EARHART OFF ON LONG FLIGHT

REV. JOHNSON URGES YOUTHS TO BE BUILDERS

Baccalaureate For
High School is
Held Sunday.

HATE DESTROYS

Urging the youth of today to be builders, not destroyers, the Rev. M. I. Johnson, pastor of Trinity M. E. church, told the graduates of Kankakee high school at baccalaureate services Sunday evening in the school auditorium that America has many bridges to cross before it reaches its national possibilities and they should help to build these bridges.

He encouraged the class to use its God-given talents to create worthwhile things instead of tearing down through hate, greed and contempt. "We stand and wonder at the vast dreams and inexhaustible energies of the Alexanders and Napoleons but they were destroyers most of all. If they built, it was no house of life for man but perishable temples to their own glory."

These We Praise
"But the men we praise," said the minister, "are those who were makers, creators, builders and constructors. We obey a sound instinct when we praise people like Asoka, Moses, Israel, St. Francis, Lincoln, Jane Addams and Elizabeth Fry."

Rev. Johnson reminded the graduates that no man is excluded from the divine activity of creating. "It is given to us all to create," he said. "The building materials are pity, love, kindness, mercy, forgiveness, honesty, humility, devotion, and the constructive power of the soul."

Man's Two Goals
"Two things man is chiefly trying to make in this world—a society and a personality. He has been at the former ever since he became aware of himself and his fellows and has long dreamed of a common life of peace, freedom and harmony among his fellows."

Need Personality
"Of building personality, the minister said, 'man goes about this process blunderingly and his vision of it is faulty. But he does feel within himself that there are possibilities in him as yet unrealized. He knows a reasonable and generous social life is necessary to develop personality.'"

The baccalaureate speaker castigated Lenin as the greatest single destroyer of personalities of modern times.

2 Men Fight After Automobile Crash

W. G. Goodrich, 59, of Aroma Park is to appear Thursday morning at 10 o'clock before Justice of the Peace Henry Bauer in answer to charges of reckless driving and assault and battery.

The warrant was issued at the request of Peter Marrell of Kankakee who charged that Sunday, on the Waldron road, Goodrich struck him during an altercation over an automobile accident which, Marrell charged, was Goodrich's fault.

Vacant Chair at Kempton's Commencement Exercises

Kempton, June 1—(RN Special)—A vacant chair was placed on the stage at the high school auditorium here as commencement exercises for 31 seniors were held Friday evening.

The 32nd chair was for Bruce Minor, popular student and athlete who died on Nov. 16, 1936, a victim of infantile paralysis. His parents, Mr. and Mrs. Fred Minor, presented the class with a basket of roses in his memory. The rose is the class flower.

Diplomas were awarded the graduates by E. K. Butte, president of the board of education, and the principal address was by Dr. W. M. Parham of the University of Illinois whose subject was "Education for Maturity."

ALL ALONE

Charles P. Livingston, 64, South Harrison avenue, almost 77 years of age and the last survivor of the regiment, was the only veteran of the war between the states who participated in yesterday's Memorial day services. Feeble and gray, but mentally active, he attended the union memorial services on the courthouse lawn and rode in the parade.

Canadian Nuns Will Operate Orphanage Under Fortin Will

The Grey Nuns, Roman Catholic order which has its headquarters in Montreal, has accepted the charge of operating the Albert Fortin home for orphans when it is established in Woodlawn near Bradley.

This was reported today by attorney Eugene LaMare upon his return from Canada where he delivered to the religious organization the post given in the will of Albert Fortin of Kankakee who died several months ago.

The bulk of the \$500,000 Fortin estate is set aside in his will for the establishment and maintenance of the orphanage.

Peacemaker Hurt in Family Quarrel

When Jimmy Daniels, colored, of 604 North Evergreen avenue, tried to stop a family quarrel between Eddie Holmes and his wife on Sunday afternoon he received a slash from the top of his head to one ear.

The wound was inflicted by Holmes, also colored, who wielded a butcher knife on Daniels because he intruded. Police picked up Holmes but he was later released when Daniels refused to prosecute.

NEW HAMPSHIRE MAN IS ON TARIFF COMMISSION

Washington, June 1—(AP)—President Roosevelt nominated Raymond B. Stevens, of New Hampshire, today to the tariff commission several months ago to work on the president's governmental reorganization proposal.

