For his unfailing interest in our physical welfare, for his princely sense of sportsmanship, for his unfailing guidance and counsel when we needed it most, for his sincere love for Olivet, and above all for his Christian life lived consistently and genuinely before us—we dedicate this book, the AURORA of 1948, to DR. RONALD D. JONES.

The AURORA counts it an honor to salute you, Dr. Chalfant. You have been our faithful and long time friend. Before most of us were born you were fighting our battles for us and helping to provide a true holiness college for us to attend. For thirty-one years you have been a member of our College Board of Trustees, and for twenty-six years its secretary. No one during these years has rendered more distinguished and sacrificial service to Olivet and to us.

To Dr. Gibson, the chairman of our Board, the Aurora speaks for the college when it says that it is grateful for the love, unending patience and energy which you have spent in our behalf.

The AURORA likewise salutes all the officers and members of our Board of Trustees. We appreciate deeply all you have done and are doing for us.

# OLIVET NAZARENE COLLEGE . . . Education With a Christian Purpose

KANKAKEE, ILLINOIS

OFFICE OF  
THE PRESIDENT

May 1, 1943

Greetings to our students:

Your enrollment in our own College is most commendable. You may deserve the honors which the school will give you in diplomas and certificates; however, such engraved documents will not guarantee success. That depends upon your ability to make the proper appraisals in life.

The direction which you may choose for your life as it will affect you, your family and others, has possibly been determined by your stay in Olivet Nazarene College. Your daily experiences in the classroom, your study hours, the religious environment and your associates have given you a great storehouse from which you may select the best materials for the building of your character and personality. Since you have the sole responsibility of making the appraisals and selections, may God purify your motives with His holy wisdom.

The primary choice should be, "Seek ye first the Kingdom of God." This implies consecration of yourself to the whole will of God. A promise of many rewards follows this.

My best wishes and prayers will go with you as you continue your training and as you enter a life of useful service for the Kingdom of God and humanity.

Sincerely,

Grover Van Duyn  
President

GROVER VAN DUYN, M.A., LL.D.

C. S. McCLAIN, M.A., Dean

To the students of 1948, and especially to the graduating class:

Greetings! As you face life in the changing world of today, you will find it a mosaic of lights and shadows. At times the shadows seem to predominate in the pattern. But that is partly a matter of viewpoint. There is truth in the old adage, "Nothing is as good or as bad as it is reported to be."

After all, not many things in life are really essential. A chance to work, to love, and to serve will probably be yours. Not much more is necessary. Even life itself may be purchased at too high a price. Dr. Samuel Johnson once upbraided a morally weak acquaintance for stealing. "But," protested the thief, "A man has got to live." Dr. Johnson peered out over his heavily rimmed spectacles and with great deliberation replied: "Sir, I don't see the necessity."

It is not what you receive from life that will be the most worth while, but what you are able to give to it. Herein lies the real challenge to educated Christian youth today.

Sincerely yours,

*C. S. McClain*

## *School of Religion*

DR. J. RUSSELL GARDNER, M.A., D.D., Dean

Dear Students:

As I sit at my desk in the School of Religion office, I am cognizant of the fact that around me on every hand are surging, meeting, crossing, merging, parting, the currents of endless life. In the personnel of the thousand Christian young people, whose dedicated lives are hallowing anew the sacred halls of Olivet College this year, I discern the commingling of those 'streams of living water' which shall eventually make glad the desert places of the earth.

Among these I am thinking particularly, just now, of the seventy-two students in our Bible School, the hundred and five in our School of Theology, and the more than three hundred in our Students' Ministerial Fellowship. Ambassadors of the King, invisible, immortal, and eternal, we greet you! Heralds of the Light of Life, we salute you! You are called, in a unique sense, to be the spiritual AURORAS of the earth—divinely—begotten Sons of the Sunrise, heaven-born Daughters of the Dawn.

Sincerely yours,

*J. Russell Gardner*

## *School of Music*

WALTER B. LARSEN, MUS.M., Dean

Dear Students :

The call of Christ is a call to Preparation. In these crowded days the problem of training oneself for worthy leadership seems to be Herculean, for there are forces of evil at every turn inviting youth to take an easier way. The demands for service in a world struggling in the difficulties of its own making are more exacting today than ever before, but never were Christian leaders needed as much.

The self-discipline required for music study is as important to youth development as other forms of educational training. Music affects the entire life of the individual for good . . . physical, mental and spiritual growth. It stimulates exalted thought and encourages rich emotional life.

A church college without music is one which has failed to fulfill one of its major obligations. May the School of Music of Olivet Nazarene College ever fill its place in the training of teachers, performers, and church musicians to go forth in the true spirit of a "Ministry in Music."

Sincerely yours,

*Walter B. Larsen*

LINFORD A. MARQUART, M. A.

Dear Students :

The Moving Finger writes ; and having writ,  
Moves on : nor all your Piety nor Wit  
Shall lure it back to cancel half a Line,  
Nor all your Tears wash out a Word of it.

So wrote the pagan poet Omar, the son of Abraham, the tent-maker. Although pagan he nevertheless spoke truth which is definitely Christian.

It's better to write in Life's book things that will make satisfactory reading. Others may never peruse its pages but your mind will never cease to turn them for you. Your acts, attitudes, and words are carefully written down in an ink so indelible that death itself cannot erase them.

As I take leave from you my sincere desire and wish is that your memories may all be pleasant, and may they be enriched by the knowledge that God was with you. May the future be even more pleasant than the past. Let God lead ; He never directs our path in error.

Cordially yours,

*Linford A. Marquart*

*Office  
of the  
Treasurer*

WAYNE DONSON, M.Th., A.B.

To the students of Olivet Nazarene College:

As treasurer and business manager I would like to say with Shakespeare "To thine own self be true, and it must follow, as the night the day, Thou canst not then be false to any man."

In order to be true to one's self the prerequisite is to be on the side of Right. There is, innate within each of us, that which draws, as the magnet the steel, each man to his Creator. First, then be true to God "who has not only power to take life but to cast the soul into hell."

If a man be true to himself he must needs be true to his fellowmen. "Treat personality, whether within thyself or that of another always as an end and never as a means." In other words never use another person as a stone on which to tread for personal gain. Pay your debts, be kind, be courteous and above all be "good." "A good name is more to be desired than gold."

To be true to one's self a person must be able to look squarely into life's mirror in full view of himself and say to that self, "God being my witness, I have let fly the arrow of life and have not missed the mark or goal of life set by the God of the Universe, a Holy life and a Holy character."

Sincerely yours,

*Wayne Donson*

## *Field Secretary*

WILLIAM C. ALLSHOUSE, M.A.

