Plan Public Hearing On JP Districts

The Kankakee County Board of Supervisors today authorized a public hearing on justice of the peace districts and investigation of the laws governing establishment of a probate court and the post of county auditor.

The public hearing on the creation of justice of the peace districts will be held at 7:30 p.m. June 21 in the board of supervisor's room at the Courthouse. It will be conducted by the board's judicial committee.

Approve Funds For 4 County Road Projects

\$70,000 Earmarked For Improvement Of Sand Bar Rd.

The board of supervisors appropriated \$177,000 in gasoline tax funds today for four Kankakee County highway improvement projects.

The largest of the four is the \$70,000 set aside for reconstruction of 3.15 miles of the Sand Bar road from Route 17 to Aroma Park.

Howard Schwark, county highway superintendent, said the road, originally improved in the early 30's, became "badly deteriorated" during the winter and spring.

The remaining projects are located near St. Anne, Manteno and Momence.

THE BOARD appropriated \$60,000 for widening and resurfacing of county highway 34 which runs from Route 1 to the C&E Railroad Crossing past St. Anne High School. The village of St. Anne will pay for curb and gutter improvements connected with the project.

The board approved \$22,000 for widening and resurfacing of a county highway which runs past Hillman Memorial Hospital to the main street in Manteno.

Approved also was \$25,000 for reconstruction of one mile of the road east of Momence at the C&E Railroad crossing easterly and northerly to the Vincennes Trail and Delmar road.

Board Okays County Road Speed Limits

Resolutions establishing absolute speed limits on seven roads were adopted today by the Kankakee County Board of Supervisors.

They will go into effect after approval by the state Highway Division and erection of the appropriate speed limit signs.

The measures are believed the first taken by the county board under a new state law which gives detailed procedures for establishing speed limits other than those applicable to most state highways.

THE SPEED LIMITS approved by the board are 30 miles an hour on Curtis avenue from Routes 17 to 115; 35 miles an hour on Calista street from Wall street to Curtis avenue; and 45 miles an hour on the Aroma Park road from the Kankakee Belt Route overpass to Aroma Park.

Also, 35 miles an hour on the Armour road from Routes 54 to 45-52; 40 miles an hour on Limestone road from a point a half mile north of Route 17 northerly to the Bratton road; and 45 miles an hour on the Lehigh road from Route 17 southerly for two miles.

Limits of 40 and 50 miles an hour were established for sections of the Hopkins Park road for several miles.

Howard Schwark, county highway superintendent, said his department is also making speed limit surveys on roads near Bonfield and Reddick and on North street in Bradley.

Announce Merger Of Two Railroads

PHILADELPHIA (AP)—The Norfolk and Western Railroad and the New York, Chicago and St. Louis Railroad (Nickel Plate) agreed to merge, it was announced today.

The joint statement by the presidents of the two lines said the merger would be submitted to shareholders of the two companies and the Interstate Commerce Commission.

Ike Heads For Visit In Philippines

ANCHORAGE, Alaska (AP)—President Eisenhower took off today for a three-day visit to the Philippines—still determined to go on this weekend to riot-plagued Japan.

The President, pleased by a warm reception in Alaska, left Elmendorf Air Force Base aboard his jet airliner. He scheduled a refueling stop at Wake Island 7½ hours later and arrival at Clark

Field, near Manila at about 3:45 p.m. Philippine Time—2:45 a.m. EST Tuesday.

Prospects were for a rousing welcome for Eisenhower in Manila, where he was stationed as an Army officer in 1935-39.

BUT THERE was a risk of danger—the possibility of physical harm to the 69-year-old President—on his scheduled arrival in Tokyo.

In the Japanese capital left-wing mobs, now perhaps controlled by Communists, still are intent on trying to prevent or wreck the projected Eisenhower visit.

The President arrived in sunny Anchorage, biggest city in the new 49th state, Sunday morning after a 3,700-mile nonstop flight from Washington.

