FARMER-LABOR

BULLETIN
Minneapolis, June 21—(AP)—Returns from 2,140 precincts of 3-739 in Minnesota, for governor, gave:
Farmer-Labor: Benson 134,831; Petersen 129,479.
Republican: Leach 38,143; Nelson 42,013; Northrop 2,047; Stassen 75,243.
Democrat: J. Anderson 2,090; V. Anderson 5,565; Gallagher, 14-412; Lethert 3,811; Murray 11,173; Schlipf 11,531.

Minneapolis, June 21—(AP)—Gov. Elmer A. Benson, Minnesota, pushed ahead of his challenger, Hjalmar Petersen, for the Farmer-Labor nomination in Monday's primary election as additional returns were compiled today. The lead had changed hands frequently.

Benson had a 4,438 lead on the basis of 1,641 of 3,739 precincts in the state. Petersen's margin, built up with rural votes, was slashed heavily when a batch of ballots came in from Hennepin county (Minneapolis), Benson stronghold. The vote, with about half the precincts reported, was: Benson 109,188; Petersen 104,750.

The Farmer-Labor race overshadowed the Republican and Democratic contests. Harold Stassen, Republican, and Thomas Gallagher, Democrat, both young lawyers, led their respective fields.

In the Republican column, where the total vote of the four candidates was 97,000 in 1,249 precincts, as compared with 163,000 for the Farmer-Labor candidates, the vote stood:
Stassen 47,362; Martin Nelson 25,396; Mayor George Leach of Minneapolis 23,207; Hanson Northrop 1,439.

The Democratic vote for governor, in 1,249 precincts was:
Gallagher 9,227; Fred Schlipf 7,757; Michael Murray 6,872; Victor Anderson 3,465; Charles Lethert 2,118; and Joel Anderson, 1,272.

Although the national administration kept out of the campaign, President Roosevelt recently had approved the ouster of Victor

Free Tomatoes for Relief Clients

The Kankakee commodity depot today announced the arrival of 20,000 pounds of fresh tomatoes, to be placed at once to relief clients and recipients of old age pensions.

Persons of Kankakee and Limestone townships eligible to receive supplies are to call at the depot. Deliveries will be made to the other townships.

Erwin Grey is Kiwanis Golf Champ

Erwin Grey, 825 South Elm avenue, yesterday won the golf championship of the Kiwanis club in the annual tournament played at the country club.

He shot a 41 and a 41, while his handicap of 13 gave him a net score of 69. Carl Zeller was second with a net score of 70, having shot 92.

The low gross prize went to Arthur L. Beckman, whose score was 36-44. Warren Hickox won the blind bogey prize.

Numerous members of the club participated in the tournament and guests were present from Joliet, Rockland and Chicago clubs.

The Kiwanis weekly meeting was held last evening in the clubhouse, with the dinner being followed by an entertainment program. Fred Witter, chairman of the golf committee, presented the tournament prizes. Vernon McBroom, past president, presided over the meeting in the absence of President J. E. Allison, who are attending the international Kiwanis convention in San Francisco.

The entertainment program, with W. A. Schneider in charge, consisted of a performance in magic by Ed Reno and a ventriloquist act by Fred VanDerAue.

Here Tomorrow

Miss Freda Peterson, specialist in nutrition and health of the University of Illinois, will speak at the annual meeting of the Kankakee County Home Bureau tomorrow at Trinity Methodist church. She will speak on "Home-making in the Northland."

Stock Market Shows Gains; Some Issues

New York, June 21—(AP)—The stock market, despite upward pressure, ended with gains of fractions to \$3 or more general throughout the list. Steels, motors, retail stores, farm implements, aircraft, oil, utilities, rails and metals all joined in the advance, which was attributed to better sentiment concerning the business outlook, and expectations the government's lend-lease program might take hold quicker than had been anticipated, and stimulate trade improvement.

Some leaders gained \$5. Allied Chemical was up \$10 at one time. Near the close Eastman Kodak was \$25 ahead, Johns-Manville \$425, U. S. Rubber \$250, Atchafalpa \$150, U. S. Steel \$112, and Standard Oil of New Jersey \$112.

Gold stocks alone were weak, with homestake in the final hour off \$350, dome down \$150 and McIntyre off 50 cents. Depressing the golds was Secretary Morgenthau's statement no dollar devaluation had been anticipated, and stimulate trade improvement.

