Floods Hit 4 Southern States

Senate Gets Bill To Repeal T-H Labor Law

Sen. Thomas Offers Measure To Restore Wagner Act

Washington, Jan. 6.—(AP)—Legislation to repeal the Taft-Hartley law and restore the Wagner labor relations act was introduced in the Senate today.

Senator Elbert Thomas (D-Utah), chairman of the Senate labor committee, offered it.

Thomas told the Senate that his measure would retain only one feature of the Taft-Hartley act—the section which increased the National Labor Relations board from three to five members.

Thomas said, however, that repeal of the Taft-Hartley law will call for enactment of other new labor legislation. He noted that the President, in his state of the union message asking for repeal, also "called for other legislation."

Thomas also introduced bills to:

1. Increase the minimum wage from the present 40-cents-an-hour to 75 cents.
2. Provide \$300,000,000 a year in federal aid to states for education.
3. Set up a national science foundation.

Rep. Leznicki of Michigan, slated to head the House labor committee, has said he expects to bring a brand-new labor bill to the House floor "by the end of the month."

But Trouble Looms As Republicans Charge Plans Are Socialistic

Washington, Jan. 6.—(AP)—Democratic leaders shrugged off Republican charges of "socialism" today as they opened a drive to rush the bulk of President Truman's tax-welfare-labor program through Congress.

With the idea that the first 100 days are the easiest, administration lieutenants charted swift action. They intend to have some of the wide range of White House proposals ripening into final form about the time Mr. Truman takes the oath for a full four-year term January 20.

Republicans saw threats of national bankruptcy in the Truman spending proposals. They distasteful the President's idea for government-built steel plants as "socialism." They bemoaned his failure to ask for any savings in government costs.

Nothing 'Free' About This Market

Prague, Jan. 6.—(AP)—Czechoslovakia opened up a high priced free market today to operate alongside its strictly rationed market.

Typical prices in the free market: meat, 12 cents; chicken, 15 cents; eggs, 10 cents; butter, 12 cents; and a skirt at \$78.

Only stores designated by communist-dominated government may carry the rationed goods for free sale.

Communist Finance Minister Jaromir Dilansky announced the free market yesterday along with higher taxes and drastically raised prices. Some taxes were increased up to 2,800 percent.

Girl Found Hanged In Church Altar

Preston, Eng., Jan. 6.—(AP)—A German girl was found hanged from the altar post in St. Hilda's parish church yesterday, authorities reported today.

The bishop of Blackburn, the Rt. Rev. Wilfred Marcus Askwith, said he is seeking a ruling from high Church of England authorities whether it will be necessary to reconsecrate the church. Even if it isn't he said, "I shall, in any case, have some sort of service there."

The dead girl was identified as Gertrude Rosa Gammisch, 24, who came to England as a volunteer worker in a cotton mill.

Farmhouse Death Trap
Firemen pour water into blackened ruins of a two-story farm house where five persons burned to death and a sixth was believed killed in a flash fire the night of Jan. 4, at Phoenixville, Pa.

Demos Hope To Rush Truman's Program Through

Refugees Flee From Hungary In Plane

Munich, Germany, Jan. 6.—(AP)—A group of refugees who fled Hungary aboard a commandeered plane say they were escaping "communist terror."

The fugitives made a surprise landing here Tuesday night aboard a Hungarian National Airways liner. Twenty-two of those aboard were in the escape plot. Three others said they wanted to go back to Hungary.

The pilot, Capt. Janos Majoros, said the plane was in danger for anti-communist activities.

"It was a question of life or death for me to get out," he told newsmen. Majoros said he and confederates boarded the plane ostensibly as paying passengers on its regularly scheduled flight from Pecs in southern Hungary to Budapest.

Once aloft, he said, he took over the controls as pre-arranged with the regular pilot, Capt. Mihos Kuhn, and flew the ship across the border.

Vienna, Jan. 6.—(AP)—Austrian police sources said today that 215 Hungarians and 60 persons of German origin fled from Hungary into the Austrian province of Styria in recent weeks.

Police said the refugees, now held in a quarantine camp, include a number of military personnel.

Styria is in the British occupation zone.

Jury Frees Woman In 'Honor' Slaying

Philadelphia, Jan. 6.—(AP)—A jury deliberated only a little more than an hour last night before finding Mrs. Dorothy Elizabeth Reeves innocent in the "honor" slaying of her sailor husband, Leslie, 29, last Sept. 5.