Dear Students:

With this 1948 issue of the AURORA, I am happy to extend to you hearty congratulations on the successful completion of another school year, and sincere best wishes for continued success and happiness in your tomorrows. Really, you are to be envied, for you are living in a great and wonderful age—a period in human history fraught with tremendous opportunities and privileges.

While your day is characterized by rapid change and extreme unrest, there are still those basic truths which do not change. Amidst the turmoil and confusion of a restless world, amidst the crashing impact of conflicting ideologies, remember that human nature has changed but little. Remember that the Christ who changeth not is still adequate for the needs and situations of mankind.

In all your living, be a Christian optimist—"Keep looking up," and keep your vision clear enough so that you will be challenged to unselfish Service to God and your fellowmen.

Very sincerely yours,

*William C. Allshouse*

## *Dean of Women*

THELMA PITTS, R.N., A.B.

Dear Students:

The Dean of Women is frequently asked, "What do you do?" This is a justifiable question since all positions should support their own weight and since any discovered simplification would be desirable. The annotated account of her activities and interests is always varied; sometimes serious, sometimes enigmatical, sometimes humorous. The scope of personnel work is broad and interesting.

Brief experience in the personnel field is sufficient to convince one that its strength does not lie in its methods or its machinery. The essentials of strength, however, lie in the counselor's convictions concerning the intrinsic worth of every person, and her sincere wish to do good to each one. The proof of that sincerity rests in the consistent application of an intelligent kindness.

Yours truly,

*Thelma Pitts*

*Dean  
of  
Men*

OAKLEY V. ETHINGTON, B.S.

Dear Students:

The position of a personnel dean is one of great opportunity and blessing. Especially is this true in a holiness college. It is a blessed privilege to guide young people's choices for life. Your dean finds people interesting to study and always counts it a joy to help them. The past four years of service to this school and the Kingdom of God have been well spent. With this issue of the AURORA your dean wishes the student body and faculty God's richest blessings. My prayer for Olivet and my burden for the souls of the student body will continue through life. One cannot give his life in service to any cause and forget it.

The students of Olivet have a way of creeping into a dean's heart, and those who have touched his life have enriched it. Through counsel and guidance in our personnel program we have hoped to help and inspire young manhood and womanhood to greater intellectual attainment and spiritual depths.

Sincerely yours,

*Oakley V. Ethington*

## *Supervisor of Construction*

J. F. LEIST, M.A., D.D.

Dear Students:

Great souls, like great buildings, do not come into being by chance. They are the product of carefully designed plans dedicated to a worthy purpose, costly expenditures of time and effort, painstaking attention to daily workmanship and patient endurance until completion.

May all that you have learned, and felt, and hoped and known at Olivet provide a pattern and framework for the building of your mind and soul in favor with God and men through future years. And in that final day may your total life be found "complete in Him," thereby assuring you an abundant entrance into that Eternal City which hath foundations, whose Builder and Maker is God.

Your friend in Christ,

# MAINTENANCE

EDWARD BRODIEN

"Ed", faithful and efficient, always in good humor, always accommodating, known by everyone on the campus. As superintendent of grounds and buildings he has the very responsible task of keeping all our heating, lighting and plumbing in working order, plus a thousand miscellaneous tasks that make Olivet a more pleasant place to live and go to school.

LLOYD B. HAZZARD

Our "always-on-the-job" watchman, friendly, impartial. The man who knows our comings and our goings. Sometimes we meet him at unexpected hours, but somehow we feel that things are all right through the long hours of the night when Mr. Hazzard is on the job.

CHEF AND MRS. WELLMAN

Chef and Mrs. Wellman—hardworking—long hours, faithful service. Always trying to satisfy a thousand students with a thousand different tastes. Fatherly and motherly in attitude, we students love and appreciate them. Both the Nook and dining room are definitely stimulating socially as well as gustatorially.

"Can you bake a cherry pie, pretty maiden?" This is not the only question which the Home Economics students can answer in the affirmative. The three kitchen units vary in arrangement, equipment, and utensils to enable the students to get a wide range of kitchen experience.

Classes in clothing construction provide opportunity for mastery in the use of commercial patterns, the electric sewing machine and other sewing equipment.

Courses in the Home Economics Department enable the students to acquire the necessary techniques and skills needed in immediate personal and home living.

With the appearance of the 1948 AURORA, the thirty-fifth volume reflects the occurrences of the current year.

We, the staff, have conscientiously endeavored to produce a book which is representative of our varied school activities. The extent of our success is for you to measure.

We wish to thank the Administration and the student body for the co-operation and courtesy shown to us. The efficiency of Lowell Sparks in securing the needed financial support, the faithful service of Jess Schnell in preparing the art work, and the tireless effort of Professor D. J. Strickler, photographer, as well as the loyal support and co-operation of the entire staff have made this book possible.

As you turn these pages, may each of you see the reflections of your attitudes and your activities, and may they be all you desire them to be.

# Glimmerglass

"To mirror the religious, social and educational life; class, club and social functions at Olivet Nazarene College" is the purpose of the GLIMMERGLASS as set forth in the 1942 AURORA when the bi-weekly newspaper officially received its present name.

Now for the seventh year the GLIMMERGLASS staff followed the tradition of recording the opinions, achievements and emotions of the student body and faculty of Olivet College. This year's staff of more than thirty journalists was under the guidance of Robert Keys, Editor-in-Chief, and Jay Pitts, Business Manager. The GLIMMERGLASS was proud to have as its faculty representative Dean C. S. McClain.

As a member of the Associate Collegiate Press the GLIMMERGLASS receives an unprejudiced critical service.

Special features for the year included a Tip-Off edition, Religion on the Campus by Dr. J. Russell Gardner, Olivet Personalities, and the traditional Poison Ivy column.

The first stage of the distribution plan was with about 900 different types of stamps of the United States to represent their way to the Philippines Island west side. These are Peru South West Indies, the Philippine Islands expect to print a complete mail plan for the year, including in year 1990.

This summer has been a period of expansion at Oviedo Nazareno, which has been directed on the cancellation of the government, as well as room and office space referred to as the Annex, is in use.

A two water tube boilers heating plant, sufficient

mediate needs and the demands of the future. It was necessary to erect a new 150-foot smoke stack and this is now completed.

Living accommodations for the students are being provided by the enlargement and improvement of the trailer camp at the east end of the campus. Traders' camp at the west end of the campus is also being enlarged. The new trailer site can accommodate 40 lots for 40 to 60 feet in size, and 40 lots for 60 to 80 feet in size. The new site will be ready for occupancy in the near future. The new site will be ready for occupancy in the near future.

## No. 4

## Wisconsin District Over The Top

The total net enrollment of Olivet Nazarene College for the school year thus far is 1,019. It is true to say that this is the largest in the history of the school, but nevertheless it is true. Of course this means that the college is growing from semester to semester and year to year. The total net enrollment for last year was 1,196. On the basis of the present total it is very likely that the net total for this year will exceed 1,200. The enrollment for this semester, all departments counted, is 989. This does not include the laboratory school of about 30.

