting Erupts From Cuban Crowd

Havana Police Arrest Two Men For Disturbance

HAVANA (AP) — Intense gunfire broke out today in the vicinity of the Fine Arts Palace as Soviet Deputy Premier Anastas I. Mikoyan and Cuban President Osvaldo Dorticos prepared to open the Soviet trade exposition there.

Wild shooting broke out from a balcony across the street from the Fine Arts Palace just as Mikoyan and Dorticos stepped inside its doors.

There were no signs anyone was hit in the crowd of about 300 outside the exposition building.

The Havana police radio quickly announced the arrest of two men on a charge of attempting to sabotage the appearance of Mikoyan at the exposition.

Armed police were seen running down the street from the palace toward the square drive, almost in the heart of the city.

THE FIRING LASTED about 10 minutes.

It broke out near the statue of Cuba's liberator — about four blocks from the Fine Arts Palace — where Mikoyan had shortly before deposited a big red and white floral wreath topped by a red hammer and sickle.

A group of persons, identified by some in the crowd as anti-Communists, had attempted to place another wreath at the statue.

Even while police were still pursuing suspects in the shootings, persons in front of the Fine Arts building shouted:

"To the firing squad!"

A military band struck up martial airs.

The opening of the shiny Soviet exposition, setting the stage for talks between Mikoyan and Prime Minister Fidel Castro's trade-hungry government, was only slightly delayed.

A growing crowd cheered the arrival of Cuba's national bank president, Ernesto Guevara, and the air force chief, Maj. Juan Almeida.

A SHORT-sleeved throng of 300 to 400, mostly Cuban laborers, had halted Mikoyan at the wreath-laying ceremony.

"Viva Russia!" they shouted. "Viva Mikoyan!"

The chunky little Soviet leader, perspiring in a dark gray suit and dark gray hat, smiled in response.

A top Castro aide has let it be known that Cuba hopes for a new

## Report 60 Killed In Plane Crash

LA PAZ, Bolivia (UPI) — Lloyd Airlines reported today that one of its DC4 transports crashed early today on a flight over the Andes Mountains between Cochabamba and La Paz.

It said first reports indicated 60 passengers and crewmen aboard crashed.

Confirmation of the death toll would make the crash the worst tragedy in the history of Bolivian commercial aviation.

Details were scarce but first reports said the airliner left Cochabamba at 5:30 a.m. CST for the one-hour flight to La Paz. Cochabamba, second largest city in Bolivia, is some 160 miles southeast of La Paz.

Unofficial reports indicated that some Americans might have been aboard the aircraft. Americans engaged in oil exploration work in Bolivia fly frequently between the two cities. However, no passenger list was immediately available.

Cochabamba is nestled in a valley at 8,000 feet altitude. Aircraft taking off from the Cochabamba airport for La Paz, at 13,000 feet altitude, must climb steeply to get over the Andes.

## Assign Peoria Priest To Dwight Church

DWIGHT (JNS)—The Rev. John F. Barrett, pastor of St. Peter's Church, Peoria, will be the new pastor for the St. Patrick's Roman Catholic Church here effective noon Wednesday.

John B. Franz, bishop of Peoria, announced the clergy appointment, his first since coming to the diocese.

## Edward Noffke, 64, Retired Union Hill Farmer Dies

Edward P. H. Noffke, 64-year-old retired farmer from Union Hill, died at 9:35 p.m. Thursday in Dwight Veterans Hospital. He had been ill six years and a patient at Dwight Hospital since March 22, 1958.

Funeral services will be at 2 p.m. Monday in Zion Lutheran Church, Route 17 West. The Rev. Christian Adam will officiate and burial will be in the church cemetery. The body is at Herz Memorial Temple where friends may call Sunday afternoon and evening and Monday until 10 a.m. At that time the body will be taken to the church where friends may call from noon to time of service.

Mr. Noffke was born July 28, 1885 in Chicago as son of the late Mr. and Mrs. Frank Noffke. He moved with his family to Bonfield when he was a child. The retired farmer was married to Henrietta Koerbs Feb. 22, 1920 and they farmed in Salina Township eight years and in Norton Township 18 years. In 1943 they moved to Union Hill.

He was a member of Zion Lutheran Church and American Legion post 785 of Herscher. Mr. Noffke served in the Army during World War I. Surviving are the wife, daughters, Mrs. Hilda Schultz of Downers Grove, Miss Esther Noffke of the Pal-Waukee Airport of Wheeling; Mrs. Alma Berberich of Jacksonville, N. C.; Mrs. Mildred Reinecke of Kankakee, a son, Edward O. Noffke of Union Hill; brothers, the Rev. C. A. Noffke of Dwight, Louis Noffke and George Noffke, both of Kankakee, and Walter Noffke of Herscher; sisters, Mrs. Emma Plagush and Mrs. Edna Mickel both of Herscher and Mrs. Erna Kirschner of Bonfield, and two granddaughters.

## Dwight Methodist YF Sub-District Elects Officers

DWIGHT (JNS)—New officers were elected Sunday afternoon when the Dwight Methodist Youth Fellowship Sub-District Council met.

They are Molly Pitcher, Pontiac, president; Carol Coffey, Odell, secretary; and Janet Haag, Culm, treasurer.

Plans were made for the District Spring Rally to be held in the Kankakee First Methodist Church on March 27. The Rev. Howard Ellis of Nashville, Tenn., will be guest speaker during the evening session. A session for youth leaders will be held in the afternoon.

On March 28, the Dwight sub-district meeting will be held in Culm. This is for the council only. Linda Olsen of Dwight is a member of the youth council. It was announced the high school camp will be held in June at East Bay Camp, Bloomington.

## Vessel Aground

ROTTERDAM (AP)—The 1,850-ton Egyptian passenger ship Isis ran aground today near Mismari Reef, in the Red Sea near Jidda, with 300 passengers aboard, radio monitors reported. The Dutch ship Ondo received a distress signal from the Egyptian vessel, according to Dirkzwagers shipping agency. The Isis is owned by Khedivial Mail Line of Alexandria.

## Mrs. Lena Green, Bourbonnais, Dies; Funeral Monday

Mrs. Lena Green, 57, of 255 N. Main Ave., Bourbonnais, died at 3:25 a.m. today at St. Mary's Hospital. She had become ill at home and was taken to the hospital by the Bourbonnais ambulance about an hour before she died.

