EDWARD CHANGNON, BUSINESS LEADER OF ST. ANNE, DIES

St. Anne, Dec. 29.—(Special)—Edward Changnon, a well known businessman of this village, died at the Evangelical hospital in Chicago at 6 o'clock last evening. He was being treated for diabetes, from which he suffered for four years, and at four yesterday afternoon he went into a coma from which he never regained consciousness.

Mr. Changnon was 68 years of age and was the son of the late Sophie and Andrew Changnon of St. Anne, having been born and raised in this village. When a young man of fourteen he learned the plumbing and tinsmith trade from Frank Legro, a local business man. Later he worked for Christensen Bros. Hardware Company and then went to Kankakee where he was employed at the State Hospital for two years. In 1903 he returned to St. Anne and established himself in the hardware and plumbing business.

Forty-eight years ago he was married to Ella Seagrath of Fowler, Ind. To this union were born six children who survive: Mrs. Edna Lawrence, Mrs. Beattie Glass of Chicago, Mrs. Dorothy Alexander of Cleveland, Charles of Montpelier, Ohio, Dale of Attica, N. Y., and Alpha of St. Anne.

Funeral arrangements have not yet been made pending the arrival of relatives. He was a member of the Presbyterian church and of the I. O. O. F.

Dr. and Mrs. Raymond Meyer attended the funeral of Walter Schminke, vice president of the First State bank of Chicago Heights. Mrs. Schminke is the sister of Dr. Meyer.

THREE LOCAL AVIATORS IN MIAMI RACES

KOERNER, SCHILLING AND
BURTON HERTZ TAKE
OFF HERE SUNDAY

TRANSPORT OWN OIL

Will Use Diamond 760 In Races
Jan. 8, 9, 10; Refuel
Today At Atlanta

Delbert Koerner, Lawrence Schilling and Burton Hertz, three Kankakee aviators, left at 2:30 o'clock Sunday afternoon in their three-seater Travelair plane for Miami, Florida, where they will compete in the All-American air races Jan. 8, 9 and 10. They were scheduled to make one stop enroute, last night, at Atlanta, Georgia.

The ship which they flew and will use in the races is an open cockpit biplane, which, a few months ago, was a mass of twisted wreckage and was rebuilt at the Kankakee airport by the Koerner aviation school and has passed the most rigid safety tests. It is equipped with a Wright J-6 whirling motor and has a speed cruise of 105 miles and a maximum speed of 120 miles.

Use Local Oil
The men took their own fuel oil which they will use in the plane during the races. The oil is Diamond 760 and was furnished by the Baron-Huot Oil company of this city.

Koerner has been a licensed pilot the past four years and has 1,200 hours in the air to his credit. He is also a licensed aviation mechanic and transport pilot. At the national air races in Chicago last summer he won the light plane race in a plane which was built at the Kankakee airport under his own supervision.

All Experts
Schilling is a licensed commercial pilot and was born and raised in Kankakee. He has had 300 hours in the air and has a plane of his own, a Waco biplane. He is now ready to take his tests for a transport pilot's license.

Hertz is a son of former Alderman B. F. Hertz and was also born and raised in Kankakee. He is a licensed private pilot and took all of his instruction in aviation from Koerner.

In Three Events
The three men will compete in three events at the Miami races: the dead-stick landing, bomb-dropping and balloon-busting contests. They plan to remain in Florida about a month, taking a winter vacation as the summer months find them pretty busy at the local airport.

This is the longest flight ever attempted by aviators from the local airport. Motion pictures of yesterday's take-off will be shown in the miniature screen beside the Volkmann building from 5 until 6 and from 7 until 9 o'clock tonight.

Plan New Hangar
Before departing, Mr. Koerner stated that he plans on building a new hangar at the local airport in the spring to accommodate twenty-five planes. At present there is fire-proof storage available for fifteen ships.

The flight of this trio and their entry in the Miami races is expected to give an added impetus to aviation in Kankakee and vicinity. Other planes are invited to stop at the local airport which has a 40-acre square landing field with unobstructed approaches from every direction.

Aviators are now stopping here for repairs, fuel, storage, information, air maps, etc. Transportation is always available from the airport to this city over Highway 25. The airport is three miles from the heart of Kankakee, south. The airport has been in operation the past three years and many persons are taken up during the milder weather for trips. Planes are constantly available for either pleasure or business trips.

Condition Of Dr. Edmonson Is Unchanged

Chicago, Dec. 29.—(AP)—The condition of Dr. George Edmonson, head of the Kankakee State hospital, was reported "unchanged" by attending physicians today. He is growing "steadily weaker, doesn't take nourishment very well, but has less fever," they said.