Profit-takers cashing in on yesterday's gains put a restraint on advancing prices for a time shortly after the opening, but shares didn't hesitate long. Buyers gobbled up offerings, sellers vanished, and the general market went on its way toward higher ground for the second day in succession.

Transactions were at the rate of better than 1,400,000 shares, the second more-than-a-million day in a row.

Bonds were strong. Some commodities tilted upward with the share market.

Plan Another Air Show This Season

That another air and ground show, similar to that held last Sunday at the Kankakee airport, is being planned was announced today by the airport management. The date has not yet been announced.

It was said that the attendance on Sunday was the largest ever assembled at the local airport and included 6,000 paid customers.

Many persons were turned away. It was said, for lack of parking space. Over 500 people purchased airplane rides over the city.

Melvin Miles Sues
Wife for Divorce

A suit for divorce was filed today by Melvin Miles of Kankakee vs. Mrs. Blanche Miles, now of Jonesboro, Ill. Desertion alleged.

The couple were married in 1905, lived together until 1928 and have a married daughter.

The husband is represented by Attorney E. P. Drolet.

Athens, June 21—(AP)—A severe earthquake shook parts of Greece today.

Old buildings collapsed at Galaxidi, on the Gulf of Corinth, 100 miles west-northwest of Athens.

NEGROBOY SHOT BY POLICEMAN WILL SUE CITY

Aldermen Receive
Notice of Suit
at Meeting
2 ORDINANCES

The city council last night received formal notice to the effect that a suit for damages against the city is being contemplated by John Griffin, 15-year old colored boy of 943 North Waldwood avenue.

The boy was shot the evening of last Jan. 19 by Police Officer Bert Reynolds and for a time was in a critical condition in St. Mary hospital.

It was charged that Griffin and Willie Johnson, another colored boy of 756 North Evergreen avenue, were stealing coal from a car on the sidewalk of the Dulles Coal company, 802 East Birch street.

The boy, according to the officer's story, fled when the officer appeared. He commanded them to stop, he said, and when they did not he fired two shots, one into the air and another into the ground. He said the second shot ricocheted and struck Griffin.

Father Brings Suit
Notice of the impending suit was given to the city councilmen by Arthur Griffin, father of the boy and for legal purposes, his "next friend" since the boy is a minor.

The council passed two ordinances. The first is the annual appropriation of \$10,000 for the operation of the city. The second is an ordinance extending the fire limits to include the property at the southeastern corner of Indiana avenue and Oak street which is being converted from residence to business property.

To fill vacancies on the zoning board of appeals, Mayor A. F. Hattenburg appointed Allen Cooper, 229 Orchard avenue, and Paul Marcotte, 450 South Schuyler avenue. On the sewer board he appointed J. W. Spillane, 819 South Washington avenue, and all the appointments were approved by the council.

Build New Home
A request by Mr. and Mrs. R. H. Arthur for permission to build a new home in the 200 block of West Bourbonnais street was referred to the zoning board.

Notice from the park board that the middle drive in Riverview park, administered by the city, is in need of repairs was referred to the street and ally committee.

A report that "now that summer is here the people around Waterman park will be bothered all summer by loudspeakers in the park" was made by Alderman Clarence A. Sandborn, who asked if the anti-loudspeaker ordinance applies to residents.

Police Searching for Watseka Youth

Watska, June 21—(RN Special)—When Claude Griffith, 16, ran away from his home here early this morning, he may have had the idea of going on the stage.

He and his sister Mary have made numerous appearances locally as acrobatic dancers.

At the request of his parents, Mr. and Mrs. Roy Griffith, an order that police watch for him has been broadcast from the state broadcasting station at Pontiac.

Investigation of Traffic in Opium Demanded Today

Geneva, June 21—(AP)—An early investigation of reports that Japanese are involved in wholesale traffic in opium between Iran and China was demanded today by Stuart J. Fuller, United States representative on the League of Nations opium advisory committee.

Fuller said he had information that an armed Japanese vessel reached Macao, Portuguese colony off the south China coast, from Iran about April 3, carrying over 2,000 chests of raw Iranian opium. He said a large part of this was shipped later to Japanese consignees in Shanghai.

He asked the Iranian and Japanese members of the committee, now in session here, to request their governments to investigate his information immediately on the ground that the reported shipments were in violation of the narcotics limitation convention of 1931.