Mrs. Green was born May 4, 1902 in Bourbonnais, daughter of the late Mr. and Mrs. Casper LeBrun. She was a lifelong county resident and had been employed at the Kroehler Mfg. Co. for the past 15 years. She was a member of the Darch Circle of the Daughters of Isabella in Bradley.

Survivors include daughters, Mrs. Roman Smietanski of Bradley and Mrs. Donald LeBrau of Bourbonnais; seven grandchildren and a brother, Eugene. Her husband, David, died five years ago. She was also preceded in death by a son, sister and two brothers. Funeral services will be held at 2 p.m. Monday at Maternity Church, Bourbonnais. Burial will be in Mt. Calvary Cemetery. Friends may call at the Seneca Funeral Home beginning at 7:30 p.m. Saturday and until the service. The rosary will be recited at 9 p.m. Sunday.

## Rites Sunday In Watseka For Mrs. Margaret Mueller

WATSEKA (JNS)—Mrs. Margaret Mueller, 81, of 307 S. Second St., died at 1:20 p.m. Thursday in her home.

Mrs. Mueller was born Dec. 21, 1888 in Baden, Germany. Her childhood was spent in Germany and she came to Illinois to reside in Watseka in 1914.

On July 28, 1914, she married Walter C. Mueller, a son of the late Mr. and Mrs. George Mueller. He died Oct. 7, 1918 in Watseka. She was a member of the Lutheran Church, the Kankakee American Legion post and the Brotherhood of Railway Trainmen. She was a veteran of World War I.

Funeral services will be announced later by Phillips, Friday and Schreffler Funeral Home.

## Quincy Man Fined \$125 Here For Drunk Driving

Forrest V. Price, 56, Quincy, pleaded guilty to a charge of driving while under the influence of liquor, when he appeared late this morning in County Court.

He was fined \$125 and costs, and ordered to surrender his driver's license.

Price was arrested by city police about 8 p.m. Thursday after his car jumped a curb and hit a tree on the property of Kenneth Pippin, 208 Albert Blvd.

This will be Moore's third trial in Kankakee County Court on driving charges since April 1958. He was convicted on both previous charges, but appealed both to the Appellate Court in Ottawa, and has been free on \$1,500 bond.

Judge Taylor had granted several continuances on the most recent case, because Moore had not obtained legal counsel. At one time he came into court with an attorney, but the attorney withdrew from the case before it could get started.

Two other attorneys have withdrawn from Moore's case since they started in 1958. He has now engaged a fourth attorney.

July 4, 1872, was Calvin Coolidge's birth date.

## Wilmington Show Tickets Available

WILMINGTON (JNS)—Mrs. Francis Hazard, chairman of the ticket committee, announced tickets for the St. Rose parish show, "It's a Wonderful Life," are on sale.

Due to the limited seating capacity, the tickets sold for each performance are limited. There will be an 8 p.m. show Feb. 27 and a 2 p.m. matinee and an 8 p.m. performance Feb. 28.

July 4, 1872, was Calvin Coolidge's birth date.

## SAILORS LAUGH ONLY AT FIRST

LONG BEACH, Calif. (AP)—The destroyer USS Bensen was rolling easily at sea last November and two buddies were sitting on the funnel, shouting the breeze.

That's when Carlyle Stanley, 25, and Marvin Fritchel, 26, discovered a coincidence. Their wives had the same name—Peggy Lucille.

The two sailors laughed, slapped each other on the back and reached for their wallets. They stopped laughing then. The pictures they produced were identical.

Fritchel, husband No. 2, was the first to act. He obtained an annulment last December. Stanley got a divorce Thursday after relating his shipboard discovery in Superior Court.

## Doesn't Look The Part Dulles Likes Job As Top U. S. Spy

WASHINGTON (AP)—During the bloody purge trials in the Soviet satellite countries in the late 1940s the defendants were usually confronted with a photograph.

"Do you know this man?" they were asked. The answer usually was a blank stare. The picture, most dangerous spy of the "imperialists," the arch-enemy of communism and the chief agent of U.S. intelligence.

The carefully handpicked audience frequently reacted with a snicker. It was hard to believe that the bespectacled, white-haired man with a benevolent smile should be a top expert in cloak and dagger operations.

THE MAN pictured was Allen Dulles, now director of the Central Intelligence Agency. Today Dulles displays the same smile when he tells congressional

winds up on President Eisenhower's desk. His job was to organize an American espionage center in Switzerland where he found contact with German and Italian underground leaders.

The United States had fairly good knowledge on what was going on in Hitler's headquarters, indicating that Dulles succeeded in planting his agents in Nazi Germany.

Dulles became deputy director of CIA in 1953 and two years later was named to head the super-secret organization.

O. Henry said that New York City was "an aviary overstocked with jays (a country bumpkin who is a chatterbox)."

## O'Cull Acquitted Of Embezzlement

Gleason O'Cull, 26, Monroeville, was acquitted of an embezzlement charge today by a Circuit Court jury, and he had two reasons to be very happy.

His first source of joy was in being found innocent. The second was that by the sequence of events he did not have to stand trial all over again.

The case nearly ended in a mistrial, when one of the jurors, Jay Griswold, Aroma Park, became ill in the jury room and had to be taken to St. Mary's Hospital.

However, the jury had reached a verdict, signed it and sealed it before Griswold became ill. The juror reportedly suffered a hemorrhage caused by peptic ulcers, and was reported in fair condition today at the hospital.

TESTIMONY IN THE case was concluded about 6 p.m. Thursday, and the jury of seven women and five men deliberated less than an hour to reach the verdict of innocent.

The verdict was presented to the court at 10 a.m. today by

Richard Small, president of the oil firm, subpoenaed to appear Wednesday, never did show up, and the court had to issue a reprimand to get the subpoenaed records the bookkeeper was to have brought to court with him.

There were 24 members and 12 children present. Hosts for the evening were Mr. and Mrs. William Kulpers and Mr. and Mrs. George Pfeiffer.

The business meeting was conducted by Mrs. Franklin Orwig, president.

The next meeting will be on April 4 and will feature a pancake supper. Hosts will be Mr. and Mrs. Alvin Stehr and Mr. and Mrs. William Jensen.

## Willing Workers Class, Bonfield Meets For Supper

BONFIELD (JNS)—The Willing Workers Class of the Bonfield Evangelical United Brethren Church held a spaghetti supper Tuesday evening in the church.

There were 24 members and 12 children present. Hosts for the evening were Mr. and Mrs. William Kulpers and Mr. and Mrs. George Pfeiffer.

The business meeting was conducted by Mrs. Franklin Orwig, president.