PRINCE GEORGE RECOVERING
Melton Mowbray, Eng., Dec. 29.—(AP)—Prince George of England, much better today after his fall from a horse on Saturday while hunting with the Belvoir hounds, remained here while his brother, the Prince of Wales, went out in the morning with the Quorn hounds from Rattcliffe hall.

Tonight both the brothers plan to rejoin the King and Queen at Sandringham.

Hero Of The Marne Near Death

Paris, Dec. 29.—(AP)—Marshall Joffre, fighting a losing battle with death, sank into a state of extreme weakness today and his physicians issued a bulletin at three o'clock describing his condition as most grave.

A few minutes before the bulletin was issued, General Isale, chief of staff under the Marshal, visited his old leader and reported that the hero of the Marne was sinking slowly.

The five doctors who have been at the patient's side day and night since Saturday, held out little hope that the Marshal could live through the day.

Half an hour later the Marshal sank into a coma and it was feared that he would never regain consciousness.

The gloomy news spread quickly among the great crowd gathered about the hospital of St. Jean-de-Dieu and these people who love "Papa" Joffre spoke in hushed whispers of his agony.

At twilight fell the hospital was closed to the public and an extra police guard placed about the doors. Andre Maginot, the former Minister of war, and Paul Painleve, the present Air Minister, came out of the hospital together just after Marshal Joffre lost consciousness. Tears were streaming down Painleve's cheeks.

"I saw," the Minister said. "He looked as though he were in a deep sleep."

"It is the end," said Maginot.

PRISON BREAK THWARTED AT MICHIGAN CITY

GUARDS, CITY POLICE AND
FIREMEN FORCE 12 PRISONERS
TO SURRENDER

OVERPOWER GUARD

Barricaded Doors And Prevented
Guards From Entering
Prison

Michigan City, Ind., Dec. 29.—(AP)—An elaborately planned jail break attempt failed at the Indiana state prison today when a combined force of guards, city police and firemen forced 12 desperate criminals who had gained control of their cell block to surrender without bloodshed.

The 12 men, most of them bank robbers or murderers, had overpowered their guard, Guy Burklow, but not before he shouted an alarm to outside guards.

The convicts barricaded the doors and prevented prison guards from entering, but when city police set up machine guns outside the door of the cell block and armed firemen augmented the watch on the walls, the men surrendered.

The 12 men were released from their cells by a key which prison officials said had been fashioned from a spoon by the leader of the plot, Joseph Burns, who is serving a term for participating in the Culver, Ind., bank robbery of 1925.

Prison authorities found several other indications that the attempt was well planned. One man had saved away two iron bars when police gained control of the cell block and another had a rope ladder ready for use.

The "D" cell house, in which the attempt was made, was designed to hold 240 men but was occupied by more than 500 and the attacking forces had no idea how many of these men were loose.

No shots were fired on either side. The prisoners apparently had no hidden firearms and guards inside the cell blocks do not carry deadly weapons.

Prison officials listed the following as the men released by Burns' home-made pass key, all ring leaders of the plot who were placed in solitary confinement: Harry Pierpont, Kokomo, Ind., serving a term for bank robbery; Albert Rosenberg, South Bend, robbery and escape from Atlanta, Ga., prison; James Jenkins, murder, Green county, Ind.; Dick Dew, bank robbery, Terre Haute; Ed Ware, auto bandit and bank robbery, Vigo county, Ind.; Maurice Delature, bank robbery and habitual criminal, Miami county, Ind.; Louis West, bank robbery, Indianapolis; Wayne Williams, murder, Allen county, Ind.; Willard Tex, robbery, St. Joe county, Ind.; Russell Clare, bank robbery, Marion county, Ind.

A warrant for the arrest of "Smoky" Malady of "Duck Pond," a small settlement near Coal City, was issued today by Judge Bert L. Fitzgerald at the request of Paul LeCuyer, operator of an oil station and restaurant on route 113 about 10 miles north of Kankakee. The warrant charges larceny.

LeCuyer claims that on last Saturday Malady stopped at his oil station and asked for ten gallons of gas from Mrs. LeCuyer. After the gas tank had been filled, it is alleged, Malady sent Mrs. LeCuyer inside for a loaf of bread. While she was gone, Malady drove away.

STEEL MERGER IS PREVENTED; COURT RULING

BETHLEHEM & YOUNGSTOWN
COMPANIES RESTRAINED
FROM CONSOLIDATING

BITTER LEGAL FIGHT

Spectacular Battle Lasting For
Several Months Comes
To An End

Youngstown, O., Dec. 29.—(AP)—The proposed billion-dollar merger of the Bethlehem Steel Corporation and the Youngstown Sheet and Tube Company was denied by common pleas judge, David G. Jenkins, today when he granted minority stockholders an injunction restraining the combination.