The salutatory, "Today is Ours," special awards were presented by Principal W. F. Judkins, as follows: Margaret Warren, PTA cup for best all around girl student; LeRoy Zimmerman, Home Bureau cup for best all around boy student; Francis Kanne, Judkins Citizenship cup; Irene Wagner, Balfour plaque. Perfect attendance records were made by Florence Bruner, LaVerne Cannon, Doris Jensen, Noreen Donovan, Mardelle Nelson, and Robert Pefferman.

Athletic awards for girls went to Velda Essington, Florence Bruner, Doris Jensen, Shirley Hatch, Shirley Fries, Elaine Essington, Marjorie Peterson, Veronica Cleary and Dorothy Essington.

FEW GATHER TO HONOR DEAD ON MEMORIAL DAY

Lone Survivor of
G. A. R. Mourns
Comrades.

HOLD PARADE

Yesterday was again the occasion for a reverent roll call of the nation's war dead who called Kankakee their home, as part of the annual Memorial day observance.

As always, it was not the general public that was a speaker said, "inherits the rich results of their deeds" who gather in solemn tribute around their last resting places and bedecked their graves with flags and flowers.

Rather, those who did them honor are of the comparatively small groups of their comrades in the nation's defense whose ranks, even those of wars more recent than the great conflict between the north and the south, are fast thinning.

For the most part, those who joined with them are those loyally affiliated with their organizations.

1937 DEATHS

Veterans of the nation's wars who have died since the preceding Memorial day and whose names were read in yesterday's exercises are as follows:

Civil war—George A. Walters, H. O. White and Joseph Thys. Spanish-American war—Charles J. Johnson, John W. Owen, S. J. Bradley, World war—Edward Caron, Albert J. Christiansen, the Rev. Harris A. Darche, Philip Daillio, Frederick E. Flessner, George H. Fletcher, Henry Gierke, Anthony Jonas, Reynolds Luth.

Many View Parade
For the most spectacular parade with its marching units, martial music, showy uniforms and flying banners, thousands gathered and waited patiently to watch.

There was but one mournful note in this otherwise colorful and noisy procession—the fact that there was but one veteran of the war between the states to join in the lonely relic of a once gallant legion is Charles Livingston of Kankakee, the sole survivor of his regiment, feeble and gray, soon to reach his 97th birthday.

The weather for Memorial day was ideal. The warm sun, in an almost cloudless sky, cast welcome shade even in early morning at the gravesides in the flower-strewn and flag-draped cemeteries.

After the big parade at noon the city seemed almost deserted in contrast. Business and industry had halted for the day and there was little activity downtown.

Many Kankakeans observed Memorial day at home.

Conclude Inquest Into Child's Death

The death Saturday morning at St. Mary's hospital of Alice Rose Mullikin, 12, of Limestone township was due to peritonitis caused by an infection from a penetrating wound in the bowel.

This was decided by an inquest jury impaneled Saturday morning by Coroner A. E. Kerger.

The testimony was that last Wednesday the girl sat upon an iron stake in the yard at her home, the stake being covered by an inverted can. The stake, it was said, penetrated the bottom of the can and entered her body.

It was said at the inquest that the portion of the intestine which was injured could not be repaired through an operation.

Drag River After Human Hair Found

The belief that a body was submerged in the Kankakee river on the west side of the stream at Bird park area Sunday afternoon when a snarl of what appeared to be human hair was snagged by the hook of a fisherman.

Coroner A. E. Kerger was notified and he called for the fire department rescue boat from which Firemen Harry Holtz and Oscar Niemeyer dragged the bottom in the vicinity of where the discovery was made, but without results.

The hair was snagged by Roy Meyers of Peoria, formerly of Kankakee.

NO FATALITIES DESPITE HEAVY TRAFFIC HERE

Six Persons Hurt,
None Seriously,
on Holiday.

Six persons were hurt in automobile accidents over the double holiday in this area, but none of the injuries was regarded as critical. Several had left St. Mary hospital this morning.

Apparently the most seriously hurt was F. R. Seehafer, 56, of Chicago, who sustained a fractured arm when the car in which he was riding sideswiped another on route 45 at 11:30 o'clock last evening. Seehafer was riding with Griffin Owen, 24, of St. Louis who was headed south on the highway. Their auto was wrecked when it sideswiped one driven by Clarence W. Lee of Strawn, headed in the opposite direction.