He said he had rejected advice that he abandon or postpone his visit to Tokyo.

He is going ahead, he said, because the visit "represents an important phase of a program whose paramount objective was, and is, to improve the climate of international understanding."

ALLUDING THEN to the hate-propaganda campaign in Tokyo, the President added: "We should not

permit unpleasant incidents and sporadic turmoil, inspired by misled or hostile agents, to dim for us the concrete and gratifying results. They have been to the great good of the entire world."

At Anchorage Eisenhower was met by his press secretary, James C. Hagerty, who last week was besieged by a screaming Tokyo mob from which he narrowly escaped.

"Hello, Jim," the President chuckled as he shook hands.

The press secretary still declined to make public the details of the scheduled June 19-22 Eisenhower stay in Tokyo. Again he refused to say whether he was satisfied that Prime Minister Nobusuke Kishi can make good his "guarantee" of Eisenhower's personal safety in the Japanese capital.

Japanese Reds Still Threaten Demonstration

13 Truck Loads Of Police Will Guard President

TOKYO (AP)—Some leftist groups appeared today to be backing away from massive airport demonstrations on the day President Eisenhower arrives in Tokyo. But the hard-core Communist party leadership was reported still threatening violence.

The headquarters of the Red-tinted Sohyo labor federation said most members felt they should not demonstrate at the airport itself next Sunday. A decision was expected Tuesday.

Even the Communist wing of the Zengakuren student federation said it would refrain from such acts of violence as it staged against White House press secretary James C. Hagerty last Friday.

JAPANESE SECURITY officials went ahead with plans to mobilize 25,000 police to protect Eisenhower should mob action develop when he arrives June 19.

A Tokyo police official expressed confidence the force would be able to cope with any mob action, but added: "No amount of security can guarantee there will be no incident from an individual terrorist."

Police announced unprecedented security measures.

The car that will carry Eisenhower and Emperor Hirohito on the 11-mile trip from the airport to the palace will be accompanied by 13 trucks loaded with 600 policemen, 52 motorcycle police plus 6 sidecar motorcycles, 4 radio cars and patrol cars.

TAKESHI USAMI, director of the imperial household, announced the two chiefs of state will make the trip in a closed limousine rather than an open car. Though U.S. officials had expressed preference for an open car, this security arrangement presumably won Hagerty's approval.

Foot police will be spread all along the route, with orders to take strong action against any attempt at interference. Mobile units also will patrol along the route, and guards will be increased at the U.S. Embassy.

A dress rehearsal of the security measures was held Sunday.

Police sources said the Communist party had seized control of the campaign against the Eisenhower visit and the U.S.-Japan Mutual Security Treaty.

Counting The Stars

Flag Day Tuesday will be the first day it is officially legal to fly the 49-star American flag signifying entry of Alaska to the U. S. Then July 4 the 50-star flag becomes legal with the entry of Hawaii. These young ladies are shown

Vest Pocket Argentina Revolt Fails In 6 Hours

BUENOS AIRES, Argentina (AP)—President Arturo Frondizi's government announced today that a vest-pocket revolt in western Argentina had collapsed a scant six hours or so after it started.

Frondizi told newsmen the bulk of Argentina's armed forces had rallied to his side within a few hours after the small-scale rebellion last night in San Luis.

The President confidently announced he would leave as planned this afternoon on a month-long tour of Europe.

BEFORE DAWN a spokesman for the Interior Ministry said loyal troops had captured Gen. Mauricio Gomez, commander of the 2nd Argentina Army, who reportedly joined the rebels.

The other rebels fled from the strategic sites they captured a few hours earlier in San Luis, including the local radio station, the spokesman said.

Gen. Rodolfo Larcher, the secretary of war, had warned the rebels to surrender by dawn or to face an assault by loyal troops from the surrounding area. He said the rebel force numbered only 300 to 400 men of an anti-aircraft group.