The next meeting will be on April 4 and will feature a pancake supper. Hosts will be Mr. and Mrs. Alvin Stehr and Mr. and Mrs. William Jensen.

THE limit is 90 days in most states, Mass. added.

Stratton won re-election in 1956 by only 35,000 votes while President Eisenhower carried the state by 800,000 ballots.

Robertson, of Bloomington, has the qualities "to be a great governor of Illinois," Erickson said.

It was reported more than 100 pupils from area grade schools and 30 from Watseka Community High School have entered the annual Americanism essay contest.

Lester Fry was appointed chairman of the Poppy Day committee.

WATSEKA (JNS)—An opportunity to purchase at cost new 8-star United States flags will be given to all Watseka business houses and others interested. It was announced at a meeting of the American Legion on Monday night.

William Belke, senior vice-commander, said this project will be pursued immediately in order that the flags may be displayed on July 4.

## Dollar Day Crowds

There were showers in Kankakee this morning (upper left photo) but few bargain hunters were deterred as shoppers marched about the streets and stores for the annual February Dollar Day sale. The early shoppers got the pick of the shoes in the lower left photo. There were

crowds in most stores typical of the scene in this men's clothing store in the photo at the right. Despite the rain practically all stores reported customers waiting in line when they opened the doors this morning (Journal photos)

## Noisiest Campus In World

CHICAGO (UPI)—It's probably the noisiest campus in the world. Each day some 4,000 students huddle in small classrooms and try to hear lectures while trucks rumble by their windows, planes zoom over their heads, freight trains rattle by the freighters from all over the world dock precisely under their noses.

They attend the University of Illinois Chicago branch, located in one wing of Navy Pier, which jut out into Lake Michigan.

THE OTHER WING of the pier is a freight handling area for trains and freighters. Between the school and the freight area is a rail yard. A ramp runs alongside the school windows on which trucks travel to pick up material from the box cars and ships.

The students, with bitter humor, refer to their school as "The Warehouse" or "Oxford on the Rocks."

The school itself is located in a warehouse with classes off either side of a 12-foot-wide, 1-500-yard-long corridor which looks like a subway passage.

STUDENTS TOLD THE UPI that at times, with trucks going

by and airplanes coming in for landings at nearby Meigs Field, classroom seats vibrate.

Trucks are sometimes lined up five feet from classroom windows, and the salty language of the drivers filters through the windows.

The college is without any study rooms. Most last-minute cramming before a class is done sitting on a concrete floor and leaning back against a metal locker.

For four years the university board of trustees has been working on the selection of a new site. But city and school officials have differed as to where the site will be.

The injured and their settlements: Nicholas Simones, 33, Joliet, \$100,000; Frank Bapich, 35, Joliet, \$50,000; Raymond Taylor, 22, Joliet, \$5,000; and James Riddle, 45, Lockport, \$75,000.

## Four Workers Get Damages

CHICAGO (AP)—Four construction workers injured in a fall from a scaffold at Rome, Ill., in 1957 have settled their damage suits for a total of \$210,000.

The workers, three from Joliet and one from Lockport, were injured during the construction of a silo for Commonwealth Edison Co. Defendants in the suits, which were settled out of court Thursday, were Commonwealth Edison, John Mohr and Sons, general contractors on the job, and Metal Forms Inc., manufacturers of the scaffold.

## Baptists Cherish Freedom

By LOUIS CASSELL

United Press International

America has more than 90,000 Baptist churches. Their combined membership is close to 21 million persons.

If all of these Baptists belonged to the same denomination, it would be the nation's largest Protestant body by a wide margin.

But Baptists are notoriously independent people. They put great store in religious freedom, and—

million now includes hundreds of congregations in northern and western states. The American Baptist Convention on the other hand, has yet to achieve the national scope implied by its name; its membership of 1,600,000 is largely concentrated in the North.

The fragmentation of the Baptist family began soon after Roger Williams founded America's first Baptist churches in Rhode Island in 1639. It has gone forward ever since, unchecked by any movement of the kind that has begun to pull together America's Methodists, Lutherans and Presbyterians.

TODAY, AMERICA'S Baptists are divided along racial, geographic and doctrinal lines into 77 separate denominations.

Of the four largest bodies, which together account for 90 per cent of the nation's Baptists, two are predominantly white and two predominantly Negro in membership.

The former are the Southern Baptist Convention and the American Baptist Convention of the U. S. A. Inc. The latter are the National Baptist Convention of America, with 2,700,000 members. They also were once united, but split apart in 1918 in a dispute over election of national officers.

Despite their many divisions, Baptists share, as a common heritage, a number of distinctive beliefs and practices which identify them as members of the same religious family.

THEY ARE UNITED, for example, in their insistence that a person can be baptized only by total immersion of the body in water—the same method, they believe, that was followed when Jesus was baptized in the River Jordan.

They all reject the doctrine of "eternal damnation" and reserve the rite of baptism for those—usually age 13 or older—who are judged capable of making a mature, personal "decision for Christ."

All Baptists revere the Bible as the "one authoritative source of religious truth and salvation." Most of them subscribe to a fundamentalist interpretation of the Scriptures, regarding both the Old and New Testaments as the "verbally-inspired, inerrant word of God."

Every local Baptist congregation is an autonomous body, which makes its own decisions by majority vote of the members, and which does not have to take orders from any higher ecclesiastical organization.

## Don't Joke About Bombs At Air Terminals

CHICAGO (AP)—Departure of two airline flights, with a total of more than 100 passengers, were delayed for several hours Thursday by bomb scares—both by passengers.

A Texas cattleman, boarding a Milwaukee-bound plane at Midway airport was reported by an air line employee to have remarked to his wife, Laurie: "Well, I've got a bomb. Shall I carry it with me or check it?"

Within minutes, a dozen police men, FBI agents and airport and air line officials arrived on the scene. The FBI declined comment but said the man was released.

The plane, with 23 passengers, including Alvin and his wife, was taxied out onto the field some distance from the terminal nearly three hours after the scheduled departure. Alvin's mother was with him.

er, Mrs. Louis Allis Jr., of Milwaukee, said her son had telephoned her and told her he was not making the trip to Milwaukee. He said he was returning to his home in Dallas.

Shortly after the incident at Midway, police and FBI agents were summoned to O'Hare International Airport. A passenger flight to Los Angeles told another passenger there was a bomb aboard.

THE PLANE was taken to an isolated spot and the 80 passengers left the plane while police and FBI agents searched it for a bomb. No bomb was found and the plane departed after a four-hour delay.