Three Morocco, Ind., young people sustained cuts and contusions and were badly shaken up when their car crashed into a telephone pole at 2 a. m. Sunday as they failed to complete the sharp turn at Kinney's corner on the Dixie highway near Mokena.

An ambulance removed Arthur Derflinger, 22, Robert Geller, 18, and Lorraine Schultz, 18, to the hospital here. Geller left the institution this morning.

Mrs. Fern Davidson, 32, of Mt. Vernon, Ill., suffered only minor cuts and bruises when the car in which she was riding turned over while traveling at a high rate of speed on route 45 south of Kankakee.

Auto Hits Child
Annie Borrelli, 6, of 442 North Green, was struck by an auto when she ran out into the street near her home at 10:20 o'clock Monday morning, but she was not hurt badly, according to witnesses.

The auto was driven by W. H. Ebeling of 443 North Evergreen avenue.

Other minor crashes involved autos of H. C. Green, 148 Albert avenue and Sam Tuccoli of Chicago at Washington and Station streets; Ray Bissonnette, 281 South Third avenue and Erwin Arthur of Bonfield at Station and East avenues; Carl Green, Chicago, and Janice Dahling, 441 North Illinois avenue.

Traffic through Kankakee yesterday was the heaviest it has ever been in the memory of the present police force. With vehicles lined up almost bumper to bumper north of

Burns Speaks at Aroma Park Church

The need for preparedness to prevent future armed conflict stressed by Attorney James T. Burns who was the principal speaker at Memorial day services in the Aroma Park Methodist church.

If the United States is to remain neutral, it will be necessary for the nation to be prepared for conflict, carry a big stick and speak softly, he asserted.

The graves of the war dead were decorated by the children of the village in the morning and the Rev. Harry S. Crede spoke at Memorial day at the morning church service.

In the afternoon program, the roll call was read by Wesley Scott, Supervisor Owen L. Day recited the Gettysburg address and John Swan led community singing.

Services in the evening were also dedicated to the deceased soldiers with special talks by Mrs. Bert Fowler, Mrs. William Gray and George Dandurand.

HIGH SCHOOL BAND IN MEMORIAL DAY PARADE

The Kankakee high school band assisted in yesterday's annual memorial exercises by leading the noon-time parade which attracted thousands of people along the streets in the business district. Farther along in the procession was the famous American Legion drum and bugle corps. The above photo shows the parade on Court street.

Manteno Man Is Drowned At Mattoon

Charles Schlutz, 27, of Chicago, formerly of Manteno and a former member of St. Paul Lutheran church of Kankakee, drowned yesterday afternoon while swimming in a pool at Mattoon.

Funeral services will be conducted Thursday afternoon at 2 o'clock at the W. H. Son funeral chapel at Manteno by the Rev. Carl P. Haller of Kankakee, followed by burial in St. Paul Lutheran cemetery at Beecher.

He is survived by sisters Mrs. Evelyn Schmidt and Katherine Schlutz and brothers Reuben and John.

After the death of his parents Mr. and Mrs. John Schlutz, within a 10 day period in the summer of 1933, he and his brother John carried on with the farm near Manteno, then he was employed by an implement firm in Manteno. He found employment in Chicago last year.

He was confirmed as a member of St. Paul Lutheran church in 1924.

House Votes to Override a Veto of Veterans' Bill

Washington, June 1—(AP)—The house voted today to override President Roosevelt's veto of a bill to extend the time in which war veterans may renew their war risk term insurance policies.

Chairman Rankin (D-Miss.) of the world war veterans' committee, declared failure to pass the measure of checks was thumbed through, but left behind. Today Sheriff Phil Ryan was examining the checks for finger prints.

Entrance was through a basement window in the rear.

The chief executive in a veto message Friday, stated he did not believe the extension—which would be the fourth since the war—was "warranted, or ultimately will prove profitable to the individuals concerned."

Huge leaders said it was the first time the house had voted to pass a bill over presidential objection since it overrode Mr. Roosevelt on the bonus bill over a year ago.

Blind Man Chief Justice in State

Springfield, Ill., June 1—(P)—The Illinois supreme court convened today with a blind man—Paul Farthing of East St. Louis—presiding as chief justice.

Court attaches said it was the first time in the history of Illinois, and possibly the first time in the United States, that a blind judge has presided over a court of final appeal.