The plump, attractive 26-year old defendant shook with sobs of relief.

The state had sought to convict the woman on a charge of shooting her husband after he stayed out all night with her 18-year old sister, Peggy Miles, of Nashville, Tenn. Mrs. Reeves testified she feared her husband had dishonored her sister.

Reeves, a chief pharmacist's mate stationed at the Philadelphia naval base hospital, had taken Peggy to a movie at the hospital during the evening of Sept. 4, it was testified.

Peggy testified Reeves made improper advances to her and mauled her so badly that she required hospital treatment.

Conviction Of 11 Germans For Malmédy Murder Reversed

Frankfurt, Jan. 6.—(UP)—A review board has reversed the conviction of 11 Germans sentenced to death or life in prison for the Malmédy massacre of 71 American prisoners of war during the Battle of the Bulge. It was learned today. A memorandum from Washington, dated Oct. 27, 1948, said American Military Governor Gen. Lucius D. Clay had approved the findings of a review board that "evidence did not sustain their convictions which in, in effect, equivalent to a finding of no guilty."

Although the verdicts against them apparently were reversed last year, the Germans still are in Landsberg prison, it was learned.

Three had been sentenced to death and eight to life terms.

The information that Clay had approved the reversal of the United States war crimes tribunal's verdicts was confirmed by responsible officials here.

Clay himself, reached in Berlin, said he had not taken any action in the cases "since last March" but

Donald, Viola Reconciled; All Forgiven

Couple Leaves For Chantute Field With 2-Year-Old Jeannette

Pvt. Donald Smith and his German war bride were all set for a second honeymoon today at the Chantute field army air force base at Rantoul.

County Judge Irwin C. Taylor, Probation Officer Pearl McCorkle and army authorities succeeded in playing Cupid late yesterday afternoon and induced 20-year-old Donald and 21-year-old attractive Viola to go back together.

Not among the least of those concerned in the case was 2-year-old Jeannette, Viola's daughter, who appeared happy over the reconciliation.

To Appear Valentine Day

Judge Taylor added another romantic note to the case when he ordered Donald to re-appear in County court on Feb. 14—St. Valentine's day—so the court can determine if everything is going all right.

Donald was ordered released from the county jail on his own recognizance by Judge Taylor after the soldier conferred with Mrs. McCorkle and his wife and the reconciliation was effected.

Pvt. Smith and his wife and Jeannette left immediately for Chantute field where Donald is scheduled to receive an honorable discharge Jan. 21.

He served in Germany for three years. The couple was accompanied to Chantute by an air force captain and sergeant who have followed the case from its beginning and who are given at least part of the credit for the reconciliation.

Mrs. Carson Pleased

Also happy about the whole thing was Mrs. George Carson, Aroma Park war bride who is also a native of Germany. After reading of the case, she went to the court house yesterday to comfort and advise Mrs. Smith if necessary.

Donald was mighty glad to get out of jail. "Brrr... nothing but blank walls and iron bars since Monday," he said.

Viola was glad to have him back. "Now we can be happy again," she said.

Jeannette just wandered around the judge's office expressing her pleasure in somewhat incoherent German. She cannot talk or comprehend English.

"We plan to wait at Chantute field until Donald has his discharge and then we will go somewhere away from Kankakee and start life anew," Mrs. Smith said in her perfectly practiced English.

Donald had been in the county jail since his arrest Monday afternoon when an information charging him with non-support of his bride and her daughter was filed by State's Attorney Frank Curran's assistant, John Stanz.

Viola had told her plight to Judge Taylor and Mrs. McCorkle after her husband asked attaches in Circuit Clerk Victor Boudreau's office how he could have his wife deported to Germany.

"All Misunderstanding"

"It was all a misunderstanding," both confided yesterday. Both had said earlier that they wanted to live together and had no desires of obtaining a divorce.

Judge Taylor said the court would wait the case closely. "As far as the court is concerned, the legal question of the support of this young woman and child was of the prime importance in this case, in spite of other complications which followed."

The judge referred to widespread publicity and interest in the case when it was learned that Viola had lost her German citizenship by marrying an American and had apparently automatically become an American by virtue of the marriage.