Gen. Larcher said the military rebels would be tried in military courts, and the civilians brought to trial under the "Conintes" plan adopted last March. This gives military courts the right to try civilians and impose the death penalty for such actions as sabotage and bombings.

Meanwhile, federal mediator E. Marvin Sconyers reported steady progress in negotiations between Convair and the International Association of Machinists. This dispute has brought strikes at the nation's Atlas missile bases.

Sconyers reported "a lot of work remains before agreement is achieved."

The association seeks a 6 percent wage boost, improvements in layoff and arbitration procedures and other benefits.

Lowell Tash, Iowa-born manager of the ranch, was tentatively charged with conspiring against the government, it was reliably reported.

Premier Fidel Castro's government took over most of the ranch, once the largest in Cuba, last fall.

Fortunato Giovannoni, a retired general who served some time in jail during Peron's regime, proclaimed himself provisional president of the rebel government. He had figured briefly in the Aramburu government.

It was the first open rebellion since June 1956, when a small band of pro-Peron military and civilian forces staged a quickly smashed uprising against the provisional government of President Pedro Aramburu.

House Committee Slashes Request

WASHINGTON (AP)—The House Appropriations Committee today cut 790½ million dollars from President Eisenhower's original foreign aid requests, including 400 million from military assistance.

If the action is sustained by the House later this week, the aid program would get \$3,384,500,000 of the \$4,175,000,000 Eisenhower requested for the fiscal year starting July 1. In addition, it would have available an estimated 400 million in previous funds which have not been obligated in spending.

While the President actually requested \$4,175,000,000 in new money, Congress limited appropriations to \$4,086,300,000 in a separate bill authorizing continuance of the aid program. The actual money figure is \$701,800,000 below the authorized amount.

THE CUTS WERE approved despite a special Eisenhower plea Saturday that the committee reject the proposed reductions in military assistance and defense support funds.

These "can not but jeopardize our own security and the defense of the free world," Eisenhower said in a telegram to House members.

Presumably the Senate, which regularly has been more generous than the House in foreign aid funds, will be asked to restore some of the cuts.

The committee's action was taken on recommendation of a subcommittee headed by Rep. Otto E. Passman (D-La.).

The military phase of the program, which finances fighting equipment, training, supplies and services for friendly nations, was limited by the committee to \$1,600,000,000 of the two billion requested.

The committee offered no explanation for the cut, but noted that the amount approved is 300 million more than was appropriated for the present year and said more than two billion in unexpended balances was available.

WASHINGTON (UPI)—The father of captured spy pilot, Francis G. Powers, obtained a U. S. passport today and said he was going to Russia to see his son in about 60 days.

Oliver Powers, 55, a Norton, Va., cobbler, was asked whether he has assurances that he will see the younger Powers who was shot down while piloting a U-2 spy plane over the Soviet Union last May 1.

"Yes, I do," Powers told reporters.

But he said only "That's my business" when asked who had extended these assurances.

The elder Powers wrote Soviet Premier Nikita S. Khrushchev asking his help. The Russian leader offered to aid him to see his son but Khrushchev refused to interfere with the trial of the U-2 pilot.

Cleveland Back In 1st—Thanks To Rain

By THE ASSOCIATED PRESS
Cleveland took over first place in the American League Sunday by simply sitting in the clubhouse waiting for it to stop raining. Baltimore dropped out to Kansas City, 6-1 and 5-3 in 10 innings. The rain Indians had a game up although the opener of their scheduled doubleheader at New York was called in the first inning when the rains started.

DETROIT EXERCISED fourth place by splitting two at Washington, winning 7-5 after losing the first game 8-3. Jim Lemon hit three homers for the Senators. Detroit dropped Chicago 4-1, showing the White Sox into fifth place, and then learned, two hours later, that Mike Higgins was returning for another tour as Red Sox manager.

Joe Judge's 35-foot triple off Willie Williams touched off the winning stroke in the 10th inning of the second game. Whitey Herzog's single and Norm Siebern's double drove in the two runs, enough for relief pitcher Johnny Kruk's first victory.