Blind since a boyhood hunting accident, Farthing has been on the supreme bench since 1933. With the convening of the June term, he became chief justice for the next year on the court's regular rotation of the honor.

FISHERMEN ARRESTED
Two Chicago fishermen, James Ketner, 28, and William Steffan, 21, were arrested yesterday by Joseph Benjamin, special deputy sworn in quest of the Sportsman's club, for catching bass out of season. They were fined \$25 and costs by Justice of the Peace Henry Bauer but the fines were remitted when they pleaded ignorance of the fishing laws.

Watseka Thieves Take \$250 "Cold" Cash From Store

Watseka, June 1—(RN Special)—A thief or thieves who apparently knew the hiding place of money robbed the West End market here Monday afternoon.

From the hiding place in the icebox, \$250 was taken. A bundle of checks was thumbed through, but left behind. Today Sheriff Phil Ryan was examining the checks for finger prints.

Entrance was through a basement window in the rear.

Must Get Licenses for Electrical Work

No further inspection of electrical improvements in the city will be made unless those firms making changes take out licenses for such work. City Electrician Morey Van Meter warned today.

Applications for permits were due on May 1, he said, and no further period of grace will be allowed. Those who make changes or additions in their wiring systems must take out permits of \$5 to \$25 for each of these.

Peace is Memorial Theme in Church Services Sunday

"Our Covenant With Our Dead," was the subject of a sermon by the Rev. Arnold Kusee, pastor of First Baptist church, as a part of special memorial services in his church Sunday morning.

Declaring that true patriotism demands that all war be forever banished, the speaker said: "We must recognize the futility of all war. The wholesale slaughter of men settles nothing, except that one of the warring nations is richer in men or treasure than the other."

"If by and through public opinion and education we can perpetuate war, by and through public opinion we can prevent war. Let us firmly resolve that we will follow peace and not war, that the Christ of Peace shall reign in our hearts and homes and schools."

SLIM AVIATRIX STARTS SECOND WORLD ATTEMPT

Flies From Miami to
San Juan, Puerto
Rico Today.

SOUTH ATLANTIC

BULLETIN
San Juan, Puerto Rico, June 1—(AP)—Amelia Earhart landed at San Juan at 12:30 p. m. (est) today on the first ocean hop of her proposed "just for fun" flight around the world.

Miss Earhart, flying at a pace she called leisurely, completed the 1,633 miles from Miami in 7 hours and 33 minutes.

Miami, Fla., June 1—(P)—Amelia Earhart took off for San Juan, Puerto Rico, at 4:57 a. m. (est) today on a second attempt to fly around the world "just for fun."

The slim aviatrix waved a bare arm in farewell and then gunned the big, twin-motored monoplane some 2,200 feet along the runway before she lifted it easily into the brilliant tropical dawn.

Just before the takeoff, her husband, George Palmer Putnam, leaned into the cockpit to kiss her good-bye and shake hands with her navigator, Captain Fred Noonan, who is to accompany her on the 28,000-mile west-to-east journey.

The blonde aviatrix, in plaid shirt and tan slacks, exuded confidence and smiles but Putnam, after leaving her side, paced nervously back and forth along a balcony until her ship got off the field. With her was son David, and the

Putnam planned to remain in Miami until his wife reaches Natal, Brazil, her jumping-off place for Africa. A commercial airline (Pan American) will monitor her flight over its regular route to South America and expects to have reports on her progress.

Miss Earhart planned to cruise the 1,033 miles to San Juan at a leisurely 150 miles an hour to test her plane further and said she would return to Miami if anything went amiss.

—Municipal Airport, Miami, Fla., June 1—(UP)—Amelia Earhart shot her twin-motored monoplane toward San Juan, Puerto Rico, today on a second attempted flight around the world.

The boyish-looking flier put her \$80,000 ship through a dawn test of nearly an hour, checking the motors and instruments before deciding to launch the 28,000-mile trip scheduled to terminate at Oakland, Calif.

On Her Way
Miss Earhart lifted off and halted her first attempt to circle the globe, from the runways at municipal airport at 4:56 a. m. (est).

Child Near Death in Fall Off Ladder

Bobby, 3-year old son of Mr. and Mrs. Theodore Wadleigh of Herscher suffered a slight concussion of the brain this morning when he fell from a ladder in the corn crib of his father's farm.