JAPANESE ARMY BOGGED IN MUD IN FLOOD AREA

Chinese Strengthen
Defenses About
Hankow

Shanghai, June 21—(AP)—China reorganized and strengthened Hankow's defenses today while Japan's offensive against the temporary capital remained stuck in the mud by the spreading flood of the Yellow river.

Every day's delay to the Japanese, the Chinese high command said, has been used to bolster strategic points blocking what is expected to be Japan's line of attack deeper into China's heart.

They said Chinese lines now were virtually prepared to withstand any onslaught while Japan's mechanized army still was bogged in the mire of the flooded battlefields and her air squadrons were grounded by rain.

Sixty new divisions, numbering about 500,000 men, were said to have been prepared to take up positions in Hankow's last line of defense.

Delay Is Helpful
The unexpected delay also was vitally helpful, Chinese declared, in assembling large number of planes from Soviet Russia and elsewhere, 1,200 Russian tanks, 380 Russian guns and 300 other guns.

Blocked by the floods, the Japanese were reported in a great retreat from the Honan province front where, two weeks ago, wavering Chinese resistance placed Chengchow, junction of the north-south Peiping-Hankow and east-west Lungai railroads, in peril of capture.

Chinese sources said the invading forces were dividing into two armies. One, they said, apparently would join the Yangtze river offensive against Hankow and the other would attempt a new campaign against the Chinese Communist stronghold in Shensi province in the northwest.

Attackers of Women Sentenced to Pen

Chicago, June 21—(AP)—In less than 20 minutes Louis Serraille was convicted today of assault to kill a woman with a hammer and was sentenced to one to 14 years in prison.

He had repudiated successfully a statement in which police said he admitted the assault, claiming it was wrong from him by brutality and duress. Judge Joseph Sabath barred the statement as evidence.

The state contended Serraille committed three separate attacks on women the night of May 15. He was tried on a charge of beating Mrs. Anna Underwood, 36, when she resisted his attempts to drag her into his automobile.

Appearing for the state were Miss Ethel Hanna, 19, who said Serraille struck her on the head with a hammer that same night, and Mrs. Virginia Davidson, 23, who said the defendant followed her home and seized her purse. Serraille denied all charges.

The jury deliberated 15 minutes. After sentence was passed, the state ordered Serraille to trial tomorrow on an assault to kill charge preferred by Miss Hanna.

Summer Arrives!
Mercury Up to 85

Today is the first day of summer, and the temperature had risen to 85 degrees at 9 o'clock this morning in celebration of the event. The temperature dropped slightly at noon.

Today is also the longest day of the year, and the ninth successive day without rain. The day is the longest because the sun, at 9:04 o'clock tonight, reaches the zenith of its trip northward, the beginning of the summer solstice.

May Add Another
St. Anne Service

The opening service of the perpetual novena to Our Sorrowful Mother at St. Anne Catholic church at St. Anne took place last Friday evening and was attended by a large crowd.

Because of the large number present and of the larger groups expected at future services, the pastor, the Rev. J. A. Dionne, expects to inaugurate a second service.

The service begins at 8 o'clock and includes prayers and congregational singing.

BRITAIN PUTS ON PRESSURE TO HALT WAR

Success Prospects
Depends on Work
of Committee
OF 27 NATIONS

London, June 21—(AP)—Delegates of Europe's major nations today agreed to send evacuation commissions to Spain in an effort to remove foreign troops from the 23-month-old civil war, and Britain strove to make this a means of obtaining a truce.

Prime Minister Neville Chamberlain, defending his government's failure to halt Spanish insurgent bombings of British vessels, indicated to the house of commons that an armistice was the only practical way to end "all these difficulties."

"All we can say," he went on, "is that we shall from time to time try and take some means with a view to seeing whether there are any favorable prospects of success and that when the time comes we shall be only too glad to offer our services, either alone or in conjunction with others, in bringing this lamentable conflict to an end."

Agreement on the evacuation commissions, feature of a revised British plan for withdrawing alien soldiers from Spain, was reached in a morning sitting of the chairman's sub-committee of the 27-nations non-intervention committee.

Even Soviet Russia, which hitherto had opposed evacuation commissions to the powers' search for a Spanish peace, bowed to the will of the other powers.

Preparing Notes
The sub-committee was to meet again late today. Meanwhile members worked on texts of notes to be sent to the Spanish government and the insurgent regime, seeking approval for the evacuation commissions' plan.

