## Lutheran-Greek Game Ends In 7-7 Deadlock

### Catching a Few Off First:

By ORREN ALLAN

It's Friday the 13th and here are a few superstitions among sports figures—Frank Frisch, who is said to be a bad omen for pitchers, and Lou Gehrig, who is said to be a good omen for batters. New shoes are the dread of all athletes, and the handsome Republican-Newspaper trophy that goes therewith, ended in a 7-7 deadlock.

The all-important Church league softball game between the Lutheran and Greek at Second park Thursday evening for the second half championship of the league and the right to play St. Rose, first half titleholder, next week for the league crown and the handsome Republican-Newspaper trophy that goes therewith, ended in a 7-7 deadlock.

The game was a thriller from start to finish. The Lutheran team, managed by Ed. St. Rose, first half titleholder, next week for the league crown and the handsome Republican-Newspaper trophy that goes therewith, ended in a 7-7 deadlock.

Good pitching and fine catching in addition to timely hitting of the ball marked the contest. The two clubs were tied at the end of the first half, with records of 7 wins and a loss apiece, while St. Rose, after sweeping the first half crown, is down in fourth place.

The split schedule allows that each half winner meet at the conclusion of the season in a best-two-out-of-three series for the ultimate championship of the Lutheran-Greek trophy, and the pennant given the winner by the league.

The independent league of the West Side Boosters have sewed up the championship by taking an easy victory in the first half of the season, and have followed by a 7-0 victory in the second half, thereby becoming the league champion for the season.

Don Erickson, shown putting, equaled a 15-year-old record in the national public links honors at the 1937 Open at Pebble Beach, Calif. The 35-year-old golf company employee of Kankakee, Ill., is the first of the first putters among far western pay-as-you-play players.