But the judge said the army is taking the matter up with immigration officials in Chicago. They will seek to have Viola's status in this country determined—"just in case."

Judge Taylor hopes, however, to have a good report to make to St. Valentine next Feb. 14.

Town Of Five Shelters 300 From Blizzard
Scott Boggess, INP flying photographer, flew at tree-top level to get this picture of Rockport, Colo., (population 5), a tiny village near the Wyoming border where stalled automobiles, buses and trucks dumped 300 refugees from the worst blizzard in modern records in the area. The refugees, most of whom were sheltered in Rockport's little tavern, spent three days there in what one of them described as "like living in a snake-pit." (International Soundphoto.)

Blizzard Refutes Song Love Doesn't Keep You Warm, Says Pair Marooned 45 Hours

Denver, Jan. 6.—(UP)—You couldn't convince Myra Dodero today that there was any truth to the song, "I Got My Love To Keep Me Warm."

Miss Dodero, 17, a pretty Denver high school senior, spent two days cooped up in a coupe with her fiancé, Phil Deweig, 23, during the big blizzard that swept the west. The two were returning to Denver Sunday night when Deweig's convertible skidded off the snow-covered highway in an isolated section three miles from Cabin Green.

For the first few hours the car heater kept them warm. Then the gasoline supply ran out, Miss Dodero said. They spent the first night huddled together beneath blankets.

Car Nearly Covered

"The snow piled up on the car until it was nearly all covered except the left window," she said. "All day Monday we tried everything to keep warm. At times we even sat on each other's feet to keep them from freezing."

Miss Dodero's grandmother had packed a box of animal crackers and marshmallows for her four-year-old sister and they ate those.

"They lasted until Monday," she said, "and we ate snow to quench our thirst."

She said they were afraid to sleep for more than a few minutes at a time for fear they would freeze to death.

The snowplow reached them Tuesday afternoon, 45 hours after they skidded off the road.

"Even after those 45 hours so close together," Myra said, "Phil and I still want to get married next June."

REJECT RUSS PROPOSAL

Washington, Jan. 6.—(AP)—The eleven-nation far eastern commission rejected today a Soviet Russian proposal to condemn Japan's new no-strike, no-bargaining law for government workers.

The action, taken at a closed-door session, was disclosed by Russian Ambassador Alexander S. Pan'yushkin in a statement.

MATCH RECORD

Chicago, Jan. 6.—(AP)—Vocalists today matched their alltime record high price of \$34.00 a hundred pounds, set a year ago tomorrow. The market was firm to \$1.00 higher than Wednesday's levels.

REFUSES EXTRADITION

Jefferson City, Jan. 6.—(UP)—Gov. Phil M. Donnelly today refused to grant immediate extradition of Dr. Robert C. Rutledge, wanted in Cedar Rapids, Iowa, for the slaying of his wife's alleged lover.

WKIL Broadcasts Kays-Lockport Game Tomorrow

Kankakee high school's bid for its 12th straight victory will be broadcast Friday night by WKIL, Kankakee's FM station at 100.7 on the FM dial. The Kays, who are unbeaten and rank as the second best high school basketball team in Illinois, will face Lockport tomorrow night at 8:30 o'clock in the Kankakee high school gymnasium.

On Saturday night Bradley's Boilermakers, fresh from their triumph in the Calumet City holiday tournament, will play host to Thornton Fractional of Calumet City. The broadcast of that game will start at 8:30 o'clock from the P. adley gymnasium.

Burns To Death As Auto Catches Fire

Mt. Carmel, Ill., Jan. 6.—(UP)—A man identified by state highway police as T. D. Finley, 51, Dallas, Tex., was burned to death today when his automobile caught fire near here.

Town Of Five Shelters 300 From Blizzard
Scott Boggess, INP flying photographer, flew at tree-top level to get this picture of Rockport, Colo., (population 5), a tiny village near the Wyoming border where stalled automobiles, buses and trucks dumped 300 refugees from the worst blizzard in modern records in the area. The refugees, most of whom were sheltered in Rockport's little tavern, spent three days there in what one of them described as "like living in a snake-pit." (International Soundphoto.)

Train Picks Up 600 Hungry Storm Refugees

Denver, Jan. 6.—(AP)—Some of the 8,000 persons marooned in the Colorado-Wyoming blizzard enjoyed warmth and wholesome food today for the first time since Sunday, while efforts to save others were pushed by ground and air.