The British government exerted pressure on France and Italy, respectively friendly to the government and insurgent, to get a truce.

Shanahan Estate
is Held Liable
for Large Claim

Chicago, June 21—(AP)—The appellate court today held the estate of the late David E. Shanahan, veteran Illinois legislator, liable for a \$24,000 claim by an insolvent bank and ordered the case remanded with instructions that the widow, Mrs. Helen Shanahan, answer the creditor's petition for claims.

The case involved 240 shares of capital stock in the closed Central Manufacturing District bank. The original decision was by Circuit Judge Joseph Burke. The original suit was filed by the bank's receiver to enforce liability of the bank's stockholders.

Shanahan represented to the court that he was insolvent and unable to pay the full amount of his liability and that if a decree were entered against him it would be partly, if not wholly, uncollectible.

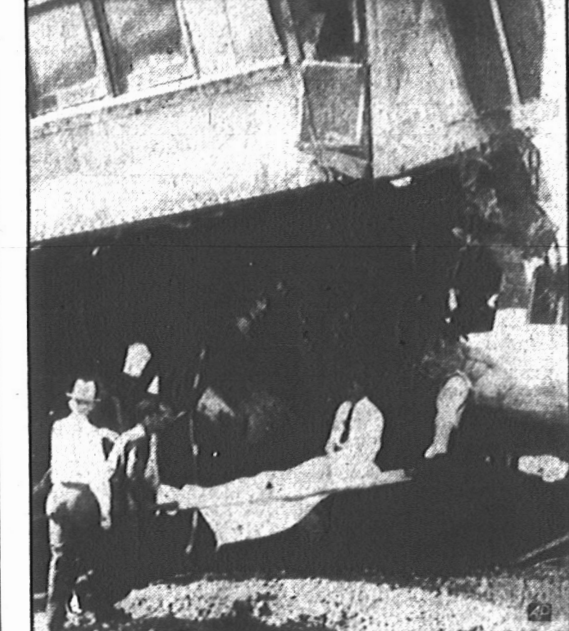

The court on July 28, 1933, approved a compromise by which Shanahan's liability to creditors was satisfied for \$6,300 and assignment of certain deposits in the bank aggregating \$7,200.

Violence Against Jews in Berlin is Ordered Halted

By EDWARD W. BEATTIE Jr.
Berlin, June 21—(UP)—The highest Nazi party quarters, it was revealed authoritatively today, have given orders that violence in the campaign against Jews must cease.

The police checkup of passports and general Jewish activities as well as the steady organization of German business under the economic ministry will continue, it was stated, but will be held within "orderly and legal channels."

Best-informed Nazi quarters said the painting of Jewish shops and smashing of windows was independent action by certain party elements and not inspired by police.

The violence got out of hand, it was declared, leading to strict orders for a halt. It was not expected that disciplinary action against the party members responsible would go beyond a mild reprimand "because of the difficulty of establishing who committed the acts."

Nazi quarters admitted that the violence made difficult the program of "orderly Aryization" of German business. It was estimated that 40 to 50 Jewish shops, restaurants and cafes in Berlin had closed under the pressure of anti-Semitic violence.

Oil mixed with some smelly substance was smeared around the entrances and terraces of three well-known west end Jewish cafes, resulting in their temporary closing.

Simultaneously with the orders against violence, the Nazis relaxed existing stern orders affecting German Jews living abroad.

Many American Jews came under the decree of several weeks ago requiring all Jews, whether living in Germany or abroad, to register their property under penalty of a heavy fine. Jews were told they had to report their holdings by June 30.

Protests From Abroad
The decree brought protests from abroad, including one from United States Secretary of State Cordell Hull. The protest was never answered. Today, however, it was disclosed that the government has exempted all Jews of foreign citizenship from reporting their holdings in Germany unless they also live in Germany.

The decree, issued by Field Marshal Hermann W. Goering, the "economic dictator" of Germany, was re-worded to state that Jews must register German property only if they reside in Germany, irrespective of whether residence is temporary or permanent.

German Jews must register regardless of whether they live here or abroad. Those residing in other European countries have until July 31, and those living outside Europe, until Oct. 31. Those registering must personally ask for official form sheets at local police headquarters, while those abroad must obtain them from the Berlin police headquarters.

Wedded Nearly 20
Years, He Learns
Mate is Married

A suit for the annulment of a marriage was filed today by William Fountain of Kankakee versus Louise Fountain, now of Bradley. The plaintiff is represented by Attorney E. P. Drolet.