The FBI apprehended a passenger, Raymond Otton, 29, a patent chemist of suburban Cicero, who had made the remark about a bomb being on the plane. He is a former member of the Communist Party of America. Agents said he will appear before the U. S. Commissioner on a charge of making a false report in a public place.

# Youth at School

Winners of DAR and SAR awards at Sheldon High School have been named. Carolyn Tuttle has been awarded the DAR honor and Victor Callahan the SAR citation.

Mrs. Tuttle is a daughter of Mr. and Mrs. Ray Tuttle. She served as her freshman class president, was a Christmas dance queen candidate as a sophomore, was elected queen this year as a senior, and was assistant editor of the yearbook last year and is editor this year. As a junior she was the school's Girl State winner, won the American history award and was Student Council secretary. This year she had a lead in the senior play and is Pep Club president.

Callahan is one of the school's sports stars having been on the basketball, track and baseball teams each year and the tennis team three years. He is captain of this year's county champion Ram cage team.

He spent two years on the Student Council, is a past president of the Conservation Club, has been in FFA and Future Teachers years and was Boy State winner last year. He also had a lead in the senior play this year.

## Humphrey Says He Might Enter Test In Nebraska

WASHINGTON (UPI)—Sen. Hubert H. Humphrey (D-Minn.) said today he might accept the challenge of Sen. John F. Kennedy (D-Mass.) for a presidential primary contest in Nebraska.

In announcing Thursday that he would enter the Indiana and West Virginia primaries, Kennedy said today he might accept the challenge of Sen. John F. Kennedy (D-Mass.) for a presidential primary contest in Nebraska.

But Humphrey said he never intended to enter the Nebraska contest because he did not have the money to campaign in so many states.

"I haven't got Jack's jack," he said, referring to the fact that Kennedy comes from a wealthy family.

In both Wisconsin and West Virginia, Humphrey commented, he was just answering Kennedy's challenge for presidential aspirants to get into the primaries. He said he also would like to run in the Nebraska contest.

But Humphrey said he never intended to enter the Nebraska contest because he did not have the money to campaign in so many states.

## CHICAGO GRAIN

CHICAGO (AP)—Grain futures prices maintained a steady to firm range most of the time today, but there were no signs of a general buying drive.

Trade volume continued small and with the market relatively quiet, wheat reacted rather easily to moderate pressure either way.

Wheat, rye and soybeans were ahead major fractions at times. The feed grains showed a slight decline, but small fractions of previous days.

Carlot receipts today were: wheat 1,275,275; rye 2,400; soybeans 1,275,275.

## Club Begins Speech Contest

Seakall Toastmasters Club of Kankakee began its annual speech contest Thursday night. Art Petro won the award for the best address of the evening. To decide the club's final winner, a tape recording of Petro's speech will be played along with the winners of next meeting's contest. Then the entire club will take a vote.

Addressing the club at Thursday's session were: John Sparkes, discussing the methods of organizing a speech; Martin Pedberg, explaining the relationship of production and quality control in industry; Petro, on supporting the need to abandon compulsory retirement at 65; and Harvey Giss, speculating on the existence of life on other planets.

## Continue Search For Suspect In Bank Robbery

Kankakee area law enforcement agencies and the Federal Bureau of Investigation are continuing their search for Edward Kelley, 31, rural Bourbonnais, who is wanted on a federal warrant, charging robbery of a Logansport, Ind., bank Jan. 28.

However, R. D. Gibbons, special agent in charge of the FBI office in Springfield, says Kelley's trail has cooled off in the Kankakee area.

The warrant for him was issued after employees at the bank identified him from pictures. The bank robber is supposed to have gotten \$19,827.

Authorities in Indianapolis said they believe Kelley has a police record in Paterson, N. J. They said Paterson police have inquired about him, but did not definitely link him with any new crime there.

It was reported in Logansport that a map found in Kelley's car was in a Bradley body shop, had been completed four months ahead of time.

The Navy announced the success of the Polaris, which is scheduled to become standard equipment on nuclear submarines in the not-too-distant future.

While the Air Force was launching the Discoverer at Vandenberg, Sandia Corp. scientists were firing a high altitude rocket probe 30 miles down the California coast at the Navy's Point Arguello missile facility.

The Navy said attempts to recover the 250-pound payload were abandoned Thursday because of rough seas and low visibility.

FLINT, Mich. (AP)—A strike of 10,000 United Auto Workers here has forced General Motors to schedule production cutbacks at Chevrolet and Fisher Body plants.

Saturday overtime was cancelled at eight Chevrolet and Fisher Body plants across the country, affecting 31,500 workers. The plants are in Baltimore, Framingham, Mass.; Janesville, Wis.; Kansas City, St. Louis, Norwood, Ohio; Los Angeles; and Willow Run, Mich.

Meanwhile, negotiators agreed to meet again today after adjourning last night.

The UAW walked out Wednesday in a dispute over production standards. The dispute involves fewer than 20 men, Chevrolet said.

The struck plant makes six-cylinder engines for standard Chevrolets. It also produces components for Chevrolet cars and trucks.

**Will Represent State Boy Scouts**

QUINCY (UPI)—Dennis Gorman Jr., Quincy, has been chosen to represent Illinois at a gathering in the nation's capital celebrating the Golden Jubilee of the Boy Scouts.

Dennis and 49 other scouts will meet President Eisenhower and tour West Point, Washington, D. C., and Valley Forge during Jubilee Week, Feb. 7-12, it was announced Thursday.

The youths were chosen from more than five million Scouts for the honor.

## New York, Chicago Hit

# Major Scandals Sweep Through U. S. Cities

CHICAGO (UPI)—Waves of thievery and corruption pounded today at the shoring of morality in a dozen cities across the nation. They wet the feet of major politicians, engulfed whole bureaus and departments and threatened in some cities to sweep away public confidence in elected and appointed officials.

Investigations were under way into charges of police burglary, bribe-taking, extortion, payroll padding, influence peddling and various instances of malfeasance and nonfeasance in office, a United Press International survey showed.

"EVERYONE is investigating everyone else," Michigan Atty. Gen. Paul L. Adams said of a probe of alleged graft in the Detroit police department.

His comment aptly described the situation not only in Detroit but also in Chicago, New York and smaller cities from New York's Staten Island to the shores of Puget Sound.

A cops-turned-robbers story told by an ex-convict and admitted burglar two weeks ago touched off the arrests of at least 17 Chicago policemen, brought about

\$250,000 bail bond scandal. The defendants were charged with conspiracy to obstruct justice and to defraud the city and county of bail bond money that had been forfeited by bondsmen's clients.