The recent Preacher's Meeting of the Wisconsin District not only proved to be a great success as far as the district is concerned, but also had special significance for Olivet Nazarene College. An important feature of this meeting was an interesting educational service during one of the morning sessions when a large check—about five feet in length—was presented to Rev. William C. Allshouse, Field Secretary of the college.

Out of this total 335 are veterans, divided between men and women in the ratio of 330 men and 5 women. A large percentage of the veterans are married and divide their time between school, work, and home. The housing problem has been conquered somewhat by G. I. houses, trailers, and some students are building their own houses on land leased from the college.

This impressive service was the climax of a contest sponsored by the N. Y. P. S. of Wisconsin to raise the Educational Budget this assembly year. There was something of a note of victory in the service as Dr. Charles Gibson, District Superintendent, presented Rev. John Koolidge, District N. Y. P. S. President. After a few brief remarks and words of appreciation for the splendid cooperation of the young people in getting the money in so early, Brother Koolidge presented Rev. Charles Zink, the N. Y. P. S. District Treasurer. Brother Zink presented the check for \$1,550.00 to Rev. Allhouse.

**ENROLLMENT BY DISTRICTS**

The students have identified themselves according to their home districts as follows. The districts are arranged according to the number of students enrolled.

The spirit of the service plus the fine check presented, proves what the young people of the Dairy State can do, for they not only paid the Educational Budget in full, but over paid it by more than \$250.00.

Naturally these figures do not represent the total enrollment of the school because of considerable number of our students come from outside this educational zone.

Our hearty thanks and sincere congratulations to Dr. Gibson, Brother Coolidge and the N. Y. P. S. of Wisconsin for a job well done. Olivet Nazarene College appreciates your loyal and enthusiastic support.

# Collegian

THE OLIVET COLLEGIAN, a quarterly publication, presents to the Alumni and to its many other readers accurate information of current school activities and data about former Olivetians.

The carefully selected materials, accurate statistics and interesting news items have been the excellent work of Professor Linford A. Marquart, Editor of the COLLEGIAN.

VERYL JENKINS, *President*

## Student Council

Representative of some of the finest talent as well as deepest spirituality in the school, the Student Council of 1947-48 is composed of ten young men, elected in part by the student body and in part by the individual classes. The personnel accordingly includes two representatives from the high school, two from the Bible School, and six from the college. Interestingly enough, eight out of the ten expect to enter the ministry.

The officers of the Council are the President of the student body, Veryl W. Jenkins; secretary, Luther S. Watson, and treasurer, Gerald H. Moore. As its faculty adviser, the council elected Dr. J. Russell Gardner.

With President Jenkins ably directing its sessions, the Student Council has constantly endeavored to cooperate with the administration and represent the interests of the students at the same time. One of the high-lights of the year's activities was the all-school Christmas Party featuring "A Child is Born." The Council has also had many other matters on its agenda, ranging from Freshman initiations down to improvement of roads and driveways.

## *The Platonian Philosophical Society*

Seven years ago the Platonian Philosophical Society was organized on our campus as an offspring of the mother society at Boston University. The purposes of the Society are to inspire interest and serious thought concerning the problems of Philosophy and Theology and to contribute to deeper understanding in these two fields by bringing to our campus outstanding thinkers to guide us in our quest of knowledge. Naturally the viewpoint is that of Christian Idealism which stands in striking contrast with both the current materialistic and naturalistic points of view.

Along with the many theological and philosophical discussions, this organization has been privileged to have the following speakers: Rabbi Meyers H. Marx, of the Jewish Chatauqua Society of America; Dr. J. F. Leist, from our campus, Rev. Fred Reedy, District Superintendent of the Mexican work of the Southwestern United States; Dr. J. Russell Gardner, our sponsor; and the president of our local society, Luther S. Watson. Plans are underway to bring to our campus for the annual banquet one of America's leading Philosophers and writers, Dr. Harold Hopper Titus, Professor of Philosophy at Denison University, Granville, Ohio.

Officers of the society are as follows: President Luther S. Watson; Vice President, Virgil W. Borden; Secretary Maudie Huston; Treasurer, Donald W. Hough; Historian, Paul B. Rodgers.

## Phi Tau Omega

The Phi Tau Omega chapter of the Future Teachers of America has members from the Canadian border to Argentina. The organization proposes not only to develop better teachers but Christian teachers who pattern their lives after the greatest of all teachers, Jesus Christ.

The organized programs were unusually varied this year. The first meeting was the candlelighting pledge service for all members and the installation of officers. At another time Barbara Gruenberg, a German student in America, compared education in the United States with education in Germany. Mr. Wendall C Kennedy, Assistant Director of the Illinois Education Association was the special speaker for another occasion. The festive meeting was the traditional Christmas party in the dining hall. A safety program centering around the new safety course requirements in the public schools proved informative as well as entertaining.

The seventy active Phi Tau Omega members for the 1947-48 term are having a profitable year under the guidance of Elaine Gardner, President; Madice Kettelson, Vice-President; Betty Goodwin, Secretary; Doris Bergquist, Treasurer; Betty Brown, Librarian; Winnie Wilson, Chorister; and Ruth Cailey, Pianist. Katherine Ruth Howe, Director of Education, has been the sponsor of the club since its inception.

## *Historical Society*

The Historical Society, with its exclusive Hellenistic nomenclature, is a new-comer in the society circle of Olivet. It was organized in May of 1947 for the purpose of promoting greater interest in the general subject of history, of discussing its practical application today, and of rendering service to both Olivet and the surrounding community. The activities consist of unit projects of an historical nature, engaging renowned speakers on timely subjects, and arranging tours to points of historic note and interest. Agenda for this year comprised a well-balanced discussion by Professor Linford Marquart on "What History Means To Me," a lecture in the Kankakee High School Auditorium by Lt. Col. Lauris M. Eek of Fifth Army Headquarters, Chicago on the topic "The Role of the Army in our Domestic and Foreign Affairs," and an address by Dr. Irvin Matthews, local research historian of no little repute, recognized as an authority on the historical development of our immediate vicinity, rich in French and Indian lore. In addition, the state department of Washington has promised a speaker for the coming year. The society, under the able leadership of President Pepper, and co-sponsors, Professors Marquart and Humble, has reached a place of prominence for itself in the initial year, and the future is bright for greater achievement in service to Olivet and vicinity.

## *International Relations Club*

About the time of the first World War, Andrew Carnegie gave \$10,000,000 to organize the Carnegie Endowment for International Peace. Since that time International Relations Clubs have been organized in almost every college in every state in the union. About sixty nations of the world have International Relations Clubs.