The complaint asserts that he and the defendant went through all the formalities of a marriage at Battle Creek, Mich., on Jan. 18, 1919 and lived together until last Sept. 15. There are no children.

Mr. Fountain has learned, he asserts, that at the time of the purported marriage the defendant had a husband living, not divorced, in Detroit.

Schuschnigg May Go
Into Exile in Italy

Vienna, June 21—(AP)—A high Austrian official said today that a gesture (state police) investigation of Kurt Schuschnigg was almost completed and that the former chancellor of Austria might be permitted soon to go into exile in Italy.

It was understood that Premier Mussolini was among a number of foreign statesmen who pleaded with Schuschnigg, who has been detained by Nazi authorities since the annexation of Austria March 13.

TOURIST CAR MAY CONTAIN MORE VICTIMS

Sleeper Jacked Up
But Sinks Again
in Sticky Silt
DISASTER HERO

Miles City, Mont., June 21—(AP)—With 31 already known dead, fatigue-worn searchers worked today to lift up again from the silt-coating bed of Custer Creek a tourist sleeper which railroad officials estimated contained 12 more victims of the nation's worst railroad tragedy in a decade.

Twenty-two of the 31 known victims were identified. The bodies of two unidentified women were taken last night from the sleeper which plunged with the Milwaukee railroad's crack "Olympian" train through a flood-weakened trestle early Sunday. Twelve other bodies were found earlier yesterday and a woman died in a hospital.

Sinks Into Silt
The sleeper, submerged nearly 30 hours by the cloud burst "flash flood" that filled Custer Creek with a torrent 20 feet deep, was jacked up on blocks after hours of slow toil last night, but suddenly the heavy steel car slipped loose and sank again into the sticky silt left in the stream's bed when the flood subsided yesterday.

Grimly, the 75 railroad workers and volunteers started their slow job again, working without rest through the night.

Meanwhile, railroad and government officials launched an investigation of the wreck.

All save one of the victims died instantly, officials said. Lucille Stumler, Volga, S. D. nurse, died last night at Holy Rosary hospital here. One other person, a train porter, was still in a serious condition in the hospital.

Of the 65 injured who were rushed to the 85-bed hospital here, nearly all were released after minor treatment.

Hero of Disaster
The outstanding hero of the disaster, Lewis Williams, Negro sleeping car porter, was pressing company officials for a new assignment. Credited with having saved at least 20 lives, he was fully recovered from his slight injuries and modestly dodging persons who wanted to praise him.

180 Chickens Burn on Aroma Park Farm

A hundred laying hens and 80 baby chicks burned to death in a fire last night on the Earl B. Kelly farm near Aroma Park.

A brooder stove exploded, scattering the flames over the brooder house and into the roosting section. The fire spread so fast that members of the family were unable to save the chickens.

Mr. Kelly's hands and arms were badly burned by the fire when he tried to rescue the chickens.

Homecoming For Bradley To Be July 31

At a large parish meeting held Monday night in St. Joseph hall the announcement was made for the annual homecoming of St. Joseph church, Bradley, by the pastor, the Rev. Raymond B. Bernau. The date set for the event is July 31.

Mrs. Rosella Allwine was appointed the new chairman of the dinner to succeed Mrs. Wilbur Davis. The chicken dinner will be served platter style this year, a change suggested by the committee last evening.

The heads for the various concessions are as follows: Linen Booth, the Daughters of Isabella; dinner, Mrs. Rosella Allwine, assisted by the St. Anne society; fish pond and candy, Our Lady Guild. Other chairmen are: Wilbur Davis, Mrs. Anna Goodrich, Mrs. Clarence Stoltz, Mrs. T. R. McCoy, Mrs. Selbert, Mrs. Amiot, Walter McGowan, Edward Wright, John Stefanki, Robert Boudreau, Thomas McAndrews, Francis Genotte, Bernette Roy, Francis Bray, Mrs. John Burke, Pete Martin, Joe Sovinski, Frank Fedritz, Charles Hassett, John Largent, John Hassett and John Lustig.

France Draws Up Elaborate Plans to Insure Safety of Visiting British Royalty

political agitation and fanaticism such as the Oustings which have been taken in this country in recent years.

This drive will start a few days before the arrival of King George and Queen Elizabeth of England at the end of June and is designed to sweep the city clean of any disturbing elements.