IN NEW YORK City, Manhattan borough President John E. Jack awaits trial on a charge of accepting money from a man who dealt with the city. Jack admitted a newspaper story that real estate operator Sidney J. Ungar paid \$4,000 to remodel his apartment and claimed it was a loan.

Another New York borough president, Albert V. Maniaco of Richmond Staten Island, denied charges by the state commission on city government operations that some of his bills had been paid by a contractor dealing with the city.

A New York grand jury was studying the possible complicity of city inspectors in a plot to cheat buyers of fuel oil. Six oil dealers were indicted last week for allegedly selling air with the fuel oil.

OTHER CASES of alleged municipal misconduct.—Mayor Clifford C. Fritch of Dover, Ohio, was indicted last week on charges of taking \$1,500 in bribes from gamblers.

—Charged were pending against seven Columbus, Ohio, policemen accused of burglary and fencing stolen goods. One policeman already had been imprisoned.

—Salt Lake City Finance Commissioner Ted Gaults faced trial this spring on charges of receiving for personal gain labor, material and use of equipment from the city. He also was accused of approving overtime for employees under him when no overtime was worked.

—DETROIT Police Commissioner Herbert W. Hart and the Wayne County prosecutor's office reopened an investigation into charges that police were taking payoffs, ranging from \$20 a month for patrolmen to \$100 monthly for lieutenants, from a having their children enroll in a "kings" gambler in the city's "Greektown."

—A grand jury at Everett, Wash., last week indicted Snohomish County Sheriff Bob Twitchell on neglect-of-duty charges for "knowingly permitting houses of prostitution to operate."

### Conduct Youth Sunday Program In Chatsworth

CHATS WORTH (JNS) — Youth Fellowship, which was given by the youth group, following the services, they were presented to Mr. and Mrs. Henry Williams, oldest couple in the church, in appreciation for their interest and support of youth in the church. Special Youth Week bulletins were used for the service and the colors of the denominational Rev. Charles Eick presided the sermon, "Organizing a New Youth Movement." It was announced a special project for the youth group will be a chili supper at 5 p.m. Saturday in the church dining room.

## Defense Policies Affect Allies, Neutrals

WASHINGTON (AP)—While President Eisenhower's policy of calmness under stress has been able to keep the American people cool, it doesn't follow that his attitude will always have the same effect on allies and neutrals.

For example, he has been continually calm on the question of American defense against the Soviet Union. He also has always pursued a policy of avoiding extreme statements.

His two policies fused this week when he was asked to comment on criticism that American military strength was dangerously lagging behind the Soviets.

"I AM ALWAYS a little bit amazed about this business of catching up," he told his news conference. "What you want is enough, a thing that is adequate."

"A deterrent has no added power, once it has become completely adequate for compelling respect of any potential opponent for your future deterrent and therefore to make him act prudently."

This explained why, despite

### List Lake Village, Morocco Legion Contest Winners

LAKE VILLAGE, Ill. (JNS)—The American Legion posts of Lake Village and Morocco sponsored an oratorical contest for the students of Morocco High School.

Winners of the contest were announced as follows: Linda Parks, Lake Village, first; Rose Marie Mashino, Morocco, second; and Dick Borch, Morocco, third.

SUSAN GILLEY, a student at Morocco College, Morocco, La., was a house guest of the Lloyd Arbuckle for a week. Weekend guests were Jane Stewart of De Catur and William Query Jr. of Tallulah, La.

"If we have steak, they order hamburgers," says Harold Fager of the Reddick area about his sons, Harold Junior, 5 (at left) and Brian, 4. This was typical of most families interviewed and the parents don't really mind. They often suggest a more varied meal but leave the final decision to the children. This is true at restaurants, not at home.

### Appoint Nominating Committee

A nominating committee was appointed at the Wednesday evening meeting of the Kankakee Business and Professional Women's Club.

The committee will consist of Miss Wierly Keeler, Miss Catherine Lowman, Miss Mary O'Connor, Mrs. Gladys Thompson and Mrs. Russell Johnson.

The committee was appointed by Mrs. Viola Palmer, president, who conducted the business meeting.

Guests were Miss Marion Mancherster and Miss Lucille Emmons of Joliet, Miss Manchester, chairman of B&P District 2 of Illinois, commended the Kankakee Club on its membership and urged members to attend the district meeting to be held in Naperville on March 12.

Miss Ann Wright of New York City, now a Chicago authority on poise, charm and cosmetics, gave the next meeting will be March 1 at the home of Mrs. Ray Gault of 344 S. Evergreen Ave.

Prizes were awarded to Mrs. Richard Delude and Mrs. Richard Hillstead of 321 S. Prairie Ave. Bradley, will be hostess for the next meeting.

Miss Wright used various accessories, hats, scarves and jewelry, particularly, with colored and decorated frames suggesting colors that could be used for blondes, brunettes, red heads and gray hair. She commented that beautifully decorated frames are much in style including those trimmed with diamonds.

Miss Wright also spoke of the value of sun glasses telling her audience that working in bright sunshine without colored glasses reduces night vision.

The speaker was introduced by Miss Ruth Pratt, program chairman.

Also guests were Dr. Kurt Springer and Charles Lowe, members of the American Optometric Association.

The music committee with Miss Marie Carver as chairman carried out a patriotic and a Valentine theme in the table decorations.

At the March 2 meeting Miss Mary Gordon, airlines travel adviser, will discuss "Tips For Better Trips." The public affairs committee members will serve as hostesses.

Speaking before the Episcopal Churchwomen of St. Paul's parish at a united meeting Tuesday evening was R. B. McDonald of Chicago. Following a brief history of liturgical vestments, Mr. McDonald, assisted by the Very Rev. James G. Parker displayed numerous vestments exemplifying recent trends in fabrics and colors with designs in leather, embroidery and hand painting.

The meeting, held in the parish hall, was opened with the Guild Litany. Mrs. Herbert Meyer and Mrs. Harlin Halstrom presided at the business session and Mrs. Delbert Judd reported on activities of churchwomen of the Southern Decatur.

During the social hour, refreshments were served by Miss Mary Lowrey, Mrs. M. S. Hancock and Mrs. Edward O'Neill. Mrs. Glen E. Brougham poured at a table decorated in a patriotic motif.

Preceding the meeting, McDonald was a diver guest of the women's executive board at Hotel Kankakee.