The decision was based on the merger negotiations and the subsequent meeting on March 12 of the sheet and tube directors. Considering these proceedings illegal, the judge saw no reason for going into the numerous controversial points involved in the sheet and tube stockholders meeting April 18 where the merger was ratified.

Judge Jenkins handed down his decision six months from the inception of one of the bitterest legal fights in corporate history, a struggle of millions that was carried out first with proxies and then with lawsuits. Forces marshalled by Cyrus S. Eaton, Cleveland financier, went into court with charges of fraud after a spectacular battle for proxies.

The judge said that the sheet and tube board of directors early this year, did not give adequate information to their stockholders on the merger when they met last April and approved it.

Whether intentionally or not, the decision said, the three accountants employed to make the audit of the merging companies prior to the merger delivered a misleading report to the stockholders.

The ratio of ownership of one share of sheet and tube stock for a share of Bethlehem was also a matter of contention. The judge said that the sheet and tube directors, "in making to my mind no definite conclusion possible that the final ratio was adequate."

Judge Jenkins said that the court was without sufficiently supported facts clearly to pass a judgment on the price involved in the merger. Also, he said, the sheet and tube directors and shareholders as well were without "any such basis for forming such judgment."

"Indeed, to put it mildly," the decision said, "it must be frankly said that in the present state of the record grave doubt as to the adequacy of the consideration exists."

The decision was written in pencil by the judge in a round careful hand on nineteen pages of foolscap paper. He made three copies himself, deeming that no mistake be made in having a stenographer or typist transcribe it.

One copy be filed with the clerk of the Mahoning county common pleas court. The other copies were presented to newspaper men.

Judge Jenkins will take a vacation before assuming his duties at the court house. "The big job is finished," he said.

New York, Dec. 29.—(AP)—Cyrus S. Eaton, Cleveland financier, refused to comment today when informed of the decision denying the proposed merger of Bethlehem Steel and Youngstown Sheet & Tube.

Asked if he would make a statement, the financier who has led the fight against the merger, said: "Nothing to say. Thank you very kindly."

New York, Dec. 29.—(AP)—Eugene O. Grace, president of the Bethlehem Steel Corp., said today that he could make no comment on the injunction granted against the merger of Youngstown Sheet and Tube Co. with Bethlehem "until we have the benefit of counsel's study of the decision."

Charles M. Schwab, chairman of Bethlehem, was said at the Bethlehem offices to be out of town and could not be immediately reached.

ATTEMPTED BURGLARIES LAST NIGHT

HOME AND LUNCH ROOM
ENTERED; THIEVES
SCARED AWAY

NOTHING WAS TAKEN

Three Fined Today In The Police
Court; Two For Drunkenness, One Disorderly

Two attempted burglaries in Kankakee last night were reported to police authorities this morning. The thieves in each case were frightened away without getting anything.

Mrs. Irene Case, 176 West Station street, proprietor of a lunch room at 181 West Station, reported that three boys entered the establishment last night by unlocking the door in some way. Mrs. Case's daughter, who resides just across the street, saw them in the place and went to Bert Luckey's old station nearby and called for the police.

In the meantime, Mr. Luckey went to the lunchroom hoping to catch the boys and hold them until the police came. The boys saw him coming and ran away. Nothing was taken. The intruders left a flashlight and a glove in the lunchroom.

One of the boys was described as being about 13 or 14 years old, wearing a dark gray overcoat and no head covering. He was about 5 feet 3 inches tall, had straight blond hair, and was rather heavily built.

The second boy was smaller and wore a leather coat. No description was taken of the third boy.

William Bollman, 723 South Greenwood avenue, reported to police this morning that his home was entered last night while the family was away. The intruders were frightened away when the family returned. The home was not ransacked and nothing was taken. Entrance was made by breaking out a window glass.

Foot prints of two men were found under the broken window. One was old heels about a half inch too small for the shoes. The other had new heels.

Two strange men were seen looking over the house yesterday morning. Both were about 25 to 30 years of age. One wore a gray overcoat and cap and the other wore a brown overcoat and had a dark mustache.

Buck Belourne, no address given, who was arrested Sunday by Police Officers Mathy and Endres for drunkenness, was fined \$5 and costs this morning by Judge Bert L. Fitzgerald.

Melvin B. Nixon, 240 South Elm avenue, arrested recently for drunkenness by Police Officers Endres and Cantlin, was also fined \$5 and costs today by Judge Fitzgerald.