Reminiscing of the murder of President Paul Doumer in Paris in 1932 and the double assassination of King Alexander of Yugoslavia and French Minister Louis Barthou in Marseilles in 1934, French authorities are determined to take no chances.

Scotland Yard detectives are reported to have arrived in Chicago for the purpose of close collaboration with the Surete Nationale, International News Service.

Lists of suspects are at present getting ready lists of suspects who will be quietly removed from the scene before the king and queen arrive. A detective related.

Pierre Jacques Motenier, chief of the Surete Nationale, is in charge of the police work of ferreting out it.

Mother's Desire to Protect Baby Saves Her Life

Frame Switch, Tex. June 21.—(INS)—A mother who saved her life by protecting her baby from a fire, was today being hailed as a heroine.

The mother, Mrs. J. W. Smith, was at home with her baby when a fire broke out in the kitchen. She saw the flames and immediately picked up her baby and ran into the front yard.

The fire was caused by a gas stove which had been left on. The fire spread rapidly and threatened the house.

Mrs. Smith's quick action saved her life and the life of her baby. She was today being celebrated as a heroine.

OUR BOARDING HOUSE

Graduates Ban Caps and Gowns as Too Mournful

Montgomery, Ala. June 21.—(INS)—High school graduates here voted 115 to 51 against wearing caps and gowns at the June commencement exercises. The vote would convey a "mournful appearance."

Caps and gowns were worn here for the first time in 1937 and incurred disapproval of this year's class. The graduates felt that the traditional regalia was too mournful and that they should wear what they wished and wear their own colors.

EXPERTS' OPINION: UNBEATEN W.S. BOOSTERS WIN NINTH STRAIGHT 60 PER CENT IN FAVOR OF LOUIS KEEPING CROWN

GIANTS, CINCY REDLEGS START CRUCIAL SERIES

New York, June 21.—(UP)—Bill McKechnie brought his fast-pitch Cincinnati Reds to the Polo Grounds today for a three-game "crucial" series with the league-leading New York Giants.

The Reds, who have climbed from fifth place by winning 10 of their last 13 starts, can mount to the top of the National league heap by sweeping the three-game series. And the Reds seem to have the Indian sign on the Giants this year, having won six out of eight games with Cincinnati.

Cincinnati cut the Giants' leading margin down to 2½ games yesterday when they beat the Boston Bees 3-1 in a 13-inning pitchers' battle. For the first nine innings Ray (Peaches) Davis of the Reds and Lou Fette of the Bees duelled to a 1-1 deadlock. But Fette was lifted for a pinch-hitter and his successor, Johnny Lanning, could stand the pressure.

After hurling three hitless innings, Lanning was reached for a single in the 13th. Ival Goodman followed with a triple, and scored himself on McCormick's error.

Reds Gain Half Game

The victory allowed the Reds to gain a half-game on the idle Giants. Right behind the Reds, the Chicago Cubs kept pace with the leading by beating the Brooklyn Dodgers 5-1 as big Bill Lee scattered seven hits for his eighth victory.

Ripper Collins' homer with a mat on board in the fourth gave the Cubs enough to win. The Cubs are only 2½ games out of first place, but because of a difference in the number of games they've won, the Reds by a few percentage points. Chicago has won three more and lost three more than Cincinnati.

Those were the only games played in the National league and in the only American game, the New York Yankees beat the St. Louis Browns 4-4, their first victory in four starts. A 13-hit attack was climaxed by a five-run burst in the sixth in which Gehrig, Gordon and Chandler contributed home runs. Chandler contributed eight hits to score his sixth triumph. It moved the Yanks back into second place ahead of Boston.

Heien Jacobs Wins Today in England

Wimbledon, Eng., June 21.—(UP)—Despite the handicap of an arm injury, Helen Jacobs, former British and American titleholder, won the Wimbledon women's singles crown, her first since 1929, by defeating Mary Whitmarsh of England, 6-0, 6-1, in the first round of the all-England championships today.

Mrs. Jacobs, who has been suffering from an injury to her arm in her right arm, indicated she was recovering rapidly by the manner in which she disposed of Miss Whitmarsh.

The former champion abandoned her choppy forehand stroke to experiment with a flat drive which proved effective.

Dorothy May Bundy, young Californian who holds the Australian singles crown, won her first round match from Miss P. N. Morrison of Great Britain, 6-2, 6-2.