Hundreds of stories of intense suffering were told by victims of the storm as they were rescued from small roadside villages, drift-locked automobiles and isolated farm houses.

The biggest mass evacuation was made by a Red Cross train that picked up about 600 half-starved refugees from Rockport, Nunn and Lone Tree in Colorado.

Rescue 400

The train pulled into Denver last night with 400 passengers, including two expectant mothers in serious condition. Some in need of medical attention had left the train at Greeley. Others were taken to Cheyenne, Wyo.

Military and civilian planes flew over the stricken area, dropping food and blankets for the occupants of stalled automobiles and trains. Snowplows bucked drifts 20 to 30 feet deep in an effort to reach them.

The snow had stopped falling but winds clocked up to 70 miles an hour in southeastern Wyoming caused ground blizzards as fierce as the original storm and hampered efforts to open the highways.

The death toll now stands at four. One of the most graphic accounts of suffering came from Edward Heintzelman of Loveland, Colo., a 52-year-old veteran of the far eastern air force.

Trapped 70 Hours

He was trapped for 70 hours with five other persons in a stalled automobile.

"We forced ourselves to keep awake for three days and nights," he related. "It was so cold we were afraid we'd freeze to death in our sleep. Thank God they found us today. I don't think we could have endured another night."

The wind howled incessantly around the car, Heintzelman said, and with temperatures ten below zero their frozen breath covered the inside with frost almost an inch thick. They had no food, water or heat.

Among the refugees brought to Denver by the Red Cross train were 58 persons from a Greyhound bus that had stalled near Lone Tree. They went without food for 48 hours while five Safeway trucks loaded with groceries sat within a hundred yards of the bus.

Israeli To Accept U.N. Cease Fire

Tel Aviv, Israel, Jan. 6.—(AP)—Israel has agreed to an immediate cease fire in the Palestine war as a prelude to armistice negotiations with the Egyptians, an Israeli army spokesman said tonight.

Tel Aviv, Israel, Jan. 6.—(AP)—The security council order of Dec. 29 for an immediate cease fire in southern Palestine may be honored soon.

The Israeli cabinet met last night. A usually reliable private source said the ministers, whose troops have sound up a three-day invasion strike into Egypt, decided to accept the order.

It was understood the acceptance might be announced today. The timing and other details apparently would be fixed by United Nations truce observers.

Egypt cabled her acceptance to Lake Success Tuesday, subject to a like decision from Israel. Egyptian and Israeli troops have been fighting in the Negev desert and the southern Palestine coastal strip off and on since mid-October.

A government spokesman last night announced the Israeli trust into Egypt. He said Jewish troops, "in hot pursuit of the fleeing enemy," recently knifed to the Egyptian military base of El Arish, on the Mediterranean coast 30 miles below the Palestine frontier. He said they killed or wounded several hundred Egyptians, captured several hundred more and seized or destroyed several planes, field guns, gasoline and other stores. El Arish air fields were reported damaged heavily.

The troops withdrew according to plan, the spokesman said, and "there was never at any time any design on the part of Israel to occupy Egyptian territory."

Chinese Reds Pour Shells Into Tientsin

Nanking, Jan. 6.—(AP)—Communist troops, turning a deaf ear to Nationalist peace pleas, tonight reportedly poured shot and shell into the besieged Tientsin in the north and into encircled government armies southwest of Suchow.

The firing broke a two weeks lull. Peace overtures, including a message from President Chiang Kai-shek at year's end offering to negotiate "if the communists really are sincere," had flooded the coun-

Force Thousands To Flee From Their Homes

Western States Seek To Recover From Winter's Worst Blizzard

By The Associated Press

Distress signals flew over wide areas today on the nation's weather map.

The worst victims of weather's elements were the Rocky mountain and western plains states; four southern states and the rich citrus area of California and Arizona.

The snow-bound Rocky mountain and plains states struggled against seemingly insurmountable odds in dramatic manner in attempts to recover from the winter season's worst blizzard.

Flood waters spilled from rain-swollen rivers in four southern states—Mississippi, Alabama, Tennessee and Georgia—forcing thousands from their homes and isolating several communities.