The Endowment formerly published news fortnightly to be used in the local clubs. Last year this was discontinued. About eight or ten books have been given to the clubs annually. Subscriptions have been given to the Foreign Policy Report and to the United Nations Weekly Bulletin.

The Endowment arranges for an annual regional meeting. In this section, the states of Illinois, Indiana, Michigan, and Wisconsin are grouped together. The meeting this year was held at Ann Arbor, Michigan. All clubs are expected to send representatives. Such conferences furnish ample opportunity for fellowship and exchange of ideas.

The purpose of the International Relations Club is to promote peace, prosperity, co-operation and better understanding throughout the world. Wars must cease or civilization will perish.

## Commerce Club

The Commerce Club was organized in 1941 with the purpose of promoting interest among the business students and aiding in their development through contact with the business world.

This year's activities have brought to us business men from the local community, playlets from the Commerce department, and talks from our sponsors.

Mr. Ed Strasma from the Kankakee County Credit Bureau, presented the inside story on credit at our December meeting. His frank and informative address on this subject was welcomed and enjoyed by all. "How to get a job" and "Being a good secretary" were presented by Mrs. Oswalt and several members of the club. Some of the most useful information and help came from our own sponsor, Dr. L. G. Mitten. In his talk on "Success or Failure," he pointed out several traits that must be incorporated into the personality if one is to be a success. Pointers and suggestions obtained at these meetings will not only be valuable when we enter our chosen profession, but they can be used advantageously now.

Officers elected for this year were: President, Don C. Gilbert; Vice-President, Mozelle Overton; Secretary Treasurer, Ruth M. Cailey.

## *Linguistic Society*

The Olivet Linguistic Society was founded in 1943 for the purpose of fostering and promoting greater interest in foreign languages and acquainting the members with various customs traditions, and environments of people of other lands.

Those eligible for membership in the Society are foreign language majors and minors or those students enrolled in at least second year college foreign language courses of Spanish, German, French, Greek or Latin. The foreign language professors act as sponsors of the group.

The officers for the year were as follows: Charles Willingham, president; Betty Downs, vice-president; Charles Alstott, treasurer; and Lorraine Sparks secretary. Under the capable leadership of these enthusiastic workers, members of the club enjoyed an annual spring banquet, educational films, and special speakers.

## Science Club

The Olivet Science Club is a comparatively new organization on the campus. It was organized November 21, 1946. The purpose of the club is to promote a greater interest in science on our campus, to share practical scientific information with others, and to uphold the Christian ideals of our college.

One of the interesting programs presented during the first semester was the profitable lecture by two commercial chemists from Kankakee.

The highlight of the year was the presentation at the January meeting of two films, "The God of Creation," and "The God of the Atom." At least six hundred students shared in this experience.

The success of the club has been due to the individual initiative of the students and professors in the science departments. Our world needs genuine "Christian scientists."

## *The Olivet English Guild*

The purpose of the Guild is to stimulate an appreciation for contemporary literature, to encourage creative writing and to share with the campus personnel its ideals of comprehension of aesthetic values in literary works.

For special consideration this year the members engaged in a study of American Folk Songs and Ballads.

Officers for the year were: President Madice Kettelson; Vice-President, Elaine Gardner; Secretary, Geraldine Browne; Treasurer, Pershing Weaver; Sponsor, Ruth Bump.

## *Debate*

Dean McClain took a team of five men to three tournaments during the year. The meets included one at Normal University, one at Eastern State Teacher's College and the State contest at Illinois College at Jacksonville.

The subject of debate was "Resolved that a Federal World Government should be Established." Interest ran high because the topic was so timely.

Olivet has produced some excellent teams in the past. In 1939 our students won the Illinois Intercollegiate Championship. Since debate relations were suspended during the war, a good beginning has been made in reviving interest and in rebuilding a strong debate organization at the college.

Each year a group of faculty members meet to elect ten students from Olivet to the "Who's Who Among Students in American Universities and Colleges." This year there was an equal number of men and women, with nine Seniors and one Junior. This organization recognizes students from approximately 600 colleges and universities in the United States and Canada.

In selecting the students to be recommended, outstanding effort and accomplishment in academic work, extracurricular activities and service to the school is considered. During the school year certificate awards are presented to all students selected and each is privileged to wear the official key.

Congratulations! May each of you consider this recognition a small reward for work well done and an encouragement for a successful and useful future.

## *Women's Residence Association*

The Women's Residence Association was created two years ago "to assume responsibility as students for right conduct" and for the purpose of developing leadership. Development is the right word for our aspirations concerning the rich potentialities of Christian leadership found at Olivet. The students represent largely the composite of leadership throughout our educational zone. Women with appreciable amounts of ambition, self-reliance and courage come to college. They have distinguished themselves for these characteristics in their local churches and among their groups of friends at home. Leadership exists in them.

The resident women sponsor the arousal and development of leadership in these generously endowed young women who might entertain temptation to slump to non-participation and apparent mediocrity. When they are silhouetted against the greater quantity and keener competition of the student body, many competent persons through fear of a poor, comparative showing, or disinterest because of inadequate identification and orientation with the college group, bury their talents and miss the great blessing that accrues to him who practices being a blessing. This, we believe, is a worthy purpose.

GEORGE A. SNYDER

Serving in the capacity of Director of Radio, George A. Snyder has had a variety of responsibilities. In addition to his teaching and directing the Viking Male Chorus, Mr. Snyder has been supervising all campus radio activities and keeping pace with a department that has doubled in enrollment each successive year since its organization just three years ago. Every phase of the expanding radio program is being guided into channels directed toward a permanent and powerful radio station located on the Olivet campus.

Mr. Bernie Smith, instructor in radio and supervisor of WONC has served capably in his position as a member of the Radio Department staff. His many years of association with commercial radio have provided a source of rich experience for Olivet students interested in radio broadcasting.

Mr. Marvin Carmony and Mr. Jay Pitts have served in the positions of chief engineer and recording technician, respectively. It has been the "behind the microphone" work of these men that has kept WONC on the air and the Radio Department equipment functioning properly.

February second marked the completion of one year of campus broadcasting by WONC. This period of serving the Olivet campus was significant since it represented the production of over 2400 different radio programs entailing the use of 10,000 sheets of script material written by the WONC staff. This number of programs made necessary the participation of more than 300 students representing every department and important organization of the college. A few of the outstanding programs heard regularly on WONC were "Evening Devotions," "School of Music Guest," "Baldrige Views the News," "Student Problem Time," "A Chat with the Dean," "Memory Lane" and "Showers of Blessings."

## WONC

The School of Music has contributed greatly to such feature programs as "School of Music Guest" and "Evening Devotions" heard regularly on WONC. Each choir in turn appears during the Sunday morning worship service which is broadcast by WONC from the college chapel.