Unconscious, he was taken to the office of Dr. E. W. Wadsworth in Herscher, then removed to St. Mary hospital.

The service was attended by representatives of patriotic organizations of the city and by the Veterans of Foreign Wars post in a body.

TRUCE PARLEY ENDS; 67 WILL FACE CHARGES

Five Dead and Many Injured in Riots at Steel Plant.

SOUTH CHICAGO

By BOYD LEWIS
United Press Staff Correspondent
Chicago, June 1.—(UP)—An unofficial peace rode today in the wake of the Chicago steel riots. Five were dead, and 97, including 22 police, were recovering from injuries. Strikers insisted the police officers who fired fatal shots into their ranks before the Republic Steel company gates be charged with murder. Police announced the 67 men and women snatched from the 1,500 whom they battled with tear gas, revolvers and riot sticks would be charged with intent to commit an illegal act.

A closed conference in which both sides appeared to give vent to the bitter feeling which culminated in Sunday's bloodshed brought promises of a curb on violence.

"I have obtained new assurances from all parties concerned that no provocative acts will be permitted," Gov. Henry Horner of Illinois announced.

Peaceful Picketing
"Peaceful picketing will be permitted."

"There will be no martial law unless Chicago city police prove unable to preserve law and order."

The let-down from violence bore no promise of settlement of the strike called by the steel workers organizing committee in northern plants of the Republic Steel corp., Youngstown Steel corp., and Youngstown Sheet and Tube company in Illinois, Indiana, Ohio, New York and Michigan.

"You can mark it down that this strike isn't going to end until an agreement is signed," Van A. Bittner, S. W. O. C. regional director, announced. "As far as results are concerned, the conference wasn't worth a damn."

The S. W. O. C. demands a signed agreement of recognition by the three independents.

Bittner said the avowed attitude of Republic Steel, only affected concern attempting to operate in defiance of the strike, was that it would not sign an agreement with S. W. O. C. even if the National Labor Relations board found a majority of its workers wished to be represented by the C. I. O. affiliate. Company officials declined comment.

Developments in Prospect
1. Marshall A. Peplin, attorney for the Independent United Steel Workers of America, announced he would have a formal statement showing his union has enrolled a majority of the 2,300 normally employed in Republic's South Chicago plant. It is not a company union, he said.

2. Bittner promised a statement today possibly recapitulating S. W. O. C. demands, policies and plans.

3. Robert Pilkington, federal labor conciliator, said he would investigate the situation further for N. L. R. B. and then would call another conference to seek settlement. The conference may not be for several days, he indicated.

4. Strikers announced they would take advantage of the peaceful picketing agreement to enlarge their picket lines in South Chicago.

There was no agreement as to number of pickets to be permitted. Chicago police twice have dispersed

strikers gatherings to enforce their own rule against "mass picketing."

In Buffalo, N. Y., Republic officials said 20 of their "loyal" employees had received death threats, which would be investigated by police.

Charge "Military Invasion"
In Cleveland Republic charged picketing of its plants was "military invasion," that "practically" all of the men who fought South Chicago police Sunday "were not and never had been employed by Republic."

Chicago police charged that in the strikers' parade Sunday were many employees from the Inland and Youngstown plants which have been shut down in nearby Indiana Harbor, Ind.

Republic announced in Cleveland that its plants were operating at 40 per cent capacity. It is continuing to operate plants in Warren, Canton, Buffalo, Kiles, and Chicago, it said.

At Warren O., a Republic spokesman charged pickets had fired shots at airplanes carrying food to strike-bound workers.

In Monroe, Mich., 400 members of the Newton Steel Workers association decided to petition the N. L. R. B. today for a representation election among workers of the Newton Steel company, Republic subsidiary. The association was

represents a majority of Newton employees.

The Chicago front meantime remained quiet. Police said they sought two men who were among Sunday's striker group and who they said fired the first shots in the massed assault. Police fired only to protect themselves, Supervising Capt. John Prendergast said.

Strikers abandoned plans for any marches on the plant. At a mass meeting Sunday, dedicated by Bittner to "those who have suffered in industrial strife," strikers were warned they would be "shot down like dogs" if they again approached the plant in massed formation.

Nicholas Pontecio, Calumet district S. W. O. C. organizer, called the meeting silent for a minute of prayer for the dead and injured.