Citrus Belt Hit

More sub-freezing weather hit areas in the California-Arizona citrus belt and losses in the industry were estimated at \$20,000,000.

There also was the threat of new floods in the northeastern section of the country. Heavy rains fell from the Carolinas northward along the Atlantic coast to New England.

The blizzard had finally blown out of the Dakotas and western Nebraska. No fresh snow fell, winds diminished and temperatures were in the 20's. The coldest areas in the country today were in Utah and Nevada—10 below at Milford, Utah, and -10 at Elly, Nev.

The cold air from Utah-Nevada spread into Arizona and California and sent the mercury to below freezing in some areas for the third straight day. Sub-freezing marks were reported in Phoenix, Ariz., Fresno, Calif., and the mercury headed for the 32 mark in Los Angeles after yesterday's minimum of 31 degrees.

Red Cross officials said more than 2,200 persons fled from their homes in the Columbus, Miss., area by flood waters from two rivers. Columbus was virtually isolated. Fifty thousand acres of land were flooded.

Flee From Floods

Another thousand persons were driven from their homes in Alabama and Tennessee. Rivers rose in North Georgia but no serious flood danger was forecast.

Rail and highway traffic in the Birmingham and Gadsden, Ala., areas was curtailed by the surging waters. More than six inches of rain fell in Birmingham in 30 hours, a new January record.

In the storm-swept west, the army and the Red Cross workers, as well as hundreds of civilians, joined in the efforts to bring relief to the thousands suffering from cold and lack of food.

The army of rescue workers battled through the huge snow drifts in the blizzard area in efforts to reach the thousands stranded by the storm which had lashed the plains for three days. Military and civilian planes flew over the snow-covered region, dropping food and clothing to hundreds in stalled automobiles and trains. There were numerous stories of heroic rescues.

Report Five Deaths

The known death toll in the storm belt was five. However fear was expressed it might rise after the drifts finally are cleared.

Some trains started moving and the Union Pacific reported that all its snow-bound trains would be operating sometime during the day. The North Western railroad said it planned to resume normal operations of all its west coast service tomorrow.

A Red Cross train picked up about 600 stranded persons at Rockport, Nunn and Lone Tree in Colorado and took them to Denver.

Woman Charged With Drowning Baby Released

A Circuit court jury deliberated only about an hour yesterday afternoon before ordering Mrs. Ann Marie Brunn, 40, of Chicago, released from the Kankakee State hospital.

State's Attorney Frank W. Curran said Mrs. Brunn will now stand trial in Cook county Criminal court to determine whether she was sane when she allegedly drowned her infant son in a bath tub of her home in November, 1947.

Mrs. Brunn, represented by Attorney Victor N. Cardosi, took the stand in her own defense at the trial before Circuit Court Judge C. D. Henry.

Curran stated that Mrs. Brunn was committed to the hospital after being found insane after her murder indictment but before her trial.

Jurors were Clement DeSelm, William Clark, H. Glenn Schneider, Joseph Denault, Robert A. Powell, Charlotte Wischnowsky, Maude Dill, Cora Gibson, Mary Fox, Eva Hines, Louise Volkmann and Anna Munson.

Police Search For Lost Tame Ducks

Police were summoned yesterday afternoon to rescue a flock of lost ducks, which were reported "parading" past the intersection of Indiana avenue and Fair street. The owner of the tame fowl, Michael Skokes, 209 East Sycamore street, was notified and he, with policemen William Paulauskis and Matthew Young, went "duck hunting."

Although the ducks were not located last night, Patrolman Young was seen leaving police headquarters at 10 o'clock sporting a hunting cap.

Prod Crawford's Career Gets B'ggest Spurt--Proves Adage

Hollywood, Jan. 6.—(AP)—Broderick Crawford's career is proof of the adage that it's never too late to get a break in Hollywood. Crawford has been in pictures since 1928. Only recently did he get his biggest break—starring role in the film from the Pulitzer prize novel, "All the King's Men." Now he goes right from the New York role to a leading part in "Anna Lucasta," with Paulette Goddard. It's all speed ahead for Brod.

Mommence

A group of seven Mommence city officials and business men attended a meeting at the Mommence city hall today to discuss the proposed discontinuation of the C&N train. The Cardinal, running from Chicago to St. Louis, the railroad has asked permission to remove this train from the schedule, claiming that it is losing money.