## Make Mine A 'Burger, Fries

Children are notoriously unpredictable, but . . . You can count on their ordering "a hamburger and french fries" when the family dines at a restaurant. Or so some parents say.

A few parents were interviewed at random as their children munched (mostly on hamburgers) in local restaurants. One dad expressed puzzlement at the fact that his boys always wanted hamburgers when he ordered steak. A mom, who had just insisted upon a full meal of meat, potatoes and vegetables, admitted that the child would rather have ordered a hamburger and french fries.

Shrimp was popular with some children; and mashed potatoes and gravy were a starter for many small children's meals. But the majority preferred the familiar combination and few parents seemed disturbed. They approve of hamburgers and french fries for their food value and besides, it's the line of least resistance.

### Your Family Can Alcoholic Husband Affect The Unborn?

By DR. PAUL POPPONE

I've heard lots of strange questions with regard to alcoholism, but this one really takes the cake. I can't blame Mrs. D. for asking such a question, for the presence of a drunkard father in a family can affect at least three or four people in the family.

Many babies created by a drunken father—or a drunken mother, either. At least, not in the way you describe. This happens to be a subject which I have studied extensively over many years and on which I myself have published a good deal. If any other reader is particularly interested, I'll be glad to send a reprint of an address on Heredity and Alcoholism, which I gave before a scientific meeting at the University of California, Berkeley, last year. It was a subject which I have studied extensively over many years and on which I myself have published a good deal.

Of course, the children are affected by misery or terror in the home, by lack of food or other necessities, when a drunken father spends the family income on liquor.

Alcoholism is one of the commonest problems presented by my correspondents, and the prospects of real improvement are not good. However, there is more help for the non-alcoholic member of the family.

Q. What does it indicate if your husband remembers your birth day for the first time in 15 years? Some sort of guilty conscience?

A. Maybe it merely indicates that he is acquiring wisdom as he grows older—and that he loves you more.

Q. My 12-year-old son, who is good and smart and also big for his age, feels unhappy because he isn't popular. I don't want him to be "Most popular" but what can I do to help him make friends and be confident?

A. Make sure that his home discipline is designed to build his self-confidence (Griffin) for my FREE bulletin "Disciplined Children."

## Keep In Trim Reducers Exultant Over New Figures

By IDA JEAN KAIN

Enthusiasm for dieting waxes unless interest is rekindled now and again. The news of surprise and joy at the new feeling of buoyancy expressed in reports from successful reducers gives a hopeful glimpse of what it means to be rid of the burdensome pounds.

Perhaps I fail to adequately emphasize the rewards of reducing in terms of new-found happiness.

If it's proof you want, look over my shoulder at these reports from triumphantly reduced women.

"I have lost 25 pounds and have ten more to go. Tell your overweight that slimming down certainly does something for one's mental outlook. I no longer feel bogged down."

"TO ANYONE WHO has 30 or more pounds to lose, the second letter will be particularly encouraging."

"If you recall, several years ago you helped me to reduce from 204 pounds to 130 pounds. I have held this weight loss for over two years. Since I am short, 4 feet 10 inches, I can afford to reduce more. In fact, the doctor advises me to lose another 18 to 20 pounds. I am 59 years old and want to tell you that I never felt better than while I was on your protective diet, losing two pounds a week. I'm eager to start dieting again."

The proof of any reducing pattern is how you feel while dieting and how much you weigh a year after you've stopped dieting.

Another middle-aged woman writes, "I am barely 5 feet tall and I now weigh 118 pounds. I lost 20 pounds in 5 months and I feel wonderfully lissome and young."

DO YOU THINK YOU are too old to reduce? Read this report: "A year ago I weighed 190 pounds. I have lost 100 pounds and have 15 more to go. I am 58 years of age and my doctor is most satisfied with the results of my reducing. I can't thank you enough, and Mrs. Robert Burrell and Mrs. Glen Schneider for third place. The next tournament will be Feb. 18."

The Rev. Gerald I. Gingrich, Protestant chaplain at Kankakee State Hospital, was guest speaker at the Tuesday meeting of Alpha Omega chapter of Beta Sigma Psi Sorority. Mrs. W. K. James, program chairman, introduced the subject of "Human Behavior."

The Rev. Mr. Gingrich spoke on "Emotions and a Human Body."

Mrs. Alfred Spence of 371 S. McKinley Ave. was hostess for the meeting and co-hostess was Mrs. Otis Shourd.

Mrs. Vern Criss, president, conducted the business meeting during which members voted to contribute to the Heart Fund and the Red Cross drive. ## Newlyweds To Reside In Braidwood

BRADWOOD (JNS)—Miss Ruth Griffin and Floyd Nielsen, both of Braidwood, were united in marriage Saturday at the First United Presbyterian Church.

The Rev. Albert Oestmick performed the single ring ceremony. The bride is the daughter of Mrs. Lena Griffin of Princeton, Ind., and the bridegroom is the son of Mr. and Mrs. Emil Nelson of Gardner.

Mrs. Joseph Fancher, organist, played traditional processional and recessional wedding marches.

For her wedding the bride selected a blue tulle dress with three-quarter length sleeves and a round neckline which formed a "V" in back.

She also wore a rhinestone pin and earrings and all white accessories. On a white Bible she carried a white orchid.

Mrs. Frank Rink was matron of honor. She wore a pink dress with all pink accessories and a corsage of white carnations.

Homer Ous served as best man. He wore a blue suit and a blue tie.

A reception was held following the ceremony at the Floyd Nielsen home in Braidwood. Mrs. Healy, sister of the bride, and Mrs. Roger Roman served.

The newlyweds will reside in Braidwood.

## Keep In Trim Reducers Exultant Over New Figures

By IDA JEAN KAIN

Enthusiasm for dieting waxes unless interest is rekindled now and again. The news of surprise and joy at the new feeling of buoyancy expressed in reports from successful reducers gives a hopeful glimpse of what it means to be rid of the burdensome pounds.

Perhaps I fail to adequately emphasize the rewards of reducing in terms of new-found happiness.

If it's proof you want, look over my shoulder at these reports from triumphantly reduced women.

"I have lost 25 pounds and have ten more to go. Tell your overweight that slimming down certainly does something for one's mental outlook. I no longer feel bogged down."

"TO ANYONE WHO has 30 or more pounds to lose, the second letter will be particularly encouraging."

"If you recall, several years ago you helped me to reduce from 204 pounds to 130 pounds. I have held this weight loss for over two years. Since I am short, 4 feet 10 inches, I can afford to reduce more. In fact, the doctor advises me to lose another 18 to 20 pounds. I am 59 years old and want to tell you that I never felt better than while I was on your protective diet, losing two pounds a week. I'm eager to start dieting again."