Strikers sang, to the tune of "John Brown's Body":

"We'll hang Tom Girdler to a sour apple tree."

Get the EXTRA Jacket and you get truly FRESH cigarettes

Most Cigarettes give you this single jacket

..... it opens at the Top

... but Old Gold gives you this EXTRA jacket

..... it opens at the BOTTOM

A PACK of Double-Mellow OLD GOLDS is worth a minute's study. This pack comes wrapped with an EXTRA jacket of Cellophane. It's wrapped double... two jackets instead of one. But that's not all.

Notice how scientifically the two Cellophane jackets are combined... so that one jacket seals the top of the pack and the other seals the bottom. No open seams anywhere... A weather-tight, climate-proof package.

It's a miracle-worker, this package! It brings you FRESH cigarettes wherever you buy them. Whether the climate is high and dry. Whether the climate is damp and muggy.

You never find a pack of Double-Mellow OLD GOLDS all dried out by heat nor bloated to the point of soggy by excessive moisture.

Stale cigarettes are tongue-burners and throat-stingers. But FRESH cigarettes—

those fresh, Double-Mellow OLD GOLDS—are a delight from morning to night.

Demand Double-Mellow OLD GOLDS for FRESHNESS. For the rich pleasure of the world's choicest prize crop tobaccos. For wholesomeness. For the true thrill of true quality, the finest domestic and Turkish tobaccos money can buy.

night were Bittner, Prendergast, Pilkington, Pipin, James L. Hyland, Republic's western manager, Warren Canada, assistant U. S. district attorney, Martin Durkin, Illinois state labor department conciliator, Thomas Veech, Republic company attorney, and Joseph Foss, Republic public relations counsel.

Repeatedly, as in the two-and-one-half hour conference Sunday night, loud and angry voices could be heard plainly through the door of the governor's suite. At one time it appeared that Bittner and Hyland were arguing bitterly. Bittner was charging that Republic attempted to use company police to influence the C. I. O. vote in N. L. R. B. elections at the Pittsburgh plant of the Jones and Laughlin Steel company. Hyland denied it. C. I. O. won the election.

Horner announced after adjournment he would be available for another conference "whenever the parties concerned are ready to call one."

Joseph Rothmund, 40, Chicago, fifth victim of the clash, died yesterday. Only two others have been identified positively. Kenneth Reed, 23, Hammond, Ind., and Alfred Cassey, 43, Hammond. A fourth was identified tentatively as Sam Popovich, Indiana Harbor.

Of the 32 wounded strikers still in hospitals, 17 were described as in serious condition. One policeman, Patrolman Elmer Kirk, was said to be in serious condition.

THE HOME DECORATOR

F. W. Swannell

Watch Your Windows.

Windows are fun to dress. Of course, you'll probably drag your husband from his paper long enough to hang them for you, but the fun is yours... the planning, the shopping for material, and the draping itself. There are so many things you can do to them, and they are conspicuous places in your home where you can really let yourself go as to originality.

For rooms that are really Victorian nothing is more charming against light walls than deep mohair curtains with tasseled fringe, draped to the side and with a fairly deep valance. Beneath these, sheer net glass curtains and a plain shade, wall color. For parlor windows in a simple room, particularly a low room, it's well to have perfectly straight drapes, floor length, no valance. Pull them over just as far as you can beyond the window width. It'll make the window appear much larger than it really is.

It depends upon the material you use, of course, just how you'll treat your drapes. Homespun material and heavy cotton or linens really call for box-pleating. Silks are grand and lend themselves to accordion pleating, shirring and gathers. Chintz is always nice, simply gathered on the drapes and draped to the sides. And your furnishings, of course, condition the type of material for your windows. The man's den would naturally call for a heavy material and perfectly plain treatment. The daughter's room for frilly curtains and gay chintz. The formal living room, heavy silks, damask or the like. Cottons

for the very informal dining room, or chintz, perhaps. And here's something new: Plain striped bed ticking is being used a great deal in simple bedroom settings.

Perhaps if you have too many windows in your bedroom you could use one as a background for your dressing table. Soft net curtains, a quilted satin drapery and valance, floor length and pulled to the side, the same quilted material for the dressing table skirt and you've really a most charming effect. But what— you do, make your windows more than mere spaces from which to view the street. Make them the pleasant framework they should be for the pictures you see through those windows.