Robert Mommence starts his new picture, "The Big Bear," this week. He is expected to come up for trial on marijuana charges next Monday. The set will be closed to Mommence, since the railroad has asked permission to remove this train from the schedule, claiming that it is losing money.

Shirley Temple, who still hopes her marriage to Dick Haymes can be salvaged, but meanwhile she's going ahead with her career. She's much in demand and is free of contracts, except for a film yearly for John Ford. You might notice that she looks a bit different in the tent scene with John Wayne in "Red River." The sequence was a mistake, she was five months pregnant.

Green Names 30 Persons To State Offices

Springfield, Ill., Jan. 6.—(AP)—The retiring Republican governor, Dwight H. Green, has asked the state to continue to support for various state jobs and commissions.

Included are persons agreed upon by the Democratic governor-elect, Adlai E. Stevenson, for members of the parole board and the Chicago transit authority.

The Republican-controlled senate postponed action and sent the names to the executive committee. Stevenson could submit other names for the same jobs, but his nominees also would need a senate okay.

Included in Green's list were these major appointments:

John W. Chapman, Springfield, member of the parole board.

Fred W. Ruegg, Carlinville, registration superintendent in the department of registration and education.

Philip W. Collins, Chicago, member of Chicago transit authority for term expiring in 1955.

Guy Richardson, Kenilworth, member of Chicago transit authority for term expiring in 1954.

Mr. Peter Miller of Peoria, Russell L. Guin of Danville, Dr. Preston Bradley of Chicago and Mrs. Helen Rose Pegelow of Mattoon for members of the teachers college board.

Joseph C. Ross of Chicago, member of the Illinois liquor commission.

W. Gordon Saunders, Oak Park, and Alex K. Scherer, Ottawa, members of the Illinois development council.

George O. Isen, Chicago, chief grain inspector in the department of agriculture.

Truckers 'Started' At Grade Crossing

Dover, Del., Jan. 5.—(UP)—Truck driver Lewis A. Gordon and his helper, Elmer Morris, started across a grade crossing at nearby Cheswood last night when there was a sudden "whoosh."

A moment later Engineer George H. Marabun brought his Pennsylvania railroad train to a halt down the line and walked back. This is what he saw:

Gordon and Morris, unharmed but startled, were sitting on the truck's cab seat—with their legs dangling. The train had sheared off the front of the truck, taking the steering wheel, the hood, motor, windshield, dashboard and the floorboards.

Oysters spewn between May and September, and fewer oysters are sold there in order to conserve the supply.

Public Sale!

ADER & ADER, Auctioneers
Telephone Herscher 2739 or 2621

Will sell for the undersigned at farm located on the east side of Herscher on dirt road, on

SAT., JAN. 8, 1949
Commencing at 11 O'clock A. M.

15 HEAD OF CATTLE
YB and BANGS TESTED
Consisting of Holsteins, fresh with calf by side, 8 years old; Holstein cow, 5 years old, to freshen in March; Holstein cow, 5 years old, milking about 4 gallons; blue roan cow, 4 years old, to freshen in May; Hereford cow, coming 3 years old, fresh four months; Guernsey dairy, 5 years old, to freshen in May; 20 months old; Holstein heifer, 6 months old; 2 red heifers, 4 months old; 3 steers, 1 year old.

CHICKENS—160 Herk Henders Leghorn pullets, 75% egg production.

MANDRAKE THE MAGICIAN by Lee Falk and Phil Davis

These Days

by GEORGE E. SOKOLSKY

THE QUESTION OF HOSPITALS

The figures on persons in hospitals for 1948 not yet being available, I shall in this article use 1947 figures. The following is pertinent data:

"A. Governmental

1. Federal hospitals 1,285,126
2. City, county, city-county, and state hospitals 2,919,218

Total governmental 4,204,344

B. Non-Governmental

1. Non-profit 10,177,598
2. Proprietary hospitals 1,447,662

Total Non-Governmental 11,625,260

National total 15,829,614"

Obviously, the bulk of hospitalization is being carried by non-Governmental institutions and in that category, the voluntary, non-profit institutions, dependent upon private charity, perform the greatest service. The Hoover commission report on federal hospitalization indicates extravagance and waste by federal hospitals, particularly those controlled by the armed forces. In a word, the best job still being done by voluntary institutions.