Unusual demands of ability and leadership are placed upon the WNCN department heads. Selected for this year's important staff positions were the following: Program Director, Erle Ferguson; Assistant Program Director, Dale Sievers; Continuity Director, Wanda Milner; Associate Continuity Director, Betty Cunningham; Production Director, Henry Engbrecht; World News, Willis Baldrige; Campus News, Juanice Lehman; Sports, Luther Watson, Ramon Hammer, Dale Fruehling; Commercial Director, Ray Hawkins; Music Supervisor, Richard Rowe; Special Events, Jay Pitts; Chief Engineer, Marvin Carmony.

# WNCN

"From the fourth floor studios of WNCN overlooking the beautiful Olivet campus" or "We now take you to . . ." were phrases familiar to the listening audience. These introductions might have signified another aerial trip to the College Nook, Chapel or an evening of sports at the gymnasium. Each program originating outside of the regular studios required special handling by the WNCN engineering and announcing staff, but provided Olivet listeners with an up-to-the-minute coverage of important campus activities.

## In Memory

DR. JAMES B. CHAPMAN, D.D.

Beloved General Superintendent . . . distinguished preacher  
. . . profound philosopher . . . versatile writer . . . capable  
administrator . . . staunch friend . . . courageous Christian.

REV. ROSS E. PRICE, M.A., B.D.

The College Church of the Nazarene is an incorporated church of the Chicago Central District. Organically it is independent of the college, with its own Board of Trustees, its own financial program, and with a pastor chosen by its own members. Practically, however, the church plays an important role in the spiritual program of the college. A pastor is always chosen who is well qualified to meet the needs of the whole church, and of the college community.

## *Pastor's Message*

### PIONEERS!

In the days of old-time warfare a detachment of soldiers whose duty it was to move in advance of the main battalion, preparing roads, building bridges and removing hazards for the oncoming infantry, was known as pioneers. Likewise, in the days of the winning of the West the early explorers, settlers, and colonists were known as such. Men and women of tenacity, faith, courage, and the love of adventure played a great part in the "Westward Ho" movement in the history of our own nation. Such fellows as Daniel Boone, Kit Carson, Buffalo Bill, and many others, made great contributions to the progress of an empire. The Old Oregon and Santa Fe Trails which were carved by the prairie schooners have now been laid with steel and concrete for the great transcontinental highways and railroads that facilitate the movement not of wagon wheels but wheels of steel and rubber that roll westward at speeds of nearly one hundred miles an hour.

The heritage that they won for those who follow them in later generations was purchased at the heavy cost of sacrifice and daring. It is to be hoped that the pioneer spirit still lives and throbs in the hearts of the Youth of today. Each generation needs its pioneers. The army of God demands warriors of this type. Olivet Nazarene College seeks to work with the Spirit of God in this generation to inspire modern pioneers who shall seek out and explore the undiscovered and unpossessed vistas that lie out ahead. Our quest is for souls after the pattern and example of the Apostle Paul, the pioneer Missionary and World traveler of another day. We also seek to challenge you to that type of character which was embodied in the early Nazarene leaders whose memories we reverence today—Bresee, Reynolds, McClurkan, Jernigan, Scharp, Morrison, Schmelzenbach, and Winans. Indeed, this college is itself a pioneer in the field of Holiness Education.

Great areas for conquest lie before our Youth in missionary fields, the need for Christian Educators, Statesmen, economists, and whoever seeks earnestly to build the kingdom of God on earth and among men for whom Christ died. The call is to *you* my young friend! Keep alive your vision of the possibilities of your personality! Continue your dreams of conquest! Take Jesus Christ as your Captain and move out to new frontiers in quest of greatness of soul and achievement. Oncoming generations will rise up and call you blessed. You, too, may be Pioneers.

REV. C. B. COX

# REVIVAL ROSTER

The fall revival was graciously presided over by the Rev. C. B. Cox of Indianapolis First Church. For his theme the evangelist stressed entire Sanctification. God blessed the college in an unusual way, and the student body and faculty were keenly aware of the consummate power of the Holy Spirit.

The Rev. George W. Galloway from Celina, Ohio, came to us in February for the spring series of meetings. He inspired us with his old-fashioned Holiness preaching concerning the complete remission of sins. Such a revival as we witnessed strengthened the Christians and brought many men and women into the Kingdom.

## *The Student Prayer Chapel*

"O come let us worship." (Psalm 95:6).

"Worship the Lord in the beauty of Holiness." (Psalm 29:2).

Such familiar thoughts and desires are expressed by many students as the Olivet Student Prayer and Service Band gathers each evening at 6:15 to 7:00 in the Student Prayer Chapel. Expression of prayer, praise and service are rendered in the course of each meeting.

Cooperation by all participants is of the highest nature, making the service a blessing to everyone. The Holy Spirit is the director, and the praise goes to Him for the success of the meetings.

Sweeter music cannot be found than that which comes forth from the lips of the hundreds who have the witness within of the Lord's transforming power. The "Amen Corner" includes the front row to the back row of the Prayer Chapel. Some souls are lifted to new spiritual heights, and others find the Lord in saving and sanctifying power at an old fashioned altar of prayer.

From this prayer group will come the leaders of our church of tomorrow. Combining the education received in the course of study with the challenge, determination and blessings obtained in the student prayer meeting, this group will scatter to various parts of the globe to proclaim the glorious Plan of Redemption. Officers for the year were: Dr. Grover Van Duyn, Sponsor; Clayton Bailey, President; Ardec Coolidge, Vice-President; and Charles Alstott, Chairman of the Christian Workers' Band.

## *Olivet Ministerial Fellowship*

Passing over into the second year of its existence on November 26, 1947, the Olivet Student Ministerial Fellowship has already found a secure footing and served a distinctive mission among the significant organizations of the campus. With a present membership of over 300, it includes the vast majority of all the young men and women of all departments of the college who are planning to enter the ministry or missionary field.

In keeping with its original purposes, its monthly sessions have been conducted with a view to deepening spirituality, promoting Christian fellowship, enlarging intellectual horizons, solving personal problems and increasing individual efficiency among its members. Spear-heading its forward drive this year has been its dynamic president, Clayton Bailey. He has been ably assisted by a select corps of additional officers including Ted Kerr, vice-president; Maudie Huston, recording secretary; Velma Johnson, corresponding secretary; Ronald Featherston, treasurer; Ted Holstein, chorister; Carl Greek, pianist; Lowell Sparks, publicity chairman; and George Psaute, program chairman.

## *Called Missionary Band*

The purpose of the Called Missionary Band is to exalt Christ on the campus, to prepare in an elementary way called missionaries for their respective fields, and to arouse students and teachers to do something concrete for missions.