Antia Litana, the Chilean 11th seed, was eliminated by Mme. Rene Mathieu, veteran French champion, 6-4, 6-4, in the feature match of the first day.

MORE ARRESTS ARE EXPECTED IN SPY AFFAIR

Wider Inquiry Will Follow Indictment of Eighteen TO FACE PRISON

By JOSEPH L. MYLER
New York, June 21—(UP)—The U. S. district attorney's office and agents of the Federal Bureau of Investigation indicated today that more arrests and an even wider inquiry would follow the indictment of 18 Germans and German-Americans, two of them officials in the Reich war ministry, for alleged participation in a plot to steal America's defense secrets.

The breaking up of at least one branch of the spy ring and the designation, for the first time in the intricately developed investigation, of Germany as the foreign power engaged in seeking the military secrets of the United States, climaxed more than four months of intense inquiry.

That intensity, evident in the zeal with which Assistant U. S. District Attorney Lamar Hardy, the federal grand jurors and F. B. I. men worked on the case, supported the belief that the investigation was carried out with the approval of the administration at Washington. The state department is not expected to protest to the German government, even though the indictments handed down here yesterday carry charges of conspiracy against this government.

Face Prison Terms
State department officials said that if those tried are found guilty, they will be sentenced to prison under the civil jurisdiction of the federal courts. In time of war, such offenders would be shot.

Chief obstacle to any sweeping court procedure, however, was that all but four of those named in the true bills, are not in this country. Those four are under arrest, but the others are all assumed to be in Germany.

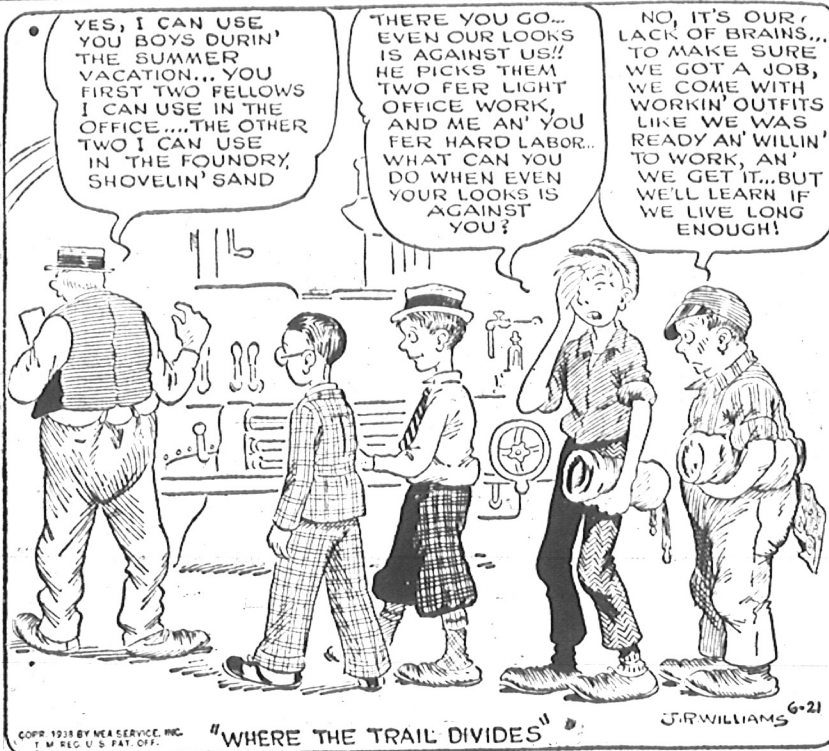

Yesterday's special grand jury action, although one of the most potentially grave international developments in American peace-time history, culminated only the first phase of the investigation into a foreign espionage group which began operating here about four years ago. Federal officials have not finished the job, it was known, and the still-current inquiry is expected to lead to equally important developments before the trial is begun.

Heading the list of the indicted were: Carlisle, the late U. S. ambassador in Berlin; Hermann Menzel, both in the espionage division of the German war ministry.

The others were:
William Lonkowski, secret operative

of the German government who was assigned to duty in the United States; he fled to Germany in 1935.

Dr. Ignatz T. Griebel, former Nazi party leader who developed a good medical practice in New York; he escaped to Germany on the liner Bremen after he was questioned by the grand jury.

Guenther Gustave Rumrich, former U. S. army sergeant and the first of the ring arrested.