PETE RUNNELS collected two hits for Boston, including a two-run single, and boosted his average to .385. Frank Sullivan went all the way, scattering seven hits to lead the Red Sox to a 10-1 victory in the first game at Washington. Lemon drove in four runs with his lone homer and a single as the Senators whipped the Indians behind Carmelo Pascual and Tom Lee. Despite his 10th and 11th homers in the second game, the two clubs combined for 11 homers during the doubleheader.

Dr. Morris Lang and Blaine Johnson teamed up to capture the Country Club's partnership combined low net golf tournament.

Dr. Lang led the field with 79 less than for a net 70 and Johnson shot 84-25 for a 148 net.

In the runner-up spot were Dr. Clement at 87 and Dr. J. H. Hagerty at 88-20, and the cup for only the sixth time Dr. Lee Earlander (87-21) in 32 attempts, still loved the with a 151.

1st Grand Slammer Big One For Willie

By THE ASSOCIATED PRESS
Willie McCovey had been riding the bench and was hitting only .244 when he came to the plate Sunday with the bases loaded and San Francisco clinging to a shaky 7-6 lead over Milwaukee.

Rising to the occasion, he slammed a Carl Willis fast ball out of the park for the first grand slammer of his brief major league career.

The Giants went on to win 10-7. The victory moved them to within half a game of the first-place Pittsburgh Pirates, who divided two at St. Louis. The Pirates bombed the Cards for 13 hits in their first game romp but then lost the second 5-2, despite 10 home runs.

STAN WILLIAMS won his fifth for Los Angeles with a four-hitter against Cincinnati 3-1. Always known as a "struck out" pitcher, he walked but one and struck out eight.

Richie Ashburn's 10th inning home run broke the world's longest doubleheader at St. Louis. The Cardinals' game was a wild affair with 31 hits. They set a new National League record and broke the major league mark by playing a nine-inning game in 3 hours 52 minutes. Bob Schmidt had a perfect day for the Giants with two doubles, a single and a walk and Willie Mays had two doubles and a single among the 18 hits.

Chuck Dressen, Milwaukee manager, started George Brunet, a left-hander brought up Saturday from Louisville. He lasted 1 1/2 innings before being relieved by Ray Piche, the second of five Braves pitchers, was the winner.

DICK STUART had five hits, including two homers, and Dick Stuart, second of five to work for the Giants, won it.

QUANTICO, Va. (AP)—Don Bragg decided today to lower his sights temporarily. "As of now," the big Villanova graduate said, "I feel like a happy martyr to break the world's longest doubleheader at St. Louis. I'm still hopeful of getting up to 16 feet, but I'll settle for the record."

The current world mark of 15 feet, 8 1/2 inches is held by Bob Gutowski of the Marine Corps. He set it more than three years ago.

Bragg, for his part, has cleared 15-9 1/2 indoors, but indoor records are not passed on by the International Amateur Athletic Federation, so he still is second on the books.

Both Bragg and Gutowski cleared 15-3 in the Armed Forces Championships here Saturday. Bragg was awarded first place because he had fewer misses. For Gutowski, who has been having his troubles getting over 15 feet of late, it marked his best performance of the year.

"I can't figure him out," said Bragg. "The only explanation I can offer is that he is a had slumper. That has happened to all pole vaulters. I've been in slumps that I thought I'd never come out of."

Robert Fox took third place in the men's novice division, Artie Coffin and Doris Walsh finished second and third respectively in women's A.

Higgins Returns To Find Sox Still 8th

Sox, Cubs In 11th Crosstown Game Tonight

BOSTON (UPI)—Michael Francis (Pinkie) Higgins, a little less than a year's rest under his belt, takes up where he left off today with the Boston Red Sox in the American League cellar.

Higgins, answering a "personal friendship" call from the Red Sox, returned to Boston Sunday, Sunday agreed to come back to manage the woebegone Boston team, presently 12 games out of first place.