Our program is an interesting and, we believe, a helpful one. The group is separated into units according to fields, and each group studies its country and organizes programs for presentation to the whole group as well as public performances. Each called missionary is given the opportunity to take a practical study course in first aid. A missionary program is presented over radio station WONC each Monday evening. Chapel programs, social gatherings, W. F. M. S. programs and special meetings each first and third Sunday of the month are conducted. Missions are first in our lives. Our objective is to let nothing swerve us from our absolute attention upon missions.

## *Christian War Veterans of America*

The purpose of the Christian War Veterans of America is to organize the veterans into an organization to hold high the Banner of Christ and the flag and principles of our country.

The local chapter of the national organization of Christian War Veterans of America is called the Gilbert Spencer Memorial Chapter in memory of Gilbert Spencer, the only Nazarene Chaplain killed in the recent war. A memorial chapel program was presented on December fifth. At that time the charter was presented to the school.

The Christian War Veterans has sponsored the Showers of Blessing program and the placing of Holiness literature in the veterans' hospital at Dwight, Illinois. Records and literature have been placed in the hands of the local Chaplain at Dwight for use in the hospital.

Officers for the year were Luther Watson, Commander; Violet Patterson, Secretary; and Ray Hawkins, Treasurer.

## *Daughters of Martha Ann Wines*

The Daughters of Martha Ann Wines was organized in 1943. The society was named in recognition of Mrs. Martha Ann Wines who has given more than fifty years of faithful and effective preaching to the doctrine of Holiness. She is a member of the Indianapolis District and has been a beloved and revered minister of the Church of the Nazarene since its beginning.

The organization has for its purpose "to promote the spiritual life, develop the talents, to provide fellowship and a better understanding and relation for young women who are called to the Christian ministry."

The officers are as follows: Velma Johnson, president; Mildred Sisson, vice-president; Ella Gotschall, secretary; and Lucille Heldenbrand, treasurer. The sponsor is Mrs. Wayne H. Donson.

## Orpheus

Completing its sixteenth season the Orpheus Choir once again fulfilled to the utmost its mission "A Ministry in Music." Its powerful message was received with enthusiasm by multitudes of people throughout the middle west.

Singing anthems by Van Denman Thompson, Randall Thompson, Augusta Rotoli, Ippolitoff-Ivanov, Eric Delmarter, and arrangements by F. Melius Christianson, Robert Shaw, and Professor and Mrs. Walter B. Larsen, the choir was heard in concerts in Illinois, Michigan, Indiana, and Missouri. The climax of the season was the appearance of the Orpheus Choir at the General Assembly held in St. Louis.

The hard work and inspired conducting of the choir's organizer and conductor, Professor Walter B. Larsen, and the unselfish cooperation of each member were the contributing factors in making this an outstanding season in the history of the Orpheus Choir.

## *Treble Clef*

MRS. NAOMI LARSEN

The Treble Clef Choir has been a progressive and inspirational organization since its establishment by Professor Naomi Larsen in 1944.

The choir is composed of thirty-four women chosen by the merit of their voice quality, their scholastic achievements and character. These combined characteristics help to make this choir an inspirational group singing with precision and interpretation seldom surpassed.

A successful concert tour was made of the Wisconsin District and points in and near Chicago. The new beauty and richness which the choir, under Mrs. Larsen's leadership, gives to the old hymns, blessed and encouraged souls in every performance.

Mrs. Geneva Vanhook Holstein has efficiently accompanied the choir for the past two years.

This year the choir's repertoire included selections from Handel, Gounod, and Tchaikowsky and several hymns with special arrangements by Mrs. Larsen.

## Vikings

MR. GEORGE SNYDER

In the fall of 1944, eighteen young men with enthusiasm and singing ability were organized into a choral group known as the Viking Male Chorus. Under the direction of Professor George A. Snyder the membership has increased to thirty-three, including the accompanist, Professor Esther Snyder.

Each year, following the organization of the Vikings, the concert season has been high-lighted by a tour of some section of the Olivet educational zone.

The 1947 concert tour found the Vikings singing to capacity audiences. Concerts were given in the Michigan churches at Flint, Lansing, Pontiac, and Adrian. The Vikings presented a sacred broadcast over the facilities of Radio Station WABJ in Adrian preceding their regular concert.

Included in the 1948 repertoire of the choir were such favorites as: "The Lord is My Light," by Allitsen; "The Twenty-Third Psalm," by Mallote; "God's Time," by Sacco; "In the Garden," and the Viking traditional hymn, "Beyond the Sunset."

## Apollo

MISS KATHRYN ZOOK

The Apollo Choir is the most recent addition to the Olivet School of Music. It was organized in September, 1946, and is under the direction of Professor Kathryn Zook.

Apollo Choir has made regular appearances in the College Church and this spring made its first concert tour. Included in its repertoire were selections by Maunder, Haydn, Titcomb, Stainer, Protheroe and Malotte-Deis.

Organized to meet the rising aesthetic demand of a large student body, the Apollo Choir has proved itself worthy of its mission. As in the other ensemble groups, achievement is stressed from the standpoint of spiritual values and technical perfection.

Under the superb guidance of its new director, Professor Eldon E. Basney, the Olivet Symphony stepped into the limelight as one of the outstanding musical organizations of Olivet College. This position was held unreservedly after its first public performance given in December in the Kankakee High School auditorium.

Displaying an unusual musical intuition and a complete command of his group, Professor Basney led the orchestra through three inspired public appearances. Included in the compositions played by the Symphony was the Iphigenia in Aulis Overture by Gluck, the Sleeping Beauty Waltz by Strauss, L'Arlesienne Suite by Bizet, the Oberon Overture by Von Weber, the D Minor Piano Concerto by Mozart, Three Dances from the Bartered Bride by Smetana, Malaguena from Moszkowski's opera Boabdil, Chit Chat and Pizzacato Polkas by Strauss, Vesti la Guibba, from Pagliacci by Leoncavallo, an original Christmas Cantata for the orchestra and choir by Professor Basney.

Soloists with the Olivet Symphony included Mrs. Naomi Larsen, Mezzo Contralto and Pianist; Gerald Greenlee, Tenor; and Mrs. Dorothy Buss, Violinist.

## *Faculty Artist Series*

Highlighting the activities of the School of Music this year was the series of recitals given by various members of the music faculty.

This series, known as the Faculty Artist Series, was organized to help meet the aesthetic demands of Olivet College and the surrounding community. Besides providing an outlet for the talents of the faculty members, the Faculty Artist Series proved to be a definite contribution to the cultural life of the school and community.

Two new organizations contributing greatly to the activities of the School of Music are the Gale Organ Guild and the Artis Musical Magistri Club.

The Gale Organ Guild was organized to advance the cause of worthy church music, to elevate the status of church organists, and to increase their appreciation of the responsibilities, duties, and opportunities as conductors of worship. Monthly meetings not only provide opportunities for fellowship among the organ students, but for discussion of professional topics.