The proof of any reducing pattern is how you feel while dieting and how much you weigh a year after you've stopped dieting.

Another middle-aged woman writes, "I am barely 5 feet tall and I now weigh 118 pounds. I lost 20 pounds in 5 months and I feel wonderfully lissome and young."

DO YOU THINK YOU are too old to reduce? Read this report: "A year ago I weighed 190 pounds. I have lost 100 pounds and have 15 more to go. I am 58 years of age and my doctor is most satisfied with the results of my reducing. I can't thank you enough, and Mrs. Robert Burrell and Mrs. Glen Schneider for third place. The next tournament will be Feb. 18."

The Rev. Gerald I. Gingrich, Protestant chaplain at Kankakee State Hospital, was guest speaker at the Tuesday meeting of Alpha Omega chapter of Beta Sigma Psi Sorority. Mrs. W. K. James, program chairman, introduced the subject of "Human Behavior."

The Rev. Mr. Gingrich spoke on "Emotions and a Human Body."

## Accidental Death Toll On Increase

CHICAGO (AP)—Accidents killed 91,500 Americans last year. They injured 3,200,000 more, women and children.

They cost \$12,000,000,000. The National Safety Council, in its report today, said the 1959 death toll was just 1,000 higher than in 1958, an increase of one per cent.

Traffic accidents topped the list with 37,800 deaths, followed by accidents with 26,500, accidents at work with 13,500 and accidents in public—excluding traffic fatalities—with 16,500.

Fatalities rose in all those classes except in the home, where there was no change in comparison with the previous year.

The council said the population death rate—the number of accidental deaths per 100,000 population—declined to a record low of 51.5.

The economic loss was calculated for both fatal and non-fatal accidents and it included wage losses, medical expense, production delays and equipment and property damage.

## Society Conducts Worship Study In Chatsworth

CHATSWORTH (JNS)—The Women's Society of Christian Service met in the Methodist Education Building on Wednesday afternoon with Mrs. John Dale conducting a worship study on prayer, outlining the form of the collective prayer.

This was followed by individual prayers by the members.

Mrs. Lewis Farley was in charge of the devotion service. Mrs. K. R. Porterfield, secretary, conducted the business.

Mrs. Robert Milstead and Mrs. E. Stoutenmyer, Mrs. Clarence Bennett showed pictures of settlement houses and discussed the work of the WSCS.

Mrs. William Hollinger gave a report on plans for the day of prayer, March 4. She announced there would be a nursery class for children during the service.

Mrs. Percy Walker, president, assisted by Mrs. Lewis Farley, secretary, conducted the business.

The group voted to send Mrs. John Dale to the retreat for ministers' wives at East Bay Camp near Bloomington, March 11 and 12.

The social committee for the afternoon included Mrs. Robert Milstead and Mrs. Maude Edwards.

Mrs. VERN MURPHY and Mrs. Mary Birkenhead, mothers and eight Cub Scouts took on Tuesday. Boys in the den are Mike and Pat Murphy, Jerry Birkenhead, Jim McGee, Mike Collins, Mark Haberhorn, John Collins and Jim Cullen.

## Finishes 1,000 Mile Walkathon

LANDS END, England (AP)—Dr. Barbara Moore, the beauty 65-year-old vegetarian determined to prove that women are as tough as men, finished a 1,000-mile march down the length of Britain today, looking fresh as a daisy.

She now has her eyes set on a coast-to-coast trek across the United States.

A cheering crowd of 10,000 welcomed her here as she briskly stepped off the final pace of the march down the coast.

At John O'Grato's, on the northern tip of Scotland, Dr. Moore said she will leave for the United States as soon as she gets a visa.

"I'm not looking for a sponsor," she added, "I'll make the whole trip on my own money."

## School Janitors Aid Co-Worker

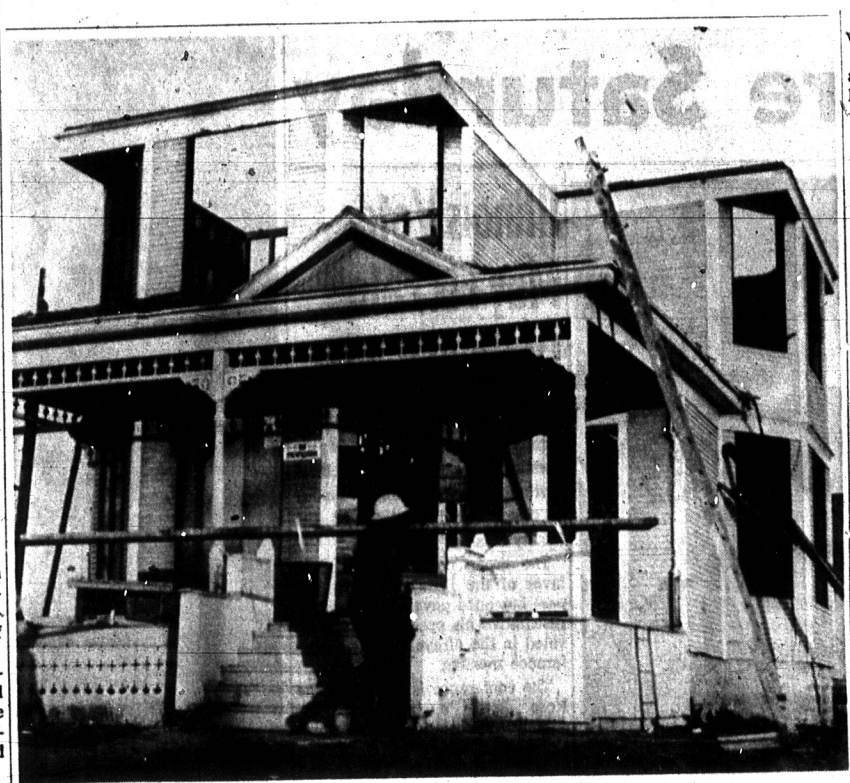

BARRINGTON, R. I. (AP)—Albert G. Marone's fellow workers are not rich men. They are school janitors, but they are in competition.

The 45-year-old Marone used up his sick leave and vacation time because of a back injury. And he still needs four more weeks off to recover.

Why can he have a wife and two children to support, the Barrington Janitors' Association went to the school superintendent and offered to work overtime without pay to do Marone's work.

School Superintendent Ian D. Malcolm approved the plan so Marone could continue receiving his salary.