THE RED SOX were in last place last season when the 41-year-old Higgins was replaced as manager by Washington Senators coach Billy Jurges.

Jurges, a lifetime star shortstop with the Chicago Cubs, managed the Sox from 1950 to 1954, finishing in 1954 in last place.

He was replaced as interim manager by Boston coach Jimmie Fox, who managed the Sox from 1955 to 1957, finishing in 1957 in last place.

South Side Nine Drops 3rd Straight At Harvey

4-Hit Job Williams Wins 6th Straight For Dodgers

Kankakee's floundering South Side Athletic Club baseball team dropped its second decision in two days and its third game in a row Sunday afternoon 4-0 at Harvey.

Harvey's starting pitcher, Bill Williams, won his sixth straight game, leading the Dodgers to a 6-0 victory over the South Side Athletic Club.

Williams, who has been hitting .300, was the star of the game, going 4-for-4 with two home runs and four RBIs.

The South Side Athletic Club, which has been struggling all season, was looking for a win to boost its morale.

The game was played in front of a small crowd, but the atmosphere was tense as the South Side team fought hard to stay in the game.

Harvey's defense was solid, with several key plays that kept the South Side team from scoring.

The game ended with a final score of 6-0 in favor of Harvey, who will now move up in the standings.

Williams' performance was praised by fans and coaches alike, and he is expected to continue his hot streak.

The South Side Athletic Club will be looking for a way to turn their fortunes around in their next game.

The game was a classic example of a dominant performance by a single player, with Williams leading his team to victory.

Clubs Continue Cannon Feud In Court Today

Los Angeles (UPI)—All-American Billy Cannon was due in court today for a hearing to determine whether he'll be playing for Los Angeles of the National Football League or Houston in the new American Football League next fall.

The opening day of the hearing of Los Angeles' Rams petition that he not be allowed to play for anybody but them probably will be taken up with arguments on whether it should be a jury trial.

CANNON, JUST ABOUT everybody's All-American choice as a backfielder for Louisiana State University last year, was signed by both clubs.

He was drafted by the Houston Oilers of the new league.

The husky halfback signed three consecutive one-year contracts with the Rams on Nov. 26, 1959, before playing his final college game in the Sugar Bowl.

He signed a three-year contract with the Houston Oilers.

When the Houston contract was signed, it was a point of contention.

Cannon said he signed with the Oilers under the gunpoint after the Sugar Bowl game, but Los Angeles charges he actually signed with Houston owner Bud Adams 13 or 14 days before the game.

His contract with Los Angeles called for \$50,000 over the three years and a bonus. The Oilers' pact was reported to guarantee him about \$100,000 over three years plus assurance of off-season work.

The Rams admitted that Cannon returned checks for \$10,000 and \$500 sent to him after he signed the secret agreement. The checks came with a letter insisting he not be bound by what he believed merely a tentative proposal to enter into such a contract.

Boxing
LOS ANGELES, N.Y. (UPI)—The boxing world is in a state of confusion over the fight between Sugar Ray Robinson and Archie Moore.

Robinson, who is 37, is scheduled to fight Moore, who is 40, on June 12 at the Flamingo Las Vegas.

Archie Insulted By Pender's Challenge

Miss Suggs Wins \$1,500 In Triangle

LOS ANGELES (AP)—Imagined by Archie Moore, that little pique Paul Pender challenging me.

"I am startled by Pender's audacity," said the venerable monarch of the 115-pounders, reflecting the Boston Irishman's curious ambition to fight Moore for the lightweight title.

"For me to meet a man like that and face my conscience, I would have to agree to let him carry a pistol," agreed Archie, told columnist Melvin Darsag of the Los Angeles Examiner.

"PENDER IS less than just plain nuttin'," Archie said, "he is sub-nuttin'."

Moore said Pender best Sugar Ray Robinson Friday for the New York-Massachusetts version of the middleweight title simply by out-cunning the Sugar Man. "This guy wrestled Robinson at least two minutes a round," Archie said.