Organized and sponsored by Miss Blanche Garner the Artis Musical Magistri Club holds as its objectives the preparation of students for the problems they will meet in the field of music education, and the acquirement of a deeper appreciation of music. Those eligible for membership must be music education majors. Highlighting the activities of the year was a film showing the National Music Camp activities at Interlocken, Michigan, and an address by Professor Eldon E. Basney. Artis Musical Magistri has been invited to join the National Music Educators' Club. This promises to be a great asset to our school and will help to promote the club to a position of prominence among the clubs of Olivet College.

## *Athletic Directors*

Olivet is fortunate to have as its director of athletics, Dr. Ronald D. Jones, student friend and counselor, a man of versatile interests. His leadership has been the guiding force in the success which this department is achieving.

Under his leadership the intramural athletic program has increased with the addition of the major sport of football this year. Equipment and facilities have been increased by two new ball-diamonds, a refinished gymnasium floor, and a tumbling and apparatus room.

Olivet is decidedly improving in this important phase of student life, and to Dr. Jones belongs much of the credit.

A peek into the gymnasium on Mondays and Wednesdays during this year would have shown Mrs. June Strahl teaching physical education to the girls. She introduced Field Hockey in this department last fall and started a tumbling class for the more advanced students in physical education. This is her third year in the department since taking work at the University of Illinois.

## *Student Instructors*

Miss Evelyn Duff ably supervises the general swimming periods and conducts classes for beginners and advanced students. She has an American Red Cross swimming instruction certificate and holds Michigan state diving and swimming honors.

Genial Charles Oswald has instructed the men's general physical education classes. He has had previous experience in Y. M. C. A. work and summer camp activities. "Chuck" is acquiring a physical education minor and plans to do further teaching in this field.

John Strahl, tennis enthusiast and winner of the Olivet 1947 men's tournament, has offered tennis to large classes of beginners and advanced students this school year. Through these classes tennis is increasingly enjoyed on the campus.

Bob Keys acquired a very complete course in swimming while serving as a Navy pilot during the war. He gained his American Red Cross swimming instruction certificate and this year has given many hours toward building skill and high interest in this sport at Olivet.

## *Referee*

Mr. Cecil Crawford has done a splendid work promoting clean sportsmanship on the basketball floor. His impartial attitude during tight games is appreciated by both players and onlookers.

This very exclusive athletic club was formed in 1940. It has always been outstanding in promoting good sportsmanship and interest in all sports.

Under the able leadership of Leo Baugus, the club enjoyed initiation of the new members and a most successful Homecoming Tip-Off event. The club promoted several invitational church games during basketball season. The year ended with an outstanding banquet.

## *"O" Club Basketball Team*

The "O" Club was coached by Professor Jones this year. It started out with an easy victory over the Alumni team and scored over Toledo First Church and Dayton First Church.

The "O" Club split games with Flint and tallied a win over Toledo. Chicago First Church won the first game of a three game series—the other contests will be played after this book goes to press.

Through the combined efforts of the Olivet Alumni Association and the "O" Clubs, the Homecoming Day, November 14th, was a well-organized, successful day.

There were two new events in the program: a luncheon, in place of the former banquet, and the afternoon entertainment of musical numbers

by both the Treble Clef Choir and the Viking Male Chorus. Slides and movies of former Olivet days were also featured.

Dr. Mendell Taylor, professor at the Nazarene Theological Seminary, delighted those present at the luncheon with the presentation of the pertinent and unforgettable topic "Homogenized Lives."

At the special chapel program, Dr. S. T. Ludwig, general church secretary of the Church of the Nazarene and president of the Olivet Alumni Association, was guest speaker.

Honors were divided in the annual Tip-Off as the Alumnae defeated the "O" Club by a margin of two points and "O" Club men chalked up their second victory over the Alumni with the score of 30-22.

The women were sparked by Mabel Rice, Wilma Shaw and June Strahl as forwards; Jean Strahl, Marge Howe, Donna Randolph, and Lois Starr as guards. The "O" Clubbers proved to be good losers. They did a good job of sinking baskets and dodging long arms.

The "O" Club men jumped off to an early lead in the first quarter. Kelley sank a free throw to start the scoring for the Alumni. The Alumni team fought hard throughout the first half, but by the second half the "O" Club steadily lengthened its lead.

Cecil Crawford and Floyd Gale tied for scoring honors with eleven points, and both fellows served as sparks to their teams.

It was fun having the old grads here, and may there be many more such occasions in the future.

For the second straight year the Indian men earned the softball crown. Led by the pitching of Bob Clendenen, the hitting of Howard Stroble, Tom Clendenen and Floyd Gale, the fielding of Chuck Beatty and Donald Burghorn, and the snappy play of the entire team, the Indians won almost at will. Starting off slowly the "red men" ended up strong with six victories and two losses putting them far into the lead ahead of the slipping Trojans. The team this year was coached by Tom Clendenen and placed six men on the All-Star Squad.

## *Indian Softball*

## Indian Football

Once again the Indians proved their superiority as athletes as they arose to the heights of championship in softball and as co-champs in football. Under the guidance of Coach Pepper who organized a group of light but fast athletes, the Indians were able to hold down a heavier and more highly talented Spartan aggregation. Pepper coordinated and substituted wisely. His previous experience was utilized to good advantage, and his ability to handle men was incomparable.

One of the important factors in the Indian success was the number of reserves, enabling them to field a strong team at all times. Another factor was the speed and almost flawless ball handling of the Red and White. With a hard charging line, the backs were able to make yardage on quick opening plays. A third advantage

was the solid team spirit that caused the team to work together as one man and not as individual stars. Still another was the balance displayed in all positions.

It is said of the Spartan softball team of '47 that they had the ability and the spirit, but the breaks didn't go their way.

The Spartans, who were labeled the underdogs, upset the applecart more than once. Fine fielding and steady pitching by the Spartan nine often offset the more powerful hitting attacks of the opposition.

It must be said here, that the fans and especially the Spartan athletes appreciated the fine coaching of Leo Baugus and his policy that every man should have a chance to participate. This progressive method uncovered many talented boys with whom the Spartans plan to build their winning team of next year.

*Spartan Softball*

## Spartan Football

The Spartan athletic society enjoyed a successful season this year, ending the season in a tie with its strong competitor, the Indians.

A smooth operating backfield and line contributed to the success. Especially on defense were the Spartans strong.

Leo Baugus is to be commended for his stellar play both on offense and defense. His play

sparked the team on many touchdown drives. Bob Clack and Clayton Bailey were also outstanding in the line-up. Two hundred and sixty-five pound Bailey was a defensive powerhouse. His constant rushing of the ball carrier wrecked many high hopes for the opposition. Bob Clack also gave the opposition much to worry about by his passing accuracy.