Necessary Insurance

The principal complaint against the voluntary hospital, as against the entire medical profession, is

that while the poor get excellent free service and the rich can afford excellent private service, the middle group, particularly the white-collar, middle-class fixed-earners, have a hard time meeting doctor and hospital bills. This problem is being met by the various Blue Cross plans, to which about 32,000,000 American now belong and which can be increased tremendously without government intervention. A practical matter of providing in advance for inevitable expenditures, the time is bound to come when every provider American will carry this kind of insurance as he does fire insurance. And it is a self-respecting method with neither private nor governmental charity.

In the present mood for socialization, various arguments are offered for enormous governmental expenditures which ultimately mean government control of the \$6,000,000,000 hospital plant of the United States. The dead hand of bureaucracy can destroy the whole-some flexibility of the voluntary hospitals which usually are controlled by a lay board familiar with local conditions and directed by a medical board of competent physicians and surgeons. The proof of the adequacy of our hospitals is that we have the largest plant in relationship to population and the best hospitals in all the world.

That Greener Grass

The criticism that areas in the United States lack hospital facilities is correct, but that can better be remedied by private giving than by huge government outlays. And it needs to be done lest the bureaucrat's case be justified. No private charity can be more justified or bring better results. The figures show that a hospital bed has a cost of \$4,199 and that general

hospitals alone require 195,000 more beds than the 1,425,222 that were in use in 1947. In a word, if private giving is to provide adequate hospitalization for the civilian population of the United States, plenty of money has to be contributed not only for plant but for upkeep as well.

In discussions on this and related subjects, the attitude of many, particularly younger persons is that as we pay such high taxes and can save so little on our earnings, why not let the government do the entire job? Of course, the answer is that socialization, while often starting in areas in which private effort is inadequate, expands to total socialization and the ultimate destruction of private life. The point at which socialization is the most dangerous is the very beginning.

The weakness of Oscar Ewing's position in advocating expanding government interest in this field is not that he wants more hospitals, more doctors, more adequate coverage; in all that he is right. However, instead of working within the framework of a system that has been remarkably successful and developing it further so that it achieves even better results, he

Famous Fables

By E. E. EDGAR

SENTENCED: Early in his career, former Secretary of State Cordell Hull was a judge in Tennessee. One day, an influential citizen, who boasted that he was above the law, was brought into court charged with disturbing the peace.

Hull imposed a fine and sentenced the man to 30 days in jail. The latter remained in his pocket and pulled out his wallet.

"I've got the fine right here," he laughed, tossing several bills on the table.

"I'm happy to see that," observed Hull. "What a pity you haven't got the 30 days."

INSOMNIA: Movie magnate Samuel Goldwyn once loaned a considerable sum of money to a rival producer. Late one night, several weeks later, Goldwyn was awakened from a sound sleep by the ringing of his door bell. He found the rival producer standing outside.

"What are you doing here at this time of night?" demanded Goldwyn.

"I just wanted you to know, Sam, that I can't sleep," said the producer.

"That's not my fault," grumbled Goldwyn.

"But you don't understand," continued the other. "My loan is due tomorrow and I can't pay back the money. That's why I can't sleep."

"Couldn't you have told me that tomorrow?" groaned Goldwyn.

"Now I won't be able to sleep either."

Formal Phase Of Dutch Drive In Indonesia Ends

Batavia, Java, Jan. 5.—The formal phase of the Dutch military campaign to regain control of the republic of Indonesia ended today.

Lt. Gen. Simor Spoor, commander of Dutch forces in Indonesia, ordered a cease fire on Sumatra at noon 10 p. m. Tuesday, est.)

He told his troops in an order of the day that their task hereafter would "be confined to action against roaming groups and gangs or individuals who try to cause disturbances."

The same terms were used in Spoor's order announcing that formal hostilities on Java had ended at midnight, New Year's eve.

The Netherlands had informed the United Nations security council Dec. 29 that it would stop fighting in Java on New Year's eve and in Sumatra two or three days later.

Simultaneously with Spoor's order, the army announced it had cleared Republican army troops Pisarski, 23, lit a match to see if his car had enough water in the radiator. It blew up like a gasoline tank. Pisarski, who had just finished putting inflammable anti-freeze in the cooling system, went to the hospital with face and head burns.

TOO MUCH SOUPING