And armed or otherwise, Pender wouldn't get away with it. "I spent 20 years researching a punch for just this type of opponent," Archie said. "I call it Archie Moore's wrestle-ree."

"Most punches are thrown with the arm and not the body," Archie said. "I call it Archie Moore's wrestle-ree."

"WHEN I throw this punch down the back of the other man's head, he'll be out of the ring," Archie said. "I call it Archie Moore's wrestle-ree."

Archie, a 260-pound tower of jello in his last bout, said he'll have a new look when he meets Roy Schaefer for the 115-pound title next month. Archie gave up the idea of the royal crown, which he had won in the past.

It is Queen Elizabeth's own coronation, which she will wear in the coronation of the British crown.

At noon each day of the meeting, open carriages, drawn by the teams, will make a parade down the main street.

The coronation will be a grand affair, with many guests and a large crowd of people.

Twenty-five years of reminiscing were wrapped into one big evening at the Elks Kankakee Valley Golf Club Saturday as the class of 1935 of Kankakee High School was reunited.

An estimated half of the class was represented at the reunion, which began with a get-acquainted (or re-acquainted) period at 4 p.m., followed by dinner.

1 In 2.4 Cars Passes Safety Lane Checks

Mechanical safety of inspected Kankakee area cars continued to hover in the one out of three zone Sunday following the double safety checks in the series co-sponsored by the Jaycees and law agencies.

In the safety lane in the 100 block of N. Hobbie avenue, 162 cars were inspected by the team headed by Ron Dusenbury, with 67 being turned down. This figured to only one car in every 2.4 vehicles passing the 10-point check list.

Of the rejects at this point, lights again led the list, with 39 defects noted on front and rear lamps. Tires and exhaust systems were next in line, each with 11 rejects.

At the S. Dearborn avenue location, the total was slightly better, with one out of 3.1 vehicles passing as 149 cars were checked and 48 were rejected. Front lights, with 22 faults found, and tires, 16, were the main points checked.

One old "rambling wreck," brought into the Hobbie avenue lane, scored a near bust in the inspection, having only the windshield wipers operating out of the 10 items safety-checked.

The check will continue next Sunday with another county stop, at Momence, then wind up June 26 with a double lane operation in the city at Meadowview and Marycrest shopping center areas.

diet is healthful, has been bothered by sunburn and a sprained ankle and is behind schedule.

Special guests introduced by master of ceremonies William Boyd, Cincinnati, included Mr. and Mrs. R. Y. Allison, Mr. and Mrs. Ruel Hall, and Mr. and Mrs. Alan Mills, all of Kankakee. Allison was principal of the high school here in 1935, while Hall was a teacher, and Mrs. Mills, the former Marian Kranz, was a class sponsor.

On the formal portion of the program, absentee notes were read from class members unable to attend by Mrs. Harold Flanagan (LaVona Austin), Kankakee, while memories were reflected by Charles Saville and John O'Brien, both of Indianapolis, and Mrs. Bruce Brown (Ruth Saltzgraber) of Kankakee.

GROUP SINGING WAS led by Jules Giardina, also living in this city.

Awards were presented to several alumni for various categories, including Fred Granger, Seattle, Wash., person traveling the farthest; Mrs. Pat Hanlon (Constance Richter), Grant, Kan., first reservation; Mrs. Kenneth Kraft, Aroma Park, most children and youngest child; Robert "Eddie" College Park, Ga., runner-up for youngest child, and Martin Caise, Kankakee, most grandchildren.

Spurring the "back home" fever for many of the old grads was the welcoming committee headed by Mrs. Peter Zinkann and including Melvin Boule, John O'Brien, Charles Saville and William A. Schneider Jr., as members.

Joseph Pulitzer, who established the Pulitzer Prizes, told his reporters on "The New York World" that, "It is difficult to see the truth when you are prejudiced, but try always to see the truth about friend or foe."