## Home Had A Modern Touch 65 Years Ago

A 65-year-old house that apparently was an "electrical marvel" of its day, is being razed to make way for progress.

It is the home at 584 S. East Ave., built in 1894 by the Charles Schneider.

In a day when electrically wired homes were still the exception, the Charles Schneider home was completely wired with an automatic burglar system. Every window and door in the large, two-story, eight-room house was completely wired.

Martin VanderKarr, one of the diamonders, expressed concern that the wiring was installed when the house was constructed, and not added later. Walter Schneider, 15 S. Crowell Ave., Bradley, grandson of the builder, confirms VanderKarr's opinion. He said he recalls the alarm system from his childhood. William Schneider, 888 Cobb Blvd., Waterloo, brother, said one of his earliest memories is visiting "grandfather's house," which was across the alley from their own home.

VANDERKARR SAID the alarm system worked on the same principle as an automatic burglar system. Every window and door in the large, two-story, eight-room house was completely wired.

Walter Schneider said that when the house was constructed, and not added later. Walter Schneider, 15 S. Crowell Ave., Bradley, grandson of the builder, confirms VanderKarr's opinion.

He said he recalls the alarm system from his childhood. William Schneider, 888 Cobb Blvd., Waterloo, brother, said one of his earliest memories is visiting "grandfather's house," which was across the alley from their own home.

WATER added that another principle of the house was white sand basement. The unfinished basement was of disintegrated sandstone. Dump, it was used for food storage.

Commercial electric lighting was first introduced in 1878 and, in an 1894 issue of a Kankakee Toledo, a cathedral city in Spain.

## Red Wings, Rangers Make Double Trade

DETROIT (AP)—Jack Adams, who generally makes a trade when the Detroit Red Wings hit the skids, has done it again.

The grizzled general manager dealt veteran defenseman Leonard (Red) Kelly and forward Billy McNeill to the New York Rangers Thursday night and got defenseman Bill Gadsby and forward Eddie Shack in return.

There was no cash involved in the deal, completed shortly after the Wings dropped a 3-1 decision to the Rangers.

Prolonged slumps by both clubs triggered the deal. The Rangers had gone 10 games without a win until they beat the Detroiters. The Red Wings haven't won in their last six starts.

The Rangers got Thursday night's victory on Andy Bathgate's third-period goal. Harry Howell scored into the open net for the clincher with seven seconds remaining. The Wings pulled rookie goalie Dennis Rignin for an extra attacker.

The Montreal Canadiens peppered Toronto goalie Johnny Johnson with 40 shots and beat the Maple Leafs 4-2, increasing their lead to 10.

The Chicago Black Hawks waded Boston 7-2 and moved into a fourth place tie with the Bruins.

WALTER R. EDL, membership chairman, reported 182 members at the annual high school basketball banquet, to be sponsored by the American Legion, was 8-1 for the night when the legion met Tuesday night with Cndr. Joe Snapp in charge.

The group voted a heron medal for Robert Burton, 13, and a citation to David Borkin, 13, for his efforts to rescue a Jeffy Italia, who fell into the river, and was drowned last week.

Plans for smokers, open to the public at the home on second and fourth Monday nights of each month, were approved.

### Conduct Meeting Of Altar, Rosary Society, Watseka

WATSEKA (JNS)—Year books were distributed at a meeting of the Altar and Rosary Society of St. Edmund's Catholic Church on Monday evening in the church hall.

The year's program was reviewed. Mrs. Howard Gagnon, president, conducted the business session. A \$10 contribution was voted to the American Red Cross. Plans were made for two traveling baskets to be circulated among members.

Prizes were awarded to Mrs. Joseph Preitula and Mrs. Edwin Gross. Twenty-five members attended. Hostesses included Mrs. James McCullough, Mrs. Virgil Gaines, Mrs. Bernard White, Mrs. Harold Van Natta, Mrs. Harold Sense and Mrs. Kathryn Owens.

TWO NEW MEMBERS were accepted at a meeting of the St. Catherine Study Club on Tuesday in the home of Mrs. William Conlin. They are Mrs. Donald Burton and Mrs. John McGuire.

Mrs. Dale Clarkson, president, presided. Mrs. Arthur Burns was elected secretary to fill the unexpired term of Mrs. David Quinlan. Reports were given by Miss Lillie Wauthier, Mrs. Burns and Mrs. Clarkson.

Refreshments were served by the hostess. The next meeting will be in the home of Miss Wauthier.

### Wilmington Scout Project Saturday

WILMINGTON (JNS)—The Boy Scouts, Explorer Scouts and Scout Mothers of Wilmington will sell chocolate bars and cans of candy from house to house on Saturday afternoon.

Troop members and their mothers will meet at Central School at 1:30 p.m. Several drivers will be needed to take the boys to the various parts of the city.

Proceeds will be used to buy new tents and other equipment needed by the troop and post.

### Ritchey Church Will Observe Family Day

WILMINGTON (JNS)—Family Day will be observed on Sunday in the Ritchey Methodist Church. Each family will bring a covered dish, a dish of salad or dessert, and table service.

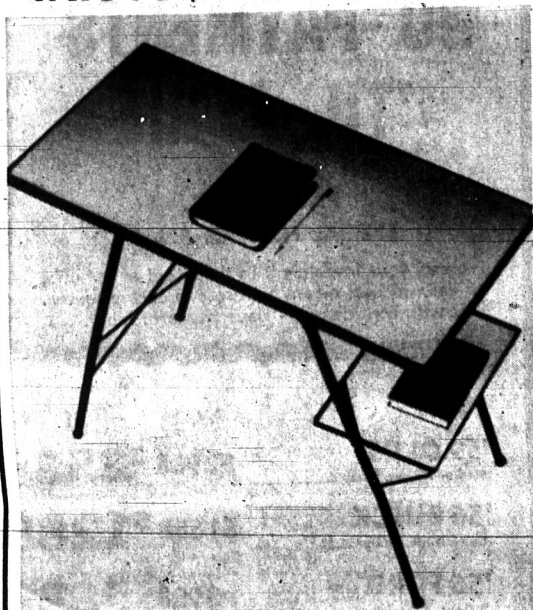

Dinner, potluck style, will be served at noon. A film on "Africa" in the afternoon will be followed by a social hour.

THE RITCHIEY Methodist MYF met Sunday in the church. The lesson, "What God Means To You," was completed. Refreshments were served by Linda and Mary Warriner. The group will meet next on Feb. 14 at 4:30 p.m. in the church.