Jess Schnell, Ben Crocker, Chuck Perry, and Keith Crocker contributed much in spirit and aggressiveness.

Hopes for next year's Spartan squad look bright with five lettermen returning.

## *Trojan Softball*

The Trojans finished the season in second place in the society standings. The season's record was four wins and four losses for a .500 average.

The Trojan softball coach was Butch Ward. He was a heavy hitter and played a stellar game at third base. The rest of the infield was made up of Bundy, Applegate, Bryant, Hess, and Rice. James Crabtree did a very fine job of pitching and Jenkins was just as capable in receiving him. The outfield was controlled by Laymon, Fruehling, and Holloway.

# Trojan Football

The Trojan's lacked winning scores but they made up for this in spirit. They were coached by Don Smith who managed to pull one upset over the favored Spartans.

The Trojans lacked size but had plenty of speed in quarterback Crow. They used Paul Grubb's passing arm for many yardage gains. Homer was usually on the end of Grubb's passes.

The Tropans gained much experience this fall in the new Olivet sport. We are looking forward to big year in football for the Trojans.

## *Indian Softball*

The undefeated Indians of last year now share a three-way tie with their opponents. The old hands were Lois Zackmire, holding down first base, and Nona Powers at second. Pearl Street fielded, and Mary Johnson coach, pitched. Three freshmen, Miriam Dye, Margaret Webb and Lennie Meesey were assets to the team in hitting and fielding. Doris Rowe, Glenna Curtis, and Martha Ludwig also lent a hand this year. The fall team seemed to be irregular in positions, but in looking ahead to the spring season a better turn out is expected.

## *Indian Basketball*

The Indian girls, who now have four wins and no losses, hope to make this year a victorious one. There are four old players: Geneva Sleed, Pearl Streetfi Lois Zackmire, and Mary Johnson.

Four capable freshmen filled vacancies: Katrine Kennedy, a forward, and three guards, Ruth Enoch, Juanice Lehmann, and small but swift Miriam Dye who aids appreciably in holding down the gains of the opposing teams. Jean Greene and Norma McMurrin joined the team for the second semester.

*Second Row:* R. Everett, A. Harshman, L. Evans, J. Harshman, C. Lambert, T. Baker, A. Millspaugh.

## *Spartan Softball*

New talent and extended interest have brought pleasant results for the Spartan women. The Harshman sisters, Joan and Avis as pitcher and catcher, were reliable and efficient. Winnie Wilson, coach, and Twyla Baker, Lorine Evans and Betty Brown ably filled the infield positions, and Carol Chesmore, Evelyn Duff, Carol Lambert, Arlene Millspaugh, Shirley Boggs and Ruth Everett acted as outfielders.

LEFT TO RIGHT:

W. Wilson, C. Coomer, T. Baker, L. Evans, M. Bradley, J. Harshman, A. Harshman.

## *Spartan Basketball*

As in softball, the Spartan women showed some real competition on the floor against the Trojans and the Indians. Coached by Winnie Wilson, assisted by Hugh Voss, the Spartan forwards, Avis Harshman, Joan Harshman and Twyla Baker, did some exceptional passing and shooting as compared with last year, much to the dismay of the other teams. The games as a whole were far better than last year and with most of the girls returning, the picture looks very bright for next year. Guards for the season consisted in the main of Shirley Boggs, Betty Brown, Charlotte Coomer, Lorine Evans, Jewel Britton and Marjorie Bradley.

*Second Row:* L. Gibson, M. Reitz, D. VonSeggen, M. Ricker, B. Fruehling, S. Abernethy, N. Turley, V. Ritthaler.

## *Trojan Softball*

The Trojans, coached by Dwan Trimble and captained by Wilma Ostrander, won three games and lost three.

Outstanding players in these games were Donita Von Seegen, who put some swift balls over the plate and Mable Ricker, catcher, performing adeptly. Left-handed Fruehling, at first base, missed but few balls which came her way. Wiseman, even though small, snagged many balls around the keystone sack. Reitz played an efficient game at third base. Duties at shortstop were divided between Gibson and Ritthaler, both of whom helped spark the attack. In the outfield were Turley and Trimble sharing right field; Abernethy, center field; and Farris, right field. Each one played a good game catching flies and stopping grounders.

Von Seggen, Fruehling, and Abernethy made the most hits and helped make the games interesting and a good season for the Trojan girls.

LEFT TO RIGHT:

D. Trimble, E. Rodenburg, G. Farris, W. Van Fossen, V. Ritthaler, M. Ricker, V. Patterson, W. Ostrander, S. Abernethy, D. Von Seggen.

## *Trojan Basketball*

The Trojan girls have fought a good fight in basketball this season. With Dwan Trimble as coach, and Donita Von Seggen, captain, the team has shown some skilled playing.

Donita Von Seggen, forward, has the highest point average. She has made basketball exciting through her fast passes and interceptions. Other forwards are Dwan Trimble, who is next in point average, Betty Fruehling, who has a neat "left-hand under the basket" shot and Wilma Van Fossen, who always performs smoothly. Shirley Abernathy played superior games as forward but changed to guard and has proved outstanding. Virginia Ritthaler, operating as a guard, has shown some fast work on the floor. Mable Ricker played guard for some time but an injury put her out of basketball. Wilma Ostrander, coaching the guards, played some interesting basketball as did Reitz and Rodenburg who have helped the Trojans to win three games this season.

## **ALMA MATER, OLIVET**

To Alma Mater, Olivet,  
We lift our voice in praise  
For noble standards which we'll hold  
Till ending of our days.  
The time we spent within these halls  
Will ne'er forgotten be,  
For there we learned to know of truth,  
And truth will make us free:

Chorus:

My Olivet, Our Olivet,  
Tho' life may lead us far apart,  
I'll still revere you in my heart.  
My Olivet, Our Olivet,  
I'll love the Christ you gave first part  
And you, old Olivet.

## *The Fair Store*

### Kankakee's Greatest Store for Wearing Apparel

One of the oldest and most reliable retail establishments in this city, The Fair Store has an enviable reputation for QUALITY, HONEST VALUE and COURTEOUS SERVICE. Specializing in wearing apparel for the entire family, this store sells more of the following lines than any other store in this city: Fur coats, Ladies' and Misses' suits, coats and dresses, shoes, Men's clothing, corsets, millinery and sportswear. Other departments include: Fabrics, Domestics, Accessories, Toiletries, Lingeries, Children's wear, Floor covering, Draperies and Luggage. Once you get to know The Fair, you'll discover why so many people call it . . . Kankakee's most friendly store.

Olivet students are especially invited to make our new  
"Seventeen Shop" their headquarters while downtown.