Erich Glaser, former U. S. army private now held in \$25,000 bail.

Werner George Guendeburg, German government secret service agent who worked as a mechanic in several airplane factories here and escaped several weeks ago to Germany.

Johanna Hofmann, another of the defendants held in custody here; she was arrested aboard the Europa where she was employed as a hairdresser.

Herbert Jaenichen, steward of the Bremen.

Karl Schlueter, member of the crew of the German liner Europa.

Theodore Schuetz, a sailor on the German liner New York.

Karl Eitel, former steward on the Bremen.

Otto Hermann Voss, German-American mechanic, formerly employed at the Goodyear factory at Farmingdale, N. Y.; a prisoner.

Mrs. Jessie Wallace Jordan, convicted as a spy in Edinburgh, Scotland, and sentenced there to four years in prison.

Ernest Mueller, unidentified German intelligence official.

Capt. Erich Pfeiffer, officer in charge of naval intelligence at Hamburg, Germany.

Two German residents named Schmidt and Sanders, first names unknown here.

They were indicted in three separate documents, the most important of which—a conspiracy indictment—charged all defendants with 24 specific acts of espionage designed to transfer to Germany some of the most vital army, navy and air defense secrets of the United States.

Grand Job of Being Member of Congress

Washington, June 21—(UP)—It's a grand job being a United States senator, take it from a tria who will be absent from the 1939 session.

They are Senators Dieterich (D-Ill.), Reames (D-Ore.) and Hitchcock (D-S.D.). The latter was defeated for renomination, but the other two were not candidates.

Dieterich, completing a six-year term, indicated that not everything about congress, however, was entirely pleasant—"ballyhoo and high pressure," for instance.

Senator Reames, white-haired lawyer, left Washington with a smile of regret at quitting his "first political office." He succeeded Senator Stetson, resigned.

"I've always been a Democrat and an active one but this has been my first office-holding," he said.

"I've enjoyed it all but I couldn't afford to stay at it."

Senator Hitchcock, who appears far younger than his 71 years, said he had "thoroughly enjoyed every minute of the session." He was appointed in 1936 to succeed the late Senator Norbeck.

Secy. of State Hull Starts Program to Humanize Warfare

Washington, June 21—(UP)—Secretary of State Hull has begun developing a program to humanize warfare, with the particular objective of stopping aerial bombings of civilians.

Persons close to the state department disclosed today that Hull was devoting much of his time to this subject, brought to his attention by airplane attacks on Spanish and Chinese cities.

Details are not yet ready, nor has the secretary entered into diplomatic discussions with other nations.

State department officials, however, viewed with sympathy the suggestions advanced yesterday in London by Norman H. Davis, chairman of the American Red Cross.

Davis proposed neutralized hospital zones, an international convention prohibiting or restricting bombing of "open" towns and cities, and zones of immunity for women and children within cities under attack.

Undersecretary of State Welles emphasized that Davis spoke in his Red Cross capacity rather than as a representative of this government. Nevertheless Davis, who has been President Roosevelt's ambassador-at-large and disarmament expert, is in close touch with the state department.

Chairman Pittman (D-Nev.) of the senate foreign relations committee declared the storm of protests in this country against bombings of cities in the far east and Spain raised a question as to the military worth of such attacks.

"Some claim the attacks break down the morale of the people by fear and intimidation," he said. "I don't agree with that. I think it actually hardens the people and makes it more difficult to eventually obtain peace."

Attack on Business Obstructs Recovery

Chicago, June 21—(UP)—Senator Rush D. Holt of West Virginia said today taxes and attacks on business

were principal obstructions to economic recovery.

The government, contended the Democratic senator in a prepared address to the National Bakers association, had "contributed to this economic collapse" through taxation and attacks on industry.

"I believe," he said, "that business will not go forward until they have a more certain view as to the attitude of government of the attitude of the president upon what course the nation will take."

Senator Holt expressed belief that "attacks on business" by government officials had not stopped permanently; "they have only been laid aside until after the fall elections."

He declared business was faced with "industrial confusion" and "the confusion in government circles."

"Part of the confusion," he said,

STERN TRAFFIC CODE

Sacramento, Cal.—(UP)—Stern of the California traffic code was evidenced at City Center when Justice L. J. Henderson death Raymond King a 90-day sentence for riding a bicycle while intoxicated. Although King admitted he stole the wheel Justice Henderson said the gravity of the offense was "drunken driving."
